page 214; hearing and 1st reading, page 253 ; 2nd reading, page 259 ;
3rd reading, page 259 .

Councilman Rainey said his support for the resolution is based on the fact that individuals must change their own litter habits and in his opinion the only way to do this is to make the one enjoying the service pay for the collection of the litter. He said his support is also due to the decreasing aluminum supply in the world. He said people are wasting precious metal that has a valuable need.

Mayor Trantham said the City of Asheville has a serious litter problem and he felt stricter laws and higher penalties for littering are needed.

Jean Webb, Executive Director of Quality Forward, said the Quality Forward Board had heard presentations from both sides of the issue and upon a vote of the board, the majority voted to endorse the proposed legislation of the "bottle bill." She said the vote was 8-5 in support of the bill. She said the proponents of the bill said they felt this would be one step forward toward the litter problem and the opponents said the legislation was discriminatory and did not address the total litter problem.

Dewey Andrews, member of the Quality Forward Board and representative of the Smoky Mountain Distributors said the proposed legislation is an unfair bill and does not address the total problem. He said statistics have shown that bottles and cans only represent 15% of the total litter problem and the proposed legislation deals only with bottles and cans and does not address such items as plastic, paper, and etc. He said if the legislation is approved there will more than likely be a 20% decrease in business in the bottle business which would also mean a tax revenue loss for the federal, state and local governments. He said, for example, the City of Asheville has a possibility of losing \$50,000.00 in tax revenue. He said he was in favor of legislation to deal with the total litter problem.

Mr. Sanders Rowland, president of the Coca-Cola Bottling Company, said he was representing all bottling companies and it was their concern that the proposed legislation is discriminatory. He said they were also concerned about the total litter problem. He said there are other means to deal with the problem that are not addressed in the proposed legislation.

Ben Pace, owner and operator of Country Food Stores, also spoke against the proposed legislation saying it was discriminatory. He said the bill would provide a hardship on such businesses because they would have to comply with regulations of dealing with returnable bottles in a very complicated manner. He said legislature cannot legislate responsibility and he would favor addressing the total problem through strict enforcement of litter laws. He said the driver of an automobile should be the responsible party for littering from his or her car.

JoAnn Swilling, member of the Quality Forward Board, spoke in favor of the proposed "bottle bill," stating that this would be one step forward to regulating litter. She said the Buncombe County Commissioners and the Land of Sky Regional Council have endorsed the "bottle bill" and she urged Council to give their support of the bill.

Mickey Tweed, representative of Stroh's Distributors, also spoke against the "bottle bill" legislation. He said his company, in a two day period, received signatures of over 8,000 people who were against the proposed legislation. He said it was discriminatory by singling out the bottle and beverage industry.

1

Thursday - May 3, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman Gene E. Rainey, F. Jack Cole, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 19, 1979 meeting and the April 26, 1979 meeting.

Upon motion of Councilman Michael, seconded by Councilwoman Price, the minutes of the April 19, 1979 meeting and April 26, 1979 meeting were approved as submitted.

PRESENTATION OF BASIC TRAINING CERTIFICATES - FIRE DEPARTMENT

2. Mayor Trantham and Chief Powell Ball presented the following individuals their Basic Training Certificates :

William A. Davidson
Margaret E. Bryson
John W. Earle
Gary Lee Hensley

Chief Ball said, under the Fire Cadet Program, these individuals satisfactorily completed the basic training course.

RESOLUTION NO. - RESOLUTION SUPPORTING ANTI-LITTERING PROGRAM

3. Consideration was given to a resolution supporting an anti-littering program.

The City Manager read the resolution.

This resolution was prepared at the direction of Councilwoman Price in order to give Council an opportunity to voice their opinion relative to House Bill 857, presently being considered by the General Assembly, relative to regulations for littering with bottles and cans. This bill now before the General Assembly is known as the "Bottle Bill."

Councilwoman Price moved for the adoption of the resolution stating that the resolution does not specifically endorse the proposed "bottle bill." She said the resolution only supports legislation that will address the total litter problem. This motion was seconded by Councilman Rainey.

After discussion of the resolution, Councilman Rainey moved for the adoption of the resolution adding the following paragraphs: 1) That the housing be located in the East End Valley Street area; and 2) That the majority of the housing, except for that provided for the elderly, be single family units; a minority will be duplexes; and 3) That every effort be made to allow their housing units to be purchased by private individuals at a later date. This motion was seconded by Councilman Cole, which motion carried with Councilman Michael voting "no."

Complete text of Resolution No. 79-98 will be found in Resolution Book No. 11 at page 182.

ORDINANCE NO. 1099 - AN ORDINANCE AMENDING THE OPERATING BUDGET AND CAPITAL BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL 1978-79 (Incorporating budget amendments)

5. Consideration was given to an ordinance amending the operating budget and capital budget for the City of Asheville for Fiscal 1978-79.

The City Manager read the ordinance and explained that the Fiscal 1978-79 budget allows changes by motion of Council which must be summarized and ratified by Ordinance Amendment to formalize said motions. He said this ordinance will ratify motions made to amend the budget though March, 1979.

Vice-Mayor Horton moved for the adoption of Ordinance No. 1099. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1099 passed on first reading. (Councilman Michael was excused from the meeting due to a phone call)

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1099. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1099 passed on second reading. (Councilman Michael was excused from the meeting due to a phone call)

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1099. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1099, passed on third and final reading. (Councilman Michael was excused from the meeting due to a phone call)

Complete text of Ordinance No. 1099 will be found in Ordinance Book No. 8 at page 336.

BUDGET AMENDMENT - HARVEST HOUSE PROJECT

6. Consideration was given to a budget amendment amending the City of Asheville Federal Capital Projects Fund budget for Fiscal Year 1978-79 to set up appropriate revenue and expenditure accounts to accommodate the execution of a contract with the North Carolina Division of Aging for renovation at the Harvest House project.

Councilman Michael said it was his understanding that the General Assembly had delayed action on the proposed bill and he did not see Council's expediency in taking action on the issue. He said he would like the opportunity to study the total problem before any endorsement, to make sure it will not provide a hardship on any particular individual or industry.

Councilman Morris agreed stating that Council should study the total problem before making any recommendations or endorsements. He said he would like for Council to receive input from the bottling industry as to what constructive measures could be taken to control the litter problem.

Mr. Sanders Rowland said the General Assembly should review the current legislation in effect in the State of Washington. He said the "Washington Bill" imposes a tax on businesses which is turned over to municipalities for the cost of cleaning up the litter. He said prisoners are used to pick up the litter on the roadsides for which they are compensated through the tax monies. He said the tax is also used for educational programs dealing with the litter problem. He said an ordinance dealing with littering should be strictly enforced.

Councilman Cole said after listening to comments on both sides, he could not support the resolution. He said he felt it was too weak. He said he felt the General Assembly should also look at other alternatives. He supported the need for stricter penalties and strong enforcement of laws on littering.

Robert Johnson, representing the Pabst Distributors, also spoke in opposition to the proposed "bottle bill."

Paul Greene, member of the Quality Forward Board, said he was one of the members who voted against endorsement of the "bottle bill." He said the proposed legislation does not address the entire problem and the legislature should look at other approaches such as the "Washington Bill."

Mayor Trantham suggested that, since the General Assembly had decided to delay action, that Council also delay action on the endorsement until it is determined what action the General Assembly wants to take.

After discussion, Councilman Michael made a substitute motion to table the resolution for two weeks. This motion was seconded by Councilman Cole, which motion carried on a roll call vote of 5-2 with Vice-Mayor Horton and Councilman Rainey voting "no."

Councilman Morris requested that those individuals interested in the issue write up some "constructive input" for Council to consider in making their recommendations to the legislature.

RESOLUTION NO. 79-98 - RESOLUTION APPROVING APPLICATION FOR PRELIMINARY LOAN FOR LOW-RENT PUBLIC HOUSING

4. Consideration was given to a resolution approving application for preliminary loan for low-rent public housing.

The City Manager read the resolution.

Highlights of the budget amendment:

Appropriation:	Harvest House	\$38,667
Revenue:	State Grant- N.C. Division of Aging	\$29,000
	Appropriated Fund Balance- General	
	Revenue Sharing	7,050
	Contributions from other funds -	
	in-kind	2,617
		\$38,667

Councilwoman Price moved for the adoption of the budget amendment as presented. This motion was seconded by Councilman Cole and carried unanimously.

REPORT REQUESTED - CITY SCHOOL DISTRICT LINES

Upon inquiry of Vice-Mayor Horton, the City Attorney said he had not completely finished investigating the possibility of extending the city school district lines to coincide with the City Limits.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop, again complained to Council about the lottery sales in Asheville. He requested that Council get the help of the legislatures, particularly Mr. Herbert L. Hyde who is on the Governor's Crime Commission.

WALKER D. LONG - REDBO LANE

Mr. Walker D. Long, of 8 Redbo Lane requested Council's help in getting Redbo maintained by the City. He said the road needs to be scraped and to have gravel put on the road. He said one family in the area who does not use Redbo Lane refuses to let the City maintain the road. He said the City had maintained the road previously.

Mayor Trantham said he would have the City Manager investigate the complaint.

Adjournment.

Ray M. Trantham Mayor
William J. Mallett Jr CITY CLERK

Verl Enrick, Director of Planning, said the City Council has been petitioned under G. S. 160A-31 to annex property in Richmond Hills owned by the WNC Baptist Homes, Inc. He said the City Clerk has certified the sufficiency of the petition and the last step is the adoption of the ordinance.

Mr. Enrick then read the prepared ordinance annexing the property.

A discussion was held relative to the WNC Baptist Homes, Inc. providing payment-in-lieu of taxes, since their organization would be tax-exempt.

Councilman Michael said it was his understanding that an agreement would be reached relative to the payment-in-lieu of taxes before the ordinance was adopted. He said the ordinance should include a written provision that the Home would pay for the services rendered by the City such as police and fire protection or a resolution drawn binding the Home to pay for these services. He said he could not support the ordinance without some type of agreement.

Council then discussed the legality of binding such an organization to make payment-in-lieu of taxes.

Mr. Benfield, representing the WNC Baptist Homes, Inc. said they would be willing to make a payment-in-lieu of taxes but he did not have an agreement to present.

It was determined that Council could not make the agreement for payment-in-lieu of taxes a provision of the annexation ordinance.

Mayor Trantham closed the public hearing at 3:53 p. m.

Councilwoman Price moved for the adoption of Ordinance No. 1100. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 5-1, Ordinance No. 1100 passed on first reading, with Councilman Michael voting "no."

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1100. This motion was seconded by Councilman Rainey, which motion carried.

On a roll call vote of 5-1, Ordinance No. 1100 passed on second reading, with Councilman Michael voting "no."

Vice-Mayor Horton again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1100. This motion was seconded by Councilman Rainey.

Councilman Morris said he felt some members of Council would feel more comfortable about adopting the ordinance if Mr. Benfield could get a letter of understanding signed by the owner of the WNC Baptist Homes, Inc. stating that their organization would not mind paying reasonable charges for city services rendered. He said Council should have the third reading of the ordinance after Mr. Benfield gets the letter of understanding from the owner of the property.

Thursday - May 10, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman Gene E. Rainey, Otis B. Michael and Ralph D. Morris, Jr., Acting Corporation Counsel Robert J. Robinson, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman F. Jack Cole and Corporation Counsel William C. Moore

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 3, 1979 meeting.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, the minutes of the May 3, 1979 meeting were approved as submitted.

PROCLAMATION - NATIONAL HANDICAPPED AWARENESS WEEK - MAY 13 - 19, 1979

2. Mayor Trantham proclaimed the week of May 13 - 19, 1979 as "Handicapped Awareness Week" in the City of Asheville.

Council recognized several handicapped individuals who were in attendance.

Mr. David Golson, President of the Western North Carolina Association of the Physically Handicapped, asked that Council and City officials observe May 15, 1979 as Handicapped Awareness Day. He requested that, in observance of this day, that Council and City officials perform their normal duties in a wheelchair for three (3) to four (4) hours in order to make the public aware of the handicaps involved in operating from a wheelchair.

RECOGNITION OF CITY EMPLOYEES - DAVID PRUITT AND MIKE EVANS - MUNICIPAL ADMINISTRATION COURSE

3. The City Manager recognized David Pruitt and Mike Evans for completing the course in Municipal Administration at the Institute of Government.

PUBLIC HEARING - ANNEXATION OF WNC BAPTIST HOMES, INC. PROPERTY IN RICHMOND HILLS

ORDINANCE NO. 1100 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA

4. A public hearing was held relative to annexing property owned by the Western North Carolina Baptist Homes, Inc.

Mayor Trantham opened the public hearing at 3:20 p. m.

The City Manager presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

DISCUSSION - NOTIFYING PROPERTY OWNERS OF BOARD OF ADJUSTMENTS APPEAL HEARINGS

Councilman Morris requested that the City Manager instruct the Building Inspection Division to notify adjacent property owners of appeal hearings by the Board of Adjustments.

After discussion, J. E. Johnson, Director of Inspections, was requested to obtain a cost estimate to comply with this request.

PUBLIC HEARING SCHEDULED - REVISION OF SANITATION CODE

6. Consideration was given to a motion scheduling a public hearing relative to revising the Sanitation Code of the City of Asheville for May 17, 1979.

The City Manager said the major revision of the sanitation code would be to allow a charge for container service for dumpster pick-up of \$8.00 after the first free pick-up during a week.

Councilwoman Price moved to schedule a public hearing relative to the revision of the Sanitation Code for May 17, 1979. This motion was seconded by Councilman Morris and carried unanimously.

BIDS - ONE (1) TRUCK - WATER DEPARTMENT - LEAK DETECTION SERVICE

7. Consideration was given to bids received May 1, 1979 for one (1) one-half ton pick-up truck for the Water Department, Leak Detection operation.

The City Manager presented the bids stating that two (2) bids were received and a recommendation was received recommending acceptance of the second low fully responsive bid of Matthews Motors in the amount of \$5,338.00. He said the low bid did not meet bid specifications.

Councilman Morris moved to accept the bid of Matthews Motors, Inc. in the amount of \$5,338.00. This motion was seconded by Councilman Michael and carried unanimously.

DISTRIBUTION OF ABC REVENUES

Vice-Mayor Horton said he had received a statement from Mr. Anderson from the ABC Board which pointed out that mixed beverage revenue is subject to the same distribution as regular ABC revenues. He said the profits are shown on a quarterly audit report. He requested the City Manager to obtain a copy of the quarterly audit report.

SPECIAL SCHOOL DISTRICT TAX - REQUEST FOR INFORMATION

Vice-Mayor Horton requested that the City Manager find out how much the special school district tax is, officially.

After discussion, Vice-Mayor Horton's motion to proceed with the third and final reading was defeated on a voice vote of 4-2, with Councilmen Morris and Michael voting "no." (A 2/3 vote of Council is required to proceed with the readings of an ordinance.)

Councilwoman Price then moved that police and fire protection be given to the WNC Baptist Homes, Inc. property in Richmond Hills until an agreement can be reached between the City and the organization. This motion was seconded by Councilman Rainey and carried unanimously.

Vice-Mayor Horton said he felt it was morally and statutorily wrong to make an agreement a provision of the annexation.

Councilman Rainey said he felt Council needed a written policy on such matters.

PUBLIC HEARING - REZONING - PROPERTY ON MERRIMON AVENUE - MS. BETTY WOODS

ORDINANCE NO. 1101 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. A public hearing was held relative to rezoning property on Merrimon Avenue from R-3 Residential District to CH Commercial Highway District, property owned by Ms. Betty Woods.

Mayor Trantham opened the public hearing at 4:12 p. m.

The City Manager presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission reviewed the request on April 4, 1979 and recommended approval of the petition to City Council. He said the approval was recommended even though there was written protest to the rezoning. By the use of a map, Mr. Emrick reviewed the location of the property in question. He said the property was located off Merrimon Avenue next to a vacant lot fronting on Merrimon Avenue.

Ms. Betty Woods, owner of the property, spoke in support of the rezoning. She said she was trying to get all the property owned by her in that vicinity zoned to CH Commercial Highway.

Mayor Trantham closed the public hearing at 4:23 p. m.

Verl Emrick, Director of Planning, read the ordinance rezoning the property as petitioned.

Councilman Michael moved for the adoption of Ordinance No. 1101. This motion was seconded by Councilwoman Price.

On a roll call vote of 5-1, Ordinance No. 1101 passed on first reading, with Councilman Rainey voting "no."

After discussion relative to the arrests made at the rock concerts, Mr. Taylor asked Council to endorse the actions of the Police Department in making those arrests.

George Woodruff, Executive Director of Concerned Citizens for a Better Asheville and Buncombe County, also commended the law enforcement officers on their efforts to deal with the drug problem. He said his group will be forming a Task Force to deal with the problem in an effective rehabilitation program as well as public education on a massive scale. He said the support of the City Council would be helpful.

After further discussion relative to the arrests made at the rock concerts, Councilman Rainey moved that Council commend the actions of the Asheville Police Department taken against individuals who violate existing drug and alcohol abuse laws at the Asheville Civic Center. This motion was seconded by Councilwoman Price.

Councilman Morris said he could not support such a motion because it singles out one incident and he did not feel that Council knew exactly what went on during the arrests. He said the Chairman's statement was only directed to the manner in which the arrests were made.

Councilman Michael said he could not support the motion because it isolates one incident.

Councilman Morris then made a substitute motion that the City Council believes that all laws should be enforced everywhere within the City of Asheville. This motion was seconded by Councilman Michael.

After discussion of the two motions on the table, Mayor Trantham suggested that Council delay action on the motions until a satisfactory motion can be reached and a report from the Police Department as to exactly what happened during the arrests at the Civic Center.

Councilman Morris then moved to table action on the motions until next week. This motion was seconded by Councilman Michael, which motion carried on a voice vote of 4-2, with Vice-Mayor Horton and Councilman Rainey voting "no."

ASTON PARK FACILITY - AMENDED GROUP DEVELOPMENT PLAN SUBMITTED

Mr. Charles Worley, representing the Aston Park Hospital, presented an amended group development plan for the Aston Park Facility.

Mr. Bob McDonald of the Planning Department said the original site plan was approved in 1977, however, the plan has been substantially amended and needs further approval by Council. He said they are ready to begin grading and any delay in approval could mean re-negotiations of the grading contract.

After discussion and review of the amended plan, Councilman Morris moved to approve the amended site plan for the Aston Park Hospital. This motion was seconded by Councilman Mich 1 and carried unanimously.

DEFICIT OF ASHEVILLE TRANSIT AUTHORITY - DISCUSSION

Councilman Michael said he had read that the deficit of the Asheville Transit Authority would be \$900,000 this year, which is \$200,000 more than last year. He said the School Board had been requested to increase their share from 20¢ to 25¢ for the school children to ride the bus and Biltmore Forest had been requested to increase their share by 25%. He said it was his understanding that they had agreed to this increase in order not to have an increase in the Asheville Transit Authority deficit. He requested that Council review the Asheville Transit Authority deficit during their budget work sessions.

CHUNNS COVE ROCK DUMPING - REPORT

Upon inquiry of Councilman Rainey the Associate City Manager reported that he had met with Asheville Contracting Company relative to their covering up a sewer line during their rock dumping operation in Chunns Cove. He said Asheville Contracting Company has agreed to uncover the sewer line and replace the pipe.

Councilman Rainey said he had inspected the proposed site on Tunnel Road that Asheville Contracting Company proposed to fill and he was satisfied that the finished grade would be flat on top.

AIRPORT AUTHORITY - DISCUSSION

Council discussed the request of the County of Buncombe for the City of Asheville to state their position on the establishment of an Airport Authority. Feeder lines in Haywood County, North Buncombe and Henderson County were also discussed.

CHRISTIAN ACTION LEAGUE - DON TAYLOR - DRUG PROBLEMS - ROCK CONCERTS

Mr. Don Taylor, President of the Buncombe County Chapter of the Christian Action League of North Carolina, Inc., expressed appreciation to the City Police, Buncombe County Sheriff's Department, and the Interagency Narcotics Squad for their efforts to cope with the drug problem. He said his group is very concerned with the drug problem in Buncombe County and is launching a pilot program to research the drug problem to see how bad it really is and what can be done to deal with the problem. He solicited Council's support of the program and further requested that the City Council give its full support to the City Police and other law enforcement agencies as they enforce the law against the sale and use of drugs.

Referring to the arrests made at the Asheville Civic Center during the last two rock concerts, Mr. Taylor said he was upset with the Chairman of the Civic Center Commission's statement which said the arrests would only decrease the business at the Civic Center. He said such a statement is irresponsible for an appointed official as the Police Department was only enforcing the law.

Councilman Michael said the local agencies also need cooperation from the judicial system.

Montford is at a crossroad. With a little help from city government and other institutions, our neighborhood will once again become an attractive area in which to live. With continued neglect, further physical deterioration and erosion of the tax base will take place. The upcoming neighborhood plan is a chance to begin to map out a more positive future for us.

We ask, that in your regular meeting on Thursday, May 10, 1979, you decide on whether yourself or the Planning and Zoning Commission should deal with our requests. After that issue is resolved we would like to move quickly to a formal hearing on the matter.

Looking forward to your response.

Sincerely,

David E. Matney, III, Chairman
Board of Directors
Historic Montford, Inc.

DEM:mej

cc. All members of the Asheville City Council
All members of the Planning and Zoning Commission
Mr. Verl Emrick, Planning Director
Mr. Ken Michalove, City Manager

Councilwoman Price moved that the letter be referred to the Planning and Zoning Commission for consideration and recommendation. This motion was seconded by Councilman Rainey and carried unanimously.

Councilman Rainey requested that Planning and Zoning take action on the matter as soon as possible.

PETITION - WOMBOLT AVENUE - DRAINAGE PROBLEM

The City Manager presented a petition from residents of Wombolt Avenue relative to a drainage problem. He said the problem would be investigated.

PETITION - KENILWORTH RESIDENTS - OPPOSING HOME FOR DEVELOPMENTALLY DISABLED CITIZENS

The City Manager presented a petition from residents of Kenilworth who opposed the construction of a home for developmentally disabled citizens in the Kenilworth area.

LETTER - DAVID E. MATNEY, III - HISTORIC MONTFORD, INC.

The City Manager presented the following letter for Council's consideration:

Mayor Roy M. Trantham
Post Office Box 7148
Asheville, NC 28807

Dear Mayor Trantham:

During the regular monthly meeting of Historic Montford, Inc. on Thursday, May 3, 1979, the members attending unanimously approved a motion that the following requests be made to the Asheville City Council and/or the Asheville Planning and Zoning Commission:

- A. An immediate moratorium on rezoning in Montford*
- B. An immediate moratorium on commercial building permits in Montford
- C. A 90-day public notice of demolitions in Montford

The reasons for these requests are twofold. First, a comprehensive neighborhood planning process, using already allocated CD funds, will be undertaken shortly by the City's Division of Planning. It is expected that one aspect of this plan will carefully examine all existing zoning designations in the neighborhood and make recommendations for possible changes. As part of this examination there will need to be a thorough investigation of possible negative impacts on adjacent revitalizing residential blocks by further commercial intrusions. Tax base implications should most assuredly be explored. In addition, all properties in Montford which are currently judged to be dilapidated and therefore, potential candidates for demolition, need to be reassessed in light of the increasing value of and investor interest in older properties in Montford.

Second, a portion of the neighborhood is being suggested as a local historic district by the Planning and Zoning Commission. The historic designation by the Commission, the soon to-be-formed Asheville-Buncombe County Historic Resources Commission and its subsequent approval by the Asheville City Council, will allow for architectural design guidelines to be established for any new construction or reconstruction in the historic district. It is our hope that these guidelines be put into effect before any further development takes place. Biltmore Village, as you are aware, is a prime example of what can happen without such guidelines.

* For the purposes of these requests and for the neighborhood planning process, we are suggesting that Montford be defined as those areas surrounded by the intersections of 19-23, Broadway and the Crosstown Expressway.

RALPH BISHOP - DRUGS DURING ROCK CONCERTS AT THE CIVIC CENTER

Ralph Bishop told Council the only way to do away with drugs at the Asheville Civic Center during a rock concert is to instruct the City Manager not to bring any more rock concerts to the Asheville Civic Center.

Adjournment.

[Signature]
MAYOR

[Signature]
CITY CLERK

After discussion, it was the consensus of Council that the Mayor write a letter to the residents of Kenilworth explaining Council's position as was discussed during the April 26, 1979 meeting of the City Council.

LEGISLATIVE BULLETIN - BILLS TO BE CONSIDERED BY GENERAL ASSEMBLY

The City Manager presented Council with copies of a legislative bulletin which highlighted several bills being considered by the General Assembly. He said the North Carolina League of Municipalities has given sufficient study to the bills to take a stand on the future impact to the municipalities. He requested that Council support the League's position on the proposed bills.

Councilwoman Price moved that the Mayor be authorized to contact the delegates of the General Assembly supporting the League's position on the bills highlighted in the legislative bulletin.

After discussion, it was the consensus of Council to delay action on the motion until the bill could be discussed during a Council work session.

CLAIMS - MR. BRUCE BOYD - MS. MARY VLAHOS - MR. T. T. ROGERS - NORTHWESTERN BANK
MRS. GLADYS B. WARREN - WHITMIRE MONUMENT COMPANY

The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent:

The following individuals have claims against the City of Asheville for damage:

Mr. Bruce Boyd 7 Montford Park Place Asheville, N. C.	Damage to automobile, rock protruding from cut across concrete drive
Ms. Mary Vlahos 60 Holland Street Asheville, N. C.	Property damage, sewer back-up
Mr. T. T. Rogers 52 Holland Street Asheville, N. C.	Property damage, city truck ran into back porch
Northwestern Bank 1 Pack Square Asheville, N. C.	City truck ran into brick wall
Mrs. Gladys B. Warren 233 Maplehurst Avenue Syracuse, N. Y.	Damage to property, 100 North Griffing Boulevard, broken pipes
Whitmire Monument Company 1468 Patton Avenue Asheville, N. C.	Damage to property, water leak

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RECOGNITION OF CITY EMPLOYEES COMPLETING "PRINCIPLES OF SUPERVISION" TRAINING COURSE

4. The City Manager said on February 19, 1979, thirty-six (36) of our Department and Division Heads, Supervisors, and Foremen began a ten (10) week, forty (40) hour course at A-B Tech in the "Principles of Supervision." He said this was a college credit course in the North Carolina Community College System and was taught by Mr. Charles B. Potter. He said the course was an effort to learn and apply effective management and supervisory techniques to City government. He said all thirty-six (36) of the employees enrolled in the course have successfully completed the requirements for a certification from the School. In recognition of their achievement, he presented each employee with their certificate.

The City Manager thanked Mr. Charles Potter, the instructor, and Lowell Smith of A-B Tech for their assistance in the training course. He also thanked John Miall for his efforts in putting the training course together.

RESOLUTION NO. 79-100 - RESOLUTION SUPPORTING ANTI-LITTERING LEGISLATION

5. Consideration was given to a resolution supporting anti-littering legislation.

The City Manager read the resolution.

Councilwoman Price noted that this matter was discussed by Council two weeks ago and after hearing presentations on both sides of the issue concerning legislation considered by the General Assembly which was known as the "Bottle Bill" Council decided to delay action on the matter. She said it was apparent that the General Assembly would take no action on the "Bottle Bill." She said the proposed resolution requests that the General Assembly address the total litter problem.

Councilwoman Price then moved for the adoption of Resolution No. 79-100. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Mr. Sanders Rowland, President of the Coca-Cola Bottling Company, expressed appreciation to Council for requesting comprehensive legislation on the litter problem.

Complete text of Resolution No. 79-100 will be found in Resolution Book No. 11 at page 185.

ORDINANCE NO. 1100 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA (W.N.C. Baptist Homes Property in Richmond Hills)

6. Consideration was given to the third reading of Ordinance No. 1100, an ordinance to extend the corporate limits of the City of Asheville, North Carolina, property owned by the W.N.C. Baptist Homes located in Richmond Hills.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

Mr. Don Taylor spoke in support of adoption of the ordinance.

Thursday - May 17, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael

INVOCATION

Whitney Davis, Captain of the Police Department, described the Chaplain Program now going on at the Police Department. He expressed his appreciation for the beginning of the program.

Mayor Trantham introduced Rev. James Tucker, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 10, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the minutes of the May 10, 1979 meeting were approved as submitted.

PROCLAMATION - YOUTH-IN-CITY GOVERNMENT DAY - MAY 17, 1979

2. The City Manager recognized the participants in Youth-in-Government Day.

Mayor Trantham proclaimed May 17, 1979 as "Youth-in-Government Day" in the City of Asheville.

RESOLUTION NO. 79-99 - RESOLUTION OF APPRECIATION TO JOSEPH L. BRADY FOR SERVICES AS CHAIRMAN OF THE ASHEVILLE PLANNING AND ZONING COMMISSION

3. Consideration was given to a resolution of appreciation to Joseph L. Brady for services as Chairman of the Asheville Planning and Zoning Commission.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-99 was unanimously adopted.

Complete text of Resolution No. 79-99 will be found in Resolution Book No. 11 at page 184.

Ralph Bishop said he was opposed to charging the hospitals for the service because the cost would be assumed by the patients.

Councilman Morris suggested that the language relative to the specifications of bulk containers be changed because the smaller bulk containers owned by some businesses do not meet the specifications by not having doors opening on two sides of the containers.

Clark Brown, Director of Public Works, said he would clarify the language in the ordinance relative to specifications on bulk containers.

Councilman Rainey suggested that the ordinance include a provision for charging interest on any unpaid balance due the City for bulk container pick-up service.

Mayor Trantham closed the public hearing at 3:50 p. m.

Councilwoman Price moved for the adoption of Ordinance No. 1102, including the changes relative to specifications of bulk containers and charging interest on any unpaid balance due the City for bulk container pick-up service. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1102 passed on first reading.

PUBLIC HEARING - ZONING AIRPORT PROPERTY

ORDINANCE NO. 1103 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Zoning Airport Property)

9. A public hearing was held relative to zoning the Airport property to LI, Light Industrial District.

Mayor Trantham opened the public hearing at 3:55 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said after reviewing the recommended zoning of the airport property to LI, Light Industrial District, it has been determined that the gasoline storage containers located at the airport is not a permitted use in the Light Industrial District, therefore, he recommended that the zoning be changed to HI, Heavy Industrial District.

By the use of a map, Mr. Emrick reviewed the location of the airport property to be zoned.

Mayor Trantham closed the public hearing at 4:10 p. m.

Verl Emrick read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1103. This motion was seconded by Councilman Morris.

Mr. Benfield, representing the W.N.C. Baptist Homes, said the organization would be willing to pay for the city services as a payment-in-lieu of taxes. However, he said he had been unable to obtain an agreement for same at this time.

Vice-Mayor Horton further commented that Council could not make an agreement to pay for the services a provision of the annexation. He said the agreement would be discussed during a Council meeting, at a later date after the annexation is completed.

On a roll call vote of 6-0, Ordinance No. 1100 passed on third and final reading.

Complete text of Ordinance No. 1100 will be found in Ordinance Book No. 8 at page 337.

ORDINANCE NO. 1101 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property on Merrimon Avenue, property owned by Ms. Betty Woods)

7. Consideration was given to the second reading of Ordinance No. 1101, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning property on Merrimon Avenue, property owned by Ms. Betty Woods.

Mayor Trantham stated the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Planning Director, reminded Council that a 3/4 favorable vote would have to be received for the adoption of the ordinance due to the amount of opposition involved in the rezoning request.

On a roll call vote of 4-2, Ordinance No. 1101 was defeated on second reading.

PUBLIC HEARING - REVISION OF SANITATION CODE

ORDINANCE NO. 1102 - AN ORDINANCE AMENDING THE SANITATION CODE OF THE CITY OF ASHEVILLE

8. A public hearing was held relative to revising the Sanitation Code of the City of Asheville.

Mayor Trantham opened the public hearing at 3:30 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

The City Manager read the ordinance. He said after examining the services provided it was determined that the service was not provided on an equal basis in that some businesses are receiving two or three pick-ups per week while others were only receiving one pick-up per week. He said this ordinance will provide for a charge of \$8.00 per pick-up after the first "free" pick-up during a one-week period. He said this will increase revenue by \$250,000 which will pay for the service on the bulk containers.

He said since that time Council had a meeting at which time the Chief of Police discussed his position and feeling of the necessity of taking the action that was taken which precipitated these motions.

He then moved that the substitute motion which reads "the City Council believes that all laws should be enforced everywhere within the City of Asheville." be amended by adding the following: "and appreciates the continuing efforts of the Asheville Police Department to that end -- particularly in the apprehension of those violating alcohol and drug abuse laws in or near City-owned facilities." This motion was seconded by Councilman Rainey and carried unanimously.

Councilwoman Price expressed appreciation for the Chief of Police's report relative to the drug problem during rock concerts at the Asheville Civic Center as well as the report from the Asheville Area Civic Center Commission.

RESOLUTION NO. 79-101 - RESOLUTION ELECTING MEMBERS OF BOARD OF EXAMINERS FOR POLICEMEN'S AND FIREMEN'S PENSION AND DISABILITY FUND

12. Consideration was given to a resolution electing members of Board of Examiners for Policemen's and Firemen's Pension and Disability Fund.

The City Manager read the resolution which elected Dr. John A. Henderson and Mr. John Best as members of the Board of Examiners for the Policemen's and Firemen's Pension and Disability Fund.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 79-101 was unanimously adopted.

Complete text of Resolution No. 79-101 will be found in Resolution Book No. 11 at page 186.

RESOLUTION NO. 79-102 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE AN AIRPORT LEASE WITH GLENDA D. BOWLES, WITH RESPECT TO LEASING THE AIRPORT GIFT SHOP CONCESSION AT THE ASHEVILLE AIRPORT

13. Consideration was given to a resolution authorizing the Mayor to execute an airport lease with Glenda D. Bowles, with respect to leasing the Airport Gift Shop Concession at the Asheville Airport.

The City Manager read the resolution.

Councilman Morris was excused from voting on the resolution due to a conflict of interest.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-102 was adopted.

Complete text of Resolution No. 79-102 will be found in Resolution Book No. 11 at page 187.

Councilwoman Price then moved to amend Ordinance No. 1103 by zoning the airport property to HI, Heavy Industrial District. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1103, as amended, passed on first reading.

BUDGET AMENDMENT - APPROPRIATING FUNDS FOR NORTH ASHEVILLE PARK

10. The City Manager presented a budget amendment to amend the City of Asheville Federal Capital Projects Funds budget for Fiscal Year 1978-79 to set up appropriate revenue and expenditure accounts to accommodate the execution of a contract with the Heritage Conservation and Recreation Service for development of approximately 7.5 acres of land as a neighborhood park/playground facility to be known as North Asheville Park. The local cash match is appropriated in the General Revenue Sharing Trust Fund. The in-kind match will be provided by Parks and Recreation labor and administrative staff time devoted to the project.

<u>Account Code</u>	<u>Appropriation</u>	
65-45-674	North Asheville Park	<u>\$140,000</u>
	<u>Revenue</u>	
65-349-0674	Federal Grant - Heritage Conservation and Recreation Service (formerly the Bureau of Outdoor Recreation)	\$ 70,000
65-397-0674	Contribution from General Revenue Sharing	35,000
65-396-0674	Contributions from Other Funds - In-Kind	<u>35,000</u>
		<u>\$140,000</u>

Councilman Rainey moved for the adoption of the budget amendment as presented by the City Manager. This motion was seconded by Vice-Mayor Horton, which action carried with Councilman Cole voting "no."

LAW ENFORCEMENT - CIVIC CENTER - DISCUSSION

11. Further consideration was given to the matter relating to law enforcement at the Civic Center and in the City of Asheville.

Vice-Mayor Horton said a motion, with a second, was made at last week's meeting relative to the law enforcement at the Civic Center during the rock concerts. He said during the discussion a substitute motion was offered, with a second, and after further discussion the two motions were voted to be placed on the table until this meeting. He said therefore, they come off the table and he presumed that Council would consider the substitute motion in that it took precedence at the end of the discussion.

- H. Resolution No. 79-105 - Resolution authorizing the Director of Aviation to submit an application for strengthening Runway 16-34 at the Airport.

Resolution Book No. 11 page 190.

- I. Resolution No. 79-106- Resolution authorizing the Mayor to sign an amendment to the Hertz, Avis, and National Car Rental Agreement at the Asheville Airport.

Resolution Book No. 11 Page 191.

- J. Scheduling of a public hearing relative to the establishment of a Historic Resources Commission for June 14, 1979.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the consent agenda was unanimously approved.

CERTIFICATE PRESENTED TO CITY FROM HISTORIC PRESERVATION SOCIETY

Councilwoman Price presented a certificate presented to the City from the Historic Preservation Society for the work the City has done in the Historic Properties Inventory.

JOHN ROBINSON - NEWS REPORTER - TRANSFERRING

Mayor Trantham read two letters, one from him personally and one from the Council, to Mr. John Robinson, Asheville-Citizen Times News Reporter, who is leaving the Asheville-Citizen Times.

CHUNNS COVE AREA - ROCK DUMPING BY ASHEVILLE CONTRACTING COMPANY - HERB MOORE

Mr. Herb Moore, of Chunns View Drive, representing the Beaucatcher Homeowners Association in the Chunns Cove Road area, requested that Council take steps to force Asheville Contracting Company to remove rock from the easement of a city sewer line in the Chunns Cove area. He said the company was also violating restrictions in covenants on the property in the Mountainbrook Subdivision. He asked Council to pass a resolution expressing that Asheville Contracting Company and Baxter Taylor abide by the restrictions in the Mountainbrook Subdivision. He said he felt Council had a legal obligation to ask Asheville Contracting Company to remove the rock from the easement of a city sewer line and a moral obligation to ask them to abide by the covenants.

The City Attorney advised Council that the City should not get involved with the private covenant restrictions.

After discussion, Mayor Trantham advised Mr. Moore that Council would take his requests into consideration.

APPROVAL OF THE CONSENT AGENDA

14. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 79-103 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a temporary encroachment in connection with the Airport Runway Extension at the Asheville Airport.

Resolution Book No. 11 Page 188

- B. Scheduling of a public hearing relative to amending Section 30-3-3 of Asheville Zoning Ordinance #322 dealing with "Non-conforming Uses" for June 14, 1979.

- C. Scheduling of a public hearing relative to amending the Zoning Ordinance for the adjustment of filing fees for rezonings, group developments, and subdivision reviews for June 14, 1979.

*Councilman Morris also suggested that filing fees for appeals to the Board of Adjustments also be included in this public hearing.

- D. Scheduling of a public hearing relative to zoning property of W.N.C. Baptist Homes in Richmond Hills to R-3 Residential District. for June 14, 1979.
- E. Approval of bids received May 14, 1979 for recording equipment and accessories for the Hillcrest Community Center, Parks and Recreation Department.

HIGHLIGHTS: Only one (1) bid received. Recommendation of acceptance of bidder, Stero-Corral in the amount of \$2,991.22. Funding: State Grant-Hillcrest Enrichment Center - \$3,000

- F. Approval of bids received May 14, 1979 for estimated twelve (12) months requirements for water meters.

HIGHLIGHTS: Three (3) bids were received. Recommendation of overall low bidder, Neptune Water Meter Company in the amount of \$119,422.00. Funding: Water and Sewer Department - Operations Fund.

- G. Resolution No. 79-104 - Resolution authorizing the City Manager to sign a warranty agreement for the roof membrane at Fire Station #3.

Resolution Book No. 11 Page 189

Thursday - May 24, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael

INVOCATION

Vice-Mayor Bill B. Horton gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 17, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the May 17, 1979 meeting were approved as submitted.

LAW ENFORCEMENT - CIVIC CENTER - DISCUSSION - PARLIMENTARY PROCEDURE - VOTE ON MOTION

2. Vice-Mayor Horton noted that at last week's meeting a motion was made to amend a substitute motion, which motion carried unanimously, relative to law enforcement at the Civic Center and within the City of Asheville. He said after Council approved the amendment to the motion, they failed to vote on the substitute motion, as amended. He requested the City Clerk to read the substitute motion, as amended, which read as follows: "the City Council believes that all laws should be enforced everywhere within the City of Asheville -- and appreciates the continuing efforts of the Asheville Police Department to that end-- particularly in the apprehension of those violating alcohol and drug abuse laws in or near City-owned facilities."

Mayor Trantham then called for a voice vote on the substitute motion, as amended, which voice vote carried unanimously.

PRESENTATION OF CITY OF ASHEVILLE BUDGET FOR FY 1979-80 - SCHEDULING OF PUBLIC HEARING ON BUDGET

3. The City Manager presented the City of Asheville Budget for Fiscal Year 1979-80 and requested that a public hearing be scheduled on the budget for June 7, 1979.

The City Manager read the following budget letter accompanying the budget for the City of Asheville for Fiscal Year 1979-80:

1979-80 BUDGET DISCUSSION

Sofia Dickinson, 424 Brooklyn Road, said she had read in the newspaper that Council is making proposals for cuts in service and recommended a delay in opening of the Shiloh Center. She asked that Council find some other way to cut the budget.

Several individuals spoke relative to the recommendations to cut the budget for 1979-80 stating that Council should consider other alternatives other than recreation. One suggested that all swimming pool hours be cut rather than closing Walton Street Pool.

The City Manager advised that no final recommendations have been made and cuts were recommended in many more areas than the news media discussed.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to Council about the lottery sales in Asheville.

Vice-Mayor Horton asked Mr. Bishop if he would be willing to give a deposition to the law enforcement agency to help them in apprehension of the lottery peddlers. Mr. Bishop said he would be willing to give his deposition to the City Manager.

Adjournment.

MAYOR

CITY CLERK

- 2 -

- 1) Our municipal service area is approximately 25 square miles;
- 2) We have over 400 miles of streets;
- 3) We serve over 60,000 people in over 20,000 dwellings and businesses; 24 hours a day - 7 days a week;
- 4) We have in excess of 1,000 full and part-time employees in 20 different departments and divisions;
- 5) We support approximately 20 different boards and commissions;
- 6) We have a total annual budget of over \$25 million of which only \$6.7 million comes from ad valorem tax, based on a tax base of approximately \$731 million;
- 7) We have over 750 miles of water transmission lines - probably the largest in the State; and
- 8) The ad valorem property tax barely pays for police protection, fire protection and garbage collection.

In late January of each year we begin the formal process of preparing the City budget for the twelve month period beginning July 1 and ending June 30. Therefore, as a matter of fact, we are forecasting the amount of money we will receive and spend some twelve to eighteen months into the future. The first estimate of the budget is completed around the end of April and this estimate contains all of the services, equipment, and employee benefits that we need to provide all the goods and services that have been requested. This estimate also contains an estimate of the money we can expect to receive from taxes and other sources to offset the expenses. Typically, what we would like to have in way of services, equipment and employee benefits far exceeds the amount of money we can expect to receive. This year is no different. As of April 24, when we first discussed the budget, we had \$3.3 million more in needed expenses than in expected revenues. If we were to raise this amount from property taxes it would require a 48¢ increase in taxes for each \$100 valuation. This would mean that our city property tax rate would be raised from 97¢/\$100 valuation to \$1.45/\$100 valuation.

Since property taxes have only been increased 5¢ in the past five years, it was not reasonable to believe that the City Council would raise taxes in the amount needed to cover the estimated budget nor could I, as City Manager, recommend that we raise taxes in that amount. Therefore, since our initial budget meeting on April 24 and in subsequent meetings held since then, I have cut estimated expenses to match estimated income.

In making such drastic cuts there are roughly five ways to approach it:

- 1) Eliminate entire programs;
- 2) Eliminate portions of services;
- 3) Eliminate programs according to the percentage of funds each service receives from the budget;

CITY

OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

OFFICE OF
CITY MANAGER

May 24, 1979

The Honorable Mayor and
Members of City Council
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mayor and Members of Council:

Submitted herewith are the budget estimates for Fiscal Year 1979-80 which begins July 1, 1979. The budget was prepared according to the provisions of the Local Government Budget and Fiscal Control Act, as amended.

In accordance with this act, a copy of the budget will be filed in the Office of the City Clerk "where it shall remain available for public inspection until the Budget Ordinance is adopted." The Act also requires that the City Clerk publish a statement that the budget has been submitted to the Governing Board and is available for public inspection in his office. The statement shall also give notice of the time and place of a required public hearing. As a matter of local practice, the Budget Ordinance requires three readings before adoption and should be adopted "not earlier than ten days after the budget is presented to the Board and not later than July 1." Changes may be made in the budget at any of the three readings.

In order to give you and the public a mental image of the size and complexity of our operations, the following is a brief summary:

The Asheville City Government is a large diversified enterprise that provides services not only to residents of the City of Asheville, but to all of Western North Carolina. Major services which extend beyond the city limits, include: the Airport, with 350,000 passengers a year; the Water Department serving 33,000 customers and several municipalities with an average of over 20 million gallons of water a day; the Civic Center serving over 500,000 patrons annually; and the Parks and Recreation Department's facilities such as: Bee Tree Lake, Municipal Golf Course, Aston Park Tennis Courts, and Recreation Park.

In addition to the areawide spillover effects of City of Asheville services outside the city limits, there are some significant facts about the internal make-up and organization of the City of Asheville that are important to budgetary considerations. These are:

the largest N. C. city west of Charlotte, a leader in the growth of western North Carolina and a progressive city, and we should maintain that image and role.

- 5) We should seek the transfer of the expense burden of county-wide activities to appropriate governing bodies on an equitable basis to the City of Asheville property owner or we should pay for those services from sources other than property tax.

However, as wholesome as these criteria may be, there are certain matter of fact things over which we have little or no control. The following are some examples:

The budget process for Fiscal Year 1979-80 really began years ago with the decisions made then. Our status at this point in time reflects the policy and administrative decisions of this and previous City Councils, City Managers, and the attitudes and desires of the general public. This simply means that there are numerous activities we are now involved in over which we have had no control or say in establishing but which we now have an obligation to complete. To dwell on whether those past decisions were good or bad is inconsequential, although we should be aware of these decisions and their impact when making future fiscal and management plans. This budget generally reflects a time span of 12 months, but the final decisions we make this year will again perpetuate policy and administrative direction far into the future.

SOME MAJOR EXAMPLES OF BUDGETARY MATTERS AFFECTED BY PREVIOUS MANAGERIAL/COUNCIL DECISIONS ARE AS FOLLOWS:

- 1) 1939-Police/Fire Pension Plans - In Fiscal Year 1976-77, the City Council took a giant step forward in beginning the full funding of the Police/Fire Pension Plans started in 1939. Up to and until this time, the funding had been on a "pay-as-you-go" basis which did not materially affect the budget while employees were young and able. However, we were reaching a point when the employees under these plans had accumulated a number of years of service, retirement ages were being reached and disabilities were increasing, and the "pay-as-you-go" basis would soon have put the City into a position of using very large amounts of operating funds to pay the retirement benefits expense. It was a giant step forward for that City Council to recognize the need to provide actuarial funding for these retirement programs to assure the employees of their benefits and to save future administrations the disproportionate costs inherent to "pay-as-you-go" funding. However, even with the actuarial funding, the continuing expense for police and fire pensions is in excess of \$1 million a year (over 15¢ on the 1979-80 tax rate). Last year we paid this cost and we anticipate paying it this year partly from Federal General Revenue Sharing Funds, a source of funds which in itself is not guaranteed. By continuing this funding under the Federal General Revenue Sharing Program in place of funding the entire plan through the General Fund local revenues, we have affected the fiscal policy of this and future City Councils. For example, the Revenue Sharing Entitlement for

- 4) Eliminate portions of services according to a flat percentage cut equal to the amount of money the budget is out of balance; and/or
- 5) Cut the least important services first.

Obviously there are inequities to these methods so I used the following criteria to balance:

- 1) Direct services to the City of Asheville residents, in the order of priority they feel most important and provided in an efficient manner, are the first and most important consideration.

Since the City Council represents City residents, I used the following priority list to go by:

COUNCIL SURVEY RESULTS

1. Law Enforcement
 2. Fire Protection
 3. Residential Refuse Collection
 4. Street and Sidewalk Maintenance
 5. Leaf and Brush Collection
 6. Street Cleaning and Snow Removal
 7. Traffic Control
 8. Bulk (Commercial) Refuse Collection
 9. Airport
 10. Street Lighting
 11. Civic Center
 12. Transit Authority
 13. Code Enforcement
 14. Outdoor Recreation
Indoor Recreation
 15. Downtown Parking
 16. Library
 17. Cemetery
 18. Contributions to Non-Profit Agencies
- 2) Since we are a labor intensive service organization, we should expect high employee performance standards and we should be competitive with local private industry and comparable cities in North Carolina in pay and benefits so that we attract and retain the best qualified employees.
 - 3) We should protect the property values and the investment of Asheville's residents and businesses in the services we provide and in the decisions we make toward the consolidation of governmental services and in providing governmental services.
 - 4) Asheville is the county seat, the seventh largest city in North Carolina, known worldwide as a tourist/convention center,

collection service alone. On the other hand, tax-paying residential development and business development is primarily taking place outside the city limits. This can be seen in the rapid growth in the County's tax base as displayed in Exhibit C.

- 5) Annexation Moratorium - The City has been under a local annexation moratorium for more than four years under the authority of the General Assembly. This moratorium encourages growth surrounding the city limits. This also encourages the use of City services without giving the City the option to incorporate those areas to help us provide the revenues to pay for services rendered. This artificial restriction of Asheville's natural growth affects not only ad valorem tax receipts but also many State and Federal shared revenues, since the allocation of such revenues is based on population growth, local tax effort, and relative size and growth of our City compared to other cities. The annexation moratorium ends July 1, 1979.
- 6) Civic Center - The Civic Center has been and is an excellent entertainment, cultural, and convention resource for all of western North Carolina. However, the operational and debt service cost borne directly by the City of Asheville amounted to over \$1,041,000 or 15¢ on the tax rate for Fiscal Year 1978-79 after revenues are considered. Furthermore, the Civic Center supports almost \$54,000 in cost directly associated with the Art Museum, Mineral Museum, and Asheville Symphony.
- 7) Property Tax, Water Rates, and Tax Base -
 - A) Our property tax rate is 97¢/\$100 valuation. The Buncombe County tax rate is 73¢/\$100 valuation. We have one of the highest city tax rates in the State of North Carolina. The difference in the two rates is equivalent to the cost of the services and programs that the City pays of which are countywide in scope. A 1¢ increase in County taxes yields \$175,000. A 1¢ increase in City taxes yields \$68,747. The City tax base has not grown significantly in comparison with that of the County. (See Exhibit C for a comparison of City and County tax rates and bases.)
 - B) Our City water rate is one of the highest in the State of North Carolina. The rate outside of the City is one of the lowest. The differential is not by City choice, but is required by a local act of the General Assembly, the Sullivan Act, which is the only such legislation in the State. This legislation requires the City to sell water outside the city limits at the same rate as inside the city limits. The practice in other city-owned water systems is to charge non-city customers two to three times the rate charged to city customers.

Fiscal Year 1979-80 is \$1,409,278 and we plan to use \$700,000 of that for the Police Pensions. Due to the increased number of retirements in general, particularly "line of duty" disability retirements, the City's pension cost has been increasing by \$300,000 to \$400,000 annually. In April, 1979, the General Assembly passed an amendment to the Policemen's Pension Act which should provide a leveling off of expense caused by the unanticipated number of disability awards and the Fire Department employees voted to go to the State Retirement Program January 1, 1979.

- 2) Federal Program Capital Funds - (Model Cities, Community Development, Bureau of Outdoor Recreation, Urban Renewal, etc.) These funds improved materially the physical decay and quality of life in our City in numerous blighted areas that we would probably never have gotten to otherwise. However, in the area of recreation improvements alone, we will add \$300,000 to \$500,000 in continuing annual operational expense to support the facilities constructed with these funds. Examples are: Senior Opportunity Center, North Asheville Park, Shiloh Recreation Center, Montford Recreation Center, Burton Street Recreation Center, Livingston Street Recreation Center. These improvements also changed our recreational programs concept from seasonal outdoor recreation programs to a large indoor recreation center and outdoor program.
- 3) Bus System - The City of Asheville assumed the operation of the bus system in 1967. Through federal grants and a bond issue, we gained a new building and new buses. From 1967 to 1970 our losses were zero and in 1978-79 our gross loss was \$704,350 and our only salvation was the fact that in 1975 the Federal Government authorized a program to subsidize one-half of our operating loss. For Fiscal Year 1979-80, the total loss would have been \$751,427 before service cuts. As a comparison, the total loss in 1975-76 was \$416,657 and the City's share was \$203,240. This loss is growing every year with no realistic way to cut costs except to reduce service and/or increase fares.

We submitted an application to the Federal Government for a grant almost six years ago to begin a replacement program of our old buses. However, our request has not yet been granted. In the meantime, the price of a bus has increased from \$41,233 in 1974 to over \$80,000 now and there is an 18-month to 2-year delivery time. Also, we have no budget provision for matching the grant if it were approved this year.
- 4) Governmental and Non-Profit Organizations - Many governmental and non-profit organizations have chosen to locate inside Asheville city limits because of the free governmental services that we provide. Unfortunately, these agencies do not pay taxes, yet use a variety of City services. For example, I have estimated that these agencies receive approximately \$25,000 annually in garbage

- B) Assume financial burden for the difference between the actual and the equitable amount the City should pay for tax collection. \$161,908
 - C) Continue the funding of the Asheville-Buncombe Revitalization Fund. In particular, use the revenue from the sale of Pack Memorial Library for this purpose. (Net) \$100,000
 - D) Pay a portion of the cost of acquiring Deaverview Park. \$ 10,000
 - E) In accordance with state law, arrange for the City to dump garbage at the County landfill so that the City can close its landfill effective July 1, 1979. (Net) \$114,795
 - F) Assume a greater responsibility for funding the library and assume the administrative responsibility for the library July 1, 1979. (Net) \$ 64,840
 - G) Assume entire cost of County water maintenance plus pumping costs and add new water lines consistent with City plans outside the City limits as funds become available. (Approx) \$800,000
 - H) Assume the responsibility for operating Recreation Park October 1, 1979 and the City will lease the property to the County on a similar basis as the Nature Center. (Net) \$ 83,571
 - I) Assume a greater share of the operating cost of the Youth Council July 1, 1979 and assume the administrative responsibility for the program. (Net) \$ 9,000
- 4) That the City Council will request that the Buncombe County Commissioners and/or one of the two school systems to assume responsibility for the operation and maintenance of Memorial Stadium and McCormick Field at the end of the season for each facility. (Net) \$ 29,982
- 5) We are entering the 1979-80 Fiscal Year with the concept of retaining only \$1,000,000 of Fund Balance for City functions during the slow revenue periods. This amounts to less than one month's operating costs. The philosophy of not appropriating these funds to operations is a sound fiscal policy for several reasons: Interest earned adds to the revenues and further reduces the need for a tax increase; the policy is favorably considered on the bond market; and we are less likely to have to borrow money during slow periods of cash flow.

- 7 -

These are just a few of the inherited obligations that this City Council has assumed and is faced with.

SIGNIFICANT MATTERS PERTAINING TO REVENUES AND OFFSETTING EXPENSES:

The General Fund operates on revenues from fees and charges, ad valorem (property) taxes, local, state and federal grants, and shared revenues.

The General Fund has been balanced showing no increase in the ad valorem (property) tax rate but with some significant new revenue sources. The following information is a summary of significant matters pertaining to revenues that I feel the City Council should take into consideration:

- 1) The budget considers that the City Council will make a schedule adjustment in water rates countywide. The revenues produced from the increase will be used to pay into the City General Fund a payment in lieu of taxes/return on investment and improvements to the water system.
- 2) The budget considers that the City Council will pass ordinances charging for commercial container collection, increasing fees for various building and zoning permits, increasing certain recreation fees and fees for other general services.
- 3) The budget considers that the City Council will ask the County Commissioners to take full or equitable responsibility for financing the following:
 - A) I have recommended cutting funding to the outside agencies listed below from \$152,357 to \$104,042. However, I have left to City Council discretion the matter of determining how the reduction should be distributed. Some of these agencies may seek additional funding from the County.

	<u>Estimated</u>		<u>Requested</u>	
	<u>City</u>	<u>County</u>	<u>City</u>	<u>County</u>
	<u>78/79</u>		<u>79/80</u>	
Chamber of Commerce	\$ 80,000	\$ 69,500	\$ 80,000	\$ 69,500
W.N.C. Development Corp.	5,000	25,000	7,500	25,000
Bunc. Co. Rescue Squad	5,000	7,500	7,500	7,500
Community Rel. Council	33,857	36,400	37,000	36,400
Quality Forward	10,000	28,000	10,000	28,000
Nutrition Program	5,500	12,000	5,500	12,000
W.N.C. Air Pollution Bd.	13,000	35,294	13,000	33,680
Art Museum	*	20,000	10,324	20,000
	<u>\$152,357</u>	<u>\$233,694</u>	<u>\$170,824</u>	<u>\$232,030</u>
Subtotal				
Less Proposed City Reduction			<u>66,782</u>	
			<u>\$104,042</u>	

*Not stated separately

- A) Effective May 16, 1979 through June 30, 1980 there will be a freeze on the number of full-time permanent positions to the number approved for Fiscal Year 1978-79 which considers the City reorganization effective April 16, 1979.
- B) Effective July 1, 1979 Department Heads are to have designed special programs to involve volunteers in providing services.
- C) Effective July 1, 1979 through June 30, 1980 all part-time/temporary employment shall be kept at the expense level of Fiscal Year 1978-79.
- D) In the course of the budget decisions, we have considered certain cut-backs, deletions and/or charges for certain City services. However, it is our feeling that any reduction in permanent employees should be accomplished by attrition or transfer to another comparable job or in a manner prescribed by policy to be adopted by the Civil Service Board and the City Council.
- E) The following are significant employee benefit costs to the City that are contained in this budget:
 - 1) Five percent (5%) Pay Schedule Adjustment - effective July 1, 1979. \$475,394
 - 2) Continuation of the Pay/Performance Evaluation Plan \$236,050
 - 3) Position reallocation - approximately 29 employees affected. \$ 20,526
 - 4) Pay grade adjustment based on local studies and comparison to comparable North Carolina cities - approximately 442 employees affected. \$201,597
 - 5) Longevity Pay - would affect approximately 450 employees. \$161,427
 - 6) Life Insurance - \$5,000 \$ 42,870
 - 7) Hospitalization - free to employee, special group rate for family. \$346,855
 - 8) Additional Social Security coverage from 6.05 % to 6.13 % \$ 7,300
 - 9) Additional cost for general employees to go on the State Pension January 1, 1980. \$ 53,900
 - 10) Holidays (New Years Day, Easter Monday, July 4, Labor Day, Thanksgiving Day and 3 days at Christmas).

- 9 -

In addition to these actual increases in revenue, the City Council could consider the following additional sources:

- 1) Request that the Asheville City Schools reimburse the City for school crossing guards. \$ 33,000
- 2) Increase ad valorem (property) tax. Each penny increase will yield \$ 68,747
- 3) Consider charging for City services to governmental and non-profit agencies.
- 4) Continue to work with the County Government to fund those City activities which are county-wide in scope.
- 5) Consider a surcharge at the Civic Center.

SIGNIFICANT MATTERS PERTAINING TO EXPENDITURES:

As previously mentioned, the original budget estimates presented April 24 indicated that we needed an additional \$3.3 million in revenues to offset the projected expenditures. This \$3.3 million did not include additional personnel needs, capital improvements needed and operating equipment needed. Furthermore, on the 24th I presented a philosophy planning paper to reduce the budget along with certain recommended decisions to be considered by the City Council (See attached Exhibits A and B). Based on the conclusions and the mutual decisions that have been made regarding the planning papers and meetings with Department Heads and City Council the following are my recommendations and are included in the budget estimates the way it is balanced at this time.

- 1) That the City Council pass an ordinance to charge for commercial container collection. My reasons for recommending this are that we do not provide the service on an equitable basis and it is an extremely high cost service which many other cities have decided to charge for or eliminate.

Anticipated Revenue \$250,000

2) Personnel - Salaries and Fringe Benefits:

Since we are a labor intensive service organization, we should expect high employee performance standards and we should be competitive with local private industry and comparable cities in North Carolina in pay and benefits so that we can attract and retain the best qualified employees. We should adhere to the President's Voluntary Wage Control Program and we should not become dependent upon federally funded positions to support basic City services. The following recommendations adhere to the goals just stated:

By major functions, I have made the following cuts:

DEPARTMENT	AMOUNT	DESCRIPTION
Council/Manager	\$4,129	Reduction of Training and Travel and Dues and Subscriptions.
Administration	\$52,988	Elimination of Legal Advisor and Print Shop Supervisor positions and central word processing system. Reduction of Training and Travel. Result will be increased cost to corporate counsel, reduced quantity and quality of public information/printing and reduced support for City Manager's policy development, research and program evaluation efforts.
Inter/Extra Gov. Svcs.	\$328,690	Board of Tax Supervision - \$161,908 which represents 1.5% of tax revenues collected. Transit Authority - \$100,000. Some service cuts may be required to meet this reduction. Outside non-profit agencies - \$66,782 (see page 7 for details).
Non-Departmental	\$50,000	Reduction of contingency to \$100,000.
Finance	\$165,150	Transfer Data Processing conversion to capital projects funding saving approximately \$125,000. New positions in Accounting and Collections not approved. Training and Travel and Dues and Subscriptions reduced. Maintenance and Repair on City Building reduced by \$21,000.
Public Works	\$460,533	Administration - (\$11,000) Administrative Assistant position deleted. Street Lighting - (\$66,466) Cut 10% to reflect reduction in lights. Sidewalk Construction - (\$167,000) 13 full-time positions and equipment costs. Street Paving and Materials - (\$200,000) A contingency of \$150,000 has been included which anticipates the possible use of Community Development Funds support street improvements in the Area.

- 11 -

- 11) Sick Leave (12 working days per year for the first 5 years; 15, thereafter)
 - 12) Annual Leave (same)
 - 13) Effective June 1, 1979, reimbursement at a standard rate of 17¢ per mile for use of personal car for City business in town or out of town.
- 3) Telephone - We will implement a program to reduce the number of telephone installations and long distance calls.
 - 4) Printing and Duplicating - We will not fill a vacant position in the Print Shop and we will cut back on the quantity of use and type of work being done.
 - 5) Training and Travel - Training and travel has been frozen through the remainder of Fiscal Year 1978-79, and we have severely restricted travel during Fiscal Year 1979-80. We will cease the individual educational reimbursement program. Travel costs for individuals other than City employees, City Council members, designated City Council Board and Commission members will be eliminated effective May 16, 1979. Training budgets have been severely cut.
 - 6) Utilities - We will implement a conservation program regarding use of heating fuel and electricity.
 - 7) Dues and Subscriptions - Dues and subscriptions will be limited to those which the City belongs to as the City. Subscriptions will be limited to \$300 per Department.
 - 8) Motor Pool and Gasoline Consumption -
 - A) Department Heads will determine the take-home policy of City vehicles with emergency need for vehicles being the prime consideration.
 - B) A motor pool area will be set up on the area bordered by Valley, Marjorie, Spruce and Eagle Streets.
 - C) Departments are to cut fuel consumption by 25% of the May, 1978 actual use by June 1, 1979.
 - 9) Supplies - Purchase of supplies must be specifically approved by the Department Head beginning May 16, 1979 through June 30, 1979.
 - 10) Capital Outlay - There will be a freeze on capital outlay purchases beginning May 16, 1979 through June 30, 1979.
 - 11) Sharing of Employees and Equipment - From this time forward, we will look to more extensive sharing of employees and equipment among the City Departments.

<u>DEPARTMENT</u>	<u>AMOUNT</u>	<u>DESCRIPTION</u>
Civic Center	\$68,841	Cut one new position and eliminate all overtime. Eliminate direct service to Art Museum. Eliminate Civic Center Commission appropriation.
Library	\$88,630	Cut funding level requested for 1979-80 back to 1978-79 level. Will probably mean service cutbacks (reduced hours), and transfer balance of City support to GRS.

Items not budgeted or under-budgeted:

1. Only \$50,000 is budgeted for resolving the LEAA discrimination cases' - This may not be enough.
2. Asheville Revitalization Commission:
 - a. We are not planning to use ABC Revenues to fund the program
 - b. See Exhibit D for those activities funded and not funded.
3. No funds are included for the Historic Commission.
4. No funds for repairs or replacement of the Chestnut Street Viaduct.
5. No funds included for moving the Smith Bridge water line.
6. No funds are included for the Community Arts Council (\$6,000)
7. No funds are included for the Nature Center/Recreation Park sewer lines.
8. No funds are included for the requested Edgewood Road/Red Cross access project.
9. Only limited funds are available for Operations Complex development.
10. No funds are included for continuation of the renovation of the City Building, Police and Fire Departments.
11. No funding has been included to match Federal Aviation Administration projects.
12. No matching funds are included for new buses if the grant comes through this year.
13. No supplemental increase is included for retirees under the old police and old general employees pensions.
14. No money is included for construction of a Balsam Avenue cul-de-sac (\$8,300)

DEPARTMENT	AMOUNT	DESCRIPTION
Public Works Continued		Sanitation - Close landfill on July 1, 1979. (\$127,795 including 5 full-time positions). Inspections - (\$15,067) Cut one position and eliminate Dues and Subscriptions.
Employee Services	\$3,167	Deletion of the Federal Compliance Section and no new positions.
Planning	\$1,775	Reduction of Dues and Subscriptions and Training and Travel.
Police	\$688,160	Transfer of Police Pension cost to GRS (\$700,000). Eliminate all new positions except to add 5 police positions for Airport.
Aviation	\$86,827	Cut 2 new positions and eliminate contracted security guard and janitorial proposals. Cut grass maintenance by \$5,000.
Parks and Recreation	\$296,664	Bee Tree - (\$77,649) Transferred to Water Fund. Stadium and McCormick Field - (\$29,982) Close by December. Recreation Park - (\$83,571) Close at end of summer season. Senior Opportunity Center and Senior Citizen Activities - (\$92,859) Fund with Community Development and/or General Revenue Sharing Funds. Delete transportation, (\$15,429), with service to be provided through Asheville Transit Authority. Hillcrest - (\$20,000) Reduction of capital improvements and uniforms. Aston Park - (\$6,960) Reduction of court attendant. General - Delay opening of Shiloh Center, cut uniforms training and travel, etc. and increase rates as recommended by the Parks Advisory Council.

For the above unallocated funds I recommend the following guidelines be established by the City Council to include, but not be limited to:

- A) If at all possible funds will not be used for General Operations;
- B) Funds will be used for items that result in saving general operating expense;
- C) Funds will not be used for routine capital equipment;
- D) Funds could be used to match federal grants whenever possible; and
- E) Future funds from the sale of fixed assets will be placed into the Asheville-Buncombe Revitalization Fund.

Water Fund

The Water Fund operates on revenues from fees and charges, contributions from the County for some maintenance and capital improvements, federal and state grants and water bond funds approved by the residents of the City of Asheville.

The water service is the largest city departmental budget and its services extend to more customers than any other direct service.

As I mentioned earlier, one of my criterion for budgeting was that "we should seek the transfer of the expense burden of countywide activities to appropriate governing bodies on an equitable basis to the city property owners or we should pay for these services from sources other than property tax."

Therefore, because of the Sullivan Act and the unknown conclusion of a City/County water service and General Fund service agreement, I am recommending that the City Council increase water rates by 40% and transfer a portion of the revenue to the General Fund.

The 40% water rate increase recommended will generate \$1,723,800 in total annual new revenue. However, only \$1,522,115 can be used in the Fiscal 1979/80 budget because of the lag time in realizing the effect of a rate increase effective on July 1, 1979. Of this \$1,522,115 in new funds, \$513,237 has been transferred to the General Fund and the following funding for capital improvements has been provided for in the water fund:

WSIF	\$ 80,000
Capital Construction Fund	100,000
Capital Reserve	<u>752,199</u>
TOTAL	<u>\$932,199</u>

In this budget, I am assuming that the County Commissioners will continue to fund maintenance of County lines in the amount of \$400,000 annually and the WSIF Fund \$80,000 annually. In addition, I am recommending that the City Council request that the County Commissioners pay the actual cost of maintenance of County lines and pumping charges which is close to an additional \$400,000 - making the total contribution \$880,000 annually.

- 15 -

15. Only \$150,000 in the General Fund and \$150,000 from Community Development is budgeted for street resurfacing. Our best estimate for current street resurfacing needs is over \$1 million.
16. No funds have been included for changing City responsibility for drainage problems. However, the Planning Department will be initiating a study of the problem this year.
17. Most importantly, a General Fund Contingency of only \$100,000 is provided to cover any of the above items or other unforeseen requirements should they occur.

CAPITAL RESERVE AND GENERAL REVENUE SHARING FUNDS

Over the past several years, the City Council has set aside funds for capital improvement projects. Some examples of these types of appropriations are FY 1978-79:

	<u>Approximate Amount</u>
Unappropriated Sinking Fund Reserves	\$600,000
Operations Complex	\$200,000
Revenue Sharing Reserve	\$200,000
Asheville/Buncombe Revitalization Fund (\$1,000,000 Budget, \$176,500 provided)	\$176,500

Also, since the establishment of the Federal Revenue Sharing Program, we have used those funds as the primary source of funds for capital equipment and capital expense. However, each year we have used too much of the General Revenue Sharing Funds for general operating expenses instead of using the funds for one-time capital equipment and expense. The following is a schedule of the proposed use of General Revenue Sharing Funds for FY 1979-80 and other capital funds.

<u>Division/Activity</u>	<u>Capital Outlay</u>	<u>Operating Expense</u>
Administration	\$ 9,625	\$
Finance	6,495	
Aviation	35,400	12,000
Civic Center	25,850	
Public Works	320,050	
Employee Services	30,165	
Libraries		194,520
Police	101,537	700,000
Fire	58,756	
Parks and Recreation	<u>38,830</u>	<u>59,709</u>
TOTAL	<u>\$626,708</u>	<u>\$966,229</u>

5. We are not dealing adequately with our capital needs for an operations complex, fire and police, city building remodeling and/or constructing facilities and replacing major equipment.
6. The significant cuts made in training and travel, dues and subscriptions are steps backwards.

I frankly feel that we have too much government paid service and not enough neighborhood and community volunteer spirit. People don't know their neighbors, neighborhood pride and city pride are dwindling. People call the Inspections Division to settle neighborhood disputes and the Police Department to settle family arguments. I sincerely hope that we can turn this problem around in the coming years. And I sincerely hope that we can keep in mind the following ideas that I heard recently in a speech:

- 1) For every human want and problem, there cannot be a government program;
- 2) Government must do what it can, but it must not promise what it cannot do;
- 3) Government must overcome the tendency to maximize short-run, high visibility options at the expense of a long-run stable growth path;
- 4) It is not too much reality we must fear, but not enough..... It is an excess of unreality that is our greatest enemy. When we are confronted with real problems and if we do not find some real solutions, they will surely overwhelm us!

No budget is easy and no budget should be final -- it should be viewed as the general plan of activity for the year indicated -- capable of being adjusted reasonably to the unexpected, with the overall expense and revenue total or less being the acceptable management goal for the year.

Recognition is due to the Department and Division Heads for their cooperation in preparing this budget with special recognition for direct assistance in preparation and production of the budget to the Employee Services Department, Data Processing Division, Accounting Division, the Finance Department, Print Shop personnel, the Department of Administration and to the City Council for their long hours of deliberation over this budget.

Respectfully submitted,

K. M. Michalove

A final major change is the transfer of the expense of Bee Tree Lake to the water fund due to the potential use of that facility as a water source. If the City Council wishes to increase revenues for some water fund activities, consideration should be given to the following actions:

- 1) Seek repeal of the Sullivan Act;
- 2) Add a surcharge for pumping water; and
- 3) Add a surcharge for fire hydrants.

Exhibit E indicates some of the significant management improvement programs that have been instituted in the Water and Sewer Services Department in the past year, and I look for a continuation of this effort in the year 1979-80.

SUMMARY

The job of recommending a budget is the most difficult job the City Manager has because he has to be the one to recommend action for the City Council to take that cannot please everyone, and no one but the City Manager deals in detail with all of the parts of government - the public, the Council and the employees. The unfortunate part of the process of recommending is that my choices are not ones of "good" and "bad" activities, but ones of - what can we afford and what should we finance as City of Asheville governmental services.

The budget is balanced, but in the balancing, I have some concerns that should be considered.

1. We are still too dependent upon federal funds to support basic functions:

A. Revenue Sharing

Police Pension	\$700,000
Library	\$194,000
Basic Equipment Replacement	\$626,708

B. Community Development

Senior Opportunity Center	\$ 62,859
Support of other Senior Citizen Activities	\$ 30,000
Street Paving	\$150,000

2. Funding from the Buncombe County Commissioners:

We are very dependent upon funding several activities by the County Commissioners. If that does not materialize, we will have to seek other revenues or make further service cuts.

3. We are retaining a low cash flow amount and we have a very low contingency fund.
4. We are using \$522,349 of fund balance from FY 1978-79 to balance the General Fund budget.

DECISIONS NEEDED FROM CITY COUNCIL IN ORDER TO BALANCE THE
BUDGET FOR FISCAL YEAR 1979-80

1. Should we consider an ad valorem tax increase?

Each penny on the tax rate would increase revenues by \$67,782.
Therefore, anyone having \$50,000 in personal and real property if
5¢ were added to the tax rate, they will pay \$25.00 more in taxes.

$$\begin{array}{rcl} 97¢ & = & 485.00 \\ 1.02 & = & 510.00 \end{array}$$

2. Should we consider these fringe benefits?
- A. Annual evaluation/performance pay system and position reallocation
 - B. 5% salary adjustment July 1
 - C. State pension for General Employees to take effect January 1, 1980
 - D. An increase in retiree benefits - scale adjustment for police and general employees
3. Should we change our commercial garbage collection policy for dumpster containers to one free pick up per week and charge for all others at a standard rate including non-profit and governmental agencies?
4. Should we transfer the entire cost of pensions to the General Fund this fiscal year and charge the majority of capital equipment cost to the Revenue Sharing budget?
5. Should we eliminate the use of Revenue Sharing funds for operational costs?
6. Should we maintain a \$1 million cash flow fund?
7. Should we establish a standard street lighting program and eliminate all excessive lighting?
8. Should we hold the funding of a non-profit organization to the previous fiscal year level and not fund any new projects?
9. Should we adhere to the President's voluntary Wage Control Program?
10. Should we request the Asheville City School system to fund the School Crossing Guard Program?
11. Should we consider increasing parking penalties?
12. Should we designate special revenues to Downtown Revitalization?

CITY MANAGER'S PHILOSOPHY IN APPROACHING THE BUDGET
FOR 1979-80

EXHIBIT A

45

1. Emphasize providing management tools and improving general administration.
2. Use federal funding for one-time capital expense items to the extent allowable.
3. Move away from the dependency on federally funded positions which are critical to operations.
4. Move to rid ourselves of the dependency on Revenue Sharing funds for supporting General Fund operations.
5. Move to develop an Operations Complex.
6. Not fund any new outside programs or increase the funding for any existing programs.
7. Re-analysis of personnel needs:
 - A. Eliminate unnecessary positions
 - B. Shift labor to meet peak demands
 - C. Change some permanent positions to part-time
 - D. Consolidate some functions.
8. Maintain a Capital Reserve fund.
9. Emphasize service to the public and to the employees.
10. Reduce the cost of on and off-street equipment operations.
11. Use Revenue Sharing funds only for capital expenses one-time items same with any other windfall funds.
12. Include for future City Council decisions that resolutions be accompanied by a statement of future estimated operational cost.
13. Consider funds for all general employees to go on State Retirement system January 1, 1980.
14. Improve data processing equipment.
15. Emphasize training at all levels.
16. Emphasize inspections, audit and evaluation of City work.
17. Work toward increased County funding of programs and services which are funded wholly or in part by the City but are County-wide in scope.
18. Eliminate or charge for unequal services being provided.
19. Continue the following position/pay programs:
 - A. Annual evaluation/performance pay system and position reallocation
 - B. Salary scale adjustment July 1
20. Comply with the President's Wage Control Program.

- 3 -

20. Should the Council adopt a policy requiring that an annual operating budget be submitted with all future federal grants?
21. Should we begin an assessment for services we have previously provided for free or at a nominal cost?

- 2 -

13. Should we consider increasing the following fees:
 - A. Inspection
 - B. Zoning
 - C. Landfill
 - D. Recreation Program
 - E. User mistakes in burgular alarm systems or burgular alarm monitoring
14. Should we consider contracting all sidewalk work?
15. Should we delete pay for all board and commission members?
16. Should we consider a bond issue for constructing an operations complex and other facilities?
17. Should we consider new or increased funding from the County for the following county-wide activities?
 - A. Airport Capital Improvements
 - B. Library
 - C. Transfer Station
 - D. Board of Tax Supervision
 - E. Recreation Park
 - F. Commitment to the \$1 million dollar Capital Fund
 - G. Use of funds from the sale of the Library
 - H. Other
18. Should we consider any of the following items for additional revenues?
 - A. Increased rates at the Civic Center
 - B. Sale or lease of surplus property
 - C. Water rate increase
 - D. Charges for fire hydrants
 - E. Sewer service maintenance
 - F. Other airport revenues
 - G. Increase cost for cemetary lots
 - H. Sale of firewood off of North Fork
 - I. Sale of firewood off right-of-way
19. Should we provide special funding for the following?
 - A. Deaverview Park operations
 - B. Red Cross - Edgewood Road
 - C. Special drainage problems
 - D. A vehicle impoundment area
 - E. An historic resources commission
 - F. Smith McDowell House
 - G. The Community Arts Council
 - H. Other

CITY OF ASHEVILLE
FISCAL 1979/80 WATER DEPARTMENT ACTIVITY HIGHLIGHTS

Expenditures for the fiscal year 1978-79 budget have been held to the extreme minimum. This along with efficient management practices, has enabled the Water Department to produce an estimated surplus of \$465,881 for the fiscal year of 1978-79.

The following is a brief list of operational changes that have resulted in increased efficiency and reduced operational expenses.

- 1) Implementation of the Duty Officer Program. This program has resulted in a reduction of overtime from 30% of the payroll to a net figure of 4%.
- 2) The Water Maintenance Division has established a two-shift concept for sewer complaint calls, resulting in a significant reduction in overtime pay.
- 3) Water Districts have been established in the City. This operational change has improved the amount of water leak from 180 to 0 in a two month period.
- 4) Personnel in Water Maintenance has been reduced from 108 in 1978-79 to 88 full-time positions for 1979-80.
- 5) The finished water delivered from the North Fork Treatment Plant has been reduced from 23.5 MGD to 21.2 MGD as of May 1, 1979. This has resulted in budget savings of approximately \$30,000 in chemicals. This has been a direct result of increased efficiency of finding and repairing water leaks.
- 6) A Flushing program was initiated during April, 1979. This is one that will be conducted on a yearly basis.
- 7) The Engineering Department completed 54 construction projects. This was above all inspection in all private development water line extensions. Forty construction projects are still under engineering review.
- 8) The Water Department has assumed all operational responsibility for water billing and collection divisions.
- 9) The Water Department has applied for eleven (11) grants through ARC for the construction of water and sewer lines.
- 10) A complete investigation of the North Fork Dam was conducted by Soil & Material Engineering Co. The report concludes that the Dam is safe and does not present a hazard to the stability or integrity of the Dam.
- 11) The Water Department is and has furnished water to all Departments in the City. This is an extra expense to the Water Department of approximately \$78,000 per year.

Councilman Morris requested that the City Attorney investigate the possibility of a tax credit to those businesses paying taxes who have to pay for bulk container pickup service. He said he felt this would be a move toward equity. He also suggested that more compaction units be used to allow for a once-a-week pickup.

Bill Fass, owner of five food businesses in Asheville said he would prefer a property tax increase over the proposed garbage collection fees. He said Council would be faced with people who need two pickups, but will drop down to one with the result being garbage hanging out of the dumpsters and litter flying everywhere. He said businesses would be faced with other businesses using their dumpsters, which is already a problem in the business community.

Jean Webb, Executive Director of Quality Forward, said if businesses and residents would comply with the regulations of the present Sanitation Code the dumpsters would hold more garbage and not be so full, resulting in less pickups.

Councilman Rainey encouraged businesses to be more efficient about the disposal of their garbage because the City is running out of landfill space and they would have to do more compacting. He said he still feels the user should pay for the service and on that principle he was in favor of the ordinance.

Vice-Mayor Horton said the main distinction between residential and commercial pickup is that the solid waste of businesses is generated in the process of earning income and that distinction puts the issue in a little different light.

After discussion, Councilman Morris moved to table the second reading of Ordinance No. 1102 until May 31, 1979 giving Council an opportunity to discuss the proposed ordinance further. This motion was seconded by Councilman Cole, which motion carried on a voice vote of 5-1, with Councilman Rainey voting "no."

PROCLAMATION - VIETNAM VETERANS WEEK - MAY 28, 1979

Mayor Trantham said a joint proclamation had been made by the City of Asheville and the County of Buncombe proclaiming the week of May 28, 1979 as Vietnam Veterans Week.

Mr. Charles Carpenter, Chairman of Vietnam Veterans Week, described the events to take place during Vietnam Veterans Week.

PROPOSALS BY PRIVATE GARBAGE COLLECTION FIRMS

Jerry Sternberg, President of Container Service and Disposal Company, said he has the majority of the bulk containers on lease in the City of Asheville. He offered to take over the entire commercial service in the City and contract for the service with the individual businesses. He agreed to pay a subsidy to the City and to purchase the City's equipment. He said his firm would accept applications from city employees who would be displaced by the change over. He said after notice, his firm could take over the service within thirty (30) days. He said a private firm has more advantages than a City in that the City is limited in equipment and funds and flexibility.

Councilwoman Price moved to schedule a public hearing on the City of Asheville Budget for FY 1979-80 for June 7, 1979. This motion was seconded by Councilman Cole and carried unanimously.

ORDINANCE NO. 1102 - ORDINANCE AMENDING THE SANITATION CODE OF THE CITY OF ASHEVILLE

4. Consideration was given to the second reading of Ordinance No. 1102, an ordinance amending the Sanitation Code of the City of Asheville.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

George Beverly, Beverly-Hanks Associates, opposed the adoption of the proposed revision to the Sanitation Code, stating that the charge for dumpster pickup would result in about a 44% tax rate increase to his business. He said the ordinance would be unfair to business owners. He contended that the city does not limit the number of cans residents can have picked up and apartment complexes should not have limited collection. He requested that Council reconsider the proposed ordinance.

David Page, Associate Director of Memorial Mission Hospital, objecting to the ordinance, told Council that the hospital would have no choice but to pass on the cost in the form of hospital rate increases which would also result in higher hospital insurance premium rates.

Stewart Coleman, of the R. L. Coleman Company, also opposed the ordinance stating that the Asheville Mall does not have sufficient space to allow each tenant to have a dumpster, allowing for a once-a-week pickup. He said this would require 88 individual dumpsters.

Mike Young, Manager of the Doctor's Office Building, objected to the ordinance saying that it would be unfair to put the burden on commercial establishments. He requested that Council reconsider the ordinance.

Ralph Bishop, said he was opposed to charging for dumpster pickup and letting the lottery peddlers do as they please.

Martin Nesbitt, representing the Inn on the Plaza, objected to the proposed ordinance. He said it was creating discrimination between the commercial and residential garbage collection. He requested that Council reconsider the ordinance.

Max Cogburn, Jr., an attorney representing Cogburn Food chains also objected to the proposed ordinance.

Roy Robinson, President of Matthews Ford, said the proposed ordinance would result in about a 66% tax rate increase for his business. He said he was opposed to the proposed ordinance and felt a tax increase would be the proper way to balance the budget. He said the proposed ordinance was not fair and is out of proportion. He contended that the non-taxable organizations should help with the City's financial burden.

Vice-Mayor Horton noted that the \$8.00 pickup charge is comparable to what a solid waste disposal company would charge.

Verl Emrick, Planning Director, said at the April 14, 1979 meeting of the Asheville Planning and Zoning Commission, Mr. A. R. Morris, Morris Funeral Home, appeared before the Commission to request that consideration be given to permitting crematories as an ancillary use to funeral homes. After discussion, the Commission voted to recommend to City Council that the Asheville Zoning Ordinance be amended to permit crematories in conjunction with funeral homes as a Conditional Use in the Commercial Highway District.

Mr. Emrick said the W.N.C. Air Pollution Control Board requires a permit from their office for such construction of crematories. He said funeral homes are only permitted in the Commercial Highway District.

Mr. A. R. Morris, Morris Funeral Home, spoke in support of the ordinance stating there is a need for a crematory in the Buncombe County area.

J. E. Johnson, Inspections Division, said crematories are permitted uses in the N. C. State Building Code.

Mayor Trantham closed the public hearing at 5:58 p. m.

Verl Emrick, Planning Director, read the ordinance.

Councilman Morris moved for the adoption of Ordinance No. 1104. This motion was seconded by Councilman Cole.

On a roll call vote of 5-1, Ordinance No. 1104 passed on first reading, with Mayor Trantham voting "no."

RESOLUTION NO. 79-107 - RESOLUTION TO INCREASE CERTAIN FEES AND CHARGES WITHIN THE PARKS AND RECREATION DEPARTMENT

7. Consideration was given to a resolution to increase certain fees and charges within the Parks and Recreation Department.

The City Manager read the resolution.

Ray Kisiah, Director of Parks and Recreation, reviewed the following proposed revised fee schedule:

<u>Facility</u>	<u>Current Fee</u>	<u>Proposed Fee</u>
<u>Municipal Golf Course</u> weekday greens fees	\$3.00	\$4.00
<u>Aston Park Tennis Courts</u> daily	\$1 per court per 1-1/2 hours from 4p. m. until closing	\$1 per person per hour all day.
annual permit	\$15 individual; \$20 family	no permits
Community Development area	Free for all residents	Free for residents of Community Development area as established annually by City Council.

Tom Hughes, of American Refuse, also offered to take over the commercial pickup service in the City. He said his company is presently in the commercial pickup service business in Sanford and in the residential and commercial service in New Hanover. He said his firm would be willing to provide a "clean sweep program" or a "phased-in program." He said they could operate under the rates presently established for the County.

SENIOR CITIZENS - DISCUSSION RELATIVE TO USE OF VAN FOR TRANSPORTATION

Mary Louise Hammonds, representing the Senior Citizens Program said they were concerned about the transportation that is being proposed to be deleted for transportation to the Senior Opportunity Center. She said the participants at the Center need the transportation badly.

The City Manager commented that the elimination of the use of the vans was based on a proposal to make arrangements with the Asheville Transit Authority to provide free bus service to the center in lieu of operating the vans.

Several senior citizens told Council that many of them cannot get from their homes to the bus lines, regardless of whether the service is free.

After discussion, Council agreed to explore the possibility of charging a fare for transportation in the vans or coming up with some other means to get the senior citizens to and from the center.

ORDINANCE NO. 1103 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Zoning the Airport Property to HI, Heavy Industrial District)

5. Consideration was given to the second reading of Ordinance No. 1103, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended zoning the property to HI, Heavy Industrial District.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1130 passed on second reading.

PUBLIC HEARING - AMENDING ZONING ORDINANCE - ALLOWING CREMATORIES

ORDINANCE NO. 1104 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

6. A public hearing was held relative to amending the Zoning Ordinance to permit crematories as an ancillary use to funeral homes.

Mayor Trantham opened the public hearing at 5:48 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

RESOLUTION NO. 79-108 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE BROOKLYN ROAD PROJECT AREA

8. Consideration was given to a resolution authorizing condemnation of property in the Brooklyn Road Project Area.

The City Manager read a letter from C. E. Vess, Jr., Coordinator of Field Services for the Housing Authority of the City of Asheville stating that they have been trying to close Parcel #5 in the Brooklyn Road Project Area by deed without success. He said it appears that condemnation may be the only practical alternative.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-108 was unanimously adopted.

Complete text of Resolution No. 79-108 will be found in Resolution Book No. 11 at page 193.

SALE OF DISPOSAL PARCELS IN THE EAST RIVERSIDE RENEWAL PROJECT

9. Consideration was given to the approval of the sale of disposal parcels in the East Riverside Project.

The City Manager read a letter from Mr. C. E. Vess, Jr., Coordinator of Field Services, of the Housing Authority of the City of Asheville, recommending approval of the following bids for disposal parcels in the East Riverside Renewal Project:

<u>Parcel</u>	<u>Reuse</u>	<u>Price</u>	<u>Bid</u>	<u>Redeveloper</u>
44	Residential	\$ 2,600	\$ 2,600	T. O. McCurry
46	Residential	\$ 2,500	\$ 2,500	Theodore A. Irby
52	Commercial	\$ 40,000	\$40,000	John Fry, M.D. and Winston Payne, M.D.
95	Residential	\$ 3,000	\$ 3,600	Mr. & Mrs. Michael Tate

Vice-Mayor Horton moved for the approval of the sale of Disposal Parcels 44, 46, 52, and 95 in the East Riverside Renewal Project area as recommended by the Housing Authority of the City of Asheville. This motion was seconded by Councilwoman Price and carried unanimously.

BUDGET AMENDMENT - REVISING THE CITY OF ASHEVILLE DATA PROCESSING EQUIPMENT

10. Consideration was given to approval of a budget amendment making an appropriation for revising the City of Asheville Data Processing equipment.

The City Manager presented a budget amendment amending the City of Asheville General Capital Projects Fund budget to set up appropriate revenue and expenditure accounts to accommodate the cost of replacing the City's three minicomputers with a central system and rewriting the existing application programs so that they can be used on the new system.

Walton Street	All ages: 25¢ weekdays; 50¢ weekends & Holidays	25¢ under 12; 50¢ adults 12 and over. Every day.
<u>Recreation Centers</u>		
small centers/club rooms	\$5 per hour; minimum \$15.	\$10 per hour; minimum \$25.
auditoriums/gymnasiums/ Senior Opportunity Center	\$5 per hour; minimum \$15.	\$50 minimum for non-profit agencies; Commercial rates, if any, to be established by Parks & Recreation Advisory Board.
<u>Recreation Park</u>		
picnic shelters	no charge	\$10 for 30' x 60'. \$20 for 50' x 80'.
old boathouse	no charge	\$100.
<u>Adult Craft Classes</u>	various fees	Authorize Director of Parks and Recreation to establish fees sufficient to make all adult classes self- supporting.
<u>Senior Citizens Craft Classes</u>	free	Cost of Materials only.
<u>Memorial Stadium/McCormick Field</u>	\$150 day; \$250 night.	Rates to be established by Parks and Recreation Advisory Board for all users other than Asheville Tourists Baseball, Inc.

Mr. Kisiah noted that the Parks and Recreation Advisory Board suggested that all free play at the Aston Park Tennis Courts be deleted.

After discussion, Councilwoman Price moved for the adoption of Resolution No. 79-107 by eliminating all free play at the Aston Park Tennis Courts and to charge not more than \$1.00 per person per hour. This motion was seconded by Councilman Morris and carried unanimously.

Complete text of Resolution No. 79-107 will be found in Resolution Book No. 11 at page 192.

The City Manager presented the following budget amendment amending the City of Asheville Fiscal 1978-79 Revenue Sharing Trust Fund budget to provide funding for septic tank repairs at the Asheville Airport.

Appropriation:

C. O. - Other \$15,000

Revenue:

Appropriated Fund Balance \$15,000

Mr. Gary Taylor, Director of Aviation, said the septic facility at the Asheville Airport is too small to accommodate the present capacity. He said they are merely using the facility with high maintenance cost to give Metropolitan Sewer Services time to install services in the Cane Creek area, at which time the Airport can connect to the service and not procure a complete new facility at the present. He said Able Septic Tank Service is presently contracted to pump and service the septic facility at the airport and they have brought to his attention that the complete sand filter trap does not function and the stagnant water violates health standards, and is creating odors and unsanitary conditions. He said to correct this default will require replacing a large quantity of special filtering sand, repairing all drain lines, and removing a wall to gain entrance for equipment and repairing same. He said bids on this work indicate a cost of \$20,000 and above, however, he said with his personnel, subcontracting equipment and purchasing sand and drain lines he could do the work for \$15,000.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Vice-Mayor Horton and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

12. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Approval of a budget amendment amending the City of Asheville General Fund Budget for Fiscal Year 1978-79 to reflect increases in various revenues and line item requirements.

HIGHLIGHTS: Appropriation:

Account Code		Increase
51-30-450-0004	Overtime	193
51-30-450-0021	Rents	2,955
51-30-450-0045	Contracted Services	2,154
51-30-450-0051	Awards and Condemnations	2,213
51-30-450-0054	Insurance	1,500
51-30-450-0074	Capital Outlay	16,615
51-30-450-0097	Contingencies	129
		<u>\$25,759</u>

Appropriation:
66-10-950 - Central System Replacement \$125,000

Revenue:
66-397-0950 - Contribution from the General Debt
Service Reserve \$125,000

Larry Fisher, Director of Finance, explained the need to replace the City's existing computer hardware. He said this recommendation is based on an internal analysis of the City's existing Data Processing facilities which identified the following weaknesses: 1) Two of the City's existing computers are over seven years old, they are worn out and unable to perform in a consistent and reliable manner; 2) The three existing minicomputers are inadequate for the City's current data processing needs and can not be enhanced to meet our current or future needs; and 3) The City's three minicomputers are inefficient. He said it is for these reasons that he recommended that the City proceed with the selection and rental of a new general purpose computer system to replace the three existing minicomputers. He said it would take from 12 to 16 months to replace the current equipment and convert the existing applications to the new equipment.

Tom Stranberg, Data Processing Director, said if the budget amendment is approved the Data Processing Division will proceed in the following manner:

- 1) Complete the informal evaluation of the equipment available on the market today and select equipment which will minimize the cost and maximize the benefits to the City
- 2) Recommend that a rental contract be signed for the selected equipment with delivery and installation scheduled as early as possible.
- 3) Begin the procedures necessary to convert the City's existing computer applications from the three minicomputers to the new equipment.
- 4) As soon as the applications are converted, tested and implemented, the maintenance contracts on the City owned equipment would be cancelled, and the equipment disposed of; and the equipment which is rented would be released.

Mr. Stranberg said when the conversion is completed, the City will have a reliable and efficient Data Processing center with equipment suitable to its current needs and easily expandable to its future needs.

After discussion, Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Morris and carried unanimously.

BUDGET AMENDMENT - FUNDING FOR SEPTIC TANK REPAIRS AT THE ASHEVILLE AIRPORT

11. Consideration was given to a motion approving a budget amendment appropriating \$15,000 in Revenue Sharing funds for septic tank improvements at the Airport.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris the consent agenda was unanimously approved.

CLAIMS - MRS. HARRIETT HOWELL - MR. RICHARD D. TRAMMELL - MR. KEN BAKER -
JANET R. ROSS

The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent:

Mrs. Harriett Howell	Stepped on broken sidewalk, twisted ankle
F-14 Beverly Apts.	
Asheville, N. C.	

Mr. Richard D. Trammell	Water damage in basement
41 Valle Vista Drive	
Asheville, N. C.	

Mr. Ken Baker	Sewer line blockage
8 Debra Lane	
Asheville, N. C.	

Janet R. Ross	Water leak caused by air lock in line
553 New Leicester Highway	
Asheville, N. C.	

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTIONS RELATIVE TO CIVIC CENTER PRESENTED TO COUNCIL

The City Manager presented copies of two resolutions to members of Council relative to rental rate adjustments and booking policies at the Asheville Civic Center to be reviewed and considered at the May 31, 1979 meeting.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again appeared before Council relative to the lottery sales in Asheville. He asked what a Water Department truck was doing in front of a local lottery place of business.

Adjournment.

Richard D. Trammell

Marion J. McLeath

HIGHLIGHTS: One (1) bid received.
Recommendation of acceptance of V.W.R. Scientific
in the amount of \$9,191.93.
Funding: LEAA Grant.

RESOLUTION NO. 79-114 - RESOLUTION OF APPRECIATION TO DR. LEON H. FELDMAN FOR SERVICES AS CHAIRMAN OF THE ASHEVILLE BOXING AND WRESTLING COMMISSION

4. Consideration was given to a resolution of appreciation to Dr. Leon H. Feldman for services as Chairman of the Asheville Boxing and Wrestling Commission.

The City Manager read the resolution. He said Dr. Feldman has resigned as Chairman of the Asheville Boxing and Wrestling Commission due to health reasons.

Upon motion of Councilman Michael, seconded by Councilman Cole, Resolution No. 79-114 was unanimously adopted.

Complete text of Resolution No. 79-114 will be found in Resolution Book No. 11 at page 201.

ORDINANCE NO. 1102 - AN ORDINANCE AMENDING THE SANITATION CODE OF THE CITY OF ASHEVILLE

ORDINANCE NO. 1105 - AN ORDINANCE AMENDING THE SANITATION CODE OF THE CITY OF ASHEVILLE

5. Consideration was given to the second reading of Ordinance No. 1102, an ordinance amending the Sanitation Code of the City of Asheville.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

The City Manager noted that Ordinance No. 1102 creates a charge of \$8.00 for each bulk container pickup per week after the first "free" pickup per week. He said this would provide a revenue of \$250,000 which is included in the proposed 1979-80 budget. He said at last week's meeting several businessmen opposed the ordinance and during the course of the week presented several recommendations for Council to consider. He said recommendations were received from Max O. Cogburn, Jr., representing Cogburn Foods; Martin L. Nesbitt, attorney representing Inn on the Plaza; and R. L. Coleman Jr., representing the R. L. Coleman Company. He said each proposal was considered. He said during a Council budget work session consideration was given to vetoing Ordinance No. 1102 and considering an ordinance whereby the City would get out of commercial pickup service all together.

Bob Wurst, Budget Director, read the following memorandum which offered amendments to the Sanitation Code in order to put into effect the City eliminating commercial pickup service as of August 1, 1979.

MEMORANDUM TO: Ken Michalove, City Manager

FROM: Clark Brown, Director of Public Works
Charlotte Hutchison, Research Analyst
Bob Wurst, Budget Director

DATE: May 31, 1979

SUBJECT: Sanitation Code Revision

63
Thursday - May 31, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Otis B. Michael gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 24, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the May 24, 1979 meeting were approved as submitted.

RESOLUTION NO. 79-113 - RESOLUTION HONORING VIETNAM VETERANS AND RECOGNIZING FIVE RESIDENTS OF THE CITY OF ASHEVILLE AS THE RECIPIENTS OF THE PRESIDENTIAL CERTIFICATE FOR OUTSTANDING COMMUNITY ACHIEVEMENT OF VIETNAM ERA VETERANS

2. Consideration was given to a resolution honoring Vietnam Veterans and recognizing five residents of the City of Asheville as the recipients of the Presidential Certificate for outstanding community achievement of Vietnam Era Veterans.

The City Manager read the resolution.

Mr. Charles Carpenter, Chairman of the Vietnam Veterans Week, introduced the five residents of the City of Asheville who will receive the Presidential Certificate for outstanding community achievement of Vietnam Era Veterans. Those who were recognized were: Ronald C. Brown, William T. Decker, Joseph T. Kopper, Tony A. Walker and Alan D. Willcox.

Upon motion of Councilwoman Price, seconded by Councilman Morris, Resolution No. 79-113 was unanimously adopted.

Complete text of Resolution No. 79-113 will be found in Resolution Book No. 11 at page 200.

PROCLAMATION - PARKS AND RECREATION VOLUNTEER RECOGNITION DAY IN THE CITY OF ASHEVILLE

3. The City Manager read a proclamation proclaiming May 31, 1979 as Parks and Recreation Volunteer Recognition Day in the City of Asheville.

Mayor Trantham proclaimed May 31, 1979 as Parks and Recreation Volunteer Recognition Day in the City of Asheville.

The City Manager presented statistics which revealed that the City has been servicing 85,000 commercial pickups per year, of which 12,170 were from non-profit and governmental organizations which do not pay for the services.

Mayor Trantham noted that according to law, the City cannot charge non-profit organizations without charging all commercial establishments.

Councilman Michael requested a cost estimate of servicing the Housing Authority.

R. L. Coleman, Jr., representing the R. L. Coleman Company, opposed the proposed amendments. He said this elimination approach would not allow his company to apply to the City for any pickups. He said the City could operate at the same level of service and increase the tax rate by 3-1/2¢ to provide an increase in revenue. He said it appears that Council is singling out businesses to bear the burden rather than spreading it out over the City. He said the proposed amendments are very unfair. He said if the City gets out of the garbage business on August 1st it allows the private collection firms to come in and rip businesses off.

Martin Nesbitt, attorney representing the Inn on the Plaza, also opposed the proposed amendments. He said there's got to be another solution, with an alternative providing a fairer way to handle this matter. He said he would donate his time to look for a workable solution. He said under the proposed amendments, businesses would be forced to leaving garbage on their lot.

Mike Young, representing the Doctor's Office Building, also opposed the proposed amendments. He said he would favor a tax rate increase rather than the changes. He said if the amendments are adopted the charges for the services would be passed on to those who cannot afford it.

Max Cogburn, Jr., representing Cogburn Foods, opposed the City getting out of the garbage business. He said there is a need to work out an approach to keep the services by the City.

Bretney Smith, said he operates five laundry and dry cleaning businesses. He asked how the private contractors will be controlled on the charges for the services.

Mayor Trantham said the private collection firms would probably work on a competitive basis, however, Council would be considering several alternatives in the next two weeks.

Jerry Sternberg, President of Container Service and Disposal Company, said he made a proposal to the City at last week's meeting. He said his charges would be comparable with what county customers are charged and his company would deal with three year contracts stating that the only time the rates would be raised is when a countywide rate increase occurs. He said his firm could be in business within sixty (60) days. He said he has enough stand-by equipment to do the job until they can order the equipment.

The Sanitation Code amendments to be presented to Council on May 31, 1979, provide for the following changes:

Residential Pickup:

Limit all pickups including residential to six approved refuse receptacles per week plus occasional extra accumulations of yard trash, cardboard boxes, brush, etc.

Commercial Pickup:

- (1) Eliminate bulk container service provided by City on August 1, 1979. This will result in an annual savings to the City of at least \$250,000, the effect of which is included in the Fiscal 1979-80 budget which has been presented to Council and which includes the assumption that apartments are classed as commercial. The effect of operating the service from July 1 through August 1 is not included in the budget estimates; however, this extra cost can be recovered through the sale of the City equipment.
- (2) Eliminate daily commercial hand pickup service. This change would reduce commercial service to the same level as residential service (six containers serviced once per week). Presently commercial establishments are getting up to five pickups of six receptacles per week, up to 960 gallons of refuse. If the Council reduces this to one pickup per week, the capacity would be 540 gallons using rollout service. This service reduction was not included in the Fiscal 1979-80 budget estimates presented to Council and would result in a savings to the City of \$55,000 not including capital outlay.

Apartment Complexes:

Presently most apartment complexes use bulk containers. If apartments are classed by Council as commercial establishments, they will be required to seek private bulk pickup service on August 1. Each complex will be entitled to six containers serviced by the City once per week. If Council wishes to class apartments as residential units, each unit will be entitled to residential service of six containers per week. The annual cost of providing this service could be as much as \$68,000 which is not included in the Fiscal 1979-80 budget estimates.

Mr. Wurst said the staff has prepared two ordinances for Council to consider in order to approach apartment complexes. He said Council should decide which way to approach apartment complexes.

The City Manager suggested that Council deal with Ordinance No. 1102 before considering another amendment.

Councilman Rainey moved to table Ordinance No. 1102. This motion was seconded by Councilman Cole and carried unanimously.

ORDINANCE NO. 1104 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Permitting Crematories

7. Consideration was given to the second reading of Ordinance No. 1104, an ordinance amending Ordinance No. 322, known as "An Ordinance providing for the zoning of the City of Asheville," as amended permitting crematories in conjunction with funeral homes as a Conditional Use in the Commercial Highway District.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1104 passed on second reading.

RESOLUTION NO. 79-115 - RESOLUTION ADJUSTING RENTAL RATE STRUCTURE FOR THE ASHEVILLE CIVIC CENTER FACILITIES

8. Consideration was given to a resolution adjusting rental rate structure for the Asheville Civic Center Facilities.

The City Manager read the resolution and explained that the Asheville Area Civic Center Commission reviewed the rates and recommended adjustment.

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 79-115 was unanimously adopted.

Complete text of Resolution No. 79-115 will be found in Resolution Book No. 11 at page 202.

RESOLUTION NO. 79-116- RESOLUTION AMENDING RESOLUTION NO. 76-170 AND RESOLUTION NO. 73-44 ESTABLISHING REGULATIONS FOR THE OPERATION OF THE ASHEVILLE CIVIC CENTER

9. Consideration was given to a resolution amending Resolution No. 76-170 and Resolution No. 73-44 establishing regulations for the operation of the Asheville Civic Center.

The City Manager read the resolution and explained that the Asheville Area Civic Center Commission has recommended certain regulations be amended for the administration of the Civic Center relative to booking policies to avoid a time-wise interference that would not be in the best interests of the lessee or the City. He said this resolution would establish such regulations.

Upon motion of Councilwoman Price, seconded by Councilman Michael, Resolution No. 79-116 was unanimously adopted.

Complete text of Resolution No. 79-116 will be found in Resolution Book No. 11 at page 205.

57

Joe Eskridge, representing Browning and Ferris Industries, Inc. said his company is one of the largest in the world and is interested in the collection business in Asheville. He presented Council with an annual report of his firm. He said his company would charge comparable rates. He said rates would be better through competitive bidding. He said the private sector could offer the employees more benefits.

Mr. Browning Hyder, of Hyder Waste Container Service, also expressed an interest in doing business in the Asheville area.

John Stevens, representing Lums and businesses on Tunnel Road, protested the proposed amendments. He said more study should be done before any decisions are made.

After discussion, Councilman Rainey moved that the City divest itself of garbage collection by machine for commercial and pickup service. This motion was seconded by Councilwoman Price.

The City Manager said Councilman Rainey's motion would be incorporated in the proposed ordinance to be considered.

Councilman Rainey and Councilwoman Price then withdrew their motion.

Bob Wurst, Budget Officer, read the proposed ordinance. He said this ordinance would entitle any residence or establishment which utilizes six or fewer garbage cans to one free pickup of those cans per week. But any individual or establishment which requires a dumpster or more than six cans, would have to contract with a private firm for garbage pickup.

Councilman Rainey moved for the adoption of Ordinance No. 1105. This motion was seconded by Councilwoman Price.

On a roll call vote of 7-0, Ordinance No. 1105 passed on first reading.

Vice-Mayor Horton said he felt some consideration should be given to the school system. He said he would not like to drop an extra \$32,000 budget item on their school budget at this point in time.

ORDINANCE NO. 1103 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Airport Property)

6. Consideration was given to the third reading of Ordinance No. 1103, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, zoning the airport property to HI, Heavy Industrial District.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1103 passed on third and final reading.

Complete text of Ordinance No. 1103 will be found in Ordinance Book No.

8 at page 343.

170

We, therefore, certify that pursuant to such tabulation we have judicially determined that:

FOR MEMBERS OF CIVIL SERVICE BOARD

John Best, having received 246 votes

Raymond B. Stepp, having received 226 votes

and being the two highest and being qualified voters of the City of Asheville, not employed by the City, and have been duly elected members of the Civil Service Board by employees in the Classified Service, in accordance with House Bill 835 of the General Assembly of North Carolina at its 1953 Session and Ordinance

355 of the City of Asheville, for a term of two years.

[Signature]
[Signature]
[Signature]

BOARD OF CANVASSERS

The City Manager said the Civil Service Board members met on May 31, 1979 and voted to elect Sister Mary Veronica Schumacher as the fifth member to the Civil Service Board.

ORDINANCE NO. 1106 - AN ORDINANCE TO AMEND ORDINANCE NO. 965 ESTABLISHING A GRIEVANCE PROCEDURE FOR EMPLOYEES OF THE CITY OF ASHEVILLE

12. Consideration was given to an ordinance to amend Ordinance No. 965 establishing a grievance procedure for employees of the City of Asheville.

The City Manager read the ordinance and explained that the provisions for employee appeal to the Asheville Civil Service Board were changed by action of the 1977 General Assembly and the City desires to make the provisions of the City of Asheville Employee Grievance Procedure to be consistent with the current provisions of the Asheville Civil Service Law.

Councilman Cole moved for the adoption of Ordinance No. 1106. This motion was seconded by Councilwoman Price,

69

RESOLUTION NO. 79-117 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH
PIEDMONT AVIATION, INC. AT THE ASHEVILLE AIRPORT

10. Consideration was given to a resolution authorizing the Mayor to sign an agreement with Piedmont Aviation, Inc. at the Asheville Airport.

The City Manager read the resolution and explained that Piedmont Aviation, Inc. proposes to lease a second tract of land to be used for underground fuel storage and the tanks, pumps, and equipment on this tract of land is owned by United Airlines. He said Piedmont will purchase from United Airlines said equipment and Piedmont agrees to lease the tract of land from the City of Asheville.

Gary Taylor, Director of Aviation, reviewed the rates for leasing other tank farms at other airports.

Councilman Cole moved for the adoption of Resolution No. 79-117. This motion was seconded by Councilman Rainey.

Councilman Michael said he did not agree with leasing the tank farm until 1986. He moved that the lease be amended to a five (5) year lease. This motion died for a lack of a second.

On a voice vote, Resolution No. 79-117 was adopted, with Councilman Michael voting "no."

Complete text of Resolution No. 79-117 will be found in Resolution Book No. 11 at page 206.

CERTIFICATION OF RESULTS OF CIVIL SERVICE BOARD ELECTION

11. The City Manager presented the following certification of the results of the Civil Service Board election held on May 25, 1979.

We, the undersigned Board of Canvassers, do hereby certify that we met in the City Hall on May 26, 1979, and did canvass the original returns of the Superintendents of Election of the votes cast for members of the Civil Service Board by employees of the classified service, in accordance with House Bill 835 of the General Assembly of North Carolina at its 1953 Session and Ordinance No. 355 of the City of Asheville, and the following is a true and correct tabulation thereof.

<u>CANDIDATES FOR MEMBERS OF CIVIL SERVICE BOARD</u>	<u>CITY HALL BUILDING</u>	<u>MUNICIPAL BUILDING</u>	<u>VALLEY STREET</u>	<u>TOTALS</u>
<u>John Best</u>	<u>84</u>	<u>84</u>	<u>18</u>	<u>246</u>
<u>James Francis Coughton Jr.</u>	<u>21</u>	<u>39</u>	<u>42</u>	<u>102</u>
<u>James E. Fitzlanger</u>	<u>51</u>	<u>103</u>	<u>51</u>	<u>205</u>
<u>George Grogg Jr.</u>	<u>54</u>	<u>14</u>	<u>82</u>	<u>150</u>
<u>D.R. Nick Nicholson</u>	<u>8</u>	<u>7</u>	<u>18</u>	<u>33</u>
<u>Raymond B. Stopp</u>	<u>14</u>	<u>106</u>	<u>46</u>	<u>226</u>
<u>Carl Johnson</u>			<u>2</u>	<u>2</u>

Councilwoman Price moved to accept the bid of N. C. Equipment Company in the amount of \$72,200 for the street sweeper for the Street Department. This motion was seconded by Vice-Mayor Horton and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

15. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 79-119 - Resolution authorizing the Director of Aviation to sign an agreement with the Federal Aviation Administration for VASI-4 Electric Power.

HIGHLIGHTS: In compliance with the Runway Extension Project, a new landing air (VASI-4) will be installed on Runway 34 and the rearrangement of the present VASI-12 on Runway 16. The VASI-12 was installed and maintained by FAA. The VASI-4 will be installed by contract and this agreement is for FAA to provide power on a reimbursable basis. The cost of power and 10% administrative overhead will total approximately \$1,100 per year. This is a requirement by FAA in compliance with full instrument runway at the Asheville Airport.

Resolution Book No. 11 Page 208

- B. Resolution No. 79-120 - Resolution appointing member to the Asheville Area Civic Center Commission.

HIGHLIGHTS: Ms. Carolyn Thompson will be appointed a member of the Asheville Area Civic Center Commission.

Resolution Book No. 11 Page 209

- C. Appointment by the Mayor, a member of the Housing Authority of the City of Asheville.

HIGHLIGHTS: Mayor appointed Mr. Jesse Ray, Sr. as a Commissioner to the Housing Authority of the City of Asheville.

- D. Resolution No. 79-121 - Resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish the dwelling houses known as 266 South Beaumont Street, 17 Hamilton Street, and 37 Magnolia Avenue for June 28, 1979.

Resolution Book No. 11 Page 210

On a roll call vote of 7-0, Ordinance No. 1106 passed on first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 1106. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1106 passed on second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1106. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1106 passed on third and final reading.

Complete text of Ordinance No. 1106 will be found in Ordinance Book No.

8 at page 347.

RESOLUTION NO. 79-118 - RESOLUTION SUPPORTING AN INTERCHANGE AT INTERSTATE 40 AND U. S. 25A (SWEETEN CREEK ROAD)

13. Consideration was given to a resolution supporting an interchange at Interstate 40 and U. S. 25A (Sweeten Creek Road).

The City Manager read the resolution. The Asheville Urban Area Transportation Advisory Committee reviewed an interchange at I-40 and U. S. 25A and has recommended this interchange to eliminate a substantial amount of congestion in the Biltmore Village area generated by heavy trucks and tractor trailers. This interchange will also provide for access to the shopping areas along U. S. 70 and U. S. 74 by utilizing I-40 and I-240 and would also increase the overall capacity for traffic coming from the south. It is felt this interchange is of vital importance to the local transportation system in Asheville.

Upon motion of Councilman Rainey, seconded by Councilman Cole, Resolution No. 79-118 was unanimously adopted.

Complete text of Resolution No. 79-118 will be found in Resolution Book

No. 11 at page 207.

BIDS - ONE (1) 10-YARD VACUUM TYPE STREET SWEEPER -ASHEVILLE STREET DEPARTMENT

14. Consideration was given to bids received May 25, 1979 for one (1) 10-yard vacuum type street sweeper complete with tilt cab and chassis for the Asheville Street Department.

The City Manager presented the bids stating that only one (1) bid was received and it has been recommended that Council accept the bid received from N. C. Equipment Company in the amount of \$72,200.

Clark Brown, Director of Public Works, said about 14 months ago the street sweeper was included in the budget at an estimated \$65,000. He said since that time a safety factor was added. He said due to the added feature and inflation the street sweeper increased to \$72,500. He said this amount was anticipated, therefore, a capital outlay reserve was held in the amount of \$14,500 for the overlay in this equipment and for other equipment now out for bids.

RESOLUTION NO. 79-125 - RESOLUTION ENDORSING THE AREAWIDE ACTION PROGRAM UPDATE FOR FISCAL YEAR 1979-80

18. Consideration was given to a resolution endorsing the Areawide Action Program Update for Fiscal Year 1979-80.

The City Manager read the resolution. The local units of government comprising the Land-of-Sky Regional Council have become increasingly aware of the need for long range capital improvement planning and to adequately provide for a rational decision-making process for major capital outlay within Region B. The Regional Council has prepared an update of the Areawide Action Plan which was initiated in 1977 and the update reflects the needs identified by the City of Asheville.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, Resolution No. 79-125 was unanimously adopted.

Complete text of Resolution No. 79-125 will be found in Resolution Book No. 11 at page 215.

Upon inquiry of Councilwoman Price relative to the status of the Land-of-Sky Car Pooling Program, the City Manager said it was his understanding the program has been started.

CLAIMS - MR. JOE E. YOUNG

19. The City Manager presented the following claim received from Mr. W. R. Swearngan, Facility Services Superintendent:

Following individual has a claim against the City of Asheville for damage:

Mr. Joe E. Young
2 Lynnwood Road
Asheville, N. C.

Damage to property by reason flooding-\$902.60

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

AIR SAFETY AWARD FOR 1978 - RECEIVED FROM SOUTHEASTERN AIRPORT MANAGERS' ASSOCIATION

The City Manager presented an Air Safety Award for 1978 which was awarded to the Asheville Airport from the Southeastern Airport Managers' Association.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop, again spoke to Council relative to lottery sales in the City of Asheville.

Adjournment.

MAYOR

CITY CLERK

- E. Resolution No. 79-122 - Resolution appointing Councilman F. Jack Cole to the Asheville Policemen's Pension and Disability Board of Trustees.

HIGHLIGHTS: Due to legislation passed in April, 1979 it is necessary to reappoint Councilman Cole to the Policemen's Pension and Disability Board of Trustees.

Resolution Book No. 11 Page 212.

- F. Resolution No. 79-123 - Resolution authorizing the Mayor to execute a Memorandum of Agreement with the North Carolina Division of Archives and History and Buncombe County for Phase II of the Buncombe County Historic Properties Inventory.

HIGHLIGHTS: Phase II will include publication of the historic properties inventory, development of a comprehensive community preservation plan, and the writing of the National Register nominations. The City of Asheville will provide a \$1,000 cash match and \$500 as in-kind services.

Resolution Book No. 11 Page 213.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously adopted.

DEMOLITION OF HOUSES IN THE REDEVELOPMENT AREA - COMMENT BY COUNCILMAN MICHAEL

16. Councilman Michael commented that he felt Community Development funds should be used for the demolition of houses in the Redevelopment area, rather than the City funds being used. Councilman Michael was referring to the motion passed scheduling a public hearing on the demolition of 266 South Beaumont Street.

RESOLUTION NO. 79-124 - RESOLUTION APPOINTING A MEMBER TO THE PLANNING AND ZONING COMMISSION FOR THE CITY OF ASHEVILLE

17. Consideration was given to a resolution appointing Mr. Steve Mitchell as a member to the Planning and Zoning Commission for the City of Asheville.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 79-124 was unanimously adopted.

Complete text of Resolution No. 79-124 will be found in Resolution Book No. 11 at page 124.

Clark Brown, Director of Public Works, read the following memorandum which states the major changes in the proposed Sanitation Code Amendment compared to the provisions in the present code.

MEMORANDUM TO: Mayor Trantham and Members of City Council

FROM: T. C. Brown *TCS*
Director of Public Works

DATE: June 7, 1979

SUBJECT: Major Changes in the proposed Sanitation Code Amendment compared to the provisions in the present code.

Effect by activity:

1. Commercial.

(a) Bulk Container Refuse Collection.

After August 1, 1979 the City of Asheville will no longer provide bulk container refuse collection.

The major change regarding this service is that the present provisions of the Sanitation Code allow the City to service this type of container on an "as needed" basis by the user while the proposed amendment completely eliminates the service.

(b) Hand Receptacle (Manual) Commercial Refuse Collection

The change regarding this service is that the present provisions of the Sanitation Code allow the City to service up to a limit of six approved refuse receptacles (cans, plastic or paper bags or cardboard boxes used to contain other cardboard boxes) or four rollout containers on an "as needed" basis by the user while the proposed amendment restricts this service to only once per week per establishment but increases the limit placed on the receptacles by increasing the limit for rollout containers from four to six per collection while the limit on other types of approved receptacles as defined in the ordinance remains at six.

The effect of these proposed changes will be that those persons using bulk containers as defined in the ordinance will be required to seek this service from the private sector. It appears that enough interest has been shown by the private sector to provide this service that it will be on a competitive basis.

Those persons that require Hand Receptacle service more than once per

Thursday - June 7, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Ralph D. Morris, Jr. gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 31, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the minutes of the May 31, 1979 meeting were approved as submitted.

PROCLAMATION - "BURGLARY PREVENTION MONTH" - JUNE, 1979

The City Manager read a proclamation proclaiming the month of June, 1979 as "Burglary Prevention Month."

Mayor Trantham proclaimed the month of June, 1979 as "Burglary Prevention Month."

Sgt. Miles Webb of the Asheville Police Department said the Police Department will be showing slides on tips for preventing burglary on WLOS and Cable TV during the month of June, 1979. He said 25,000 brochures showing the tips have also been distributed.

RECOGNITION OF FIRE CADETS - ANITA REYNOLDS - BILLY C. LITTLEJOHN

2. Mayor Trantham and Fire Chief Powell Ball recognized Anita Reynolds and Billy C. Littlejohn for completing their training. Both were presented with certificates.

ORDINANCE NO. 1105 - AN ORDINANCE AMENDING THE SANITATION CODE OF THE CITY OF ASHEVILLE

3. Consideration was given to the second reading of Ordinance No. 1105, an ordinance amending the Sanitation Code of the City of Asheville.

Mayor Trantham said this ordinance would entitle any residence or establishment which utilizes six or fewer garbage cans to one free pickup of those cans per week, but any individual or establishment which requires a dumpster or more than six cans, would have to contract with a private firm for garbage pickup. He said the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

Upon inquiry of Councilman Cole, it was noted that more garbage storage could be a fire problem as well as a problem with health standards. However, Mr. Brown said the restaurants and food chains would have to meet health regulations.

Councilman Michael said the sale of the city garbage trucks and equipment should be limited to licensed refuse haulers.

Charles Collins of Carpet Services Company on Flint Street opposed the City getting out of the commercial pickup service. He said he would rather pay the City for the services. He said he had already been solicited by a private refuse hauler for a three (3) year contract at a cost of \$56.00 per month. He asked the Council to reconsider the proposal.

The City Manager said as soon as the Council passes the ordinance on third reading letters would be sent to all of the city's garbage customers explaining the ordinance and possible alternatives for collection after August 1, 1979. He said enough interest has been shown by the private haulers to assure sufficient competition.

Mr. Whitaker of Skyland Refuse expressed an interest in the City's commercial pickup service.

Duffy Reints, owner of two restaurants in Asheville, King of the Roads, opposed the recommendations. He said he was also opposed to the Council's constant erosion and lessening of city services. He proposed an "Asheville-based budget" for the money that comes into the city to be used only for city residents and businesses. He said Council should work towards making the budget only benefit Asheville, to make it the most attractive city it can be.

Councilman Morris noted that one of the major problems is that the city finances so many services for the county without the county participating on a fair share basis in these services. He said the city does not want to cut city services just because they also happen to be available to the county residents. He suggested that the citizens of Asheville ask the county commissioners to do their fair share in these services.

Vice-Mayor Horton said Council has been trying to get the county commissioners to realize that the citizens of Asheville are also citizens of Buncombe County.

The City Manager noted that the property taxes barely pay for police and fire protection and hardly touches public works. He said that's why there's erosion in public works services.

Councilman Rainey said the collection of commercial garbage costs more than what the city receives from taxes on commercial establishments.

Bob Wurst, Budget Director, presented a schedule which showed the general relationship between garbage service and taxes paid. He said the statistics illustrate that while the individual commercial tax bill may be higher than the residential tax bill, it is basically a myth that the commercial tax dollar supports residential services. He said the total taxes paid by the residential taxpayer exceeds that paid by the commercial taxpayer.

TO: Mayor Tranthan and Members of City Council

PAGE

1

SUBJECT: Major Changes in the proposed Sanitation Code.

week will be required to seek this service from the private sector. As is the case in bulk container service, it appears that enough interest has been shown by the private sector to provide this service on a competitive basis.

2. Apartments.

In the proposed amendment, apartments have been defined as commercial establishments.

Those apartment complexes that use bulk container refuse collection have had this service provided by the City on an "as needed" basis. Under the provisions of the proposed amendment, this service would be entirely eliminated.

Those apartment complexes that use Hand Receptacle (Manual) service would be limited to collection only once per week with the per collection limit of six refuse receptacles applying to the apartment complex and not to each apartment unit in the complex.

The effect of this change would be the same as for every other commercial establishment.

3. Residential.

The only change for residential refuse collection would be that the six refuse receptacle limit placed on commercial collections now applies to residences except for additional occasional containerized accumulations of leaves, brush, yard trash, grass clippings, etc.

The provisions of the present ordinance does not place a limit on residential refuse receptacles per collection.

Residential refuse collection remains at once per week per residence.

The proposed amendment provides for a service for up to the limit of six refuse receptacles to be provided by the City of Asheville regardless of whether the user is residential or commercial.

The present ordinance provides that Hand Receptacle service will not be provided to those persons that have bulk container service.

cc: Ken Michalove, City Manager
S. L. McHone, Jr., Sanitation Superintendent
Bob Wurst, Budget Officer

TCB/jm

"In order for us to determine how these cuts could and should be made, we would like you to be prepared to present your budget reduction ideas to us at the public hearing on June 7, 1979 at 3:00 P. M. in the City Council Chambers."

"In considering your cut recommendations, please be in a position to give us an exact amount of the dollar reductions that could be made as well as what effect those reductions would have on your particular services. For example, if you could cut a position, what does that position mean to your operations and services?"

Very truly yours,
/s/ Roy

Roy M. Trantham
Mayor

In response to the Mayor's letter the following individuals representing their agency made presentations to Council relative to their budget for 1979-80.

Mr. Morris McGough, Director of the WNC Development Association.
(Recommended no cut in budget for 1979-80)

Mr. James Ellis, Executive Director of the Asheville Area Chamber of Commerce.
(Recommended no cut in budget for 1979-80)

Mr. Dave Bossard, Buncombe County Rescue Squad
(Recommended no cut in budget for 1979-80)

Mr. George Gragg, Executive Director of the Asheville-Buncombe County Community Relations Council.
(Presented budget for 1979-80 with a 9.62% decrease)

Mr. Bob Bucholtz, Chairman of Quality Forward
(Presented budget for 1979-80 with a 24% decrease)

Mrs. Roy Rogers, spoke in favor of not cutting the Nutrition Program budget for 1979-80.

Mr. Ronald Boone, Executive Director of WNC Air Pollution Control Board
(Recommended increase in city heating inspection fees to decrease the budget)

Ms. Mary Alice Young, Director of the Art Museum
(Recommended no cut in budget for 1979-80)

Ralph Bishop spoke in opposition to the proposed ordinance.

William Fass, owner of the Kentucky Fried Chicken establishments in Asheville, urged Council to be expedient in its decision on the garbage ordinance so the business people will know and can begin making arrangements for private collection.

On a roll call vote of 7-0, Ordinance No. 1105 passed on second reading.

Councilman Morris moved to amend Ordinance No. 1105 to provide for four (4) roll out containers instead of the proposed six (6) roll out containers. This motion was seconded by Councilman Rainey.

After discussion, Councilman Morris and Councilman Rainey withdrew their motion.

Councilwoman Price then moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1105. This motion was seconded by Councilman Cole, which motion carried on a voice vote of 4-3, with Councilwoman Price, Councilmen Michael, Morris and Cole voting "aye" and Mayor Trantham, Vice-Mayor Horton and Councilman Rainey voting "no."

On a roll call vote of 7-0, Ordinance No. 1105 passed on third and final reading.

Complete text of Ordinance No. 1105 will be found in Ordinance Book No. 8 at page 346.

PUBLIC HEARING - CITY OF ASHEVILLE BUDGET FOR FISCAL 1979-80

ORDINANCE NO. 1107 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1979-80

4. A public hearing was held relative to the City of Asheville Budget for Fiscal 1979-80.

Mayor Trantham opened the public hearing at 4:28 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager said the following letter was sent to several non-profit organizations:

June 1, 1979

"This year is an extremely difficult year to budget funds for City services and outside agencies. On May 24, 1979, the City Manager submitted to us his budget recommendations. These recommendations called for some severe cuts in direct City services and a gross reduction in funding to outside agencies from \$152,357 to \$104,042."

Verl Emrick, Planning Director, reviewed the recommended regulations for bars, nightclubs, and private clubs within the City. He said the amendments would deal with Commercial Regional, Commercial Service, Commercial General, Commercial Highway, and Office Institutional Districts. He said the amendments also contain standards to be used by the Board of Adjustments in determining the location and sites for bars, nightclubs and private clubs. He said these establishments will be Conditional Uses which require the approval by the Board of Adjustments. He said the Board has the power to decrease restrictions if it is found there is indeed a hardship involved.

Vice-Mayor Horton said he feels strongly that the 250' distance between such establishments and churches and schools, outside the downtown area, is inadequate. He then read the following letter to be included in the minutes:

38 CARLTON PLACE
ASHEVILLE, N. C.
JUNE 6, 1979

HONORABLE MR. ROY TRANTHAM
MAYOR, CITY OF ASHEVILLE
ASHEVILLE, N. C.

DEAR ROY:

PER MR. BILL HORTON'S REQUEST, THE ASHEVILLE CITY SCHOOL BOARD HAS DISCUSSED THE ZONING ORDINANCE REQUIRING BUSINESS ESTABLISHMENTS WHO SALE ALCHOLIC BEVERAGES TO BE A CERTAIN DISTANCE FROM SCHOOLS OR CHURCHES. THE ASHEVILLE CITY SCHOOL BOARD WOULD LIKE TO RECOMMEND TO THE CITY COUNCIL THAT THE PROPOSED ZONING ORDINANCE REQUIRE A MINIMUM DISTANCE OF NOT LESS THAN 500 FEET BETWEEN SCHOOL AND THE BUSINESS ESTABLISHMENTS. WE FEEL THAT THIS DISTANCE WOULD PROVIDE SAFETY FOR THE STUDENTS, CLEANLINESS OF THE SCHOOL PROPERTY AND A GENERAL "WELCOME" ENVIRONMENT FOR THE STUDENTS, TEACHERS, AND PARENTS.

IN MAKING THIS RECOMMENDATION, THE SCHOOL BOARD REALIZES THAT OUR RESPONSIBILITY TO THE STUDENTS IN THIS MATTER IS TO MAKE THE ENVIRONMENT IN WHICH THE STUDENT LEARNS AS CONDUCTIVE TO LEARNING AS POSSIBLE. THEREFORE, WE URGE THE CITY COUNCIL TO CONSIDER OUR RECOMMENDATION VERY CAREFULLY.

THANK YOU FOR YOUR CONCERN IN THIS MATTER AND THE OPPORTUNITY OF HAVING SOME INPUT TO YOUR DECISION. PLEASE CALL IF WE CAN BE OF ANY FURTHER ASSISTANCE IN THIS OR OTHER MATTERS AFFECTING THE STUDENTS OF THE ASHEVILLE CITY SCHOOLS.

SINCERELY YOURS,

Everette
EVERETTE W. CLARK
CHAIRMAN, ASHEVILLE
SCHOOL BOARD

Sofia Dixon spoke in support of the opening of the Shiloh Community Center as scheduled.

Greg Lassiter of the Accounting Division, spoke in opposition to the elimination of educational reimbursement for city employees. He said, for most, this is a valuable fringe benefit.

Barbara Davis, who said she worked for the Legal Aid Society for the Buncombe County Bar Association, spoke in opposition to the proposed 40% increase in water rates.

Mr. H. C. Wilson, minister for the Brown Temple CME Church spoke in support of keeping the transportation for senior citizens.

Councilman Rainey was excused from the meeting at 6:20 p. m.

Mayor Trantham closed the public hearing at 6:23 p. m.

Vice-Mayor Horton was excused from the meeting at 6:25 p. m.

The City Manager read the ordinance.

Councilman Morris moved for the adoption of Ordinance No. 1107. This motion was seconded by Councilman Michael.

On a roll call vote of 5-0, Ordinance No. 1107 passed on first reading.

ORDINANCE NO. 1104 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. Consideration was given to the third reading of Ordinance No. 1104, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended permitting crematories in conjunction with funeral homes as a Conditional Use in the Commercial Highway District.

The City Manager said he had received a request to postpone the third reading of Ordinance No. 1104 and after a poll of Council it was the consensus of Council to postpone the third reading.

Councilman Cole moved to postpone the third reading of Ordinance No. 1104 until June 21, 1979. This motion was seconded by Councilwoman Price and carried unanimously.

Vice-Mayor Horton returned to the meeting at 6:30 p. m.

ORDINANCE NO. 1108 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Regulations of Nightclubs, bars, and private clubs)

6. Consideration was given to an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville", as amended regulating bars and nightclubs in the City of Asheville.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PUBLIC HEARING SCHEDULED - INCREASING WATER RATES

9. Councilwoman Price moved to schedule a public hearing for June 14, 1979 to consider an ordinance increasing water rates. This motion was seconded by Councilman Morris and carried unanimously.

ORDINANCE PRESENTED TO COUNCIL - ESTABLISHMENT OF HISTORIC RESOURCES COMMISSION

10. The City Manager presented members of Council with the proposed ordinance establishing the Historic Resources Commission in preparation for the public hearing relative to same on June 14, 1979.

R. D. ROBINSON AND LEE SMITH - COMPLAINT RE: SOUTH FRENCH BROAD STREET CONDITIONS

11. Mr. R. D. Robinson and Mr. Lee Smith complained of the street conditions on South French Board south of Livingston Street. They said it has been torn up for eight (8) months and they have been requesting that it be repaired but to no avail. They said the street is torn up in front of their church and when it rains everyone must wade in mud to get into the church. They also said the turnaround in front of the church is not sufficient to handle the members of the church or funerals.

Mayor Trantham said he would have the matter investigated to see if something could be done.

MICHAEL BLANKENSHIP - PETITION - ORGANIZATION OF MANUSCRIPT OF THE LATE DR. J. A. SONDELEY

12. Michael Blankenship presented a petition to Council requesting funds for him to organize the late Dr. J. A. Sondley's as yet unpublished three and one-half million word manuscript "The Conquest and Development of North Carolina" and to organize its subject matter into form whereby it can be totally and orderly transcribed. He said he had presented the same petition to the County Commissioners on June 5, 1979. He said he needed an answer relative to the petition by July 6, 1979.

COUNCILMAN MICHAEL - REQUEST FOR HUD CODE REGULATIONS

13. Councilman Michael requested the City Manager to write to HUD for a copy of their regulations as far as code standards are concerned applicable to the City of Asheville as well as a comparison of their standards with the standards that have been submitted to HUD from the City of Asheville. He said he felt this would help individuals in obtaining grants to rehabilitate their houses from the Asheville Housing Authority.

Adjournment.

MAYOR

CITY CLERK

Councilman Morris said the 500' distance from schools did not concern him but the 500' distance from churches do because of the number of churches in the city limits.

Vice-Mayor Horton moved to amend the regulations to provide for a distance of 500' between such establishments and schools and churches. This motion died for lack of a second.

Vice-Mayor Horton then amended his motion to read that the Council honor the recommendation of the Asheville School Board and increase the distance between such establishments from 250' to 500' between established schools as defined by the ordinance. This motion was seconded by Councilman Morris and carried on a voice vote of 4-2.

Verl Emrick read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1108. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 5-1, Ordinance No. 1108 passed on first reading.

APPROVAL OF HOUSING AUTHORITY ACTION ON CONDEMNATION AND ACQUISITION PROCEEDINGS
WYOMING ROAD AND KENILWORTH PARK PARCELS

7. Consideration was given to a motion approving Housing Authority action on condemnation and acquisition proceedings.

The City Manager said the City Council on October 20, 1977 by Resolution No. 77-174 approved Wyoming Road condemnation of parcels 3, 4, 5, and 6 and Kenilworth Park parcels 6, 7, and 8. The Asheville Housing Authority on November 14, 1978 unanimously approved a motion offered by Mrs. Shook and seconded by Mr. Jackson for the payment of just compensation including attorney fees in the amount of \$26,295.00 for the seven parcels in condemnation and referenced above, subject to City Council approval.

Councilwoman Price moved to approve the payment of just compensation in the amount of \$26,295.00 for the seven parcels in condemnation and as recommended and approved by the Asheville Housing Authority. Community Development funds are available in the approved Kenilworth Park and Wyoming Road budgets for payment of the condemnation and acquisition cost. This motion was seconded by Councilman Cole and carried unanimously.

CLAIMS - CALVIN D. LITTLE - DEAL BUICK, INC.

8. The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent:

Following individuals have claims against City of Asheville for damage.

Calvin D. Little
71 Short Madison Avenue
Asheville, N. C.

Damage to automobile -
hit manhole

Deal Buick, Inc.
84 Coxie Avenue
Asheville, N. C.

Damage to property - broken plate glass
window.

\$100,000 would be essentially throwing away an investment the city has made in the transit system. He said if the budget is cut a combination of measures would have to be implemented which would include increased fares and reduction in services.

Upon inquiry of Council, Councilman Michael reported that he attended the Asheville Transit Authority meeting on June 13, 1979 and the Transit Authority did decide that some effort would be made to transport senior citizens.

It was the consensus of Council that some solution to transporting senior citizens would be made before the final reading of the budget ordinance.

On a roll call vote of 7-0, Ordinance No. 1107 passed on second reading.

PUBLIC HEARING - ESTABLISHMENT OF A HISTORIC RESOURCES COMMISSION

ORDINANCE NO. 1109 - AN ORDINANCE CREATING THE HISTORIC RESOURCES COMMISSION OF ASHEVILLE AND BUNCOMBE COUNTY

4. A public hearing was held relative to the establishment of a Historic Resources Commission.

Mayor Trantham opened the public hearing at 3:48 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Frank Coxe, Chairman of the Asheville-Buncombe County Historic Preservation Advisory Committee, spoke in support of the establishment of a Historic Resources Commission. He said under the proposed ordinance the commission's aim will be to prevent the inadvertent destruction of significant properties and will regulate changes and additions to properties in historic districts. He said property will be designated historic by the Council if in the City, and the County Commissioners if in the County, and the historic commission will investigate nominations for designations and make recommendations to the governing body.

After discussion, Mayor Trantham closed the public hearing at 4:00 p. m.

Verl Emrick, Planning Director, read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1109. This motion was seconded by Councilman Cole.

On a roll call vote of 7-0, Ordinance No. 1109 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1109. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1109 passed on second reading.

Thursday - June 14, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Gene E. Rainey gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 7, 1979.

Councilwoman Price presented several clerical errors in the minutes.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the June 7, 1979 meeting were approved as amended.

MURALS IN COUNCIL CHAMBERS RESTORED BY ASHEVILLE BUNCOMBE COUNTY YOUTH COUNCIL

2. Mayor Trantham noted that the murals in the Council Chambers had been restored by the Asheville-Buncombe County Youth Council. He suggested that a plaque be presented to the Youth Council recognizing the group for raising the funds to restore the murals.

ORDINANCE NO. 1107 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1979-80

3. Consideration was given to the second reading of Ordinance No. 1107, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the Fiscal Year 1979-80.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Arthur Eve, Chairman of the Asheville Transit Authority, said he was concerned with the recommendation to cut \$100,000 from the Transit Authority's budget for 1979-80. He said this cut would result in only a \$50,000 savings since the federal government shares any deficits. He said a cut in the budget would result in increased fares and substantial reductions in service to the customers. He said the impact would be on the people who have no other means of transportation. He said with the "energy crunch" more people are likely to be using the transit system.

Mr. Joseph A. Poquette, President of City Coach Lines, Inc. of Jacksonville, Fla., which operates the Asheville transit system also spoke against a cut in the budget. He noted that a rate increase had been approved on June 13, 1979. He said the present budget does not include any capital improvements. He said a cut of

Verl Emrick, Planning Director, said since the annexation of the WNC Baptist Homes property in Richmond Hills the Planning and Zoning Commission recommended to Council that the property be zoned R-3 Residential District.

Mayor Trantham closed the public hearing at 4:43 p. m.

Verl Emrick read the ordinance.

Councilman Cole moved for the adoption of Ordinance No. 1111. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 7-0, Ordinance No. 1111 passed on first reading.

PUBLIC HEARING - AMENDING ORDINANCE NO. 322 - ADJUSTMENT OF FILING FEES - REZONINGS GROUP DEVELOPMENTS - APPEALS TO BOARD OF ADJUSTMENT

ORDINANCE NO. 1112 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

7. A public hearing was held relative to amending the Zoning Ordinance, being Ordinance No. 322, as amended relating to filing fees.

Mayor Trantham opened the public hearing at 4:45 p. m.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its May 2, 1979 meeting, discussed the need for adjusting the filing fee for rezoning and group developments. The Planning Staff had advised that an increase was necessary to cover current day costs of processing these applications. He said Council in scheduling the public hearings also included the setting of a filing fee for appeals to Board of Adjustments to cover costs incurred by the City of Asheville.

Mayor Trantham closed the public hearing at 4:49 p. m.

Verl Emrick read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1112. This motion was seconded by Councilwoman Price.

On a roll call vote of 7-0, Ordinance No. 1112 passed on first reading.

PUBLIC HEARING - AMENDING ORDINANCE NO. 424 - SUBDIVISION REGULATIONS - SETTING FILING FEE

ORDINANCE NO. 1113 - AN ORDINANCE AMENDING ORDINANCE NO. 424, KNOWN AS "AN ORDINANCE ESTABLISHING REGULATIONS FOR THE DEVELOPMENT OF REAL ESTATE SUBDIVISIONS."

8. A public hearing was held relative to amending Ordinance No. 424, known as "An Ordinance establishing regulations for the development of Real Estate Subdivisions."

Mayor Trantham opened the public hearing at 4:53 p. m.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its May 2, 1979 meeting, discussed the need for setting a filing fee for reviews of subdivisions and recommended that a filing of \$100 be set for reviews of subdivisions.

Councilman Michael moved to suspend the rules and proceed to the third reading of Ordinance No. 1109. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1109 passed on third and final reading.

Complete text of Ordinance No. 1109 will be found in Ordinance Book No. 9 at page 4.

PUBLIC HEARING - AMENDING NON-CONFORMING USE SECTION OF ORDINANCE NO. 322

ORDINANCE NO. 1110 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. A public hearing was held relative to amending the Zoning Ordinance being Ordinance No. 322, as amended relating to "Non-Conforming Uses."

Mayor Trantham opened the public hearing at 4:30 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said at the request of the Board of Adjustment, the Planning and Zoning Commission at its May 2, 1979 meeting considered a proposed wording amendment to the Asheville Zoning Ordinance regarding nonconforming uses. Mr. Johnson, Zoning Administrator, reported that the wording amendment was recommended to remove a legal problem that exists under the present wording.

Mayor Trantham closed the public hearing at 4:35 p. m.

Verl Emrick read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1110. This motion was seconded by Councilman Cole.

On a roll call vote of 7-0, Ordinance No. 1110 passed on first reading.

PUBLIC HEARING - ZONING PROPERTY OF WNC BAPTIST HOMES IN RICHMOND HILLS

ORDINANCE NO. 1111 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

6. A public hearing was held relative to zoning property of WNC Baptist Homes in Richmond Hills.

Mayor Trantham opened the public hearing at 4:40 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

ORDINANCE NO. 1108 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE." (Regulating bars, nightclubs, and private clubs)

10. Consideration was given to the second reading of Ordinance No. 1108, amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended regulating bars, nightclubs, and private clubs in the City of Asheville.

Mayor Trantham stated that this ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

Verl Emrick, Planning Director, said at the direction of Council, several amendments were made in the regulations, those being:

Section III (h) (3) and (4)

"(3) 250 feet from any established church as defined by this ordinance."

"(4) 500 feet from any established school as defined by this ordinance."

Section III 2 (d)

"(d) Except as may otherwise be provided herein no location shall be approved for any on-premises liquor license unless such location is not less than 250 feet from any other location where there exists a current liquor license or 250 feet from an established school, church or residence. Distances in this zone district shall be measured from entry to entry (principle point of access to the establishment), excluding any rear or side door access."

Councilman Morris moved to approve the amendments provided by the Planning Director. This motion was seconded by Councilwoman Price and carried unanimously.

Councilman Michael was excused from the meeting at 5:55 p. m.

Vice-Mayor Horton said he was still sensitive to the distance between such establishments and churches. He then moved to change the regulations from 250 feet to 400 feet between such establishments and churches, outside the downtown district. This motion was seconded by Councilman Rainey, which motion failed on a roll call vote of 3-3, with Councilman Rainey, Vice-Mayor Horton and Mayor Trantham voting "aye" and Councilman Morris, Councilwoman Price, and Councilman Morris voting "no."

Councilman Morris then moved to amend the definition of churches in the regulations to include the words "tax exempt" after the word nonprofit. This motion was seconded by Councilman Rainey, which motion carried.

Vice-Mayor Horton then moved to amend Section III (h) (3) of the regulations to read "(3) 250 feet from any established church as defined by this ordinance but in no case shall the establishment be located on an adjoining lot of record." This motion was seconded by Councilwoman Price, which motion carried on a voice vote of 4-2, with Councilman Morris and Councilman Cole voting "no."

On a roll call vote of 6-0, Ordinance No. 1108 passed on second reading.

Councilman Rainey was excused from the meeting at 6:20 p. m.

Mayor Trantham closed the public hearing at 4:57 p. m.

Verl Emrick read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1113. This motion was seconded by Councilman Rainey.

On a roll call vote of 7-0, Ordinance No. 1113 passed on first reading.

PUBLIC HEARING - INCREASING WATER RATES

ORDINANCE NO. 1114 - AN ORDINANCE PROVIDING FOR REVISIONS TO THE WATER RATES AND CHARGES

9. A public hearing was held relative to an ordinance increasing water rates and charges.

Mayor Trantham opened the public hearing at 4:59 p. m.

Councilman Rainey said he had concerns about raising the water rates by 40%.

Mayor Trantham noted that the water rate increase would depend on the results of the negotiations with the Buncombe County Commissioners relative to budgetary matters to be discussed on Monday, June 18, 1979.

Barbara Davis, representing clients of the Legal Aid Society of the Buncombe County Bar Association, again opposed the increase in water rates. She said a 40% increase is excessive. She said the increase would benefit "big business" at the expense of the small consumer. She said the increase in effect, is a city tax which is disguised as a water rate increase. She also said the increase is contrary to the 7% President's Price and Wage Increase.

Anthony Welsh also spoke in opposition to the rate increase. He said senior citizens on fixed incomes could not afford an increase. He said the City should tax people on the ability to pay.

Ralph Bishop also spoke in opposition to the rate increase.

Russ Offhaus questioned whether an additional sewer charge would be added and Councilman Morris informed him that the sewer charge is separate from the water charges and is not included in the rate increase.

Councilman Michael commented that he would not support the rate increase. He suggested raising the rates for industry and those outside the sanitary districts without raising the rates for the citizens of Asheville.

After discussion, Mayor Trantham closed the public hearing at 5:45 p. m.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1114. This motion was seconded by Councilman Cole.

On a roll call vote of 5-2, Ordinance No. 1114 passed on first reading with Councilman Rainey and Councilman Michael voting "no."

ORDINANCE NO. 1116 - AN ORDINANCE AMENDING SECTION 11-54 ENTITLED INSPECTION FEES - GENERALLY AND SECTION 11-55 ENTITLED SAME -- FOR EXTRA INSPECTIONS, OF CHAPTER 11 OF THE CODE OF ORDINANCES - Increasing Electrical Inspection Fees

13. Consideration was given to an ordinance amending Section 11-54 entitled Inspection Fees - generally and Section 11-55 entitled same -- for extra inspections, of Chapter 11 of the Code of Ordinances.

The City Manager read the ordinance explaining that this would provide for an increase in fees for electrical inspections.

Councilwoman Price was excused from the meeting at 6:30 p. m.

Councilman Cole moved for the adoption of Ordinance No. 1116. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 4-0, Ordinance No. 1116 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1116. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1116 passed on second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1116. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1116 passed on third and final reading.

Complete text of Ordinance No. 1116 will be found in Ordinance Book No. 9 at page 25.

APPROVAL OF SIGN PERMITS - NEAGLE SIGN COMPANY AND SUMMEY SIGN COMPANY

14. The City Manager said Neagle Sign Company has requested approval of the following six (6) sign permits which are within 600 feet of an expressway which requires the approval of the City Council, pursuant to Ordinance No. 322, as amended. 1) 12' x 50' billboard - Riverside Drive; 2) 14' x 48' - 3 S. Tunnel Road; 3) 300 sq. ft. - U. S. 74; 4) 14' x 48' - I-240; 5) 14' x 48' - I-240; and 6) 12' x 25' - Tunnel Road at Chunns Cove Road.

The City Manager said a permit was issued October 13, 1978 erroneously to Summey Sign Company for a free standing sign at 995 Riverside Drive which is within 600' of an expressway requiring the approval of Council. There are two 6' x 12' panels, non-illuminated.

Councilman Morris said he would like to see the location of the signs before taking any action on the approval of the signs.

Councilman Cole moved to defer action on the sign permits until July 5, 1979. This motion was seconded by Vice-Mayor Horton and carried unanimously.

REPORT FROM PLANNING AND ZONING - MORATORIUM ON COMMERCIAL BUILDING PERMITS, SIGN PERMITS, AND 90-DAY WAITING PERIOD ON DEMOLITIONS IN THE MONTFORD DISTRICT

RESOLUTION NO. 79-126 - RESOLUTION FOR CONSIDERATION OF IMPOSING A LIMITED MORATORIUM ON DEVELOPMENT IN THE MONTFORD NEIGHBORHOOD

11. Verl Emrick, Planning Director, said the Planning and Zoning Commission at its June 6, 1979 meeting reviewed a petition referred to them by the City Council, which was received from Mr. David E. Matney, III, Chairman of the Board of Directors for Historic Montford, Inc. requesting an immediate moratorium on rezoning in Montford; an immediate moratorium on commercial building permits in Montford; and a 90-day public notice of demolitions in Montford. He said after discussing the issues of this request the Commission voted to recommend to City Council the approval of this request. In addition the Commission voted to include a similar moratorium on sign permits in the Montford area.

Mr. Emrick then read the resolution imposing the moratorium, which would be enforced for a ninety (90) day period. He reviewed, by the use of a map, the location whereby the moratorium would be enforced.

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 79-126 was unanimously adopted.

Complete text of Resolution No. 79-126 will be found in Resolution Book No. 11 at page 216.

ORDINANCE NO. 1115 - AN ORDINANCE AMENDING SECTION 20-2 OF CHAPTER 20 OF THE CODE OF ORDINANCES ENTITLED PLUMBING PERMITS - INSPECTIONS, FEES

12. Consideration was given to an ordinance amending Section 20-2 of Chapter 20 of the Code of Ordinances entitled Plumbing permits - inspections, fees.

The City Manager read the ordinance explaining that the ordinance would provide for an increase in fees for heating inspections.

Councilman Cole moved for the adoption of Ordinance No. 1115. This motion was seconded by Councilwoman Price.

On a roll call vote of 5-0, Ordinance No. 1115 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1115. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1115 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1115. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1115 passed on third and final reading.

Complete text of Ordinance No. 1115 will be found in Ordinance Book No. 9 at page 23.

- D. Scheduling of a public hearing relative to rezoning property in Chunns Cove for property to be rezoned from R-2 Residential to R-1 Single Family Residential. Planning and Zoning Commission recommended that the property be rezoned, plus additional property not included in the petition. Hearing to be scheduled for July 12, 1979.
- E. Scheduling of a public hearing relative to rezoning property on New Leicester Highway, owned by Green Hills Cemetery, from OI, Office Institutional District to CS Commercial Service District for July 12, 1979.

HIGHLIGHTS: Planning and Zoning Commission reviewed a petition of Green Hills Cemetery to rezone property on New Leicester Highway from OI, Office Institutional District to CS Commercial Service District. Planning and Zoning recommended that the property be rezoned as petitioned, plus an additional tract of land.

- F. Resolution No. 79-130 - Resolution authorizing the granting of easements to Akzona Incorporated in Public areas adjoining its office building and subterranean parking garage on North Pack Square pursuant to N.C.G.S.160A-273.

HIGHLIGHTS: This easement is for the purpose of installing, maintaining, and replacing footings, footing drainpipes, grilles, transformer room and areaway.

Resolution Book No. 11 Page 221

- G. Resolution No. 79-131 - Resolution authorizing the Mayor to enter into a contract for engineering services with Talbert, Cox and Associates, Inc. for strengthening of Runway 16-34 at the Asheville Airport.

HIGHLIGHTS: The Federal Aviation Administration has determined that Runway 16-34 at the Asheville Airport is in need of strengthening and the services of a consulting engineer are needed so that said work may proceed.

Resolution Book No. 11 Page 223

- H. Approval of a budget amendment amending the Federal Capital Projects Fund Budget.

HIGHLIGHTS: This amendment is to revise funding for the runway extension project and establish funding for paving, lighting, obstruction removal, overlay and snow removal equipment. The existing runway extension budget is hereby repealed.

92

APPROVAL OF THE CONSENT AGENDA

15. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 79-127 - Resolution of intent to close a portion of Madison Street within Riverside Park and calling a public hearing on the question for July 12, 1979.

HIGHLIGHTS: Parks and Recreation Department has requested that a portion of Madison Street within Riverside Park be closed to provide for further development of the park and to eliminate traffic through the park.

Resolution Book No. 11 Page 217

- B. Resolution No. 79-128 - Resolution authorizing the Mayor to execute agreement with A & H Flying Service, Inc. with respect to off-premise servicing of aircraft and rental of transit ramp area at the Asheville Airport.

HIGHLIGHTS: A & H Flying Service is presently leasing a parcel of land at Asheville Airport and wishes to continue to lease an adjoining area and to fuel and service various aircraft in other locations at the airport through June 30, 1980.

Resolution Book No. 11 Page 219.

- C. Resolution No. 79-129 - Resolution authorizing the Mayor to execute an agreement with the North Carolina Department of Transportation for school zone markings at certain schools within the corporate limits of the City of Asheville, and further identified as Asheville High School, Aycock School, Claxton School, Ira B. Jones School, Newton School, South French Broad School, Vance School, St. Eugene's School, St. Genevieve-Gibbons Hall School, St. Joan of Arc School, Biltmore School and Oakley School.

HIGHLIGHTS: N. C. Department of Transportation will obtain Federal-aid funds necessary to install the street school markings.

Resolution Book No. 11 Page 220.

Revenue Sharing Trust FundAppropriation:

Contribution to Other funds 73,431

Revenue:

Appropriated Fund Balance 73,431

Councilman Morris moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to Council relative to lottery sales.

Adjournment.

Raymond H. Harrison
MAYOR

William S. McLeary
CITY CLERK

- I. Resolution No. 79-132 - Resolution establishing inspection fees (North Carolina State Building Code, Volume III Heating, 1971 Edition) under Ordinance 748 Section 8-61 (C) adopted September 1, 1972.

HIGHLIGHTS: This resolution will increase fees for heating inspections.

Resolution Book No. 11 page 224.

- J. Resolution No. 79-133 - Resolution appointing a member to the Asheville Policemen's Pension and Disability Board of Trustees.

HIGHLIGHTS: Appointment of Mr. William Frue as a member of the Board.

Resolution Book No. 11 Page 229.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, the consent agenda was unanimously approved.

CLAIMS - MS. REATHER WHITMIRE

The City Manager presented a claim received from Mr. W. R. Swearngan Facility Services Superintendent.

Following individual has a claim against the City of Asheville for damage:

Ms. Reather Whitmire
34 Weaver Street
Asheville, N. C.

Damage to automobile - hit open manhole.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - 21 DAY SALUTE - JUNE 14- JULY 4, 1979

Mayor Trantham proclaimed June 14, Flag Day and continuing through the Fourth of July, 1979 as 21 Day Salute period encouraging public gatherings and activities at which the people can celebrate and honor their country in an appropriate manner.

BUDGET AMENDMENT - LEAA SETTLEMENTS

The City Manager presented the following budget amendment to provide partial funding for LEAA settlements. The budget amendment represents five of the settlements, two more are not concluded.

Appropriations: - Police Department

Salaries and Wages	\$69,190
FICA	<u>4,241</u>
	73,431

Revenue:

Contribution from Other funds	73,431
-------------------------------	--------

was erroneous. However, HUD has indicated that since land sales in the East Riverside area would be timely that the City Council could use what was known as "set aside" money for these programs. He said, therefore, these programs would be funded as well as the transportation for the senior citizens at the current level of service with the "set aside" funds.

The City Manager said a lot of concern had been expressed about the funding being cut for the Transit Authority. He said rumors were that the Transit Authority would be eliminating routes. He said he and Arthur Eve, Chairman of the Transit Authority has issued the following statement relative to these concerns.

"If the City Council reduces the appropriation to the Transit Authority, the Transit Authority Board will analyze the alternatives, including possible fare increases and/or possible reduction in service."

"When a decision is reached by the Transit Authority Board, a notice of public hearing will be published and a public hearing scheduled."

It is anticipated that no change in existing service can be made earlier than September 1, 1979."

Councilwoman Price noted that several months ago Council had moved to form a transit committee to coordinate transportation for the aged, the transit system, and taxicabs. She suggested that this committee be formed in order to coordinate the activities.

Councilman Rainey said he felt Council should cut funding across the board to outside agencies.

The City Manager, in view of a recent court decision, suggested that Council ask each outside agency to provide the City with a precise description of the services to be funded by the city contribution to the agency, a proposed contract between the agency and the city, an attorney general's opinion as to the legality of the city's funding of the particular service the agency provides and a copy of their proposed budget. He suggested that no cash outlay be furnished to the agencies until the information is furnished.

Councilman Cole moved to proceed with the adoption of the 1979-80 budget, funding the outside agencies at the 1978-79 level pending a ruling from the Attorney General on the legality of the city's funding of the service. This motion was seconded by Councilwoman Price.

Councilman Michael said funds are not available to fund agencies at the 1978-79 level.

After discussion relative to Council's willingness to fund the agencies at the 1978-79 levels Councilman Cole and Councilwoman Price withdrew their motion.

Thursday - June 21, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

INVOCATION

Councilman F. Jack Cole gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 14, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the June 14, 1979 meeting were approved as submitted.

APPROVAL OF SIGN PERMIT - SUMMEY SIGN COMPANY - 995 RIVERSIDE DRIVE

2. Mr. Mike Summey of Summey Sign Company requested approval of a sign permit issued October 13, 1978 erroneously for a free standing sign at 995 Riverside Drive which is within 600 feet of an expressway requiring the approval of the Council. The sign is two (2) 6' x 12' panels, non-illuminated. He presented photographs showing where the sign would be located and indicating that the sign would not be visible from the expressway.

Councilwoman Price moved to approve the sign permit for Summey Sign Company at 995 Riverside Drive. This motion was seconded by Councilman Michael and carried unanimously.

ORDINANCE NO. 1107 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1979-80

3. Consideration was given to the third reading of Ordinance No. 1107, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the Fiscal Year 1979-80.

Mayor Trantham said the ordinance was previously read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

The City Manager recommended, since there are no further revenues to be considered which can be put into effect after July 1 and since changes among line items can be made that Council adopt the budget as currently stated and in the course of the next few weeks Council could look at the details of the budget and determine what changes they desire. He did note, however, that the budget letter originally had recommended funding of the Senior Opportunity Center from Community Development funds as well as \$150,000 street resurfacing in the original Community Development area. He said these were recommended on the basis that the City would be receiving \$300,000 from the Community Development program which

Ralph Bishop said he opposed a portion of the budget for 1979-80.

On a roll call vote of 6-0, Ordinance No. 1107 passed on third and final reading.

Complete text of Ordinance No. 1107 will be found in Ordinance Book No. 9 at page 1.

ORDINANCE NO. 1108 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED (Regulating Nightclubs, bars and private clubs)

4. Consideration was given to the third reading of Ordinance No. 1108, amending Ordinance No. 322, as amended, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", regulating bars, nightclubs, and private clubs in the City of Asheville.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

At the request of Council, Verl Emrick, Planning Director, reviewed the amendments made to the regulations.

On a roll call vote of 5-1, Ordinance No. 1108 passed on third and final reading, with Councilman Michael voting "no."

Councilman Michael said the ordinance places too many restrictions on the business and would hinder progress.

Complete text of Ordinance No. 1108 will be found in Ordinance Book No. 9 at page 3.

Verl Emrick, Planning Director, advised that this ordinance would not be effective until July 6, 1979 and the moratorium on the issuance of permits for nightclubs, bars and private clubs ended on June 19, 1979.

Councilman Rainey moved to extend the moratorium on the issuance of permits for nightclubs, bars and private clubs until July 6, 1979. This motion was seconded by Councilwoman Price, which motion carried on a voice vote of 5-1, with Councilman Michael voting "no."

ORDINANCE NO. 1110 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Amending Non-Conforming Use Section)

5. Consideration was given to the second reading of Ordinance No. 1110, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, relative to the Non-Conforming Use Section.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Councilman Michael said Council should adopt the budget without a tax increase and address the details of the budget at a later date.

Councilman Rainey suggested that the Chamber of Commerce show a breakdown of their budget separating information on what they do for tourism at the Civic Center and the City and for private hotels and motels.

Mary Robertson read the following letter relative to the budget:

WESTERN NORTH CAROLINA
CENTRAL LABOR UNION
AFL-CIO

Suite 329
Parkway Office Building
Asheville, North Carolina
28801

Phone: 704-258-0487

Raymond B. Stepp, President

June 21, 1979

Honorable Members,
Asheville City Council
Asheville, North Carolina 28807

Honorable Council Members:

We find it impossible to understand how you can consider massive rate increases in such life-essential services as water and bus transportation, while you are so eager to donate our tax dollars to the Asheville Area Chamber of Commerce.

Surely you must recognize the enormous injustice to the people of this city, already prostrate under the burden of inflationary living costs. To provide the Chamber, one of the nation's most powerful businessmen's unions, with tax monies at any time is highly immoral, and, almost surely, illegal. To budget them so much as one dollar during times such as these is a crime against the people.

The Chamber's plea that they use these tax dollars for the purpose of "bringing industry and jobs into the area" is an affront to the people's best interests. Such jobs as have been provided through this self-serving organization have been, by design, substandard, poverty level jobs that have served only to keep this State in the shameful position of lowest in per capita income.

The national president of the Chamber, while a recent guest in this City, called for, among other abuses against working people, abolition of the minimum wage. It will be unforgivable for you to provide the local chapter of this organization with a single tax dollar, millions of which have been provided this City by working people.

We urge, indeed, we insist that you delete, at once, all tax monies budgeted by the City to the Asheville Area Chamber of Commerce.

Sincerely yours,

Ray B. Stepp
Ray Stepp,
President

On a roll call vote of 6-0, Ordinance No. 1112, as amended, passed on third and final reading.

Complete text of Ordinance No. 1112 will be found in Ordinance Book No. 9 at page 19.

ORDINANCE NO. 1113 - AN ORDINANCE AMENDING ORDINANCE NO. 424, KNOWN AS "AN ORDINANCE ESTABLISHING REGULATIONS FOR THE DEVELOPMENT OF REAL ESTATE SUBDIVISIONS."

8. Consideration was given to the second reading of Ordinance No. 1113, an ordinance amending Ordinance No. 424, known as "AN ORDINANCE ESTABLISHING REGULATIONS FOR THE DEVELOPMENT OF REAL ESTATE SUBDIVISIONS."

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1113 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1113. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1113 passed on third and final reading.

Complete text of Ordinance No. 1113 will be found in Ordinance Book No. 9 at page 21.

ORDINANCE NO. 1104 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Allowing Crematories in conjunction with funeral homes as a Conditional Use in the Commercial Highway District)

9. Consideration was given to the second reading of Ordinance No. 1104, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended allowing crematories in conjunction with funeral homes as a Conditional Use in the Commercial Highway District.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Planning Director, said he had been advised by Mr. Gus Morris that he wishes to withdraw his proposal to amend the wording of the Zoning Ordinance allowing crematories. Therefore, no further action is required by City Council. He said any renewal of Morris' request must be treated as a new statement and reviewed by the Planning and Zoning Commission.

Vice-Mayor Horton moved to table Ordinance No. 1104. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1110 passed on second reading.

ORDINANCE NO. 1111 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Zoning WNC Baptist Homes Property in Richmond Hills)

6. Consideration was given to the second reading of Ordinance No. 1111, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended zoning property of WNC Baptist Homes in Richmond Hills to R-3 Residential District.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1111 passed on second reading.

ORDINANCE NO. 1112 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Adjusting filing fees for rezoning, group developments, and appeals to the Board of Adjustment)

7. Consideration was given to the second reading of Ordinance No. 1112, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended adjusting the filing fees for rezonings, group developments, and appeals to the Board of Adjustment.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick suggested the following amendment to the ordinance relative to the filing fee for appeals to the Board of Adjustment.

"That Section 30-8-2 (B) be amended by adding the following sentences: An application by a property owner or his agent, appealing a ruling by the Zoning Administrator to the Board of Adjustment, shall be accompanied by a filing fee of Fifty Dollars (\$50.00) payable to the City of Asheville and shall be filed in the Office of the Zoning Administrator."

Councilwoman Price moved to amend Ordinance No. 1112 to amend Section 30-8-2 (B) as presented by Verl Emrick, Planning Director. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1112 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1112, as amended. This motion was seconded by Councilman Michael and carried unanimously.

Councilman Rainey said he would have been in favor of a 15% to 20% increase in water rates to cover the general fund deficit but he could not favor a 40% increase.

The City Manager said the 40% increase is realistic even though projects are not identified. He said with the City being responsible for over 30,000 customers, both inside and outside the City, there is a need for continuing improvements to the system.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1114. This motion was seconded by Vice-Mayor Horton, which motion carried on a voice vote of 4-2, with Councilman Rainey and Councilman Michael voting "no."

On a roll call vote of 4-2, Ordinance No. 1114 passed on third and final reading with Councilman Rainey and Councilman Michael voting "no."

Complete text of Ordinance No. 1114 will be found in Ordinance Book No. 9 at page 22.

APPROVAL OF THE SALE OF DISPOSAL PARCELS IN EAST RIVERSIDE RENEWAL PROJECT

11. Consideration was given to a motion approving the sale of disposal parcels in the East Riverside Renewal Project.

The City Manager said the Housing Authority has received the following bids for disposal parcels in the East Riverside Renewal Project.

<u>PARCEL</u>	<u>REUSE</u>	<u>PRICE</u>	<u>BID</u>	<u>REDEVELOPER</u>
25	Residential	2,700	2,700	Charles Marshall, et ux
31	Residential	3,000	3,000	Willie Mae Harbison
32	Residential	3,300	3,300	Margaret D. Ruff
53	Commercial	35,000	35,000	DJ & KC Enterprises
55	Commercial	5,00	13,187	Robert L. Ledford, et ux

Larry Holt, Deputy Executive Director of the Housing Authority, reviewed the locations of the parcels and the proposed use of the property.

Councilman Rainey moved to approve the sale of the disposal parcels in the East Riverside Renewal Project as recommended by the Housing Authority. This motion was seconded by Councilman Cole and carried unanimously.

APPROVAL OF CONSENT AGENDA

12. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

ORDINANCE NO. 1114 - AN ORDINANCE PROVIDING FOR REVISIONS TO THE WATER RATES AND CHARGES

10. Consideration was given to the second reading of Ordinance No. 1114, an ordinance providing for revisions to the water rates and charges.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Upon inquiry of Councilman Cole, Bob Wurst, Budget Director, said the existing ordinance provides for a different rate for consumers purchasing water for resale. However, the proposed ordinance has one set of rates applicable to all consumers.

Councilman Michael said the statement was misleading because the Town of Biltmore Forest and Woodfin would be getting water at the bulk rate for resale to the people in their town.

A resident of West Asheville spoke in opposition to the water rate increase.

Mayor Trantham said Council proposed to increase water rates in order not to raise taxes. He said in that respect everyone would be sharing the burden rather than just taxpayers.

Councilman Michael said he still had concerns because those living in the projects do not pay taxes or water rates therefore, the burden still lies with the homeowner.

Bob Wurst explained the increase. He said as a general statement the amount of the increase increases as the amount of water consumption increases.

On a roll call vote of 4-2, Ordinance No. 1114 passed on second reading, with Councilman Michael and Councilman Rainey voting "no."

Vice-Mayor Horton said he was not altogether in favor of the water rate increase but he said there is no recourse as the water rates are in conjunction with the budget for 1979-80. He said in view of the indicated changes for the budget there is a possibility that the action on the water rates will change. He said, at least, 50% of the increase will be paid by consumers outside the City limits which will help finance a portion of the services they use.

Councilman Michael said he felt raising the water rates at this time would be premature. He said he felt some other method of raising the rates outside the water districts, not under the protection of the Sullivan Act, could be accomplished. He said he felt Council should wait a couple of months until this could be worked out.

Councilwoman Price commented that the budget for 1979-80 was balanced by the increase in water rates. She said if Council did not increase the rates the budget for 1979-80 as presented would not have been balanced.

Vice-Mayor Horton said the city has been addressing the problem of drug and alcohol abuse during these concerts and it was his hope that some of the problems will be taken care of.

Councilman Rainey suggested that the attendance be checked in order to comply with the fire code. He also suggested that "festival seating" be re-examined. He said he felt there would be better crowd control if there was not festival seating at such events.

The City Manager said the Kiss Concert has been approved and sold as a festival seating event. He said he felt the Civic Center Director was well aware of the problems of the past with such groups and would be able to handle the situation.

JEFF MCKINNEY - METER REPAIR SHOP - COMMENTS RELATIVE TO PAY INCREASE

Jeff McKinney of the Meter Repair Shop, representing himself and other city employees, said he felt the proposed 5% pay increase was unjust as the inflation rate was much higher.

Mayor Trantham suggested that the City Manager advise Mr. McKinney of the total pay program.

Adjournment.

MAYOR

CITY CLERK

- A. Resolution No. 79-134 - Resolution authorizing the Mayor to file a subgrant application with the North Carolina Department of Crime Control and Public Safety for a mobile Police Service Center.

HIGHLIGHTS: This subgrant will fund for the Asheville Police Department a Mobile Police Service Center and will be funded at a 90% Federal, 5% State, and 5% local contribution ratio. \$31,050 Federal; \$1,725 State; \$1,725 local; total \$34,500.

Resolution Book No. 11 Page 230.

- B. Resolution No. 79-135 - Resolution authorizing the Mayor to file a subgrant application with the North Carolina Department of Crime Control and Public Safety for portable alarm systems.

HIGHLIGHTS: This subgrant will fund for the Asheville Police Department six portable burglar/robbery alarms and will be funded at a 90% Federal, 5% State and 5% local contribution ratio. \$4,590 Federal; \$255 State; and \$255 local, \$5,100 Total.

Resolution Book No. 11 page 231.

- C. Resolution No. 79-136 - Resolution authorizing the Mayor to enter into a lease agreement with Sanco Corporation for rollout container lift mechanisms for eleven City of Asheville Sanitation Trucks.

HIGHLIGHTS: This lease agreement will be with Sanco Corporation for rollout container lift mechanisms for eleven (11) City of Asheville Sanitation Trucks.

Resolution Book No. 11 page 232.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the consent agenda was unanimously approved.

COUNCILMAN RAINEY - REQUESTS FOR COUNCIL TO CONSIDER - MORATORIUM ON CERTIFICATE OF OCCUPANCIES - SUPER POLE ORDINANCE - ANNEXATION OF ASHEVILLE COUNTRY CLUB

Councilman Rainey requested that the City Manager draft a resolution for Council to consider on June 28, 1979 placing a moratorium on the issuance of certificate of occupancies. He also suggested that in the near future Council take into consideration the Super Pole Ordinance as well as the annexation of the Asheville Country Club.

Vice-Mayor Horton suggested that Council also consider annexation of other developments that have been discussed in the past.

KISS CONCERT - COMMENTS BY MRS. HARWELL

Mrs. Harwell of Round Oak Road suggested deterrents to discourage the performance of "Kiss" at the Civic Center scheduled to perform on June 28, 1979. She suggested that the City set forth prohibition of alcohol and drugs as well as an age restriction of 18 years of age. She asked Council if they could suggest things that she might do to discourage the performance and the attendance.

J. E. Johnson, Director of Inspections, presented photographs showing the condition of the dwellings. He said all legal requirements had been met for the demolition of the dwellings. He said all the dwellings are vacant.

Mayor Trantham closed the public hearing at 3:30 p. m.

The Corporation Counsel read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1117. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 1117 passed on first reading.

ORDINANCE NO. 1110 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Amending Non-Conforming Use Section)

4. Consideration was given to the third reading of Ordinance No. 1110, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, relative to the Non-Conforming Use Section.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1110 passed on third and final reading.

Complete text of Ordinance No. 1110 will be found in Ordinance Book No. 9 at page 16.

ORDINANCE NO. 1111 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Zoning WNC Baptist Homes Property in Richmond Hills)

5. Consideration was given to the third reading of Ordinance No. 1111, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended zoning property of WNC Baptist Homes in Richmond Hills to R-3 Residential District.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1111 passed on third and final reading.

Complete text of Ordinance No. 1111 will be found in Ordinance Book No. 9 at page 18.

Thursday - June 28, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman Gene E. Rainey, F. Jack Cole, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris Jr.

INVOCATION

Councilwoman Norma Price gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 21, 1979 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the June 21, 1979 meeting were approved as submitted.

PROCLAMATION- AMERICAN ENKA WEEK - JULY 1 - 7, 1979

2. Mayor Trantham noted that this was a joint proclamation by the City and the County in observance of American Enka Week. He said American Enka has been in Asheville and Buncombe County for 50 years.

The City Manager read the proclamation.

Mayor Trantham proclaimed the week of July 1 - 7, 1979 as American Enka Week.

Mr. A. D. Miles, Operations Manager for American Enka, was recognized by Council in observance of the proclamation.

PUBLIC HEARING - DEMOLITION OF 266 SOUTH BEAUMONT STREET, 17 HAMILTON STREET, AND 37 MAGNOLIA AVENUE

ORDINANCE NO. 1117 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 266 SOUTH BEAUMONT STREET, 17 HAMILTON STREET, AND 37 MAGNOLIA AVENUE

3. A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to demolish those dwelling houses known as 266 South Beaumont Street, 17 Hamilton Street, and 37 Magnolia Avenue.

Mayor Trantham opened the public hearing at 3:21 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Vice-Mayor Horton moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1119 - AN ORDINANCE AMENDING THE OPERATING BUDGET AND CAPITAL BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL 1978-79

9. Consideration was given to an ordinance amending the operating budget and capital budget for the City of Asheville for Fiscal 1978-79.

The City Manager read the ordinance explaining that the ordinance will summarize and ratify all budget amendments made to the budget as of June 28, 1979.

Councilman Rainey moved for the adoption of Ordinance No. 1119. This motion was seconded by Councilwoman Price.

On a roll call vote of 6-0, Ordinance No. 1119 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1119. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1119 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1119. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1119 passed on third and final reading.

Complete text of Ordinance No. 1119 will be found in Ordinance Book No. 9 at page 33.

ORDINANCE NO. 1120 - AN ORDINANCE AMENDING ORDINANCE NO. 933, KNOWN AS "AN ORDINANCE ESTABLISHING AN ADMINISTRATIVE BODY KNOWN AS THE ASHEVILLE AREA CIVIC CENTER COMMISSION"

10. Consideration was given to an ordinance amending Ordinance No. 933, establishing an administrative body known as the Asheville Area Civic Center Commission.

The City Manager read the ordinance explaining that the Civic Center Commission has suggested that the ordinance be amended relative to the terms of office for the Commissioners and the composition of same. He said this ordinance would provide for a representative of the Buncombe County Youth Council to be an ex-officio member and the establishment of a ninth full-term member. He said this would also provide for all member's terms to expire on June 30th of the year in which their term presently expires and that future appointees be appointed whereby their terms will also end on June 30th. He said it also makes a provision that the Commission members shall make every effort to attend all meetings and in the event they miss two consecutive meetings without just cause, the Commission shall be empowered to request City Council to replace the member.

ORDINANCE NO. 1118 - AN ORDINANCE AMENDING SECTION 15 OF THE REVENUE ORDINANCE (ORDINANCE NO. 1027) OF THE CITY OF ASHEVILLE, INSERTING A CLASSIFICATION FOR REFUSE HAULERS

6. Consideration was given to an ordinance amending Section 15 of the Revenue Ordinance (Ordinance No. 1027) of the City of Asheville, inserting a classification for refuse haulers.

The City Manager read the ordinance explaining that this would provide that every person, firm or corporation engaged in the business of collecting refuse shall pay a license tax of \$100 per annum. He said this classification is not in the Revenue Ordinance at the present and Council had requested that an ordinance be prepared including refuse haulers in the Revenue Ordinance.

Councilman Michael said he would like for the license to be issued according to the amount of business a company does, for example, one truck would be a certain amount and ten trucks would be a certain amount. He also commented that there should be control over people hauling their own garbage to the landfills.

Councilman Rainey moved for the adoption of Ordinance No. 1118. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1118 passed on first reading.

BUDGET AMENDMENT - WATER AND SEWER IMPROVEMENTS FUND CAPITAL PROJECT BUDGET - PATTON MOUNTAIN RESERVOIR

7. Consideration was given to a motion approving a budget amendment amending the City of Asheville Water and Sewer Improvements Fund Capital Project Budget.

The City Manager presented the budget amendment stating that this amendment is to transfer unneeded funds from Lutheridge Reservoir for critical rehabilitation work at the Patton Mountain Reservoir in the Water and Sewer Improvements Fund. The budget amendment is in the amount of \$27,417.

Bill DeBruhl, Director of Water and Sewer Services, explained the need for the transfer of funds. He said the Patton Mountain Reservoir is in dire need of improvements. He said funds for the Lutheridge Reservoir had been set up about four years ago and has not been expended.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Michael and carried unanimously.

BUDGET AMENDMENT - ASHEVILLE GENERAL FUND - STREET PAVING

8. Consideration was given to a motion approving a budget amendment amending the City of Asheville General Fund Budget.

The City Manager presented the budget amendment and explained that this amendment would transfer sinking fund monies to the street paving program as planned to support the 1978/79 street paving program. The amount of the transfer is \$200,000.

- C. Resolution No. 79-139 - Resolution authorizing the Mayor to execute agreement with Wheeler Airlines, Incorporated with respect to terminal space rental and landing fees.

HIGHLIGHTS: Wheeler Air Lines, Inc. is occupying terminal space and using runway facilities for landing and take offs and Wheeler has been subleasing from Delta Airlines. Delta has terminated service to the Airport and a month to month agreement has been approved and recommended to be enacted between the City of Asheville and Wheeler Airlines, Inc.

Resolution Book No. 11 at page 235 .

- D. Approval of bids received June 18, 1979 for one (1) trailer-mounted self contained irrigation system for use at the Memorial Stadium.

HIGHLIGHTS: One (1) bid was received.
 Recommendation of acceptance of bid submitted by Larchmont Engineering and Irrigation, Inc. in the amount of \$2,900.00
 Funding: Memorial Stadium - Capital Outlay - Other Improvements - Improvements to Memorial Stadium to be funded by the City School Board. The City will make said improvements and bill the School Board for actual costs incurred.

- E. Approval of bids received June 18, 1979 for five (5) dump trucks for Asheville Street Department.

HIGHLIGHTS: Three (3) bids were received.
 Recommendation of acceptance of second low fully responsive bids as follows: Item #1 - Matthews Motors, Inc. 11,690.12
 Item #2 - Matthews Motors, Inc. 23,980.24
 Item #3 - Apple Tree Chevrolet 32,846.70
 Funding: Revenue Sharing Trust Fund - Streets Division Capital Outlay Equipment.

- F. Approval of bids received June 25, 1979 for one 4 wheel drive vehicle and two 3/4 ton pickup trucks for the Parks and Recreation Department.

HIGHLIGHTS: One (1) bid was received.
 Recommendation of acceptance of bid received from Apple Tree Chevrolet, Inc. in the amount of \$19,373.38.
 Funding: Revenue Sharing Trust Fund - Parks and Recreation Department Capital Outlay Equipment.

- G. Approval of a budget amendment amending the City of Asheville First, Second, Third and Fourth Year Community Development Fund budgets for Fiscal Years 1975-76, 1976-77, 1977-78 and 1978-79.

HIGHLIGHTS: This budget amendment is to close out balances of completed projects and provide for needed funds for Community Development years 1975-76, 1976-77 and 1977-78.

Councilwoman Price moved for the adoption of Ordinance No. 1120. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1120 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1120. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1120 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1120. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1120 passed on third and final reading.

Complete text of Ordinance No. 1120 will be found in Ordinance Book No. 9 at page 34.

APPROVAL OF THE CONSENT AGENDA

11. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 79-137 - Resolution authorizing the Mayor to execute agreement terminating United Air Lines Lease Agreement at Asheville Airport.

HIGHLIGHTS: The City of Asheville and United Air Lines entered into an Airport Lease Agreement dated June 13, 1978 and United Air Lines discontinued all service at the Airport effective March 8, 1979 and have requested a formal termination of said agreement.

Resolution Book No. 11 at page 233

- B. Resolution No. 79-138 - Resolution authorizing the Mayor to execute a right-of-way agreement with the Southern Railway Company concerning a sewer pipe line.

HIGHLIGHTS: This encroachment agreement with Southern Railway Company is for the sewer line which will be constructed on the Forestdale Project.

Resolution Book No. 11 at page 234.

VICE-MAYOR HORTON - ASHEVILLE CITY SCHOOL DISTRICTS LINE

Vice-Mayor Horton said he had requested, several weeks ago, that the Corporation Counsel find out what statutory steps would be required to have the City Limits and School District lines coincide. He said evidently there has been a breakdown in communication with the School Board's attorney. He further requested that the Corporation Counsel look into the matter on his own.

CITY COUNCIL MEETING FOR JULY 5, 1979 - CANCELLED

Councilman Cole moved that the City Council meeting regularly scheduled for July 5, 1979 be cancelled. This motion was seconded by Councilman Rainey and carried unanimously.

CLAIMS - JOHNNY FRED THOMAS - MR. THURSTON BROWN - MRS. MARY L. HALL - JIMMY RAY BALDWIN - MS. JOHNNIE M. WHITESIDE

The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent:

Following individuals have claims against the City of Asheville for damage:

Mr. Thurston Brown	Water draining across property
58 Gray Street	
Asheville, N. C.	

Mrs. Mary L. Hall	Screens picked up by mistake
189 Murdock Avenue	by Sanitation workers
Asheville, N. C.	

Claims sent to St. Paul Fire and Marine Insurance:

Jimmy Ray Baldwin	Damage to automobile -
736 Baldwin Avenue	City vehicle backing
Marion, N. C.	

Ms. Johnnie M. Whiteside	Damage to automobile
104 Brooklyn Road	hit in rear by City
Asheville, N. C.	vehicle

Johnny Fred Thomas	Street Flusher Accident
Mae English Thomas	
102 Springdale Avenue	
Asheville, N. C.	

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

- H. Resolution No. 79-140 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Indiana Gunit and Construction Company Inc. for the project known as Rehabilitation of Patton Mountain Reservoir.

HIGHLIGHTS: Bids were received on June 19, 1979 for the Patton Mountain Rehabilitation Project. Indiana Gunit and Construction Company is the apparent low bidder in the amount of \$26,600.00. This project is funded under the 31-50-838.

Resolution Book No. 11 at page 236.

- I. Resolution No. 79-141 - Resolution authorizing the Director of Finance to sell surplus property.

HIGHLIGHTS: The Director of Finance will hold a public auction at the Asheville Civic Center on August 11, 1979 of such surplus materials, equipment and items as may be declared as surplus by City department and division heads.

Resolution Book No. 11 at page 237.

Upon motion of Councilman Michael, seconded by Councilman Cole the consent agenda was unanimously approved.

VICE-MAYOR HORTON - KISS CONCERT - JUNE 28, 1979

Vice-Mayor Horton commented on the Asheville Civic Center Commission's special task force on behavior at the Civic Center during the concerts. He said he felt this was a step forward to insure successful events with minimum problems. He also commended the City Manager, the Civic Center Director, the Civic Center Commission and the Police Department for finalizing a new positive policy approach. He said in this regard citizens could be assured that there would be proper law enforcement and crowd control at the events.

COUNCILMAN RAINEY - RESPONSE FROM HUD ON GROUP HOME FOR THE DEVELOPMENTALLY DISABLED IN KENILWORTH AREA

Councilman Rainey said members of Council have been furnished with copies of a letter from HUD to Peter Winslow, President of the Kenilworth Residents Association, in response to questions relative to the Group Home for the Developmentally Disabled in the Kenilworth area. He said, in essence, HUD has not, as yet, approved the Chiles Avenue location. He said the letter did indicate that HUD had approved eight (8) units for the group homes in the Asheville area. He requested that the City Manager obtain a clarification on whether the eight (8) units is for one house with eight (8) units or for eight (8) individual houses. He also said a spacing amendment to the Zoning Ordinance should be considered in order not to have one neighborhood overburdened with such homes.

The City Manager said he would look into the request.

REQUEST TO AMEND SANITATION CODE - RUBBERMAID CORPORATION

Mr. Dave Grogan, Vice-President of Rubbermaid Corporation, asked Council to amend the Sanitation Ordinance to change the specifications on the capacity of the rollout containers from 90-100 gallons to 80-100 gallons so as to allow Rubbermaid Corporation to compete in the market.

The City Manager said an ordinance amendment would be prepared for Council's consideration.

Mr. Grogan said his company would also make a quotation on the liftout equipment if the City so desired.

RALPH BISHOP - LOTTERY SALES - REDRESS FROM COUNCIL

Ralph Bishop again spoke to Council about the lottery sales in Asheville. He also said he did not feel Council had a right to call him out of order when he was seeking redress from Council on a particular question.

Adjournment.

MAYOR

CITY CLERK

NEWS RELEASE RELATIVE TO WATER RATES - SEWER RATES

The City Manager said various city offices have received several calls within the past few days regarding the affects of the water rate increase on their sewer service charges. He said the following news release was released from the Mayor's office"

"Some people have heard a rumor that the sewer rate will go up 40% the same as water rates - this is simply not the case.

The Metropolitan Sewer District contracts with the City of Asheville as a matter of cost effectiveness, for sewer service billing. The rate charged for sewer service is established by the Metropolitan Sewer District Board and not the City Council. The current rate for sewer service is 32¢ per 100 cubic feet of water used. (The rate is a little different for high water user industry). Therefore, the sewer service charge is based on the number of cubic feet of water consumed in any given month not on the water rate."

LIBRARY - ADDITIONAL FUNDING APPROVED

Mr. Anthony Lord, Chairman of the Library Board, told Council that after trimming the library budget as far as it could be trimmed, the library still is short \$30,000 if it is to maintain present service hours. He said without the \$30,000 they will have to dismiss most of the part-time personnel, with the result that service hours will be reduced 40 percent. He said in an attempt to deal with a budget that was \$75,000 less than what the Library had requested, the library officials had eliminated two new positions and one CETA position, reduced salary increases and eliminated all of the increase for books and related materials.

Mr. Lord said in discussing the problem with the County Commissioners, it was indicated that the County would consider restoring \$17,000 to the projected budget if the City would in turn restore \$13,000. He said these figures reflect a 70-30 division of the total support which was previously agreed upon.

Councilman Michael suggested that the proposal be turned over to the Mayor and City Manager to be discussed with the Chairman of the County Commissioners.

Councilman Rainey moved to instruct the City Manager to allocate an additional \$13,000 from the Contingency Fund to the Library Budget provided the County Commissioners allocate an additional \$17,000 to the Library Budget. This motion was seconded by Councilwoman Price.

Vice-Mayor Horton moved to amend Councilman Rainey's motion to instruct the City Manager to fund the library budget 30% of the total adjusted budget of \$691,220.00. This amendment to Councilman Rainey's motion was seconded by Councilwoman Price and carried unanimously.

The motion made by Councilman Rainey, as amended by Vice-Mayor Horton, carried unanimously.

ORDINANCE NO. 1118 - AN ORDINANCE AMENDING SECTION 15 OF THE REVENUE ORDINANCE (ORDINANCE NO. 1027) OF THE CITY OF ASHEVILLE, INSERTING A CLASSIFICATION FOR REFUSE HAULERS

4. Consideration was given to the second reading of Ordinance No. 1118, an ordinance amending Section 15 of the Revenue Ordinance (Ordinance No. 1027) of the City of Asheville, inserting a classification for refuse haulers.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

The City Manager said at the first reading of the ordinance questions were raised as to whether the license should be charged on a sliding scale in order to prevent a small business from paying such a large fee. He then presented an approach to the sliding scale suggesting that a license fee be charged according to gross sales:

\$10,000	---	\$19.00
10,000-25,000	---	47.00
25,000-50,000	---	94.00
Over 50,000	---	187.50

The City Manager also noted that the Revenue Ordinance should be amended to delete the limousine service classification and adjust the license fee of taxicabs to \$15.00 per annum in order to comply with state laws. He suggested that these amendments be included in the proposed ordinance.

After discussion, it was the consensus of Council to leave the license fee for refuse haulers at a flat \$100 per annum fee.

Councilwoman Price moved to amend Ordinance No. 1118 to include the deletion of the Limousine Service Classification from the Revenue Ordinance and to adjust the license fee of taxicabs to \$15.00 per annum. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1118, as amended passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1118, as amended. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1118, as amended passed on third and final reading.

Complete text of Ordinance No. 1118, as amended, will be found in Ordinance Book No. 9 at page 32.

Thursday - July 12, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman Gene E. Rainey, F. Jack Cole, Ralph D. Morris, Jr., and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Mayor Trantham gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 28, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the June 28, 1979 meeting were approved as submitted.

RESOLUTION NO. 79-142 - RESOLUTION OF APPRECIATION TO THE SINKING FUND COMMISSION FOR BUNCOMBE COUNTY

2. Consideration was given to a resolution of appreciation to the Sinking Fund Commission for Buncombe County.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 79-142 was unanimously adopted.

Complete text of Resolution No. 79-142 will be found in Resolution Book No. 11 at page 238.

ORDINANCE NO. 1117 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 266 SOUTH BEAUMONT STREET, 17 HAMILTON STREET, AND 37 MAGNOLIA AVENUE

3. Consideration was given to the second reading of Ordinance No. 1117, an ordinance directing the Housing Officer to demolish those dwelling houses known as 266 South Beaumont Street, 17 Hamilton Street, and 37 Magnolia Avenue.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1117 passed on second reading.

Mr. Emrick said the Planning Staff had recommended to the Planning and Zoning Commission the following alternatives:

- 1) The proposed zoning change should include the entire Chunn's Cove Area which can be described as having a northern boundary along the present city limits and extending to the existing R-1 Residential District, an eastern boundary along the present city limits, a southern boundary along the present city limits and the existing CH Commercial Highway District, and a western boundary along Vance Gap Road and the existing R-1 Residential District. This area includes the Mountain Brook Subdivision, the Rollingwood Subdivision, some large tracts of land north of Rollingwood and most of the mountain of rock deposited along the east side of Chunn's Cove Road.
- 2) The proposed zoning change should include all the area described in alternative one except for the large tract of land north of Rollingwood. The owner of the large tract has asked not to be changed from R-2 Residential District to R-1 Residential District. The area does contain some nice homes, but the R-2 classification adequately serves the existing needs.
- 3) The proposed zoning change should include only the land that has been platted and recorded as the Mountain Brook Subdivision.

By the use of a map, Mr. Emrick reviewed the property described in the alternatives.

Mr. Emrick said written protest to the rezoning was received from Mr. Glenn Hunnicutt, Mr. and Mrs. Erwin H. Cort, and Asheville Contracting Company. He said with the present opposition the "20% rule" requiring a 3/4 favorable vote of Council would be required, however, in his opinion the "20% rule" would not apply until the second reading of the ordinance due to a provision in the zoning ordinance which requires written protests to be received prior to 48 hours of a public hearing on the issue. He said the protests were not received until today and therefore in his opinion the "20% rule" would not apply on the first reading of the ordinance.

Mr. Emrick further commented that since the properties in question are in litigation, both in federal and state courts, it might be to the City's advantage to table the ordinance, after the public hearing, until the suits in the courts are settled. He said this would keep the City from becoming involved in the law suits.

Corporation Counsel Moore recommended that Council take no action on the rezoning matter until the law suits are settled.

Councilman Rainey suggested that, if Council desires to table action on the matter, Council place a moratorium on apartment houses in the area until some action by the courts are taken on the suits now pending. He said there was a possibility that a permit could be issued for an apartment complex on the property before Council could take action on the rezoning.

Dr. L. E. Metcalf of Chunn's Cove spoke in favor of the rezoning from R-2 to R-1 Residential District. Referring to the "rock pile" created by Asheville Contracting Company, he said the community needs to be protected, by rezoning, from any further damage to the community.

PUBLIC HEARING - CLOSING OF A PORTION OF MADISON STREET WITHIN RIVERSIDE PARK

RESOLUTION NO. 79-143 - RESOLUTION TO CLOSE A PORTION OF MADISON STREET WITHIN RIVERSIDE PARK

5. A public hearing was held relative to closing a portion of Madison Street within Riverside Park.

Mayor Trantham opened the public hearing at 3:17 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing. He also presented an affidavit that the street in question was properly posted. He said the Parks and Recreation Department has requested that a portion of Madison Street within Riverside Park be closed to provide for further development of the park and to eliminate traffic through the park.

Ray Kisiah, Director of Parks and Recreation, described the portion of Madison Street to be closed. He said although the City of Asheville owns all property adjoining the portion to be closed, his staff notified approximately twelve (12) property owners in the area of the intent to close the street.

Mayor Trantham closed the public hearing at 3:20 p. m.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, Resolution No. 79-143 was unanimously adopted.

Complete text of Resolution No. 79-143 will be found in Resolution Book No. 11 at page 239.

PUBLIC HEARING - REZONING PROPERTY IN CHUNNS COVE FROM R-2 RESIDENTIAL DISTRICT TO R-1 SINGLE-FAMILY RESIDENTIAL

ORDINANCE NO. 1121 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

6. A public hearing was held relative to rezoning property in Chunns Cove from R-2 Residential District to R-1 Single-Family Residential.

Mayor Trantham opened the public hearing at 3:24 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Enrick, Planning Director, reported that the Planning and Zoning Commission, at its meeting on June 6, 1979 considered the request of the petitioners to rezone property in the Chunns Cove area from R-2 Residential District to R-1 Single Family Residential District. He said after discussing the issues of the request, the Commission voted to recommend to City Council that property described in Alternative #2 as described in the Planning Staff's Report, plus Lot 12, Sheets 25 and 29, and Lot 17, Sheet 25, Haw Creek Ward (outside the City Limits) be rezoned from R-2 Residential District to R-1 Single-Family Residential District.

Mr. J. O. Buchanan spoke in opposition to rezoning. He said it had been indicated that he had attended the hearing before the Planning and Zoning Commission on the matter and he informed Council that he did not attend the meeting.

Mr. Bill Phieffer, 11 Chunn's View Drive, spoke in favor of the rezoning.

Mayor Trantham closed the public hearing at 4:48 p. m.

Council then discussed excluding the Cort and Hunnicutt property from the proposed rezoning.

Verl Emrick read the ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Councilman Rainey moved for the adoption of Ordinance No. 1121, excluding all of the Cort and Hunnicutt properties from the rezoning. This motion was seconded by Councilwoman Price.

Councilman Morris, due to the advice of the Corporation Counsel and the description of the property being vague, moved to table Ordinance No. 1121. This motion died for the lack of a second.

Corporation Counsel Moore suggested that before the final reading of the ordinance that a more specific description of the property be included in the ordinance, particularly with reference to the Cort and Hunnicutt properties being excluded.

On a roll call vote of 5-2, Ordinance No. 1121 passed on first reading, with Mayor Trantham and Councilman Morris voting "no."

PUBLIC HEARING - REZONING PROPERTY ON NEW LEICESTER HIGHWAY-OWNED BY GREEN HILLS CEMETERY

ORDINANCE NO. 1122 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

7. A public hearing was held relative to rezoning property on New Leicester Highway, owned by Green Hills Cemetery from OI, Office Institutional District to CS Commercial Service District.

Mayor Trantham opened the public hearing at 5:16 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission, at its meeting on June 6, 1979 considered the request of Green Hills Cemetery that a portion of Lot 95 (lying east of the New Leicester Highway), Sheet 17, Ward 6, be rezoned from OI Office-Institutional District to CS Commercial Service District. He said after discussing the issues the Commission voted to recommend to City Council that the property as petitioned, plus the triangular portion of Lot 95 which is west of New Leicester Highway and borders the Old County Home Road and the Asheville Moose Lodge property, be rezoned from OI Office Institutional District to CS Commercial Service District.

Mrs. Lee Phieffer, 11 Chunn's View Drive, spoke in favor of the rezoning. She said the rezoning would prevent any further damage.

Mr. Sam McElroy of Mountain Brook Subdivision, also spoke in favor of the rezoning.

Mr. Herb Moore of Mountain Book Subdivision, spoke in favor of the rezoning. He said the majority of the property owners in Chunn's Cove are in favor of the rezoning. He said he did not see how action by the City Council to rezone the property could interfere with the cases now pending in the courts since they are two separate issues. He requested a unanimous vote of Council in favor of the rezoning.

Ward Hendon, attorney for Asheville Contracting Company, suggested that as long as litigation is pending regarding the waste area of the highway construction project, that no action be taken by the City Council on the petition to rezone the property. He said action by the courts on the suits could affect the rezoning. He said until the cases are settled Council could not determine the best use of the land, which is the intent of zoning property.

Mr. Hendon indicated that Asheville Contracting Company was not advised of the hearing before the Planning and Zoning Commission and therefore was not represented.

Councilman Morris noted that the rezoning petition was filed in March, 1979 and if the owner of the "rock pile" wanted to develop the property prior to Council's action on the rezoning he could have done so. He said he did not think a moratorium on the issuance of permits in the area would be necessary.

Upon inquiry of Vice-Mayor Horton, Mr. Emrick advised that over 200 notifications were mailed out notifying them of the hearing before the Planning and Zoning Commission.

Councilman Michael questioned the legality and technicality of the "20% rule."

Mr. Erwin Cort, owner of a portion of the property proposed to be rezoned, spoke in opposition to the rezoning. He said he was not adequately notified of the hearing before the Planning and Zoning Commission. He said he was opposed to the Planning and Zoning Commission including his property in the rezoning to R-1 Single Family Residential District and opposed to the residents of the area using his property as a buffer. He requested that his property be omitted from the proposed rezoning to R-1 Single Family Residential District.

Mr. Lawrence Hunnicutt of 49 Old Chunn's Cove Road opposed the rezoning.

Mr. Glenn Hunnicutt of Chunn's Cove Road also opposed the rezoning.

Mr. Shelby Horton of Rollingwood Road opposed the rezoning. He said Council should consider the best use of the land and in his opinion the R-1 Single Family Residential District is not the best use of the land.

through the subdivision is in need of extensive repairs to upgrade the line and relieve pressure of overloading. He said Mr. Ron Butler of Butler Associates in a letter dated July 6, 1979 to the City Manager indicated that Butler Associates will install an eight inch sewer line from their connecting point inside their property in a westerly direction to the existing Haw Creek Collection line. He said this eight inch line will replace the existing six inch line and will be installed in the same easement. The installation of this new line will conform to the following:

- 1) The City of Asheville is to insure right-of-way and permission to work on easement across other property owners.
- 2) Work and materials to conform to the City of Asheville's specifications.
- 3) City of Asheville is to reimburse Butler Associates the cost of upgrading the six inch line and they will pay the remaining cost of materials and installation of the eight inch line. The reimbursement is due to the Pinedale sewer line being top priority on the City's list for repairs and the City's requirement that Butler Associates increase the size to an eight inch line.

Mr. Emrick said Butler Associates have agreed under the above conditions to replace the six inch line with an eight inch line for a distance of approximately 750'.

Bill DeBruhl, Water and Sewer Director, recommended that Council approve the conditions for the replacement of the six inch sewer line by Butler Associates. He said the Pinedale Sewer is a top priority on the City's list for repairs and he has earmarked \$40,000 to upgrade the entire Pinedale Sewer. He said about \$3,000 of this cost would be absorbed by Butler Associates if Council approves the subdivision with the conditions outlined by Mr. Butler.

Councilwoman Price moved to approve the final plat of the Pinedale Subdivision on the condition that Butler Associates install the eight inch sewer line as outlined in his letter to the City Manager dated July 6, 1979. This motion was seconded by Councilman Morris and carried unanimously.

FUNDING APPROVED FOR PINEDALE SEWER LINE

10. After discussion, Councilwoman Price moved to allocate \$40,000 of the Water and Sewer Budget for the upgrading and repairs to Pinedale Sewer Line. This motion was seconded by Councilman Rainey and carried unanimously.

BUDGET AMENDMENT - FUNDING FOR STREET PAVING AND WATER FUND CAPITAL IMPROVEMENTS

11. The City Manager presented the following budget amendment to be considered by Council. He said this budget amendment is the result of funds received from the Sinking Fund Commission.

That the City of Asheville Fiscal 1979/80 Operating Budget be amended as follows:

General Fund	Increase (Decrease)
Appropriations:	
General Debt Service	
Contributions to other Funds	(\$626,316)

Mr. Farick, by the use of a map, reviewed the location of the property to be rezoned. He said the owner of the property wishes to develop a shopping center on the site. He said there has been no opposition voiced relative to the rezoning request.

Mayor Trantham closed the public hearing at 5:20 p. m.

Verl Emrick, Planning Director, read the ordinance.

Councilwoman Price moved to adopt Ordinance No. 1122. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1122 passed on first reading.

ORDINANCE NO. 1123 - AN ORDINANCE AMENDING THE SANITATION CODE OF THE CITY OF ASHEVILLE

8. Consideration was given to an ordinance amending the Sanitation Code of the City of Asheville.

The City Manager read the ordinance stating that this would amend the Sanitation Code relative to the specifications for capacity of the rollout containers to provide a capacity of 80-100 gallons instead of 90-100 gallons.

Councilwoman Price moved for the adoption of Ordinance No. 1123. This motion was seconded by Councilman Cole.

On a roll call vote of 7-0, Ordinance No. 1123 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1123. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1123 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1123. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1123 passed on third and final reading.

Complete text of Ordinance No. 1123 will be found in Ordinance Book No. 9 at page 38.

APPROVAL OF PINEDALE SUBDIVISION

9. Consideration was given to the approval of the Pinedale Subdivision.

Verl Emrick, Planning Director, said the Pinedale Subdivision is located in Haw Creek off Bull Mountain Road and is being developed by Butler Associates. He said the subdivision includes nineteen (19) lots. He said the Planning Board approved the preliminary plat on April 4, 1979. He said a letter was received from the Street Department indicating that the streets in the subdivision were placed in a correct manner. He said the existing six (6) inch sewer line running

BUDGET AMENDMENT - SUPPORT FOR ART MUSEUM

13. The City Manager presented the following budget amendment:

That the City of Asheville Fiscal 1979-80 Operating Budget be amended as follows:

Civic Center Fund

Revenues:

Contribution from other funds	\$10,324
-------------------------------	----------

Appropriations:

Salaries and Wages	\$ 7,259
FICA	445
Group Insurance	420
Janitorial Supplies	1,000
Contracted Services	<u>1,200</u>
	<u>\$10,324</u>

This amendment would be to restore funding for direct support of the Art Museum.

Councilman Cole moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried on a voice vote of 6-1, with Councilman Rainey voting "no."

Councilman Rainey was excused from the meeting at 5:41 p. m.

NAMING OF STREET AS OLD ASHELAND AVENUE

14. The City Manager reported that the Community Development/Housing Authority Liaison Committee has recommended that a section of street from the intersection of Tolula Lane behind Hart's Funeral Home to an existing cul-de-sac at the end of the street to Old Asheland Avenue due to two houses remaining on the particular street in the course of the Urban Renewal Redevelopment.

Councilwoman Price moved to accept the recommendation of the Community Development/Housing Authority Liaison Committee to name that section of street, as described by the City Manager, to "Old Asheland Avenue." This motion was seconded by Councilman Cole and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

15. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

Streets	
Contracted Construction	500,000
Nondepartmental Contingency	<u>126,316</u>
Water Fund	
Department wide expense	
Debt Service - Bond Payments	100,859
Capital Improvement Reserve	<u>100,859</u>

This amendment would be to reduce Fiscal 1979/80 debt service appropriations and to provide funding for street paving and to reflect a return to the General and Water Funds of interest earnings on debt service fund investments.

Councilman Rainey moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

BUDGET AMENDMENT - FUNDING FOR OUTSIDE AGENCIES

12. The City Manager presented the following budget amendment to fund the outside agencies at the same level of funding as Fiscal 1978-79.

That the City of Asheville Fiscal 1979-80 Operating Budget be amended as follows:

General Fund	Increase (Decrease)
<u>Appropriations:</u>	
Nondepartmental Contingency	(\$59,639)
<u>Inter/Extra Government Services:</u>	
Contingency	\$67,782
WNC Development Corporation	(2,500)
Buncombe County Rescue Squad	(2,500)
Community Relations Council	<u>(3,143)</u>

This amendment would restore funding to outside agencies at the Fiscal 1978/79 funding levels.

Upon inquiry of Councilwoman Price, the City Manager reported that the City Staff had investigated these agencies to determine if they legally qualified for city funds and it was determined that they were. He said, however, that the City would be requiring a contract with the agencies before any funding is made.

Councilman Cole moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried on a voice vote of 6-1, with Councilman Rainey voting "no."

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, the consent agenda was unanimously approved.

CLAIMS - MRS. GEORGE SHERLIN

The City Manager presented the following claims received from Mr. W. R. Swearingan, Facility Services Superintendent:

Following individual has a claim against the City of Asheville for damage:

Mrs. George Sherlin
40 Harnett Street
West Asheville, N. C.

Sewer back-up - property damage

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 79-149 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH W & W CONTRACTORS, INC., FOR THE PROJECT KNOWN AS WESTOVER-PEARSON DRIVE 8-INCH SEWER LINE

Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with W & W Contractors, Inc. for the project known as Westover-Pearson Drive 8-inch sewer line.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Michael, Resolution No. 79-149 was unanimously adopted.

Complete text of Resolution No. 79-149 will be found in Resolution Book No. 11 at page 248.

AUDITS - APPALACHIAN REGIONAL GRANT FUND PROGRAM/CHARLOTTE HIGHWAY WATER LINE-COMMUNITY DEVELOPMENT BLOCK GRANT

The City Manager reported that audits have been received for the Appalachian Regional Grant Program/Charlotte Highway Water Line and the Community Development Block Grant. He said copies of the audits are available for inspection.

J. E. JOHNSON RECOGNIZED - AWARDED BUILDING INSPECTOR OF THE YEAR

Mr. J. E. Johnson, Director of Inspections, was recognized for receiving the "Building Inspector of the Year" Award which was presented during the North Carolina Building Inspector's Association Convention in June.

ENDORSEMENT OF PROMOTION PROGRAM SPONSORED BY THE ASHEVILLE REVITALIZATION COMMISSION

Verl Emrick, Planning Director, advised that the Asheville Revitalization Commission is sponsoring a promotional program on August 9, 10, and 11, 1979 in the downtown area. He said this would require the closing of a portion of Haywood Street from Haywood Street and Page Avenue to the Library. He said included in the program will be arts, cultural arts, street vendors, etc. He said this would require several thousand dollars for advertisements and promotional activities.

- A. Resolution No. 79-144 - Resolution authorizing the Mayor to execute a right-of-way agreement with the North Carolina Department of Transportation concerning an 8-inch water main.

HIGHLIGHTS: This encroachment agreement with the North Carolina Department of Transportation is for the 8-inch water main under S. R. 3526 which will service Airport Plaza, a commercial development.

Resolution Book No. 11 Page 242

- B. Resolution No. 79-145 - Resolution of intent to close a portion of Alabama Avenue and calling a public hearing on the question for August 16, 1979.

HIGHLIGHTS: A petition has been received from Charles Leroy Sherlin and wife, Betty McKinney Sherlin to close a portion of Alabama Avenue. With the exception of the State Highway Commission, petitioners are the owners of all property adjacent to the portion of Alabama Avenue requested to be closed. Alabama Avenue was closed by the State Highway Commission on November 8, 1963 and has not been maintained by the City of Asheville since April, 1961.

Resolution Book No. 11 Page 243.

- C. Resolution No. 79-146 - Resolution authorizing the City Manager to accept an easement and maintenance of Crestwood Lane.

HIGHLIGHTS: The residents of Crestwood Lane has presented an executed easement and request the City of Asheville to maintain Crestwood Lane as a city street since it is the most feasible means of access to Lot 41-C.

Resolution Book No. 11 Page 245.

- D. Resolution No. 79-147 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Hobson Construction Company, Inc., for the project known as Rosscraggon-Appian Way 8-inch water line.

HIGHLIGHTS: Hobson Construction Company is the low bidder for installation of the 8-inch water line, in the amount of \$19,804.50. Funding for the project: 31-50-857-0-35-0041.

Resolution Book No. 11 Page 246

- E. Scheduling of a public hearing to amend Ordinance No. 954 amending the role of the Asheville Revitalization Commission for August 9, 1979.

- F. Resolution No. 79-148 - Resolution approving the Land-of-Sky Regional Council Regional Housing Opportunity Plan.

Resolution Book No. 11 Page 247

Thursday - July 19, 1979 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman Gene E. Rainey, F. Jack Cole, Ralph D. Morris, Jr., and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Vice-Mayor Bill B. Horton gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the July 12, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the July 12, 1979 meeting were approved as submitted.

RESOLUTION NO. 79-150 - RESOLUTION IN MEMORY OF CARTER M. PRESLAR

2. Consideration was given to a resolution in memory of Carter M. Preslar, a former member of the Asheville City Council.

Councilman Morris read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Cole, Resolution No. 79-150 was unanimously adopted.

Complete text of Resolution No. 79-150 will be found in Resolution Book No. 11 at page 249.

PROCLAMATION - "BELE CHERE DAYS" - AUGUST 9, 10, 11, 1979

3. Mayor Trantham proclaimed August 9, 10, and 11, 1979 as "Bele Chere Days" in the City of Asheville.

Jim Daniels, of the Revitalization Commission, explained that "Bele Chere" is for beautiful living and the Revitalization Commission is sponsoring a special celebration in downtown on August 9, 10, and 11, 1979.

ORDINANCE NO. 1117 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 266 SOUTH BEAUMONT STREET, 17 HAMILTON STREET, AND 37 MAGNOLIA AVENUE

4. Consideration was given to the third reading of Ordinance No. 1117, an ordinance directing the Housing Officer to demolish those dwelling houses known as 266 South Beaumont Street, 17 Hamilton Street and 37 Magnolia Avenue.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1117 passed on third reading.

Complete text of Ordinance No. 1117 will be found in Ordinance Book No. 9 at page 29.

The City Manager said before granting permission to close the street he would require merchants on the street to sign a statement that they have no objection to the closing. He said the street vendors would be limited to downtown merchants. He suggested that Council endorse the program.

Councilwoman Price moved that the Asheville City Council support the promotional program, sponsored by the Asheville Revitalization Commission, for August 9, 10, and 11, 1979. This motion was seconded by Councilman Cole and carried unanimously.

Adjournment.

Raymond W. Harrison *Marian F. Holcomb*
MAYOR CITY CLERK

ORDINANCE NO. 1122 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (New Leicester Highway - Green Hills Cemetery)

6. Consideration was given to the second reading of Ordinance No. 1122, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property on New Leicester Highway from OI, Office Institutional District to CS Commercial Service District.

Mayor Trantham advised that the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1122 passed on second reading.

ORDINANCE NO. 1124 - AN ORDINANCE CONCERNING ALARM SYSTEM BUSINESSES, SYSTEMS AND USERS WITHIN THE CITY OF ASHEVILLE

7. Consideration was given to an ordinance concerning alarm system businesses, systems and users within the City of Asheville.

Chief Tucker, Chief of Police and Verl Emrick, Planning Director read the ordinance.

Ralph Bishop spoke in opposition to the ordinance.

Mr. T. C. Barnes of Asheville Telephone Answering Service, spoke in support of the ordinance. He said the monitoring of alarms should be the responsibility of private enterprise.

Mr. Steve Johnson of Southern Burglary Alarm Systems of Hendersonville spoke in favor of the private monitoring of alarms. He questioned whether or not the ordinance would permit monitoring of alarms by outside firms such as in Hendersonville or even out-of-state monitoring businesses.

Mr. Johnson proposed an amendment to the ordinance in Section 4 (B) (2) in that four false alarm days would be allowed within a six month period even though a permit has been revoked on a previous occasion.

Councilman Morris said, if it is legal, he would be in favor of requiring that alarms be monitored by local businesses.

Councilman Michael was excused from the meeting at 4:10 p. m.

Mr. Charles Culp of Bristol Electronics, spoke in favor of the ordinance. He said, if alarms are monitored by outside firms or even out-of-state businesses there would be no loss of communications. He requested that Council make the effective date of the ordinance nine (9) months from the date of adoption in order to give businesses time to comply with the ordinance.

Mr. Jim Brown of Brown Alarm Systems of Asheville, spoke in favor of the ordinance. He said he would be in favor of the amendment proposed by Mr. Steve Johnson.

131

ORDINANCE NO. 1121- AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (CHUNNS COVE AREA)

5. Consideration was given to the second reading of Ordinance No. 1121, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended rezoning property in the Chunns Cove area from R-2 Residential District to R-1 Single Family Residential District.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Councilman Morris moved to table Ordinance No. 1121, noting that the City Attorney has suggested that Council defer action on the rezoning until suits in the federal and state courts relative to the property in question, are settled. This motion died for the lack of a second.

Verl Emrick, Planning Director, reviewed the amendments made to the ordinance during the first reading, noting that the Cort and Hunnicutt properties were excluded from the rezoning. He said Mr. Cort has withdrawn his protest, therefore the "20% rule" or 3/4 favorable vote would not apply. He said it would only require a simple majority vote of Council to pass the ordinance.

Mr. Emrick said during the Council agenda session on Tuesday, Council requested several amendments to Ordinance No. 1121. He then read the revised ordinance incorporating the amendments requested by Council.

Councilwoman Price moved to amend Ordinance No. 1121 as read by the Planning Director. This motion was seconded by Councilman Rainey and carried unanimously.

Ward Hendon, attorney representing Asheville Contracting Company, said his client is the owner of the property proposed to be rezoned. He said if Council rezones the property they would be doing so against the will of the property owner. He again contended that Council should consider the best use of the land.

Mr. Hendon questioned whether or not a written protest opposing the rezoning can be verbally withdrawn since the Zoning Ordinance requires a written protest. Mr. Hendon was referring to the Cort's protest being withdrawn verbally.

Mr. Hendon further commented that he had been in contact with Mr. Bob Long, the attorney representing the homeowners in Chunn's Cove regarding the law suits now pending in the state and federal courts. He said they are pursuing a compromise or a solution that would satisfy both the homeowners and Asheville Contracting Company.

Mr. Herb Moore of Chunns Cove spoke in favor of the rezoning.

On a roll call vote of 6-1, Ordinance No. 1121, as amended, passed on second reading with Councilman Morris voing "no."

Councilwoman Price moved to postpone the third reading of Ordinance No. 1121 until August 2, 1979. This motion was seconded by Councilman Cole and carried unanimously.

Councilman Michael requested that Mr. Emrick contact Mr. Cort, Mr. Hunnicutt, and Asheville Contracting Company and obtain written statements as to their position on the rezoning.

Councilwoman Price moved for the adoption of Resolution No. 79-152 with the provision that the Tree Commission, through its Chairman or Anthony Lord, is assured that the tree will not be permanently damaged by and during the construction of the bus shelter. This motion was seconded by Councilman Rainey and carried unanimously.

Complete text of Resolution No. 79-152 will be found in Resolution Book No. 11 at page 251.

RESOLUTION NO. 79-153 - RESOLUTION CHANGING THE REGULAR TIME OF THE CITY COUNCIL MEETING

10. Consideration was given to a resolution changing the regular time of the City Council meeting.

The City Manager read the resolution changing the regular time of the City Council meeting from 3:00 p. m. on Thursday to 4:00 p. m. each Thursday.

Upon motion of Councilman Cole, seconded by Councilman Rainey, Resolution No. 79-153 was unanimously adopted.

Complete text of Resolution No. 79-153 will be found in Resolution Book No. 11 at page 252.

RESOLUTION NO. 79-154 - RESOLUTION REQUESTING THAT THE SOUTHERN RAILWAY STATION IN BILTMORE NOT BE DEMOLISHED

11. Consideration was given to a resolution requesting that the Southern Railway Station in Biltmore not be demolished.

Verl Emrick read the resolution. He said it was brought to the attention of Council that a notice appears on the door of the Southern Railway Station in Biltmore relative to the selling or dismantling of the building. He said Council directed that a resolution be prepared requesting that the Station not be demolished due to the historic value of the station and hopes that passenger service could be restored to the area.

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 79-154 was unanimously adopted.

Complete text of Resolution No. 79-154 will be found in Resolution Book No. 11 at page 253.

APPROVAL OF SIGN PERMITS - NEAGLE SIGN COMPANY

12. Consideration was given to the approval of six (6) sign permits for Neagle Sign Company.

Mr. V. B. Bradley, of the Inspections Division, reported that Neagle Sign Company has requested approval of six (6) sign permits which will be within 600 feet of an expressway. He then reviewed the location of each sign.

It was the consensus of Council that the proposed amendments be incorporated in the ordinance and presented on the second reading.

Councilman Rainey moved for the adoption of Ordinance No. 1124. This motion was seconded by Councilwoman Price.

On a roll call vote of 6-0, Ordinance No. 1124 passed on first reading.

RESOLUTION NO. 79-151 - RESOLUTION ACCEPTING THE HIGH BID AND AUTHORIZING THE SALE OF THE PACK MEMORIAL LIBRARY BUILDING

8. Consideration was given to a resolution accepting the high bid and authorizing the sale of the Pack Memorial Library Building.

The City Manager read the resolution and explained that William C. Morris, Jr. and James N. Golding submitted the last and highest bid in the sum of \$122,250.00. He said this resolution will authorize the acceptance of the bid and authorize the Mayor to execute the documents for the sale of the library.

Upon inquiry of Council, Bill Morris said his firm's lease expires on December 31, 1979 and they would have to be out of their present quarters by then. He said the building would have to be designated as a historical building before any renovations are made in order to receive tax benefits. He said the designation should take about thirty (30) days.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-151 was unanimously adopted.

Complete text of Resolution No. 79-151 will be found in Resolution Book No. 11 at page 250.

RESOLUTION NO. 79-152 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO A CONTRACT WITH LIPE AND STAHL CONSTRUCTION COMPANY FOR CONSTRUCTION OF A BUS SHELTER AT PRITCHARD PARK

9. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into a contract with Lipe and Stahl Construction Company for construction of a bus shelter at Pritchard Park.

Verl Emrick, Planning Director, read the resolution explaining that the City of Asheville has received federal and state grant funds to be matched with local funds for the purpose of designing and constructing a bus shelter complex. He said Lipe and Stahl Construction Company submitted the low bid in the amount of \$22,729.00 for the construction of the bus shelter complex. He said the project would be completed within 120 days of notification to the contractor. He said there had been concerns expressed about the tree presently located in the park. He said the height and construction of the complex would not interfere with the tree.

Bill Moore, architect for the project, answered general questions of Council relative to the construction, security and the tree in the park. He said he has corresponded with members of the Tree Commission relative to the present condition of the tree. He said the contractor may have to remove a tree limb for the construction.

APPROVAL OF SIGN PERMIT - TELCO CREDIT UNION - 7 ORCHARD STREET

14. Consideration was given to the approval of a sign permit for Telco Credit Union for an identification sign at 7 Orchard Street (Ward 2, Sheet 2, Lot 186-187) which is within 600 feet of an expressway requiring the approval of the Council.

Mr. V. B. Bradley, of the Inspections Division, reviewed the location of the proposed sign.

After discussion, Councilman Cole moved for the approval of a sign permit for Telco Credit Union at 7 Orchard Street. This motion was seconded by Councilwoman Price and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

15. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 79-155 - Resolution authorizing the Mayor to sign a contract with the State of North Carolina, Department of Human Resources Division of Health Services, for the fiscal year 1978-79 Water System Improvements Project.

HIGHLIGHTS: Resolution 78-207 authorized the filing of an application for State Water Bond funds for the FY '78 x '79 Water System Improvements Project. The total cost of the project is \$279,800.00. This will authorize the Mayor to sign any and all documents relative to the contract and implementation of the program.

Resolution Book No. 11 Page 254

- B. Approval of bids received July 2, 1979, for Chemicals for Treatment of Water, Fiscal Year July 1, 1979 through June 30, 1980.

HIGHLIGHTS: Twelve (12) bids were received.
Recommendation of awards as follows:

Moreland-McKesson Chemical Co.- Spartanburg, S. C.	
Item #1 - Liquid Chlorine	Approximately 200,000 pounds
@ \$11.50/CWT	\$23,000.00
Item #2 - Caustic Soda 50%	Approximately 400,000 pounds
@ \$6.90/CWT	\$27,600.00

Council then reviewed each sign and voted individually on the following signs:

- (1) 12' x 50' billboard sign- Riverside Drive Ward 3, Sheet 6, Lot 35-1/2

After discussion, Councilman Morris moved for the approval of the 12' x 50' billboard sign to be located on Riverside Drive. This motion was seconded by Councilman Cole and carried on a voice vote of 4-2, with Councilwoman Price and Councilman Rainey voting "no."

- (2) 12' x 25' - Outdoor advertising sign - Tunnel Rd. at Chunns Cove Road - Ward 8, Sheet 25, Lot 24

After discussion, Councilman Cole moved to approve the sign permit for a 12' x 25' outdoor advertising sign at Tunnel Road and Chunns Cove Road. This motion was seconded by Councilman Rainey and carried unanimously.

- (3) 14' x 48' - 3 S. Tunnel Road - billboard sign - Ward 8, Sheet 21, Lot 12

After discussion, Councilman Morris moved for the approval of the 14' x 48' billboard sign to be located at 3 S. Tunnel Road. This motion was seconded by Councilman Cole. The motion was defeated on a 3-3 voice vote, with Mayor Trantham, Councilmen Morris and Cole voting "aye" and Vice-Mayor Horton, Councilwoman Price, and Councilman Rainey voting "no." *(approved on 8/16/79)*

*** Councilman Rainey was excused from the meeting at 5:25 p. m.

- (4) 14' x 48' - I-240 Ward 7, Sheet 51, Lot 38

After discussion, Councilman Morris moved to table action on the sign permit until I-240 is complete. This motion was seconded by Councilman Cole and carried unanimously.

- (5) 14' x 48' - I-240 - Ward 8, Sheet 21, Lot 12

After discussion, Councilman Morris moved to table action on the sign permit until I-240 is complete. This motion was seconded by Councilman Cole and carried unanimously.

- (6) 300 square foot sign - U. S. 74 - Ward 7, Sheet 51, Lot 37

After discussion, Councilman Morris moved for the approval of the 300 square foot sign to be located on U. S. 74. This motion was seconded by Vice-Mayor Horton and carried unanimously.

APPROVAL OF SIGN PERMIT - LEE TOWERY - 34 ORCHARD STREET

13. Consideration was given to the approval of a sign permit for Mr. Lee Towery at 34 Orchard Street (Ward 2, Sheet 2, Lot 173) which is within 600 feet of an expressway.

Mr. V. B. Bradley of the Inspections Division, reviewed the location of the proposed sign.

After discussion, Councilwoman Price moved to approve the sign permit for Lee Towery at 34 Orchard Street. This motion was seconded by Councilman Cole and carried unanimously.

- G. Resolution No. 79-158 - Resolution appointing members to the Planning and Zoning Commission.

HIGHLIGHTS: Mrs. Pauline Tennant, Mr. Cleatus B. Tate, Mr. William C. Frue, Mr. Steve Mitchell were reappointed the Planning and Zoning Commission.

Resolution Book No. 11 Page 257.

- H. Resolution No. 79-159 - Resolution appointing members to the Asheville-Buncombe Historic Resources Commission.

HIGHLIGHTS: Mr. Frank Cox, Mr. William F. Wolcott, III, Mr. Mike Cox, Mr. Michael Hull, and Ms. Betty Lawrence were appointed to the Commission.

Resolution Book No. 11 Page 258.

- I. Resolution No. 79-160 - Resolution appointing members to the Library Board.

HIGHLIGHTS: Mrs. Charles Frank and Mr. Walter McGuire were reappointed to the Library Board.

Resolution Book No. 11 Page 259.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously adopted.

VICE-MAYOR HORTON - ILLEGAL MUFFLERS

Vice-Mayor Horton said he had read about a new device in Evansville, Indiana that could easily detect illegal mufflers. He requested that the City Manager obtain all the information he could about the device and to determine if it would be beneficial to the City of Asheville.

CLAIMS - MS. CATHY McDARIS

The City Manager presented the following claim received from Mr. W. R. Swearngan, Facility Services Superintendent:

Following individual has a claim against the City of Asheville for damage:

Ms. Cathy McDaris
158 Glendale Avenue
Asheville, N. C.

Damage to automobile, hit hole in street

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

Thompson-Hayward Chemical Co. - Thomasville, N. C.

Item # 3 - Liquid Hydrofluosilicic Acid - Approximately 280,000 pds
 @ \$60.90/Ton \$8,526.00

Calgon Corporation - Pittsburgh, Pa.

Item #4 - Dry Zinc Polyphosphate - Approximately 105,000 pounds
 @\$0.4545/Pound \$47,722.50

Nalco Chemical Co. - Oakbrook, Ill.

Item #5 - Liquid Cationic Polyelectrolyte - Approximately 36,000
 @ \$0.2784/Pound pds- \$10,022.40

Funding: Chemical and Laboratory Supplies Account Code:
 30-5-731.0032

- C. Scheduling of a public hearing relative to an amendment to the Community Development Block Grant Application for August 9, 1979.

- D. Approval of bids received July 2, 1979 for an estimated six (6) months requirements for cast iron water main fittings for the Water and Sewer Department.

HIGHLIGHTS: Recommendation of lowest responsive bidder on all items.

Funding: Water and Sewer Operations Fund- Inventory Stock
 Funding: 30-140

- E. Resolution No. 79-156 - Resolution authorizing the submission of an application to the Buncombe County Employment and Training Office for Comprehensive Employment Training Act funds for fiscal year 1979-80.

HIGHLIGHTS: This will allow authorization to submit an application to the Buncombe County Employment Training Office for CETA funds.

Resolution Book No. 11 Page 255

- F. Resolution No. 79-157 - Resolution appointing members of the Board of Electrical Examiners and Board of Motion Picture Operators.

HIGHLIGHTS: Mr. Frank Davis, Mr. Larry Keenan, Mr. Walter Harlow, Mr. J. Michael Boozer, and Mr. Malachie Cromartie were appointed as members of the Board of Electrical Examiners.

Mr. L. B. Simmons and Mr. Roy Gibbs were appointed as members of the Board of Motion Picture Operators.

Resolution Book No. 11 Page 256

PETITION - RATES AT MALVERN HILLS POOL

The City Manager presented a petition from residents of West Asheville who swim at Malvern Hills Pool complaining about the increase in rates and the rental of locker space.

It was the consensus of Council that the petition be submitted to the Parks and Recreation Advisory Board for investigation and recommendation.

Vice-Mayor Horton requested that action be taken on the petition as soon as possible.

JACKIE KETTLESON - CERTIFICATE OF OCCUPANCIES FOR DWELLINGS

Jackie Kettleson, a local realtor, said she was having problems with the issuance of Certificate of Occupancies for houses. She said the present law is unequitable for realtors and brokers compared to private homeowners. She said a "double standard" should be used in that it was almost impossible to bring an old house up to new home standards.

It was the consensus of Council that the Mayor would appoint a committee to review the present ordinance relative to Certificate of Occupancies.

Vice-Mayor Horton requested that Council have a work session on the ordinance.

RALPH BISHOP - REDRESS OF COUNCIL

Ralph Bishop spoke to Council relative to redress from Council.

Adjournment.

Ray H. Horton
MAYOR

Marian J. Volante
CITY CLERK

RESOLUTION NO. 79-161 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE WATER LINES IN GLEN MEADOWS SUBDIVISION

Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the water lines in Glen Meadows Subdivision.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, Resolution No. 79-161 was unanimously adopted.

Complete text of Resolution No. 79-161 will be found in Resolution Book No. 11 at page 260.

RESOLUTION NO. 79-162 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE WATER LINES IN MUIRFIELD SUBDIVISION

Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the water line in Muirfield Subdivision.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, Resolution No. 79-162 was unanimously adopted.

Complete text of Resolution No. 79-162 will be found in Resolution Book No. 11 at page 261.

RESOLUTION NO. 79-163 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE WATER LINES IN TURNBERRY SUBDIVISION

Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the water lines in Turnberry Subdivision.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, Resolution No. 79-163 was unanimously adopted.

Complete text of Resolution No. 79-163 will be found in Resolution Book No. 11 at page 262.

PETITION - RESIDENTS OF SYLVAN AVENUE -REQUESTING SIGNS AND SPEED BREAKERS

The City Manager presented a petition received from residents of Sylvan Avenue requesting signs and speed breakers. He said the petition would be submitted to the Department of Public Works for investigation.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Chief Tucker said a new provision has been added to the ordinance, since the first reading, Section 3B. He said the purpose of this new sub-section is to impose an alarm monitoring fee to alarm users whose systems are monitored by the Police Department. A fixed rate or formula for setting the rate is not included. This will allow changing the rate and/or manner in which it is determined according to future needs without having to amend the ordinance. The current intention is to survey rates charged by local alarm monitoring agencies, and set the City rate at the private rate average. Preliminary research indicates that a City charge ranging from between \$8.00 and \$12.00 per month per alarm system would be a fair and equitable charge. Currently there are 70 alarm users that meet the criteria set in Section 3A, to continue to have their systems monitored by the Police. These include, 34 Banks (includes branch banks); 6 Savings and Loan Associations; 11 State agencies (8 ABC Stores, SBI, National Guard, and State Employees Credit Union); 17 City owned systems; and 2 Federal systems (FBI and Army Reserve). It is expected that billing would occur pursuant to administrative procedures adopted at a later date.

He said in Section 4 Sub-section B.(2) the wording has been changed from, "... that if two or more false alarms occur within the next six month period, the permit will be revoked as herein provided."; to ".... that if two or more false alarm days occur within the next six month period, the permit may be revoked as herein provided." It is felt that to increase the number of false alarm days allowed during the second six month period would merely delay corrective action.

He said in Sub-section B.(3) of Section 4, the wording has been changed from " or if two or more false alarms are...." to "..... or if two or more false alarm days are...." Also in Subsection B. (6) "Alarm System Company" has been changed to "Alarm System Business." He said the last two amendments were made at the request of the businesses during the first reading of the ordinance.

Councilwoman Price said she would be in favor of making the effective date of the ordinance nine (9) months after adoption in order to give the businesses and users time to comply with the ordinance.

Vice-Mayor Horton moved to amend Ordinance No. 1124 to incorporate the changes as presented by Chief Tucker and to make the effective date of the ordinance nine (9) months after adoption. This motion was seconded by Councilwoman Price and carried unanimously.

Mr. David Ivey, Carolina Business Equipment, questioned how the ordinance would save the City money.

Chief Tucker explained the ways in which it would save money. He said it would particularly save money administratively.

Thursday, July 26, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton
Councilwoman Norma T. Price and Councilman Otis B. Michael, Corporation Counsel
William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk
William F. Wolcott, Jr.

Absent: Councilmen Gene E. Rainey, F. Jack Cole and Ralph D. Morris, Jr.

INVOCATION

Councilman Otis B. Michael gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the July 19, 1979 meeting.

The City Clerk noted that Councilman Rainey had called in an amendment to the minutes which would be noted in the minutes.

Councilwoman Price moved for the approval of the minutes of the July 19, 1979 meeting with the amendments noted by the City Clerk. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 1122 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (New Leicester Highway - Green Hills Cemetery)

2. Consideration was given to the third reading of Ordinance No. 1122, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property on New Leicester Highway from OI, Office Institutional District to CS Commercial Service District.

Mayor Trantham advised that the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 1122 passed on third and final reading.

Complete text of Ordinance No. 1122 will be found in Ordinance Book No. 9 at page 37.

ORDINANCE NO. 1124 - AN ORDINANCE CONCERNING ALARM SYSTEM BUSINESSES, SYSTEMS AND USERS WITHIN THE CITY OF ASHEVILLE

3. Consideration was given to the second reading of Ordinance No. 1124, an ordinance concerning alarm system businesses, systems and users within the City of Asheville.

BIDS - BULK CONTAINER REFUSE COLLECTION FOR VARIOUS CITY DEPARTMENTS

6. Consideration was given to bids received July 9, 1979 for bulk container refuse collection for various city departments.

The City Manager said when it was determined that the City would no longer be in the bulk container business this item was let out to bid on July 9, 1979 and the low bid was received from Asheville Sanitation Service Company (ASSCO) in the amount of \$5.25 per unit per pickup. He said the City had to determine which agencies would be included in the contract. He said it was decided that the contract would not accommodate the Asheville City Schools or the Asheville Housing Authority because no money was budgeted for this service.

Mr. Mike Smith, Director of Administration, said during a meeting with the agencies it was decided that the Asheville City Schools and the Asheville Housing Authority would negotiate their own contract with ASSCO based on the low bid price. He said the amount estimated for the city departments is approximately \$6,344.00. He said the amount could be reduced by the elimination of some of the city units.

Councilwoman Price moved to approve the bid received from ASSCO in the amount of \$5.25 per unit per pickup. This motion was seconded by Vice-Mayor Horton and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

7. The City Manager noted that the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 79-166 - Resolution authorizing the Mayor to execute agreement terminating United Air Lines' Tank Farm Lease at Asheville Airport.

HIGHLIGHTS: United discontinued air service to the Asheville Airport effective March 8, 1979 and has ceased using the tank farm. United has requested a formal termination of said Tank Farm Agreement.

Resolution Book No. 11 at page 265 .

149

Mr. Steve Johnson, Southern Burglary Alarm Business, said he had contacted the attorney which represents the Burglary Alarm Association and the attorney said in general it was a good ordinance. He said the attorney did question the provision in Section 3 which provides that certain alarm users would be allowed to continue to have their systems monitored by the Police Department. He said this might leave the City of Asheville open to a law suit on the grounds of being unconstitutional.

Mr. Ralph Bishop asked why the monitoring of alarms cost the City \$80,000.

On a roll call vote of 4-0, Ordinance No. 1124, as amended, passed on second reading.

RESOLUTION NO. 79-164 - RESOLUTION ESTABLISHING FILING FEE FOR 1979 ASHEVILLE MUNICIPAL PRIMARY AND ELECTION

4. Consideration was given to a resolution establishing filing fee for 1979 Asheville Municipal Primary and Election.

The City Manager read the resolution. He said he had received a letter from Mr. William D. Britt, Chairman of the Buncombe County Board of Elections advising that N.C.G. S. 163-291(3) requires that the governing body of a municipality set the filing fee for the primary. He said the deadline for that resolution is the Friday before the eighth Saturday before the primary, which would be August 3rd. The above mentioned statute gives the Council the authority to set the filing fee at not less than five dollars (\$5.00) nor more than one percent (1%) of the annual salary of the office sought. He said the proposed resolution sets the filing fee at \$18.00.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-164 was unanimously adopted.

Complete text of Resolution No. 79-164 will be found in Resolution Book No. 11 at page 263

RESOLUTION NO. 79-165 - RESOLUTION AUTHORIZING THE PARKS AND RECREATION ADVISORY BOARD TO ESTABLISH ANNUAL PERMITS FOR ASTON PARK TENNIS COURTS

5. Consideration was given to a resolution authorizing the Parks and Recreation Advisory Board to establish annual permits for Aston Park Tennis Courts.

The City Manager presented a letter received from Mr. William Pfeiffer, Vice-Chairman of the Parks and Recreation Advisory Board, which stated that the Asheville Parks and Recreation Advisory Board, at its meeting on July 11, 1979, voted unanimously to ask City Council for permission to institute an annual playing permit at Aston Park Tennis Courts, the cost of said permit to be not less than fifty (\$50) dollars, and that the Advisory Board be empowered to establish such a permit at the rate and time which they feel is in the best interest of the City of Asheville. The City Manager then read the resolution.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 79-164 was unanimously adopted.

Complete text of Resolution No. 79-164 will be found in Resolution Book No. 11 at page 264.

BUDGET AMENDMENT - SUPPORTING ADVERTISEMENT OF "COOL GREEN ASHEVILLE"

8. The City Manager presented a budget amendment to support the continuation of the advertising for the "Cool Green Asheville." He said the amount would be \$5,000 and would be used for advertisement. He said the funds would be taken from Contingency and put into the Inter-Extra Governmental Services Cool Green Asheville Project. He said since tourism affects the sales tax revenue the City receives he felt the \$5,000 would be well spent.

Vice-Mayor Horton noted that the County of Buncombe has agreed to contribute \$10,000.

Mayor Trantham also noted that this amount would not be going into the Chamber of Commerce's budget but into the Cool Green Asheville Project.

Vice-Mayor Horton moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

CLAIMS - MS. KATHLEEN GARREN - J. E. ANDERSON - MR. FRED CAIRENS - MR. ANTHONY C. JACKSON - ANGELO GUS DOTSIKAS

9. The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent:

Following individuals have claims against City of Asheville for damage:

Ms. Kathleen Garren 56 Pearson Drive Asheville, N. C.	Broke shoulder on tennis court
---	--------------------------------

J. E. Anderson 16 Willow Brook Road Asheville, N. C.	Dispute over zoning ordinance
--	-------------------------------

Mr. Fred Cairns 26 Willow Brook Road Asheville, N. C.	Dispute over zoning ordinance
---	-------------------------------

Claims sent to St. Paul Fire and Marine Insurance:

Mr. Anthony C. Jackson 178 Buchanan Avenue Asheville, North Carolina	Damage to auto hit by City vehicle
--	------------------------------------

Angelos Gus Dotsikas 20 Chunns View Drive Asheville, N. C.	Damage to auto sideswiped by City vehicle.
--	--

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

- B. Resolution No. 79-167 - Resolution authorizing the Mayor and City Clerk to execute agreement with Smoky Mountain Region of Porsche Club of America concerning autocross event at Asheville Airport.

HIGHLIGHTS: Smoky Mountain Region of Porsche Club of America (SMR/PCA) wishes to use a portion of the Asheville Airport for an autocross event which has been tentatively scheduled for July 26 through August 2, 1981 and the event can be held without interfering with the normal operation of the airport. This resolution will authorize the Mayor to execute an agreement with SMR/PCA for the event.

Resolution Book No. 11 at page 266.

- C. Resolution No. 79-168 - Resolution authorizing the Mayor and City Clerk to execute agreement with the Buncombe County Rescue Squad.

HIGHLIGHTS: The City of Asheville provides funds to the Buncombe County Rescue Squad for services to be provided within the corporate limits of the City and this resolution will authorize the execution of a Letter of Agreement with the Buncombe County Rescue Squad for mutual aid and rescue services.

Resolution Book No. 11 at page 267.

- D. Resolution No. 79-169 - Resolution appointing a member to the Asheville Area Civic Center Commission.

HIGHLIGHTS: Mr. Charlie David will be appointed as a member of the Commission, pursuant to Ordinance No. 1120.

Resolution Book No. 11 at page 268.

- E. Resolution No. 79-170 - Resolution appointing a member to the Recreation Board for the City of Asheville.

HIGHLIGHTS: Mr. William Rocamora will be reappointed to the Board.

Resolution Book No. 11 at page 269.

- F. Approval of a budget amendment amending the Asheville-Buncombe Revitalization Fund budget to provide funding for the Bele Chere Festival. Funds to be provided by contributions generated by the Revitalization Commission. The amount of the amendment to be \$5,014.00.

Upon motion of Councilwoman Price, seconded by Councilman Michael, the consent agenda was unanimously adopted.

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ESCROW AGREEMENT WITH CHAMPION CONTRACTING COMPANY IN CONNECTION WITH RUNWAY EXTENSION PROJECT AT ASHEVILLE AIRPORT

10. Consideration was given to a resolution authorizing the Mayor to sign escrow agreement with Champion Contracting Company in connection with Runway Extension Project at Asheville Airport.

The City Manager read the resolution. He said the City of Asheville has a contract with Champion Contracting Company for construction of a 1500-foot runway and taxiway extension at the Asheville Airport and under the contract the City makes periodic progress payments for work performed by Champion but retains 10% of the earned monies. He said Champion desires that said retainage be placed in an interest-bearing escrow account until the final payment is made and this resolution would authorize the Mayor to sign the escrow agreement.

Several members of Council questioned the legality of the escrow agreement stating they felt this was an unusual request.

The City Manager advised that the contract between the City of Asheville and Champion Contracting Company provides for such an agreement.

It was the consensus of Council to delay action on the resolution until members of Council had an opportunity to review the contract.

RESOLUTION NO. 79-171 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY AGREEMENT WITH SOUTHEAST ASSOCIATES OF ASHEVILLE CONCERNING ONE WATER LINE

11. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way agreement with Southeast Associates of Asheville concerning one water line.

The City Manager read the resolution and explained that the encroachment agreement is for a water line to be constructed on U. S. 25, Buncombe County, North Carolina (Asheville-Hendersonville Highway).

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-171 was unanimously adopted.

Complete text of Resolution No. 79-171 will be found in Resolution Book No. 11 at page 270.

RALPH BISHOP -LOTTERY SALES - REDRESS OF COUNCIL

Mr. Ralph Bishop again spoke to Council relative to the lottery sales in Asheville and redress from Council.

Adjournment.

MAYOR

CITY CLERK

Verl Emrick, Planning Director, advised that he has received additional written protests to the rezoning in Chunn's Cove and the protests amounted to a 33% protest which would require a 3/4 favorable vote by Council to adopt the ordinance. He said the ordinance would have to carry on at least six (6) favorable votes.

APPROVAL OF TWO (2) SIGN PERMITS FOR NEAGLE SIGN COMPANY

4. Consideration was given to the approval of two (2) sign permits for Neagle Sign Company. The signs to be considered are two (2) 14' x 48' signs to be located at 766 Patton Avenue and on Tunnel Road. The signs are located within 600 feet of the expressway which requires the approval of Council.

Councilman Morris moved to postpone action on the signs until August 16, 1979. This motion was seconded by Councilman Cole and carried unanimously.

Councilman Morris commented that he felt it would be better if all members of Council were present before action is taken on the sign permits.

ORDINANCE NO. 1124 - AN ORDINANCE CONCERNING ALARM SYSTEM BUSINESSES SYSTEMS AND USERS WITHIN THE CITY OF ASHEVILLE

5. Consideration was given to the third reading of Ordinance No. 1124, an ordinance concerning alarm system businesses, systems and users within the City of Asheville.

Mayor Trantham said the Corporation Counsel has recommended that the third reading of the ordinance be delayed until August 9, 1979 in order to give ample time to answer the constitutional question raised during the second reading of the ordinance.

Councilman Cole moved to postpone the third reading of Ordinance No. 1124 until August 9, 1979. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 1125 - AN ORDINANCE AMENDING ORDINANCE NO. 1065, KNOWN AS "AN ORDINANCE ESTABLISHING AN ADVISORY BODY KNOWN AS THE ASHEVILLE TREE COMMISSION"

6. Consideration was given to an ordinance amending Ordinance No. 1065, known as "AN ORDINANCE ESTABLISHING AN ADVISORY BODY KNOWN AS THE ASHEVILLE TREE COMMISSION."

The City Manager read the ordinance and explained that this ordinance would increase the commission members from seven to nine members, as requested by the Asheville Tree Commission.

Vice-Mayor Horton moved for the adoption of Ordinance No. 1125. This motion was seconded by Councilman Cole.

On a roll call vote of 4-0, Ordinance No. 1125 passed on first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1125. This motion was seconded by Councilman Cole and carried unanimously.

Thursday - August 2, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilmen F. Jack Cole and Ralph D. Morris, Jr., Acting Corporation Counsel Robert J. Robinson, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman Norma T. Price, Councilmen Gene E. Rainey and Otis B. Michael, and Corporation Counsel William C. Moore

INVOCATION

Councilman F. Jack Cole gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the July 26, 1979 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, the minutes of the July 26, 1979 meeting were approved as submitted.

RESOLUTION NO. 79-172 - RESOLUTION IN MEMORY OF STATE REPRESENTATIVE MARY C. NESBITT

2. Consideration was given to a resolution in memory of State Representative Mary C. Nesbitt.

Councilman Cole read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Morris, Resolution No. 79-172 was unanimously adopted.

Complete text of Resolution No. 79-172 will be found in Resolution Book No. 11 at page 271.

ORDINANCE NO. 1121 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Chunns Cove Area)

3. Consideration was given to the third reading of Ordinance No. 1121, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property in the Chunns Cove Area from R-2 Residential District to R-1 Single Family Residential District.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

Councilman Cole moved to postpone the third reading of Ordinance No. 1121, until all members of Council are present. This motion was seconded by Vice-Mayor Horton and carried unanimously.

- C. Resolution No. 79-175 - Resolution authorizing the Mayor and City Clerk to execute agreement with Western North Carolina Development Association.

HIGHLIGHTS: Western North Carolina Development Association promotes and fosters a number of projects to increase farm income in the Asheville area and to inspire community pride and beautification and the City of Asheville wishes to contract with said association for the implementation of these programs. This resolution will authorize the Mayor to enter into an agreement with Western North Carolina Development Association.

Resolution Book No. 11 Page 274 .

- D. Resolution No. 79-176 - Resolution authorizing the Mayor and City Clerk to execute agreement with Western North Carolina Regional Air Pollution Control Agency.

HIGHLIGHTS: Western North Carolina Regional Air Pollution Control Agency was established jointly by the City of Asheville and the Counties of Buncombe and Haywood and committed themselves to provide financial support for the agency to enable it to administer and enforce an effective air pollution control program for the area. This will authorize the Mayor to enter into an agreement with the WNC Regional Air Pollution Control for these services.

Resolution Book No. 11 Page 275 .

- E. Resolution No. 79-177 - Resolution authorizing the Mayor and City Clerk to execute contract with the Asheville Area Chamber of Commerce regarding travel promotion.

HIGHLIGHTS: The Asheville Area Chamber of Commerce engages in a number of activities that foster and encourage tourism to Asheville and the City of Asheville wishes to contract with the Chamber for the continuation of these activities. This will authorize the Mayor to enter into an agreement with the Asheville Area Chamber of Commerce.

Resolution Book No. 11 Page 276 .

- F. Resolution No. 79-178 - Resolution authorizing the Mayor and City Clerk to execute agreement with Quality Forward.

HIGHLIGHTS: Quality Forward carries on a number of programs aimed at improving the cultural, recreational, and physical environment throughout the City and the City of Asheville wishes to contract with Quality Forward for the implementation of these programs. This will authorize the Mayor to enter into an agreement with Quality Forward.

Resolution Book No. 11 Page 277 .

On a roll call vote of 4-0, Ordinance No. 1125 passed on second reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the third reading of Ordinance No. 1125. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1125 passed on third and final reading.

Complete text of Ordinance No. 1125 will be found in Ordinance Book No. 9 at page 45.

RESOLUTION NO. 79-173 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ESCROW AGREEMENT WITH CHAMPION CONTRACTING COMPANY IN CONNECTION WITH RUNWAY EXTENSION PROJECT AT ASHEVILLE AIRPORT

7. Consideration was given to a resolution authorizing the Mayor to sign escrow agreement with Champion Contracting Company in connection with Runway Extension Project at Asheville Airport.

The City Manager read the resolution and explained that the contract provides for such an escrow agreement if requested by the contractor.

Upon motion of Councilman Morris, seconded by Councilman Cole, Resolution No. 79-173 was unanimously adopted.

Complete text of Resolution No. 79-173 will be found in Resolution Book No. 11 at page 272.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 79-174 - Resolution appointing members to the Asheville Tree Commission.

HIGHLIGHTS: This resolution will reappoint Mr. David Warren and Mrs. Elrita Nesby to the Commission. It will also appoint Ms. Susan Mayer and Mr. Anthony Lord to the Commission.

Resolution Book No. 11 Page 273.

- B. Approval of interest payments due on L.E.A.A. settlements.

HIGHLIGHTS: It has been determined that recipients of settlements paid as a result of the L.E.A.A. Resolution Agreement are due an interest payment for the period between the signing of the Agreement and the actual payment of the settlement. The rate of interest for this payment is fixed by law at 6%.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

JIM DANIELS - COMMENTS RELATIVE TO ALARM ORDINANCE

Upon inquiry of Mr. Jim Daniels, the Mayor explained that during the second reading of Ordinance No. 1124, relative to alarms, an amendment was made whereby the effective date of the ordinance is nine (9) months after adoption.

Adjournment.

Walter Trantham Mayor
William A. McCreary CITY CLERK

- G. Resolution No. 79-180 - Resolution authorizing the Mayor and City Clerk to execute contract with the Asheville-Buncombe Community Relations Council.

HIGHLIGHTS: The Asheville-Buncombe Community Relations Council was established jointly by the City of Asheville and the County of Buncombe in order to bring together a countywide effort at solving human problems related to racial, ethnic, religious and class relationships. The City wishes to contract with said council for the continuation of these efforts. This resolution will authorize the Mayor to enter into an agreement with Asheville-Buncombe Community Relations Council.

Resolution Book No. 11 at page 280.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton the consent agenda was unanimously approved.

VICE-MAYOR HORTON - REQUEST FOR RESEARCH INTO THE RETIRED GENERAL EMPLOYEE'S PENSION

Vice-Mayor Horton requested that the City Manager research the amounts the retired general employees are receiving under their pension program and to determine if it would be possible to give them a "cost-of-living" increase.

The City Manager said he would seek input into this request from the General Employees Pension Board which will be meeting next week.

RESOLUTION NO. 79-179 - RESOLUTION AUTHORIZING CERTAIN OFFICIAL ACTION RELATIVE TO THE BELE CHERE FESTIVAL

Consideration was given to a resolution authorizing certain official action relative to the Bele Chere Festival.

The City Manager read the resolution.

Verl Emrick, Planning Director, said the request for waiving of certain requirements was made in order to get to a functional point in order to meet all code requirements before the festival begins.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, Resolution No. 79-179 was unanimously adopted.

Complete text of Resolution No. 79-179 will be found in Resolution Book No. 11 at page 278.

The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent:

Claims sent to St. Paul Fire and Marine Insurance:

Charles Warren Cox
9 Hamburg Lane
Weaverville, N. C. 28787

Left front vehicle
damaged while parked.

Verl Earick, Planning Director, read the following letter:

ASHEVILLE
REVITALIZATION
COMMISSION

P.O. BOX 7148, ASHEVILLE, NC 28807 (704-255-5432)

June 8, 1979

Honorable Roy Trantham, Mayor,
and Members of City Council
City Hall
Asheville, North Carolina 28807

SUBJECT: Proposed Amendment to Ordinance No. 954

Dear Roy:

As you know the Asheville Revitalization Commission is presently involved with several potential developers who are interested in acquiring property in Downtown. It is the Commission's opinion that in order for us to effectively function as the Council's agent in these matters, Council needs to consider amending the ordinance which created the Commission and stipulates its powers and duties.

With that in mind, the specific changes we would have you consider are as follows:

Section 2. Purpose and Power of the Commission

Subsection (b) Powers of the Commission: which stipulates that the Commission in order to carry out the purposes of the Ordinance shall have the power to do seven (7) individual items. We would propose that the following items be inserted:

- "(8) to act as agent for the City to plan, finance, and implement projects authorized by Chapter 160A, Article 22, Urban Redevelopment Law, Subsections 500-526, as may be amended from time to time. Such projects shall be approved by City Council and limited to the Downtown Improvement District as described in the Downtown Plan."
- "(9) to act as agent for the City in planning, financing, and implementing projects authorized by Chapter 160, Article 38, Subchapter VIII, Parking Authorities and Facilities. Said projects shall be approved by City Council and limited to the Downtown Improvement District as described in the Downtown Plan."

I would appreciate your immediate consideration on this matter. Copies of all enabling legislation referred to are attached.

Respectfully,

JWD
James W. Daniels
Chairman

VRE:JWD:nr
Enclosures
cc: Ken Michalove, City Manager

Thursday - August 9, 1979 - 4:00 p. m.

Regular Meeting

Present: Vice-Mayor Bill B. Horton, Presiding; Councilwoman Norma T. Price, Councilmen F. Jack Cole, Gene E. Rainey and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham and Councilman Ralph D. Morris, Jr.

INVOCATION

Councilman Gene E. Rainey gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 2, 1979 meeting.

Upon motion of Councilman Cole, seconded by Councilman Rainey, the minutes of the August 2, 1979 meeting were approved as submitted.

RECOGNITION TO CAMPBELL JOHNSON - RETIREMENT FROM THE CITY OF ASHEVILLE

2. The City Manager recognized Mr. Campbell Johnson who is retiring from employment with the City of Asheville after 23 years of service.

REPORT ON "BELE CHERE" EVENTS

3. Verl Emrick, Planning Director, reported that the turnout for the "Bele Chere" Festival, sponsored by the Asheville Revitalization Commission, was very good. He reviewed the events to take place during the festival.

Councilwoman Price commended the Planning Division for their help in the "Bele Chere" Festival.

PUBLIC HEARING - AMENDING ORDINANCE NO. 954 ESTABLISHING THE ASHEVILLE REVITALIZATION COMMISSION

ORDINANCE NO. 1126 - AN ORDINANCE AMENDING ORDINANCE NO. 954 KNOWN AS AN ORDINANCE ESTABLISHING THE ASHEVILLE REVITALIZATION COMMISSION

4. A public hearing was held relative to amending Ordinance No. 954, an ordinance establishing the Asheville Revitalization Commission.

Vice-Mayor Horton opened the public hearing at 4:15 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Marvin Vierra of the Planning Division said the City staff had requested that HUD allow the use of 20% of the entitlement funds set aside for the Urban Renewal Deficit funds for 1979-80. He said HUD has granted this deferrment and this amendment would approve the allocation of these funds in the amount of \$351,400. He said \$100,000 of the funds would be used for Senior Citizen activities; \$150,000 for Street Resurfacing for streets in the original Community Development area; and the remainder would be put in Contingency.

After discussion, Councilman Michael moved to approve the amendment to the Fifth Year Community Development application as presented by Mr. Vierra. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1124 - AN ORDINANCE CONCERNING ALARM SYSTEM BUSINESSES, SYSTEMS AND USERS WITHIN THE CITY OF ASHEVILLE

6. Consideration was given to the third reading of Ordinance No. 1124, an ordinance concerning alarm system businesses, systems and users within the City of Asheville.

Alan Hyder of the Police Department said during the second reading of the ordinance a constitutional question was raised as to whether or not the Police Department could continue monitoring some alarms, such as banks and governmental agencies, and not all alarms. He said he had corresponded with the Attorney General's office and received an opinion that there is no problem in this area.

Mr. Hyder said a question was also raised as to what new costs a typical alarm user might anticipate by the adoption of the ordinance. He then reviewed the estimated costs obtained from alarm monitoring businesses.

Ralph Bishop spoke relative to the ordinance.

On a roll call vote of 5-0, Ordinance No. 1124 passed on third and final reading.

Complete text of Ordinance No. 1124 will be found in Ordinance Book No. 9 at page 39.

BUDGET AMENDMENT - REVENUE SHARING TRUST FUND - FOR LAW ENFORCEMENT OFFICERS' BENEFIT AND RETIREMENT FUND

7. The City Manager presented a budget amendment amending the Revenue Sharing Trust Fund for Fiscal Year 1979-80 to provide appropriations for employer contributions, based on current enrollment, for the Law Enforcement Officers' Benefit and Retirement Fund. The appropriation will be in the amount of \$20,000. He said this was a statutory requirement as State Legislature has now required that local governments pay the employer contributions. He said up until this year the State paid the employer contributions.

Councilman Rainey moved for the approval of the budget amendment as presented by the City Manager. This motion was seconded Councilwoman Price and carried unanimously.

He said due to legal problems it has been requested that the section requested to be amended relative to Urban Redevelopment be deleted from the proposed amendments.

He said this additional power of the Commission will allow greater flexibility in providing for off-street parking. He said the off-street parking in the downtown area is needed to lessen traffic congestion in the streets. He said the additional powers will give the Commission the authority to act as an agent for the City in operating parking authorities. He said the Commission would have to obtain approval from City Council before implementing any plan under this authority.

Councilman Michael voiced concern over giving any Commission too much authority. He said he would not favor approving a total plan for the downtown area. He said he would like to table action on the amendment until more information can be obtained about the authority requested.

Councilman Rainey suggested that an amendment be made in the ordinance to allow the Commission to implement this authority in conjunction with private firms in building parking garages.

Mr. Emrick said before the second reading of the ordinance he would incorporate an amendment to the proposed ordinance for Council to consider to effectuate Councilman Rainey's suggestion.

After discussion, Vice-Mayor Horton closed the public hearing at 4:47 p. m.

Verl Emrick read the proposed ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1126. This motion was seconded by Councilman Cole.

On a roll call vote of 4-1, Ordinance No. 1126 passed on first reading with Councilman Michael voting "no."

Verl Emrick requested that the second reading of the ordinance be postponed until August 23, 1979 due to the fact that he will be out of town on August 16, 1979.

Councilwoman Price moved to postpone the second reading of Ordinance No. 1126 until August 23, 1979. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING - AMENDING FIFTH YEAR COMMUNITY DEVELOPMENT APPLICATION

5. A public hearing was held relative to amending the Fifth Year Community Development application.

Vice-Mayor Horton opened the public hearing at 4:53 p. m.

- C. Approval of bids received August 1, 1979 for Safety to Life Requirements for the Asheville City Hall Building, Phase I.

HIGHLIGHTS: Recommendation of awards as follows:

Low bid of George H. Keller, Contractor, in the amount of \$16,561 for the protected corridor.

Low bid of Brevard Electric Company in the amount of \$56,140 for the fire alarm, emergency lighting and emergency generator.

- D. Approval of a budget amendment amending the City of Asheville Parks and Recreation Fund budget for the Fiscal Year 1979-80.

HIGHLIGHTS: This amendment is to set up appropriate revenue and expenditure accounts to accomodate the execution of a contract for the Juvenile Justice and Delinquency Act of 1974 from the State of North Carolina Department of Crime Control and Public Safety. The amount of funds is \$5,148.00.

- E. Scheduling of a public hearing relative to amending the Zoning Ordinance for August 30, 1979.

HIGHLIGHTS: Mrs. Lloyd Williams, Secretary of the Royal Arcanum, requested the Planning and Zoning Commission to consider amending the Zoning Ordinance to include "fraternal and philanthropic organizations" in the R-3 Residential District as a Conditional Use. Planning and Zoning Commission has recommended that Section 30-5-4.B. Conditional Uses be amended by adding "Fraternal and Philanthropic Organizations," subject to several provisions.

- F. Resolution No. 79-183 - Resolution authorizing the Mayor and City Clerk to execute agreement with American Locker Company, Inc. for lockers in terminal building at Asheville Airport.

HIGHLIGHTS: American Locker Company, Inc. has for a number of years maintained lockers in the Terminal Building at the Asheville Airport and the agreement between the locker company and the city regarding the use of these lockers has expired. This resolution will authorize the Mayor to execute a new agreement with American Locker Company, Inc.

Resolution Book No. 11 at page 283.

Upon motion of Councilman Michael, seconded by Councilman Rainey, the consent agenda was unanimously approved.

150

Councilwoman Price requested that the Mayor write the local legislative delegation making them aware that the City Council was not aware of the legislature passed providing for local governments to pay the employer contributions to the Law Enforcement Officers' Benefit and Retirement Fund.

BUDGET AMENDMENT - APPROPRIATIONS FOR THE SAFETY-TO-LIFE REQUIREMENTS FOR CITY HALL

8. The City Manager presented a budget amendment amending the City of Asheville Annual Operating Budget for 1979-80 to establish funding for the Safety-to-Life Project for City Hall. He said funding in the amount of \$91,903 would be provided by a state grant and Sinking Fund monies.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

9. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 79-181 - Resolution authorizing the City Manager to accept a right-of-way easement from Charles C. and Marguerite Cole for a water line across their property in Pinedale Subdivision.

HIGHLIGHTS: The purpose of this easement is for a right-of-way for a water line on Pinedale. The work will be done by Butler Associates and the City will inspect the work and when completed according to specifications, will be accepted as City Lines.

Resolution Book No. 11 at page 281.

- B. Resolution No. 79-182 - Resolution authorizing the Mayor to execute a grant award from N. C. Department of Crime Control and Public Safety for the Hillcrest Enrichment Program.

HIGHLIGHTS: A grant has been received from the N. C. Department of Crime Control and Public Safety in the amount of \$5,148 for the Hillcrest Enrichment Program.

Resolution Book No. 11 at page 282.

COMPLAINT - ORMA BOWIE

Ms. Orma Bowie of 14A Oak Knoll Apartments, told Council that on July 1, 1979 her son (6 years of age) was taken to the woods behind her house and beaten by someone. She said when the Juvenile Officer (Allison) came to investigate the incident he did not arrest the man who assaulted her son. She said he only said "he knew the man and did not think he would do something like that." She said it took her several days to obtain a warrant for the man from the magistrate's office. She voice a complaint against the Juvenile Officer acting in this manner.

Viola Liles, mother of Ms. Orma Bowie voiced a complaint against the court system in that she was held in a cell for about one for contempt of court for saying "this isn't fair" when Judge Roda changed the court date for the case because the Juvenile Officer was not at court on the day of the trial.

The City Attorney said he would check into the facts of the incident.

Councilman Michael requested that the City Attorney give Council and Ms. Bowie a report of the findings.

RALPH BISHOP - LOTTERY SALES - PARKING TICKETS

Ralph Bishop again spoke to Council relative to lottery sales and parking tickets being voided.

Adjournment.

Raymond Harrison Mayor
Deborah S. Hallett City Clerk

PROCLAMATION - HAROLD BASS DAY - AUGUST 11, 1979

Vice-Mayor Horton proclaimed Saturday, August 11, 1979 as "Harold Bass Day."

PROCLAMATION - NATIONAL PUBLIC PARKS TENNIS WEEK - AUGUST 12 - 19, 1979

Vice-Mayor Horton proclaimed August 12 - 19, 1979 as "National Public Parks Tennis Week."

LETTER FROM SOUTHERN RAILWAY SYSTEM RELATIVE TO BILTMORE RAILWAY STATION

The City Manager presented the following letter:

Southern Railway System

*Operating Department
Office of Superintendent
P. O. Box 15074
Asheville, N. C. 28803
(704) 252-3122*

L. E. WETSEL, JR.
SUPERINTENDENT

July 31, 1979 */dc
110-Biltmore

Mayor Roy M. Trantham
City of Asheville
P. O. Box 7148
Asheville, NC 28807

Dear Mayor Trantham:

This will acknowledge receipt of your letter of July 23, 1979 to Mr. Robert Koger of the North Carolina Utilities Commission, concerning the Biltmore Railway Station at Asheville, N. C.

Please be advised that Southern Railway has no plans to demolish the Biltmore Passenger Station and it will remain intact at its present location.

We do appreciate your interest in this matter.

Sincerely,

L. E. Wetzel, Jr.
Superintendent

cc: Mr. Robert Koger, Chairman
North Carolina Utilities Commission

Attorney John Powell, representing Charles Leroy Sherlin and wife, Betty McKinney Sherlin, petitioners for the closing, said with the exception of the State Highway Commission, the petitioners are the owners of all property adjacent to the portion of Alabama Avenue requested to be closed. He said Alabama Avenue was closed by the State Highway Commission on November 8, 1963 and has not been maintained by the City of Asheville since April, 1961. He said the Sherlins' are requesting that the road be closed in order that a fence may be put up to block off people who park in the area.

The City Manager presented an affidavit showing that the street was posted in accordance with the statute governing the closing of streets.

The City Manager also presented a memorandum from Verl Emrick, Planning Director, which stated that in his opinion the section of Alabama Avenue referred to serves no useful purpose and does not contribute to the circulation pattern of the area.

Mayor Trantham closed the public hearing at 4:16 p. m.

The City Manager read the resolution closing a portion of Alabama Avenue.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 79-186 was unanimously adopted.

Complete text of Resolution No. 79-186 will be found in Resolution Book No. 11 at page 286.

APPROVAL OF SIGN PERMITS FOR NEAGLE SIGN COMPANY - PATTON AVENUE-TUNNEL ROAD

4. Consideration was given to the approval of three (3) sign permits for Neagle Sign Company.

Virgil Bradley of the Inspections Division said Neagle Sign Company has applied for three (3) sign permits for signs which are located within 600 feet of the expressway which requires the approval of the Council. He reviewed the following sign permits:

- (1) 14' x 48' - 766 Patton Avenue - Ward 6, Sheet 16, Lot 342
(entrance ramp to I-40 and I-26)
replacement sign

After discussion, Councilman Morris moved to approve the sign to be located at 766 Patton Avenue. This motion was seconded by Councilman Michael and carried on a 4-2 voice vote, with Councilwoman Price and Councilman Rainey voting "no."

- (2) 14' x 48' - Tunnel Road - Ward 8, Sheet 25, Lot 44-3/4
replacement sign
upper section of Chunns Cove Road on Tunnel Road.

Councilman Michael was excused from the meeting at 4:25 p. m.

After discussion Councilman Cole moved for the approval of the sign to be located on Ward 8, Sheet 25, Lot 44-3/4. This motion was seconded by Councilman Morris and carried unanimously.

Thursday - August 16, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman F. Jack Cole, Gene E. Rainey, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Ralph D. Morris, Jr. gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 9, 1979 meeting.

Vice-Mayor Horton requested that the minutes also include the closing time of the public hearing relative to amending the Fifth Year Community Development Application which was at 5:10 p. m.

Upon motion of Councilwoman Price, seconded by Councilman Cole the minutes of the August 9, 1979 meeting were approved as amended.

RESOLUTION NO. 79-185 - RESOLUTION OF APPRECIATION TO THE LEADERSHIP, ADMINISTRATION AND PARTICIPATION IN "BELE CHERE 1979"

2. Consideration was given to a resolution of appreciation to the leadership, administration and participation in "Bele Chere 1979."

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-185 was unanimously adopted.

Complete text of Resolution No. 79-185 will be found in Resolution Book No. 11 at page 285.

PUBLIC HEARING - CLOSING OF A PORTION OF ALABAMA AVENUE

RESOLUTION NO. 79-186 - RESOLUTION TO CLOSE A PORTION OF ALABAMA AVENUE

3. A public hearing was held relative to closing a portion of Alabama Avenue.

Mayor Trantham opened the public hearing at 4:10 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

- E. Approval of budget amendment to the City of Asheville Federal Project fund budget for Second Year Community Development Block Grant.

HIGHLIGHTS: This amendment is to reprogram available funds for needed sanitary sewer line improvements in the West Asheville Community Development area. The amount of the transfer is \$82,666.

- F. Approval of budget amendment to the City of Asheville Operating Budget for Fiscal 1979-80.

HIGHLIGHTS: The budget amendment in the amount of \$5,572 is to provide funding for one LEAA settlement and accrued interest on five of the previous settlements. One more is not concluded.

- G. Approval of budget amendment to the City of Asheville Fiscal 1979-80 Operating Budget.

HIGHLIGHTS: The budget amendment in the amount of \$100,859 is to provide funding from Sinking Funds for the Water Maintenance Facility Improvement Project.

- H. Resolution No. 79-190 - Resolution establishing a committee to analyze the Certificate of Occupancy Program.

Resolution Book No. 11 page 291

- I. Resolution No. 79-191 - Resolution establishing a committee to examine coordination and regulations of transportation services and fares.

Resolution Book No. 11 page 292

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously approved.

COUNCILMAN RAINEY - REQUEST FOR WORK SESSION ON ORDINANCE RELATIVE TO STRUCTURES ON RIGHT-OF-WAY

COUNCILMAN RAINEY - REQUEST FOR STATUS ON ANNEXATION OF ASHEVILLE COUNTRY CLUB

Councilman Rainey requested that Council schedule a work session on an ordinance relative to the placement of structures on right-of-way. He also requested a report on the status of the annexation of the Asheville Country Club.

(3) 14' x 48' - Tunnel Road - Ward 8, Sheet 21, Lot 12

Note: This sign was previously considered by Council and upon motion was defeated on a 3-3 vote. Neagle Sign Company has requested reconsideration of approval of the sign permit.

After discussion, Councilman Morris moved to approve the sign permit for a sign to be located on Ward 8, Sheet 21, Lot 12. This motion was seconded by Councilman Cole and carried on a voice vote of 4-2, with Councilman Rainey and Councilwoman Price voting "no."

APPROVAL OF THE CONSENT AGENDA

5. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Approval of bids received August 10, 1979 for two (2) snow plows for Street Division.

HIGHLIGHTS: One (1) bid was received. Recommendation of bid submitted by Western Carolina Tractor Company in the amount of \$4,271.40. Funding: Revenue Sharing Trust Fund, Street Division Capital Outlay Equipment, Account Code 50-427.0074.

- B. Resolution No. 79-187 - Resolution appointing a member to the Asheville Area Civic Center Commission.

HIGHLIGHTS: Appointment of Mrs. Cy Fligel as a member of the Asheville Area Civic Center Commission.
Resolution Book No. 11 page 288

- C. Resolution No. 79-188 - Resolution appointing members to the Board of Adjustment under Ordinance No. 322, as amended.

HIGHLIGHTS: Appointment of Harold Talbert and Tom McCurry as members of the Zoning Board of Adjustment.
Resolution Book No. 11 page 289

- D. Resolution No. 79-189 - Resolution appointing members to the Asheville-Buncombe County Youth Council.

HIGHLIGHTS: Reappointment of Mr. H. H. Zeugner, Mr. Herb Watts, and Mrs. Catheryn Kinser to the Asheville-Buncombe County Youth Council.

Resolution Book No. 11 page 290

Thursday - August 23, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman F. Jack Cole, Gene E. Rainey, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Council William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilwoman Norma T. Price gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 16, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the August 16, 1979 meeting were approved as submitted.

ORDINANCE NO. 1126 -AN ORDINANCE AMENDING ORDINANCE NO. 954, KNOWN AS "AN ORDINANCE ESTABLISHING AN ADMINISTRATIVE BODY KNOWN AS THE ASHEVILLE REVITALIZATION COMMISSION"

2. Consideration was given to the second reading of Ordinance No. 1126, an ordinance amending Ordinance No. 954, known as "An Ordinance Establishing An Administrative Body known as the Asheville Revitalization Commission."

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

As previously requested by Council, Verl Emrick, Planning Director, presented the following two amendments to the ordinance.

1. "(8) to act as agent for the City in planning, financing, and implementing projects authorized by Chapter 160, Article 38, Subchapter VIII, Parking Authorities and Facilities. Said projects shall have prior approval by City Council and limited to the Downtown Improvement District as described in the Downtown Plan.

** amendment underscored

2. "(9) to actively encourage and pursue the participation of the private sector and private capital in implementing approved projects."

** amendment underscored

Councilman Rainey moved to amend Ordinance No. 1126 as recommended by Verl Emrick. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1126 was passed on second reading.

VICE-MAYOR HORTON - COMMENTS RELATIVE TO REMOVAL OF WATER FOUNTAINS

Vice-Mayor Horton said he had received complaints relative to the demolition of water fountains.

The City Manager said the Parks and Recreation Department and the Water Department is presently working on a report relative to this matter.

VICE-MAYOR HORTON - INFORMATION RELATIVE TO MUFFLERS

Vice-Mayor Horton requested that the City pursue further the noise level recorder used by Evansville, Ind. to apprehend violators of loud mufflers. He requested that the City find out what type noise level recorder Evansville uses and what the cost would be.

Vice-Mayor Horton also requested that a copy of the noise ordinance be put in each Councilman's box.

COMMENTS RELATIVE TO BILTMORE RAILWAY STATION

Councilman Cole said he had been advised by Dr. Brosnan that he was going to purchase the Biltmore Railway Station and upgrade the building. He said he assured him of the preservation of the building.

RESOLUTION NO. 79-192 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE, THE DEMOLITION OF THE OLD PARKS AND RECREATION AND TRAFFIC ENGINEERING MAINTENANCE BUILDING

Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville, the demolition of the old Parks and Recreation and Traffic Engineering Maintenance Building.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-192 was unanimously adopted.

Complete text of Resolution No. 79-192 will be found in Resolution Book No. 11 at page 293.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to Council relative to the lottery sales in Asheville.

Adjournment.

Ray M. Harrison MAYOR *William A. McCall* CITY CLERK

Mr. Rowe said Asheville Contracting Company, in an attempt to negotiate with the homeowners, has agreed to remove the entire rock pile from the property through a crushing process subject to several conditions. He said this proposal has not been agreeable with the homeowners. He said he felt this was an indication of Asheville Contracting Company's willingness to try and satisfy everyone in this matter.

Mr. Rowe requested that Council wait to vote on the issue until negotiations could be considered between the contracting company and the homeowners or until the suits are resolved.

At this time Council voted on Councilman Rainey's motion to amend Ordinance No. 1121, which motion passed on a voice vote of 7-0.

Dr. Larry Metcalf spoke in support of the rezoning. He said he was not a member of the Mountainbrook Homeowners Association and did not receive a proposal from Asheville Contracting Company.

After discussion, Councilman Rainey moved to table the third reading of Ordinance No. 1121 until August 30, 1979 in order to give the Planning Department an opportunity to determine the official status of Mrs. Bell's protest and to calculate the new acreage in order to resolve the voting rule. This motion was seconded by Councilman Cole.

Councilman Morris said he would prefer to allow time of possible negotiation before finalizing the rezoning. He said once the property is rezoned Asheville Contracting Company would not have any interest in improving the area. He said the urgency to rezone does not offset the benefits derived from waiting. He said it concerned him that people would request rezoning of their property in order to rezone someone else's property. He said Council should consider the highest and best use of the property.

Councilman Rainey's motion to table the third reading of Ordinance No. 1121 passed on a voice vote of 6-1, with Councilman Morris voting "no."

APPROVAL OF THE CONSENT AGENDA

4. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 79-193 - Resolution authorizing the Mayor to sign a contract for the lease of computer equipment and operating software for the replacement of the City's three existing mini-computers.

HIGHLIGHTS: This lease agreement with Burroughs Corporation is for the lease of new general purpose computer hardware to replace the three existing systems.

100

ORDINANCE NO. 1121 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Chunns Cove Area)

3. Consideration was given to the third reading of Ordinance No. 1121, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property in the Chunns Cove Area from R-2 Residential District to R-1 Single Family Residential District.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there is a specific request to do so.

Verl Emrick, Planning Director, said since the second reading of the ordinance the Planning Department received protests amounting to 33% which would require a 3/4 favorable vote of Council in order to adopt the ordinance. He said he did, however, receive a letter from Marion Poor, who owns Lot 47, Sheet 25, indicating that he wished to have his 7 acres excluded from the proposed rezoning. He said even if Council excludes the Poor property the protest would still be 29% requiring the 3/4 favorable vote.

Mr. Emrick said at the request of Council, his staff had attempted to contact Mrs. Bell who owns 21 acres in the area to determine if her protest is still valid. He said from all indications Mrs. Bell still wishes to protest the rezoning.

Councilman Rainey protested the manner in which the rezoning was handled in that the delays of Council has allowed pressure between the two parties involved. He suggested that the City staff look into the situation and amend the language of the zoning ordinance in order to avoid this problem in the future.

Councilman Rainey said it might be advantageous to delay the final vote on the ordinance to determine the official status of Mrs. Bell's protest.

Councilman Cole said Council should have the final vote on the ordinance, in order to give everyone concerned Council's final decision.

Mr. Herbert Moore of the MountainBook Homeowners Association, spoke in support of the rezoning. He said every time Council delays action on the rezoning, Asheville Contracting Company, one of the protesters, approaches someone in the area in order to obtain more protest. He said if the property is rezoned no one would be disadvantaged except Asheville Contracting Company.

Councilman Rainey moved to amend Ordinance No. 1121 by excluding the Poor property, Lot 47, Sheet 25, and the Bell property, portions of Lot 9-1/2 and all of Lot 45, Sheet 30, from the proposed rezoning. This motion was seconded by Councilwoman Price.

Gary Rowe, attorney representing Asheville Contracting Company, whose property contains the rock pile and landfill created by the open cut project and is also subject to the rezoning, told Council that it was in a dangerous position in excluding property from the rezoning in order to remove the protest. He said Council has consistently taken the position since July 1 of excluding any property owner who has filed a protest. He said Asheville Contracting Company would gladly withdraw their protest if the Council will exclude Asheville Contracting's property from the rezoning.

F. Approval of a budget amendment amending the City of Asheville Parks and Recreation Department fund budget for Fiscal Year 1979-80.

HIGHLIGHTS: This amendment in the amount of \$1,500 is to provide additional revenue and expenditures for programs which will be aimed at improving the parenting skills of the parents involved in the Hillcrest Enrichment Program in order to reduce the juvenile crime rate in the Hillcrest area. These Juvenile Justice Delinquency Prevention Act funds from the State of North Carolina Department of Crime Control and Public Safety are in addition to those already approved by Asheville City Council on a budget amendment dated August 9, 1979, and will bring the amended total of this grant to \$6,648.00.

G. Resolution No. 79-198 - Resolution authorizing the Mayor and City Clerk to execute contract with Land-of-Sky Regional Council for funding of Elderly Nutrition Program.

HIGHLIGHTS: The Land-of-Sky Regional Council is the grantee in a contract with the North Carolina Division of Aging to administer the Nutrition Program for Older Adults within the Region B area and the program will provide a midday meal Monday through Friday to approximately 145 senior citizens in the Asheville Area and the City wishes to pay its prorated share of the 5% local match for the program. This will authorize the Mayor to enter into such an agreement.

Resolution Book No. 11 Page 299.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously adopted.

ORMA BOWIE - VIOLA LILES - REPORT ON COMPLAINT RECEIVED AUGUST 9, 1979

City Attorney William C. Moore said he had checked into the complaint of Viola Liles relative to being found in contempt of court. He said the City of Asheville has no jurisdiction in the court system, however, Judge Roda said her behavior was contemptuous and it was his right and prerogative to find her in contempt. He said her complaint should be filed with Chief District Judge J. O. Isreal.

The City Manager said he had received written reports from the Police Department relative to Mrs. Bowie's complaint and a personal contact with Mrs. Bowie was made by the Police Department in order for Mrs. Bowie to file a formal complaint against the arresting officer. He said he would have a report on the findings of the complaint.

- B. Resolution No. 79-194 - Resolution authorizing the Mayor to sign a contract with Computer System Services, Inc.

HIGHLIGHTS: This contract is for preventive and actual repair electronic data processing equipment. The current agreement with Computer System Services, Inc. terminates August 31, 1979.

Resolution Book No. 11 Page 295

- C. Resolution No. 79-195 - Resolution authorizing the Mayor to sign a contract with Burroughs Corporation for equipment maintenance.

HIGHLIGHTS: This maintenance contract provides 24 hours, 7 day a week maintenance on the major components of the Asheville-Buncombe County Criminal Justice Information System.

Resolution Book No. 11 Page 296 .

- D. Resolution No. 79-196 - Resolution authorizing the Mayor to execute a quitclaim deed relative to the Old Asheville-Hendersonville Airport.

HIGHLIGHTS: In 1972 when the City of Asheville, the City of Hendersonville and Henderson County conveyed to Harilee-Quattlebaum all the property known as the old Asheville-Hendersonville Airport a portion of the property was inadvertently omitted in preparing the deed. Quattlebaum has since conveyed the property to L. A. White and wife Ethel M. White. L. A. White has requested that the City of Asheville grant him a quitclaim deed in order to clear the title to this small tract.

Resolution Book No. 11 Page 297 .

- E. Resolution No. 79-197 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with W & W Contracting Company for the project known as K-Mart to Dreamland 20-inch sewer line.

HIGHLIGHTS: This 20-inch sewer line will be from K-Mart to Dreamland Drive-In. W & W Contracting Company is the low bidder in the amount of \$34,915.00. This project is funded under the 33 fund.

Resolution Book No. 11 Page 298 .

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to Council relative to the lottery sales in the City of Asheville.

** Addition to the Minutes**PRESENTATION OF THE BOOK "DAY OF THE CHING PAO" TO THE LIBRARY

At the beginning of the Council meeting, Mayor Trantham said he was presented the book "Day of the Ching Pao" by Malcolm Rosholt at a welcoming of the "Flying Tigers" to be presented to the Library.

Adjournment.

Ralph M. Trantham *William F. Holcomb*
MAYOR CITY CLERK

PROCLAMATION - "WOMEN'S EQUALITY DAY" - AUGUST 26, 1979

Mayor Trantham proclaimed August 26, 1979 as "Women's Equality Day" in the City of Asheville.

PROCLAMATION - AUGUST 24, 25, 26, 1979 - "BUCK STOVE WEEKEND"

Mayor Trantham proclaimed August 24, 25, and 26, 1979 as "Buck Stove Weekend" in the City of Asheville.

CLAIMS - LLOYD E. BECKWITH - ROSS MATTHEWS - CHAPMAN CONSTRUCTION COMPANY -
CARROLL L. CRAWFORD - FRED D. AYERS, JR. - DANNY LEE HENSLEY - HARDIE MERRILL -
PETERSON TRUST

The City Manager presented the following claims against the city received from Mr. W. R. Swearngan, Facility Services Superintendent:

Following individuals have claims against the City of Asheville for damage:

Lloyd E. Beckwith
198 Aurora Drive
Asheville, N. C.

Stopped up sewer line -
plumber charge

Ross Matthews
40 Watauga Street
Asheville, N. C.

Torn ligament - Aston Park
Tennis Court

Chapman Construction Company
Rt. 1, Box 397
Black Mountain, N. C.

Suit to recover payment
due - \$4,139.20

Carroll L. Crawford
7 Pelham Road
Asheville, N. C.

Broken asphalt curb

Fred D. Ayers, Jr.
71 Grovewood Road
Asheville, N. C.

Stopped up sewer -plumber
charge - \$79.00

Claims sent to St. Paul Fire and Marine Insurance:

Danny Lee Hensley
Rt. 5, Box 74
Asheville, N. C.

Damage to automobile
by City Vehicle

Hardie Merrill
Rt. 2, Box 246
Marshall, N. C.

Damage to automobile
by City Vehicle

Peterson Trust
151 Windham Way
Hendersonville, N. C.

Damage to automobile
by City Vehicle

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

- 1) The minimum lot size shall be no less than the nonresidential lot size of this zone;
- 2) Adequate off-street parking (One (1) space for each 100 square feet of gross floor space);
- 3) Adequate buffering;
- 4) External lighting should be covered to illuminate the building and parking lot only; and
- 5) Any external sign should not exceed seventy-five (75) square feet and should be mounted on the building.

Mr. Emrick said as a Conditional Use each application would be considered on its own merits rather than a blanket approval since the Board of Adjustment must approve all conditional uses.

Councilman Michael said in his opinion Council should not amend the zoning ordinance to accommodate one organization. He said Council has not done this in the past and should be consistent.

At the request of Council, Mr. Emrick reviewed other nonresidential uses in the R-3 Residential District.

Upon inquiry of Councilman Morris, Mr. Emrick said a restaurant for such an organization would not be open to the public, it would be a private restaurant for their members only.

Councilwoman Price suggested that the provision for the external sign be reduced from seventy-five (75) square feet to eight (8) square feet.

Glen Sams, representing the Royal Arcanum, spoke in support of the amendment. He said the Royal Arcanum has a site available for their organization which would provide for all the provisions.

Mayor Trantham closed the public hearing at 4:18 p. m.

Verl Emrick read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1127. This motion was seconded by Vice-Mayor Horton.

Councilwoman Price moved to amend Ordinance No. 1127 by also including "fraternal and philanthropic organizations" in the R-4 and R-5 Residential Districts and Office Institutional District as a Conditional Use with the provisions contained in the ordinance. She further moved that the provision relative to the external sign be amended to provide for a sign not to exceed eight (8) square feet in lieu of seventy-five (75) square feet. This motion was seconded by Councilman Rainey and carried on a voice vote of 6-1, with Councilman Michael voting "no."

On a roll call vote of 6-1, Ordinance No. 1127, as amended, passed on first reading.

176
Thursday - August 30, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman F. Jack Cole, Gene E. Rainey, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Acting City Clerk Carol S. Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

Mayor Trantham introduced Rev. James Tucker, Minister of Morningside Baptist Church and Chaplain at the Police Department, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 23, 1979 meeting.

Councilman Rainey requested that his motion relative to postponing the third reading of Ordinance No. 1121 include the postponement until August 30, 1979.

Upon motion of Councilman Cole, seconded by Councilman Rainey, the minutes of the August 23, 1979 meeting were approved as amended.

POLICE/FIRE BASEBALL GAME - INVITATION

2. Chief Powell Ball invited Council members to the Asheville Police Department and Asheville Fire Department baseball game at 7:30 p. m.

PUBLIC HEARING - AMENDING ZONING ORDINANCE TO INCLUDE "FRATERNAL AND PHILANTHROPIC ORGANIZATIONS IN THE R-3 RESIDENTIAL DISTRICT AS A CONDITIONAL USE

ORDINANCE NO. 1127 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. A public hearing was held relative to amending the Zoning Ordinance, being Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended including "fraternal and philanthropic organizations" as a Conditional Use in the R-3 Residential District subject to several provisions.

Mayor Trantham opened the public hearing at 4:05 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Royal Arcanum requested the Planning and Zoning Commission to consider amending the Zoning Ordinance to include "fraternal and philanthropic organizations" in the R-3 Residential District as a Conditional Use. He said the Planning and Zoning Commission, at its meeting on August 1, 1979, considered the request and recommended to Council that Section 30-5-4. B. Conditional Uses be amended by adding "Fraternal and Philanthropic Organizations" subject to the following provisions:

As you are aware, Asheville Contracting Company, Inc. has opposed the rezoning of its property in Chunn's Cove from R-2 to R-1 classification. We are hopeful that you will refuse this rezoning or not act upon it at the present time.

If you should decide to deny the request to rezone our property, we agree not to commence the construction of any building or development on the property for at least one year from now. If you should decide to defer action on the request, we agree to a like moratorium so long as the property is not rezoned within such one-year period.

Sincerely,

ASHEVILLE CONTRACTING COMPANY, INC

By: /s/ B. H. Taylor
President

Councilman Michael questioned whether or not Asheville Contracting Company would agree to recording such a document as stated in the letter to protect the property if it was sold, if Council did in fact table the third reading of the ordinance for one year.

Gary Rowe, attorney representing Asheville Contracting Company, said he would call his client to verify the agreement for a recordable document. He said from all conversations with Mr. Taylor there are no plans to develop or sell the property in the near future.

Councilman Michael commented that this agreement might solve some of the problems with the Chunn's Cove area residents.

Councilman Rainey said he felt this was only another delaying tactic and he would not agree with any further delays.

Councilman Cole said the parties involved particularly the residents of Chunn's Cove, need a final decision on the rezoning and he would not favor a delay.

Councilwoman Price reiterating comments made during previous readings of the ordinance said in her opinion Council would essentially be zoning the property in question for the first time with respect to the surrounding neighborhood.

Vice-Mayor Horton said Council should decide the final vote today.

Councilman Michael suggested that Council table the third reading of the ordinance for one year. He said he felt this was an effort to solve the problems in the area and would be fair to all parties involved.

Councilman Cole called for a vote on the question.

ORDINANCE NO. 1126 - AN ORDINANCE AMENDING ORDINANCE NO. 954, KNOWN AS "AN ORDINANCE ESTABLISHING AN ADMINISTRATIVE BODY KNOWN AS THE ASHEVILLE REVITALIZATION COMMISSION"

4. Consideration was given to the third reading of Ordinance No. 1126, an ordinance amending Ordinance No. 954, an ordinance establishing the Asheville Revitalization Commission.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

Upon inquiry of Vice-Mayor Horton, Verl Emrick, Planning Director, said this segment of the ordinance deals only with parking authorities and facilities.

On a roll call vote of 7-0, Ordinance No. 1126 passed on third and final reading.

Complete text of Ordinance No. 1126 will be found in Ordinance Book No. 9 at page 46.

ORDINANCE NO. 1121 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Chunns Cove Area)

5. Consideration was given to the third reading of Ordinance No. 1121, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning property in the Chunns Cove area from R-2 Residential District to R-1 Single Family Residential District.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there is a specific request to do so.

Verl Emrick, Planning Director, said at last week's meeting, Council voted to exclude the Bell and Poor property. He said he has received written notice from the Bell's and Poor's that they wish to withdraw their protest for the proposed rezoning. He said this dropped the protest to 15% which would eliminate the necessity of the "20% rule" or the requirement of a 3/4 favorable vote to pass the ordinance. He said on August 28, 1979 he received, from the City Clerk's office, another protest from Mr. David W. Hall, whose property adjoins the proposed rezoning. However, this only brought the protest to 17.41% thereby removing the 20% rule or 3/4 favorable vote.

Mayor Trantham read the following letter from Mr. B. H. Taylor, President of Asheville Contracting Company:

August 30, 1979

Mayor Roy Trantham
Members of City Council
City of Asheville
Asheville, North Carolina

Dear Mayor and Members of Council:

RE: Chunn's Cove Rezoning Request

On a roll call vote of 5-2, Ordinance No. 1121 passed on third and final reading, with Councilman Rainey, Councilman Cole, Councilwoman Price, Councilman Michael and Vice-Mayor Horton voting "aye" and Councilman Morris and Mayor Trantham voting "no."

Complete text of Ordinance No. 1121 will be found in Ordinance Book No. 9 at page 35.

ORDINANCE NO. 1128 - AN ORDINANCE AMENDING SECTION 29-8 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO DESIGNATE THE DIRECTOR OF WATER AND SEWER SERVICES AS THE ISSUER OF PERMITS FOR USE OF WATER FROM FIRE HYDRANTS AND TO PROVIDE AN ADDITIONAL PENALTY FOR VIOLATION

6. Consideration was given to an ordinance amending Section 29-8 of the Code of Ordinances of the City of Asheville to designate the Director of Water and Sewer Services as the issuer of permits for use of water from fire hydrants.

The City Manager read the ordinance explaining that this amendment would require the permission to use water from city fire hydrants be obtained from the Director of Water and Sewer Services rather than from the City Manager. He said this section has not been enforced in the past but will be in the future. He said this amendment would place the responsibility at the departmental level.

For informational purposes the City Manager read the following North Carolina General Statute pertaining to this subject:

"14-151.1 Interfering with electric, gas or water meters; prima facie evidence of intent to alter, tamper with or bypass electric, gas or water meters; civil liability. (a) It shall be unlawful for any unauthorized person to alter, tamper with or bypass a meter which has been installed for the purpose of measuring the use of electricity, gas or water or knowingly to use electricity, gas or water passing through any such tampered meter or use electricity, gas or water bypassing a meter provided by an electric, gas or water supplier for the purpose of measuring and registering the quantity of electricity, gas or water consumed. (b) Any meter or service entrance facility found to have been altered, tampered with, or bypassed in a manner that would cause such meter to inaccurately measure and register the electricity, gas or water consumed or which would cause the electricity gas or water to be diverted from the recording apparatus of the meter shall be prima facie evidence of intent to violate and of the violation of this section by the person in whose name such meter is installed or the person or persons so using or receiving the benefits of such unmetered, unregistered or diverted electricity, gas or water. (c) Any person violating any of the provisions of this section shall be guilty of a misdemeanor and upon conviction thereof shall be fined not more than five hundred dollars (\$500.00) or imprisoned not longer than two years, or both fined and imprisoned, in the discretion of the court. (d) Whoever is found in a civil action to have violated any provision hereof shall be liable to the electric, gas or water supplier in triple the amount of losses and damages sustained or five hundred dollars (\$500.00), whichever is greater. (e) Nothing in this section shall be construed to apply to licensed contractors while performing usual and ordinary services in accordance with recognized customs and standards."

Mr. Rowe said Council had been discussing property rights and should also consider the property rights of Asheville Contracting Company. He told Council if there was a sincere desire to resolve the matter in a sense of fairness of property rights they would have voted when the 20 percent (six-vote majority) rule applied, instead of waiting to see if another protest would be withdrawn. He said when Asheville Contracting Company took recourse to the rezoning by obtaining the 20% protest, Council consistently removed the protest by withdrawing the protesters property from the rezoning.

Mr. Rowe said Asheville Contracting Company has made every attempt to solve this emotional issue and if Council rezones the property, against the will of Asheville Contracting Company, they are not only prepared to, but are going to, bring lawsuits against the City.

Council delayed action on this ordinance for approximately five (5) minutes giving Mr. Rowe an opportunity to contact Mr. Taylor to determine if he would agree to recording a "condition of sale" to his property in Chunns Cove stating the conditions contained in Mr. Taylor's letter to Mayor Trantham dated August 30, 1979.

Mr. Rowe, upon returning to the meeting, said Mr. Taylor agreed to attach a "condition of sale" to his property outlining the stipulations in his letter.

Councilman Michael then moved to table the third reading of Ordinance No. 1121 for one year. This motion was seconded by Councilman Morris.

Councilman Morris said Council should have taken the advice of the Corporation Counsel and delayed action on the rezoning request until the state and federal lawsuits on the property in question are resolved.

Mr. Herbert Moore of 3 Chunns View Drive spoke in support of the rezoning. He said nothing could be gained by delaying the rezoning for one year.

On a voice vote of 4-2, Councilman Michael's motion to table the third reading of Ordinance No. 1121 for one year, was defeated with Councilwoman Price, Councilman Rainey, Councilman Cole and Vice-Mayor Horton voting "no" and Councilman Michael and Councilman Morris voting "aye."

Councilman Rainey and Councilman Cole called for a vote on the question.

Mr. Rowe then said, for the record, he would like to point out that this Council refused to exclude Asheville Contracting Company's property from the rezoning after being requested to do so with the intent of Asheville Contracting Company withdrawing their protest to the rezoning.

Vice-Mayor Horton responded by stating that the reason Council did not exclude Asheville Contracting Company's property was that it was in the original petition to rezone.

Attorney Ronald Brondyke, representing Dr. Edward Crouch, said Dr. Crouch had submitted the highest bid on the property and it was unanimously accepted by the Housing Authority. He said his client would be constructing a taxable building and the ABC Store would be non-taxable.

Larry Holt of the Asheville Housing Authority said during the meeting of the Commissioners of the Housing Authority when the disposal parcels were discussed the ABC Store was discussed and the Housing Authority Commissioners felt the ABC Board could find another location in the area. He said the ABC Board submitted a bid of \$67,000 on Lot 57C.

Dr. Edward E. Crouch said he plans to construct a two-story contemporary building which will contain four (4) office spaces. He said the cost of the project would be approximately \$400,000.

Councilman Cole said he felt Council should consider the highest and best tax base.

Upon a voice vote, Councilman Cole's motion to approve the sale of Disposal Parcel #57C to Edward E. Crouch passed on a vote of 5-1, with Councilman Morris voting "no."

Councilman Micheal moved to table action on Lot 123 until more information can be obtained from the redeveloper, James C. McDonald, DPM. He said the sale of this parcel to Dr. McDonald would violate the intended use of the property. He said the intended use for this parcel was neighborhood trading. This motion was seconded by Councilman Rainey and carried unanimously.

Councilman Rainey commented that the area seems to be being overbuilt with physician's offices and he felt the lots should be used for their intended use.

APPROVAL OF AGREEMENT BY PATTON, HUNTER AND COMPANY -PROCEDURAL AND REPORTING SYSTEM FOR THE WATER AND SEWER DEPARTMENT

8. Consideration was given to a motion authorizing the Mayor to execute an agreement by Patton, Hunter and Company for the installation of a procedural and reporting system for the Water and Sewer Department.

The City Manager presented the proposal by Patton, Hunter and Company for the installation of a procedural and reporting system for the Water and Sewer Department. He said the Department of Administration has reviewed the agreement and has recommended approval of the proposal. He said this would provide for a fiscal inventory and reporting control of the Water and Sewer Department, with the total amount of the agreement being \$7,500.00. He said the delivery date of the final report would be January 15, 1980.

Vice-Mayor Horton moved to approve the agreement with Patton, Hunter and Company for the installation of a procedural and reporting system for the Water and Sewer Department. This motion was seconded by Councilwoman Price and carried unanimously.

The City Manager said the ordinance would be distributed to all parties involved including the volunteer fire departments and would be pursued according to law in enforcement.

Councilman Cole moved for the adoption of Ordinance No. 1128. This motion was seconded by Councilman Morris.

On a roll call vote of 7-0, Ordinance No. 1128 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1128. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1128 passed on second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1128. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1128 passed on third and final reading.

Complete text of Ordinance No. 1128 will be found in Ordinance Book No. 9 at page 48.

APPROVAL OF THE SALE OF DISPOSAL PARCELS IN THE EAST RIVERSIDE RENEWAL PROJECT

7. Consideration was given to the approval of the sale of Disposal Parcels in the East Riverside Renewal Project.

The City Manager presented a letter from the Housing Authority of the City of Asheville which stated that the following bids for disposal parcels in the East Riverside Renewal Project has been received:

<u>Parcel</u>	<u>Reuse</u>	<u>Price</u>	<u>Bid</u>	<u>Redeveloper</u>
10	Residential	2,700	2,700	T. O. McCurry
57C	Commercial	67,000	75,000	Edward E. Crouch, MD
123	Commercial	39,000	39,000	James C. McDonald, DPM

Since several members of Council had questions relative to the sale of the disposal parcels, each individual parcel was discussed and voted upon separately.

Vice-Mayor Horton moved to approve the sale of Disposal Parcel #10 to T. O. McCurry in the amount of \$2,700. This motion was seconded by Councilman Cole and carried unanimously.

Councilman Cole moved to approve the sale of Disposal Parcel #57C to Edward E. Crouch, M. D. in the amount of \$75,000. This motion was seconded by Councilwoman Price.

Councilman Morris expressed concern relative to the sale of Disposal Parcel #57C to Edward E. Crouch, M. D. He said the ABC Board has been displaced in the Urban Renewal area and had expressed an interest in constructing an ABC Store on Lot #57C.

CERTIFICATE OF SERVICE

I, ROBERT B. LONG, JR., hereby certify that the foregoing Notice of Appeal has been served by delivering a copy thereof to the Mayor of the City of Asheville, City Manager of the City of Asheville and Counsel for the City of Asheville, this 29th day of August, 1979.

Robert B. Long, Jr.

PRESENTATION BY HOUSING PROJECTS, INC., BATTERY PARK HOTEL, INC., AND BATTERY PARK ASSOCIATES, LTD. RELATIVE TO DENIAL OF CERTIFICATE OF APPROPRIATENESS BY THE ASHEVILLE REVITALIZATION COMMISSION

9. A presentation was given by Housing Projects, Inc., Battery Park Hotel, Inc., and Battery Park Associates, Ltd. relative to the denial of a Certificate of Appropriateness by the Asheville Revitalization Commission.

Mr. Robert Long, Attorney for Housing Projects, Inc., said Housing Projects, Inc., Battery Park Hotel, Inc., and Battery Park Associates, Ltd. are appealing to the City Council as to the ruling of the Asheville Revitalization Commission relative to the denial of a Certificate of Appropriateness on August 15, 1979. He presented and reviewed the following documents which was requested to be entered into the minutes:

COURTNEY OF HUNTERMAN
CITY OF ASHEVILLE

NOTICE OF APPEAL

TO: The Mayor and Council of the City of Asheville
City Manager
Council for the City of Asheville

PLEASE TAKE NOTICE that Housing Projects, Inc., Battery Park Hotel, Inc., and Battery Park Associates, Ltd. have appealed the denial of Certificate of Appropriateness by the Asheville Revitalization Commission to the Council of the City of Asheville, such denial having occurred on the 15th day of August, 1979, and formal request is hereby made that said cause, the appeal of which is made pursuant to Ordinance No. 954, Section 9, be placed on the agenda of the Council of the City of Asheville for hearing on such appeal on the 30th day of August, 1979, and request is hereby made for certification of all the records in connection therewith be made from the Asheville Revitalization Commission to the Council of the City of Asheville.

Counsel appearing for said appealing parties will be Gaither Walser, Lexington, North Carolina, and Robert B. Long, Jr., Asheville, North Carolina, this 29th day of August, 1979.

BATTERY PARK ASSOCIATES, LTD.

By Billy P. Blundell

CERTIFICATE OF SERVICE

I, ROBERT B. LONG, JR., one of the attorneys for BATTERY PARK HOTEL, INC., HOUSING PROJECTS, INC., and BATTERY PARK ASSOCIATES, LTD., hereby certify that I have this date hand delivered a copy of the foregoing Notice of Appeal to Offices of Richard Thornton and Neil Emrick OF The Asheville Revitalization Commission and to the Office of _____, at the office of the City Manager of the City of Asheville, North Carolina, City Hall, Asheville, North Carolina.

This the 24 day of August, 1979.

ROBERT B. LONG, JR.

CITY OF ASHEVILLE

BEFORE THE REVITALIZATION COMMISSION

NOTICE OF APPEAL

NOW COME, BATTERY PARK HOTEL, INC., HOUSING PROJECTS, INC., and BATTERY PARK ASSOCIATES, LTD., parties interested herein, and give Notice of Appeal to the Council of the City of Asheville from the refusal of the Asheville Revitalization Commission to issue a Certificate of Appropriateness to BATTERY PARK HOTEL, INC., HOUSING PROJECTS, INC., and BATTERY PARK ASSOCIATES, LTD., for reconstruction of that property formerly known as Battery Park Hotel and which is more particularly described in the plans submitted to the Asheville Revitalization Commission, which said denial of Certificate of Appropriateness was made by the Asheville Revitalization Commission on the 15th day of August, 1979. The reason for the Appeal is that said denial is unlawful, not within the jurisdiction of the said Asheville Revitalization Commission, contrary to the revitalization plan formally adopted by the said Commission and the Council of the City of Asheville, unconstitutional, arbitrary and capricious in that the same was based upon matters not within the authority of the Asheville Revitalization Commission. Immediate request is hereby made that all records in connection with said application for Certificate of Appropriateness and the denial of the same by the Asheville Revitalization Commission be certified to the Council of the City of Asheville for consideration of this Appeal.

This the 24th day of August, 1979.

ARTICLE 10. ADMINISTRATION, ENFORCEMENT,
BUILDING PERMITS, CERTIFICATE OF OCCUPANCY,
PENALTIES AND CONDITIONAL USES.

Sec. 30-10-1. Zoning Administrator.

The Building Inspector is hereby designated as the Zoning Administrator of the City of Asheville and he is empowered to administer and enforce this Ordinance.

If the Zoning Administrator shall find that any of the provisions of this Ordinance are being violated, he shall notify in writing the person responsible for such violations, indicating the nature of the violation and ordering the action necessary to correct it. He shall order discontinuance of illegal use of land, buildings, or structures, removal of illegal loadings or structures or of illegal additions, alterations, or structural changes, discontinuance of any illegal work being done, or shall take any other action authorized by this Ordinance to ensure compliance with or to prevent violation of its provisions.

Sec. 30-10-2. Application for a Zoning Permit.

All applications for zoning permits shall be accompanied by plans in triplicate drawn to scale which indicate the following:

- A. The shape and dimensions of the lot on which the proposed building or use is to be erected or constructed.
- B. The location of said lot with respect to adjacent rights-of-way.
- C. The shape, dimensions, and location of all buildings existing and proposed on the said lot.
- D. The nature of the proposed use of the building or lot, including the extent and location of the use on the said lot.
- E. The location and dimensions of off-street parking and means of ingress and egress to such space.
- F. Any other information which the Zoning Administrator may deem necessary for consideration in enforcing the provisions of this Ordinance.

One copy of the plans shall be returned to the applicant by the Zoning Administrator, after he shall have marked such copy either as approved or disapproved and attested to same by his signature on such copy. The original and one copy of the plans shall be retained by the Zoning Administrator.

MEMORANDUM OF POINTS ON REVITALIZATION COMMISSION
AND BUILDING PERMITS

187

1. There is nothing in the Zoning Ordinance giving any power to the Revitalization Commission to allow or withhold a building permit. This power is vested in the Building Inspector/Zoning Administrator. See attached portion of Zoning Ordinance.

2. There is nothing in Ordinance 954 that purports to give the power to the Revitalization Commission to grant or deny a building permit or to grant or deny a "certificate of appropriateness". For instance, a reading of Section 2 of such Ordinance entitled "Purpose and Powers of the Commission" nowhere establishes a purpose of reviewing building permits or the use of property within the downtown revitalization area. A reading of the powers of the Commission contained in Section 2 of the Ordinance likewise contains no grant of authority with regard to building permits or to the use of property within the downtown improvement district.

Finally, under Section 6, dealing with urban design and architectural harmony, any authority of the Board is related to plans for exterior building rehabilitation, etc. and does not relate to the usage of the property. In fact, the plan project passed the Design Review Board and no question has been raised at any time as to the appropriateness of the exterior building rehabilitation. The sole basis of the rejection of the project by the Revitalization Commission was on the basis of the use to which the property would be put. See attached sections of the Ordinance for documentation of authority.

3. Finally, the downtown improvement plan, Part III, Chapter 15, at page 15-17, gives the uses to which such area, will be devoted. Specifically, as attached, the plan envisions that the hotel will soon be converted to "some form of housing with commercial uses on lower levels". This is the exact usage to which the developer herein will put the property. Finally, in the same section, it is stated: "The ultimate land utilization would probably be a mixture of government buildings, high-rise housing and regional shopping center." Thus it can be seen that even the plan itself envisions this exact use, as the developer involved herein is the same developer who has been working on this plan for over two (2) years and has invested hundreds of thousands of dollars and a great deal of time in bringing it to the point of fruition.

4. Finally, it may be stated without equivocation that the project intended for rehabilitation of the Battery Park, involving three and one-half million dollars, has met both the zoning requirements and the building code. It is a matter of fact that a building permit would have been issued in this case except for instructions to the Building Inspector/Zoning Administrator, that such building permit should not be issued unless approved by the Asheville Revitalization Commission. The law of the State of North Carolina is specific that a building inspector has no discretion to withhold a building permit when the project meets applicable zoning restrictions and the plans and specifications comply with the building code. See attached, Quadrant Corporation v. Kinston, 22 N.C. App. 31 (1973).

5. For the foregoing reasons, the action of the Asheville Revitalization Commission should be reversed and the building inspector should be allowed to issue the building permit necessary to bring this controversy to an end.

(h) The Commission is authorized to appoint committees from its membership whose function shall be fixed by the Commission at the time of appointment. Such committees may be standing committees and shall perform such duties as may be assigned by the Commission.

(i) The Commission is further authorized to employ with the approval of City Council an executive director who, with the Planning Director of the City of Asheville, will coordinate the planning and implementation of all projects undertaken by the Commission. In addition the Commission, with the approval of City Council, is authorized to employ such staff, technical experts and such other consultants and agents as it may require, and shall determine their qualifications, duties, and compensation. The Commission may, with the consent of the City Manager, call upon other city departments for such support services as it may require. All personnel employed in the operation of the Commission shall be employees of the Commission and shall be appointed and removed in the same manner as determined by the Commission.

(j) The Commission shall be embodied for a period of five (5) years and its existence may be continued by resolution by the City Council, or in the absence of a resolution to continue the Commission's existence, until all its liabilities have been met. Upon its ceasing to exist, all its rights and properties shall pass to the City.

Section 2. Purpose and Powers of the Commission

(a) Subject to such limitations as may be imposed by law or by the ordinances of the City of Asheville, the Commission shall be embodied for the following purpose in order to further the public welfare:

- (1) to facilitate downtown redevelopment, improvement, and revitalization;

Sec. 30-10-3. Certificate of Occupancy.

It shall be unlawful to use or occupy or permit the use of occupancy of any building or premises, or both, or part thereof hereafter created, erected, changed, converted, or wholly or partly altered or enlarged in its use or structure until a certificate of occupancy shall have been issued by the Building Inspector stating that the proposed use of the building or land conforms to the requirements of this Ordinance.

Sec. 30-10-4. Denial of Certificate of Occupancy.

If the certificate of occupancy is denied, the applicant may appeal the action of the Building Inspector to the Board of Adjustment.

Sec. 30-10-5. Construction and Use to be as Provided in Applications, Plans, and Permits.

Building permits or certificate of occupancy issued on the basis of plans and applications approved by the Zoning Administrator authorize only the use, arrangement, and construction set forth in such approved plans and applications, and no other use, arrangement, or construction. Use, arrangement, or construction at variance with that authorized shall be deemed violation of this Ordinance, and punishable as provided by Sec. 30-10-8 hereof.

Sec. 30-10-6. Application for Building Permit.

Building permits shall not be issued until an applicant has first received a zoning permit.

Sec. 30-10-7. Remedies.

If any building is erected, constructed, reconstructed, repaired, converted, or maintained or any building, structure, or land is used in violation of this Ordinance, the Zoning Administrator or other appropriate authority or any adjacent or other property owner who would be damaged by such violation may institute injunction or other appropriate action in proceeding to stop the violation.

Sec. 30-10-8. Penalties for Violation.

Any person violating any provision of this Ordinance shall be guilty of a misdemeanor and, upon conviction shall be fined, as determined by the court for each offense. Each day such violation continues shall constitute a separate offense.

Sec. 30-10-9. Conditional Uses.

Conditional uses shall be approved by the Board of Adjustment.

- or any agency, instrumentality or agent of the above, and to expend the proceeds toward the accomplishment of the Commission's purposes;
- (4) to act as an agent of the City with Council's approval to acquire, by purchase, gift, or donation, real and personal property within the established Downtown Improvement District;
 - (5) to administer a revolving rehabilitation loan program for the downtown district jointly with the City;
 - (6) to do all things, subject to limitations as may be imposed by law or by the ordinances of the City of Asheville, necessary and convenient to carry out the purposes of the Commission for the public welfare;
 - (7) to appoint special task forces to make recommendations to the entire Commission relative to specialized studies which further the implementation of the plan.

Section 3. Designation of a Downtown Improvement District Boundary.

The Commission shall delineate a geographical boundary for the establishment of a Downtown Improvement District. The district shall be delineated and defined by an official map. The district boundary may be altered or otherwise changed by resolution of the City Council.

Section 4. Downtown Improvement District Plan.

The Commission shall develop and adopt a development plan for the area within the Downtown Improvement District. By April 1, 1978, the Commission shall submit a plan to City Council, said plan shall include, as a minimum, a statement of goals and an

- (2) to promote the downtown district and commercial, service, and public activities within the downtown district;
- (3) to foster communication and coordination among the downtown establishments, property owners, the City and all interested agencies and organizations within the metropolitan area;
- (4) to recruit new commercial or services establishments or activities into the downtown district;
- (5) to conduct planning and feasibility assessment required to support downtown redevelopment and revitalization;
- (6) to provide merchandising assistance and support services to downtown commercial and service activities on a reimbursement basis; and
- (7) to extend its role of revitalization to the remaining commercial areas of the City at the discretion of the Commission.

(b) To carry out said purposes, the Commission shall have the power:

- (1) to make Bylaws for the management and regulation of its affairs and furtherance of public purposes, said Bylaws may be approved by Council;
- (2) to make contracts or leases and to execute all instruments necessary or convenient;
- (3) To accept grants, funds, loans or contributions from the United States, the State of North Carolina, the City of Asheville or the County of Buncombe, any private or public corporation, any individual

The Commission shall base its approval or disapproval on the conformity of the proposal for improvements with the approved plan for the district. A Design Review Board shall be established by the Commission to review each redeveloper's plans and to advise the Commission on such matters as: (1) harmony of design; (2) landscaping; (3) provisions for open spaces; (4) adequacy of off-street parking; (4) adequacy of signage; (6) provisions of aesthetic objects; (7) underground wiring; (8) litter, trash, and garbage collection; and (9) other provisions of the approved plan.

The Design Review Board will consist of the Executive Director of the Commission, the Director of Planning, the Chairman of the Planning and Zoning Commission, and four (4) architects appointed by the Commission. The Design Review Board shall also review the redeveloper's final plans to ascertain their conformity with preliminary plans. The Design Review Board shall consider each redeveloper's proposal as expeditiously as possible in order to avoid delay in construction of improvements. The Review Board's recommendations shall be brought before the Commission by the Executive Director of the Commission; and if no action is taken within thirty (30) days, the recommendation of the Review Board will be presumed to be endorsed by the Commission.

Section 7. Moneys of the Commission

All moneys of the Commission shall be paid to the Director of Finance of the City as agent of the Commission, who shall designate depositories and who shall maintain separate accountability for all moneys of the Commission. Commission moneys shall be paid out on written requisition of the Chairman of the Commission or of such other person or persons as the Commission may authorize to make such requisitions. All deposits of such moneys shall be secured in the manner provided by law for securing deposits of moneys of the City. The Director of Finance of the City and his legally authorized representatives are authorized and empowered

economic strategy for the Downtown Improvement District and physical design to accomplish said goals and strategy. In addition, said plan shall serve as a guide for downtown development and a framework for decision-making. Within thirty (30) days after adoption of the plan by the Commission, it shall be submitted to the City Council, the Asheville Planning and Zoning Commission, other interested organizations and agencies and the general public for consideration and comment. Said plan must be certified by the Asheville Planning and Zoning Commission as being consistent with the overall development plan for the City and must be approved by the City Council within sixty (60) days after its submission. If the Asheville Planning and Zoning Commission cannot make such certification, it shall be the responsibility of the Commission to make such necessary modification in its plan to secure the Planning and Zoning Commission's certification and the City Council's approval. Amendments to the Commission's plan and programs for implementation must be certified and approved by the same procedure.

Section 5. Reports to City Council.

The Commission shall submit quarterly, a report of its activities and recommendations to the City Council and shall submit copies of its minutes and proceedings of its regular and special meetings. Said reports shall be filed with the City Clerk.

Section 6. Urban Design and Architectural Harmony.

In order to create and maintain harmony of architecture and quality of design all plans for exterior building rehabilitation, demolition, new construction, parking areas, street pattern changes, creation of parks or open spaces, landscaping, or signage to be undertaken within the Downtown Improvement District shall be approved by the Commission.

Quadrant Corp. v. City of Kinston

which presupposes the theft by another, we hold that the judgment of nonsuit should have been granted. Whether the possession of the stolen items under the circumstances outlined would be sufficient to sustain a larceny charge is not before us. We do note, however, that receiving is not a lesser included offense of larceny; and jeopardy has not attached as to a proper larceny indictment. *State v. Neill*, 244 N.C. 252, 93 S.E. 2d 155 (1956); *State v. Brady*, 237 N.C. 675, 75 S.E. 2d 791 (1953); *State v. Cassada*, 6 N.C. App. 629, 170 S.E. 2d 575 (1969).

The judgment is reversed.

Judge BRITT and Judge HEDRICK concur.

THE QUADRANT CORPORATION v. CITY OF KINSTON, A MUNICIPAL CORPORATION, AND C. ROSS HILL, BUILDING INSPECTOR OF THE CITY OF KINSTON

No. 748SC215

(Filed 5 June 1971)

1. Municipal Corporations § 30—building permit—discretion of building inspector

A building inspector had no discretion to withhold a building permit for the construction of apartment, where the applicable zoning restrictions permitted the construction of multiple dwellings on the applicant's property and the plans and specifications for the proposed structures showed that the apartments complied with lot size and other space requirements embodied in the zoning laws.

2. Municipal Corporations § 30—decision of board of adjustment—finality

Decision by the board of adjustment that plaintiffs are entitled to a building permit is final where no aggrieved party sought review of the decision in the superior court. G.S. 160A-588(e).

APPEAL by defendants from *Cowper, Judge*, 13 August 1973 Session of Superior Court held in LENOIR County.

Plaintiff brought this action for mandamus to compel defendants to issue a building permit.

On 23 March 1973, plaintiff applied to C. Ross Hill, Building Inspector for the City of Kinston, for a building permit to construct apartments. The construction site was zoned RA-6 (Residential), a classification which includes multiple dwellings

exteriors remain unchanged. See Map 14.1 in Chapter Fourteen for locations and boundaries of Urban Villages.

Civic Center: Is unlikely that any significant changes will occur here within the next twenty-five years. Usage will remain primarily institutional with a single high-rise apartment building (Vanderbilt Apartments). It is probable that the parking garage across the street will be replaced eventually by a more substantial structure.

Battery Hill: This is envisioned as becoming one of the most prestigious shopping districts in the Southeast. It is currently occupied by public sector employment, the vacant Battery Park Hotel and several successful retail stores, the Wall Street speciality shopping area, and several under-utilized parking lots. The situation is changing however. The hotel will soon be converted to some form of housing with commercial uses on lower levels. Well-planned conversion of the Federal Building back into a shopping mall would probably be an adequate "magnet" to attract expansion or development of a major department store. This in turn would encourage more intense use of parking facilities and development of several high fashion stores nearby. The ultimate land utilization would probably be a mixture of governmental buildings, high rise housing and regional shopping center.

Pritchard Park: This area contains Asheville's traditional shopping district and two of the three major commercial buildings constructed in the Central Core since 1930. Many of the larger buildings and most of the upper levels are vacant. Several businesses have recently come into the area but they are different than their predecessors. The most successful are high quality establishments such as restaurants and specialty shops.

The street level spaces of smaller buildings in this village will probably continue in uses similar to the present. The futures of the former

Quadrant Corp. v. City of Kinston

It was entitled to a permit, that no aggrieved party appealed a decision, and that that decision is final. We note that again the court's conclusions of law are supported by facts found and admitted. *Manufacturing Co. v. Clayton, Acting Commr. of Revenue, supra; Insurance Co. v. Motors, supra*. Numerous decisions support the legal proposition that ordinarily Board of Adjustment decisions are final. *E.g., Yancey v. Heafner*, 268 N.C. 33, 150 S.E. 2d 440; *Danham County v. Addison*, 262 N.C. 30, 136 S.E. 2d 600.

In addition to concluding that the Board's decision was final, the court also concluded that "the Board of Adjustment did have before it [when it made its decision] all pertinent facts and circumstances and that it did make a full and impartial inquiry into all matters and things which it should have considered. . . ." Although this conclusion was apparently designed to answer defendants' argument that the Board considered insufficient evidence and failed to comply with the terms of its statutory charter, it is extraneous to plaintiff's right to mandamus. Defendants were not in a position, within the context of this action, to challenge the validity and propriety of the Board's decision. G.S. 160A-388(c) provides that all decisions of a Board of Adjustment are subject to review by the superior court by proceedings in the nature of certiorari. The Code of the City of Kinston includes the following.

"Sec. 24-41. Appeals from decision of board.

Any person or persons, jointly or severally, aggrieved by any decision of the board, or any taxpayer, or any officer, department, board, or bureau of the city may, within thirty (30) days after the filing of the decision in the office of the board, but not thereafter, present to a court of competent jurisdiction a petition duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of illegality, whereupon such decision of said board shall be subject to review as provided by law. (Ord. of 5-1-50, § 12)"

Defendants have complied with neither G.S. 160A-388 nor Section 24-41. The judgment from which defendants appealed is affirmed.

Affirmed.

Judges CAMPBELL and MORRIS concur.

 Quadrant Corp. v. City of Kinston

as a permitted use provided minimum lot size and other space requirements are satisfied. Plaintiff submitted scale drawings of the property and proposed buildings which depict the proposed placement of the structures. Hill refused to issue a permit and informed plaintiff that the matter should be referred to the Kinston Board of Adjustment for review. On 2 April 1973, plaintiff applied to the Board of Adjustment for a building permit. The Board determined that plaintiff's request for a permit should be granted. Defendant appellant did not petition the superior court to review that decision. Hill still refused to issue the permit. He told plaintiff that the Kinston Board of Aldermen would have to review the matter. On two occasions, the Aldermen declined to authorize the issuance of a permit.

Plaintiff then brought this action for mandamus. After making findings of fact and conclusions of law, the court directed defendants to issue the building permit upon plaintiff's request and payment of the required fees.

Barden, Stith, McCotter & Stith by Laurence A. Stith for plaintiff appellee.

Vernon H. Rochelle for defendant appellants.

VAUGHN, Judge.

[1] Defendants except to the entry of the judgment and argue, in effect, that the judgment is based on erroneous conclusions of law. With respect to defendant Hill, the court determined that "the Building Inspector should have issued such permit forthwith upon the application made to him. . . ." This conclusion is supported by the facts found and admitted. *Manufacturing Co. v. Clayton, Acting Comr. of Revenue*, 265 N.C. 165, 143 S.E. 2d 113; *Insurance Co. v. Motors*, 264 N.C. 444, 142 S.E. 2d 13. The court found and defendants admitted that applicable zoning restrictions permitted the construction of multiple dwellings on plaintiff's property. The court further found and defendants also admitted the plans and specifications for the proposed structures indicated that the apartments complied with the lot size and other space requirements embodied in the zoning laws. From these findings, it follows that as a matter of law, Hill had no discretion to withhold the requested building permit. See *In re Application of Construction Co.*, 272 N.C. 715, 158 S.E. 2d 887; *Mitchell v. Barfield*, 232 N.C. 325, 59 S.E. 2d 810.

[2] So far as the Board of Adjustment of the City of Kinston is concerned, the court concluded that the Board determined plain-

Mr. Long said a commitment was received from the Department of Housing and Urban Development to provide subsidized housing in the renovation of the Battery Park Hotel for elderly housing. He said the private project, consisting of 122 units, would cost three and one-half million dollars.

Mr. Long said in the present condition the building brings in about \$3,000 in taxes and with the renovation as planned the hotel would bring in about \$18,000 in taxes.

He said the closing with HUD was to take place on August 16, 1979 and the only prerequisite was the issuance of a building permit for the renovations. He said an application for the building permit was made, which project met all zoning requirements of the City of Asheville and the plans and specifications for the building renovations met all applicable building codes, including that of the State of North Carolina. He said Mr. Johnson of the Inspections Division informed them that he could not issue the building permit unless the project was approved by the Asheville Revitalization Commission. He said a meeting was held with the Asheville Revitalization Commission on August 15, 1979 at which time a Certificate of Appropriateness for the project was denied and the Building Inspector could not issue the building permit without approval of the Asheville Revitalization Commission.

Mr. Long said the parties involved obtained a "reinstatement right" from HUD if the project can be closed before September 30, 1979. He said after that time any commitment of HUD would be invalid.

The Corporation Counsel advised Council to take the information received under advisement and to schedule a work session on the matter.

Upon inquiry of Councilman Cole, Mr. Gaither Walsher, attorney representing the appellants, said the developer purchased the property in 1976 and it was not unusual for a project to take this long in obtaining approval from HUD.

Upon inquiry of Councilman Rainey, Mr. Blackwell of Housing Projects, Inc. said he has not had any contacts in the past two or three months for a convention business.

Councilman Rainey requested that the matter be scheduled for next week's agenda.

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A LEASE AGREEMENT WITH THE ASHEVILLE ABC BOARD FOR PROPERTY ON AIRPORT ROAD

10. Consideration was given to a resolution authorizing the Mayor to execute a lease agreement with the Asheville ABC Board for property on Airport Road.

The City Manager read the resolution.

Vice-Mayor Horton suggested that the resolution be tabled until more information could be obtained from the ABC Board relative to the justification for another ABC store.

STATE OF NORTH CAROLINA
COUNTY OF BUNCOMBE

A F F I D A V I T

BILLY P. SHADRICK, being first duly sworn, deposes and says:

That he is an officer of Housing Projects, Inc. and a general partner in Battery Park Associates, L.T.D., and as such, makes this Affidavit, for and on behalf of said entities.

That acting on behalf on said entities, he personally applied to the Building Inspector/ Zoning Administrator of the City of Asheville, Mr. J.E. Johnson, for a building permit for the construction project involving the renovation of the old Battery Park Hotel and paid the necessary fees in the amount stipulated by Mr. J.E. Johnson for issuance of such building permit, on the 10th day of August, 1979. That on or about August 15, 1979, Mr. J.E. Johnson failed to issue the building permit. That in conversations with Mr. J.E. Johnson, Building Inspector/Zoning Administrator for the City of Asheville, the undersigned, in company with his attorneys and others, has been informed that the project meets all zoning requirements of the City of Asheville, such location being in a commercial regional zoning district, and further, that the plans and specifications for the building renovations meet all applicable building codes, including that of the State of North Carolina. That, further, Mr. J.E. Johnson, has personally informed this Affiant that the only reason he has not issued the building permit is that he has received instructions not to do so unless the project is approved by the group known as, "The Asheville Revitalization Commission".

This the 30 day of August, 1979.

Billy P. Shadrick
BILLY P. SHADRICK

SWORN TO AND SUBSCRIBED before me,
this the 30 day of August, 1979.

Mary E. Anderson
NOTARY PUBLIC

My Commission expires: 11-29-82

BUDGET AMENDMENT - AMENDING 1979-80 OPERATING BUDGET

14. Consideration was given to a budget amendment amending the 1979-80 Operating Budget.

The City Manager presented the budget amendment and said this amendment is to reallocate funding for the City's Fiscal 1979-80 Pay Plan as approved by Council to each of the City's Departments and Divisions. The General Funds would be amended by \$783,665 and the Water and Sewer Operating Fund would be amended by \$174,138.

Councilman Cole moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

RESOLUTION NO. 79-201 - RESOLUTION AUTHORIZING THE DISPOSAL OF THE CITY'S FRONT-END LOADERS TO OTHER GOVERNMENTAL UNITS

15. Consideration was given to a resolution authorizing the Disposal of the City's front-end loaders to other governmental units.

The City Manager read the resolution. He said the City has six front-end loader garbage trucks which are no longer being used and one truck is leased with an option to buy at a previously agreed on price of \$46,145 and the purchase of such truck and subsequent resale for the same price is in the best interest of the City. The other trucks have been appraised at the following values:

<u>Truck Number</u>	<u>Appraised Value</u>
#338	\$25,350
#339	\$11,750
#327	\$23,850
#313	\$27,500
#336	\$33,750

He said this resolution will authorize the Mayor to execute the purchase option on the leased vehicle and the other vehicles be declared surplus and the Mayor be authorized to sell the equipment to any governmental unit at the above appraised values.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-201 was unanimously adopted.

Complete text of Resolution No. 79-201 will be found in Resolution Book No. 11 at page 302.

SCHEDULE OF COMMUNITY DEVELOPMENT PUBLIC HEARINGS

16. The City Manager presented the following schedule of Community Development Public Hearings:

Biltmore Elementary School	September 4, 1979	Tuesday	7:30 p. m.
William Randolph School	September 11, 1979	Tuesday	7:30 p. m.
Hilltop Community Center	September 18, 1979	Tuesday	7:30 p. m.
Aycock School	October 2, 1979	Tuesday	7:30 p. m.

Vice-Mayor Horton moved to delay action on the resolution until more information could be obtained from the ABC Board. This motion was seconded by Councilwoman Price and carried unanimously.

RESOLUTION NO. 79-199 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A CONTRACT WITH SKYLAND JANITORIAL SERVICE FOR ANNUAL CUSTODIAL SERVICES IN THE TERMINAL BUILDING AT THE ASHEVILLE AIRPORT

11. Consideration was given to a resolution authorizing the Mayor to execute a contract with Skyland Janitorial Service for annual custodial services in the terminal building at the Asheville Airport.

The City Manager read the resolution. He said the City/County Aviation Committee has reviewed the contract and has recommended its acceptance.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-199 was unanimously adopted.

Complete text of Resolution No. 79-199 will be found in Resolution Book No. 11 at page 300.

RESOLUTION NO. 79-200 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO SEEK GRANT FUNDING FROM THE NORTH CAROLINA YOUTH ADVISORY COUNCIL FOR THE WESTERN NORTH CAROLINA NATURE CENTER PROJECT OF THE ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL

12. Consideration was given to a resolution authorizing the Director of Parks and Recreation to seek grant funding from the North Carolina Youth Advisory Council for the Western North Carolina Nature Center Project of the Asheville-Buncombe County Youth Council.

The City Manager read the resolution. He said the requested grant monies of \$500, of which no local matching is required, will be used to provide aesthetics and enhancement of a planned fox and bobcat habitat. Manpower and labor will be supplied by the members of the Youth Council to add the natural effects of the habitat to the basic structure.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 79-200 was unanimously adopted.

Complete text of Resolution No. 79-200 will be found in Resolution Book No. 11 at page 301.

BUDGET AMENDMENT - AMENDING 1979-80 CITY OF ASHEVILLE ANNUAL OPERATING BUDGET

13. Consideration was given to a budget amendment amending the 1979-80 City of Asheville Annual Operating Budget.

The City Manager presented the budget amendment and said this amendment in the amount of \$5,350 is to amend the Revenue Sharing Fund capital outlay budget to provide funding for Public Works to buy office furniture.

Councilman Morris moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

AVIATION AUTHORITY CONCEPT ADOPTED

The City Manager said in talking with the County Commissioners during the past week an indication was given that Council would, in an official Council meeting, adopt the general concept of the establishment of an Aviation Authority.

Councilwoman Price moved that the Asheville City Council officially adopts the general concept of the establishment of an Aviation Authority and its further consideration. This motion was seconded by Councilman Cole and carried unanimously.

COMMITTEE ESTABLISHED TO EXAMINE TAX INEQUITIES

The City Manager said the establishment of a committee to examine tax inequities of City and County taxpayers was also discussed with the County Commissioners. He said it was the consensus of Council and the Commissioners to establish such a committee with the members of the committee consisting of the Water Committee, being Mayor Trantham, Councilwoman Price and Councilman Morris.

Councilman Rainey moved for the establishment of a committee to examine tax inequities with the members of the committee, for the City, to consist of Mayor Trantham, Councilwoman Price, and Councilman Morris. This motion was seconded by Vice-Mayor Horton and carried unanimously.

REINTRODUCTION OF LOCAL GOVERNMENT STUDY COMMISSION REPORT

The City Manager said he felt this would be an ideal opportunity to reintroduce the Local Government Study Commission Report and to involve the Chairman of the Commission in preliminary discussions with the County.

Vice-Mayor Horton moved for the reintroduction of the Local Government Study Commission Report. This motion was seconded by Councilman Cole and carried unanimously.

REPORT FROM J. E. JOHNSON, BUILDING INSPECTOR - STEVENS HILL ROAD COMPLAINT

Mr. J. E. Johnson, of the Building Inspections Division, said he has been involved with the complaint of a gentleman on Stevens Hill Road continuously having trash and debris on his property since 1973. He said he has turned over all the documentations to the City Attorney to investigate the matter. He said the Health Department has also been involved with the complaint. He said his division has had the property cleaned on several occasions but within a month the property is again covered with trash and debris.

Several members of Council indicated that they had also received many complaints on the matter from residents in the area.

The City Attorney said he would investigate the matter further and report his recommendations to Council.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to Council about the lottery operations in Asheville.

Adjournment.

BUDGET AMENDMENT - AMENDING CITY OF ASHEVILLE FISCAL 1979-80 BUDGET

17. The City Manager presented a budget amendment amending the City of Asheville Fiscal 1979-80 budget to provide funding to continue operations at Recreation Park through December 31, 1979. The amount of the budget amendment is \$35,122. He said the Recreation Park was scheduled to be closed on August 30, 1979.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

PETITION - SANDON CIRCLE - 100 FT. TO BE INCLUDED IN STREET MAINTENANCE PROGRAM

The City Manager presented a petition received from residents of Sandon Circle requesting that the final 100 feet of Sandon Circle be included in the Asheville street maintenance program.

The City Manager said the petition would be presented to the Public Works Department for investigation and recommendation.

PROCLAMATION - JERRY LEWIS MUSCULAR DYSTROPHY TELETHON WEEKEND - SEPT. 2ND AND 3RD

Mayor Trantham proclaimed September 2nd and 3rd, 1979 as "Jerry Lewis Muscular Dystrophy Telethon Weekend."

PETITION - RICHMOND HILL DRIVE - EXTENSION OF CITY BUS SERVICE

The City Manager presented a petition received from residents of Richmond Hill Drive requesting for an extension of city bus service onto Richmond Hill Drive.

The City Manager said the petition would be presented to the Asheville Transit Authority for investigation and recommendation.

CLAIMS - MS. VICKIE D. MURPHY - MR. B. J. HENSLEY

The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent:

Following individuals have claims against the City of Asheville for damage:

Ms. Vickie D. Murphy 120-B Scott Street Asheville, N. C.	Damage to automobile, hit manhole cover
Mr. B. J. Hensley 43 Chadwick Wade Drive Asheville, N. C.	Damage to automobile, storm drain, Street Division

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-1, Ordinance No. 1127 passed on second reading.

SALE OF DISPOSAL PARCEL 123 - EAST RIVERSIDE RENEWAL PROJECT

4. Consideration of approval of the sale of Disposal Parcel No. 123 in the East Riverside Renewal Project to James C. McDonald DPM in the amount of \$39,000.

Larry Holt, Deputy Director of the Housing Authority said at last week's meeting Council postponed action on the approval of the sale of Disposal Parcel No. 123 to James C. McDonald, DPM until Dr. McDonald could give Council additional information relative to the proposed use of the land.

Dr. McDonald, proposed developer of Lot 123, said he plans to build a 12,000 square foot building on the 1.49 acres. He said for the present he would be using approximately 3,000 square feet for his own facility. He said the additional square footage would be leased, hopefully, for a neighborhood type business. He said he was in the process of contacting businesses for the use of the land, however, no firm commitments have been made.

Councilman Michael said it was his understanding that this lot and one additional lot in this area were set aside for a neighborhood trading area. He said he felt the lots should be used for their intended use.

Upon inquiry of Council, Mr. Holt said the developer must submit final plans and specifications for improvements to the property, which must be approved by a Design Review Board, before the closing of the purchase. He said the Design Review Board would review the plans in accordance with the redevelopment plan.

Council then discussed providing a stipulation on the sale of Lot 123 that Dr. McDonald use 60% of the square footage for commercial purposes.

Dr. McDonald responded that at the present he could not anticipate how much square footage he would need for expansion of his own facility and what tenants would be using the additional space. He said he needed time to seek tenants.

It was the consensus of Council that more detailed plans should be reviewed prior to approval. Dr. McDonald said he would work on a more specific proposal.

After discussion, Councilwoman Price moved to table action on the sale of Lot 123 until Dr. McDonald requested that the matter be considered further by Council. This motion was seconded by Councilman Michael and carried unanimously.

Thursday - September 6, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman F. Jack Cole, Gene E. Rainey, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Acting City Clerk Carol S. Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

Vice-Mayor Bill B. Horton gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 30, 1979 meeting.

Councilman Rainey requested that page 200 be amended as follows: The paragraph that reads "Upon inquiry of Councilman Rainey, Mr. Blackwell of Housing Projects, Inc. said he has not had any contacts in the past two or three months for a convention business" be amended to read as follows: "Upon inquiry of Councilman Rainey, Mr. Blackwell of Housing Projects, Inc. said he has not had any contacts in the past two or three months for purchasing his hotel."

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the August 30, 1979 meeting were approved as amended.

RESOLUTION NO. 79-202 - RESOLUTION COMMENDING THE ASHEVILLE HIGH SCHOOL MARINE CORP JUNIOR RESERVE OFFICER TRAINING CORP (MCJROTC) UNIT FOR BEING NAMED WINNER OF THE 1978-79 MARINE CORPS RESERVE OFFICERS' ASSOCIATION (MCROA) BEST UNIT AWARD

2. Consideration was given to a resolution commending the Asheville High School Marine Corp Junior Reserve Officer Training Corp (MCJROTC) Unit for being named winner of the 1978-79 Marine Corps Reserve Officers' Association (MCROA) Best Unit Award.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 79-202 was unanimously adopted.

Complete text of Resolution No. 79-202 will be found in Resolution Book No. 11 at page 303.

ORDINANCE NO. 1127 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Fraternal and Philanthropic Organizations)

3. Consideration was given to the second reading of Ordinance No. 1127, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended including "Fraternal and philanthropic organizations" as Conditional Uses in the R-3, R-4, and R-5 Residential Districts and Office Institutional District.

Attorneys of Record:Galther S. WalserRobert B. Long, Jr.CERTIFICATE OF SERVICE

This is to certify that the undersigned has this date served the foregoing Withdrawal of Appeal in the above entitled action on the Mayor of the City of Asheville, City Manager of the City of Asheville and the Counsel for the City of Asheville, this 6th day of September, 1979.

Robert B. Long, Jr.

RESOLUTION NO. 79-203 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 230 MONTFORD AVENUE

6. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish the dwelling house known as 230 Montford Avenue.

The City Manager read the resolution scheduling the public hearing for October 4, 1979.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-203 was unanimously adopted.

Complete text of Resolution No. 79-203 will be found in Resolution Book No. 11 at page 304.

RESOLUTION NO. 79-204 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION CONCERNING CONSTRUCTION OF NEW SIDEWALKS AT POPLAR AND CHARLOTTE STREET EXTENSION

7. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way agreement with the North Carolina Department of Transportation concerning construction of new sidewalks at Poplar and Charlotte Street Extension.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Reiney, Resolution No. 79-204 was unanimously adopted.

Complete text of Resolution No. 79-204 will be found in Resolution Book No. 11 at page 306.

REPORT REQUESTED ON FIRE IN OAKLEY

Councilman Michael requested a report of the Fire Department on the recent fire in Oakley.

REVIEW OF APPEAL BY HOUSING PROJECTS, INC., BATTERY PARK HOTEL, INC. AND BATTERY PARK ASSOCIATES, LTD. RELATIVE TO DENIAL OF A CERTIFICATE OF APPROPRIATENESS BY THE ASHEVILLE REVITALIZATION COMMISSION

5. The City Manager read the following statement of Housing Projects, Inc., Battery Park Hotel, Inc., and Battery Park Associates, Ltd.:

STATE OF NORTH CAROLINA
COUNTY OF BUNCOMBE

WITHDRAWAL OF APPEAL

To: The Mayor and Council of the City of Asheville

NOW COME Housing Projects, Inc., Battery Park Hotel, Inc., and Battery Park Associates, Ltd., acting by and through their Attorneys of Record, and hereby withdraw the Notice of Appeal heretofore filed and entered from the denial of a certificate of appropriateness by the Asheville Revitalization Commission and the denial of a building permit for renovation of the existing Battery Park Hotel property located in the City of Asheville.

This the 6th day of September, 1979.

DOWNTOWN ASHEVILLE HISTORIC DISTRICT - CERTIFICATE PRESENTED

The City Manager presented the following letter stating that the Downtown Asheville Historic District has been entered in the National Register of Historic Places:

July 2, 1979

The Honorable Roy W. Trantham
Mayor, City of Asheville
P. O. Box 7148
Asheville, N.C. 28801

Dear Mayor Trantham:

Please accept the enclosed certificate which states that the Downtown Asheville Historic District has been entered in the National Register of Historic Places. You are most fortunate to maintain and preserve a property that justly deserves this honor.

The National Register has been called "a roll call of the tangible reminders of the history of the United States." It is, therefore, a pleasure for the Division of Archives and History to participate in this program and thereby make our nation aware of North Carolina's rich cultural heritage.

Should you wish to have this certificate presented to you formally by a representative of the State Historic Preservation Office, please feel free to contact us with your request and any arrangements you might want to make for the ceremony.

In order that we may keep our records up to date, it would be very helpful if you would notify us of any changes in ownership or of any major alteration of the property, including moving, destruction, remodeling, or restoration. We appreciate your efforts and your cooperation in preserving the best of our past for posterity.

Sincerely,

Larry E. Tise

Larry E. Tise
State Historic Preservation Officer

Enclosure

COUNCILMAN RAINEY - COMMENTS RELATIVE TO DOWNTOWN PARKING

Councilman Rainey reported that he recently toured downtown Asheville, at the request of the private parking lot owners. He pointed out that signs regulating parking at the north end of the Federal Arcade Building were missing. He said he was told that the signs are put up then torn down by unknown persons and as a result there are some 30 spaces which have become "free spaces" because the meter maids can not pass out tickets with the signs removed. He said some type of permanent sign needs to be installed.

Councilman Rainey said he also reviewed the tire marking procedures which revealed the tires being marked in the mornings and being checked in the afternoon which allows the cars to be on the streets for long periods of time. He said the parking project has provided free on-street parking for workers downtown rather than for shoppers. He said the private parking lot owners are being hurt by this practice. He said as the time of the year approaches that these lots do the most business Council should declare the present parking project a failure and begin another approach.

COUNCILMAN RAINEY - MOTION RELATIVE TO ANNEXATIONS

Councilman Rainey moved to schedule a public hearing on the annexation of the property known as the Asheville Country Club and an area off Patton Avenue near the Hilton property. This motion was seconded by Councilwoman Price.

Councilman Morris suggested that a two block residential area in the immediate area of the Asheville Country Club be included in the motion.

Councilman Rainey amended his motion to include the area referred to by Councilman Morris. Councilwoman Price agreed with the amendment.

Councilman Rainey's motion, on a voice vote, carried unanimously.

RESOLUTION NO. 79-205 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CHANGE ORDER FOR SHILOH RECREATION CENTER

Consideration was given to a resolution authorizing the Mayor to enter into a change order for Shiloh Recreation Center.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-205 was unanimously adopted.

Complete text of Resolution No. 79-205 will be found in Resolution Book No. 11 at page 307.

CLAIMS - CHARLES WILLIAM EMERSON - JAKE DANIEL CAPPS

The City Manager presented the following claims against the City received from Mr. W. R. Swearngan, Facility Services Superintendent:

Claims sent to St. Paul Fire and Marine Insurance:

Charles William Emerson
Rt. 1, Box 68
Weaverville, N.C.

Damage to automobile
hit by Sanitation truck

EXHIBIT ON DISPLAY - "BLACK PRESENCE IN NORTH CAROLINA"

The City Manager announced that the exhibit of the "Black Presence in North Carolina" will be at the Smith-McDowell House on the campus of Asheville-Buncombe Technical College from September 5, 1979 through September 12, 1979. He said this historical exhibit is sponsored by the Western N. C. Historical Association.

PROCLAMATION - NATIONAL CANCER DAY - SEPTEMBER 8, 1979

Mayor Trantham proclaimed September 8, 1979 as National Cancer Day.

REPORT ON COMPLAINT REGISTERED BY ORMA BOWIE

The City Manager said he would have a report at next week's meeting, on the complaint registered by Ms. Orma Bowie, relative to the Police Department.

RALPH BISHOP - REDRESS OF COUNCIL - POLICE DEPARTMENT

Mr. Ralph Bishop again spoke to Council relative to his seeking redress of Council relative to the corruption of the Police Department.

Adjournment.

MAYOR

CITY CLERK

- A. Approval of bids received September 7, 1979 for two (2) 1980 1/2 ton pickup trucks for Sanitation Division.

HIGHLIGHTS: Two (2) bids were received. Only the low bid qualified. Recommendation of acceptance of low bid submitted by Matthews Motors, Inc. in the amount of \$5,466.18. Funding: Revenue Sharing Trust Fund Capital Outlay Equipment, Sanitation Division, Account 50-15-428.0074

- B. Approval of budget amendment amending the City of Asheville Parks and Recreation Department fiscal budget for 1979-80.

HIGHLIGHTS: This amendment in the amount of \$2,500.00 is to set up appropriate revenue and expenditure accounts to accommodate the execution of a contract for Community Based Alternative funds from the North Carolina Department of Human Resources - Division of Youth Services. These funds are to be used to purchase uniforms for the various youth groups which have been formulated to aid in deterring the juvenile delinquency rate in the Hillcrest community.

- C. Approval of a budget amendment amending the City of Asheville Fiscal 1979-80 Operating Budget.

HIGHLIGHTS: This budget amendment is to make funds available in the Insurance and Bonds line items against which insurance costs will be charged. General Funds - \$41,450; Water and Sewer Operating Fund - \$39,150.

- D. Scheduling of a public hearing for the rezoning of property in Beverly Hills from R-2 Residential District and OI Office Institutional District to R-1 Single Family Residential District for October 11, 1979.

HIGHLIGHTS: Planning and Zoning Commission at a meeting held September 5, 1979 considered a petition from the residents of the Beverly Hills area that their property, be rezoned from R-2 Residential District and OI Office Institutional District to R-1 Single Family Residential District. Planning and Zoning Commission recommended that the property be rezoned as petitioned.

- E. Scheduling of a public hearing for the rezoning of property on Sweeten Creek Road from R-3 Residential District to R-5 Residential District for October 11, 1979

HIGHLIGHTS: Planning and Zoning Commission at a meeting held on September 5, 1979 considered the petition of Mr. Herman Wyatt by Attorney William Biggers that certain lots on Sweeten Creek Road be rezoned from R-3 Residential District to R-5 Residential District. Planning and Zoning Commission recommended that the property be rezoned as petitioned.

Thursday - September 13, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Gene E. Rainey, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Acting City Clerk Carol S. Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

Councilman Otis B. Michael gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 6, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the minutes of the September 6, 1979 meeting were approved as submitted.

ORDINANCE NO. 1127 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Fraternal and Philanthropic Organizations)

2. Consideration was given to the third reading of Ordinance No. 1127, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended including "Fraternal and Philanthropic Organizations" as Conditional Uses in the R-3, R-4, and R-5 Residential Districts and Office Institutional District.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1127 passed on third and final reading.

Complete text of Ordinance No. 1127 will be found in Ordinance Book No.

9 at page 47.

APPROVAL OF CONSENT AGENDA

3. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

Vice-Mayor Horton said he felt Council was approaching Councilman Michael's suggestion by the recent reintroduction of the Asheville-Buncombe Local Government Study Commission Report.

PETITION - RESIDENTS OF CISCO ROAD - WATER PROBLEMS

Councilman Rainey presented a petition signed by approximately 51 residents of Cisco Road. The petition reads as follows:

September 4, 1979

The Mayor of the City of Asheville
Members of the City Council
Asheville, North Carolina

We, the undersigned, respectfully request your immediate and careful attention to the following conditions which affect the welfare and safety of the city residents of Cisco Road, especially those living between its crossing of Old Haw Creek Road and the city limit boundary:

1. A two-inch water main serves city residents of Cisco Road, including twenty-two residences between the two limits noted above, as well as those residences between New Haw Creek Road and Old Haw Creek Road.
2. Consequently, water pressure and flow are often greatly reduced, and on some occasions completely vanish, especially for those city residents who live furthest up the hill toward the city limit boundary. This condition has worsened with the addition of each new home on Cisco Road.
3. Because of inadequate water pressure and flow, there are no fire hydrants available for the protection of most city residences on Cisco Road. The hydrant closest by road is located at the corner of Cisco Road and New Haw Creek Road, a distance of three-quarters of a mile from the residence nearest to and within the city limit line.
4. Sewer facilities are not available to the three city residences closest to the city limit boundary. Two of these property owners have been forced to use septic tank sewage disposal for nineteen or more years.

DOWNTOWN MOTEL - OBVIOUS PROSTITUTION

Councilman Rainey submitted to the City Manager the name of a downtown motel which is obviously soliciting prostitution. He said this open prostitution should come to a halt or at least have less open solicitation.

The City Manager said he would have a report on this matter at next week's Council meeting.

The Corporation Counsel said when someone is arrested for prostitution the fine is usually no more than \$50.00. He said prostitution must be proven before a conviction is obtained.

- F. Scheduling of a public hearing to amend the Zoning Ordinance to include "Family Care Homes" and "Group Homes for Developmentally Disabled Adults" as Conditional Uses in all residential zoning districts and in the Office Institutional District for October 18, 1979.

HIGHLIGHTS: Planning and Zoning Commission at a meeting held on September 5, 1979 considered the request of Mrs. Mildred Graham by Attorney John Powell that "Family Care Homes" be allowed in any and all residential zoning districts of the City of Asheville. Planning and Zoning Commission recommended that they be allowed as Conditional Uses.

- G. Resolution no. 79-206 - Resolution authorizing the Mayor to enter into an agreement with the Buncombe County Commissioners for a federal grant under the Comprehensive Employment and Training Act of 1973 for Fiscal Year 1979-80.

HIGHLIGHTS: Training funds, under the "Skilled Craft Development Program" approved by the Buncombe County Board of Commissioners for the City of Asheville, are now available in the amount of \$140,173.00.

Resolution Book No. 11 at page 308.

Upon motion of Councilman Michael, seconded by Councilwoman Price, the consent agenda was unanimously adopted.

STATEMENT BY COUNCILMAN MICHAEL - RELATIVE TO METROPOLITAN GOVERNMENT

Councilman Michael read the following statement:

"It seems as though the basic problem between the City of Asheville and County of Buncombe will never be resolved until a Metropolitan government is formed. Therefore, I would make a formal request that the Mayor of the City of Asheville and the chairman of the County Commissioners of Buncombe designate a committee of impartial non-politically motivated citizens to at least investigate this possibility and probability and report back to both governing bodies."

"As you know I have made the statement many times in the past that I thought this was the best and most fair and equitable way for us to represent our citizens. Everyone must realize that the double taxation within the city limits is far in excess of any extra services that we are receiving. Also, within the city limits is become a prime location for non profit organizations, governmental agencies, philanthropic organizations housing projects, etc. that do not pay any taxes and reap the benefits of the extra city services. It is no longer advantageous or profitable for Taxpayers to live within Asheville City limits. Whether the County annexes the City or visa versa is a mute point, but we must become one government."

"I hope that before I leave this council that my fellow council persons and the county commissioners will be fair and honest enough to recognize the need for a metropolitan government and stop bickering about separate water services and supplies, recreational facilities, airport facilities, transportation services, library services, etc. police and fire protection all of which are shared by all and should be represented and paid for by all of us people who live in Buncombe County. This is something I hope will be my legacy as I leave this City Council."

LETTER FROM DAVID E. MATNEY III - HISTORIC MONTFORD, INC. - REQUEST FOR EXTENSION
OF MORATORIUM ON REZONINGS, BUILDING PERMITS AND DEMOLITIONS

The City Manager presented the following letter:

September 12, 1979

Mayor Roy Trantham
P. O. Box 7148
Asheville, North Carolina 28807

Dear Mayor Trantham:

During the regular weekly meeting of the Asheville City Council, that ruled favorably upon the following request from Historic Montford, Inc.

- a. a 90 day moratorium on re-zoning in Montford.
- b. a 90 day moratorium on commercial building permits in Montford.
- c. a 90 day public notice of demolitions in Montford.

Part of the reasoning in that decision was to allow a "breathing period" until the Asheville-Buncombe Historic Resources Commission establishes architectural design guidelines for new construction and re-construction in the Historic district. It is my understanding that at this time this commission has not established such guidelines or is in no way prepared to attempt to oversee any plan.

We therefore request that the moratoriums be extended an additional 90 days in the hopes that the Asheville-Buncombe County Historic Resources Commission will be operative at that time. Thanking you in advance, I am.

Very truly yours,

David E. Matney, III,
Chairman, Board of Directors,
Historic Montford, Inc.

cc: Mr. Verl Emrick, Planning Director
cc: Ken Michalove, City Manager

Councilwoman Price moved to extend the present moratorium on rezonings, commercial building permits and demolitions in the Montford District for 60 days. This motion was seconded by Vice-Mayor Horton and carried unanimously.

The City Manager said this matter not only involves the Police Department but should also involve the courts and social service agencies.

The Corporation Counsel said if a particular business is proven to be soliciting prostitution the Solicitor can close down the business.

Vice-Mayor Horton said in preparing the budget, Council should reassess the manpower of the Police Department to attack crime of all types.

Councilman Cole said an officer on foot in the area could have a bearing on the impact of the solicitations.

Councilman Michael said some time ago he had requested a report on the possibility of having police cruisers patrol the housing projects at least twice on each shift.

Councilwoman Price said Council should not mandate where the policemen should be as they know better where they should be.

PARKING SIGNS - DOWNTOWN

Upon inquiry of Vice-Mayor Horton relative to the parking signs being down around the Federal Arcade Building, the City Manager said the Department of Public Works is working on the problem and he would have a report on this matter at next week's Council meeting.

REQUEST FOR SPECIAL COUNCIL MEETING - EXECUTION OF CONTRACTS FOR THE PAVING AND LIGHTING OF 1,500' RUNWAY AND TAXIWAY EXTENSION

The City Manager presented a letter received from Talbert, Cox and Associates which stated that bids were received on Friday, September 7, 1979 for the paving and lighting 1,500' runway and taxiway extension and strengthening existing Runway 16-34. The letter stated that the application has been sent to F.A.A. and the grant should be returned to the City by Monday of next week. He said this is a very tight schedule since the work involved is expected to begin on Friday, September 21, 1979. He said the earliest date the contracts and the F.A.A. grant could be presented before a regular meeting of the City Council is September 20, 1979 which would not leave sufficient time to have the contract documents executed before the work is scheduled to start. Therefore, Talbert, Cox and Associates has requested that Council call a special session for September 18, 1979 for the purpose of presenting the contracts and the F.A.A. grant for approval.

Councilman Morris moved to schedule a special session of Council for September 18, 1979 at 4:00 p. m. for the purpose of considering the execution of contracts relative to the paving and lighting 1,500' runway and taxiway extension and strengthening existing Runway 16-34. This motion was seconded by Vice-Mayor Horton and carried unanimously.

CLAIMS - MAUREEN B. ARNOLD - TRASLEY ROBERTSON - DELLA WEST BARKLEY - ARTHUR LEE
EDGERTON - CITY OF ASHEVILLE

The City Manager presented the following claims received from W. R. Swearngan, Facility Services Superintendent:

Following individual has a claim against the City of Asheville for damage:

Maureen B. Arnold	Damage to automobile
6 Holmwood Road	hit pot-hole in street
Asheville, N. C.	

Claims sent to St. Paul Fire and Marine Insurance: **

Trasley Robertson	Pedestrian struck by
1400-L Tunnel Road	city vehicle
Asheville, N. C.	

Della West Barkley	Backed into City vehicle
187 Brucemont Circle	
Asheville, N. C.	

Arthur Lee Edgerton	Damage to automobile
19 Jersey Street	hit by City vehicle while
Asheville, N. C.	parked

** City of Asheville	Caught fire at Woodfin
1974 Rex Trashmaster on loan	Landfill, approximate
to Buncombe County	damage \$10,000.00

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 79-210 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT BETWEEN
THE CITY OF ASHEVILLE AND ESTES-WINN-BLOMBERG FOUNDATION

Consideration was given to a resolution authorizing the Mayor to sign an agreement between the City of Asheville and Estes-Winn-Blomberg Foundation.

The City Manager read the resolution and said in this agreement the City is granting to the Association the use of (1) one Brass Pole and Accessories, (1) one Brass Bell and (1) one alarm punching register for public display in a museum to be constructed adjacent to an Antique Car Museum on the grounds of Biltmore Industries.

Councilman Morris was excused from voting on the resolution due to a conflict of interest. He said he sells his supplies to a gift shop next to where the Antique Car Museum will be constructed.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-210 was unanimously adopted.

Complete text of Resolution No. 79-210 will be found in Resolution Book No. 11 at page 313.

RESOLUTION NO. 79-207 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO AN AGREEMENT WITH THE LAND-OF-SKY REGIONAL COUNCIL

Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into an agreement with the Land-of-Sky Regional Council.

The City Manager read the resolution and said this agreement provides \$50,000 for the use in a future water site and is available to the City and County if they desire to use the funds.

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 79-207 was unanimously adopted.

Complete text of Resolution No. 79-207 will be found in Resolution Book No. 11 at page 309.

RESOLUTION NO. 79-208 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE CHANGE ORDER NO 3 AND 4 WITH CHAMPION CONTRACTING COMPANY, INC. FOR THE PROJECT KNOWN AS SITE PREPARATION FOR 1,500' RUNWAY AND TAXIWAY EXTENSION

Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville Change Order No. 3 and 4 with Champion Contracting Company Inc. for the project known as site preparation for 1,500' runway and taxiway extension.

The City Manager read the resolution explaining that the change orders involves additional electrical 4' x 4' manholes in lieu of 2' x 2' handhole openings and a pressure reducer with a back flow valve for the 6" water line at the Airport.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-208 was unanimously adopted.

Complete text of Resolution No. 79-208 will be found in Resolution Book No. 11 at page 310.

RESOLUTION NO. 79-209 - RESOLUTION OF INTENT TO CLOSE A PORTION OF AN ALLEYWAY KNOWN AS OLD HOWLAND ROAD

Consideration was given to a resolution of intent to close a portion of an alleyway known as Old Howland Road.

The City Manager read the resolution scheduling the public hearing for October 11, 1979.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 79-209 was unanimously adopted.

Complete text of Resolution No. 79-209 will be found in Resolution Book No. 11 at page 311.

My conclusions in the case are based on the following reasons:

1. The initial call at 14-A Oak Knoll Apartments concerning a case of child abuse was answered by Detective Allison at 4:00 PM on July 1, 1979.
2. After interviewing both the child, Michael, and his mother, Mrs. Buie, the name of Arnold Ingle came up. Detective Allison indicates Mr. Ingle's name was introduced by Mrs. Buie, not the child.
3. Learning Mr. Ingle lived close by, Detective Allison went with Mrs. Buie and Michael to Mr. Ingle's home. After being asked several times if Mr. Ingle was the one who beat him, Michael said he was not.
4. After returning to the Buie home, Mrs. Buie kept saying she felt Mr. Ingle was the one that beat her child. At this point Detective Allison, Michael, and Mrs. Buie returned to Mr. Ingle's home. Michael, after coaching from Mrs. Buie, then identified Mr. Ingle as the one who beat him.
5. Not convinced sufficient probable cause existed to justify making an arrest without a warrant, Detective Allison told Mrs. Buie if she obtained a warrant for Mr. Ingle that he would be arrested. It should be pointed out that Detective Allison acted appropriately in this matter, as court action would later point out.
6. On July 2, 1979, Mrs. Buie obtained a warrant for Mr. Ingle's arrest. As soon as the warrant was issued Detective Allison took Mr. Ingle into custody, only a few minutes after the warrant was obtained.
7. On August 28, 1979, when the case finally came to court the charges were dismissed by Judge Styles when the child, Michael, could not identify Mr. Ingle as the man that beat him. Had Detective Allison made the arrest without a warrant as Mrs. Buie had urged he could have faced civil charges for false arrest as the arrest of Mr. Ingle was found to be in error.

After reviewing all the information available concerning this incident, I am confident that Detective Allison's actions were appropriate and in fact exhibited very good judgment on his part.

ple

cc: F. W. Hamley, Assistant Chief, Operations
C. R. Barker, Captain, Detective Division
H. T. Allison, Juvenile Detective

Councilman Michael said he was not completely satisfied with the report because it did not state what was being done to find out who beat the child. He said he would like another report on the matter.

223

RESOLUTION NO. 79-211 - RESOLUTION ESTABLISHING AND ADOPTING A HUD-URBAN DEVELOPMENT ACTION GRANT PROGRAM BY THE CITY COUNCIL OF THE CITY OF ASHEVILLE

Consideration was given to a resolution establishing and adopting a HUD-Urban Development Action Grant Program by the City Council of the City of Asheville.

The City Manager read the resolution and explained that this would be the final contractual agreement for the project.

Vice-Mayor Horton suggested that the resolution contain the number of the HUD project in the body of the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-211 was unanimously adopted.

Complete text of Resolution No. 79-211 will be found in Resolution Book No. 11 at page 314.

REPORT ON COMPLAINT - MRS. ORMA BUIE

The City Manager presented the following report relative to Mrs. Orma Buie's complaint:

MEMO TO: KEN MICHALOVE, CITY MANAGER
FROM: MELVIN L. TUCKER, CHIEF OF POLICE *MLT*
DATE: SEPTEMBER 11, 1979
SUBJECT: COMPLAINT OF MRS. ORMA BUIE

On August 16, 1979 I received from your office a request of a report regarding a complaint made by Mrs. Orma Buie at a City Council meeting. The complainant Mrs. Buie complained that Juvenile Detective Harry Allison did not investigate the child abuse case involving her son, Michael Buie, which reportedly occurred on July 1, 1979 at approximately 3:45 PM. In response to your memorandum I did the following:

1. Directed Internal Affairs Officer, Melvin Walsh, Jr. to visit Mrs. Orma Buie for the purpose of receiving a formal written complaint.
2. Directed Officer Walsh Jr. to obtain statements from Juvenile Detective Allison and all other persons involved who had knowledge about this case.

After receiving all statements and the events which have occurred since the original complaint was filed, I find Juvenile Detective Harry Allison was not involved in any misconduct, and, in fact, his actions in this case should be classified as exemplary.

Several members of the audience spoke relative to this case.

Councilman Rainey requested a report on the number of child abuse cases in the City with the age and race included.

The City Manager said he would obtain a report from the Police Department as to what is being done about this case, as well as obtain a report on the child abuse records. He said he would also contact the Community Relations Council to determine what involvement they have in the case.

RESOLUTION NO. 79-212 - RESOLUTION OF APPRECIATION AND SYMPATHY TO THE FAMILY OF WILLIAM C. REID

Consideration was given to a resolution of appreciation and sympathy to the family of William C. Reid, a city employee who passed away on September 11, 1979.

Councilman Michael read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 79-212 was unanimously adopted.

Complete text of Resolution No. 79-212 will be found in Resolution Book No. 11 at page 315.

Adjournment.

MAYOR

CITY CLERK

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris,
Resolution No. 79-214 was unanimously adopted.

Adjournment.

Ray M. Harrison
MAYOR

Miriam F. Holcomb
CITY CLERK

Tuesday - September 18, 1979 - 4:00 p. m.

Special Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilman F. Jack Cole and Councilman Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gene E. Rainey and Councilman Otis B. Michael

RESOLUTION NO. 79-213 - RESOLUTION AUTHORIZING, ADOPTING, APPROVING, ACCEPTING, AND RATIFYING THE EXECUTION OF A GRANT AGREEMENT FOR PROJECT NO. 6-37-0005-05 BETWEEN THE UNITED STATES OF AMERICA ACTING THROUGH THE FAA AND THE CITY OF ASHEVILLE

1. Consideration was given to a resolution authorizing, adopting, approving, accepting, and ratifying the execution of a grant agreement for Project No. 6-37-0005-05 between the United States of America acting through the FAA and the City of Asheville.

The City Manager said at the September 13, 1979 Council called for a special meeting to consider the above resolution. He said notice of the special meeting was advertised as required by the Charter of the City of Asheville and notices were mailed to all news media who has requested notice of meetings of the Council.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-213 was unanimously adopted.

Complete text of Resolution No. 79-213 will be found in Resolution Book No. 11 at page 316.

RESOLUTION NO. 79-214 - RESOLUTION AWARDED CONTRACTS FOR THE PAVING AND LIGHTING 1,500' RUNWAY AND TAXIWAY EXTENSION AND STRENGTHENING EXISTING RUNWAY 16-34 AT THE ASHEVILLE AIRPORT

2. Consideration was given to a resolution awarding contracts for the Paving and Lighting 1,500' Runway and Taxiway Extension and strengthening existing runway 16-34 at the Asheville Airport.

The City Manager said at the September 13, 1979 Council called for a special meeting to consider the above resolution. He said notice of the special meeting was advertised as required by the Charter of the City of Asheville and notices were mailed to all news media who has requested notice of meetings of the Council.

The City Manager read the resolution which awards the contract for the base bid on the paving to Asheville Paving Company, Inc. and Warren Brothers Company in the amount of \$1,605,813.50 and Walker and Whitesides, Inc. be awarded the contract for the lighting of the runway and taxiway extension in the amount of \$67,565.40.

APPROVAL OF CONSENT AGENDA

4. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 79-215 - Resolution authorizing Director of Finance to sell surplus property.

HIGHLIGHTS: There is a sizeable quantity of junk, scrap and other non-salvable material at the landfill which will be sold for scrap to the highest bidder.

Resolution Book No. 11 Page 318

- B. Scheduling of a public hearing relative to an amendment to Rule #3 of the Civil Service Rules and Regulations for September 27, 1979.

HIGHLIGHTS: This amendment is relative to part-time and seasonal employment in the Classified Service of the City.

- C. Resolution No. 79-216 - Resolution authorizing the Mayor to execute a lease agreement with the County of Buncombe for parking spaces on Marjorie Street.

HIGHLIGHTS: The City will be leasing parking spaces to the IV-D and Welfare Fraud agencies of Buncombe County for \$5.00 per vehicle per month to continue on a month to month basis.

Resolution Book No. 11 Page 319

- D. Approval of bids received September 14, 1979 for one (1) high intensity direct current carbon Arc Follow Spotlight for Asheville Civic Center.

HIGHLIGHTS: Two bids were received. Recommendation of acceptance of low bidder, Theatrical Equipment Rental, Inc. Knoxville, Tenn. in the amount of \$4,297.40. Funding: Revenue Sharing Trust Fund, Capital Outlay Equipment, Civic Center, Account 50-13-423.0074.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

Thursday - September 20, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Gene E. Rainey, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

INVOCATION

Councilman Gene E. Rainey gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 13, 1979 and September 18, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the September 13, 1979 and September 18, 1979 meeting were approved as submitted.

BUDGET AMENDMENT - COMMUNITY DEVELOPMENT - SHILOH STREET AND DRAINAGE PROJECT

2. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budgets for the Third and Fourth Year Community Development Block Grant.

The City Manager presented the budget amendment in the amount of \$33,000 which is to reprogram available funds for the completion of Shiloh Street and Drainage Project.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Vice-Mayor Horton and carried unanimously.

DISCUSSION - RELATIVE TO THE SALE OF DISPOSAL PARCELS-EAST RIVERSIDE RENEWAL PROJECT

3. Councilman Michael suggested that proposed plans for the use of land in the East Riverside Renewal Project area be submitted to Council prior to the approval of the sale by Council.

After discussion, the City Manager said he would have Mr. Larry Holt, Deputy Director of the Asheville Housing Authority, explain the procedure of the sale of disposal parcels which is outlined in the redevelopment plan. He said he would anticipate that this report would be given at the next Council meeting.

CITY OF ASHEVILLE

P. O. BOX 7148
ASHEVILLE, NORTH CAROLINA
28807

William DeBruhl - Director
WATER AND SEWER SERVICES

September 20, 1979

MEMORANDUM TO: Ken Michalove
City Manager

FROM: Bill DeBruhl, Director
Water & Sewer Services

SUBJECT: Cisco Road water line and fire protection

I researched this project after getting your memo and copy of petition, and find that there are approximately 130 houses on a 2-inch system in this area. There are three alternatives that we can use in getting fire protection into this particular section:

1. We can come from Waters Road where it intersects with Old Haw Creek Road and up Cisco approximately 10,000 feet at a cost of some \$120,000.00
2. We can pick up the 6-inch line to the East of Cisco where it stops at Pressley Road, bring it from Pressley Road around Old Haw Creek, up Greenbrier into Cisco Road and go both ways. This would entail some 8600 feet of 6-inch water line at approximate cost of \$103,200.00.
3. To come off the 6-inch line on New Haw Creek Road, come up the lower Cisco Road, cross Old Haw Creek Road and go on up Cisco Road for a distance of 8100 feet at the cost of some \$97,200.00.

If we are entertaining the idea of putting this in our 79-80, 33 Fund, I would recommend that the line come from Waters Road around Old Haw Creek Road. This would let a lot of the property that cannot be served by a 2-inch line be developed. The other two alternatives would be strictly for fire protection without very much development.

Now pertaining to the sanitary sewer line at Cisco Road, I believe that the three houses that are using septic tanks are below the road and cannot get sewer into Cisco Road. Some 15 years ago I laid out a sewer line to go up the stream to the West of Cisco Road which would let all of this vacant property be developed; however, this line never came to be. At the present time, the head manhole going up this valley is at the edge of the Old Haw Creek Road. There is sewer to all the other houses on Cisco that are within the city limits except the three I mentioned before, which are on the down-hill side of Cisco Road. This is the only place we could get the right-of-way. I am attaching a map of this area showing the existing lines and also my recommendations.

If I can be of further assistance, please let me know.

REPORT REQUESTED - DOWNTOWN MOTEL - OBVIOUS PROSTITUTION

Upon inquiry of Vice-Mayor Horton, the City Manager said the Police Department is in the process of preparing a report relative to prostitution downtown. He said this report would be presented at next week's meeting.

DISCUSSION - SCHEDULING OF PUBLIC HEARING - ANNEXATION OF ASHEVILLE COUNTRY CLUB PROPERTY - REGENCY PARK PROPERTY

Councilman Rainey said several weeks ago Council unanimously passed a motion to schedule a public hearing on the annexation of property owned by the Asheville Country Club and the property known as Regency Park. He questioned why the resolutions scheduling the public hearings have not been presented to Council.

Mayor Trantham said several members of Council requested additional information as to how the City would profit from the annexation of these areas. He also said several members of Council have expressed an interest in including additional areas in the annexation.

Verl Emrick, Planning Director, said before preparing the resolutions scheduling the public hearings, a decision needs to be made by Council as to the exact areas they desire to consider annexing.

After discussion, Mr. Emrick said he would prepare, for Council's consideration on September 27, 1979, several resolutions as alternatives for Council to consider.

PUBLIC HEARING SCHEDULED - ADOPTION OF "SUPERPOLE ORDINANCE"- STRUCTURES ON RIGHTS-OF-WAYS

Councilman Rainey moved to schedule a public hearing relative to the adoption of an ordinance to set forth standards for placement of structures on rights-of-way, known as the "Superpole Ordinance", for October 18, 1979. This motion was seconded by Vice-Mayor Horton and carried unanimously.

SALE OF WESTGAGE PROPERTY - DISCUSSION

Councilman Rainey requested that Mr. George Coggins attend the pre-Council meeting on Thursday, September 27, 1979 at 2:00 p. m. to discuss the sale of the Westgale Property. He said this matter has been previously discussed during the City/County joint meetings. He said Council's findings on this matter could be referred to the County.

REPORT ON PETITION RECEIVED BY COUNCIL FROM CISCO ROAD RESIDENTS - WATER PROBLEMS

The City Manager presented the following report relative to a petition presented to Council on September 13, 1979 from residents of Cisco Road regarding water problems:

LETTER FROM MORRIS, GOLDING, BLUE AND PHILLIPS - RE: IMPROVEMENTS TO PACK LIBRARY

The City Manager presented the following letter received from Morris, Golding, Blue and Phillips relative to improvements to be made to Pack Library:

August 29, 1979

1000
1000

The Honorable Roy M. Trantham
Mayor of the City of Asheville
Asheville City Hall
Asheville, North Carolina

Re: Pack Memorial Library Building

Dear Mayor Trantham:

On the 2nd day of March, 1979, we wrote to you concerning our intentions with respect to the purchase of the Pack Memorial Library Building located at 8 South Pack Square in Asheville, North Carolina. The four partners of the firm of Morris, Golding, Blue and Phillips, presently located at 4 South Pack Square in Asheville, have now purchased the Pack Memorial Library Building and are presently interviewing architects to assist us in the restoration and renovation which we briefly reviewed in our March 2, 1979 letter.

The partners of our firm who presently own the library building are William C. Morris, Jr., James H. Golding, James F. Blue, III and Ann H. Phillips. As you know, the purchase price for this building amounted to \$122,250.00.

Our present plans for expansion are the same as they were in March. We expect that there will be approximately 16 individuals connected with our office which will utilize approximately two-thirds of the building. We are presently negotiating with prospective tenants and anticipate that an additional 10 individuals will be utilizing the third floor after renovation.

The purpose of this letter is to confirm our support of the City's Urban Development Action Grant Program with respect to the Pack Square area and our intentions to commit an additional \$250,000.00 over the next two years. The sources of these renovation costs will be the Wachovia Bank & Trust Company, our future tenant, and hopefully funds secured through the U.D.A.G. program.

Please accept this letter as an amendment of our letter of intent dated March 2, 1979.

Dr. Bob Clower of Cisco Road spoke in support of the petition presented to Council. He said all the residences on Cisco Road, as well as other residences in Haw Creek, are on a 2" water line. He said this created hardships for these residents. He said early consideration of a remedy to the situation would be greatly appreciated.

Dr. Hagan said he is in the process of constructing a residence in the area and is unable to obtain a permit to tap on the 2" line. He asked if he was the only one in the City of Asheville who is required to drill a well for his water source because of inadequate service and if he would be allowed to tap on the 2" line temporarily pending further improvements to the water system in the area.

The City Manager said a capital projects fund was set up for water improvements, however no specific funds have been allocated primarily pending the water agreement with the County. He said some decision on this matter could be made in the next two to three weeks.

Bill DeBruhl, Director of Water and Sewer Services, said this is not a unique situation, but merely one of many situations that exist in the County. He said under North Carolina Department of Health, EPA, and the Water Committee's rules and regulations there can only be 15 houses on a dead-end 2" line. He said, therefore, he could not issue a permit to tap on the 2" line.

Mr. DeBruhl said if the improvements are made according to the report, the water system in the Haw Creek area would improve as well as allow for future developments in the area.

After discussion, it was the consensus of Council that the problem be discussed during the City/County Water Committee meeting on Monday, September 24, 1979, at 2:00 p. m. in the County Commissioners' office.

Councilman Rainey requested that representatives of the Cisco Road area be present at the Water Committee meeting.

PROCLAMATION - CONSTITUTION WEEK - SEPTEMBER 17 - 23, 1979

Mayor Trantham proclaimed the week of September 17 - 23, 1979 as "Constitution Week."

RESOLUTION NO. 79-217 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A CONTRACT WITH WNC PARKING LOT SERVICES, INCORPORATED

Consideration was given to a resolution authorizing the City Manager to enter into a contract with WNC Parking Lot Services, Incorporated for the purpose of cleaning the Civic Center Parking Garage.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-217 was unanimously adopted.

Complete text of Resolution No. 79-217 will be found in Resolution Book No. 11 at page 320.

PETITION - RELATIVE TO NORTH ASHEVILLE PARK PROPERTY

The City Manager presented a petition from citizens and residents of the City of Asheville which read as follows:

"We, the undersigned citizens and residents of Asheville, respectfully and urgently request one of two actions by you:

- 1) Amend the R-1 Zoning Ordinance to include specifically "public parks";
or
- 2) Rezone the 8-acre tract owned by the City and adjoining Ira B. Jones School and Kimberly Avenue and Beaverdam Road from R-1 to R-3.

The reason for this request is to expedite the construction of a much-needed park and the receipt of a Federal Grant in the amount of \$78,000.00, allotted but subject to expiration, for the construction of a park, inclusive of a baseball diamond, children's playground, tennis courts, and other facilities capable of promoting and enhancing recreation and sports in this, the only available such area in the northern portion of our City."

The City Manager said he would include the petition as a matter of discussion during the pre-Council meeting on September 27, 1979.

RESOLUTION REQUESTED - DRUG AWARENESS WEEK - OCTOBER 7-12, 1979

Vice-Mayor Horton requested that a resolution be prepared, for next week's agenda, declaring October 7-12, 1979 as "Drug Awareness Week."

Adjournment.

MAYOR

CITY CLERK

289

The Honorable Roy M. Trantham
Re: Pack Memorial Library Building
August 29, 1979

Page Two

Yours very truly,

William C. Morris, Jr.

James H. Golding

James F. Blue, III

Ann H. Phillips

JNG/jfz

The City Manager said, basically, Morris, Golding, Blue and Phillips are revising their estimated improvements to the Library from \$275,000 to \$250,000.

department, they said that the investigation was continuing. Rev. Wilkes then contacted the Assistant DA's Office and they assured him that the warrant had been issued and that the case would be going to court. The Community Relations Council pursued it until court time but had not taken any other action because Mrs. Buie did not come back to their office and they had learned from the newspapers that the case had been dismissed. He noted that this concluded their investigation at this point.

Sgt. Leahman Williams, Asheville Police Department, said that he had interviewed several persons in Oak Knoll Apartments that had signed the petition for Mrs. Buie and he found that there had been no beating or molesting of children, black or white, in the Oak Knoll Apartment complex. Mr. Arnold Ingle does go through the woods going to his daughter's apartment and since he is caretaker of a piece of property between his property and the apartment complex, he is responsible for that property. He said that the molesting and harassing of children was just hearsay from children between the ages of six and eleven. He checked with the parents in closeby apartments and they said that they have never seen anyone bothering the children and they had no knowledge of who beat the child. He also talked to maintenance men and the manager of the complex and they stated that no reports were made to them about anyone molesting children. The Manager also stated that security officers were employed at the Oak Knoll Apartments from the hours of 8:00 p.m. until 4:00 a.m.

Mr. Michalove read a letter from Arthur Jacobson, Assistant District Attorney, relative to the status of this incident in the courts. It stated that a motion to dismiss this case was obtained due to lack of evidence.

Mr. Fred Newman, United Way, reported the various agencies which deal with child abuse, and the alternatives for psychological care resulting from the trauma of such abuse.

Mrs. Shepherd suggested that an ombudsman be hired by the police department who would investigate all of the evidence to see that people are treated fairly and rightly reported.

Mrs. Buie thanked everyone for their support and was glad that the investigation was continuing.

Councilman Michael stated that he was not satisfied with the investigation and he requested another report within 30 days.

REPORT - PROSTITUTION

4. The City Manager introduced Mr. George R. Reepe, Selective Enforcement Squad from the Asheville Police Department, who presented the following report:

MEMO TO: MELVIN L. TUCKER, CHIEF OF POLICE

FROM: GEORGE R. REEPE, SELECTIVE ENFORCEMENT SQUAD *BRR*

DATE: SEPTEMBER 26, 1979

SUBJECT: REPORT TO CITY COUNCIL
RE: PROSTITUTION ON CITY STREETS AND CIVIC CENTER MOTEL

901

Thursday - September 27, 1979 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Gene E. Rainey, Otis B. Michael and Ralph D. Morris, Jr.; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

Councilman Ralph D. Morris, Jr. gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 20, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the minutes of the September 20, 1979, meeting were approved as submitted.

RESOLUTION NO. 79-218 - RESOLUTION STATING THE INTENT OF THE CITY OF ASHEVILLE TO CONSIDER ANNEXATION OF THE AREA DESCRIBED HEREIN AND CLARIFY THE EXISTING CORPORATE BOUNDARIES OF SAID AREA AND FIXING THE DATE OF PUBLIC HEARING ON THE QUESTION OF ANNEXATION

2. Consideration was given to a resolution stating the intent of the City of Asheville to consider annexation of the area herein and clarify the existing corporate boundaries of said area and fixing the date of public hearing on the question of annexation.

Mr. Verl Emrick, Director of Planning, read the resolution and explained that this only establishes the Council's intent to annex the property described in the resolution, property owned by the Asheville Country Club. The public hearing date has been set for November 8, 1979.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 79-218 was unanimously adopted.

Complete text of Resolution No. 79-217 will be found in Resolution Book No. 11 at page 321.

CITY MANAGER'S REPORT ON COMPLAINT - MRS. ORMA BUIE

3. The City Manager arranged for three reports to be given relative to Mrs. Orma Buie's complaint about problems relating to child beating matters both in obtaining agency assistance in a matter dealing with the court system and the follow up matter pertaining to the police department.

Reverend H. C. Wilkes, speaking for the Community Relations Council, explained that after Mrs. Buie came into the office on July 5 to request assistance, she reported her complaints and the Community Relations Council's investigation began the following day. The Community Relations Council called the Assistant District Attorney to inquire why the warrant was not accepted when presented. The Assistant District Attorney had told them that in cases as serious as this, the complaint had to be investigated prior to issuing the warrant. During this period of time, Mrs. Buie had circulated a petition stating that Mr. Arnold Ingle was seen playing pranks on the children and harassing them. Later, when George Gragg contacted the police

At the scheduled hearing the proprietor turned in his license and the lounge closed. This has greatly reduced the traffic at and around the motel, except for the females that hang around the corner of Hiwassee and North Lexington.

The same females that work Hiwassee and North Lexington are the ones that work Ashland Avenue at night.

In response to Councilwoman's question about the normal sentences, Mr. Reepe said that since it is a misdemeanor, they can get by with a fine at the discretion of the court, court costs and a suspended sentence.

Councilman Rainey asked if anything could be done to the motel/hotel owner where prostitution occurs. Mr. Reepe explained that they have got to prove that the manager has knowledge that the people going into the rooms are using it for that purpose.

Vice-Mayer Horton commended Mr. Reepe for the fine report and hoped that these activities can be even more reduced.

RESOLUTION NO. 79-219 - RESOLUTION STATING THE INTENT OF THE CITY OF ASHEVILLE TO CONSIDER ANNEXATION OF THE AREA DESCRIBED HEREIN AND FIXING THE DATE OF PUBLIC HEARING ON THE QUESTION OF ANNEXATION

5. Consideration was given to a resolution stating the intent of the City of Asheville to consider annexation of the area described herein and fixing the date of public hearing on the question of annexation.

Mr. Verl Emrick read the resolution and explained that this property is in the vicinity of the Regent Park Development that is outside the City. The public hearing date has been set for November 15, 1979.

Upon motion of Councilman Michael, seconded by Vice-Mayer Horton, Resolution No. 79-219 was unanimously adopted.

Complete text of Resolution No. 79-219 will be found in Resolution Book No. 11 at page 324.

SALE OF DISPOSAL PARCELS 1, 199, 200, and 201 - EAST RIVERSIDE RENEWAL PROJECT

6. Consideration of approval of the sale of Disposal Parcel No. 1 in the East Riverside Renewal Project to Price-McNabb Advertising, Inc. in the amount of \$57,725 and Disposal Parcels Nos. 199, 200 and 201 to New Bethel Missionary Baptist Church in the amount of \$8,618.

Mr. Larry Holt, Deputy Executive Director of the Asheville Housing Authority, explained where the parcels were located and also the intended use of the parcels.

Councilman Morris moved to approve the sale of Disposal Parcel No. 1 in the East Riverside Renewal Project to Price-McNabb Advertising, Inc. in the amount of \$57,725 and Disposal Parcels Nos. 199, 200 and 201 to New Behtel Missionary Baptist Church in the amount of \$8,618. This motion was seconded by Vice-Mayer Horton and carried unanimously.

RESOLUTION NO. 79-220 - RESOLUTION ACCEPTING SANDON CIRCLE AS A CITY SYSTEM STREET

7. Consideration was given to a resolution accepting Sandon Circle as a City System Street.

000

In trying to answer the questions raised by City Council I would like to try by answering: 1. What has been done? 2. What is being done? 3. What can be done in the future?

Arrests and/or Statistics

In going back to 1975 the following statistics are available:

For the entire year of 1975 one (1) arrest was made for prostitution. In 1976 eleven persons were arrested. In 1977 fourteen persons were arrested. From January 1, 1978 until March 31, 1978, ten persons were arrested. For the entire year of 1978 a total of fifty-one persons were arrested. Broken down, this shows thirty-seven females, and fourteen males were arrested for soliciting for prostitution; with the months of September, October, and November being the months with the most arrests occurring. So far in 1979 a total of twenty-four persons have been arrested for prostitution or related offenses. The break down for this year is: two for indecent exposure (one male and one female), twenty-two for soliciting for prostitution (eighteen females and four males).

To my knowledge until Chief Tucker started the Selective Enforcement Squad there was never a concentrated effort to enforce the prostitution laws. Since January 1978 until present there have been seventy-five prostitution or related offense arrests made. From this number there have been several repeaters, and some with as many as four arrests.

Problems of Enforcement

1. Have been operating under a handicap of shortage of personnel.
2. Technicalities that have to be met in enforcement of the law (elements).
3. Knowledge of the prostitutes as to who we are and what vehicles we use.
4. Being a misdemeanor crime, the judicial system rarely incarcerate unless there have been numerous offenses. Fines as a general rule are small. In Asheville we have had larger than normal fines compared to other areas of the state.
5. Influx of out of town and out of state persons.
6. Drug Abuse - most all the persons working the streets in Asheville have drug habits.
7. To our knowledge only five out of seventy-five have had active sentences.

What We Are Doing to Combat the Problems

1. Using private vehicles.
2. Using Reserve Officers, private citizens, etc.
3. Using decoy females (in order to catch male solicitors).
4. Start all out campaign to catch males - in hopes that this will be a deterrent.
5. Awaiting new law of Idling and Loitering for Purpose of Prostitution (October 1979).
6. Working varied or staggered schedules in order to eliminate a pattern of enforcement.

In reference to the motel mentioned at last Council Meeting, the lounge at this motel was a bigger problem than the prostitutes. In checking with the Alcohol Law Enforcement Office, the proprietor of this lounge was cited for consumption after legal hours, illegal possession of alcoholic beverages (not licensed to have on premises), and failure to clear tables at proper time.

RESOLUTION NO. 79-221 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE CHANGE ORDER 5 AND 6 WITH CHAMPION CONTRACTING COMPANY, INC. FOR THE PROJECT KNOWN AS SITE PREPARATION FOR 1,500' RUNWAY AND TAXIWAY EXTENSION

9. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville Change Order Numbers 5 and 6 with Champion Contracting Company, Inc. for the project known as Site Preparation for 1,500' Runway and Taxiway Extension.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, Resolution No. 79-221 was unanimously adopted.

Complete text of Resolution No. 79-221 will be found in Resolution Book No. 11 at page 327.

BIDS - BULK SODIUM CHLORIDE (ROCK SALT) FOR SNOW AND ICE CONTROL FOR THE CITY OF ASHEVILLE STREET DEPARTMENT

10. Consideration was given to the one bid received September 21, 1979, for bulk sodium chloride (rock salt) for snow and ice control for the City of Asheville Street Department.

The City Manager said that only one bid was submitted. The Director of Public Works and the Purchasing Agent reviewed the bid submitted by International Salt Company @ \$33.31/ton, totaling \$39,972 for 1200 tons estimated quantity and recommended its acceptance.

Councilwoman Price abstained from voting due to her husband working for American Enka, part of Akzona is International Salt Company.

Councilman Morris moved to accept the bid of International Salt Company in the amount of \$39,972. This motion was seconded by Councilman Cole and carried unanimously.

COUNCILMAN RAINEY - STATUS OF THE CERTIFICATE OF OCCUPANCY COMMITTEE

Councilman Rainey asked for the status of the Certificate of Occupancy Committee. City Manager Michalove responded that they are waiting on one more member and they should be ready to meet in a few more days. He stated that Mr. J. E. Johnson, Chief Building Inspector, will be in touch with him regarding a Certificate of Occupancy visitation.

COUNCILMAN RAINEY - ASHEVILLE TRANSIT AUTHORITY BUS SERVICE CHANGES

Councilman Rainey was under the impression that the Asheville Transit Authority was to come back to the City Council with a list of recommended changes for a savings in their budget but they have implemented their changes without coming back. He requested that the Asheville Transit Authority give the City Council a summary of what economics had been affected to balance their budget. Also, Vice-Mayor Horton requested that the Transit Authority give a report relative to the petition of 140 names requesting service on Pearson Drive for the Richmond Hill area.

City Manager Michalove said that the Asheville Transit Authority will be at the pre-Council meeting on October 4, 1979, at 3:00 p.m. to answer the Council's questions.

Mr. Clark Brown, Director of Public Works, read the following report:

"Public Works Department staff personnel have researched the status of the final portion of Sandon Circle (approximately 100 feet) since April of this year.

City records failed to yield any information to the fact that this portion of Sandon Circle had ever been formally included in the City's street system.

However, over the years, it appears that the City did maintain this portion of Sandon Circle on a fairly routine and periodic basis.

There are four pieces of property, under different ownership, fronting on this portion of Sandon Circle (three developed and one undeveloped) which yield a property/property owner to street footage ratio of approximately one property-property owner to each twenty-five feet of street. This is a very favorable ratio for inclusion into the City system.

This portion of the street is at least sixteen feet wide and is eligible for inclusion for Powell Bill Funding, but is stone surfaced.

After evaluating this information, it is my recommendation that Council grant the request of the petitioners."

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 79-220 was unanimously adopted.

Complete text of Resolution No. 79-220 will be found in Resolution Book No. 11 at page 326.

PUBLIC HEARING - AMENDMENT TO RULE #3 OF THE CIVIL SERVICE RULES AND REGULATIONS

8. A public hearing was held relative to amending Rule #3 of the Civil Service Rules and Regulations.

Mayor Trantham opened the public hearing at 5:29 p.m.

Mr. Sam Graves, Director of Employee Services, explained that this amendment is dealing with appointments of part-time or seasonal employees in the Classified Service of the City. He said that the existing rules and regulations only permit the appointing authority to make temporary appointments not to exceed 60 days. After that 60-day period, the employee would have to be either certified or terminated. The following amendment is designed to meet an organizational need as well as to insure the rights and privileges that are provided to other employees:

"The appointing authority may make appointments to part-time or seasonal positions in the Classified Service. Such appointments shall not exceed 1,562 work hours in any given twelve (12) consecutive month period, from date of employment, and may be renewed upon recommendation of the City Manager and the approval of the Civil Service Board. Such appointments shall be based on standards deemed appropriate by the Civil Service Board."

The public hearing closed at 5:42 p.m.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the above amendment to Rule #3 of the Civil Service Rules and Regulations was unanimously adopted.

Max Coffey
5 Waters Road
Asheville, NC

Damage to property -
stopped up sewer line

Burgin Ducker
1½ Dordeau Place
Asheville, NC

Damage to property -
sewerage blockage and personal
injury

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

BUDGET AMENDMENT - REAPPROPRIATING FUNDS FOR COMPLETION OF THE PATTON MOUNTAIN RESERVOIR REHABILITATION

The City Manager presented a budget amendment to amend the City of Asheville Water and Sewer Improvements Fund Capital Project budget to transfer \$34,481 from the Tiny Farms and Indian Trail projects to the Patton Mountain Reservoir project in order to finish rehabilitating the reservoir.

<u>Project No.</u>	<u>Project Name</u>	<u>Prior Appropriation</u>	<u>Increase (Decrease)</u>	<u>New Appropriation</u>
31-50-857-0-340	Indian Trail	\$12,000	\$ 9,481	\$ 2,519
31-50-857-0-370	Tiny Farms	25,000	25,000	-0-
31-50-859-0-000	Patton Mtn Res.	27,417	34,481	61,898

Councilman Morris moved for the adoption of the budget amended as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

REPORT - CISCO ROAD

The City Manager reported that the residents of Cisco Road did attend the Water Committee meeting on September 24. City Manager Michalove reported that the funds that could be used for this type project were tied up to the water agreement and it would be about 6 weeks before any decision could be made about this particular project. He stated that the residents of Cisco Road would be notified of any decision. He said that he sent Dr. Bob Clower, spokesman for the group, a copy of Mr. DeBruhl's report on this project and they seemed to be satisfied with what has been done to this point.

STANDARDS FOR RIGHT-OF-WAY ORDINANCE

The City Manager passed out copies of the standards for rights-of-way ordinances. He said that they will begin working on this sometime next week.

ABSTRACT OF VOTES FOR ASHEVILLE CITY COUNCIL

The City Clerk reported that he had received the abstract of votes for the Asheville City Council's Primary Election held on September 25, 1979. The following persons had been nominated: Roy M. Trantham, Walter R. Boland, Ralph D. Morris, Jr., F. Jack Cole, H. C. Wilkes, Norma T. Price and Harold F. Brownlee.

RALPH BISHOP

Mr. Bishop spoke in opposition of Fred Henchey being Acting Chief of Police. *Ralph Bishop* MAYOR *Norman S. McLeister* CITY CLERK
Adjournment.

RESOLUTION NO. 79-222 - RESOLUTION DECLARING OCTOBER 7-13 "DRUG AWARENESS WEEK"

Consideration was given to a resolution declaring October 7-13, 1979, as "Drug Awareness Week."

Vice-Mayor Horton read the resolution and reported on drug abuse week in Asheville.

Upon motion of Vice-Mayor Horton, seconded by Councilman Rainey, Resolution No. 79-222 was unanimously adopted.

Complete text of Resolution No. 79-222 will be found in Resolution Book No. 11 at page 328.

PROCEDURE FOR THE SELECTION OF CHIEF OF POLICE

Mayor Trantham asked the City Manager to explain the procedure for the selection of Chief of Police.

City Manager Michalove noted that a press release was sent yesterday to the Asheville City Council Members, the Asheville Police Department Personnel, the Civil Service Board Members, the Employee Services Department and the News Media relative to the selection of a Chief for the Asheville Police Department. He said that this position is an extremely important position to the community and that is why he has made up an involved process for selection. He said that he will use an assessment committee made up of three professionals, that way they won't look at a person whether they are in or outside the department, but rather who is the best qualified for the job. The notice stated that he will accept applications from both within and outside the department, and in fact, he encouraged men from within the Police Department who meet the minimum qualifications to apply. He stated that if a person has been on the Police Department roster since December 1, 1977, and are under the old pension plan, they will not lose any pension benefits as a result of being promoted to the position of Chief. He said that he will be receiving applications until November 2, 1979, 5:00 p.m. and he expects to be able to announce a new Chief by January 1, 1980.

CLAIMS - MR. GREGG LASSETER, MR. WILSON, MRS. CHARLES FULLER, MR. MAX COFFEY AND MR. BURGIN DUCKER

The City Manager presented the following claims received from W. R. Swearngan, Facility Services Superintendent:

The following individuals have claims against the City of Asheville for damage:

Mr. Gregg Lasseter
Accounting Division

Vinyl stuck to back of shirt,
Council Chambers

Mr. Wilson
41 Oakley Road
Asheville, NC

Damage to property-stopped up
sewer line

Mrs. Charles Fuller
Asheville, NC

Damage to automobile - rear end
hitting pavement

RESOLUTION NO. 79-223 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE AMENDMENT NO. 4 TO THE CONTRACT FOR ENGINEERING SERVICES WITH TALBERT, COX AND ASSOCIATES, INC.

4. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville Amendment No. 4 to the contract for engineering services with Talbert, Cox and Associates, Inc.

The City Manager read the resolution explaining that this amendment increases the cost of Talbert, Cox and Associates, Inc. services on Projects .04 and .05 in compliance with FAA requirements.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 79-223 was unanimously adopted.

Complete text of Resolution No. 79-223 will be found in Resolution Book No. 11 at page 329.

RESOLUTION NO. 79-224 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENT IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY

5. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company.

The City Manager read the resolution explaining that this additional right-of-way easement is on property located on the south side of U. S. 19-23 at the Westgate Shopping Center, for the purpose of updating an existing electric power line.

Upon motion of Councilman Michael, seconded by Councilwoman Price, Resolution No. 79-224 was unanimously adopted.

Complete text of Resolution No. 79-224 will be found in Resolution Book No. 11 at page 330.

RESOLUTION NO. 79-225 - RESOLUTION AUTHORIZING APPLICATION FOR STATE WATER BOND FUNDS

6. Consideration was given to a resolution authorizing application for State Water Bond Funds.

The City Manager read the resolution. These funds will be used to construct improvements in the existing water system, project described as: Pine Street Water and Sewer Improvements -- Installation of 5,355 linear feet of 16, 12, and 8-inch diameter water line along Pine and Clemmons Street and installation of 5,660 linear feet of 10 and 8-inch diameter sewer line along Pine and Dirt Eagle Street.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-225 was unanimously adopted.

Complete text of Resolution No. 79-224 will be found in Resolution Book No. 11 at page 331.

Thursday - October 4, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Gene E. Rainey, Otis B. Michael, and Ralph D. Morris, Jr. Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman F. Jack Cole gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 27, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the September 27, 1979 meeting were approved as submitted.

MARJORIE LOCKWOOD - ANNOUNCEMENT OF SEMINAR - AMORY LOVINS AS SPEAKER

2. Mayor Trantham introduced Mrs. Marjorie Lockwood who announced that a seminar would be held on Friday, October 19, 1979 at 8:00 p. m. in the Humanities Building of UNC-Asheville. She said the speaker would be Amory B. Lovins, one of the western world's most influential energy thinkers. She said his topic would be "An Energy Future We Can Live With." She invited members of Council to attend the seminar as well as other decision makers.

BUDGET AMENDMENT - APPROPRIATING FUNDS PROVIDED THROUGH LAND-OF-SKY REGIONAL COUNCIL

3. Consideration was given to a budget amendment to amend the Parks and Recreation Department budget for Fiscal Year 1979-80 to set up appropriate revenue and expenditure accounts to accommodate a commitment of funds (Title VII N. C. Division of Aging) provided through the Land-of-Sky Regional Council.

The City Manager presented the budget amendment explaining that these funds are to be used to make the necessary renovations to the Senior Opportunity Center and the Livingston Street Center to make these two meal site facilities accessible to the handicapped according to Section 504 regulations (Rehabilitation Act of 1973). The amount of the amendment is \$3,737.

Councilman Morris moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

Bob Weber, Business Manager and Coach at Ben Lippen School, spoke in support of the replacement and widening of the Hazel Mill Road Bridge. He reviewed recent accidents occurring at the bridge site.

Betty Gash of Gorman Bridge Road also spoke in support of the petition. She said many more signatures could have been obtained but they wanted to get the project started at the earliest possible date.

After discussion, it was the consensus of Council to follow up with the State and Buncombe County Commissioners to request that the replacement of this bridge be placed as a high priority improvement.

DISCUSSION AND MOTION RELATIVE TO PARKS AND PLAYGROUNDS - AMENDMENT TO ZONING ORDINANCE

8. Pursuant to discussions during an executive session of Council at the pre-meeting Councilwoman Price moved that the Planning and Zoning Commission hold a special meeting to review possible wording amendments to include neighborhood playgrounds or neighborhood parks which are publicly owned and operated in all zones and further that said playground and park facilities shall be reviewed under the procedures prescribed for Group Developments/or Planned Unit Developments prior to the construction or reconstruction of the facilities. This motion was seconded by Vice-Mayor Horton and carried unanimously.

It was the consensus of Council that a report from the Planning and Zoning Commission be made to Council in the next two weeks.

PETITION - RESIDENTS OF MARLOWE DRIVE AND DONNA DRIVE - STREET CONDITIONS

9. The City Manager presented a petition received from residents of Marlowe Drive and Donna Drive which read as follows:

"To Whom It May Concern:

We, the undersigned request the repaving of Marlowe Drive and Donna Drive, in the City of Asheville, N. C.

It has become a hazard to our motor vehicles and to our children walking to school, due to the 'pot holes and the sinking spots' in the foundation. It has come to our attention that there has been no major work done outside of "patch ups" in the past twenty years."

The City Manager said the petition would be referred to the Director of Public Works for investigation and recommendation.

RESOLUTION NO. 79-126 AMENDED - IMPOSING A LIMITED MORATORIUM ON DEVELOPMENT IN THE MONTFORD NEIGHBORHOOD

10. Councilman Morris moved to amend Resolution No. 79-126, a resolution of imposing a limited moratorium on development in the Montford Neighborhood, as follows: 1) Amend Section 2(b) to read as follows:

"(b) issuance of building permits for construction of new commercial structures."

PETITION - HAZEL MILL ROAD BRIDGE

7. The City Manager presented a petition received from individuals who use the Hazel Mill Road Bridge. The petition was signed by approximately 250 individuals and read as follows: " We, the undersigned, petition the City of Asheville to have constructed a 2-way bridge, located on Hazel Mill Road near Kinco Products. We ask this in view of the recent accidents that have occurred here, and for the safety of the many persons using this bridge."

The City Manager also presented the following report from T. Clark Brown, Director of Public Works, relative to the petition:

MEMORANDUM TO: Ken Michaelove
City Manager

FROM: T. Clark Brown
Director of Public Works

DATE: October 3, 1979

SUBJECT: Your Memorandum of September 28, 1979

RE: Petition for the upgrading or replacement of the Hazel Mill Road Bridge.

Ken, the cost of replacing this bridge, including improvements of the approaches and the right-of-way costs that would be incurred is estimated to be \$210,000. This would include the demolition and removal of the existing structure.

I submitted an estimate of \$150,000 in a request for replacement of this bridge in FY 1977-'78. This estimate did not include R/W costs and did not reflect the increased costs due to inflation since then.

In 1978, the Traffic Engineering Division installed flashing amber lights at each approach to the bridge. Each light was accompanied by a caution sign reading, "Narrow Bridge".

Portions of the bridge railing are replaced at least twice each year due to damage from vehicles and portions of the bridge deck are replaced at least every other year.

The existing structure is completely constructed of wooden members and as such could not be widened to accomodate two-way traffic without compromising the structural integrity of the bridge.

Other than closing the road, the only assurance of improving vehicular safety in this area would be improvements to the approaches and replacement of the existing structure with a structure to safely accomodate two-way traffic.

Other than City funds, including Revenue Sharing Funds, the only source of funding of which I am aware is the off System Bridge Rehabilitation and Replacement Program. This program is presently in the inventory stage where the City is making an inventory of all City system and private structures within the corporate limits. This is a program funded by the Federal Highway Administration and administered through the North Carolina Department of Transportation.

PUBLIC HEARING - DEMOLITION OF 230 MONTFORD AVENUE

ORDINANCE NO. 1129 - ON ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 230 MONTFORD AVENUE

A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to demolish the dwelling house known as 230 Montford Avenue.

Mayor Trantham opened the public hearing at 4:45 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Attorney Victor Buchanan, representing the City, reviewed the background leading up to the proposed ordinance directing the Housing Officer to demolish the dwelling house known as 230 Montford Avenue. He said the complaint was first filed in April, 1977 stating that the house was unfit for human habitation, unsafe and dangerous to life. He said the dwelling is a real, immediate and absolute danger to the citizens of the area, especially to children, and should be demolished. He said even assuming it has historic value, which is doubtful, the immediate danger outweighs that value. He said the owner has been given two years to make repairs to the house, and nothing has been done in that time toward improving the dwelling. He said due process of law has been followed in obtaining approval of an ordinance to demolish 230 Montford. He requested that Council approve the ordinance to demolish the dwelling.

Max O. Cogburn, attorney representing the owner of 230 Montford Avenue, Mrs. Edith Bryan, asked the Council to allow the owner more time to make repairs and asked that a list of required renovations to meet the minimum housing code standards be given to Mrs. Bryan. He said Council could also set out a timetable to meet the minimum standards. He said he did not feel time could damage the public interest. He said Council could also require a reporting of improvements to the property during this time period.

Councilman Rainey said he felt Council should proceed with the first and second readings of the ordinance and if any improvements are made during that time, showing good faith, Council could then extend the time limit to make the repairs to the house. He said it was unfortunate that the house had fallen into such disrepair.

J. E. Johnson, Building Inspector, said the required renovations had been given to Mrs. Bryan in April of 1977 but he would meet with Mr. Cogburn to discuss the required renovations to meet the minimum housing code standards.

Keith Randolph said he was a professional renovator of houses and a resident of the Montford Avenue area. He said in his opinion the house is not feasible to repair. He said if Mrs. Bryan was sincere in repairing the house she would have done something about the condition of the house before now. He said the dwelling is a health hazard and he was frightened for the safety of his children.

- 2) Amend Section 4 by adding the following paragraphs:
 "2. Commercial permits for interior rehabilitation for existing commercial structures."
 "3. Commercial permits for exterior rehabilitation for existing commercial structures provided the plans have been reviewed by the Asheville-Buncombe Historic Resources Commission."

This motion was seconded by Councilwoman Price and carried unanimously.

PROCLAMATION - NATIONAL FIRE PREVENTION WEEK - OCTOBER 7 - 13, 1979

Mayor Trantham proclaimed the week of October 7 - 13, 1979 as "National Fire Prevention Week."

PROCLAMATION - INTERNATIONAL ENERGY CONSERVATION MONTH - OCTOBER

Mayor Trantham proclaimed the month of October as International Energy Conservation Month.

MORATORIUM ON CONSTRUCTION OF "GROUP HOMES FOR THE DEVELOPMENTALLY DISABLED"

Councilman Rainey moved that no building permits shall be issued for construction of a new structure or the rehabilitation of an existing structure which would be used for a "Group Home For the Developmentally Disabled" until Council has reviewed and adopted standards which will govern the placement and/or construction of such facilities. Further that the City Clerk be directed to advertise this motion as soon as possible. This motion was seconded by Councilwoman Price and carried unanimously.

REQUEST FOR REPORT - TRAINING ACTIVITIES AND SESSIONS OF CITY EMPLOYEES

Vice-Mayor Horton requested a formal report from the City Manager on the training activities and sessions of city employees in the past twelve months. He requested that this report be given within the next two weeks.

REQUEST FOR WORK SESSION - RETIREMENT BENEFITS OF RETIRED GENERAL EMPLOYEES

Vice-Mayor Horton requested that Council schedule a work session relative to the retirement benefits of retired general employees for a possible adjustment to the benefits prior to the general employees going under the State Retirement Plan in January, 1980.

The City Manager said he would schedule the work session for 2:00 p. m. on Thursday, October 11, 1979.

Thursday - October 11, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Gene E. Rainey, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilwoman Norma T. Price gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 4, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the minutes of the October 4, 1979 meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY IN BEVERLY HILLS AREA

ORDINANCE NO. 1130 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. A public hearing was held relative to rezoning property in Beverly Hills from R-2 Residential District and OI Office Institutional District to R-1 Single Family Residential District.

Mayor Trantham opened the public hearing at 4:05 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission at a meeting held September 5, 1979 considered a petition from the residents of the Beverly Hills area that their property, including the Carmelite Monastery property, be rezoned from R-2 Residential District and OI Office Institutional District to R-1 Single Family Residential District. He said the Planning and Zoning Commission recommended that the property be rezoned as petitioned.

He said the rezoning encompasses about 400 acres with the Carmelite Monastery property being about 34 acres. By the use of a map, Mr. Emrick reviewed the location of the area in question. He said he knew of no other opposition to the rezoning except for the Carmelite Monastery.

Harold Bennett, Attorney, said he was representing the Catholic Diocese of North Carolina, which has charge of the property of the Carmelite Sisters of St. Therese's Valley, Inc., the owners of the Carmelite Monastery property in Beverly Hills. He said the property consists of 33 acres. He said the Carmelite Sisters of St. Therese's Valley, Inc. is a corporation and they have granted an option to Multi-Vest, Inc., a developer of real estate, for the property in Beverly Hills.

Donna Hogan, Vice-President of the Historic Montford Association and a board member of the Preservation Society said the residents of the area have not seen good faith in making any changes to the house and they should have within two years. She said in her opinion, the house was not saveable in its present condition. She said the house was one of the worst in the Montford area. She said the Preservation Society met to discuss this matter and it was the consensus of the board to let Council decide what action to take regarding the dwelling.

Upon inquiry of Councilmembers, Mrs. Hogan said a reasonable offer would probably be entertained to purchase the house, but Mrs. Bryan has not been open to selling the house.

Councilman Morris said if the house is not demolished it should be made safe and inaccessible to others by closing in or fencing.

After discussion, Mayor Trantham closed the public hearing at 5:35 p. m.

The Corporation Counsel read the ordinance directing the Housing Officer to demolish the dwelling house known as 230 Montford Avenue.

Councilman Rainey moved for the adoption of Ordinance No. 1129. This motion was seconded by Councilman Cole.

On a roll call vote of 7-0, Ordinance No. 1129 passed on first reading.

RALPH BISHOP - SPOKE RELATIVE TO ACTING POLICE CHIEF

Mr. Ralph Bishop again spoke against Fred Hensley being named as Acting Police Chief.

Adjournment.

MAYOR

CITY CLERK

June Tweed	- 43 Ambler Road
Helen Coman	- Pinehurst Court
Andy Gardner	-
Claude Jarrett	- 12 Fairway Drive
John Burton	- 211 Governors View Road
Jim Cutney	- Pinehurst Road
Sandra Cutney	- Pinehurst Road
Embler	- 23 Ambler Road
Terence Stone	- 53 Gladstone Road

Mayor Trantham closed the public hearing at 6:07 p. m.

Verl Emrick, Director of Planning, read the ordinance rezoning the property as petitioned.

Corporation Counsel William C. Moore told Council in his opinion the rezoning petition may not be in good standing as there may be some question of the property owners having the right to rezone someone else's property against their wishes.

Councilman Rainey moved for the adoption of Ordinance No. 1130. This motion was seconded by Councilman Cole.

Councilman Morris and Councilwoman Price said they hoped some alternative could be agreed upon rather than rezoning the entire area to R-1.

Councilman Morris said the property owners are asking for the rezoning to protect their property rights but in essence they are requesting Council to deny the Catholic Church the value of its property. He suggested that the property presently zoned Office Institutional be used for the apartment complex and use the R-2 portion for single family residences. He said he hoped some alternative could be agreed upon before the third reading of the ordinance.

On a roll call vote of 6-0, Ordinance No. 1130 passed on first reading.

ORDINANCE NO. 1129 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 230 MONTFORD AVENUE

3. Consideration was given to the second reading of Ordinance No. 1129, an ordinance directing the Housing Officer to demolish the dwelling house known as 230 Montford Avenue.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Max Cogburn, Jr., attorney representing the owner, Mrs. Edith Bryan, said it was his understanding that the ordinance would be passed on first and second reading but held up on the third reading if improvements progressed on the dwelling. He said during the past week, all the abandoned cars that was in the yard had been moved, the yard cleaned up and the trim painted on the front of the house. He said the owner intends to restore the house and to live in it. He said Mrs. Bryan had talked with Bruce Roberts, a contractor, who said in his opinion the dwelling could be restored.

701

He said Multi-Vest, Inc. proposes to build 216 apartment units, with one, two, and three bedrooms, on 17.75 acres on the Carmelite Monastery property. He said the project expects to cost approximately six million dollars, which will bring tax revenues of approximately \$120,000 annually to the City of Asheville and Buncombe County. He said the property is heavily wooded and the developer proposes to leave the buffer barrier of trees as they presently exist around the entire area and the project would not be visible by any resident of the Beverly Hills area. He said a site plan has been filed with the Planning Department for approval as a group development. He said the project will have two tennis courts, swimming pool and a wading pool. The main entrance to the complex would be a boulevard with a median leading from N. C. 81, Swannanoa River Road.

Mr. Bennett said the Planning Staff had recommended to the Commission that the Carmelite property be zoned R-2 which would allow the apartment complex.

Mr. Bennett urged Council to eliminate the Carmelite property from the rezoning stating that the legal question involved is whether one group can join together to rezone property owned by one who is not part of the group petitioning for the rezoning. He cited two legal cases involving the same situation.

Bill Biggers, attorney, said he was representing the Beverly Hills Homeowner's Association and he encouraged Council to approve the petition to rezone property in Beverly Hills as requested by the residents. He said Council should consider all uses allowed in the Office Institutional District and that as long as the property is zoned Office Institutional it will be open for restaurants, hotels, catering establishments, and a number of other things. He said to leave Beverly Hills open to all these uses would be unfair to the residents. He said the question before Council is that zoning appropriate for the Beverly Hills area? He cited additional traffic in the neighborhood and the decline of property values as concerns for an apartment complex in the area.

Mr. Biggers also cited a case of zoning "Blaze vs. City of Raleigh" dealing with "contract zoning" which he said was similar in nature to the case now before Council. He said the Office Institutional zoning is not appropriate for the Beverly Hills area. He said there are 475 single family residences involved in the rezoning petition. He said the Carmelite Monastery property only comprises 10% of the area requested to be rezoned. He urged Council to approve the rezoning as requested.

The following individuals spoke in support of the petition to zone the Beverly Hills area to a R-1 Single Family Residential District, citing such concerns as additional traffic in the neighborhood, overcrowding of schools and decline of property values as reasons for opposing the construction of an apartment complex in the neighborhood.

Councilman Michael was excused from the meeting at 5:10 p. m.

Don Roberts	- Beverly Hills
Clyde Collier	- 57 Ambler Road
Col. Robert Brown	- Beverly Hills
Dick Eskridge	- Beverly Hills
Ralph Morrow	- 27 Ambler Road
Mary Hansen	- 39 Ambler Road

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at a meeting held on September 5, 1979 considered the petition of Mr. Herman Wyatt by Attorney William Biggers that certain lots on Sweeten Creek Road be rezoned from R-3 Residential District to R-5 Residential District. He said the Planning and Zoning Commission recommended that the property be rezoned as petitioned. He said the character of the area is suited for R-5 zoning. He said the primary reason for the request for the rezoning is in order that a mobile home can be placed on an individual lot. He said the area encompasses a large mobile home park. The area in question to be rezoned lies within the extraterritorial zoning jurisdiction.

Mr. Bill Biggers, attorney representing Mr. and Mrs. Herman Wyatt, spoke in support of the rezoning. He said the area is appropriate for the R-5 zoning since there are mobile homes on practically every lot in the area.

Mrs. Herman Wyatt, petitioner for the rezoning, spoke in support of the rezoning.

Mayor Trantham closed the public hearing at 7:00 p. m.

Verl Emrick, Director of Planning, read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1131. This motion was seconded by Councilman Cole.

On a roll call vote of 5-0, Ordinance No. 1131 passed on first reading.

PUBLIC HEARING - CLOSING OF A PORTION OF OLD HOWLAND ROAD

RESOLUTION NO. 79-226 - RESOLUTION TO CLOSE A PORTION OF AN ALLEYWAY KNOWN AS OLD HOWLAND ROAD

5. A public hearing was held relative to closing a portion of an alleyway known as Old Howland Road.

Mayor Trantham opened the public hearing at 7:03 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing. He also presented an affidavit of Ronald D. Brondyke stating that the alleyway was prominently posted in two places along that portion of Old Howland Road requested to be closed.

Mr. Ronald Brondyke, attorney representing the petitioners, the petitioners being all the property owners adjacent to the portion of the alleyway requested to be closed, said the reason the petitioners are requesting that the alleyway be closed is that the portion requested to be closed is a dead-end driveway that serves the residence of one of the petitioners. He said a second petitioner has a house, that was constructed fifty years ago, on the easement of the alleyway. He said in order to market the property, titled must be obtained for the portion of the alleyway that the house is situated upon. He said, in essence, the portion requested to be closed is a "paper street" only.

J. E. Johnson, Chief Building Inspector, said Mrs. Bryan had requested a list of improvements needed to bring the dwelling up to the minimum housing code standards. Mr. Johnson then read the following statement:

October 11, 1979

STATEMENT FOR THE RECORD

This is to state that I personally inspected the premises at 230 Montford Avenue at 11:30 a. m. this date. The following observations were made:

1. Junk cars have been removed from the premises.
2. Spoke with a painting contractor (Mr. Jack Ramsey) on the premises. He stated that Mrs. Bryan had contracted with him to spray paint the white trim on the front of the house, only. He also is to replace four 10-inch panes of glass at front of house that open into the attic.
3. Corrections made improve only the general appearance. There are no visible improvements in progress to improve the safety or sanitation of the structure.
4. There has been no recent permits obtained for this property. The only current permit is a repair permit obtained by Mrs. Bryan on 5/8/79, authorizing roofing and general repair work in the amount of \$600. This is a totally unrealistic permit.

/s/ L. F. Moore
L. F. Moore
Housing Inspections Supervisor

Mary Jo Brezny, representative of the Preservation Society of Asheville, said they did not want to see the dwelling demolished, however, neither do they want the dwelling to remain in its present condition. She said the Preservation Society is in the process of inquiring about purchasing the dwelling from Mrs. Bryan.

Mrs. Edith Bryan, owner of the dwelling in question, said she hopes to restore the house and she is not interested in selling the house.

On a roll call vote of 6-0, Ordinance No. 1129 passed on second reading.

Councilman Rainey was excused from the meeting at 6:50 p. m.

PUBLIC HEARING - REZONING PROPERTY ON SWEETEN CREEK ROAD

ORDINANCE NO. 1131 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. A public hearing was held relative to rezoning property on Sweeten Creek Road from R-3 Residential District to R-5 Residential District.

Mayor Trantham opened the public hearing at 6:50 p. m.

- C. Scheduling of a public hearing relative to the approval of a group development plan for the South Forest Shopping Center for November 15, 1979.

HIGHLIGHTS: The Planning and Zoning Commission has recommended approval of a group development plan for the expansion of the South Forest Shopping Center.

- D. Scheduling of a public hearing relative to the approval of a group development plan for Dawnwood Condominiums to be located on Caribou Road for November 15, 1979.

HIGHLIGHTS: The Planning and Zoning Commission has recommended approval of the group development plan for Dawnwood Condominiums to be located on Caribou Road.

- E. Scheduling of a public hearing relative to amending the Zoning Ordinance dealing with the initiation of amendments for November 8, 1979.

HIGHLIGHTS: Planning and Zoning Commission considered a proposed wording amendment to Article 11. Amendments to the Asheville Zoning Ordinance. The wording was recommended by City Attorney William Moore in order to spell out the procedures more clearly and assist in the administration of the ordinance. The Commission voted unanimously to recommend that Section 30-11-1, Initiation of Amendments be amended.

- F. Scheduling of a public hearing relative to amending the group development section of the Zoning Ordinance for November 8, 1979.

HIGHLIGHTS: The Planning and Zoning Commission considered a proposed wording amendment to the Group Development Section of the Zoning Ordinance. The amendment would address proposed structural changes and redesign of existing structures in addition to new construction. The Commission voted unanimously to recommend to City Council that the title of Article 6, Group Developments, and the first paragraph be amended.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the consent agenda was unanimously approved.

BUDGET AMENDMENT - APPROPRIATION OF CETA FUNDS

8. The City Manager presented a budget amendment amending the City of Asheville Federal Programs Fund Budget for Fiscal Year 1979-80 to reflect receipt of CETA funds from the County of Buncombe. He said the City Council of the City of Asheville on September 13, 1979 did by Resolution No. 79-206 authorize the Mayor of the City of Asheville to enter into a contract with the Buncombe County Board of Commissioners for participation in the CETA program for the period of October 1, 1979 to September 30, 1980. He said the amount appropriated is \$140,173.

Mayor Trantham closed the public hearing at 7:07 p. m.

Verl Emrick, Planning Director, read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 79-226 was unanimously adopted.

Complete text of Resolution No. 79-226 will be found in Resolution Book No. 11 at page 334.

BIDS - OFFSET PRINTING PRESS FOR CITY OF ASHEVILLE PRINT SHOP

6. Consideration was given to bids received October 5, 1979 for one offset printing press for the City of Asheville Print Shop.

The City Manager presented the bids stating that only one bid was received. He said it had been recommended that the bid submitted by AM International Inc. in the amount of \$5,559.16 be accepted.

Councilman Cole moved to accept the bid of AM International, Inc. in the amount of \$5,559.16. This motion was seconded by Councilwoman Price and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

7. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Scheduling of a public hearing relative to rezoning property in the Beaverdam Valley from R-2 Low Density Residential District to R-1 Single Family Residential District for November 8, 1979.

HIGHLIGHTS: The Planning and Zoning Commission considered petitions that the entire Beaverdam Valley be rezoned from R-2 Low Density Residential District to R-1 Single Family Residential District. The Commission, after reviewing the issues, voted to recommend to City Council that the petitions be approved, but limit the change to the jurisdiction of the City of Asheville in the Beaverdam Valley.

- B. Scheduling of a public hearing relative to rezoning property on Hendersonville Road, property of the South Forest Shopping Center, from R-2 Residential District to CH Commercial Highway District for November 15, 1979.

HIGHLIGHTS: The Planning and Zoning Commission recommended that the remaining portions of the South Forest Shopping Center be rezoned from R-2 Residential District to CH Commercial Highway District to accommodate adequate parking for expanded complex.

The City Manager read the resolution and said this right-of-way encroachment agreement with the North Carolina Department of Transportation and Highway Safety is for the water line that is to be constructed between Choctaw and College Street. He said because this line will encroach on the State right-of-way, this agreement is necessary.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-228 was unanimously adopted.

Complete text of Resolution No. 79-228 will be found in Resolution Book No. 11 at page 337.

PROCLAMATION - OCTOBER 15, 1979 - WHITE CANE DAY

Mayor Trantham proclaimed October 15, 1979 as "White Cane Day" in the City of Asheville.

CLAIMS - ANIMAL WORLD - GEORGE R. HARMON

The City Manager presented the following claims received from Mr. W. R. Swearngan, Facility Services Superintendent:

Following individual has a claim against the City of Asheville for damage:

Animal World
18 Angle Street
Asheville, N. C.

Sewer back-up, plumber
service and property damage
\$1,445.84

Claim sent to St. Paul Fire and Marine Insurance:

George R. Harmon
34 Ridge Avenue
Asheville, N. C.

Damage to automobile, hit
by City vehicle

TRAINING SESSIONS FOR GENERAL EMPLOYEES RELATIVE TO STATE RETIREMENT PLAN

The City Manager announced that training sessions for general employees relative to the State Retirement Plan would begin on October 15 and run through October 16, 1979.

Council requested that they be informed of the times the sessions are scheduled if they desire to attend the sessions.

RALPH BISHOP - REDRESS TO COUNCIL

Ralph Bishop again spoke to Council relative to his seeking redress from the Council.

Adjournment.

Ralph M. Trantham
MAYOR

Miriam S. Holcomb
CITY CLERK

Upon motion of Councilwoman Price, seconded by Councilman Cole, the budget amendment was approved as presented by the City Manager.

BUDGET AMENDMENT - REVITALIZATION PROJECT FUND - WATER AND SEWER IMPROVEMENTS- AKZONA

9. The City Manager presented a budget amendment amending the Asheville/Buncombe Revitalization Capital Project Fund budget to provide funding for the needed water/sewer improvements in the Pack Square area in conjunction with the Akzona Project.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the budget amendment was unanimously approved as presented by the City Manager.

LETTER FROM THOMS CABLEVISION - REQUEST FOR RATE INCREASE

10. The City Manager presented a letter received from Mr. John M. Jerose, Vice-President of Thoms Broadcasting Companies, Inc. requesting that Council place on its agenda for consideration an application for an increase in rates for Thoms Cablevision.

Vice-Mayor Horton moved to schedule a public hearing on the matter for December 13, 1979. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 79-227 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE WATER LINE OFF STATE ROAD #2719

11. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the water line off State Road #2719.

The City Manager read the resolution and explained that this right-of-way encroachment agreement with the North Carolina Department of Transportation and Highway Safety is for an existing water line on State Road #2719. He said because this line does encroach on the State right-of-way, this agreement is necessary.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-227 was unanimously adopted.

Complete text of Resolution No. 79-227 will be found in Resolution Book No. 11 at page 336.

RESOLUTION NO. 79-228 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE CONSTRUCTION OF $\pm$ 5000 LINEAL FEET OF 12 INCH DUCTILE IRON WATER LINE AND APPURTENANCES LOCATED BETWEEN CHOCTAW AND COLLEGE STREET

12. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the construction of $\pm$ 5000 lineal feet of 12 inch ductile iron water line and appurtenances located between Choctaw and College Street.

ORDINANCE NO. 1130 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Beverly Hills Rezoning)

3. Consideration was given to the second reading of Ordinance No. 1130, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property in the Beverly Hills area from R-2 Residential District and OI Office Institutional District to R-1 Single Family Residential District.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

Verl Emrick, Planning Director, in summarizing the proposed rezoning read the following memorandums:

MEMORANDUM

TO: Ken Michalove, City Manager

FROM: Verl R. Emrick, Planning Director
Bill Moore, City Attorney

SUBJECT: Summarization of and opinions relative to Beverly Hills Rezoning

DATE: October 15, 1979

After the rather lengthy discussion in Council's meeting last Thursday perhaps a brief summarization of positions, legal arguments and alternatives available would be in order.

1. Positions of involved parties: It seems that there is a dramatic polarization of views exist as to what is best for the entire area, for now and in the future. On one hand the petitioners are saying there are no compromise positions in their view. They have stated that the entire 400 acres should be zoned R-1 or the intent of the petition is viscerated.

The protesters also seem to be uncompromising in their views also to the point of softly intimating litigation. However, they have not stated flatly that an alternative would not receive serious consideration.

This then leaves Council in the position of attempting to render some type of decision which would protect the property rights of both camps.

2. Alternatives Available: At this point there seems to be only a few ways to approach the problem. These are:

(a) Accept P & Z recommendations as presented and zone the entire tract R-1;

Thursday - October 18, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Gene E. Rainey, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

INVOCATION

Mayor Trantham introduced Rev. Les Scofield, minister of White Rock Baptist Church in Candler, North Carolina, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 11, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the minutes of the October 11, 1979 meeting were approved as submitted.

ORDINANCE NO. 1131 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Sweeten Creek Road Rezoning)

2. Consideration was given to the second reading of Ordinance No. 1131, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property on Sweeten Creek Road from R-3 Residential District to R-5 Residential District.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

Upon inquiry of Councilman Rainey, Verl Emrick, Planning Director, said there had been no opposition expressed relative to the rezoning.

On a roll call vote of 6-0, Ordinance No. 1131 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of the ordinance. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1131 passed on third and final reading.

Complete text of Ordinance No. 1131 will be found in Ordinance Book No. 9 at page 55.

CITY OF ASHEVILLE

PLANNING & ZONING COMMISSION

704/255-5434

MEMORANDUM

TO: Ken Michalove, City Manager

From: Verl R. Emrick, Planning Director
Bill Moore, City Attorney

SUBJECT: Beverly Hills - Amendments to Memo Dated Oct. 15, 1979

DATE: October 17, 1979

Since Bill and I submitted the memo indicated above there has been a new development which directly impacts Council's alternatives previously stipulated. The new conditions revolve around a recorded agreement between the City of Asheville and Carmelite Nuns.

On August 6, 1963 the City and the Nuns executed an agreement which states.

"That for and in consideration of the property of the Carmelite Nuns of the Diocese of Raleigh, Inc., being rezoned from RA6 Residential District to Institutional District, the party of the first part (the sisters) covenants and agrees if at any time hereafter it shall decide to convey to anyone any of the property hereinafter described, pursuant to any sale it will make application to the party of the second part (the City) to rezone the part sold from Institutional District to RA6 Residential District, and take all action required to accomplish such rezoning, prior to the delivery of any deed conveying the same"

This agreement was executed and recorded in deed book 886 at page 527, and following the recordation Council passed ordinance No. 483 and zoned the property Institutional.

P.O. Box 7148 • Asheville, North Carolina 28807

(b) Zone all property in Beverly Hills R-1 except the Carmelite Property.

(c) Zone the entire Carmelite Property R-2 as proposed at P & Z; or

(d) Split the zoning on the Carmelite so that the current OI would become R-2 and zone the upper portion, currently zoned R-2 to R-1.

3. Legal Arguments. First the statements that Mr. Biggers made concerning *Blades vs Raleigh* (280 NC 531, 187 S.E. 2d. 35, 45 (1972)) while accurate would seem to be more applicable to the process of rezoning a specific parcel, not changing the zoning of a tract of land which surrounds a specific parcel(s). This is to say that in this instance the developer would purchase the land to utilize it in the way prescribed by the existing zoning classification. If the developer were seeking to change the classification to one which would relieve a more restrictive situation then the *Blades* case would apply 100%.

Mr. Bennett's contention is that the statements in the zoning ordinance which specify who may initiate or originate a rezoning request preclude the inclusion of the Carmelite property because the owners have not joined in the petition, but in fact formally protested the inclusion of the property in the rezoning proposition. Given this position and looking at the verbage in the zoning ordinance it appears that the argument does have merit.

Therefore it would be necessary for Council to make some "finding of fact" that the neighborhood area has undergone a substantive enough change to merit reconsideration of the development plan of the area if the entire area is to be included in the rezoning process. However, at this point it may be difficult to make such a finding because there has been no substantive change to this date only proposed or anticipated change.

Finally the issues raised by this case and that of Chunn's Cove carry serious implications on how the city approaches the use of zoning regulations in governing both the stability of the city as well as providing for orderly growth of the area. And given this a realistic assessment of how these policies and ordinances will be utilized in the future should be made as soon as possible.

Vul

Planning Director

William C. Moore

VRE/bw

Mr. Bennett said the Sisters have obligated themselves to an option to sell the property which option was made while the highest adjoining residential property is zoned R-2 Residential, thereby, obligating Council to zone the Monastery property to R-2 Residential District.

Mr. Keith Snyder, attorney representing the Beverly Hills Homeowners Association, Inc. said after researching the agreement in question, he would have to disagree with Mr. Emrick, Mr. Moore and Mr. Bennett. He said the agreement was only executed by the Carmelite Sisters and not the City of Asheville. He said a Council could not bind their successors into a situation which might not be feasible in future years. He said Council could not make a contract today to rezone property in the future.

Mr. Snyder also spoke in opposition to an apartment complex being constructed on the Monastery property citing such concerns as the overcrowding of schools, decline of property values, and inadequate water system.

Mr. Don Roberts of Beverly Hills, spoke in support of the rezoning.

Several members of Council said a substantial effort should be made by both parties for a compromise on the rezoning, leaving both parties an accomplishment. They said the owners of the Carmelite property should not have to give up the entirety of their property to be zoned R-1 Residential District.

On a roll call vote of 6-0, Ordinance No. 1130 passed on second reading.

PUBLIC HEARING - AMENDING ZONING ORDINANCE RELATIVE TO FAMILY CARE HOMES AND GROUP HOMES FOR DEVELOPMENTALLY DISABLED ADULTS AS CONDITIONAL USES

4. A public hearing was held relative to amending the Zoning Ordinance to include "Family Care Homes" and "Group Homes for Developmentally Disabled Adults" as Conditional Uses in all residential zoning districts and in the Office Institutional District.

Mayor Trantham opened the public hearing at 5:15 p. m.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at a meeting held on September 5, 1979 considered the request of Mrs. Mildred Graham by Attorney John Powell that "Family Care Homes" be allowed in any and all residential zoning districts of the City of Asheville. He said the Planning and Zoning Commission recommended that they be allowed as Conditional Uses.

Mr. Emrick said the Planning and Zoning Commission recommended that a "Family Care Home" be defined as a small residence which provides sheltered care for two to five adults who, because of age or disability, require some personal services along with room and board to assure their safety and comfort. He said the following development standards were recommended in order to assist the Board of Adjustment in evaluating the impact of any request for a zoning or building permit within the jurisdiction of the ordinance:

1. Facility shall have the appropriate state operating license.
2. The minimum site size shall be no less than the non-residential lot sizes of the zoning district in which the facility is located.

Page 2
Memo-Ken Michalove
October 17, 1979

Given this bilateral agreement it is the staff's opinion that Council is now obligated to rezone that portion of the property currently zoned O1 to the corresponding zone now used in the Ordinance. This zone would be R-3. However, we do think that a compromise can be reached by zoning the property R-2 rather than R-3 without violating the intent of the 1963 agreement.

Copies of the agreement and corresponding council minutes are attached. If you have any questions please advise.

William C. Moore

Attachment

He said, however, Ordinance No. 483 does contain a clause that the property shall be rezoned to the highest adjoining residential zone existing at the time the property is disposed of. He said with these alternatives it would be his opinion that the property would have to be rezoned to a R-2 or R-3 Residential District.

Upon inquiry of Councilman Rainey as to whether the property would have to be rezoned R-2 or R-3 if Council grants the request of the residents to zone the property R-1, Mr. Emrick said this would be a legal question to determine if there was a contract to sell the property while the adjoining property was zoned R-2 Residential.

Attorney Harold Bennett, representing the owners of the Carmelite Monastery property, said in his opinion Council would be obligated to carry out the requirements of the recorded instrument. He said if Council would zone the upper portion of the Monastery property R-2 Residential, then his clients will agree to request that Council zone the lower portion to R-2 which will only allow 10 units per acre rather than the present zoning O1 which allows 16 units per acre. He said no one could develop single family dwellings on 14 acres of land.

4. Adequate buffering - Minimum requirement shall be as follows:

Two (2) rows of evergreen shrubs planted on the side(s) of adjoining lots. These rows shall be no more than three (3) feet apart and the shrubs shall be planted in a staggered pattern no more than six (6) feet apart. These shrubs shall be of size and species that will grow to a height of five (5) feet or more after one (1) full growing season and will eventually grow to a height no less than twelve (12) feet.

5. No external signage shall be allowed.

Council then discussed the present status of a group home for developmentally disabled adults proposed for the Kenilworth area on Chiles Avenue.

The City Manager said he had been advised that action taken by the Council relative to the amendment would not affect the Kenilworth Group Home because an application was previously made for a building permit and the City would be obligated to issue the permit.

Mr. J. E. Johnson, Chief Building Inspector, said a permit for the group home in Kenilworth was applied for prior to Council imposing a moratorium on the issuance of building permits for group homes for developmentally disabled adults on October 4, 1979. He said the plans for the group home meet all State standards and he would have no choice but to issue the permit.

Corporation Counsel William C. Moore said the permit for the home in Kenilworth would not be under the jurisdiction of the moratorium as it was applied for prior to Council imposing the moratorium.

Councilman Rainey questioned whether the Kenilworth Home would be subject to the regulations in the amendments since the permit has not been issued, but only applied for.

Attorney Bob Orr, representing a group of Kenilworth residents opposing the Home, challenged the statement that the application was the point of departure in determining the grandfather clause situation, and said that if an investigation determines that it is not, the Home would be subject to the regulations included in the new amendment to the ordinance. He said, in his opinion, the Group Home in Kenilworth would be affected by the present moratorium.

Mr. Orr said such group homes should be located in neighborhoods where the residents do not have to be extraordinarily careful in dealing with their own families, referring to the usual activities of children in a neighborhood. He said a functional buffer needs to be provided for such homes. He said the Zoning Ordinance is the proper tool in which limitations, by government, can be set for standards on such facilities.

Mr. Orr requested that Council and the City Manager instruct the Chief Building Inspector not to issue the permit for the Kenilworth Home until the proposed ordinance is considered and on the grounds that it does not comply with the Zoning Ordinance.

3. Adequate off-street parking - Minimum required shall be no less than five (5) spaces with adequate turnaround space also being provided.
4. Adequate buffering - Minimum requirement shall be as follows:
Two (2) rows of evergreen shrubs planted on the side(s) of adjoining lots. These rows shall be no more than three (3) feet apart and the shrubs shall be planted in a staggered pattern no more than six (6) feet apart. These shrubs shall be of a size and species that will grow to a height of five (5) feet or more after one (1) full growing season and will eventually grow to a height no less than twelve (12) feet.
5. No external signage shall be allowed.

Mr. Emrick said by making the uses as Conditional the Board of Adjustment would have to approve the facilities which would provide a measure of control. He said Council cannot totally exclude a particular operation from its jurisdiction but they can impose standards on a particular operation.

Attorney John Powell, representing the owners and operators of several family care homes, spoke in support of the amendment. He said his clients agree to the standards except the condition that the minimum site size shall be no less than the non-residential lot sizes of the zoning district in which the facility is located. He suggested that the lot size be left to the discretion of the Zoning Administrator and asked that 20,000 square feet be the maximum requirement for such homes.

Vice-Mayor Horton suggested that the word "small" be deleted from the definition of a family care home and requested that the Planning Staff review the requirement of the minimum lot size before the second reading of the ordinance.

Mr. Emrick said the Planning and Zoning Commission recommended that a "Group Home for Developmentally Disabled Adults" be defined as a small residence which provides care for two to nine adults who are developmentally disabled and who have or can develop self-help skills, are ambulatory, in need of a home and are able to participate in activities in the community. He said the following development standards were recommended in order to assist the Board of Adjustment in evaluating the impact of any request for a zoning or building permit within the jurisdiction of the ordinance:

1. Facility shall have the appropriate state operating license.
2. The minimum lot size for the site shall be no less than two (2) acres. However, if in the opinion of the Board of Adjustment larger lot sizes are necessary in order to maintain the character of the neighborhood, the Board may increase the required lot size.
3. Adequate off-street parking: Minimum required shall be no less than nine (9) spaces with adequate turnaround space also being provided.

Mayor Trantham opened the public hearing at 6:59 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, in reviewing the background of the proposed ordinance said the ordinance was initiated by Council when the Carolina Power and Light Company began the construction of "superpoles" on Lakeshore Drive. He said in researching, it was determined through the North Carolina League of Municipalities and the Attorney General's Office that the City can control the rights-of-way, however, the utility companies can also place structures on the rights-of-way. He said it was suggested that Council adopt standards for the placement of structures in the rights-of-way.

Mr. Emrick said the proposed ordinance has been circulated to members of Council and the public utility companies.

William McCaskill, District Manager for the Engineering Division for Southern Bell Telephone and Telegraph Company, said he had reviewed the proposed ordinance and felt, as presented, the standards would cause a considerable amount of problems with service to their customers. He said he would like to meet with the City staff and present several recommendations for revision.

Councilman Rainey requested that the recommended revisions be presented in writing.

Mr. McCaskill said to his knowledge there is not an ordinance governing such structures in any other area serviced by Southern Bell.

Mr. Jack Bass and Mr. Walter Harlow of the Carolina Power and Light Company said they would also like an opportunity to present written recommended revisions to the ordinance.

It was the consensus of Council that Mr. Emrick meet with all parties concerned relative to the proposed ordinance.

Councilman Rainey moved to continue the public hearing until November 8, 1979. This motion was seconded by Councilman Cole and carried unanimously.

SALE OF DISPOSAL PARCELS 40, 69, 71, 89, and 190 - EAST RIVERSIDE URBAN RENEWAL PROJECT

6. Consideration was given to the approval of the sale of Disposal Parcels in the East Riverside Urban Renewal Project.

The City Manager said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Urban Renewal Project:

<u>Parcel</u>	<u>Reuse</u>	<u>Price</u>	<u>Bid</u>	<u>Redeveloper</u>
40	Residential	\$ 2,900	\$ 3,051	L S & M Building Company, Inc.
69	Residential	2,200	2,251	L S & M Building Company, Inc.
71	Residential	2,100	2,251	L S & M Building Company, Inc.
89	Residential	1,600	2,500	Mattie W. Cameron
190	Commercial	37,300	37,700	James Green, et al

Councilman Michael was excused from the meeting at 6:22 p. m.

Mrs. Katherine Johnson and Mr. Albert McLain of Kenilworth spoke in opposition to the group home being built in the Kenilworth area.

The City Manager said Council may need to obtain the Attorney General's opinion as to whether the permit applied for the group home in Kenilworth would come under the jurisdiction of the current moratorium.

Mr. Johnson reported that anyone aggrieved by his decision to issue the permit can appeal his decision to the Board of Adjustment pursuant to the Zoning Ordinance.

Wilder Wadford, representing Buncombe County Group Homes for the Developmentally Disabled Adults, Inc. said that the application for a building permit was made before the moratorium was imposed and their request would fall under the grandfather clause and a permit should be issued. He said the proposed home has been in planning for a long time and thousands of dollars already spent on the project. He said he felt this amendment was a discriminatory attempt to keep these types of homes from being placed in the City of Asheville, particularly at the Chiles Avenue location. He said the Group Home in Kenilworth should not be discussed during this meeting because the requirements would not apply.

Mr. Wadford said the standards in the proposed ordinance are too restrictive and unfair. He said the standards go to the extreme.

He said the Group Home in Kenilworth meets all requirements for such homes as required by the North Carolina Department of Human Resources.

The City Manager said since Council is really discussing two separate issues, the issues should be separated into separate ordinances and acted upon in that manner or Council should continue the hearing and give the City staff an opportunity to check into the legality of the proposed ordinance and the present moratorium, as well as an opportunity to obtain the Attorney General's opinion on the issue.

Mrs. Schriber of Westchester Drive and Mrs. Kirby of 7 Chiles Avenue spoke in opposition to the proposed Group Home in Kenilworth.

After discussion, Councilman Rainey moved to continue the public hearing until November 15, 1979. This motion was seconded by Councilman Cole and carried unanimously.

Attorney Wadford agreed to wait until November 16, 1979, to request that the building permit be issued.

PUBLIC HEARING - ORDINANCE SETTING FORTH STANDARDS FOR PLACEMENT OF STRUCTURES EITHER ON, ABOVE, OR BELOW THE SURFACE OF RIGHTS-OF-WAYS OR TRAVELLED PORTIONS OF THE STREETS, SIDEWALKS, ALLEYWAYS, OR OTHER WAYS OF PUBLIC PASSAGE WITHIN THE CITY OF ASHEVILLE - KNOWN AS "SUPERPOLE ORDINANCE"

5. A public hearing was held relative to the adoption of an ordinance setting forth standards for placement of structures either on, above, or below the surfact of right-of-ways or travelled portions of the streets, sidewalks, alleyways, or other ways of public passage within the City of Asheville - known as "Superpole Ordinance."

After discussion, Councilwoman Price moved to proceed with the third reading of Ordinance No. 1129 and to amend the ordinance to provide that the effective date of the ordinance be 30 days after adoption, to determine that the property owner has paid all taxes due on the property, and a valid contract has been made with a contractor to bring the house up to code standards and further that the Chief Building Inspector report the status of the improvements to Council in 30 days and that the Chief Building Inspector take no action on the ordinance until action is approved by Council. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1129 passed on its third reading.

Complete text of Ordinance No. 1129 will be found in Ordinance Book No. 9 at page 50.

BUDGET AMENDMENT - FUNDING EQUIPMENT FOR SHILOH CENTER

9. Consideration was given to a budget amendment amending the 1979-80 City of Asheville Operating Budget.

The City Manager said this amendment in the amount of \$20,000 is to fund equipment for the Shiloh Recreation Center.

Vice Mayor Horton moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

10. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. RESOLUTION NO. 79-229 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line on U. S. 25 approximately 2400' north from N. C. 280 (Long Shoals Road).

HIGHLIGHTS: This right-of-way encroachment agreement with the North Carolina Department of Transportation and Highway Safety is for the water line that is to be constructed on U. S. 25 located approximately 2400' North from N. C. 280 (Long Shoals Road). Because this line will encroach on the State right-of-way, this agreement is necessary.

Complete text of Resolution No. 79-229 will be found in Resolution Book No. 11 at page 338.

- B. RESOLUTION NO. 79-230 - Resolution authorizing the City Council of the City of Asheville to proclaim October 17th - October 27th, 1979, as Hallelujah Asheville - Fall Festival Days!

Upon inquiry of Council, Larry Holt, Deputy Executive Director of the Housing Authority, said the proposed developers of Lot 190 plan to construct a 4,600 square foot building which will house a Mini-Mart and an Ice Cream Parlor.

Councilwoman Price moved to approve the sale of Disposal Parcels 40, 69, 71, 89, and 190 in the East Riverside Urban Renewal Project as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

SIGN PERMIT FOR NEAGLE SIGN COMPANY - 400 HENDERSONVILLE ROAD

7. Consideration was given to the approval of a sign permit for Neagle Sign Company for a sign at 400 Hendersonville Road.

The City Manager said Neagle Sign Company has requested approval of a sign permit for a sign to be located at 400 Hendersonville Road. He said this sign is to be situated closer than 600' from the Expressway requiring the approval of City Council.

Don Dawson, with Neagle Sign Company, said the proposed sign meets all zoning requirements and the only reason it is before Council is that it is to be placed within 600' of I-26.

Councilman Cole moved to approve the sign permit for Neagle Sign Company to be located at 400 Hendersonville Road. This motion was seconded by Vice Mayor Horton. On a voice vote of 3 to 2, the motion to approve the sign permit failed with Councilwoman Price and Councilman Rainey voting "no."

ORDINANCE NO. 1129 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 230 MONTFORD AVENUE

8. Consideration was given to the third reading of Ordinance No. 1129, an ordinance directing the Housing Officer to demolish the dwelling house known as 230 Montford Avenue.

Mayor Trantham said the ordinance was previously read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

Max Cogburn, attorney representing Mrs. Edith Bryan, owner of 230 Montford Avenue, said some improvements have been made to the house since the first reading of the ordinance. He said during the first reading of the ordinance, Council implied that the ordinance might be deferred on the third reading pending the accomplished improvements to the house during the two-week period. He said they are trying to save and restore the house.

Mr. Bruce Roberts, general contractor and restorer of old houses, said he reviewed the report of the Inspections Division and inspected the house in question. He said in his opinion, the house is restorable. He said the house needs extensive work, but could be saved. He said as a rough estimate, it would take about \$15,000 to put it into a habitable condition and about \$35,000 to completely restore the house to its original condition. He said it would take four to five months to bring the house up to a habitable condition. He said he felt there is a need to preserve the integrity and cultural awareness of the past by restoring such older homes.

BACKTALK Editor

Subject: Letter for publication on Sunday, October 21

Last week, the Asheville-Buncombe community was involved in a most significant and challenging social betterment activity.

"Drug Awareness Week" in Asheville and Buncombe county made a positive impact on a large segment of older students in our public schools and on many parents who attended the several evening meetings.

The Ted Stone Enlightenment Crusade brought a dynamic and impressive presentation of information and drug abuse prevention warnings in assembly programs to over 6,000 students in city and county schools. The frank and open message of Ted Stone, former drug addict and four-year prison inmate because of his addiction, held the rapt attention and interest of every audience and student questions were answered about the dangers of drugs.

A survey of drug use and knowledge was also taken in several classes of every grade level, which should provide revealing insight into our local drug situation.

There wasn't time to get into every school, but it is hoped those missed will be covered at a later date.

Many people helped make this week an outstanding success. City Council and County Commissioners passed resolutions proclaiming the special week. West Asheville Baptist Church and Concerned Citizens for a Better Asheville and Buncombe County co-sponsored the crusade and did the committee work and financing. The school superintendents and principals responded with great interest and cooperation. Several PTA's and churches helped in promotion and publicity. Radio and TV coverage was most helpful. City and county law enforcement people gave assistance and suggestions. Informative brochures were prepared and handed out to all attending the sessions.

Our sincerest appreciation and thanks to all those who were involved and gave so much time and energy to this most noteworthy community activity. This is planned to be just the beginning of a continuing drug abuse awareness and educational effort in our community. Involvement by more of our citizens would be welcomed.

Bob B. Horton

Bill B. Horton

CHAIRMAN

CONCERNED CITIZENS FOR A BETTER ASHEVILLE & BUNCOMBE COUNTY

Complete text of Resolution No. 79-230 will be found in Resolution Book No. 11 at page 339.

- C. Approval of bids received October 12, 1979, for 150 stacking chairs for the Shiloh Center.

HIGHLIGHTS: Three (3) bids were received. Recommendation of acceptance of low bid submitted by Casst Office Furniture Company in the amount of \$2,736.00. Funding: Parks and Recreation Department - Budget Motion in the amount of \$20,000; Account Code 14-45-501-084.0074.

- D. Approval of bids received October 12, 1979, for uniforms for Asheville Fire Department.

HIGHLIGHTS: Two (2) bids were received. Recommendation of acceptance of lowest overall bid submitted by Stinnette Uniform Sales, Inc. in the amount of \$3,698.02; Funding: Fire Department, General Operating Fund; Account Code 10-40-470.0036.

- E. Approval of bids received October 12, 1979, for one (1) pick-up truck for Asheville Airport.

HIGHLIGHTS: Two (2) bids were received. Recommendation of low bid submitted by Apple Tree Chevrolet in the amount of \$5,148.13. Funding: Revenue Sharing Trust Fund - Aviation Capital Outlay.

- F. RESOLUTION NO. 79-231 - Resolution authorizing the filing of an assurance with the United States Department of Transportation concerning nondiscrimination on the basis of handicap.

HIGHLIGHTS: This assurance is a prerequisite to approval or extension of any program or project receiving Federal financial assistance from the U. S. Department of Transportation. The City of Asheville has received and desires to receive additional Federal financial assistance from the U. S. Department of Transportation.

Complete text of Resolution 79-231 will be found in Resolution Book No. 11 at page 340.

DRUG AWARENESS WEEK - VICE MAYOR HORTON

11. Vice Mayor Horton read the following letter and requested that it be included in the minutes:

Thursday - October 25, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Gene E. Rainey, Ralph D. Morris, Jr., and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Vice-Mayor Bill B. Horton gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 18, 1979 meeting.

Upon motion of Councilman Rainey, seconded by Councilman Michael, the minutes of the October 18, 1979 meeting were approved as submitted.

ORDINANCE NO. 1130 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Beverly Hills Area)

2. Consideration was given to the third reading of Ordinance No. 1130, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property in the Beverly Hills area from R-2 Residential District and OI Office Institutional District to R-1 Single Family Residential District.

Mayor Trantham said the Ordinance was previously read on first and second readings and that it would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Planning Director, read a letter received from Bishop Michael J. Begly of the Catholic Diocese of Charlotte requesting officially that the Office Institutional portion of the Monastery property be rezoned to R-3 in conjunction with the 1963 Agreement. He recommended delaying the third reading of the Beverly Hills Rezoning until November 15, 1979, to allow the Planning and Zoning Commission an opportunity to hold public hearings and make a recommendation on Bishop Begly's request. He said this would satisfy the conditions of the 1963 Agreement and would show an effort to protect the property rights of all involved. He said an agreement could be made, for the interim, that no options be executed and no building permits be issued for the Carmelite Monastery property.

Councilman Morris said he felt the Planning Director's recommendation would clear up any legal problems relative to the Beverly Hills Rezoning.

Keith Snyder, Attorney representing the Beverly Hills Homeowners Association, Inc., reiterated comments made during the second reading of the Ordinance, supporting the rezoning of the area to R-1 Residential District.

DEAD SQUIRREL ON REYNOLDS PLACE

12. Councilman Rainey reported that there has been a dead squirrel on Reynolds Place for about a week.

The City Manager said he would look into the matter.

PROCLAMATION - UNITED NATIONS WEEK - OCTOBER 21-28 - UNITED NATIONS DAY, OCTOBER 24, 1979

13. Mayor Trantham proclaimed the week of October 21-28 as United Nations Week and October 24, 1979, as United Nations Day.

PROCLAMATION - OCTOBER 31, 1979, UNICEF DAY

14. Mayor Trantham proclaimed October 31, 1979, as UNICEF Day.

REQUEST FROM ASHEVILLE AREA CIVIC CENTER COMMISSION FOR FREE PARKING DURING SELECTED EVENTS.

15. The City Manager said he had received a request from the Asheville Area Civic Center Commission for free parking during selected events.

It was the consensus of Council to discuss the matter next week.

CLAIMS - MS. FRED TELL MILLER

16. The City Manager presented the following claim received from Ms. Freda Tell Miller for damage to a automobile hit by a City vehicle.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

PETITION - RESIDENTS OF HUBBARD STREET - FIRE HYDRANT

17. The City Manager presented a petition received from residents of Hubbard Street relative to a fire hydrant. He said this petition would be investigated.

Adjournment.

MAYOR

CITY CLERK

3. A public hearing was held relative to amending the Zoning Ordinance to include neighborhood playground or neighborhood parks, which are publicly owned and operated, in all zones as permitted uses.

Mayor Trantham opened the public hearing at 4:53 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at a special session held on October 18, 1979, discussed the following proposed changes to the Asheville Zoning Ordinance:

- 1) That the following wording be permitted in all residential zoning districts and the Office/Institutional District:

"Neighborhood playgrounds or neighborhood parks which are publicly owned and operated. Said playground and park facilities shall be reviewed under the procedures prescribed for Group Developments or Planned Unit Development prior to the construction or reconstruction of the facilities."

- 2) The Commission heard comments and questions from the public and discussed the issues among themselves. After the discussion, the Commission moved to recommend that Council and the Commission take the following action:

"That the staff be requested to make a recommendation to the Planning and Zoning Commission which would encompass a comprehensive study of zoning with particular reference to neighborhood parks and neighborhood playgrounds. Further, the staff should make some definitions of parks, playgrounds, neighborhood facilities, exactly what they are, and also give us parameters for recommendation to City Council as to exactly what procedures would be involved in any group development evaluation of such projects."

Mr. Emrick said it would take five or six months to complete the study.

Vice Mayor Horton said he felt the Planning and Zoning Commission is overlooking the fact that this Council and the previous Council's commitment to build a North Asheville Park. He said at present Council is in a legal dilemma about the construction of the North Asheville Park and he felt the wording amendment would settle the legal problems. He said the Planning and Zoning Commission's recommendation would be great for a long-range plan, but not for the present.

Mr. Emrick commented that Planning and Zoning was requested to deal with the amendment concerning all residential districts. He said they issued an opinion before on the North Asheville Park Project and they still stand by their opinion.

Mr. Emrick said Council could consider several alternatives which include:

273

Upon inquiry of Council, Corporation Counsel William C. Moore said in his opinion, the 1963 Agreement is valid. He also told Council that it is illegal for an individual or group to petition to rezone property whose owner was opposed to the rezoning.

After discussion, Councilwoman Price moved to accept the recommendation of the Planning Director and the Corporation Counsel to delay the third reading of Ordinance No. 1130 until November 15, 1979, to allow the Planning and Zoning Commission an opportunity to hold public hearings and make a recommendation on Bishop Begly's request. Further, that the Planning and Zoning Commission hold a public hearing on the matter on November 7, 1979. This motion was seconded by Councilman Morris.

Councilman Rainey disagreed with Councilwoman Price's motion stating that it is too bad that the Catholic Sisters have to oppose the rezoning so harshly. He said he felt the Sisters have received bad advice to pursue this so far. He said he felt Council should proceed with the third reading of the Ordinance.

Vice Mayor Horton agreed with Councilman Rainey.

Virginia York, a realtor representing Bishop Begly, spoke in opposition to the rezoning. She said the attempt by the homeowners to rezone the Sisters' property "smelled of socialism," and said that if the rezoning was granted and the developers did not purchase the land, the Sisters would lose approximately 80 percent of the value of the land.

Clyde Collier of Ambler Road spoke in support of the rezoning and requested that Council proceed with the third reading.

Helen O'Hara, 187 Fairway Drive, also spoke in support of the rezoning.

Don Roberts, representing the Beverly Hills Homeowners Association, Inc. requested that Council proceed with the third reading of the Ordinance.

Councilman Morris said Council should at least consider Bishop Begly's request and not have one property owner bear the burden. He said Council should also take the advice of the Corporation Counsel in this matter.

Mayor Trantham called for a roll call vote on Councilwoman Price's motion, which motion was defeated on a vote of 4 to 3 with Councilwoman Price, Councilman Michael and Councilman Morris voting "aye" and Councilman Rainey, Councilman Cole, and Vice Mayor Horton, and Mayor Trantham voting "no."

On a roll call vote of 4 to 3, Ordinance No. 1130 passed on its third and final reading with Councilwoman Price, Councilman Michael, and Councilman Morris voting "no" and Councilman Rainey, Councilman Cole, Vice Mayor Horton, and Mayor Trantham voting "aye."

Complete text of Ordinance No. 1130 will be found in Ordinance Book No. 9 at page 53.

PUBLIC HEARING - AMENDING ZONING ORDINANCE - PLAYGROUNDS OR PARKS

ORDINANCE NO. 1133 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Playgrounds or Parks

Sherrill Campbell, a resident of the area, spoke in opposition to the construction of the North Asheville Park.

Mayor Trantham closed the public hearing at 6:03 P.M.

Verl Emrick read the ordinance.

Vice Mayor Horton moved for the adoption of the ordinance. This motion was seconded by Councilman Rainey.

After discussion, Councilwoman Price moved to table Ordinance No. 1133 until the Planning and Zoning Commission has an opportunity to recommend standards for the placement of neighborhood parks and playgrounds. This motion was seconded by Councilman Cole, which motion carried on a voice vote of 4 to 2, with Councilman Morris, Councilwoman Price, Councilman Cole, and Mayor Trantham voting "aye" and Vice Mayor Horton and Councilman Rainey voting "no."

RESOLUTION NO. 79-232 - RESOLUTION ENLISTING IN THE NORTH CAROLINA LOCAL GOVERNMENT EMPLOYEES RETIREMENT SYSTEM

4. Consideration was given to a resolution enlisting in the North Carolina Local Government Employees Retirement System.

Mike Smith, Director of Administration, read the resolution and explained that this would allow the participation of the members of the Asheville General Employees Retirement Plan in the North Carolina Local Governmental Employees Retirement System.

Sam Graves, Director of Employee Services, reported that the employees and retired employees attended educational training sessions relative to the State Retirement Plan. He said an election would be held among the employees on November 2, 1979, to determine if the employees desire to participate in the State Retirement Plan. He said if the election is successful, the change over could be accomplished by January 1, 1980.

Upon motion of Councilwoman Price, seconded by Vice Mayor Horton, Resolution No. 79-232 was unanimously adopted.

Complete text of Resolution No. 79-232 will be found in Resolution Book No. 11 at page 341.

RESOLUTION NO. 79-233 - RESOLUTION ENLISTING IN THE NORTH CAROLINA LOCAL GOVERNMENTAL EMPLOYEES RETIREMENT SYSTEM

5. Consideration was given to a resolution enlisting in the North Carolina Local Governmental Employees Retirement System.

Mike Smith, Director of Administration, read the resolution and explained that this would allow all eligible unenrolled general employees of the City of Asheville to participate in the North Carolina Local Governmental Employees Retirement System.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-233 was unanimously adopted.

Complete text of Resolution No. 79-233 will be found in Resolution Book No. 11 at page 342.

- 1) Taking no action and letting the federal grant expire;
- 2) Giving the property to the School Board for its use next to the Ira B. Jones School;
- 3) Selling the property for private development;
- 4) Rezoning the land to R-3 where parks are allowed;
- 5) Changing the wording to allow parks in all zones under conditional use; or
- 6) Seeking a transfer of the grant to be used at another site.

Councilman Morris said Council was told not to commit to building the North Asheville Park, by the City Attorney, particularly on the Swain property because it is zoned R-1 Residential District, which does not allow a park. He said he felt the massive delay was due to Council not taking the advice of the City Attorney at that time. He said Council should follow the recommendation of the Planning and Zoning Commission.

Council then discussed the possibility of using the old Landfill property as a site for the North Asheville Park.

Ray Kisiah, Director of Parks and Recreation, told Council it would be illegal to transfer the grant for another site. He said the grant, with an extension, will expire June 30, 1981. However, it will take 18 to 24 months to build the park, which doesn't leave much time.

Councilman Rainey said Council should proceed with amending the Zoning Ordinance to include parks and playgrounds in all residential zones of the City.

Mayor Trantham said he favored the construction of a park in North Asheville, but he could not favor opening all residential areas for parks and playgrounds. He said standards need to be provided for before opening this up to all residential zones.

Mr. Kisiah said the Parks and Recreation Advisory Board has recommended that the Zoning Ordinance be amended to include neighborhood parks and playgrounds.

Mack Day, representing the Grove Park Sunset Association, supported the Planning and Zoning Commission's recommendation and opposed any amendment to the Zoning Ordinance at the present. He said there is no need for a park in North Asheville and the residents in the area cannot take the additional traffic that would be generated by the Park.

Shelby Horton, Attorney, requested that Council stand firm in their decision regarding the construction of the North Asheville Park. He said he had filed an appeal against the current injunction to stop the construction of the Park.

Councilman Morris commented that Council did not authorize the appeal against the injunction. He also said Council should not approve the amendment before standards are set for parks and playgrounds.

Councilman Michael was excused from the meeting at 6:00 P.M.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. RESOLUTION NO. 79-234 - Resolution appointing a member to the City of Asheville Board of Alcoholic Control.

HIGHLIGHTS: This was a reappointment of Mrs. Celeste Loftin to the Board of Alcoholic Control.

Complete text of Resolution No. 79-234 will be found in Resolution Book No. 11 at page 343.

- B. RESOLUTION NO. 79-235 - Resolution authorizing the Mayor of the City of Asheville to enter into an agreement with the Housing Authority of the City of Asheville for the dedication of land in the East Riverside Urban Renewal Area.

HIGHLIGHTS: Dedication of Parcel 143 of the East Riverside Urban Renewal Project. The Housing Authority Board of Commissioners approved the execution of a contract for the dedication of Parcel 143 to the City of Asheville.

Complete text of Resolution No. 79-235 will be found in Resolution Book No. 11 at page 344.

- C. RESOLUTION NO. 79-236 - Resolution authorizing the Mayor on behalf of the City of Asheville to execute Change Order No. 7 with Champion Contracting Company, Inc. for the project known as Site Preparation for 1,500' Runway and Taxiway Extension.

HIGHLIGHTS: This Change Order increased the contract price by \$23,523.25 and was requested to add a new access road to the required facilities in sequence with the 1,500' runway extension.

Complete text of Resolution No. 79-236 will be found in Resolution Book No. 11 at page 345.

- D. RESOLUTION NO. 79-237 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a continuing lease between the Federal Aviation Administration and the City of Asheville

HIGHLIGHTS: This lease agreement superceded the present agreement by changing the yearly termination and renewal only to coincide with the FAA change in the fiscal year.

Complete text of Resolution No. 79-237 will be found in Resolution Book No. 11 at page 346.

279

Councilwoman Price noted that the expenditures for participation in the State Retirement Plan was appropriated when the 1979-80 Budget was adopted.

ORDINANCE NO. 1132 - AN ORDINANCE AMENDING ORDINANCE NO. 861, KNOWN AS "AN ORDINANCE ESTABLISHING THE ASHEVILLE GENERAL EMPLOYEES RETIREMENT PLAN AND TRUST"

6. Consideration was given to an ordinance amending Ordinance No. 861, known as "AN ORDINANCE ESTABLISHING THE ASHEVILLE GENERAL EMPLOYEES RETIREMENT PLAN AND TRUST."

Mike Smith, Director of Administration, read the ordinance. He said that this ordinance will allow for an increase in benefit payments to employees of the City of Asheville who retired prior to October 1, 1979.

Vice Mayor Horton noted that the increase would be taken from the surplus currently in the General Employees Retirement Plan.

Vice-Mayor Horton moved for the adoption of Ordinance No. 1132. This motion was seconded by Councilman Rainey.

On a roll call vote of 6-0, Ordinance No. 1132 passed on its first reading.

Councilman Cole moved to suspend the rules and proceed to the second reading of Ordinance No. 1132. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1132 passed on its second reading.

Councilman Rainey moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1132. This motion was seconded by Vice Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1132 passed on its third and final reading.

Complete text of Ordinance No. 1132 will be found in Ordinance Book No. 9 at page 56.

ADOPTION OF ANNEXATION PLAN - ASHEVILLE COUNTRY CLUB GOLF COURSE

7. Consideration was given to the adoption of the Annexation Plan for the area known as the Asheville Country Club Golf Course as required by North Carolina General Statutes 160A-49(c).

Verl Emrick, Planning Director, said this is in conjunction with the proposed annexation of the Asheville Country Club property scheduled for a public hearing on November 18, 1979. He said North Carolina General Statutes 160A-49(c) requires that Council adopt the plan fourteen (14) days before the public hearing.

Mr. Emrick then read the plan for extending the services to the proposed annexed area. He said a copy of the plan will be on file, for public inspection, in the Office of the City Clerk.

Councilman Rainey moved to adopt the Annexation Plan for the area known as the Asheville Country Club Golf Course as presented by the Planning Director. This motion was seconded by Vice Mayor Horton and carried unanimously.

streets. He said sufficient funds are not available to do the entire resurfacing, however, funds are available for major patching which would cost approximately \$18,000 to \$20,000. He said the Director of Public Works recommends the major patching.

It was the consensus of Council that the Department of Public Works proceed with the major patching of Marlowe Drive and Donna Drive.

DISCUSSION - FREE PARKING AT CIVIC CENTER GARAGE FOR UNC-A BASKETBALL GAMES IN NOVEMBER

The City Manager said the Council discussed during the pre-council meeting the request of the Asheville Area Civic Center Commission to provide free parking at the Civic Center Parking Garage during selected events at the Civic Center. He said it was agreed by Council that the request be honored by a joint arrangement by the City of Asheville and UNC-A to provide free parking for the two UNC-A basketball games scheduled in November while the UNC-A Gym is under repairs. He said this would be a pilot program and will be evaluated after these two events.

After discussion, Councilman Rainey requested that the record show the agreement was not unanimous.

RESCHEDULING OF PUBLIC HEARING - DAWNWOOD CONDOMINIUMS

The City Manager said he had received a request from the developers of Dawnwood Condominiums to reschedule the public hearing for November 1, 1979.

Councilwoman Price moved to reschedule the public hearing relative to the site plan for Dawnwood Condominiums for November 1, 1979. This motion was seconded by Councilman Cole and carried unanimously.

PROCLAMATION - NATIONAL EPILEPSY MONTH - NOVEMBER, 1979

Mayor Trantham proclaimed the month of November, 1979 as Epilepsy Month in the City of Asheville.

PROCLAMATION - "DELTA BLACK OUT FOR PROGRESS" - OCTOBER 28, 1979 THROUGH JANUARY 13, 1980

Mayor Trantham proclaimed October 28, 1979, through January 13, 1980, as "Delta Black Out for Progress" period in the City of Asheville. He said this period is proposed for a "Black Out" of television, radio, telephone, record players, etc. in order to provide a designated period of time for study. He said this period of time is being proposed by the Asheville Alumnae Chapter of Delta Sigma Theta Sorority, Inc.

CLAIMS - JERRY'S BILTMORE GULF - FLESTO FREEMAN

The City Manager presented claims received from Jerry's Biltmore Gulf and Flesto Freeman for damage to automobiles hit by city vehicles.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

- E. RESOLUTION NO. 79-238 - Resolution authorizing the Mayor to enter into an agreement with Brentwood Rehabilitation Center for fire protection.

HIGHLIGHTS: Brentwood Rehabilitation Center had requested the City of Asheville to enter into a contractual agreement for the City to furnish the necessary men and equipment to answer calls for fire protection from the Brentwood Rehabilitation Center.

Complete text of Resolution No. 79-238 will be found in Resolution Book No. 11 at page 347.

- F. RESOLUTION NO. 79-239 - Resolution authorizing the execution of a contract with the United States Department of Transportation for a grant under the Urban Mass Transportation Act of 1964, as amended.

HIGHLIGHTS: This grant in the amount of \$22,500 will provide for a series of technical studies for the transit operation.

Complete text of Resolution No. 79-239 will be found in Resolution Book No. 11 at page 348.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

BOB WINKLE - APPOINTMENT TO CERTIFICATE OF OCCUPANCY COMMITTEE

9. Councilman Rainey requested that Mayor Trantham officially write Mr. Bob Winkle, a plumber with Rogers Plumbing Company, appointing him to the Certificate of Occupancy Committee.

He said since the Committee is appointed by the Mayor, this would not require action by Council.

Councilman Rainey said he would have a report from the Committee before his tenure on Council expires.

VICE MAYOR HORTON - AMENDMENT TO NOISE ORDINANCE

10. Vice Mayor Horton requested that an ordinance be prepared for Council's consideration next week amending the Noise Ordinance providing for the measuring of the level of noise coming from mufflers from motor vehicles. He said the amendment would provide that the noise not exceed 85 decibels at a distance of 50 feet.

Councilwoman Price requested that before the amendment is considered, the City staff determine if this amendment is an acceptable law enforcement method in North Carolina.

REPORT - PETITION FROM RESIDENTS OF MARLOWE DRIVE AND DONNA DRIVE - STREET CONDITION

The City Manager said the Director of Public Works evaluated the petition from the residents of Marlowe Drive and Donna Drive relative to the condition of the

VICE MAYOR HORTON - ANNOUNCEMENT OF NEW GRANDSON

Vice Mayor Horton announced the arrival of his new grandson born on Saturday, October 20, 1979.

RALPH BISHOP - REQUESTED CERTIFIED TRANSCRIPT OF CERTAIN EXCERPTS FROM CITY COUNCIL MEETINGS

Ralph Bishop requested that Council furnish him with certified transcripts of statements made during his appearance at the City Council Meetings on February 15, 1979, and at today's Council Meeting.

Mayor Trantham and the City Clerk told Mr. Bishop that his request would be honored.

Adjournment.

Waym Trantham
MAYOR

William J. Holcomb
CITY CLERK

Mayor Trantham closed the public hearing at 4:13 p. m.

Councilman Morris moved to approve the site plan for the proposed Dawnwood Condominiums subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilwoman Price and carried unanimously.

ANNEXATION PLAN PRESENTED FOR AREA KNOWN AS THE HANSEL STREET AREA

3. Consideration was given to the adoption of the Annexation Plan for the area known as the Hansel Street area and its immediate environs as required by G. S. 160A-49 (c).

Verl Emrick, Planning Director, said this annexation plan is in conjunction with the proposed annexation of the area known as the Hansel Street area and its immediate environs scheduled for a public hearing on November 15, 1979.

By the use of a map, Mr. Emrick reviewed the location of the proposed annexation area.

Mr. Emrick said the Planning Staff had reviewed the area proposed to be annexed in detail and read the following recommendation relative to the annexation:

MEMORANDUM

To: Ken Michalove, City Manager

From: Verl R. Emrick, Planning Director
Marvin Vierra, Planner IV

Subject: Annexation Study - Hansel Street Area

Date: October 31, 1979

Attached you will find the final annexation report for the area captioned above. Contained within the report is a breakdown of the initial capital and operational cost which would be involved. This cost amounts to an estimated \$231,745.

Given this cost configuration the following observations seem evident:

1. The estimated revenues from this annexation would amount to \$10,209 and given this the estimated payback period would be 23 years for the initial investment.
2. There will also be continuing operational cost involved which will lengthen the payback or breakeven period.

After discussing these issues it would be our recommendation that you advise Council not to pursue this annexation further at this time.

Thursday - November 1, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, and Councilman Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen Otis B. Michael, F. Jack Cole and Gene E. Rainey.

INVOCATION

Councilman Ralph D. Morris, Jr. gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 25, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the minutes of the October 25, 1979 meeting were approved as submitted.

PUBLIC HEARING - SITE PLAN FOR DAWNWOOD CONDOMINIUMS

2. A public hearing was held relative to the approval of the site plan for the proposed Dawnwood Condominiums.

Mayor Trantham opened the public hearing at 4:05 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at a meeting held on October 3, 1979, reviewed the site plan of the proposed Dawnwood Condominiums to be located on Caribou Road. After discussion, the Commission voted to recommend to City Council that the site plan be approved subject to:

- 1) Compliance with the Erosion Control Ordinance of the City of Asheville;
- 2) Submission of written proof of adequate water and sewer service; and
- 3) Deletion of two units to comply with site density requirements of the R-2 Residential District. (Site plan shows units deleted with initials of developer).

Mr. Carl Hyldburg, the developer's attorney, said the development would add to the city's tax base and would open up available housing.

Upon inquiry of Council, Mr. Emrick said adequate buffering would be provided.

Councilman Morris said he felt the idea of condominiums is the way of the future for young and old and he felt this would be a good investment for the city.

Upon inquiry of Councilwoman Price, the City Manager said the City staff investigated the amendment and found it to be legal with N. C. state laws.

Vice-Mayor Horton moved for the adoption of Ordinance No. 1134. This motion was seconded by Councilwoman Price.

On a roll call vote of 4-0, Ordinance No. 1134 passed on first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1134. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1134 passed on second reading.

Mayor Trantham said the ordinance would be read on third reading at the next Council meeting.

ORDINANCE NO. 1135 - AN ORDINANCE AMENDING THE WATER AND SEWER CAPITAL CONSTRUCTION FUND CAPITAL PROJECTS ORDINANCE IN EFFECT AS OF JULY 1, 1979

5. Consideration was given to an ordinance amending the Water and Sewer Capital Construction Fund Capital Projects Ordinance in effect as of July 1, 1979.

The City Manager read the ordinance and explained that this is a revision of certain appropriations in the Water and Sewer Capital Construction Fund Capital Projects Ordinance.

Bill DeBruhl, Director of Water and Sewer Services, outlined the projects involved in the appropriation amendment.

Councilman Morris moved for the adoption of Ordinance No. 1135. This motion was seconded by Councilwoman Price.

On a roll call vote of 4-0, Ordinance No. 1135 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1135. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1135 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1135. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1135 passed on third and final reading.

Complete text of Ordinance No. 1135 will be found in Ordinance Book No. 9 at page 60.

If you agree with this recommendation the following alternatives are open at this point:

- (1) Recind the resolution of intent and drop the matter;
- (2) Reduce the size of the area to include only the Regent Park development;
- (3) Ask Planning and Zoning to study the zoning classifications of the area for possible expansion of the Commercial zoning there.

Our recommendation would be embodied in #1 and #3.

If you have any questions please advise.

/s/ Verl R. Emrick

/s/ Marvin Vierra

Mr. Emrick said Council should be selective in the annexation process. He said this area would have to have a new water and sewer line installed for adequate fire protection which would increase the cost of the annexation.

The City Manager said he concurred with the Planning Staff's recommendation.

Vice-Mayor Horton said he felt Council should consider alternative #2 and reduce the size of the area to include only the Regent Park.

After discussion, Councilwoman Price moved to instruct the Planning Department to amend the plan to reduce the size of the area to include only the Regent Park development and requested that the Planning and Zoning Commission study the zoning classifications of the area for possible expansion of the Commercial zoning. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 1134 - AN ORDINANCE AMENDING SECTION 18-12 (b) (7) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE REGARDING THE DISCHARGE OF EXHAUST

4. Consideration was given to an ordinance amending Section 18-12 (b) (7) of the Code of Ordinances of the City of Asheville regarding the discharge of exhaust.

The City Manager read the ordinance and explained that this ordinance will include a provision in the noise ordinance prohibiting loud or explosive noises measuring in excess of 85 decibels at a distance of 50 feet.

Vice-Mayor Horton said this ordinance should prevent the loud mufflers in the City of Asheville.

RESOLUTION NO. 79-240 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH HOBSON CONSTRUCTION COMPANY, FOR THE PROJECT KNOWN AS HAYWOOD ROAD 6-INCH AND 8-INCH SEWER LINE

10. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Hobson Construction Company for the project known as Haywood Road 6-inch and 8-inch sewer line.

The City Manager read the resolution explaining that Hobson Construction Company was low bidder on the contract in the amount of \$60,648.00.

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 79-240 was unanimously adopted.

Complete text of Resolution No. 79-240 will be found in Resolution Book No. 11 at page 349.

PROCLAMATION - OPERATING ROOM NURSES DAY - NOVEMBER 14, 1979

Mayor Trantham proclaimed November 14, 1979 as Operating Room Nurses Day.

PROCLAMATION - BIBLE WEEK - NOVEMBER 18 - 25, 1979

Mayor Trantham proclaimed the week of November 18-25, 1979 as Bible Week.

PROCLAMATION - YOUTH APPRECIATION WEEK - NOVEMBER 4 - 10, 1979

Mayor Trantham proclaimed the week of November 4 - 10, 1979 as Youth Appreciation Week.

PROCLAMATION - NORTH CAROLINA LUNG RUN DAY - NOVEMBER 3, 1979

Mayor Trantham proclaimed November 3, 1979 as North Carolina Lung Run Day.

REZONING OF B. C. MORTON PROPERTY - HAYWOOD ROAD AT CLOYES STREET

The City Manager read the following letter from Mr. William T. Biggers:

October 30, 1979

The Honorable Roy M. Trantham
Mayor, City of Asheville
P. O. Box 7148
Asheville, North Carolina

re: Rezoning/B. C. Morton
Haywood Road at Cloyes Street

On September 28, 1978, the Council tabled a proposal concerning the rezoning of Mr. Morton's property. At the time they tabled the matter, the Council expressed a desire that Morton and the neighbors reach a compromise.

BIDS - ONE (1) 2-TON VIBRATORY ROLLER FOR THE STREET DIVISION

6. Consideration was given to bids received October 29, 1979 for one (1) 2-ton vibratory roller for the Street Division.

The City Manager presented the bids stating that two (2) bids were received and a recommendation has been received for the acceptance of the low bid submitted by Western Carolina Tractor Company in the amount of \$7,600.00.

Councilwoman Price moved to accept the recommendation and award the bid to the low bidder, Western Carolina Tractor Company in the amount of \$7,600.00. This motion was seconded by Councilman Morris and carried unanimously.

DIRECTIVES RELATIVE TO ORDINANCE NO. 1129, AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 230 MONTFORD AVENUE

7. In order to clearly define the directives for the enforcement of Ordinance No. 1129, Councilwoman Price moved to rescind her motion made on October 18, 1979 relative to Ordinance No. 1129 directing the Housing Officer to demolish the dwelling house known as 230 Montford Avenue and to make the effective date of Ordinance No. 1129 to be December 2, 1979. She further moved that on December 13, 1979 the Chief Building Inspector report to the City Council the following facts: 1) Whether the property owner has paid all taxes due on the property; 2) Whether a valid contract has been made with a contractor to bring the house up to code standards; and 3) whether any improvements have been made to the dwelling, at which time Council can decide whether to rescind Ordinance No. 1129 or to continue with the enforcement of same. This motion was seconded by Vice-Mayor Horton and carried unanimously.

REPORT REQUESTED FROM ASHEVILLE REVITALIZATION COMMISSION RELATIVE TO SHOPPING CENTERS

8. Councilwoman Price, referring to the proposed shopping center to be located on South Bear Creek Road, moved that the City Council request a report from the Asheville Revitalization Commission relative to the effects these types of shopping centers will have on the downtown revitalization efforts. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Council requested that this report be received before action is taken on the third reading of the ordinance to rezone the property for the proposed shopping center.

CLAIMS - MS. HESTER DAVIS - MR. C. M. SHERMAN

9. The City Manager presented claims received from Ms. Hester Davis and Mr. C. M. Sherman.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

ROAD MAINTENANCE AT HAYWOOD ROAD AND JOHNSON SCHOOL ROAD - REQUEST BY VICE-MAYOR HORTON

Vice-Mayor Horton requested that the City staff talk with the State Highway Department relative to the road maintenance at Haywood Road and Johnson School Road.

The Associate City Manager/City Clerk said he would look into the matter.

RALPH BISHOP - REQUEST TO LOOK OVER RECORDS - OFFICE SUPPLIES

Ralph Bishop thanked Council for furnishing him transcripts of certain Council meetings. He said he would also like to look over some records, if it is within his legal right, the records of Larry Fisher, the Finance Director, relative to office supplies.

The City Clerk advised Mr. Bishop that he was not charged for the transcripts because the City did not have a policy concerning charges on requests for transcripts, however, the City would adopt such a policy and there would be a charge for future requests for transcripts.

Council requested that the City Clerk present them with a recommendation relative to charges for such requests.

Adjournment.

Ray M. Harrison
MAYOR

William J. Holcomb
CITY CLERK

Mr. Morton now advises me that he is prepared to construct an access drive to his business from Haywood Road, thereby removing the majority of commercial traffic from Cloyes Street. He has also asked that I write you and request that this matter be brought back before Council at your earliest convenience.

Please advise me if this matter can be brought before Council.

Sincerely,

/s/ William T. Biggers

William T. Biggers
Attorney at Law

Mr. Verl Emrick, Planning Director, then read the following memorandum:

MEMORANDUM

TO: Ken Michalove, City Manager
FROM: Verl R. Emrick, Jr., Planning Director
SUBJECT: Rezoning Request - B. C. Morton,
Haywood Road and Cloyes Street
DATE: November 1, 1979

On September 28, 1979 City Council tabled the request of Mr. Morton to rezone the property shown on the attached map. It is my understanding that Council has not read the ordinance which would effect the change requested by Mr. Morton; therefore, the options available to Council now are as follows:

- (1) Remove the matter from the table, readvertise and hold the required public hearings on the ordinance, or
- (2) Remove the request from the table and refer it to the Planning and Zoning Commission for review and recommendation. (Planning and Zoning reviewed this proposal on July 12, 1978).

NOTE: Recommend that #2 be followed since over a year has passed since it was discussed.

/s/ Verl

After discussion, Councilman Morris moved to remove the request of Mr. Morton's rezoning from the table and refer it to the Planning and Zoning Commission for review and recommendation. This motion was seconded by Councilwoman Price and carried unanimously.

Don Dawson, of Neagele Sign Company, said the sign meets all zoning and building requirements.

Councilman Michael moved to approve the sign permit for Neagele Sign Company for a sign to be situated at 400 Hendersonville Road. This motion was seconded by Councilman Morris and carried on a voice vote of 4-2, with Councilwoman Price and Councilman Rainey voting "no."

SIGN PERMIT-NEAGELE SIGN COMPANY -FAIRVIEW ROAD

4. Consideration was given to a sign permit for Neagele Sign Company for a sign on Fairview Road.

J. E. Johnson, Chief Building Inspector, said Neagele Sign Company has requested approval of a sign permit for a sign to be situated on Fairview Road, which requires the approval of the City Council pursuant to Ordinance No. 322, being that the sign will be closer than 600' to a limited access highway.

Don Dawson, of Neagele Sign Company, said the sign meets all zoning and building requirements.

Councilman Michael moved to approve the sign permit for Neagele Sign Company for a sign to be situated on Fairview Road. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING - REZONING OF PROPERTY IN BEAVERDAM VALLEY

ORDINANCE NO. _____ - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. A public hearing was held relative to rezoning property in the Beaverdam Valley area from R-2 Low Density Residential District to R-1 Single Family Residential District.

Mayor Trantham opened the public hearing at 4:18 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at a meeting held October 3, 1979 considered a petition from residents of Beaverdam Valley and the Beaverdam Community Council that the entire Beaverdam Valley be rezoned from R-2 Low Density Residential District to R-1 Single Family Residential District. He said after considering the issues of the request, the Commission voted to recommend to City Council that the petitions be approved, but limit the change to the jurisdiction of the City of Asheville in the Beaverdam Valley.

Upon inquiry of Councilman Michael, Mr. Emrick said the Beaverdam Planning Council wants to rezone the entire valley R-1 until the community members themselves form their own neighborhood zoning ordinance. He said the residents feel apartments or condominiums would be detrimental to the plan until the plan is prepared and adopted.

Thursday, November 8, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, Otis B. Michael, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman F. Jack Cole

INVOCATION

Councilman Otis B. Michael gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 1, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the minutes of the November 1, 1979 meeting were approved as submitted.

RESOLUTION NO. 79-241 - RESOLUTION TO NAME THE LIVINGSTON STREET RECREATION CENTER IN MEMORY OF WILLIAM C. REID SR.

2. Consideration was given to a resolution to name the Livingston Street Recreation Center in memory of William C. Reid, Sr.

The City Manager read a letter from Ray Kisiah, Director of Parks and Recreation, which stated that the Asheville Parks and Recreation Advisory Board at its regular meeting on Wednesday, November 7, 1979 recommended unanimously to City Council that the name of the Livingston Street Recreation Center be changed to the William C. Reid Memorial Recreation Center. This change is requested to honor the memory of Mr. William C. Reid, Director of Livingston Street Center until his death on September 11, 1979.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilwoman Price, Resolution No. 79-241 was unanimously adopted.

Complete text of Resolution No. 79-241 will be found in Resolution Book No. 11 at page 350.

SIGN PERMIT - NEAGELE SIGN COMPANY - 400 HENDERSONVILLE ROAD

3. Consideration was given to a sign permit at 400 Hendersonville Road for Neagele Sign Company.

J. E. Johnson, Chief Building Inspector, said Neagele Sign Company has requested approval of a sign permit for a replacement sign at 400 Hendersonville Road which requires the approval of the City Council pursuant to Ordinance No. 322, being that the sign is within 600' of a limited access highway.

Frank Cole, also a property owner in the area, requested that his property which adjoins Mr. Reynolds on Pinecroft be excluded from the rezoning.

The following individuals spoke in support of the rezoning of the Beaverdam Valley to R-1 Single Family Residential District:

Mrs. Scott Wright
 Mrs. June Ratcliff
 Mr. Charles Worley
 Mr. Joe Brown
 Mr. John Jerose, representing Thoms Broadcasting Company

Council then discussed the water and sewer problems of Beaverdam Valley and Mayor Trantham requested that the City Manager make a report at next week's meeting on the water and sewer conditions in Beaverdam Valley.

Councilman Morris said he felt it would be more honest to put a moratorium on anything except single family housing rather than using the zoning ordinance as a tool to accomplish the same thing.

Mayor Trantham closed the public hearing at 6:55 p. m.

The Corporation Counsel read the ordinance rezoning the area as recommended by the Planning and Zoning Commission.

The City Manager said he felt the most appropriate action would be to table any action on rezoning or calling a moratorium until appropriate information is gathered on water and sewer lines and until the Council further studies the implications of rezoning an area in the extraterritorial zoning jurisdiction.

After discussion and several motions, which no action was taken on, were made, Councilwoman Price moved to table any action on the ordinance until November 29, 1979, at which time Council could consider excluding the properties requested to be excluded and a report could be given by the City Manager relative to the water and sewer conditions of the Beaverdam area. This motion was seconded by Councilman Morris, which motion carried on a voice vote of 5-1, with Councilman Rainey voting "no."

PUBLIC HEARING - ANNEXATION OF ASHEVILLE COUNTRY CLUB GOLF COURSE PROPERTY

6. A public hearing was held relative to the annexation of the area known as the Asheville Country Club Golf Course.

Mayor Trantham opened the public hearing at 6:15 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said this hearing is the next step in the process to annex the area and no action is required by Council at this time. He said this hearing is to receive input from anyone owning property or having comments relative to the proposed annexation.

Councilman Morris said he was concerned that in the last three or four months, the Planning and Zoning Commission has sent Council a number of rezonings from R-2 to R-1 in a time when it is more and more difficult for single families and younger people to afford to buy homes rather than living in apartments.

Councilman Michael said he felt the City was encompassing too many areas of R-1 Single Family Residential Districts.

Harold Bennett, Attorney, said he was representing R. L. Coleman and Company, who owns land located in the proposed rezoning on Elk Mountain Scenic Highway. He said the owners did not petition to have the land included in any rezoning petition and the petitions signed by residents of the Beaverdam Valley did not specifically request this land to be included in the proposed rezoning. He said the R. L. Coleman and Company properties are to the South and East of Elk Mountain Scenic Highway and are of the size and character to establish that their best use is for the development of condominiums or apartments and not single family housing. He requested that the Coleman property, being a portion of Lot 8 and Lot 60, Sheet 29, of the Beaverdam Ward and a portion of Lot 1, Sheet 42, of Ward 11 be excluded from the proposed rezoning. He also said the land tracts to the South and East of Elk Mountain Scenic Highway have a tendency to be larger than contemplated for single family housing and not of the nature of the type to be zoned R-1.

Richard Wood, Attorney, said he represents Franlynn Farm Inc. and Mitchell Wolfson, President of the Company. He said Col. Wolfson owns about 125 acres at the intersection of Webb Cove Road. He requested that his clients' property, being Lot 3, Sheet 41, Ward 8 be excluded from the proposed rezoning. He said when this property was brought into the City's extraterritorial jurisdiction it was zoned R-2- Low Density Residential District because it was felt that that was the highest and best use of the property.

Joe Reynolds, Attorney, representing himself, Mr. George J. Couch and Mr. Rolland L. King, said they own about 40 acres off Pinecroft Road above the Brentwood Nursing Home which is best suited for cluster housing or condominiums. He too requested that their property be excluded from the proposed rezoning and that it remain the present R-2 zoning. He noted that he received no notice of the hearing before the Planning and Zoning Commission.

George Hyler, Chairman of the Beaverdam Community Council, told the Council that an organized community planning council has been working for the past several months to establish a community zoning plan and that the request for an R-1 zoning was to protect the integrity of the community until the plan is made and approved. He said it is not their intent to rezone the entire area to R-1 because they did not think R-1 would be the ultimate answer to the community plan. He said their purpose is to come up with a zoning ordinance which would best serve the interest of the entire valley. He said it is anticipated that the plan will be completed by January or February, however, it would not be adopted until late summer of 1980.

Councilman Michael questioned the expediency of this request. He said what the community is really requesting is a moratorium on anything except single family housing until the plan is made and they are using the rezoning as a means to accomplish this.

After discussion, Councilman Rainey moved to table action on the "Superpole Ordinance" until November 29, 1979. This motion was seconded by Councilwoman Price and carried unanimously.

PUBLIC HEARING - AMENDMENT TO ZONING ORDINANCE - INITIATION OF AMENDMENTS

ORDINANCE NO. 1137 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

8. A public hearing was held relative to amending the Zoning Ordinance dealing with the initiation of amendments.

Mayor Trantham opened the public hearing at 7:12 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at a meeting held October 3, 1979, considered a proposed wording amendment to Article 11. Amendments of the Asheville Zoning Ordinance. The wording was recommended by City Attorney William Moore in order to spell out the procedures more clearly and assist in the administration of the ordinance. After discussing the amendment, the Commission voted unanimously to recommend that Section 30-11-1. Initiation of Amendments be amended as follows:

"Sec. 30-11-1. Initiation of Amendments

Proposed changes or amendments may be initiated in one of the following ways:

- (1) Origination by the City Council, the Planning and Zoning Commission, or its staff, or the Board of Adjustment as part of a comprehensive plan for a specific area; or
- (2) Origination by one or more owners of the property that is included in the petition for amendment; or
- (3) A person designated by the owner(s) of the property included in the petition as his/her agent and who is duly authorized as such in writing.

Any petition originating by any other method shall be considered invalid and will not be accepted for processing.

However, any group of individual property owners (comprising a minimum of fifty-one percent (51%) of the property owners of the area) who are of the opinion that the character of a specific area has changed significantly, may request that City Council or the Planning and Zoning Commission consider initiating a special zoning study to determine if a change in the development plan for the area(s) in question is warranted."

Mayor Trantham closed the public hearing at 7:20 p. m.

Verl Emrick, Planning Director, read the ordinance.

207

Charles David, Jr., President of the Country Club of Asheville, speaking on behalf of the Board of Governors, said they have no objection to the annexation procedure. He said they felt their additional taxes would be offset by the additional city services.

Mayor Trantham closed the public hearing at 6:23 p. m.

CONTINUATION OF PUBLIC HEARING - "SUPERPOLE ORDINANCE"

7. A public hearing was continued relative to an ordinance setting forth standards for placement of structures either on, above, or below the surface of rights-of-ways or travelled portions of the streets, sidewalks, alleyways, or other ways of public passage within the City of Asheville.

Verl Emrick, Planning Director, said he had met with representatives of the utility companies as requested by Council. He said they had incorporated several revisions to the proposed ordinance. He then presented the revisions to the ordinance as requested by the utility companies. These revisions included a provision for a blanket encroachment which state the exceptions to the ordinance and allows the day to day operations without Council review of the plans.

Councilman Rainey said the proposed revisions takes away the principal purpose of the ordinance and if the revisions remain there would be no need to consider the ordinance. He said the principal purpose of the ordinance is to avoid a reoccurrence of the "Superpoles" which were installed on Lakeshore Drive.

John Jerosé, representing Thoms Cablevision, said he had not been consulted about the proposed ordinance. He said if adopted as proposed the ordinance would be in conflict with the present franchise Thoms Cablevision has with the City. He requested that Council postpone action on the ordinance giving his attorney an opportunity to review the ordinance. He said he would also like input into the ordinance.

Charles Dyson, of Carolina Power and Light Company, answered questions from members of Council and said he had no problems with the ordinance, provided the blanket agreement could be left in, in order that the everyday routine operations of the company would not be hindered.

Robert Fleming, District Manager of Southern Bell Telephone, said he felt the blanket encroachment was necessary in order to prevent his company from coming to Council on everyday routine operations. He said he was concerned that some terms in the ordinance were too broad and should be more clearly defined.

Councilman Morris was excused from the meeting at 7:00 p. m.

Both Mr. Dyson and Mr. Fleming said they had no objections to coming to Council for approval of installation of transmission lines and substations.

Mayor Trantham closed the public hearing at 7:07 p. m.

4. A project involving the location of an apartment complex, condominiums, mobile home parks, or camper-trailer parks, containing five (5) or more individual units."

Mayor Trantham closed the public hearing at 7:26 p. m.

Verl Emrick, Planning Director, read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1138. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 1138 passed on first reading.

RESOLUTION NO. 79-242 - RESOLUTION DECLARING THE INTENTION OF THE CITY OF ASHEVILLE, NORTH CAROLINA, WITH RESPECT TO THE PROPOSED PLAN OF FINANCING THE COST OF CONSTRUCTING AND ACQUIRING A NURSING HOME IN ASHEVILLE, NORTH CAROLINA, BY A NONPROFIT CORPORATION AND AGREEMENT TO ACCEPT A GRANT TO THE CITY OF ASHEVILLE OF TITLE TO SUCH NURSING HOME UPON RETIREMENT OF THE BONDS TO BE ISSUED PURSUANT TO SUCH PLAN

10. Consideration was given to a resolution declaring the intention of the City of Asheville, North Carolina, with respect to the proposed plan of financing the cost of constructing and acquiring a nursing home in Asheville, North Carolina, by a nonprofit corporation and agreement to accept a grant to the City of Asheville of title to such nursing home upon retirement of the bonds to be issued pursuant to such plan.

Attorney Joseph Reynolds, representing the developer of the Brookwood-Victoria Health Care Center, said Brookwood Investments, Ltd. will build the facility in partnership with Dr. John Holt which will offer service to 120 patients. He said under the terms of the resolution the City will act as sponsor for the project in order to allow tax-free bonds to be issued for the financing of the project in exchange for ownership of the facility when the debts are paid. He said there will be no liability on the part of the City and the facility itself will not be tax exempt as far as real or personal ad valorem taxes are concerned. He said the City may withdraw their sponsorship at any time prior to the issuance of the bonds with no liability on behalf of the City to any party.

Mr. Reynolds said the developer has been awarded by the State of North Carolina a certificate of need, with an approval date of November 22, 1979, however, the construction must begin before January 1, 1980 or the approval will be withdrawn. He said, for this reason, time is of essence in this matter.

Ken Gummels, a representative of Brookwood Investments, Ltd, in Atlanta, said the method of financing the project is one which is being used more frequently as financing nursing homes becomes more and more difficult to achieve. He said in this agreement the City will be acting only as a vehicle to achieve the tax-free bonds, and the only responsibility the City will have is to accept the facility as a gift when the debts are paid. The property can then be used as any other city property.

Councilman Michael moved for the adoption of Ordinance No. 1137. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 5-0, Ordinance No. 1137 passed on first reading.

PUBLIC HEARING - AMENDMENT TO ZONING ORDINANCE - GROUP DEVELOPMENT SECTION

ORDINANCE NO. 1138 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

9. A public hearing was held relative to amending the Group Development Section of the Zoning Ordinance.

Mayor Trantham opened the public hearing at 7:23 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at a meeting held October 3, 1979, considered a proposed wording amendment to the Group Development Section of the Zoning Ordinance. The amendment would address proposed structural changes and redesign of existing structures in addition to new construction. After discussion, the Commission voted unanimously to recommend to City Council that the title of Article 6. Group Developments, and the first paragraph be amended as follows:

"ARTICLE 6. EXCEPTIONS: GROUP DEVELOPMENTS/PLANNED UNIT DEVELOPMENTS

Section 30-6-1. Group Developments/Planned Unit Developments

Primarily it is the intent of this Section to encourage flexibility and innovation in the design and location of structures and land development, and to provide an opportunity to develop land areas in a manner different from the standard arrangement of one principal building on one lot. Further intended that these developments will be in harmony with the character of the district in which it is located and that adequate standards will be maintained pertaining to the public health, safety, welfare, and convenience. To that end, the following types of projects shall be reviewed under the procedures described by this Ordinance.

An activity involving new construction or any structural alterations which would include the rehabilitation, redesign, or reconstruction of a building(s) or structure(s) which would fall into one or more of the following categories:

1. A structure or building with a gross floor area of 25,000 square feet or more.
2. A project involving the location of more than one (1) principal building on a lot or tract of land.
3. A project involving the location of more than one (1) principal use on a lot or tract of land. (An example of this type of development would include a self-contained shopping center), or a project involving a change in the principal use(s) on a lot or tract of land.

- B. Resolution No. 79-244 - Resolution recognizing the advantages of a water conservation education and information program.

HIGHLIGHTS: This resolution has also been requested for the approval of a State Water Bond Grant for the Pine Street Improvements.

Resolution Book No. 11 at page 353.

- C. Approval of bids received October 31, 1979 for one (1) tractor loader with a four(4) in one (1) bucket to be used in Sanitation Division.

HIGHLIGHTS: Two (2) responsive bids were received. Recommendation of acceptance of lowest fully responsive bid submitted by Arden Equipment Company, Inc. in the amount of \$14,999.00. Funding: Revenue Sharing Trust Fund, Sanitation Division Capital Outlay Equipment.

- D. Approval of bids received November 2, 1979 for Low Profile Single Vacuum Street Sweeper for Street Division.

HIGHLIGHTS: One (1) fully responsive bid was received. Recommendation of acceptance of bid submitted by North Carolina Equipment Company in the amount of \$73,940.00. Funding: Revenue Sharing Trust Fund, Streets Division Capital Outlay Equipment.

Upon motion of Councilwoman Price, seconded by Councilman Michael, the consent agenda was unanimously approved.

CONTRACT WORK - HEAVY EQUIPMENT

Councilman Michael suggested that the City consider contracting out work, where feasible, when the use of heavy equipment is required for the work. He said this may save some funds.

The City Manager said this suggestion is already being followed.

RESOLUTION NO. 79-245 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH RUCKMAN BROTHERS COMPANY, FOR THE PROJECT KNOWN AS WEST ASHEVILLE STREET AND DRAINAGE IMPROVEMENTS

The City Manager said bids were opened for the West Asheville Street and Drainage Project on November 6, 1979 and Ruckman Brothers, Inc. is the apparent low bidder for the contract in the amount of \$144,848.50. He then read the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 79-245 was unanimously adopted.

Complete text of Resolution No. 79-245 will be found in Resolution Book No. 11 at page 354.

30

Bob Wurst, Budget Officer, told Council that the method of financing is being done and the City will in no way be responsible. He said the facility would add approximately \$2 million to the City's tax base and would result in approximately an additional \$17,000 in tax revenues each year.

Councilman Rainey said since he did not know all the details of the project and the agreement he would therefore vote "present."

The City Manager said several avenues need to be explored relative to the project and under the terms of the agreement the City will have time to explore these before the issuance of the bonds in March, 1980. He said this is not a final commitment, only an intent. However, since time is of essence he would recommend adoption of the resolution at the present time.

The City Manager then read the resolution.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 79-242 passed on a 5-0 vote, with Councilman Rainey voting "present."

Complete text of Resolution No. 79-242 will be found in Resolution Book No. 11 at page 351.

ORDINANCE NO. 1134 - AN ORDINANCE AMENDING SECTION 18-12 (b) (7) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE REGARDING THE DISCHARGE OF EXHAUST

11. Consideration was given to the third reading of Ordinance No. 1134, an ordinance amending Section 18-12 (b) (7) of the Code of Ordinances of the City of Asheville regarding the discharge of exhaust.

Mayor Trantham said the ordinance was previously read on first and second readings and will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1134 passed on third and final reading.

Complete text of Ordinance No. 1134 will be found in Ordinance Book No. 9 at page 59.

APPROVAL OF THE CONSENT AGENDA

12. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 79-243 - Resolution recognizing the advantages of water conservation by Water Loss Prevention and Detection Program.

HIGHLIGHTS: This resolution has been requested for the approval of a State Water Bond Grant for the Pine Street Improvements.

Resolution Book No. 11 at page 352

MEMORANDUM TO: Ken Michalove
City Manager

FROM: Sam Graves
Director of Employee Services

SUBJECT: Results of Elections to Participate in the North Carolina
Local Governmental Employees' Retirement System

This is to report to you that on November 2, 1979, from 8:30 a. m. til 5:00 p. m., an election was held as required as a part of the application process of local units of government desirous of participating in the State Retirement System. The requirements to conduct such an election are set forth in the provisions of the North Carolina Local Governmental Retirement System, Article 3 of Chapter 128 of the General Statutes of North Carolina, as amended by the 1945 General Assembly.

Attached to this memorandum is a report of the outcome of the election and related correspondences. Below is a general summary of the election results:

1. Approximately eighty-one percent (81%) of all persons eligible to vote in the election voted.
2. Seventy-eight percent (78%) of those voting voted "YES."
3. Three percent (3%) of those voting voted "NO."

If you have any questions or need additional information regarding this matter, please advise me accordingly."

REQUEST FROM SALVATION ARMY - SIDEWALKS

The City Manager advised that the Salvation Army, constructing their administrative offices at the corner of Haywood Street and Carter Street, has requested that the City install their sidewalk with them furnishing only the materials. He said when the Salvation Army started their building the City had a policy whereby the property owner would furnish the materials and the City would furnish the labor to install sidewalks. He said that policy ceased on July 1, 1979 and the City is no longer installing sidewalks. He said the Salvation Army has requested the City to revert back to that policy in their case. He said he had suggested that he could get the work done with the Salvation Army paying the full cost if Council authorized him to do so.

It was the consensus of Council that the City Manager proceed with his suggestion.

RESCHEDULING OF PUBLIC HEARING - ANNEXATION OF REGENCY PARK

ADOPTION OF ANNEXATION PLAN - REGENCY PARK

Verl Enrick, Planning Director, said since Council, at last week's meeting, revised the area proposed to be annexed in the Regency Park area it is necessary at this time for Council to adopt an annexation plan for the area and to reschedule the public hearing relative to the annexation.

200

CLAIMS - MR. JAMES R. WILLIAMS - MR. VINCENT LOFANO

The City Manager presented claims for damages received from Mr. James R. Williams and Mr. Vincent Lofano.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - CHILDREN'S BOOK WEEK - NOVEMBER 11 - 17, 1979

Mayor Trantham proclaimed the week of November 11-17, 1979 as "Children's Book Week."

REPORT - SANITATION EQUIPMENT

The City Manager, at the request of Vice-Mayor Horton, presented the following report from the Sanitation Superintendent relative to equipment:

MEMORANDUM TO: T. C. Brown
Director of Public Works

FROM: S.L. McHone, Jr.
Superintendent - Sanitation

DATE: November 5, 1979

"Clark, this is in reply to the conversation we had Friday, November 2, 1979, regarding our leaf vacuums.

We have five (5) Super Vacs and all of them are in good condition. All of the machines were checked by Western Carolina Tractor during the summer months. In my opinion, we do not need to trade any of these machines for at least the next two (2) years.

We have one (1) 1974 model, two (2) 1975 models, and two (2) 1976 models. We need to include two (2) machines in next years budget. This would allow one (1) machine to be placed in each of the seven (7) sections. The new tractor in this years budget should take up part of the slack during this season.

Most of the debris left when the leaf vacuums go through is caused by the air escape that we have cut in the tops of our trucks. This usually amounts to dust or small pieces of leaves due to the velocity of the machine."

Vice-Mayor Horton said he had requested the report because there had been a number of breakdowns in his neighborhood.

REPORT - RESULTS OF ELECTION TO PARTICIPATE IN THE NORTH CAROLINA LOCAL GOVERNMENTAL EMPLOYEES' RETIREMENT SYSTEM

The City Manager presented the following report from Sam Graves, Director of Employee Services, relative to the election to participate in the North Carolina Local Governmental Employees' Retirement System:

Mr. Enrick then presented the annexation plan for the Regency Park area.

Councilman Rainey moved for the adoption of the annexation plan for the Regency Park area as presented by the Planning Director. This motion was seconded by Councilwoman Price and carried unanimously.

Councilwoman Price moved to schedule the public hearing for the annexation of the Regency Park area for December 6, 1979. This motion was seconded by Councilman Rainey and carried unanimously.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to Council relative to the wide-open lottery sales in the City of Asheville. A discussion was held between Mr. Bishop and Councilman Rainey relative to this subject.

Mr. Bishop requested a verbatim transcript of the statements made at this meeting beginning with his statements.

Adjournment.

MAYOR

CITY CLERK

Councilman Morris moved to schedule a public hearing relative to amending the Zoning Ordinance to include "Family Care Homes" as conditional uses in all Residential Districts and in the Office Institutional District for November 29, 1979. This motion was seconded by Councilwoman Price and carried unanimously.

Verl Emrick then presented the following ordinance for Council's consideration:

ORDINANCE NO. 1139 - AN ORDINANCE PROVIDING FOR A LIMITED MORATORIUM ON THE ISSUANCE OF BUILDING PERMITS FOR GROUP HOMES FOR DEVELOPMENTALLY DISABLED ADULTS

Consideration was given to the adoption of an ordinance providing for a limited moratorium on the issuance of building permits for group homes for developmentally disabled adults.

Councilwoman Price moved for the adoption of Ordinance No. 1139. This motion was seconded by Vice Mayor Horton.

On a roll call vote of 7-0, Ordinance No. 1139 passed on first reading.

Councilwoman Price moved to amend Ordinance No. 1139 by including the following sentence:

"Said moratorium shall be in effect for a period not to exceed six (6) months."

This motion was seconded by Councilman Rainey and carried unanimously.

Vice Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1139, as amended. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1139, as amended, passed on second reading.

Vice Mayor Horton moved to suspend the rules and proceed to the third reading of Ordinance No. 1139, as amended. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1139, as amended, passed on third and final reading.

9 Complete text of Ordinance No. 1139, as amended, will be found in Ordinance Book No. ~~X~~ at page 64.

Councilwoman Price moved to schedule the public hearing relative to "Family Care Homes" for December 6, 1979, rather than November 29, 1979. This motion was seconded by Councilman Rainey and carried unanimously.

Several residents of the Kenilworth area, including Mr. Tom Posey, Mr. Albert McLean, Mr. Thomas Johnson, Mr. Gallion, and Mr. Marvin Chambers discussed the effect Council's action, taken at this meeting, will have on the proposed group home on Chiles Avenue.

Corporation Counsel William C. Moore told Council and the area residents that the City is legally obligated to issue the building permit for the group

Thursday - November 15, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Gene E. Rainey gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 8, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, the minutes of the November 8, 1979 meeting were approved as submitted.

RESOLUTION NO. 79-246 - RESOLUTION IN MEMORY OF ASSISTANT FIRE CHIEF JOSEPH LANDIS DIGGS, SR.

2. Consideration was given to a resolution in memory of Assistant Fire Chief Joseph Landis Diggs, Sr., who passed away on November 14, 1979.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 79-246 was unanimously adopted.

Complete text of Resolution No. 79-246 will be found in Resolution Book No. 11 at page 354.

CONTINUATION OF A PUBLIC HEARING - AMENDING THE ZONING ORDINANCE TO INCLUDE "FAMILY CARE HOMES" AND "GROUP HOMES FOR THE DEVELOPMENTALLY DISABLED ADULTS"

3. A public hearing was continued relative to amending the Zoning Ordinance to include "Family Care Homes" and "Group Homes for Developmentally Disabled Adults" as Conditional Uses in all residential zoning districts and in the Office Institutional District.

Mayor Trantham said this public hearing was continued from the October 18, 1979 meeting.

Verl Emrick, Planning Director, recommended that the two issues be separated into two ordinances, one for "Family Care Homes" and one for "Group Homes for Developmentally Disabled Adults."

After discussion, Mayor Trantham closed the public hearing at 4:12 P.M.

Councilwoman Price then moved to table action on the matter and that further action by Council be taken separately for the "Family Care Homes" and "Group Homes for Developmentally Disabled Adults." This motion was seconded by Councilman Michael and carried unanimously.

PUBLIC HEARING - GROUP DEVELOPMENT PLAN - SOUTH FOREST SHOPPING CENTER

5. A public hearing was held relative to the approval of a group development plan for the South Forest Shopping Center.

Mayor Trantham opened the public hearing at 5:15 P.M.

The City Manager read the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at its October 3, 1979, meeting approved the site plan of proposed additions and improvements to the South Forest Shopping Center located on Hendersonville Road. The Commission voted to recommend to City Council that the site plan be approved subject to:

- 1) Completion of satisfactory erosion control;
- 2) Buffering of trees in compliance with Section 30-3-14 (A)(2);
- 3) Buffering of solid barrier fence in compliance with Section 30-3-14 (A)(5). The fence will begin at a point 300' west of the northeast corner of the property; thence continuing along the western (rear) and southern property lines to a point that is 626.75 feet east and 109.13 feet south of the property line intersection of Hendersonville Road.
- 4) No access to the parking lot from Cornell Street; and
- 5) That a portion of Lot 1, Sheet 52, Ward 7 be rezoned from R-2 Residential District to CH Commercial Highway District to accommodate required parking spaces.

Mayor Trantham closed the public hearing at 5:20 P.M.

Councilman Morris moved for the approval of the group development plan for the South Forest Shopping Center subject to the conditions provided for by the Planning and Zoning Commission. This motion was seconded by Vice Mayor Horton and carried unanimously.

ORDINANCE NO. 1141 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4-A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA (Asheville Country Club Golf Course Area)

6. Consideration was given to an ordinance to extend the corporate limits of the City of Asheville under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Verl Emrick, Planning Director, read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1141. This motion was seconded by Vice Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 1141 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1141. This motion was seconded by Councilman Cole

home on Chiles Avenue because the Buncombe County Group Home applied for the building permit prior to the moratorium imposed by Council on October 4, 1979. He said his opinion has been confirmed by the State Attorney General.

Mayor Trantham said Council, being in a legal position, has done everything that could be done relative to the group home on Chiles Avenue. He said the only recourse the area residents have at this point is to request a court injunction against construction of the facility.

Councilman Michael was excused from the meeting at 5:00 P.M.

PUBLIC HEARING - REZONING PROPERTY ON HENDERSONVILLE ROAD - SOUTH FOREST SHOPPING CENTER

ORDINANCE NO. 1140 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, AS AMENDED"

4. A public hearing was held relative to rezoning property on Hendersonville Road, property of the South Forest Shopping Center, from R-2 Residential District to CH Commercial Highway District.

Mayor Trantham opened the public hearing at 5:02 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission reviewed a site plan of proposed additions to the South Forest Shopping Center as it was felt that in order for the developer to meet minimum parking requirements of the Group Development Section of the Zoning Ordinance, that a portion of the property should be rezoned. He said at the October 3, 1979, meeting of the Planning and Zoning Commission, the Commission voted unanimously to recommend to City Council that a portion of Lot 1, Shet 52, Wart 7 be rezoned from R-2 Residential District to CH Commercial Highway District.

By the use of a map, Mr. Emrick reviewed the location of the property in question.

Carroll Hughes, Architect for the Project, said the owners of the shopping center plan to take the currently declining shopping center and upgrade the facility. He said the present building will be renovated to accommodate a major retail store as well as additions made for new stores. He said due to this expansion, the tax base will double for the complex. He said the expansion will not impose an additional burden on the City as utility services from the City are presently available. He requested that Council approve the rezoning and the final plan.

Mayor Trantham closed the public hearing at 5:12 P.M.

Verl Emrick read the Ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1140. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1140 passed on first reading.

ORDINANCE NO. 1142 - AN ORDINANCE AMENDING THE OPERATING AND CAPITAL BUDGET FOR THE CITY OF ASHEVILLE

9. Consideration was given to an ordinance amending the operating and capital budget for the City of Asheville.

The City Manager read the ordinance and said the ordinance summarizes and ratifies all motions made amending the 1979-80 Budget Ordinance through November 15, 1979.

Councilwoman Price moved for the adoption of Ordinance No. 1142. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1142 passed on first reading.

BUDGET AMENDMENT - COMMUNITY DEVELOPMENT FUND BUDGET

10. Consideration was given to a budget amendment amending the City of Asheville Community Development Funds Budget for the Fifth Year Community Development Block Grant.

The City Manager presented the budget amendment stating that HUD has agreed to delay the R-48 Disposition Deficit in the City's Community Development Block Grant Fifth Year Entitlement. He said the funds in the amount of \$351,400 will be appropriated in the Senior Citizens Services, Street Improvement Project and the Contingency Fund.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

ABSTRACT OF VOTES CAST AT GENERAL ELECTION - MEMBERS OF ASHEVILLE CITY COUNCIL

11. The City Clerk presented the abstract of votes cast at the General Election for members of the Asheville City Council held on November 6, 1979.

A copy of the abstract of votes will be on file in the Office of the City Clerk.

APPROVAL OF THE CONSENT AGENDA

12. The following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 79-247 - Resolution accepting information regarding dissolution of the Sinking Fund Commission for Buncombe County.

HIGHLIGHTS: The City has received copies of reports regarding the dissolution of the Sinking Fund Commission for Buncombe County. This will ratify, accept, and approve the reports and acknowledge the receipt of funds and discharge the Commissioners of their duties.

and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1141 passed on second reading.

ORDINANCE NO. 1137 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Amendment to Initiation of Amendments)

7. Consideration was given to the second reading of Ordinance No. 1137, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended relative to amendment to initiation of amendments.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

Councilwoman Price moved to amend Ordinance No. 1137 by deleting the last paragraph in Section 1 (a) and substituting the following: "However, any group of individual property owners who comprise a minimum of fifty-one percent (51%) of the property owners in the area and who own at least fifty-one percent (51%) of the property located within the area to be considered, who are of the opinion that the character of a specific area has changed significantly, may request that City Council consider initiating a special zoning study to determine if a change in the development plan for the area(s) in question is warranted." This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1137, as amended, passed on second reading.

ORDINANCE NO. 1138 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Group Development Section)

8. Consideration was given to the second reading of Ordinance No. 1138, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended relative to the Group Development Section.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

Councilwoman Price moved to amend Ordinance No. 1138 by deleting Section 1 (3) and substituting the following: "(3) A project involving the location of more than one (1) principal use on a lot or tract of land. (An example of this type of development would include a self-contained shopping center), or a project involving a change in the principal use(s) on a lot or tract of land provided that the change in use involves a project which would qualify for review under the provisions of item 1 or 2 as specified above." This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1138, as amended, passed on second reading.

DEMOLITION OF DOWNTOWN BUILDINGS DURING HOLIDAYS

Councilman Rainey suggested that there be no demolition of buildings in the downtown area from today, November 15, 1979, through December 25, 1979.

COUNCIL MEETING - NOVEMBER 22, 1979

Mayor Trantham announced that Council will not be meeting on November 22, 1979, Thanksgiving Day.

CLAIMS - HOWARD GOLDEN - MARY DEVERS - BRUCE CHARLES PUTMAN

The City Manager presented claims for damage received from Mr. Howard Golden, Mary Devers, and Bruce Charles Putman.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

REPORT ON LOTTERY ARRESTS - FEBRUARY 1979 THROUGH NOVEMBER 1979

The City Manager reported, for Council's information, that the Selective Enforcement Squad of the Asheville Police Department, has made twenty-eight (28) gambling or related arrests between the period of February 1979 and November 1979. He cited the fines given to several individuals revealing that very little active time is given and in most instances the fines and cost are relatively small which permits those arrested to start their operation again soon after being arrested.

The meeting adjourned at 6:00 p. m.

MAYOR

CITY CLERK

- B. Scheduling of a public hearing relative to rezoning property on Caledonia Road for Appalachian Hall for December 13, 1979.

HIGHLIGHTS: Planning and Zoning Commission at its November 7, 1979 meeting considered a request by Attorney John Stevens to rezone property on Caledonia Road, owned by Appalachian Hall, from R-3 Medium Density Residential District to OI Office Institutional District. Planning and Zoning Commission recommended approval of a portion of the petition.

- C. Scheduling of a public hearing relative to the site plan of proposed warehouse addition to the DeBall-Girmes Company on Charlotte Highway for December 13, 1979.

HIGHLIGHTS: Planning and Zoning Commission has recommended approval of the site plan for a proposed warehouse addition to the DeBall-Girmes Company on Charlotte Highway.

- D. Scheduling of a public hearing relative to the site plan of proposed Asheville Terrace Apartments to be located on Tunnel Road (U. S. 70) for November 29, 1979.

HIGHLIGHTS: Planning and Zoning Commission has recommended approval of the site plan for proposed Asheville Terrace Apartments to be located on Tunnel Road, subject to several conditions.

- E. Scheduling of a public hearing relative to Tennessee Valley Authority Flood Maps and Report for December 13, 1979.

- F. Approval of bids received October 19, 1979 for one (1) four-wheel Snow Removal Vehicle for the Asheville Airport.

HIGHLIGHTS: Three (3) bids were received. Recommendation of acceptance of low bid submitted by Arrowhead International Truck Sales, Inc. in the amount of \$29,449.00. Funding: FAA Grant - ADAP Project 6-37-0005-05

- G. Approval of bids received November 12, 1979 for two (2) Loader Backhoes for the Water Maintenance Division.

HIGHLIGHTS: Five (5) bids were received. Recommendation of acceptance of low bidder, Farm Equipment Company, who submitted an alternate bid, in the amount of \$29,986.00. Funding: Water and Sewer Services, Maintenance and Construction Capital Outlay Account Code 30-50-731.0074 budgeted \$33,000 and 30-50-732.0074 budgeted \$33,000.

Upon motion of Councilman Cole, seconded by Councilman Morris, the consent agenda was unanimously approved.

116

ORDINANCE NO. 1138 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Group Development Section)

3. Consideration was given to the third reading of Ordinance No. 1138, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended relative to the Group Development Section of the Zoning Ordinance.

Mayor Trantham said the ordinance was previously read on first and second reading and will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1138 passed on third and final reading.

Complete text of Ordinance No. 1138 will be found in Ordinance Book No. 9 at page 64.

ORDINANCE NO. 1140- AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning of property at South Forest Shopping Center)

4. Consideration was given to the second reading of Ordinance No. 1140, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property in the South Forest Shopping Center from R-2 Residential District to CH Commercial Highway District.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1140 passed on second reading.

Councilman Morris moved to suspend the rules and proceed to the third reading of Ordinance No. 1140. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1140 passed on third and final reading.

Complete text of Ordinance No. 1140 will be found in Ordinance Book No. 9 at page 67.

ORDINANCE NO. 1141 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE, UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA (Asheville Country Club Golf Course Property)

5. Consideration was given to the third reading of Ordinance No. 1141, an ordinance to extend the Corporate Limits of the City of Asheville, under the authority granted by Part 3, Article 4A, Chapter 160 A of the General Statutes of North Carolina, annexing the Asheville Country Club Golf Course Property into the City Limits of Asheville.

215

Thursday - November 29, 1979 - 2:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Gene E. Rainey, F. Jack Cole, Otis B. Michael and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman F. Jack Cole gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 15, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the November 15, 1979 meeting were approved as submitted.

ASHEVILLE FIRE DEPARTMENT - CHIEF CAUSEY - FIRE FIGHTER INSTRUCTOR CERTIFICATE

Mayor Trantham recognized Chief Causey of the Asheville Fire Department for receiving a certificate from the National Fire Protection Association as a National Certified Fire Fighter Instructor.

CERTIFICATES PRESENTED TO FIRE CADETS

Mayor Trantham recognized twelve (12) individuals who recently completed instruction in Basic Fire Fighting. Chief Ball presented the individuals with their certificates.

ORDINANCE NO. 1137 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Amendment to initiation of amendments)

2. Consideration was given to the third reading of Ordinance No. 1137, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended relative to an amendment to the procedures for initiation of amendments to the Zoning Ordinance.

Mayor Trantham said the ordinance was previously read on first and second reading and will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1137 passed on third and final reading.

Complete text of Ordinance No. 1137 will be found in Ordinance Book No.

9 at page 62.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1143. This motion was seconded by Councilman Cole.

On a roll call vote of 7-0, Ordinance No. 1143 passed on second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1143. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1143 passed on third and final reading.

Complete text of Ordinance No. 1143 will be found in Ordinance Book No. 9 at page 73.

RESOLUTION NO. 79-248 - RESOLUTION AMENDING RESOLUTION NO. 73-44 KNOWN AS "THE REGULATIONS FOR THE ADMINISTRATION OF THE ASHEVILLE CIVIC CENTER."

8. Consideration was given to a resolution amending Resolution No. 73-44 known as "The regulations for the administration of the Asheville Civic Center."

The Corporation Counsel read the resolution.

The Assistant City Manager said the Civic Center Director and the Asheville Area Civic Center Commission recently reviewed the regulations for the administration of the Asheville Civic Center and recommend that the current policy be amended to more clearly define the regulations. He reviewed the recommended changes.

Vice-Mayor Horton noted that in the regulations law enforcement at the Civic Center is the primary responsibility of the Director and not the promoter of the events.

Upon motion of Councilman Michael, seconded by Councilman Cole, Resolution No. 79-248 was unanimously adopted.

Complete text of Resolution No. 79-248 will be found in Resolution Book No. 11 at page 359.

PUBLIC HEARING - SITE PLAN OF ASHEVILLE TERRACE APARTMENTS

9. A public hearing was held relative to the site plan of the proposed Asheville Terrace Apartments to be located on Tunnel Road (U. S. 70).

Mayor Trantham opened the public hearing at 2:27 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said that the Planning and Zoning Commission, at a meeting on November 7, 1979, reviewed the site plan of the proposed Asheville Terrace Apartments, a Section 8 Elderly Housing Project to be located on U. S. Highway 70. He said after discussion, the Commission voted that the site plan be approved subject to approval of the Asheville Fire Department and optional parking be submitted to the Planning Staff for approved spaces up to 30 percent of the number of units.

He said Council, in August of 1979, approved the allocation for Section 8

Mayor Trantham said the ordinance was previously read on first and second readings and will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1141 passed on third and final reading.

Complete text of Ordinance No. 1141 will be found in Ordinance Book No. 9 at page 68.

ORDINANCE NO. 1142 - AN ORDINANCE AMENDING THE OPERATING AND CAPITAL BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1979-80

6. Consideration was given to the second reading of Ordinance No. 1142, an ordinance amending the operating and capital budget for the City of Asheville for fiscal year 1979-80 summarizing and ratifying all motions made amending the 1979-80 Budget Ordinance through November 15, 1979.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1142 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1142. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1142 passed on third and final reading.

Complete text of Ordinance No. 1142 will be found in Ordinance Book No. 9 at page 72.

ORDINANCE NO. 1143 - AN ORDINANCE AMENDING ORDINANCE NO. 933, KNOWN AS "AN ORDINANCE ESTABLISHING AN ADMINISTRATIVE BODY KNOWN AS THE ASHEVILLE CIVIC CENTER COMMISSION"

7. Consideration was given to an ordinance amending Ordinance No. 933, known as "AN ORDINANCE ESTABLISHING AN ADMINISTRATIVE BODY KNOWN AS THE ASHEVILLE CIVIC CENTER COMMISSION."

The Corporation Counsel read the ordinance.

The Assistant City Manager advised that the Civic Center Director and the Asheville Area Civic Center Commission recently reviewed the ordinance and recommends that the Council amend the ordinance to more clearly define the ordinance and to incorporate previous amendments to the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1143. This motion was seconded by Councilman Morris.

On a roll call vote of 7-0, Ordinance No. 1143 passed on first reading.

RESOLUTION NO. 79-250 - RESOLUTION APPROVING THE AIRPORT AUTHORITY AGREEMENT AND
AUTHORIZING THE MAYOR TO EXECUTE SAID AGREEMENT ON BEHALF OF THE CITY OF ASHEVILLE

11. Consideration was given to a resolution approving the Airport Authority Agreement and authorizing the Mayor to execute said Agreement on behalf of the City of Asheville.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 79-250 was unanimously adopted.

Complete text of Resolution No. 79-250 will be found in Resolution Book No. 11 at page 361.

At this time, Mayor Trantham and the Chairman of the Buncombe County Commissioners, R. Curtis Rateliff, signed the Airport Agreement.

Mayor Trantham recognized the members of the City/County Aviation Committee: Eugene C. Ochsenreiter, Jr., Chairman, Councilwoman Price, Councilmen Cole and Michael; County Commissioners Cary Owen, Bill Oglesby, Zeb Sheppard and called on each to make a statement as well as the members of the Council and the County Commissioners.

ORDINANCE NO. _____ - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Beaverdam Valley)

12. Consideration was given to an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended to rezone property in the Beaverdam Valley area to R-1 Single Family Residential District.

Councilwoman Price moved to table action on the ordinance until January 17, 1980, giving the City staff an opportunity to obtain additional information on the water and sewer conditions in the Beaverdam Valley. This motion was seconded by Vice Mayor Horton and carried unanimously.

Councilman Rainey suggested that Council impose a moratorium on construction of apartments in the Beaverdam Valley until the issue is decided.

Councilman Morris moved to schedule a public hearing concerning the adoption of an ordinance imposing a moratorium on the issuance of zoning permits in the Beaverdam Valley for January 17, 1980. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1144 - AN ORDINANCE SETTING FORTH THE ADMINISTRATION OF STANDARDS FOR
PLACEMENT OF STRUCTURES EITHER ON, ABOVE, OR BELOW THE SURFACE OF RIGHTS-OF-WAY OR
TRAVELED PORTIONS OF THE STREETS, SIDEWALKS, ALLEYWAYS, OR OTHER WAYS OF PUBLIC
PASSAGE WITHIN THE CITY OF ASHEVILLE

13. Consideration was given to an ordinance setting forth standards for placement of structures either on, above or below the surface of rights-of-way or traveled portions of the streets, sidewalks, alleyways, or other ways of public passage within the City of Asheville.

The City Manager said, at the direction of Council, a meeting was held with the utility representatives at which time it was agreed that rather than Council adopting an ordinance regulating structures on rights-of-way, to form a Committee

funding for the project. By the use of a map, Mr. Emrick reviewed the location of the proposed apartments. He said the apartments will be on Tunnel Road utilizing the existing motel. He said there will be 248 units with the motel being rehabilitated for the use of 56 of the units. He said a new facility will be constructed for the remaining 192 units. He said the developers will improve the access road to a standard 24' width with a turning radius. He said there is a definite need for elderly housing in Asheville as outlined in the Housing Assistance Plan.

Rodney Lawler of Lawler-Wood, Inc., developers, said the facility will meet all federal, state, and local requirements. He said there would be scheduled bus service for the tenants from 8:00 A.M. until 5:00 P.M. to meet the needs of the tenants. He said the building would be staffed 24-hours a day with emergency transportation available at all times. He said 192 units will be constructed to accommodate the handicapped. Mr. Lawler went on to state that they would comply with the conditions outlined by HUD including a breezeway/walkway to the Asheville Mall and a new signalization system at the location.

Councilman Morris said it was his understanding that the developers had requested that the Housing Authority sponsor the funding of the project through a non-profit bond status, which request the Housing Authority denied. He said it is also his understanding that the developers were not present at the meeting when the Housing Authority made the decision.

After discussion, Councilman Morris moved that the Mayor be authorized to write a letter to Housing Authority encouraging them to meet with the developers relative to their request. This motion was seconded by Councilman Cole and carried unanimously.

Councilman Michael noted that the Council is not encouraging the Housing Authority to change their decision, but to give the developers an opportunity to discuss their request with them.

Mayor Trantham closed the public hearing at 2:59 P.M.

Vice Mayor Horton moved that in addition to the conditions provided by the Planning and Zoning Commission a third condition be required that a firm agreement be reached between the developer and the North Carolina Department of Transportation for a new pedestrian signal control system at the location. This motion was seconded by Councilwoman Price and carried unanimously.

Councilman Rainey moved for the approval of the site plan of the proposed Asheville Terrace Apartments to be located on Tunnel Road (U.S. 70) subject to the conditions provided by the Planning and Zoning Commission and Vice Mayor Horton. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 79-249 - RESOLUTION CHANGING THE NAME OF THE ASHEVILLE AIRPORT TO THE ASHEVILLE REGIONAL AIRPORT

10. Consideration was given to a resolution changing the name of the Asheville Airport to the Asheville Regional Airport.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Vice Mayor Horton, Resolution No. 79-249 was unanimously adopted.

Complete text of Resolution No. 79-249 will be found in Resolution Book No. 11 at page 360.

and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1145 passed on third and final reading.

Complete text of Ordinance No. 1145 will be found in Ordinance Book No. 9 at page 77.

RESOLUTION NO. 79-251 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ACCEPT A PROPOSAL FROM CAROLINA POWER AND LIGHT COMPANY FOR UNDERGROUND WIRING IN THE PACK SQUARE REVITALIZATION PROJECT

15. Consideration was given to a resolution authorizing the City Manager to accept a proposal from Carolina Power and Light Company for underground wiring in the Pack Square Revitalization Project.

The City Manager read the resolution explaining that this agreement is also pursuant to Resolution No. 77-155, adopted on September 22, 1977.

Upon motion of Councilman Cole, seconded by Councilman Morris, Resolution No. 79-251 was unanimously adopted.

Complete text of Resolution No. 79-251 will be found in Resolution Book No. 11 at page 362.

SALE OF DISPOSAL PARCELS 2, 20, 39, 82, and 164 - EAST RIVERSIDE URBAN RENEWAL PROJECT

16. Consideration was given to the approval of the sale of disposal parcels 2, 20, 39, 82, and 164 in the East Riverside Urban Renewal Project.

The City Manager presented the recommendation of the Housing Authority of the City of Asheville. The Housing Authority received bids for the sale of the following parcels:

<u>Parcel</u>	<u>Reuse</u>	<u>Price</u>	<u>Bid</u>	<u>Redeveloper</u>
2	Commercial	\$42,000	\$51,100	Hayes & Lunsford Electric Company
20	Residential	2,700	2,725	Mr. and Mrs. G. Clifton Young
39	Residential	2,800	2,940	Mr. and Mrs. Richard L. Metz
82	Commercial	20,000	21,000	Mr. W. R. Farr
164	Residential	3,500	3,800	Mr. and Mrs. Lewis J. Isaac

Larry Holt, Deputy Executive Director of the Housing Authority, reviewed the proposed uses of the parcels to be sold.

Councilman Morris moved to approve the sale of Disposal Parcels 2, 20, 39, 82, and 164 as recommended by the Housing Authority. This motion was seconded by Councilman Cole and carried unanimously.

REQUEST FOR STATUS REPORT - REVEREND GRANT'S REQUEST TO PURCHASE PROPERTY IN EAST RIVERSIDE URBAN RENEWAL PROJECT

17. Councilman Michael requested a status report on Reverend Grant's request to purchase property in the East Riverside Urban Renewal Project.

The City Manager advised that the City staff is in the process of obtaining guidelines from HUD relative to this request.

consisting of the City Manager and the utility representatives to work on the problems with the structures on rights-of-way. He said it was agreed that the first meeting of the Committee would be on January 9, 1980. He said at the direction of Council, the proposed ordinance was scaled down to deal primarily with electrical substations and transmission lines.

The City Manager read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1144. This motion was seconded by Vice Mayor Horton.

On a roll call vote of 7-0, Ordinance No. 1144 passed on first reading.

Councilman Rainey moved to suspend the rules and proceed to the second reading of Ordinance No. 1144. This motion was seconded by Vice Mayor Horton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1144 passed on second reading.

Councilman Rainey moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1144. This motion was seconded by Vice Mayor Horton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1144 passed on third and final reading.

Complete text of Ordinance No. 1144 will be found in Ordinance Book No. 9 at page 75.

It was the consensus of Council that the City Manager move forward with the establishment of a Committee to deal with problems relating to structures on rights-of-ways.

ORDINANCE NO. 1145 - AN ORDINANCE AMENDING THE ASHEVILLE-BUNCOMBE CAPITAL PROJECTS FUND TO ESTABLISH FUNDING FOR THE PACK SQUARE REVITALIZATION PROJECT

14. Consideration was given to an ordinance amending the Asheville-Buncombe Capital Projects Fund to establish funding for the Pack Square Revitalization Project.

The City Manager read the ordinance explaining that this ordinance will fund all improvements associated with the Akzona Corporate Headquarters and the Pack Square Revitalization Project as agreed to by Resolution No. 77-155, adopted on September 22, 1977.

Councilman Cole moved for the adoption of Ordinance No. 1145. This motion was seconded by Councilman Morris.

On a roll call vote of 7-0, Ordinance No. 1145 passed on first reading.

Councilman Cole moved to suspend the rules and proceed to the second reading of Ordinance No. 1145. This motion was seconded by Vice Mayor Horton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1145 passed on second reading.

Councilman Cole moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1145. This motion was seconded by Vice Mayor Horton

3, 1980, for the adoption of an ordinance relating to amendments of Chapter 8, Article II of the Code of Ordinances, known as the Housing Code.

HIGHLIGHTS: The Certificate of Occupancy and Housing Study Committee has recommended changes in the Housing Code. A public hearing, pursuant to G. S. 160A-364, is required before any amendments can be made to the Housing Code. Complete text of Resolution No. 79-255 will be found in Resolution Book No. 11 at page 367.

- E. RESOLUTION NO. 79-256 - Resolution authorizing the Mayor to sign, on behalf of the City of Asheville, a contract with Huntley Construction Company for the project known as Biltmore Avenue 12-inch Water Line.

HIGHLIGHTS: Bids for the Biltmore Avenue 12-inch Water Line were received on November 6, 1979, and Huntley Construction Company was the low bidder in the amount of \$192,720. - F. RESOLUTION NO. 79-257 - Resolution authorizing the Mayor to sign, on behalf of the City of Asheville, a contract with Paving Enterprises, Inc. for the Shiloh/Brooklyn Road, Taft Avenue, Grant Street Improvements.

HIGHLIGHTS: Bids for the Shiloh/Brooklyn Road, Taft Avenue, Grant Street Improvements were received on November 20, 1979, and Paving Enterprises, Inc. was the low bidder in the amount of \$145,959.10. Funding: Account Code 65-60-618-3. Complete text of Resolution No. 79-257 will be found in Resolution Book No. 11 at page 369.

- G. RESOLUTION NO. 79-258 - Resolution authorizing the Mayor to sign, on behalf of the City of Asheville, a contract with Perry Alexander Company for the Bear Creek Road 6-inch Water Line.

HIGHLIGHTS: Bids for the Bear Creek Road 6-inch Water Line were received on November 20, 1979, and Perry Alexander Company was the low bidder in the amount of \$26,817.18. Funding: Account Code 33-50-863. Complete text of Resolution No. 79-258 will be found in Resolution Book No. 11 at page 370.

- H. RESOLUTION NO. 79-259 - Resolution authorizing the Mayor to sign, on behalf of the City of Asheville, a contract with Banks Brothers Construction Company for the project known as Standard Paving Patch.

HIGHLIGHTS: This resolution will authorize the Mayor to execute a contract for a project which entails backfilling, tamping, and surface restoration of maintenance projects in pavement areas. The contract will be for a 4-month trial period and will be paid on a unit cost basis and used as needed. It is anticipated that the contract will be approximately \$50,000 for the 4-month period. Complete text of Resolution No. 79-259 will be found in Resolution Book No. 11 at page 371.

- I. RESOLUTION NO. 79-260 - Resolution authorizing the Mayor to sign, on behalf of the City of Asheville, an agreement with the Town of Black Mountain to acquire on 6-inch Hersey Water Meter and appurtenances in exchange for release of certain water debts owed to the City of Asheville.

REQUEST FOR STATUS REPORT - SALE OF DISPOSAL PARCEL 123 - EAST RIVERSIDE URBAN RENEWAL PROJECT

18. Councilman Michael requested a status report on the sale of Disposal Parcel 123 in the East Riverside Urban Renewal Project.

The City Manager said that on September 6, 1979, the City Council had considered the bid received from Dr. James C. McDonald in the amount of \$39,000 for Disposal Parcel 123. He said after discussing the bid, Council took action to table action on the matter until Dr. McDonald had an opportunity to seek retail tenants for his proposed building.

Councilman Michael said it is his understanding that another developer is interested in Disposal Parcel 123 and Council should take action to allow another developer to bid on the parcel rather than having the land remain dormant.

After discussion, Councilwoman Price moved that the Mayor write a letter to the Housing Authority staff requesting a status report on the sale of Disposal Parcel 123. This motion was seconded by Councilman Cole and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

19. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1108, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. RESOLUTION NO. 79-252 - Resolution authorizing the Mayor to enter into a municipal agreement with the North Carolina Department of Transportation for Project No. 8.7384008.

HIGHLIGHTS: This resolution will authorize the Mayor to enter into a municipal agreement with the North Carolina Department of Transportation to widen portions of Merrimon Avenue under Project No. 8.7384008. Complete text of Resolution No. 79-252 will be found in Resolution Book No. 11 at page 363.

- B. RESOLUTION NO. 79-253 - Resolution relating to claims and judgements sought or entered against City officers or employees.

HIGHLIGHTS: This resolution will provide a policy on providing defense for and paying judgements against officers and employees of the City who have been sued while performing their official duties as permitted in G. S. 160A-167. Complete text of Resolution No. 79-253 will be found in Resolution Book No. 11 at page 364.

- C. RESOLUTION NO. 79-254 - Resolution appointing members to the Adult Advisory Board of the Asheville-Buncombe County Youth Council.

HIGHLIGHTS: Mrs. Becky Williams and Mr. Ernest W. Sewell have submitted their resignations to the Adult Advisory Board of the Asheville-Buncombe County Youth Council. Ms. Kathy Watts and Dr. V. E. Yarborough will be appointed to this Council. Complete text of Resolution No. 79-254 will be found in Resolution Book No. 11 at page 366.

- D. RESOLUTION NO. 79-255 - Resolution calling for a public hearing on January

21. The City Manager read the following two letters for Council's consideration:

Helen B. Zageir
361 Windsor Road
Asheville, North Carolina 28804

November 28, 1979

Mr. Kenneth M. Michalove
City Manager
City of Asheville
Asheville, North Carolina 28801

Re: The Man Store building

Dear Mr. Michalove:

I have previously sent you an appraisal report covering the premises known as 22 Patton Avenue, being the premises formerly occupied by The Man Store, prepared by William T. Duckworth, Jr., MAI, SREA, on June 1, 1977, in which the property is appraised at \$80,000.

I am willing to convey to the City of Asheville approximately nineteen feet of this property, being the nineteen feet immediately west of South Lexington Avenue, as a contribution or donation to the City of Asheville for the public use of the City and its citizens, the gift to be effective as of the date of the closing of the transaction.

This offer is contingent on the City and the owners of the other properties on the south side of Patton Avenue agreeing to and paying for the demolition of all the existing improvements. I would, of course, pay for the portion of the demolition expenses for the improvements remaining on my property after the conveyance of the nineteen feet to the City which I understand will be approximately \$8-9,000. I would also expect the City to provide a curb cut on the west side of South Lexington Avenue leading into the property which remains after the gift of conveyance to the City.

I understand that my offer is contingent on the acceptance of this offer by the city council of the City of Asheville and further on the preparation of formal legal documents.

The purpose of this letter is to evidence my intent to consummate this transaction and I would appreciate your response as soon as practical.

With best personal regards,

Yours very truly,

Helen B. Zageir
(Mrs.) Helen B. Zageir

Enclosure

396

HIGHLIGHTS: The Town of Black Mountain has requested that the City of Asheville accept on 6-inch Hersey Water Meter and appurtenances in exchange for the release of water debts incurred by the Town of Black Mountain. Complete text of Resolution No. 79-260 will be found in Resolution Book No. 11 at page 372.

- J. Approval of bids received on November 26, 1979, for solid waste collection system for the Sanitation Division.

HIGHLIGHTS: Bids for solid waste collection system were received on November 26, 1979, for the Sanitation Division. Western Carolina Tractor Company was the only bidder in the amount of \$18,526. Recommendation has been made for acceptance of this bid. Funding: Revenue Sharing Trust Fund - Account Code 50-15-428.0074.

- K. Approval of bids received on November 14, 1979, for signing materials for the Asheville Transit Authority for bus stop signs.

HIGHLIGHTS: Bids for signing materials for the Asheville Transit Authority for bus stop signs were received on November 14, 1979, and Vulcan Signs & Stamping, Inc. was the lowest overall bidder in the amount of \$5,155.40. Funding: UMTA Capital Grant, Project No. NC-03-0006, Account Code 65-25-917-0-869.0073.

Upon motion of Councilman Cole, seconded by Councilman Michael, the consent agenda was unanimously approved.

RESOLUTION NO. 79-261 - RESOLUTION APPOINTING MEMBERS TO THE BOARD OF DIRECTORS OF THE VICTORIA OF ASHEVILLE, INC.

20. Consideration was given to a resolution appointing members to the Board of Directors of the Victoria of Asheville, Inc.

The City Manager read the resolution. He said this resolution would follow through with the establishment of the non-profit corporation, known as Victoria of Asheville, Inc. pursuant to Resolution No. 79-242. He said the By Laws of the Corporation call for a three to five member board and this resolution names three (3) of the members in order to move forward with the establishment of the Corporation. He said Council could at a later date add two more members if they so desire.

Joe Reynolds, Attorney for the Corporation, said Dr. Woodard E. Farmer, Matthew Bacoate, Jr., Logan D. Delany, Lacy T. Haith, and Larry B. Leake have been recommended to serve as the Board of Directors.

Ken Gummels of Brookwood Investments, a partnership in the Corporation, answered general questions of Council relative to the responsibilities of the Board of Directors.

Upon motion of Councilman Michael, seconded by Councilwoman Price, Resolution No. 79-261 was unanimously adopted.

Complete text of Resolution No. 79-261 will be found in Resolution Book No. 11 at page 373.

LETTER FROM HELEN B. ZAGEIR - REGARDING PROPERTY ON SOUTH LEXINGTON AVENUE

The City Manager said the City has been interested in the right-of-way in this area for the widening of the sidewalks for many years. He requested direction from the Council concerning this matter.

Councilman Rainey, objecting to the method by which this is brought before Council, said in his opinion Council should not take action on matters of this nature without first putting them on the published agenda. He said other businesses, as well as those interested in Historical Preservation, are interested in this matter and should be given an opportunity to voice their opinion before Council makes a decision.

The City Manager said it is not the intention of the City to encourage the demolition of the building, but to merely accept the right-of-way provided the buildings are demolished. He asked Council for a motion of intent to accept the offer under the conditions provided for in the letter so he could notify Mrs. Zageir.

Councilman Morris moved that the City accept Mrs. Zageir's offer. This motion was seconded by Vice Mayor Horton, which motion carried with Councilman Rainey voting "No."

Councilman Rainey requested that the Planning Director furnish Council with the opposition expressed in the demolition of the buildings in this area.

AFFIRMATIVE ACTION - STATUS REPORT

22. Sam Graves, Director of Employee Services, presented Council with a status report of the City of Asheville's Affirmative Action Program. He highlighted the report for the benefit of Council.

Councilman Michael noted that the report is essentially unchanged from the last report in that 80% of the minorities, including women, on the City payroll still make less than \$12,000 per year. He said he felt the City should move forward with the Affirmative Action Program.

PETITION REQUESTING ANNEXATION

PETITION FOR ANNEXATION - NEW LEICESTER HIGHWAY NEAR CAMELOT SUBDIVISION

Date: November 16, 1979

23. The City Manager presented the following petition requesting annexation:

TO THE CITY COUNCIL OF THE CITY OF ASHEVILLE, NORTH CAROLINA

1. The undersigned owner of real property respectfully requests that the area described in paragraph 2 below be annexed to the City of Asheville, North Carolina.
2. The area to be annexed is contiguous to the City of Asheville and the boundaries of such territory are as follows:

ASHEVILLE
REVITALIZATION
COMMISSION

P.O. BOX 7148, ASHEVILLE, NC 28807 (704-255-5432)

November 27, 1979

Honorable Mayor and
Members of Council

The Asheville Revitalization Commission has voted by telephone on the single question of whether or not the city should participate in the demolition of the building at 22 Patton Avenue for the purpose of widening South Lexington Avenue and adding adequate sidewalk and guttering.

The vote was 9 yes, one no. From the vote, it is apparent that the Commission feels that it is vital that adequate traffic routes be implemented throughout downtown. The Commission further feels it would be important to remove the building at the same time that the rest of that block is demolished for cost effectiveness.

It is our hope that Council will move quickly to secure this necessary improvement.

Sincerely,

James W. Daniels
Chairman

JWD:gb

ASHEVILLE ... RENAISSANCE OF THE BEAUTIFUL CITY

Mayor Trantham referred the petition to the Planning and Zoning Commission for study and recommendation.

CLAIMS - MS. MYRTLE BELL STAFFON - ELWOOD B. MILES - MR. AND MRS. DEWEY PATTON - MS. MARY DEVERS - MR. LLOYD E. BECKWITH - DANIEL JOSEPH LEPORE - CHARLES EARL McALLISTER

24. The City Manager presented claims against the City from the following individuals:

Ms. Myrtle Bell Staffon
Elwood B. Miles
Mr. and Mrs. Dewey Patton
Ms. Mary Devers
Mr. Lloyd E. Beckwith
Daniel Joseph Lepore
Charles Earl McAllister

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - CIVIL AIR PATROL WEEK - DECEMBER 3, 1979

Mayor Trantham proclaimed the week of December 3, 1979 as Civil Air Patrol Week.

APPEAL FROM HELEN R. ARENDALE - RE: BOARD OF TRUSTEES OF ASHEVILLE POLICEMEN'S PENSION

The City Manager presented an appeal received from Helen R. Arendale appealing a decision by the Board of Trustees of the Asheville Policemen's Pension.

Mayor Trantham referred the appeal to the Corporation Counsel for review and a recommendation on a date to hear the appeal.

RALPH BISHOP - COMMENTS RE: POLICE DEPARTMENT

Mr. Ralph Bishop said he would like to commend Councilman Rainey on his unsuccessful attempt to clean up the corrupt Asheville Police Department. He said Councilman Rainey will be greatly missed by the honest citizens of Asheville.

Adjournment.

Neely M. Trantham
MAYOR

William S. Hester
CITY CLERK

BEGINNING at a concrete monument in the northern right-of-way of the New Leicester Highway, said monument being the southwestern-most corner of the property conveyed to The Ervin Company by Charles P. Grimes and wife by deed dated November 3, 1972 recorded in Deed Book 1071, at page 437 in the Office of the Register of Deeds for Buncombe County, North Carolina and said monument being also in the eastern line of the Camelot Subdivision at the point where the said line intersects with the northern margin of the said New Leicester Highway and running thence with the eastern line of the Camelot Subdivision North 05° 41' 40" East 266.04 feet to a stake; thence North 05° 41' 40" East 1,029.75 feet to a stake, the point and place of Beginning. RESOLUTION NO. 79-262 - RESOLUTION OF APPRECIATION TO BILL B. HORTON

3. Consideration was given to a resolution of appreciation to Bill B. Horton.

Councilwoman Price read the resolution and moved for the adoption of the resolution. This motion was seconded by Councilman Brownlee and carried unanimously.

Complete text of Resolution No. 79-262 will be found in Resolution Book No. 11 at page 374.

Mayor Trantham presented Bill B. Horton with a copy of the Resolution of appreciation and a plaque. Assistant City Manager William F. Wolcott presented Mr. Horton with his name plate.

Mr. Horton made a brief acceptance speech. He also presented the Council members with statistics which he said showed city residents pay a disproportionate share of the costs of running the county school system.

RESOLUTION NO. 79-263 - RESOLUTION OF APPRECIATION TO DR. OTIS B. MICHAEL

4. Consideration was given to a resolution of appreciation to Dr. Otis B. Michael.

Vice-Mayor Morris read the resolution and moved for the adoption of the resolution. This motion was seconded by Councilman Wilkes and carried unanimously.

Complete text of Resolution No. 79-263 will be found in Resolution Book No. 11 at page 375.

Mayor Trantham presented Dr. Otis B. Michael with a copy of the Resolution of appreciation and a plaque. Assistant City Manager William F. Wolcott presented Dr. Michael with his name plate.

Dr. Michael made a brief acceptance speech.

RESOLUTION NO. 79-264 - RESOLUTION OF APPRECIATION TO GENE E. RAINEY

5. Consideration was given to a resolution of appreciation to Gene E. Rainey.

Councilman Cole read the resolution and moved for the adoption of the resolution. This motion was seconded by Councilman Boland and carried unanimously.

Complete text of Resolution No. 79-264 will be found in Resolution Book No. 11 at page 376.

Mayor Trantham presented Gene E. Rainey with a copy of the Resolution of appreciation and a plaque. Assistant City Manager William F. Wolcott, Jr., presented Dr. Rainey with his name plate.

Dr. Rainey made a brief acceptance speech.

Thursday - December 6, 1979 - 4:00 p. m.

Organizational Meeting

INVOCATION

The invocation was given by Rev. Jim Tucker, Chaplain of the Asheville Police Department and pastor of the Morningside Baptist Church.

OATHS OF OFFICE

The members of the Council took the oath of office individually, which oath was administered by Judge William Styles, District Court Judge of the 28th Judicial District. The oaths were administered as follows:

Ralph D. Morris, Jr.
H. C. Wilkes
Harold F. Brownlee
Roy M. Trantham
Norma T. Price
F. Jack Cole
Walter R. Bolland

ELECTION OF THE MAYOR

1. Mayor Trantham, acting as Chairman of the Organizational Meeting, opened the floor for nominations of Mayor of the City of Asheville.

Councilman F. Jack Cole nominated Roy M. Trantham as Mayor of the City of Asheville.

Councilman Wilkes moved that the nominations be closed. This motion was seconded by Councilman Brownlee, which motion carried unanimously.

Roy M. Trantham was unanimously elected as Mayor of the City of Asheville.

ELECTION OF THE VICE-MAYOR

2. Mayor Trantham then opened the floor for nominations of Vice-Mayor of the City of Asheville.

Councilman Wilkes nominated Ralph D. Morris, Jr., as Vice-Mayor of the City of Asheville.

Councilman Cole, before supporting the nomination of Councilman Morris as Vice-Mayor, briefly commented on the qualifications of Councilwoman Price and himself to fill the office of Vice-Mayor. He concluded by lending his wholehearted support to the nomination of Councilman Morris as Vice-Mayor.

Councilwoman Price moved that the nominations be closed. This motion was seconded by Councilman Brownlee and carried unanimously.

Ralph D. Morris, Jr. was unanimously elected as Vice-Mayor of the City of Asheville.

Complete text of Resolution No. 79-268 will be found in Resolution Book
No. 11 at page 381.

Mayor Trantham adjourned the Organizational Meeting and called for a
five (5) minute recess before opening the regular meeting of December 6, 1979.

Adjournment.

Ray M. Lamm William F. McCall
MAYOR CITY CLERK

RESOLUTION NO. 79-265 - RESOLUTION PRESCRIBING THE TIME AND DAY OF THE WEEKLY MEETING OF THE CITY COUNCIL

6. Consideration was given to a resolution prescribing the time and day of the weekly meeting of the City Council.

The City Manager read the resolution prescribing Thursday at 4:00 o'clock p. m. as the regular meeting time of the Asheville City Council.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, Resolution No. 79-265 was unanimously adopted.

Complete text of Resolution No. 79-265 will be found in Resolution Book No. 11 at page 377.

RESOLUTION NO. 79-266 - RESOLUTION DESIGNATING BANKING DEPOSITORIES FOR CITY FUNDS

7. Consideration was given to a resolution designating banking depositories for city funds.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 79-266 was unanimously adopted.

Complete text of Resolution No. 79-266 will be found in Resolution Book No. 11 at page 378.

RESOLUTION NO. 79-267 - RESOLUTION DESIGNATING THE OFFICERS AND EMPLOYEES WHO SHALL GIVE BONDS SECURING THE FAITHFUL PERFORMANCE OF THEIR DUTIES AND SETTING AMOUNTS THEREOF

8. Consideration was given to a resolution designating the officers and employees who shall give bonds securing the faithful performance of their duties and setting amounts thereof.

The City Manager read the resolution.

Upon motion of Vice-Mayor Morris, seconded by Councilwoman Price, Resolution No. 79-267 was unanimously adopted.

Complete text of Resolution No. 79-267 will be found in Resolution Book No. 11 at page 379.

RESOLUTION NO. 79-268 - RESOLUTION COVERING APPOINTIVE OFFICIALS OF THE CITY OF ASHEVILLE

9. Consideration was given to a resolution covering appointive officials of the City of Asheville to wit: Kenneth M. Michalove, City Manager; William C. Moore, Corporation Counsel; and William F. Wolcott, Jr., City Clerk.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 79-268 was unanimously adopted.

be allowed in any and all residential zoning districts of the City of Asheville. The Commission voted to recommend that "Family Care Homes" as well as "Group Homes for the Developmentally Disabled Adults" be allowed as Conditional Uses in all residential zoning districts and in the Office Institutional District. He said a public hearing was held on the matter on October 18, 1979 and again on November 15, 1979, at which time opposition was received relative to the amendment to include "Group Homes for the Developmentally Disabled Adults." He said no opposition was received relative to the inclusion of "Family Care Homes" as Conditional Uses. It was decided, by Council, that the two issues should be separated for Council action and a public hearing was scheduled to consider the issue on "Family Care Homes." He said at the public hearing discussion was held relative to the standards for the minimum lot size for Family Care Homes. He said Council asked for several alternatives to consider relative to the minimum lot size. He presented the following alternatives:

Alternative #1 - Present Proposal from Planning and Zoning Commission

That the minimum lot size for Family Care Homes be the same as the nonresidential requirements for the district in which they are located.

R-1 - 40,000 sq. ft.	R-4 - 10,000 sq. ft.
R-2 - 40,000 sq. ft.	R-5 - 12,000 sq. ft.
R-3 - 20,000 sq. ft.	O-I - 8,000 sq. ft.

Alternative #2

The minimum site size shall be no less than the minimum lot size for residential use for the specific zoning district, plus an additional 2,500 square feet for each resident housed in the facility.

Example: Location: R-2 Residential District
Size of Facility: 5 residents

$$10,000 + (2,500 \times 5) = 22,500 \text{ sq. ft.}$$

Alternative #3

The minimum site size shall be no less than the minimum lot size for the residential use for the specific zoning district with an additional 2,500 square feet for each resident in excess of one.

Example: Location: R-2 Residential District
Size of Facility: 5 residents

$$10,000 + (2,500 \times 4) = 20,000 \text{ sq. ft.}$$

Mr. Emrick noted that the standards are only guidelines as a conditional use must be approved by the Board of Adjustments. He said the Board could increase the lot size in order to preserve the general neighborhood.

Attorney John Powell, representing Mrs. Mildred Graham, spoke in support of the ordinance. He requested that Council adopt Alternative #2 relative to the minimum lot size.

Ms. Klee Scott Wright of 35 Beaver Valley, said in her opinion, the homes should be on no less than one acre of land. She cited such things as parking, recreation and buffering as a need for the additional land.

Mayor Trantham closed the public hearing at 5:32 p. m.

Thursday - December 6, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, H. C. Wilkes, Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 29, 1979 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the November 29, 1979 meeting were approved as submitted.

PUBLIC HEARING - ANNEXATION OF THE AREA KNOWN AS REGENT PARK

2. A public hearing was held relative to the annexation of the area known as Regent Park.

Mayor Trantham opened the public hearing at 5:05 p. m.

Verl Emrick, Planning Director, presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Emrick said he had received, in writing a letter from Talmage Penland, of Penland and Barden, attorney representing Universal Investment Corporation, owner of property in the Regent Park area, requesting that the public hearing be continued for one week in order to give them an opportunity to be present at the hearing. The owner of the property and their attorney had prior commitments out of town on December 6, 1979 and could not attend the meeting.

Vice-Mayor Morris moved to continue the public hearing relative to the annexation of the area known as Regent Park until December 13, 1979. This motion was seconded by Councilwoman Price and carried unanimously.

PUBLIC HEARING - AMENDING ZONING ORDINANCE TO INCLUDE "FAMILY CARE HOMES" AS CONDITIONAL USES

ORDINANCE NO. 1146 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. A public hearing was held relative to amending the Zoning Ordinance to include "Family Care Homes" as a Conditional Use.

Mayor Trantham opened the public hearing at 5:17 p. m.

Verl Emrick, Planning Director, in explaining the background of the matter, said the Planning and Zoning Commission at its meeting on September 5, 1979 considered the request of Mrs. Mildred Graham by Attorney John Powell that "Family Care Homes"

RESOLUTION NO. 79-270 - RESOLUTION DECLARING DECEMBER 24TH, 25TH AND 26TH, OF 1979, AND JANUARY 1ST, FEBRUARY 18TH, APRIL 7TH, JULY 4TH, SEPTEMBER 1ST, AND NOVEMBER 28TH, 1980 AS FREE PARKING DAYS FOR DOWNTOWN ASHEVILLE

6. Consideration was given to a resolution declaring December 24th, 25th, and 26th, 1979, and January 1st, February 18th, April 7th, July 4th, September 1st, and November 28th, 1980 as Free Parking Days for Downtown Asheville.

The City Manager read the resolution and explained that it has been customary for the City to declare free parking days during certain holidays each year. He said this resolution will provide for no charges for parking in any on-street metered parking space, in any metered or un-metered parking space in a City Parking Lot, or for daily parking in any space in the Downtown Parking Garage from 7:00 A. M. to 6:00 P. M. on the above mentioned days.

Upon motion of Councilwoman Price, seconded by Councilman Brownlee, Resolution No. 79-270 was unanimously adopted.

Complete text of Resolution No. 79-270 will be found in Resolution Book No. 11 at page 383.

RESCHEDULING OF PUBLIC HEARING - AMENDMENTS TO HOUSING CODE.

7. Consideration was given to a motion rescheduling a public hearing for the adoption of an ordinance relating to amendments to Chapter 8, Article II of the Code of Ordinances, known as the Housing Code for January 10, 1980.

The City Manager said the Certificate of Occupancy and Housing Study Committee has recommended changes in the Housing Code and a public hearing was scheduled on this matter for January 3, 1980, however, due to the holiday Council meeting schedule it is necessary to reschedule this hearing for January 10, 1980.

Councilman Cole moved to reschedule the public hearing for the adoption of an ordinance relating to amendments to Chapter 8, Article II of the Code of Ordinances, known as the Housing Code for January 10, 1980. This motion was seconded by Councilwoman Price and carried unanimously.

ANNOUNCEMENT OF COUNCIL MEETINGS - DECEMBER 27, 1979 AND JANUARY 3, 1980 -NO MEETING

8. Vice-Mayor Morris announced that due to the holiday schedule there will be no City Council meetings on December 27, 1979 and January 3, 1980.

RALPH BISHOP - LOTTERY SALES - ASHEVILLE POLICE DEPARTMENT

9. Ralph Bishop spoke to Council relative to the lottery sales in the City of Asheville and the corrupt Asheville Police Department. He requested a verbatim transcript of his statement to Council at this meeting.

Adjournment.

Ralph Bishop
MAYOR

William J. McCullough
CITY CLERK

Verl Emrick read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1146. This motion was seconded by Councilman Cole.

After discussion, Vice-Mayor Morris moved to amend Ordinance No. 1146 to include Alternative #3 relative to the minimum lot size. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1146, as amended, passed on first reading.

RESOLUTION NO. 79-269 - RESOLUTION AUTHORIZING DIRECTOR OF FINANCE TO SELL SURPLUS PROPERTY

4. Consideration was given to a resolution authorizing the Director of Finance to sell surplus property.

The City Manager read the resolution and explained that the City Charter provides that no sale or other disposition of surplus personal property of the City of Asheville having a replacement cost in excess of One Hundred Dollars (\$100.) shall be made by the Director of Finance unless direction be made by the Council by resolution. The Asheville Transit Authority is in possession of two 1970 model Chevrolet automobiles and one Atlas metal lathe which is old, worn out and suitable only for sale as junk. Four bids have been received on each of these pieces of equipment and this resolution will authorize the Director of Finance to sell the equipment to the highest bidder.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, Resolution No. 79-269 was unanimously adopted.

Complete text of Resolution No. 79-269 will be found in Resolution Book No. 11 at page 382.

Mayor Trantham asked to be excused from the meeting at 5:50 p. m., at which time Vice-Mayor Morris presided over the meeting.

APPROVAL OF SIGN PERMIT - FEDERAL SIGN COMPANY - CIVIC CENTER MOTEL SIGN

5. Consideration was given to the approval of a sign permit for Federal Sign Company.

The City Manager said Federal Sign Company has requested approval for construction of a sign to be located at 37 Hiwassee Street for the Civic Center Motel. He said this sign requires the approval of the City Council pursuant to the Zoning Ordinance in that the sign will be situated within 600' of the Asheville Expressway. He said he had received a request from Quality Forward that action on this matter be delayed for one week.

After discussion, Councilwoman Price moved to delay action on the sign permit for Federal Sign Company until December 13, 1979. This motion was seconded by Councilman Cole and carried unanimously.

Mr. John Powell, Attorney for the Buncombe County Family Care Homes, said he concurred in Council's action and offered to assist with the tour.

PUBLIC HEARING - RATE INCREASE FOR THOMS CABLEVISION

ORDINANCE NO. 1147 - AN ORDINANCE AMENDING ORDINANCE GRANTING FRANCHISE TO THOMS BROADCASTING COMPANIES, INC.

3. A public hearing was held relative to a request from Thoms Cablevision for a rate increase.

Mayor Trantham opened the public hearing at 4:45 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Max Cogburn, Attorney for Thoms Cablevision, said in November, 1977, Council granted Thoms Cablevision permission to increase its rates and at the same time Council amended the Franchise Ordinance to provide that "Each 18 months the Grantee may make application for an increase in rates by that amount which would be calculated by taking that percentage of the monthly service charge by which the National Consumer Price Index, as published by the Bureau of Labor Statistics, has increased during the 12-month period immediately preceding the end of said 18-month period, and adding the resulting figure to the prior monthly service charge. Each such rate increase shall be subject to the approval of the City Council of the City of Asheville." He said Thoms Broadcasting is requesting an increase of 11.3% which is the amount quoted in the National Consumer Price Index during the past twelve months.

At the request of Councilwoman Price, Mr. Cogburn explained why he did not stay within the President's Guidelines of Increase of 7%. He said Thoms Cablevision does not get an increase every time the National Consumer Price Index goes up and they can only apply for a rate increase every 18 months and it has been 2 years since Thoms Cablevision requested a rate increase.

Councilman Boland said he felt another method of arriving at a rate increase amount would be better than the National Consumer Price Index because it is such a general measure. He said it should be specified to the specific service delivered.

John Jerosé, of Thoms Cablevision, said they give the best service and coverage in North Carolina and in order to do so their rates must be increased. He showed a map which showed the coverage in the City stating that 89% of the City is now covered and it is anticipated that by the end of 1980 97% or 98% of the City would be covered. He said his company needs to make a fair profit for the money invested.

After discussion, the public hearing was closed at 5:16 p. m.

The City Manager read the ordinance.

Councilman Boland moved for the adoption of Ordinance No. 1147. This motion was seconded by Vice-Mayor Morris.

On a roll call vote of 7-0, Ordinance No. 1147 passed on first reading.

Thursday - December 13, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, H. C. Wilkes, Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman H. C. Wilkes.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the December 6, 1979 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the December 6, 1979 meeting were approved as submitted.

ORDINANCE NO. 1146 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Including Family Care Homes as Conditional Uses in all residential zoning districts and in the Office Institutional District)

2. Consideration was given to the second reading of Ordinance No. 1146, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, including Family Care Homes as Conditional Uses in all residential zoning districts and in the Office Institutional District.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

Mr. Rose, of the Buncombe County Department of Social Services, said he supervises the licensing of Family Care Homes for the North Carolina Department of Human Resources. He answered general questions of members of Council relative to the monthly and annual inspections of the homes, the placement of residents in the homes, and the amounts paid by the residents. He said he did not feel an excessive amount of land was needed for a family care home, no more than normally needed for any residence. He said the home should be in a normal setting rather than an institutional setting.

At the request of Councilwoman Price, Mr. Rose said he would take the Councilmembers on a tour of the homes.

After discussion, Councilwoman Price moved to table action on the second reading of Ordinance No. 1146 until Council has an opportunity to tour the family care homes. This motion was seconded by Councilman Cole and carried unanimously.

Vice-Mayor Morris requested that the Planning Department review an amendment to the ordinance to provide spacing between the homes. He suggested a 1,000 ft. distance between the homes.

John Stevens, Attorney for Appalachian Hall, Inc., described the area by the use of a map. He said they were requesting the rezoning to allow the establishment to become a permitted use in the Office Institutional District instead of a nonconforming use in the R-3 Residential District. He said this would be of benefit if part of the facility was destroyed by fire or long term financing was needed. He requested Council's approval of the request.

After discussion, Mayor Trantham closed the public hearing at 5:40 p. m.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1148. This motion was seconded by Councilman Cole.

On a roll call vote of 7-0, Ordinance No. 1148 passed on first reading.

PUBLIC HEARING - TENNESSEE VALLEY AUTHORITY FLOOD MAPS AND REPORT

RESOLUTION NO. 79-271 - RESOLUTION AUTHORIZING THE PREPARATION OF AN ORDINANCE CONTROLLING DEVELOPMENT WITHIN THE FLOOD PRONE AREAS OF THE CITY OF ASHEVILLE

6. A public hearing was held relative to the Tennessee Valley Authority Flood Maps and Report.

Mayor Trantham opened the public hearing at 5:45 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the National Insurance Association, sponsored through HUD, a flood insurance program which the City must participate in. He said the Tennessee Valley Authority conducted a flood study to determine the boundaries of the floodway area. He said the City is now required to pass an ordinance to set forth regulations for construction in the floodway zone within six months. He said it is mandatory for the City to set forth the regulations for construction. He said serious questions have been raised relative to the accuracy of the maps prepared by TVA. He said specific engineering data would be required to determine the accuracy of the maps. He then read the resolution and said the accuracy of the maps will be addressed during the time the ordinance is being prepared.

Mayor Trantham closed the public hearing at 5:55 p. m.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, Resolution No. 79-271 was unanimously adopted.

Complete text of Resolution No. 79-271 will be found in Resolution Book No. 11 at page 384.

PUBLIC HEARING - GROUP DEVELOPMENT PLAN - DeBALL-GIRMES COMPANY

4. A public hearing was held relative to the site plan of a proposed warehouse addition to the DeBall-Girmes Company located on Charlotte Highway.

Mayor Trantham opened the public hearing at 5:20 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at a meeting held on November 7, 1979, reviewed the site plan of a proposed warehouse addition to the DeBall-Girmes Company located on Charlotte Highway. He said the plan was prepared by Boone: Hunton Associates and submitted in accordance with Article 6, Group Development Section of the Asheville Zoning Ordinance. He said the Commission, after review and discussion, voted unanimously to recommend approval of the site plan to City Council. He said the property owners wish to construct a 30,600 square foot warehouse to their existing facility. There is adequate water and sewer and grade level of land will not be changed to any great extent.

After discussion, Mayor Trantham closed the public hearing at 5:25 p. m.

Councilwoman Price moved for the approval of the site plan of a proposed warehouse addition to the DeBall-Girmes Company located on Charlotte Highway. This motion was seconded by Councilman Cole and carried unanimously.

PUBLIC HEARING - REZONING OF PROPERTY ON CALEDONIA ROAD FOR ASHEVILLE HOLDING COMPANY AND APPALACHIAN HALL, INC.

ORDINANCE NO. 1148 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. A public hearing was held relative to the rezoning of property on Caledonia Road for Asheville Holding Company and Appalachian Hall, Inc.

Mayor Trantham opened the public hearing at 5:26 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at a meeting held on November 7, 1979 considered the request of Attorney John Stevens for Asheville Holding Company and Appalachian Hall, Inc. that Ward 8, Sheet 1, Lots 27 and 34, and Ward 8, Sheet 2, Lot 32, be rezoned from R-3 Residential District to OI Office Institutional District. He said after discussion, the Commission voted to recommend to City Council that the petition be approved with the exception of a small portion (50' x 100') of Lot 27 (which fronts on Swannanoa River Road) and that it remain zoned HI Heavy Industrial District. He said the property owners request the rezoning of their property from R-3 Medium Density Residential District to OI Office Institutional District to allow their establishment to become a permitted use in the OI Office Institutional District instead of a nonconforming use in the R-3 Residential District.

Mr. Clayton Parris, Code Enforcement Officer in the Inspections Division, said he had inspected 12 Stephens Hill Road on numerous occasions, including today, and found the premises to be a sanitary nuisance on each inspection. He answered questions of the Corporation Counsel.

Mr. Eric Emery of the Buncombe County Health Department, also answered questions of the Corporation Counsel. He said the garbage is about 1 and 1/2 foot thick in an area approximately 20 x 30 feet on the premises and scattered garbage is found elsewhere on the property. He said the garbage consists of milk cartons, clothes, food cartons, etc. He said the premises is an eyesore and a nuisance to the neighborhood.

Mayor Trantham said he had received numerous complaints about the condition at 12 Stephens Hill Road. He said he had inspected the premises and found it to be a sanitary nuisance. He said the gentleman who lives there is and always will be uncooperative in cleaning it up.

Corporation Counsel Moore read Section 253 of the City Charter which explained what action Council could take on the matter.

After discussion, Councilwoman Price moved to direct the Corporation Counsel and the Building Inspector to proceed with action to abate the sanitary nuisance at 12 Stephens Hill Road on a continuous basis, after 10 days notice to the owner of 12 Stephens Hill Road. This motion was seconded by Councilman Cole and carried unanimously.

REPORT FROM BUILDING INSPECTOR - 230 MONTFORD AVENUE - ORDINANCE NO. 1129

9. J. E. Johnson, Chief Building Inspector, said he was directed to report the following facts relative to 230 Montford Avenue at this meeting in order for Council to decide whether to rescind Ordinance No. 1129 or to continue with the enforcement of same. He said a payment of \$50.00 on taxes was made in March of 1979 and another \$50.00 in May, 1979. He said there is \$2,051.96 due on back taxes for 230 Montford Avenue. He said no information is available as to whether a valid contract has been made with a contractor to bring the house up to code standards and about three (3) gallons of paint have been put on the columns of the house which is peeling because the columns were not scraped. He said no other improvements have been made to the house.

Joe Morris, Building Inspector, said he has inspected 230 Montford every other day since October 24, 1979 and no work has been done on the house. He said the premises is cluttered and there are no signs of any cleaning up.

Max Cogburn, Attorney for the Mrs. Edith Bryan, owner of 230 Montford Avenue, said Mrs. Bryan has tried to cooperate with the City in cleaning up and repairing her property but has not succeeded. He said he would suggest to Mrs. Bryan that she sell the property if she can not repair it.

Councilman Wilkes was excused from the meeting at 6:45 p. m.

Bob Hipps, spoke on behalf of Mrs. Bryan, and requested that Council give her more time to repair her house.

243

CONTINUATION OF PUBLIC HEARING - ANNEXATION OF AREA KNOWN AS REGENT PARK

7. A public hearing was continued relative to the annexation of the area known as Regent Park.

Verl Emrick, Planning Director, said the hearing was continued from the December 6, 1979 meeting at the request of the property owner.

Talmage Penland, Attorney, representing Universal Investment Corporation, owner of the area proposed to be rezoned, said the timing of the annexation places an extreme burden on the property owner. He said the owner leases property in the area and the leases were negotiated by the fact that the property was subject only to county taxes. He said this area is in the process of being developed. He called the annexation "spot annexing" which he said in his opinion is not in the spirit or letter of the law. He said all the area proposed to be annexed belongs to Universal Investment Corporation and Council is annexing one person's property for tax revenues. He said the annexation should be done at a more appropriate time. He said the annexation in his opinion is discriminatory because it only involves one property owner.

Mr. Penland cited sections of the N. C. G. S. 160A-40A, particularly subsections (c) and (d) and stated in his opinion the area proposed to be annexed does not meet the requirements for annexation and every part of the area must meet all the requirements. He urged Council to take these facts into consideration. He said the area is one lot and has never been subdivided. He said this particular statute provides for the prevention of "spot annexing." He said at a later date his client could petition the City to annex their property and avoid the requirements cited in the statutes. He said the annexation would be detrimental to the property owner at this time.

Upon inquiry of Vice-Mayor Morris, Mr. Penland said he could not, at this time, say that his client would petition the City to annex the property a year from now.

Mr. Emrick suggested that Council continue the public hearing until he and the Corporation Counsel could discuss the legal arguments presented by Mr. Penland.

After discussion, Councilwoman Price moved to continue the public hearing until December 20, 1979. This motion was seconded by Vice-Mayor Morris and carried unanimously.

12 STEPHENS HILL ROAD - DECLARED SANITARY NUISANCE

8. J. E. Johnson, Chief Building Inspector, said his department has found that 32 Stephens Hill Road is a sanitary nuisance. He requested that Council take action pursuant to the City Charter, Section 253, Nuisances. He said certified registered letters were sent to all parties involved that Council would consider action on the matter at this meeting. He said a notice was also placed on the door of 12 Stephens Hill Road.

APPROVAL OF THE CONSENT AGENDA

12. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1108, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 79-273 - Resolution authorizing the Mayor to enter into a contract, on behalf of the City of Asheville, with the Mayhew Corporation to furnish and install doors on the bus storage shed for the Asheville Transit Authority.

HIGHLIGHTS: Bids were received on the above project on November 27, 1979, and Mayhew Corporation was the low bidder in the amount of \$26,200. Funding: UMTA Capital Grant Project No. NC-03-0006; Account Code 65-25-917-0-863-0073. Maintenance Facility Renovation Budgeted \$31,500.

Resolution Book No. 11 Page 386

- B. Resolution No. 79-274 - Resolution authorizing the Mayor to enter into a contract with the North Carolina Department of Transportation in support of Project 80-P-01.

HIGHLIGHTS: The execution of this contract with the North Carolina Department of Transportation will provide fifty percent of the local funds required to support Asheville's Technical Studies Grant project. Total funding from the State amounts to \$2,250. Federal funding for this project, UMTA NC-09-0051, in the amount of \$18,000 has been approved and contract executed.

Resolution Book No. 11 Page 387

- C. Approval of bids received December 3, 1979 for ten (10) vehicles for Police Department.

HIGHLIGHTS: Two (2) responsive bids were received. Recommendation of acceptance of lowest bid price submitted by Apple Tree Chevrolet, Inc. in the amount of \$4,998.12 each. Total bid: \$49,981.20. Funding: Revenue Sharing Trust Fund, Capital Outlay Equipment, Police Vehicles, Account Code 50-460.0074 budgeted \$54,790.00.

- D. Scheduling of a public hearing relative to rezoning property at Patton and Pearl Streets for January 10, 1980.

HIGHLIGHTS: Planning and Zoning Commission at a meeting held December 5, 1979 considered the request of Mr. Harold Talbert that property at the corner of Patton and Pearl Streets be rezoned from CR Commercial

345

After discussion, Councilwoman Price moved to extend the effective date of Ordinance No. 1129 from December 2, 1979 to January 11, 1980 giving the property owner 30 additional days to either sell the property or repair the house, at which time the Building Inspector shall proceed with the enforcement of the ordinance. This motion was seconded by Councilman Boland and carried unanimously.

APPROVAL OF SIGN PERMIT - FEDERAL SIGN COMPANY - CIVIC CENTER MOTEL

10. Consideration was given to the approval of a sign permit for Federal Sign Company for a sign for the Civic Center Motel.

J. E. Johnson, Chief Building Inspector, said Federal Sign Company has requested approval for construction of a sign to be located at 37 Hiwassee Street for the Civic Center Motel. He said pursuant to the Zoning Ordinance, the sign must be approved by Council because it will be situated within 600' of the Asheville Expressway. He said this sign was discussed during the meeting of December 6, 1979 but action was postponed giving Council members an opportunity to look at the location.

After discussion, Vice-Mayor Morris moved to defer action on the sign permit until a representative of Federal Sign Company and/or the property owner is present at the meeting to discuss the permit. This motion was seconded by Councilman Boland and carried unanimously.

The City Clerk was instructed to notify the office of Quality Forward when the matter was placed on the agenda for discussion.

RESOLUTION NO. 79-272 - RESOLUTION TO MAKE THE DOWNTOWN MORE PLEASANT AND INTERESTING PLACE TO VISIT (Supporting Musical groups "Going Baroque" and Hill Street Baptist Church Youth and Young Adult Choir")

11. Consideration was given to a resolution to make the downtown more pleasant and interesting place to visit by supporting a group of musicians called "Going Baroque" and the Hill Street Baptist Church Youth and Young Adult Choir, who will hold a concert in the Federal Arcade Building on December 20, 1979 at 7:30 p. m.

Councilman Boland read the resolution.

Upon motion of Councilman Boland, seconded by Vice-Mayor Morris, Resolution No. 79-272 was unanimously adopted.

Complete text of Resolution No. 79-272 will be found in Resolution Book No. 11 at page 385.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the consent agenda was unanimously approved.

RESOLUTION NO. 79-277 - RESOLUTION DEMANDING THE RELEASE OF AMERICAN DIPLOMATS IN IRAN

13. Consideration was given to a resolution demanding the release of American diplomats in Iran.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 79-277 was unanimously adopted.

Complete text of Resolution No. 79-277 will be found in Resolution Book No. 11 at page 390.

Councilwoman Price requested that a copy of the resolution be sent to the Iran Embassy and the appropriate state representative.

RESOLUTION NO. 79-278 - RESOLUTION DIRECTING THE CITY CLERK TO INVESTIGATE A PETITION RECEIVED UNDER G. S. 160A-31 (Marietta Cobb Apartments Company - Request for Annexation)

14. Consideration was given to a resolution directing the City Clerk to investigate a petition received under G. S. 160A-31 relative to the request for annexation by the Marietta Cobb Apartments Company, property located off Leicester Highway.

Verl Emrick, Planning Director, said Council received a petition from the Marietta Cobb Apartments Company to annex their property into the City Limits. He said the property consists of about 17 acres and presently has a tax value of \$86,410, however an apartment complex is proposed for the area which would increase the tax value.

Mr. Emrick read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 79-278 was unanimously adopted.

Complete text of Resolution No. 79-278 will be found in Resolution Book No. 11 at page 391.

Verl Emrick, Planning Director, said the Planning Department investigated the petition and found the petition to be in order.

The City Clerk then signed the certificate of sufficiency of the petition of Marietta Cobb Apartments Company to be annexed into the City Limits.

Vice-Mayor Morris moved to schedule a public hearing relative to the annexation of the Marietta Cobb Apartments off Leicester Highway for January 17, 1979. This motion was seconded by Councilwoman Price and carried unanimously.

D. (cont'd) Regional District to CS Commercial Service District. After discussing the issues and reviewing a recommendation of denial from the Asheville Revitalization Commission, the Commission voted to recommend that the property be rezoned as petitioned.

E. Resolution No. 79-275 - Resolution authorizing the City Manager to sign a contract for Management Consultant Services with the Management Improvement Corporation of America.

F. Approval of budget amendment amending the Fiscal Year 1979-80 Operating Budget of the City of Asheville.

HIGHLIGHTS: This will authorize the City Manager to enter into an agreement with MICA to perform certain management studies in the City's Public Works and Finance Departments. This money, in the amount of \$28,250, will be deposited for one year with MICA and will be refunded if all services and guaranteed savings are not realized.

Resolution Book No. 11 at page 388.

G. Resolution No. 79-276 - Resolution authorizing the Director of Parks and Recreation to enter into an agreement with the Buncombe County Council on Aging for transportation services for the elderly.

H. Approval of budget amendment amending the Fiscal Year 1979-80 City of Asheville Operating Budget.

HIGHLIGHTS: This agreement with the Buncombe County Council on Aging will provide for transportation services for the elderly on a reimbursement/mileage basis at a rate of 45¢ per mile. The budget amendment will provide funding from the Buncombe County Council on Aging to operate the senior citizen van services. The budget amendment is in the amount of \$4,400.

Resolution Book No. 11 at page 389.

I. Approval of a budget amendment amending the Fiscal Year 1979-80 City of Asheville Operating Budget.

HIGHLIGHTS: This amendment, in the amount of \$2,115, will provide funding for an emergency replacement of the boiler at the Traffic Engineering Sign Shop.

J. Approval of a budget amendment amending the Fiscal Year 1979-80 City of Asheville Operating Budget.

HIGHLIGHTS: This amendment, in the amount of \$156,117, will recognize the City's contribution for Civic Center space contributed to the Art and Mineral Museum and Symphony Rehearsal Hall.

Thursday - December 20, 1979 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr. Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman H. C. Wilkes

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the December 13, 1979 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Brownlee, the minutes of the December 13, 1979 meeting were approved as submitted.

APPEAL OF HELEN ARENDALE - RULING OF CITY OF ASHEVILLE POLICEMEN'S PENSION AND DISABILITY BOARD OF TRUSTEES

2. A hearing was held relative to the appeal of Helen R. Arendale relative to Board of Trustees ruling on benefit claim pursuant to the City of Asheville Policemen's Pension and Disability Fund.

Marvin P. Pope, Jr., attorney for Helen R. Arendale, said Mrs. Arendale, widow of Raymond Arendale, a former employee of the Asheville Police Department was awarded non-line of duty disability benefits at the time of her husband's death in 1974 after Mr. Arendale suffered a heart attack at his home. He said in March, 1979 Mrs. Arendale requested a change of status in benefits to line-of-duty disability benefits contending that the stress of the job brought on her husband's heart attack. He said the Board of Examiners heard Mrs. Arendale's request on several occasions and their final decision was to deny Mrs. Arendale a change in status. He said Mrs. Arendale then appealed to the Board of Trustees and they also denied her request. Therefore, Mrs. Arendale is now appealing the decision of the Board of Trustees to the City Council pursuant to Section 86 of the Charter Appendix - Related Laws.

Mr. Pope said Mr. Arendale had no prior medical problems before his heart attack and worked as a police officer since June, 1951 with no lapse of time in service. He said Mr. Arendale was under a great deal of stress in his job as a detective, working more than the normal 8 hour day. He said he and his client are convinced that the stress of Mr. Arendale's job had a lot to do with bringing on Mr. Arendale's heart attack. He said Mrs. Arendale should therefore, receive line-of-duty benefits.

Mr. Pope said Mrs. Arendale inquired of the Police Chief at the time of her husband's death as to what benefits she would be entitled to receive. He said she was denied access to a copy of the Pension Plan and accepted what the Police Chief said she would receive as correct. In March, 1979 she received a copy of the Pension Plan and found out that she was receiving less than she should receive.

RALPH BISHOP - LOTTERY PEDDLERS - RIGHT TO RECEIVE CITY RECORDS

Ralph Bishop again spoke to Council relative to the lottery sales in Asheville. He quoted several state laws relative to this subject. He also commented and quoted a state law that he had a right, as a citizen, to receive copies of city records and to pay for the copies as prescribed by law. He said Council has not set a fee for the copying of city records and yet he was asked to sign a statement, through Mr. Wolcott's secretary, that he would pay for a transcript of a Council meeting.

Adjournment. (7:40 p. m.)

Walter H. Hartsfield *William D. McCreary*
MAYOR CITY CLERK

CONTINUATION OF PUBLIC HEARING - ANNEXATION OF AREA KNOWN AS REGENT PARK

4. A public hearing was continued relative to the annexation of the area known as Regent Park.

Veryl Emrick, Planning Director, said the public hearing was continued from the December 13, 1979 meeting after attorneys for the property owner presented legal arguments. He said he had met with the Corporation Counsel and Mr. Talmage Penland, the attorney for the property owner, to discuss the legal arguments. He said Mr. Penland now has a proposal relative to the annexation.

Mr. Talmage Penland, attorney for Universal Investment Corporation, read the following letter:

December 20, 1979

Asheville City Council
City Hall
Asheville, North Carolina

RE: Annexation - Regent Park

Dear Council Members:

Since the City Council Meeting on December 13, 1979, at which time the proposed annexation of Regent Park was discussed, the undersigned has discussed the said annexation with City Attorney William C. Moore and Mr. Veryl Emrick with the Planning Board.

While we do not agree on everything, the problems arising from the proposed annexation may have been satisfactorily resolved.

By this letter and through the undersigned Counsel, the owner of Regent Park, Universal Investment Corporation, agrees to petition the City to annex Regent Park at a time on or before September 30, 1980, provided that the City agrees to assess no ad valorem taxes on said property prior to January, 1981. This proposal is made as a good faith offer to resolve any and all disputes and to accomplish the legitimate goals of both the City of Asheville and the property owner.

Respectfully submitted,

PENLAND & BARDEN

/s/ Talmage Penland

Talmage Penland

After discussion, Mayor Trantham closed the public hearing at 4:48 p. m.

Councilwoman Price moved that no action be taken on the annexation of the area known as Regent Park due to the letter received from Talmage Penland, attorney for Universal Investment Corporation, stating that the property owner will petition for annexation of Regent Park before September 30, 1980. This motion was seconded by Councilman Cole and carried unanimously.

Mr. Pope said, based upon his investigation into the Arendale case, he has determined that many other retired policemen, firemen and widows receive line-of-duty benefits for a lot less than an acute heart attack, such as back problems and diabetes. He said Mr. Arendale was eating breakfast, preparing to go to work, on the morning he had his heart attack. He said if it had been one or two hours later there would be no question as to the line-of-duty benefits.

Robert J. Robinson, Attorney for the Board of Trustees for the City of Asheville Policemen's Pension and Disability Fund, said the board gives a full review of each case brought before them. He said Mr. Pope had presented the facts and it is unfortunate that Mr. Arendale was not in a patrol car at the time of his heart attack, because that is the point under the disability provisions; that one must be in the line of duty when it occurs. He said the Board of Examiners made their determination that Mr. Arendale was not in the line of duty when his death occurred. He said as a matter of information, the Pension Plan is outlined and a part of the City Code and is available to the public at large. He said Council should affirm the judgement of the Board of Examiners and the Board of Trustees in this case.

After discussion, Vice-Mayor Morris moved to continue action on the appeal of Mrs. Arendale until January 10, 1980. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1149 - AN ORDINANCE AMENDING ORDINANCE NO. 965 ESTABLISHING A GRIEVANCE PROCEDURE FOR EMPLOYEES OF THE CITY OF ASHEVILLE

3. Consideration was given to an ordinance amending Ordinance No. 965 establishing a grievance procedure for employees of the City of Asheville.

The City Manager read the ordinance explaining that the ordinance will amend Section 3(d) of the Grievance procedure by: 1) Generally cleaning up the language of the section; 2) Requiring that the appointing authority's decision on the grievance be placed in writing; and 3) Requiring that the employee submit a request in writing to the City Clerk's Office to have his grievance heard on appeal by the City Manager.

Councilwoman Price moved for the adoption of Ordinance No. 1149. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1149 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1149. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1149 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1149. This motion was seconded by Vice-Mayor Morris and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1149 passed on third and final reading.

Complete text of Ordinance No. 1149 will be found in Ordinance Book No.

3.14

RESOLUTION NO. 79-279 - RESOLUTION APPROVING AND AMENDING THE CITY OF ASHEVILLE
COMMUNITY DEVELOPMENT INCENTIVE HOUSING PROGRAM

7. Consideration was given to a resolution approving and amending the City of Asheville Community Development Incentive Housing Program.

The City Manager read the resolution explaining that the amendment is to encourage the development of owner/occupied single family residential structures in the East Riverside Urban Renewal Area. He said this will enable individuals to take advantage of the Housing Incentive Program when they purchase a newly constructed dwelling from a developer.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 79-279 was unanimously adopted.

Complete text of Resolution No. 79-279 will be found in Resolution Book No. 11 at page 391.

APPROVAL OF THE SALE OF DISPOSAL PARCELS IN THE EAST RIVERSIDE RENEWAL PROJECT -
DISPOSAL PARCELS 9, 15, 19, 21, 166 and 175

8. Consideration was given to the approval of the sale of Disposal Parcels in the East Riverside Renewal Project.

The City Manager said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project:

PARCEL	REUSE	PRICE	BID	REDEVELOPER
9	Residential	2,800	3,451	Huntley Construction Company
15	Residential	3,000	3,350	Huntley Construction Company
19	Residential	2,300	2,301	James H. Murphy, et al
21	Residential	2,350	2,551	W. D. Metcalf Building Company
166	Residential	2,000	2,400	Huntley Construction Company
175	Residential	3,000	3,000	Albert E. Wooten, et ux

Councilman Cole moved for the approval of the sale of disposal parcels 9, 15, 19, 21, 166 and 175 in the East Riverside Renewal Project as tentatively accepted by the Housing Authority. This motion was seconded by Councilwoman Price and carried unanimously.

APPROVAL OF SIGN PERMIT - J. M. SIGN COMPANY - 29 MONTFORD AVENUE

9. Consideration was given to the approval of a sign permit for J. M. Sign Company for a sign to be located at 29 Montford Avenue.

J. E. Johnson, Chief Building Inspector, said J. M. Sign Company has requested a sign permit for a wall sign to be located at 29 Montford Avenue to advertise Country Estates Realty. He said this sign will be situated closer than 600' of an expressway which requires the approval of Council pursuant to the Zoning Ordinance.

John Myers, of J. M. Sign Company, said the sign meets all specifications of the Zoning Ordinance and requested approval of the permit.

ORDINANCE NO. 1147 - AN ORDINANCE AMENDING ORDINANCE GRANTING FRANCHISE TO THOMS BROADCASTING COMPANIES, INC.

5. Consideration was given to the second reading of Ordinance No. 1147, an ordinance amending ordinance granting franchise to Thoms Broadcasting Companies, Inc.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

Mr. John Jerosé of Thoms Broadcasting Companies, Inc., answered questions of members of Council relative to complaints in service, particularly in the Beaverdam area with bad reception.

Councilman Boland said he felt Thoms Broadcasting should present Council with a financial statement at some later date.

On a roll call vote of 6-0, Ordinance No. 1147 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1147.

On a roll call vote of 6-0, Ordinance No. 1147 passed on third and final reading.

Complete text of Ordinance No. 1147 will be found in Ordinance Book No. 9 at page 82.

ORDINANCE NO. 1148 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property on Caledonia Road for Appalachian Hall, Inc.)

6. Consideration was given to the second reading of Ordinance No. 1148, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property on Caledonia Road for Appalachian Hall, Inc. from R-3 Residential District to OI Office Institutional District.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1148 passed on second reading.

Councilman Cole moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1148. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1148 passed on third and final reading.

Complete text of Ordinance No. 1148 will be found in Ordinance Book No. 9 at page 84.

RESOLUTION NO. 79-281 - RESOLUTION APPOINTING A MEMBER TO THE ASHEVILLE TRANSIT AUTHORITY (Mr. Richard V. Gallagher)

12. Consideration was given to a resolution appointing a member to the Asheville Transit Authority.

The City Manager read the resolution appointing Mr. Richard V. Gallagher to the Asheville Transit Authority.

Upon motion of Councilman Boland, seconded by Councilman Brownlee, Resolution No. 79-281 was unanimously adopted.

Complete text of Resolution No. 79-281 will be found in Resolution Book No. 11 at page 393.

RESOLUTION NO. 79-282 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION RELATIVE TO PROJECT 8.7384002 (W-18) AND 8.7384003 (W-10) (Intersection improvements on U. S. 70-74)

13. Consideration was given to a resolution authorizing the Mayor to enter into a Municipal Agreement with the North Carolina Board of Transportation relative to Project 8.7384002 (W-18) and 8.7384003 (W-10) for intersection improvements on U. S. 70-74 (Tunnel Road).

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Boland, Resolution No. 79-282 was unanimously adopted.

Complete text of Resolution No. 79-282 will be found in Resolution Book No. 11 at page 394.

APPOINTMENTS TO BOARDS AND COMMISSIONS - DISCUSSION AND COMMENTS

14. Vice-Mayor Morris said he feels there is a need for an inventory of qualified individuals who would be willing to serve on various boards and commissions. He requested that a method be developed on obtaining such an inventory.

Councilman Boland suggested a polling of relevant organizations requesting their leadership in obtaining recommendations to the boards and commissions.

RESOLUTION NO. 79-283 - RESOLUTION OF APPRECIATION TO LUTHER B. THIGPEN

15. Consideration was given to a resolution of appreciation to Luther B. Thigpen, executive editor of the Asheville Citizen and Times, who is leaving Asheville to assume the position of publisher of the Leaf-Chronicle in Clarksville, Tennessee.

The City Manager read the resolution.

Upon motion of Vice-Mayor Morris, seconded by Councilman Cole, Resolution No. 79-283 was unanimously adopted.

Complete text of Resolution No. 79-283 will be found in Resolution Book No. 11 at page 395.

955

Councilman Cole moved for the approval of the sign permit for J. M. Sign Company for a sign to be located at 29 Montford Avenue. This motion was seconded by Councilwoman Price and carried unanimously.

APPROVAL OF SIGN PERMIT - FEDERAL SIGN COMPANY - CIVIC CENTER MOTEL - 37 HIAWASSEE STREET

10. Consideration was given to the approval of a sign permit for Federal Sign Company for a sign at the Civic Center Motel at 37 Hiawassee Street.

J. E. Johnson, Chief Building Inspector, said Federal Sign Company has requested approval for construction of a sign to be located at 37 Hiawassee Street for the Civic Center Motel. He said pursuant to the Zoning Ordinance, this sign requires the approval of Council because it is situated within 600' of the Asheville Expressway. He said this matter was continued from the December 6th and 13th, 1979 meeting.

Alfred Adams, representing the new management of the Civic Center Motel, said a complete renovation is planned for the motel. He requested approval of the sign permit which is for a principal use sign. He said the sign meets all specifications of the Zoning Ordinance.

Mr. George Perry, proposed purchaser of the motel, addressed Council requesting approval of the sign permit. He said the approval of the sign permit is contingent upon the sale of the motel. He answered questions from members of Council relative to the proposed plans of the motel. He presented photographs of the proposed sign.

Discussion was held relative to the rates being included on the face of the sign and Councilwoman Price moved to approve the sign permit with the provision that the rates be excluded from the face of the sign. However, after receiving advice from the Corporation Counsel, Councilwoman Price withdrew her motion.

After discussion, Councilman Cole moved for the approval of the sign permit for Federal Sign Company for a sign at the Civic Center Motel at 37 Hiawassee Street. This motion was seconded by Councilman Brownlee and carried on a voice vote of 4-2 with Vice-Mayor Morris and Councilman Boland voting "no."

Councilwoman Price was excused from the meeting at 6:00 p. m.

Mayor Trantham called for a ten (10) minute recess of the Council meeting.

RESOLUTION NO. 79-280 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE REGIONAL AIRPORT AUTHORITY (Harold C. Enloe, William F. Wolcott, Jr., and Richard L. Haber)

11. Consideration was given to a resolution appointing members to the Asheville Regional Airport Authority.

The City Manager read the resolution appointing Mr. Harold C. Enloe, Mr. William F. Wolcott, Jr. and Richard L. Haber as members to the Asheville Regional Airport Authority.

Upon motion of Councilman Cole, seconded by Councilman Boland, Resolution No. 79-280 was unanimously adopted.

Complete text of Resolution No. 79-280 will be found in Resolution Book No. 11 at page 392.

On September 26, 1979, I announced the application and selection process for the position of Chief of Police of the Asheville Police Department. Since the position of Chief of Police carries with it the responsibility of carrying out one of the most basic functions of this government, and the leadership of that department does much to affect the attitudes and views that the citizens of Asheville and the entire country have about the City administration, I established an intricate selection process. As announced at that time, I mentioned that I would accept applications from individuals, both from within and outside the department.

The selection process was designed to reduce a large number of candidates to a small group of finalists. To perform the major evaluation of the candidates, I chose an Assessment Committee to work along with me. For the Committee, I chose a small group of professionals to provide me with the essential professional analysis of the candidates without bias as to whether the candidates were currently employed in the department.

Mayor Trantham requested that the resolution be published in the Asheville Citizen-Times newspaper.

RESOLUTION NO. 79-284 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE LIBRARY BOARD
(Mr. Richard P. Chiles)

16. Consideration was given to a resolution appointing member to the Asheville Library Board.

The City Manager read the resolution appointing Mr. Richard P. Chiles to the Asheville Library Board.

Upon motion of Councilman Cole, seconded by Vice-Mayor Morris, Resolution No. 79-284 was unanimously adopted.

Complete text of Resolution No. 79-284 will be found in Resolution Book No. 11 at page 396.

CLAIMS - HERSEL L. COGBURN - DONALD E. DEVERS - MARGARET JEAN TAYLOR - ELWOOD B. MILES -
CHRIS MATTHEWS - LEE ROGER YOUNG, JR. - RONALD MERRILL - RANDALL EARL BRIDGES

17. The City Manager presented claims for damages received from Mr. Hershel L. Cogburn, Mr. Donald E. Devers, Ms. Margaret Jean Taylor, Elwood B. Miles, Chris Matthews, Lee Roger Young, Jr., Ronald Merrill and Randall Earl Bridges.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

LETTER FROM ATTORNEY JOHN E. SHACKELFORD RE: LAW SUIT TO BE FILED- MARVIN LEWIS BREWER
AND WENDELL CHARLES BLAIR

18. The City Manager presented a letter from Attorney John E. Shackelford relative to a proposed law suit by Marvin Lewis Brewer and Wendell Charles Blair.

Mayor Trantham referred the letter to the Corporation Counsel for investigation and recommendation.

ANNOUNCEMENT OF CHIEF OF POLICE - FRED W. L. HENSLEY

19. The City Manager announced the appointment of Mr. Fred W. L. Hensley as the Chief of Police for the City of Asheville.

The City Manager requested that the following press release be made a part of the minutes:

PRESS RELEASE

FOR IMMEDIATE RELEASE - 3:30 P.M.

December 20, 1979

By: Ken Michalove, City Manager

Released To: Asheville City Council Members
 Asheville Police Department Personnel
 Civil Service Board Members
 Employee Services Department
 Members of the Assessment Committee
 News Media Representatives

Subject: Selection of the Chief of Police for Asheville,
 North Carolina

PRESS RELEASE
Thursday, December 20, 1979
3:30 P.M.

discussion with my family....did I decide to apply."

"My service as Assistant Chief, supplemented by more than 20 years of service in all areas of the department activities has placed me in the position of being acutely aware of the department's current situation. The strengths and weaknesses of the department and its members, the programs that the department currently has under way, and plans for the future are all known to me. The attitude of the community and its preception of 'proper' law enforcement priorities are also known to me. I am on excellent working terms with other department heads in the City and with heads in other area (local, state, and federal) law enforcement agencies."

"I feel I can 'pick up the ball and run with it' from where I am now without having to stop to learn the 'game'. I know where we are, where we need to go, and also what you expect from the Police Department and the Chief." And, most important to me as City Manager, Fred said "we have a capable team in the Police Department that has been developed to provide the range of skills necessary to efficiently carry out the business of the Police Department. This team has worked well together for the past two years and can continue to work well in the future with no loss in the momentum or effectiveness."

Finally, it is a personal pleasure to make this promotion from within the department ranks and to know that the education and experience offered within the department offers the opportunity for our personnel to compete in open competition with candidates from other departments.

PRESS RELEASE
Thursday, December 20, 1979
3:30 P.M.

The members of the Assessment Committee were recognized professionals in law enforcement and community relations. They were Mr. Ronald McElrath, Director of Community Relations for the City of Clearwater, Florida; Mr. Ronald Lynch, Faculty Member of the Institute of Government, University of North Carolina at Chapel Hill - principal field of activity - Police Administration, Criminal Law and Procedure, and Public Administration; and Mr. Thomas Surrett, Retired Chief of Police, Winston Salem, North Carolina. To these men, I owe a debt of gratitude for their personal volunteer time, and we owe the institutions they work for a debt of gratitude for permitting them to perform this task.

The interviews were set up in three-hour segments over the weekend of December 7, 8, and 9. I sat in on all of the interviews, but did not take part in the questioning. On Sunday afternoon, December 9, 1979, the Committee gave me four (4) names for consideration.

I have held lengthy interviews with two of the four that I felt to be the top candidates and today I am naming Fred Hensley as Chief of Police.

Fred is currently the Acting Chief and before this was Assistant Chief of Police - Commander - Operations Bureau.

Perhaps, my best reasons for selecting Fred as Chief are best said in his own words.

"The decision to apply for this job was one carefully made; only after a great deal of personal reflection....and

SADIE SPRINKLE - 330 BARNARD AVENUE - COMPLAINTS

Ms. Sadie Sprinkle of 330 Barnard Avenue addressed Council complaining about speeding on main roads such as Merrimon Avenue, Biltmore Avenue, and Patton Avenue. She also said she feels there is not enough personnel in the Sheriff's Department or Police Department on weekends when crimes are more dominant.

Mayor Trantham advised Ms. Sprinkle that twenty (20) additional police officers will be added to the force the beginning of January and it is hoped that the additional manpower will help alleviate some of these problems.

Ms. Sprinkle also complained about a drainage problem in her neighborhood which causes misquitos.

Ms. Sprinkle complained that there is no bus service for Aston Park Towers except to take the residents home from downtown.

The City Manager advised Ms. Sprinkle that the buses do run both ways but the schedule had been curtailed due to the budget. He said he would check with the Asheville Transit Authority relative to the schedule for Aston Park Towers and let her know.

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop again spoke to Council about the lottery sales in Asheville citing several state laws relative to same.

Adjournment. (6:30 p. m.)

William Trantham MAYOR William J. Holcott CITY CLERK

PRESS RELEASE
Thursday, December 20, 1979
3:30 P.M.

- Member of the International Association of Chief of Police, as well as other professional associations.
- Member of the West Asheville Lions Club
- Commendations from the F.B.I. and U. S. Secret Service

Fred and his wife Ruth have six children.

KMH
12/20/79

Mayor Trantham expressed concerns about the provision that inspectors shall have the right to enter on any premises within the jurisdiction of the Division at all reasonable hours for the purposes of inspection or other enforcement action, upon presentation of proper credentials.

Mayor Trantham closed the public hearing at 4:30 p. m.

The City Manager read the ordinance.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1150. This motion was seconded by Councilman Cole.

On a roll call vote of 4-2, Ordinance No. 1150 passed on first reading, with Vice-Mayor Morris, Councilmen Boland, Cole and Brownlee voting "aye" and Mayor Trantham and Councilman Wilkes voting "no."

PUBLIC HEARING - REZONING OF PROPERTY AT PATTON AND PEARL STREETS - HAROLD TALBERT FOR GREYHOUND BUS COMPANY

3. A public hearing was held relative to rezoning property at Patton and Pearl Street from CR Commercial Regional District to CS Commercial Service District.

Mayor Trantham opened the public hearing at 4:35 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at a meeting held December 5, 1979 considered the request of Mr. Harold Talbert that property at the corner of Patton and Pearl Streets be rezoned from CR Commercial Regional District to CS Commercial Service District. He said after discussing the issues and reviewing a recommendation of denial from the Asheville Revitalization Commission, the Commission voted to recommend that the property be rezoned as petitioned. Mr. Emrick read the following letters from the Asheville Revitalization Commission concerning the requested rezoning:

"MEMORANDUM TO: William Frue, Chairman, Planning and Zoning Commission
FROM: James Daniels, Chairman, Asheville Revitalization Commission
RE: ARC recommendation on Henry Harris Estate property rezoning request
DATE: December 4, 1979

The Asheville Revitalization Commission was polled by telephone on the matter of the requested rezoning of the lot at the corner of Patton Avenue and Pearl Street from CR Commercial Regional to CS Commercial Service.

The majority of the Commission has voted to recommend that you deny that petition. We feel it far more useful to leave a contiguous land mass as intact as possible in the Commercial Regional zone.

We further point out that the Revitalization Plan holds this area as a development area for a high technology center and the proposed use does not meet that criteria.

The telephone poll was taken so as not to further detain our recommendation because of the times that our meetings fall."

203

Thursday - January 10, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilmen Walter R. Boland, F. Jack Cole, H. C. Wilkes, Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman Norma T. Price

INVOCATION

The invocation was given by Councilman Walter R. Boland.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the December 20, 1979 meeting.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, the minutes of the December 20, 1979 meeting were approved as submitted.

PUBLIC HEARING - AMENDMENTS TO HOUSING CODE

ORDINANCE NO. 1150 - AN ORDINANCE REPEALING SECTIONS 8-13 THROUGH 8-41 OF CHAPTER 8, ARTICLE II, OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE, KNOWN AS THE HOUSING CODE, AND ADOPTING A NEW HOUSING CODE FOR THE CITY OF ASHEVILLE

2. A public hearing was held relative to the adoption of an ordinance relating to amendments of Chapter 8, Article 11 of the Code of Ordinances, known as the Housing Code.

Mayor Trantham opened the public hearing at 4:05 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Former Councilman Gene Rainey, Chairman of the Certificate of Occupancy and Housing Study Committee, appointed by the Mayor in September, 1979, presented a revised Housing Code for Council's consideration. He said the Committee was established as a result of complaints of uneven inspections and other matters having to do with the enforcement of the Certificate of Occupancy. He said the revised code has been streamlined from the original code adopted in 1968. He highlighted the outstanding changes in the Code and recommended its adoption by Council. He answered questions from members of Council relative to the code, particularly relating to the protection of the homeowners, identification of inspectors, provisions to protect a buyer, and the difficulty of renovating older homes under the new code.

Upon inquiry of Mayor Trantham, J. E. Johnaon, Chief Building Inspector, said individuals would be notified of needed repairs as well as the lending institutions. He said a Certificate of Occupancy would be required before the house could be listed for sale.

APPEAL OF HELEN R. ARENDALE - BOARD OF TRUSTEES RULING ON A BENEFIT CLAIM

4. Consideration was given to a motion relative to the appeal of Helen R. Arendale relative to the Board of Trustees ruling on a benefit claim pursuant to the City of Asheville Policemen's Pension and Disability Fund.

Corporation Counsel Moore advised Council that Mrs. Arendale has requested that action on the matter be postponed until January 17, 1980.

Vice-Mayor Morris moved to continue action on the appeal of Helen R. Arendale until January 17, 1980. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 80-1 - RESOLUTION ACCEPTING CONVEYANCE OF CERTAIN WATER LINES LOCATED IN AVERY'S CREEK SANITARY DISTRICT

5. Consideration was given to a resolution accepting conveyance of certain water lines located in Avery's Creek Sanitary District.

The City Manager read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Wilkes, Resolution No. 80-1 was unanimously adopted.

Complete text of Resolution No. 80-1 will be found in Resolution Book No. 12 at page 1.

APPROVAL OF THE SALE OF DISPOSAL PARCELS 57A AND 57B - EAST RIVERSIDE RENEWAL PROJECT

6. Consideration was given to the approval of the sale of Disposal Parcels 57A and 57B of the East Riverside Renewal Project.

The City Manager said the Housing Authority has requested that this matter be postponed until January 17, 1980.

Councilman Cole moved to postpone action on the approval of the sale of Disposal Parcels 57A and 57B in the East Riverside Renewal Project until January 17, 1980. This motion was seconded by Councilman Boland and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

7. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

MEMORANDUM TO: Verl Emrick, Planning Director, City of Asheville

FROM: Chris Gunter, ARC Staff

RE: ARC recommendation on Henry Harris Estate property rezoning

DATE: December 6, 1979

At our December 5th meeting the Asheville Revitalization Commission voted to ratify the results of the telephone poll (see Memo dated December 4, 1979) on the matter of the requested rezoning of the lot at the corner of Patton Avenue and Pearl Street from CR Commercial Regional to CS Commercial Service.

The majority of the Commission voted to recommend that Planning and Zoning deny the petition as it is felt that it would be far more useful to leave a contiguous land mass as intact as possible in the Commercial Regional zone. Also, the Revitalization Plan holds this area as a development area for a high technology center and the proposed use does not meet that criteria.

Robin Daniel made the motion to formalize this recommendation, Jim Hunter seconded, and the vote was unanimous among the Commission members present."

By the use of a map, Mr. Emrick reviewed the location of the property requested to be rezoned.

Harold Talbert said he has worked with the Greyhound Bus Company for two years to find a suitable site for a new bus terminal. He said the building would be versatile to accommodate the Revitalization Plan in future years. He said the plans of the Revitalization Commission are extremely long range and the bus terminal is needed now as it is difficult for two bus companies to operate in the same building.

David R. Hilliard, attorney for Greyhound Bus Company, reiterated comments made by Mr. Talbert and urged Council to approve the petition for rezoning. He said it was his opinion that the Revitalization Plan that was adopted included the opposite side of Patton Avenue than the proposed bus terminal. He said the proposed building would increase the tax revenue by approximately \$1,700.

Mr. Hilliard and Mr. Talbert reviewed the proposed architecture of the building.

It was the consensus of Council that Council should hear comments from the Asheville Revitalization Commission relative to the rezoning.

After discussion, Councilman Cole moved to continue the public hearing until January 17, 1980 giving the Asheville Revitalization Commission an opportunity to voice their comments to Council relative to the rezoning. This motion was seconded by Councilman Wilkes and carried unanimously.

- D. Resolution No. 80-3 - Resolution authorizing the Mayor to execute an easement with Thomas D. and Jane L. Heath concerning the construction of a water line known as the Rosscraggon-Appian Way Project.

HIGHLIGHTS: The right-of-way agreement is for the purpose of constructing a water line on Rosscraggon Road - Appian Way. Because this water line will encroach on the property belonging to Thomas D. and Jane L. Heath, this agreement is necessary.

Resolution Book No. 12 Page 3

- E. Resolution No. 80-4 - Resolution authorizing the Mayor to execute an easement with the North Carolina Department of Agriculture concerning construction, operating and maintaining a water line.

HIGHLIGHTS: This easement with the North Carolina Department of Agriculture is for the construction of a water line belonging to Western Carolina Farmer's Market. Because these water lines will encroach on their property, this agreement is necessary.

Resolution Book No. 12 Page 4

- F. Resolution No. 80-5 - Resolution authorizing the Mayor to enter into an agreement with Froehling and Robertson for Materials Engineering and Related Construction Inspection and Materials Testing Services.

HIGHLIGHTS: This agreement will provide for an evaluation of asphalt cores relating to repair work done by the City Street Division and utility companies working within the City Limits. The tests will be made at the following locations: 1) Chestnut Street between Merrimon Avenue and Charlotte Street; 2) Broadway between Chestnut Street and Weaver Boulevard; 3) Woodfin Street between Central and the First Baptist Church; 4) Reed Street between Brook Street and Lula Street; 5) Clinton Avenue; and 6) Lane Avenue.

Resolution Book No. 12 Page 5

- G. Approval of bids received January 3, 1980 for a two-year contract, Rental Uniform Service for various Departments/Divisions of the City of Asheville.

HIGHLIGHTS: Three (3) bids were received. Recommendation of acceptance of low bid submitted by National Linen and Uniform Service- Unit Price - \$2.97 - Total Estimated Quantity - \$90,590.94 Funding: General Operating Funds of individual departments.

Upon motion of Councilman Boland, seconded by Councilman Wilkes, the consent agenda was unanimously approved.

- A. Scheduling of a public hearing relative to rezoning property at the corner of Haywood Road and Cloyes Street for February 7, 1980.

HIGHLIGHTS: In September, 1978, Mr. B. C. Morton requested rezoning of property on Haywood Road and Cloyes Street from R-3 Residential District and CH Commercial Highway District to CS Commercial Service District. After the public hearing on the issue Council tabled the matter indefinitely giving Mr. Morton and the neighborhood an opportunity to resolve their differences. Mr. Morton in October, 1979 requested that the matter be considered again by Council. Council then referred the matter back to Planning and Zoning Commission because it had been longer than one year since Council discussed the issue. At the December 5, 1979 meeting of the Planning and Zoning Commission, the Commission voted to reaffirm its previous recommendation that a portion of the property be rezoned and a ~~portion~~ remain zoned R-3 Residential District. Mr. Morton has appealed the decision of the Planning and Zoning Commission and has requested that a public hearing be held on the matter.

- B. Resolution No. 80-2 - Resolution authorizing the Director of Finance to sell surplus property.

HIGHLIGHTS: The Water Maintenance and Construction Division of the Water Department have identified several tons of scrap material, including broken fire hydrants, broken pieces of cast iron pipe, broken and obsolete valves, and broken and corroded pipe fittings and has requested authority to dispose of these materials. Article V, Section 32 (d) of the City Charter provides that no sale or other disposition of surplus personal property of the City of Asheville having a replacement cost in excess of \$100 shall be made by the Director of Finance unless direction be made by the Council by resolution.

Resolution Book No. 12 Page 2

- C. Approval of a budget amendment amending the City of Asheville Community Development Fund Budget.

HIGHLIGHTS: HUD has approved the Eagle-Market Street Neighborhood and Economic Development Project and this amendment in the amount of \$388,823, will appropriate said funds in the Community Development Fund Budget.

HERMAN P. MEDLER - COMMENTS RELATIVE TO MALL PROPOSED FOR WEST ASHEVILLE

Mr. Herman P. Medler said he was disappointed with the newsmedia coverage in that the newspaper has said that the proposed Mall for West Asheville is practically a certain. He spoke against the proposed Mall.

Mayor Trantham informed Mr. Medler that Council has only adopted an ordinance to rezone the property on two readings and the third reading will be held after Council receives a report from the Transportation Advisory Committee relative to the increased traffic in the area and the proposed solutions.

RALPH BISHOP - REDRESS OF COUNCIL

Mr. Ralph Bishop, again spoke to Council about his legal right to seek redress from the Council. He cited several General Statutes giving him the authority to seek redress from the Council.

Adjournment.

Ray M. Trantham
MAYOR

Wanda S. Halcott
CITY CLERK

Mr. Steve Leonard, an adjacent property owner, asked several questions relative to the proposed plans of the developer.

Mr. Emrick advised Mr. Leonard that the developer has not presented any proposed plans at the present time. He said any development would be required to go through the group development review.

Vice-Mayor Morris closed the public hearing at 4:15 p. m.

Verl Emrick, Planning Director, read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1151. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1151 passed on first reading.

CONTINUATION OF PUBLIC HEARING - REZONING PROPERTY AT CORNER OF PATTON AND PEARL STREETS

ORDINANCE NO. 1152 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. A public hearing was continued relative to rezoning property at the corner of Patton and Pearl Streets.

Vice-Mayor Morris noted that this public hearing was continued from the January 10, 1980 meeting in order to receive comments from the Asheville Revitalization Commission relative to the rezoning.

Jim Hunter, Vice-Chairman of the Asheville Revitalization Commission, said the proposed use of the property at the corner of Patton and Pearl Streets, for a Greyhound bus terminal, is not in conjunction with the Revitalization Plan adopted by Council. He said the Commission has asked that the bus terminal not be built on the Patton-Pearl property because it hopes eventually to have a large-scale mass transit facility elsewhere in the City sometime in the future, and because it has hopes for a high technology complex on and around the proposed site.

Councilwoman Price commented that in her opinion Council should support the Revitalization Plan if the Commission is to carry out their plans.

Mr. David R. Hillier, attorney for the Greyhound Bus Company, spoke in support of the rezoning. He said the Asheville Revitalization Commission should be flexible in the plans. He said the Revitalization Plan is for long range plans and not the present. He said the property would be developed by a private developer, Mr. Harold Talbert, and leased to the Greyhound Bus Terminal. He said there was no opposition expressed at the public hearing before the Planning and Zoning Commission and the Planning and Zoning Commission has recommended that the property be rezoned as petitioned. He presented photographs of the current condition of the property in question and the blueprints of the proposed building.

Mr. Harold Talbert, developer, said the proposed facility would be versatile and that it could be used in the future as part of such a high technology complex and that he would free Greyhound from a lease if it chose to join a mass transit facility.

Thursday - January 17, 1980 - 4:00 p. m.

Regular Meeting

Present: Vice-Mayor Ralph D. Morris, Jr., Presiding; Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, H. C. Wilkes and Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham - Mayor Trantham was in Washington attending an ARC meeting for the Land-of-Sky Regional Council.

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 10, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, the minutes of the January 10, 1980 meeting were approved as submitted.

BOXING AND WRESTLING COMMISSION - CHECK PRESENTED FOR TAX ON GROSS RECEIPTS

2. Mr. C. L. Moore and Mr. Tommy Saunooke of the Boxing and Wrestling Commission presented Council with a check in the amount of \$8,000 as a result of the 5% tax on gross receipts of the Wrestling matches at the Civic Center.

PUBLIC HEARING - ANNEXATION OF THE MARIETTA COBB APARTMENTS COMPANY PROPERTY ON LEICESTER HIGHWAY

ORDINANCE NO. 1151 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA

3. A public hearing was held relative to the annexation of the property owned by the Marietta Cobb Apartments Company off Leicester Highway.

Vice-Mayor Morris opened the public hearing at 4:08 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Ermick, Planning Director, said the Marietta Cobb Apartments Company petitioned the City to annex their property located off Leicester Highway. He said Council adopted a resolution directing the City Clerk to investigate the sufficiency of the petition and the City Clerk has certified to Council that the petition is in order and complies with the statutory requirements. He said the tract petitioned to be annexed contains 17.28 acres and is presently zoned R-3 Residential District. He said the current assessed valuation is \$86,410 which would have a tax revenue value of \$838.11. However, if improvements are constructed, as indicated, additional revenues would be available. He said access to the property would be by cross easements through the Meadow Development. He said at present there is a 10 inch water line on N.C. 63 and 6 inch lines servicing the Meadows development which may be available to this property. He said any improvements constituting an extension of the lines would be borne by the developer assuming services could be provided to the site.

Councilwoman Price said she supported the purpose of the center but could not support the selling of a prime piece of property to a non-profit-non-taxable organization since Council recently received authority to reject bids from such organizations based on the fact that the City will lose substantial tax revenues if the land is sold to non-taxable groups.

Dr. Max Mauney, President of the Mountain Area Health Education Foundation, spoke in support of the sale. He said the facility would not be paid for by taxpayers money. He asked Council not to consider this organization as a test case for the authority recently received but to forgo \$5,000 to \$7,000 in ad valorem taxes for the purpose of training new physicians and retraining the ones already in Asheville. He said the center has created jobs for the City residents equivalent to a small industry. He said the organization is in desperate need of the parcels in order to get on the principal city bus route. He said the present location creates tremendous problems to the aged and handicapped and there is not enough parking and not sufficient access. He said the new facility will contain 10,700 square feet at an estimated cost of \$600,000.

Dr. Mauney cited several statistics showing the need for such a facility.

After discussion, Councilman Cole moved to approve the sale of Disposal Parcel 57A and 57B of the East Riverside Renewal Project to the Mountain Area Health Education Foundation as tentatively accepted by the Housing Authority. This motion was seconded by Councilman Boland and carried on a voice vote of 5-1, with Councilwoman Price voting "no."

PUBLIC HEARING - MORATORIUM ON ISSUANCE OF ZONING PERMITS - BEAVERDAM VALLEY

ORDINANCE NO. 1153 - AN ORDINANCE IMPOSING A LIMITED MORATORIUM ON DEVELOPMENT IN THE BEAVERDAM VALLEY AREA

6. A public hearing was held relative to the adoption of an ordinance imposing a moratorium on the issuance of zoning permits in the Beaverdam Valley.

Vice-Mayor Morris opened the public hearing at 5:40 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Emrick, in reviewing the background of this issue, said at the November 29, 1979 meeting of the City Council a motion was made to table action on an ordinance to rezone the Beaverdam Valley Area to R-1 Single Family Residential until January 17, 1980 giving the City staff an opportunity to obtain additional information on the water and sewer conditions in the Beaverdam Valley. He said at the same meeting a motion was also made scheduling a public hearing, for January 17, 1980, concerning the adoption of an ordinance imposing a moratorium on the issuance of zoning permits in the Beaverdam Valley area, as an alternative to rezoning, until the Beaverdam Planning Council has an opportunity to come up with their own Land Use Plan for Beaverdam Valley.

272

Jim Rogers of the Greyhound Bus Terminal also spoke in support of the rezoning. He said his company would be interested in joining a mass transit system in the future, however, his company is in need of a new facility at the present and not in the future.

After discussion, Vice-Mayor Morris closed the public hearing at 4:55 p. m.

Councilman Boland said he would like to seek a compromise. He said he would like to keep the Revitalization Plan intact because a great deal of money and time and energy developing the plan has been spent. He said he would prefer to see a further study to find another site for the facility and if the study doesn't come up with another site, he would vote for the rezoning.

Verl Emrick, Planning Director, read the ordinance.

Councilman Cole moved for the adoption of Ordinance No. 1152. This motion was seconded by Councilman Wilkes.

On a roll call vote of 4-2, Ordinance No. 1152 passed on first reading with Vice-Mayor Morris, Councilman Cole, Councilman Wilkes and Councilman Brownlee voting "aye" and Councilwoman Price and Councilman Boland voting "no."

APPROVAL OF THE SALE OF DISPOSAL PARCELS 57A AND 57B -EAST RIVERSIDE RENEWAL PROJECT

5. Consideration was given to the approval of the sale of Disposal Parcels 57A and 57B of the East Riverside Renewal Project.

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, said the Housing Authority has tentatively accepted the following bid for Disposal Parcels 57A and 57B of the East Riverside Renewal Project:

Reuse:	Commercial/Office-Institutional
Minimum Price:	\$174,000.00
Area:	98,489 sq. ft.
Location:	Corner of Ashland and Southside Avenues
Redeveloper:	Mountain Area Health Education Foundation
Bid:	\$174,000.00
Proposed Improvements:	One-story masonry and frame medical clinic containing approximately 10,700 sq. ft. at an estimated cost of improvements of \$600,000.00

Mr. Holt said the parcels have been exposed to the public for a bid for the past three years. He said when bids were opened on October 3, 1979 this was the only bid received. He said all parties that had previously expressed an interest in the parcel were notified of the bid opening.

Upon inquiry of Council, Mr. Holt said the City would lose \$5,000 to \$7,000 per year in taxes if the Council sells the property to the health education center. However, it is not anticipated that a developer will be interested in the near future. He said the area is prone to an impact of medical facilities due to the area being close the hospitals.

Vice-Mayor Morris said the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

Councilman Wilkes moved to amend Ordinance No. 1150 by amending Section 8-37 to read as follows "The Inspection Division shall make periodic inspections, for unsafe, unsanitary, or otherwise hazardous or unlawful conditions in structures within its jurisdiction. In addition, it shall make inspections when it has reason to believe that such conditions may exist in a particular structure. In exercising this power, members of the Division shall have a right to enter on any premises within the jurisdiction of the Division at all reasonable hours (between 9 a. m. and 5 p. m. - Monday through Friday and at the convenience of the occupant) for the purposes of inspection or other enforcement action, upon presentation of proper credentials. Upon refusal, after proper notice, members of the Division shall have the right to inspect under provision 8-29 (A) of this ordinance." This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1150, as amended, passed on second reading.

APPEAL OF HELEN R. ARENDALE - RULING OF BOARD OF TRUSTEES ON BENEFIT CLAIM PURSUANT TO POLICEMEN'S PENSION AND DISABILITY FUND

8. Consideration was given to a motion relative to the appeal of Helen R. Arendale relative to the Board of Trustees ruling on a benefit claim pursuant to the City of Asheville Policemen's Pension and Disability Fund.

Vice-Mayor Morris noted that this matter was continued from the December 20, 1979 meeting.

Corporation Counsel Moore advised Council that they could affirm the Board of Trustees' ruling, remand it to the Board of Trustees for further consideration, or override the decision of the Board of Trustees.

Councilwoman Price moved to affirm the ruling of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund relative to the Helen R. Arendale matter. This motion was seconded by Councilman Wilkes and carried unanimously.

ORDINANCE NO. 1154 - AN ORDINANCE REPEALING SECTION 18-22 (c) OF THE ASHEVILLE CODE OF ORDINANCES, DEALING WITH THE DISPOSAL OF LIQUOR CONTAINERS

9. Consideration was given to an ordinance repealing Section 18-22(c) of the Asheville Code of Ordinances, dealing with the disposal of liquor containers.

The City Manager read the ordinance explaining that Section 18-22(c) of the Code of Ordinances makes it unlawful to throw liquor containers on any public or private property without permission. He said scattering of all kinds of refuse is already prohibited under Section 13-4(a), in the Sanitation Ordinance. He said the proposed ordinance will repeal Section 18-22(c).

Councilman Cole moved for the adoption of Ordinance No. 1154. This motion was seconded by Councilwoman Price.

On a roll call vote of 6-0, Ordinance No. 1154 passed on first reading.

Mr. Bill DeBruhl, Director of Water and Sewer Services, said in essence the water supply for Beaverdam Valley is currently at its peak. He said his office is even researching water supplies for single family dwellings. He said during periods of rain the sewer lines are also running full. He said the Department of Water and Sewer Services, with the present conditions in the valley, could not permit a developer to construct any multi-family apartments in the area.

Mrs. Harry Wright, of the Beaverdam Planning Council, urged Council to pass an ordinance rezoning the area R-1 Single Family Residential District until the Planning Council comes up with a comprehensive land use plan for the area. She said it is not the intention of the Beaverdam Planning Council to request permanently that all the property in the area be zoned to R-1. She said the density of the area needs to be kept low until the water, sewer and road conditions are improved.

Mr. R. L. Coleman, owner of property in the area, said single family zones cuts down on the property needed for multi-family units. He said he would oppose the rezoning of the area to R-1 but would not object to 120-day moratorium on zoning permits.

Frank Cole, also a property owner in the area, said he would also object to the rezoning of the area to R-1 but would not object to the 120-day moratorium on zoning permits.

Dr. John Pritchard, a member of the Beaverdam Planning Council, also spoke in favor of the rezoning. He said it was imperative that the Beaverdam Planning Council proceed with their plans.

Richard A. Wood, Jr., Attorney representing Mr. Mitchell Wolfson, property owner in the area, said his client would oppose any rezoning but would not object to the 120-day moratorium on zoning permits.

After discussion, Vice-Mayor Morris closed the public hearing at 6:05 p. m.

Verl Emrick, Planning Director, read the ordinance imposing the moratorium.

Councilman Cole moved for the adoption of Ordinance No. 1153. This motion was seconded by Councilwoman Price.

On a roll call vote of 6-0, Ordinance No. 1153 passed on first reading.

Councilman Boland moved to table action on the ordinance to rezone property in the Beaverdam Valley to R-1 Single Family Residential District. This motion was seconded by Councilman Cole and carried unanimously.

ORDINANCE NO. 1150 - AN ORDINANCE REPEALING SECTIONS 8-13 THROUGH 8-41 OF CHAPTER 8 ARTICLE II, OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE, KNOWN AS THE HOUSING CODE, AND ADOPTING A NEW HOUSING CODE FOR THE CITY OF ASHEVILLE

7. Consideration was given to the second reading of Ordinance No. 1150, an ordinance relating to amendments to Chapter 8, Article 11 of the Code of Ordinances, known as the Housing Code.

Upon motion of Councilman Brownlee, seconded by Councilwoman Price, the consent agenda was unanimously approved.

FINANCIAL REPORT FOR YEAR ENDED JUNE 30, 1979

The City Manager presented members of Council with copies of the Financial Report for the year ended June 30, 1979. Copies of the report will be on file in the Office of the City Clerk.

PROCLAMATION - JUNIOR ACHIEVEMENT WEEK - JANUARY 20 - 26, 1980

Vice-Mayor Morris proclaimed the week of January 20-26, 1980 as Junior Achievement Week.

APPROVAL OF THE SALE OF DISPOSAL PARCEL 123 - EAST RIVERSIDE RENEWAL PROJECT

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, said on September 6, 1979 Council considered the approval of the sale of Disposal Parcel No. 123 in the East Riverside Renewal Project to James C. McDonald DPM in the amount of \$39,000. After discussion during that meeting, Councilwoman Price moved to table action on the sale until Dr. McDonald requested that the matter be considered further by Council giving Dr. McDonald an opportunity to seek tenants for the proposed building utilizing a neighborhood business. He said in November, 1979, Council requested that Dr. McDonald give Council a status report on the sale.

Dr. McDonald said he had been successful in finding a co-developer for this parcel and the co-developer intends to have two to three businesses in the complex, one of which will be a neighborhood laundrymat.

After discussion, Councilman Boland moved to approve the sale of Disposal Parcel No. 123 in the East Riverside Renewal Project to James C. McDonald DPM in the amount of \$39,000. This motion was seconded by Councilwoman Price and carried unanimously.

RALPH BISHOP - COMMENTS RELATIVE TO THE APPOINTMENT OF FRED HENSLEY AS CHIEF OF POLICE

Ralph Bishop made several comments objecting to the appointment of Fred Hensley as Chief of Police.

Councilman Boland moved that the meeting be adjourned. This motion was seconded by Councilwoman Price and carried unanimously.

Adjournment.

MAYOR

CITY CLERK

Councilman Cole moved to suspend the rules and proceed to the second reading of Ordinance No. 1154. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1154 passed on second reading.

Councilman Cole moved to suspend the rules and proceed to the third reading of Ordinance No. 1154. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1154 passed on third and final reading.

Complete text of Ordinance No. 1154 will be found in Ordinance Book No. 9 at page 92.

APPROVAL OF CONSENT AGENDA

10. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 80-6 - Resolution authorizing the Mayor to execute an easement with Grover Redmon, et al, concerning the construction of an 8-inch fire line known as Keebler Road Project.

HIGHLIGHTS: This encroachment with Grover Redmon, et al., is for the construction of an 8-inch fire line on Keebler Road. Because this line does encroach on this property, this agreement is necessary.

Resolution Book No. 12 page 6.

B. Resolution No. 80-7 - Resolution appointing members to the Buncombe County Energy Committee.

HIGHLIGHTS: The Buncombe County Board of Commissioners recently agreed to expand the Buncombe County Energy Committee to include a member of City Council or a staff appointee. Councilman H.C. Wilkes and Bill Swearngan, Facility Services Superintendent will be appointed as members of the Committee.

Resolution Book No. 12 page 7.

C. Approval of bids received January 8, 1980 for repair materials for inventory for Water Maintenance Construction and Repair Division.

HIGHLIGHTS: Six (6) bids were received. Recommendation of acceptance of low bid submitted by Silverman Company in the amount of \$3,780.48. Funding: Water and Sewer Operating Fund- Warehouse Inventory.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

Councilwoman Price said the proposed use of the property does not fit in with the Revitalization Plan to proceed with a mass transportation center. She said the proposed facility is only 1,500 square feet which doesn't look to the future as far as transportation needs are concerned. She said there is a need to push toward a transportation center instead of piecemealing such a project.

Councilman Wilkes and Councilman Boland both said they felt there is a need to give more consideration to this matter and research a possible alternate site. Councilman Boland suggested that the Greyhound and Trailways Bus Companies coordinate their efforts for future needs.

Mr. David R. Hillier, attorney representing Greyhound Bus Company, reiterated comments made during the first reading of the ordinance relative to the need for the facility, the increased tax base for the City, future increase in transit services, and the versatility of the proposed facility.

Jim Rogers, President of the Greyhound Bus Station, also made reference to the need for the facility explaining that their lease with Trailways expires on May 31, 1980. He said their present facility is not sufficient for their needs and Trailways does not want to renew their lease as they also need the space.

Harold Talbert, referring to Councilman Boland's comments, said a joint venture by Trailways and Greyhound was once contemplated, however, the plans were halted by the recent sale of the Trailways Company. He said at the present Trailways is not interested in a joint venture.

Ralph Bishop spoke in support of the rezoning in order that a new Greyhound facility could be built.

After discussion, Mayor Trantham called for a roll call vote on the second reading of the ordinance.

On a roll call vote of 4-3, Ordinance No. 1152, failed on second reading with Mayor Trantham, Councilman Cole, and Councilman Brownlee voting "aye" and Vice-Mayor Morris, Councilwoman Price, and Councilman Boland and Councilman Wilkes voting "no."

ORDINANCE NO. 1153 - AN ORDINANCE IMPOSING A LIMITED MORATORIUM ON DEVELOPMENT IN THE BEAVERDAM VALLEY AREA

4. Consideration was given to the second reading of Ordinance No. 1153, an ordinance imposing a moratorium on development in the Beavardam Valley area.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1153 passed on second reading.

Thursday - January 24, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, H. C. Wilkes, and Harold F. Brownlee, Corporation Counsel William C. Moore, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: City Manager Kenneth M. Michalove.

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 17, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the January 17, 1980 meeting were approved as submitted.

ORDINANCE NO. 1151 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA (Marietta Cobb Apartments Company off Leicester Highway)

2. Consideration was given to the second reading of Ordinance No. 1151, an ordinance to extend the Corporate Limits of the City of Asheville, North Carolina for the Marietta Cobb Apartments Company located off Leicester Highway.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1151 passed on second reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1151. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1151 passed on third and final reading.

Complete text of Ordinance No. 1151 will be found in Ordinance Book No. _____ at page _____.

ORDINANCE NO. 1152 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property at the corner of Patton and Pearl Streets)

3. Consideration was given to the second reading of Ordinance No. 1152, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property at the corner of Patton and Pearl Street from CR Commercial Regional District to CS Commercial Service District for Harold Talbert.

APPROVAL OF THE CONSENT AGENDA

7. The Assistant City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. RESOLUTION NO. 80-8- RESOLUTION OF INTENT TO CLOSE AN ALLEY AND CALLING A PUBLIC HEARING ON THE QUESTION FOR FEBRUARY 21, 1980.

HIGHLIGHTS: A petition has been filed by First Union National Bank of North Carolina and Grace Baptist Church of West Asheville to close an alleyway described as that sixteen-foot alley leading from the west margin of Fairfax Avenue to the eastern line of property owned by the Trustees of the Grace Baptist Church of West Asheville. There are no other property owners adjoining the alleyway except the petitioners.

Resolution Book No. 12 at page 8.

- B. APPROVAL OF BIDS RECEIVED JANUARY 15, 1980 TO FURNISH AND INSTALL A 10,000 GALLON DIESEL FUEL TANK AND BUS WASHER AND RECLAMATION SYSTEM FOR THE ASHEVILLE TRANSIT AUTHORITY.

HIGHLIGHTS: Five (5) bids were received. Recommendation of acceptance of the lowest fully responsive bid submitted by Industrial Maintenance Overflow Corporation in the amount of \$74,701. Funding: UMTA Capital Grant - Project No. NC-03-0006 - Sufficient funds are available for the above expenditures.

- C. RESOLUTION NO. 80-9 - RESOLUTION DECLARING A REX TRASHMASTER FORMALLY USED AT THE LANDFILL AS SURPLUS PROPERTY AND AUTHORIZING THE SALE OF SAME TO BUNCOMBE COUNTY.

HIGHLIGHTS: This trashmaster was formally used at the landfill and the City no longer has a need for this equipment. The County of Buncombe has expressed a desire to purchase the Trashmaster for \$50,000.

Resolution Book No. 12 at page 10 1/2

ORDINANCE NO. 1150 - AN ORDINANCE RELATING TO AMENDMENTS TO CHAPTER 8, ARTICLE II OF THE CODE OF ORDINANCES, KNOWN AS THE HOUSING CODE

5. Consideration was given to the third reading of Ordinance No. 1150, an ordinance relating to amendments to Chapter 8, Article II of the Code of Ordinances, known as the Housing Code.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

Upon inquiry of Councilman Boland, Mr. J. E. Johnson, Chief Building Inspector, said the revised code would not increase the cost in house renovations particularly in the low-rent areas. He said the code is also designed to give the buyer greater protection.

Mayor Trantham was excused for the meeting at 4:30 p. m.

Vice-Mayor Morris presided over the meeting.

On a roll call vote of 7-0, Ordinance No. 1150 passed on third and final reading.

Complete text of Ordinance No. 1150 will be found in Ordinance Book No. _____, at page _____.

ORDINANCE NO. 1155 - AN ORDINANCE AMENDING THE OPERATING AND CAPITAL BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1979-80 (Summarizing and ratifying budget amendments)

6. Consideration was given to an ordinance amending the operating and capital budget for the City of Asheville.

The Assistant City Manager read the ordinance explaining that this ordinance will summarize and ratify all budget amendments made to the operating and capital budget for Fiscal Year 1979-80 through December 31, 1979.

Councilman Cole moved for the adoption of Ordinance No. 1155. This motion was seconded by Councilwoman Price.

On a roll call vote of 7-0, Ordinance No. 1155 passed on first reading.

Councilman Cole moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1155 passed on second reading.

Councilman Cole moved to suspend the rules and proceed to the third reading of the ordinance. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1155 passed on third and final reading.

Complete text of Ordinance No. 1155 will be found in Ordinance Book No. _____ at page _____.

BUDGET AMENDMENT - CITY OF ASHEVILLE FISCAL 1979-80 OPERATING BUDGET

Consideration was given to a budget amendment amending the City of Asheville Fiscal 1979-80 Operating Budget of the City of Asheville.

Mike Smith, Director of Administration, said the amendment is to fund a change in Workman's Compensation Program to obtain workman's compensation insurance and third party administration of program

Mr. David Flippin of the City/County Insurance Committee said the Committee has recommended this change and explained the highlights of the program. He said the contract with the insurance carrier will not only handle the administration of the Workman's Compensation Program but will conduct a loss control program which is also an asset to the program.

Mayor Trantham returned to the meeting at 4:40 and presided over the meeting.

Councilwoman Price moved for the approval of the budget amendment. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. 80-15 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN A CONTRACT FOR WORKER'S COMPENSATION COVERAGE FOR THE CITY OF ASHEVILLE

Consideration was given to a resolution authorizing the City Manager to sign a contract for worker's compensation coverage for the City of Asheville.

Mike Smith, Director of Administration, read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-15 was unanimously adopted.

Complete text of Resolution No. 80-15 will be found in Resolution Book 12 at page 26.

CLAIMS - DONNA CARTER - FLETCHER SCHOOL OF DANCE - WILSON PERSONNEL - ANNA MARIE ROWLAND - VIRGINIA KEEVER EPLEY

The Assistant City Manager presented claims received from Donna Carter, Fletcher School of Dance, Wilson Personnel, Anna Marie Rowland, and Virginia Keever Epley.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

APPEAL OF FANNIE M. TRANTHAM (PINNER) - RE: RULING BY THE BOARD OF TRUSTEES OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND

The Assistant City Manager presented an appeal of Fannie M. Trantham (Pinner) relative to a ruling of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund. He advised that hearing on this matter will be held at the City Council meeting on January 31, 1980.

- D. RESOLUTION NO. 80-10 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH SIX ASSOCIATES TO PREPARE PLANS AND SPECIFICATIONS FOR ENLARGEMENT OF THE BAGGAGE/CLAIM AREA OF THE ASHEVILLE REGIONAL AIRPORT.

HIGHLIGHTS: The enlargement of the baggage/claim area is to accommodate the expected increase in passenger traffic in the foreseeable future.

Resolution Book No. 12 at page ~~11~~ 9.

- E. RESOLUTION NO. 80-11 - RESOLUTION APPOINTING MEMBER TO THE WESTERN NORTH CAROLINA REGIONAL AIR POLLUTION BOARD.

HIGHLIGHTS: This resolution will reappoint Dr. Roy F. Roberts as a member of the Western North Carolina Regional Air Pollution Board.

Resolution Book No. 12 at page ~~12~~ 10

- F. RESOLUTION NO. 80-12 - RESOLUTION APPOINTING A MEMBER TO THE BOARD OF TRUSTEES OF FIREMEN'S RELIEF FUND

HIGHLIGHTS: This resolution will reappoint Mr. T. Cecil Tallent to the Board of Trustees of Firemen's Relief Fund.

Resolution Book No. 12 at page ~~13~~ 11

- G. RESOLUTION NO. 80-13 - RESOLUTION APPOINTING A MEMBER TO THE ASHEVILLE TRANSIT AUTHORITY.

HIGHLIGHTS: This resolution will reappoint Mr. Roy Meece as a member of the Asheville Transit Authority.

Resolution Book No. 12 at page ~~14~~ 1.

- H. RESOLUTION NO. 80-14 - RESOLUTION APPOINTING A MEMBER TO THE METROPOLITAN SEWERAGE DISTRICT BOARD.

HIGHLIGHTS: This resolution will reappoint Mr. Walter J. Boggs as a member of the Metropolitan Sewerage District Board.

Resolution Book No. 12 at page ~~15~~ 1.

Upon motion of Councilman Cole, seconded by Councilman Wilkes the consent agenda was unanimously approved.

COMMENTS RELATIVE TO PROPOSED WEST ASHEVILLE MALL

Councilman Boland, referring to a proposed mall for West Asheville, said the public should make themselves aware of the impact the proposed mall will have on the downtown area.

Councilman Morris said the citizens should also make themselves aware of the consequences of having a mall in West Asheville as well as the consequences of a mall being built outside the City's zoning jurisdiction whereby Council would have no control.

Mayor Trantham advised that Council would not consider this issue again until a report is received from the Transportation Advisory Committee.

Herman Medler spoke to Council about the proposed plans for the mall stating that the current plans, being circulated, will not address the problems of access to the proposed mall.

There being no further business, Vice-Mayor Morris moved that the meeting be adjourned. This motion was seconded by Councilwoman Price and carried unanimously.

Adjournment.

Raym. Trantham
MAYOR

William J. McCallister
CITY CLERK

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1156. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1156 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1156. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1156 passed on third and final reading.

Complete text of Ordinance No. 1156 will be found in Ordinance Book No. 9 at page 94.

APPEAL OF FANNIE M. TRANTHAM - RULING BY BOARD OF TRUSTEES OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND

4. A hearing was held relative to the appeal of Fannie M. Trantham (Pinner) relative to a ruling by the Board of Trustees of the Asheville Policemen's Pension and Disability Fund.

Mayor Trantham advised that to his knowledge there is no relationship between him and the appellant.

Mr. S. Thomas Walton, attorney representing Fannie M. Trantham (Pinner), said this matter was brought before the Board of Examiners and Board of Trustees of the Asheville Policemen's Pension and Disability Fund by petition in 1978. He said Fannie M. Trantham was married to Lonnie G. Trantham when Mr. Trantham died on April 23, 1940. He said Mr. Trantham was employed by the Asheville Police Department when he died and for fifteen months preceding his death. He said according to the Policemen's Pension Act which was established in 1939, Mrs. Trantham should have received widow's benefits pursuant to Section 7 of the Act. He said Mrs. Trantham, in fact, never received anything under the Act. He said a controversy arose during the hearings of the Board of Examiners and Board of Trustees relative to Mr. Trantham being employed by the City. He said no personnel records relative to Mr. Trantham's employment could be found by the City. He said a copy of Mr. Trantham's identification card could be produced. He also presented an affidavit from A. R. (Pitt) Sluder stating that Mr. Trantham was an employee of the Asheville Police Department. He said Mrs. Trantham did not know she was entitled to the benefits and no city official contacted her about the benefits. He said Mrs. Trantham (Pinner) died in February, 1979 after presenting the petition to the Board of Examiners in 1978. He said Mr. Harold Trantham is pursuing the case as Administrator of Mrs. Trantham (Pinner). He said his client is requesting Mrs. Trantham's widow's benefits up until the time she remarried on November 25, 1944 or the rightful sum of \$8,800 with 6% interest. He said the Board of Examiners and the Board of Trustees denied the claim on the basis of Statute of Limitations. He said, however, in his opinion and from research, under a pension act, Statute of Limitations does not start to run until a claim is presented and denied. He said this is the only time a claim has been filed and denied.

Thursday - January 31, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Bolland, F. Jack Cole, H. C. Wilkes, and Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 24, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the January 24, 1980 meeting were approved as submitted.

ORDINANCE NO. 1153 - AN ORDINANCE IMPOSING A LIMITED MORATORIUM ON DEVELOPMENT IN THE BEAVERDAM VALLEY AREA

2. Consideration was given to the third and final reading of Ordinance No. 1153, an ordinance imposing a moratorium on development in the Beaverdam Valley area.

Mayor Trantham said the ordinance was previously read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1153 passed on third and final reading.

Complete text of Ordinance No. 1153 will be found in Ordinance Book No. 9 at page 90.

ORDINANCE NO. 1156 - AN ORDINANCE TO AMEND ORDINANCE NO. 965 ESTABLISHING A GRIEVANCE PROCEDURE FOR EMPLOYEES OF THE CITY OF ASHEVILLE

3. Consideration was given to an ordinance to amend Ordinance No. 965 establishing a grievance procedure for employees of the City of Asheville.

The City Manager read the ordinance explaining that this amendment will only change the terms in the Grievance Procedure from "Personnel Division" to "Employee Services Division" and "appointing authority" to "department head."

Councilman Bolland moved for the adoption of Ordinance No. 1156. This motion was seconded by Councilwoman Price.

On a roll call vote of 7-0, Ordinance No. 1156 passed on first reading.

Council discussed the income limits set for Buncombe County under the HUD Section 235 Program.

Councilwoman Price said recent increases in the cost of home rehabilitation due to inflation have created hardship for low and moderate income owner-occupant residents applying for Housing Rehabilitation Grants and this amendment is geared to help save more homes in the East End area and catch up with inflation.

Upon motion of Councilman Boland, seconded by Councilwoman Price, Resolution No. 80-17 was unanimously adopted.

Complete text of Resolution No. 80-17 will be found in Resolution Book No. 12 at page 16.

APPROVAL OF THE CONSENT AGENDA

7. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Approval of bids received January 25, 1980 for two (2) solid state Traffic Signal Controls.

HIGHLIGHTS: Four (4) bids were received. Recommendation of acceptance of low bid submitted by Southeastern Safety Supplies in the amount of \$8,375.00. Funding: Revenue Sharing Trust Fund - Public Works - Traffic Engineering Division - budgeted \$8,500.

- B. Approval of bids received January 25, 1980 for sixty (60) coin operated lockers for Montford Recreation Center.

HIGHLIGHTS: Two (2) bids were received. Recommendation of acceptance of lowest fully responsive bid submitted by American Locker Security Systems, Inc. in the amount of \$4,893.78. Funding: Carry-over Model Cities Funds - Parks and Recreation - Montford Recreation Center.

- C. Approval of bids received January 28, 1980 to furnish and install two-way radio communications equipment for Asheville Fire Department.

HIGHLIGHTS: One bid received. Recommendation of acceptance of bid submitted by Motorola, Inc. in the amount of \$32,577. Funding: Revenue Sharing Trust Fund - Fire Department - Capital Outlay - budgeted \$35,786.

Upon inquiry of Council, Mr. Walton said he had not personally checked the city's personnel records relative to Mr. Trantham's employment because he did not feel it was necessary. He said in his opinion the City should have contacted Mrs. Trantham about her rights to pension benefits. He said Mrs. Pinner and Harold Trantham, Mrs. Pinner's son, have both said no pension benefits were ever paid to Mrs. Trantham (Pinner).

Robert J. Robinson, attorney representing the Board of Trustees of the Asheville Policemen's Pension Fund, said a long period of time elapsed between Mr. Trantham's death and the time the claim was presented. He said the 38-year time period is the important factor in presenting evidence for the case. He said in his opinion in 1940, a stroke while on duty was not considered a disability in the line of duty. He said Mr. Trantham would not have been eligible for non-line of duty benefits because one had to be employed at least three years to qualify. He said the Pension Act was newly enacted at the time of Mr. Trantham's death and it is apparent that everyone would have known the benefits of the plan and Mrs. Trantham apparently felt she was not entitled to benefits or she would have inquired about her rights.

After a brief discussion, Councilman Wilkes moved to affirm the ruling of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund. This motion was seconded by Councilwoman Price and carried unanimously.

RESOLUTION NO. 80-16 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO MAKE APPLICATION FOR AN ENRICHMENT GRANT FOR REID MEMORIAL AND STEPHENS-LEE RECREATION CENTERS

5. Consideration was given to a resolution authorizing the Director of Parks and Recreation to make application for an enrichment grant for Reid Memorial and Stephens-Lee Recreation Centers.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-16 was unanimously adopted.

Complete text of Resolution No. 80-16 will be found in Resolution Book No. 12 at page 15.

Councilman Boland said he would like to see grant funds, similar to this one, applied to other areas of the city such as in the Weaver Park area.

RESOLUTION NO. 80-17 - RESOLUTION AMENDING AND APPROVING PROGRAM ELIGIBILITY REQUIREMENTS IN THE ASHEVILLE COMMUNITY DEVELOPMENT REHABILITATION GRANT PROGRAM CONTRACT

6. Consideration was given to a resolution amending and approving program eligibility requirements in the Asheville Community Development Rehabilitation Grant Program contract.

The City Manager read the resolution.

- I. Resolution No. 80-19 - Resolution of intent to close an unnamed alley located off Biltmore Avenue and calling a public hearing on the question for February 28, 1980.

HIGHLIGHTS: A petition has been received from St. Joseph's Hospital to close an alley located off Biltmore Avenue. There are no other property owners adjoining the alleyway except the petitioner and the alley has never been opened, accepted by any public authority, developed or used for street purposes, and serves no purpose for street or roadway.

Resolution No. 12 Page 18

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, the consent agenda was unanimously approved.

RECONSIDERATION OF ORDINANCE NO. 1152-AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property at the corner of Patton and Pearl Streets)

8. NOTE: On January 24, 1980, Ordinance No. 1152 failed on second reading with Mayor Trantham, Councilman Cole and Councilman Brownlee voting "aye" and Vice-Mayor Morris, Councilwoman Price, Councilman Boland, and Councilman Wilkes voting "no."

Councilman Wilkes said in the past week he had given additional thought to the rezoning of the property at Patton and Pearl Streets for the construction of a new Greyhound bus terminal. He said he had personally visited alternate sites for the bus terminal and hoped that other Council members would do the same.

Councilman Wilkes moved that Council reconsider the second reading of Ordinance No. 1152. This motion was seconded by Councilman Cole and carried unanimously.

Councilman Boland said he was still in favor of supporting the Revitalization Plan. He urged the Trailways Company, Greyhound Company, Asheville Transit Authority, and the Asheville Revitalization Commission to get together soon to examine the possibility of a new mass transit center.

Mayor Trantham recommended that notice be given, by publication, that Council will reconsider the second reading of Ordinance No. 1152.

Councilwoman Price moved that reconsideration of the second reading of Ordinance No. 1152 be given on February 21, 1980. This motion was seconded by Councilman Cole and carried unanimously.

Councilwoman Price moved that the Planning Director consult with the Trailways Company, the Greyhound Company, Mr. Harold Talbert, Asheville Transit Authority, and the Asheville Revitalization Commission, to see if they would be willing to meet to consider long range plans for a mass transit center. She requested that a recommendation from the above be received by Council on February 21, 1980. This motion was seconded by Councilman Boland and carried unanimously.

- D. Approval of bids received January 28, 1980 for one (1) one-ton truck for Water Meter Services Division.

HIGHLIGHTS: Four (4) bids were received. Recommendation of acceptance of low bid submitted by Apple Tree Chevrolet in the amount of \$9,655.74.

- E. Approval of bids received January 28, 1980 for two (2) four-wheel drive vehicles and eight (8) one-half ton trucks for Water Meter Services Division.

HIGHLIGHTS: Five (5) bids were received. Recommendation of acceptance of low bids on a per item basis. Apple Tree Chevrolet in the amount of \$31,067.36 and Matthews Motors in the amount of \$24,430.64.

- F. Resolution No. 80-18 - Resolution authorizing the Director of Parks and Recreation to seek grant funding from the North Carolina Youth Advisory Council for the Convention II Project of the Asheville-Buncombe County Youth Council.

HIGHLIGHTS: This will authorize the Director of Parks and Recreation to submit an application to the North Carolina Youth Advisory Council for a Mini-Grant, in the amount of \$268.32, for the Asheville-Buncombe County Youth Council to expend for financing the transportation for a youth delegation from North Carolina to attend Convention II in Washington, D. C. on February 13-16, 1980.

Resolution Book No. 12 Page 17

- G. Approval of a budget amendment amending the City of Asheville 1979-80 Operating Budget.

HIGHLIGHTS: This amendment, in the amount of \$175.00, will transfer funds from the Print Shop capital outlay budget to pay for the installation of a switch and cable on the dictating equipment used by the Director of the Department of Administration.

- H. Approval of a budget amendment amending the City of Asheville 1979-80 Operating Budget.

HIGHLIGHTS: This amendment, in the amount of \$2,328, will transfer funds from the Print Shop Capital Outlay budget to pay for the installation and first three months rent on a word processing system.

COMMENDATION FOR THE STREET DIVISION

Mayor Trantham commended the Street Division for their efforts in clearing the streets of the snow and ice.

ADJOURNMENT

Councilwoman Price moved that the meeting be adjourned. This motion was seconded by Councilman Cole and carried unanimously.

Adjournment.

MAYOR

CITY CLERK

DEMOLITION OF 230 MONTFORD AVENUE - DISCUSSION

9. Councilman Boland said he had been contacted relative to the demolition of 230 Montford Avenue. He said it is his understanding that Council had voted to demolish the house and he had been informed that a couple was now interested in purchasing the house. He said the Preservation Society has expressed an interest in preserving the house.

Corporation Counsel Moore reviewed the background of the vote to demolish 230 Montford Avenue for the benefit of the newly elected Council members.

After a lengthy discussion, the City Manager suggested that the Building Inspector proceed with the enforcement of the ordinance to demolish 230 Montford Avenue and that the Building Inspector report the progress of the demolition process at the Council meeting on February 7, 1980. He said during the interim period anyone interested in purchasing the dwelling could state their intentions to Council.

It was the consensus of Council to proceed with the recommendations of the City Manager.

Councilman Boland suggested that the Chairman of the Preservation Society be advised of Council's intentions relative to the demolition of 230 Montford Avenue.

PROCLAMATION - 1980 - YEAR OF THE VOLUNTEER

10. Mayor Trantham proclaimed 1980 as the Year of the Volunteer.

BIDS - TWO (2) TRAILER MOUNTED ENGINE DRIVE SUCTION UNITS FOR VACUUM COLLECTION AND MULCHING OF LEAVES

11. Consideration was given to bids received January 29, 1980 for two (2) trailer mounted engine drive suction units for vacuum collection and mulching of leaves.

The City Manager read a recommendation from the Purchasing Agent which stated that only one (1) responsive bid was received. A second bid was submitted but does not meet bid specifications in a number of areas. It was recommended that the fully responsive bid submitted by North Carolina Equipment Company in the amount of \$25,850.00 be accepted.

The City Manager reviewed the areas in which the second bid did not meet specifications.

Councilwoman Price moved to accept the recommendation of the Purchasing Agent and award the bid to North Carolina Equipment Company in the amount of \$25,850.00. This motion was seconded by Councilman Cole and carried unanimously.

Mr. Emrick read two letters and a petition from residents in the area opposing the rezoning of the property requested by the petitioner, Mr. B. C. Morton. The petition stated that the rezoning would increase traffic and decrease property values. Mr. Emrick said, according to the petition, the residents did not oppose the rezoning of property recommended by the Planning and Zoning Commission, only the entire tract. He said the Planning and Zoning Commission recommended the rezoning of the lots fronting on Haywood Road.

Mr. Bill Biggers, attorney representing Mr. B. C. Morton, said Mr. Morton is in the wholesale and retail appliance parts business. He said Mr. Morton would like to renovate his business and eventually proposes to build a new business. He said his client has been unable to compromise with the residents relative to the rezoning. Therefore, his client is withdrawing his appeal to rezone the entire area and requesting that Council approve the recommendation of the Planning and Zoning Commission to rezone the lots fronting on Haywood Road from CH Commercial Highway to CS Commercial Service. He said if Council approves the rezoning Mr. Morton can proceed with his renovations.

Christine Mashburn of 25 Cloyes Street said the residents oppose the rezoning of the entire tract requested to be rezoned. She said they have no objections to the rezoning as recommended by the Planning and Zoning Commission. She said they did not want buildings constructed that would be detrimental to the neighborhood, such as convenience stores. She said the residents also object to the entrance to the property being from Cloyes Street. She said the entrance should be from Haywood Road.

Mr. Biggers assured Council that the entrance to the business would be from Haywood Road.

Mr. B. C. Morton, owner of the property, spoke in support of the rezoning. He said if the property is rezoned he could move his wholesale area to front on Haywood Road. He said under the present zoning a wholesale business is not permitted.

Mr. Seay of Cloyes Street, spoke in opposition to the rezoning.

Mrs. Helen Eagle of 24 Dysart Street also spoke in opposition to the rezoning of the residential area originally requested to be rezoned by the petitioner.

Peggy Erickson of 19 Dysart Street also opposed the original request to rezone the residential area.

Mayor Trantham closed the public hearing at 5:00 p. m.

Verl Emrick read the ordinance rezoning the area recommended by the Planning and Zoning Commission.

Councilwoman Price moved for the adoption of Ordinance No. 1157. This motion was seconded by Councilman Boland.

On a roll call vote of 6-1, Ordinance No. 1157 passed on first reading, with Councilman Wilkes voting "no."

005

Thursday - February 7, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, H. C. Wilkes, and Harold F. Brownlee, Corporation Counsel William C. Moore, **Associate City Manager/Clerk Clerk William F. Wolcott, Jr., Acting City Clerk Carol Hensley.**

Absent: City Manager K. M. Michalove

INVOCATION

The invocation was given by Vice-Mayor Ralph D. Morris, Jr.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 31, 1980 meeting.

Upon motion of Councilman Boland, seconded by Councilman Brownlee, the minutes of the January 31, 1980 meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY AT THE CORNER OF HAYWOOD ROAD AND CLOYES STREET-MR. B. C. MORTON

ORDINANCE NO. 1157 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. A public hearing was held relative to rezoning property at the corner of Haywood Road and Cloyes Street for Mr. B. C. Morton.

Mayor Trantham opened the public hearing at 4:12 p. m.

The Assistant City Manager presented the notice to the public and the affidavit of publication.

Mr. Verl Emrick, Planning Director, said in September, 1978, Mr. B. C. Morton requested rezoning of property on Haywood Road and Cloyes Street from R-3 Residential District and CH Commercial Highway District to CS Commercial Service District. After the public hearing on the issue Council tabled the matter indefinitely giving Mr. Morton and the neighborhood an opportunity to resolve their differences. Mr. Morton in October, 1979 requested that the matter be considered again by Council. Council then referred the matter back to Planning and Zoning Commission because it had been longer than one year since Council discussed the issue. At the December 5, 1979 meeting of the Planning and Zoning Commission, the Commission voted to reaffirm its previous recommendation that a portion of the property be rezoned and a portion remain zoned R-3 Residential District. ~~He~~ **said** Mr. Morton, through his attorney, Mr. Biggers, appealed the decision of the Planning and Zoning Commission.

Corporation Counsel Moore suggested that during the interim period that a waiver be signed by Mrs. Bryan, Mr. Don Mayer, Mrs. Bryan's attorney, Bruce and Betsy Roberts, and Mr. Bob Orr, the Roberts' attorney, releasing the City of any liability claims.

RESOLUTION NO. 80-20 - RESOLUTION AUTHORIZING THE DISPOSITION OF SURPLUS
SANITATION DIVISION EQUIPMENT

4. Consideration was given to a resolution authorizing the disposition of surplus sanitation division equipment.

The Assistant City Manager read the resolution explaining that the Sanitation Division has one (1) 1971 Heil Rearloader Body and one (1) Ford Dumpmaster Front Loader that is no longer needed. He said this resolution will authorize the City Manager to dispose of this equipment by selling the rearloader body to the City of Hendersonville for \$500 and accepting sealed bids for the front loader.

Upon motion of Vice-Mayor Morris, seconded by Councilman Brownlee, Resolution No. 80-20 was unanimously adopted.

Complete text of Resolution No. 80-20 will be found in Resolution Book No. 12 at page 19.

RESOLUTION NO. 80-21 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN A USE AND
OCCUPANCY AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE
RELOCATION OF TOWN MOUNTAIN ROAD

5. Consideration was given to a resolution authorizing the City Manager to sign a use and occupancy agreement with the North Carolina Department of Transportation for the relocation of Town Mountain Road.

The Assistant City Manager read the resolution explaining that the North Carolina Department of Transportation has placed in their roadway contract for the relocation of Town Mountain Road the following city owned utility lines: 1) A ten inch water line along Poplar Street; 2) A four inch water line in Woodfin Street; and 3) A six inch sanitary sewer line crossing Y-6 revised at Station 25 + 15. It is necessary for the City of Asheville and the Division of Highways to agree in writing as to the terms regarding the use and occupancy of these lines that will be within the highway right-of-way.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-21 was unanimously adopted.

Complete text of Resolution No. 80-21 will be found in Resolution Book No. 12 at page 20.

BIDS - ONE (1) SUBCOMPACT FOUR-DOOR SEDAN - WATER BILLING DIVISION

6. Consideration was given to bids received January 29, 1980 for one (1) subcompact four-door sedan to be used in the Water Billing Division.

REPORT - PROGRESS OF DEMOLITION OF 230 MONTFORD AVENUE - ORDINANCE NO. 1129

3. Mr. J. E. Johnson, Building Inspector, said as instructed on January 31, 1980 he began an inventory process on February 1, 1980 of the contents of 230 Montford Avenue as instructed by the adoption of Ordinance No. 1129. He said the property was posted at 10:00 a. m. on February 1, 1980. He said a dog was found in the house and a dog warden picked up the dog at 12:15 p. m. He said orders were given that Mrs. Bryan, the owner of 230 Montford Avenue, could pick her dog up at the Animal Shelter at no charge and Mrs. Bryan was so informed. He said there was a misunderstanding at the Animal Shelter relative to Mrs. Bryan's dog, which has been cleared up.

Mr. Johnson said he is making an inventory of the contents of the house and items of value have been placed in the City's safe in the Finance Department.

Mr. Johnson said they have only cleared out the downstairs of the house and have hauled off 9 loads, 90 cubic yards, of trash. He said they now have two and one-half rooms of furniture.

Mr. Johnson said it would be at least two weeks before a contract could be let on demolishing the house. He said the inventory would be appraised by two individuals. He said the cost of the demolition process would be placed as a lien on the property.

Bob Orr, attorney representing Bruce and Betsy Roberts, presented a contract signed by the Roberts' and Mrs. Edith Bryan for the Roberts to purchase the house at 230 Montford Avenue along with its contents, contingent upon the Council agreeing to amend Ordinance No. 1129 giving the Roberts' a period of 30 days to clean out the premises at their expense, giving them 60 days to commence bringing the house up to code standards, with renovations being completed by the end of 1980. He said they would also request that the proposed lien on the property be waived if the building is brought up to code standards within the time specified. He said if Council agrees to these conditions a closing date of February 13, 1980 is set.

Mr. Orr said if Council agrees to these conditions the City would not have to invest any more time or money to this matter. He said if the house is torn down, a narrow vacant lot would exist which could not be sold or built upon. He said if the house is restored the tax value would increase. He said if the terms of the agreement are not met Council could then proceed with the demolition.

Donald Mayer, attorney representing Mrs. Edith Bryan, urged Council to approve the contingents of the contract presented by Mr. Orr. He said Mrs. Bryan is now willing to sell the house to the Roberts'.

William C. Moore, Corporation Counsel, said he did not think the City could legally waive the proposed lien. He said Council could not amend the ordinance at today's meeting because according to the City Charter, a new ordinance would have to be drawn amending the present ordinance which would require a public hearing process.

After considerable discussion, it was the consensus of Council to slow down the cleaning process at 230 Montford Avenue until the attorneys could get together and work out the legal process that would be necessary to save the house. Council requested that a report be given at next week's Council meeting.

000

The Assistant City Manager read a recommendation from the Purchasing Agent which stated that three (3) bids were received and recommended the low bid submitted by Apple Tree Chevrolet, Inc. in the amount of \$5,115.32.

Councilwoman Price moved to accept the recommendation of the Purchasing Agent awarding the bid to Apple Tree Chevrolet, Inc. in the amount of \$5,115.32. This motion was seconded by Councilman Wilkes and carried unanimously.

PUBLIC HEARING SCHEDULED - 6TH YEAR COMMUNITY DEVELOPMENT BLOCK GRANT APPLICATION

7. Consideration was given to a motion scheduling a public hearing relative to the 6th Year Community Development Block Grant Application for February 21, 1980.

The Assistant City Manager said this public hearing is required by HUD to receive public comments for the Grantee Performance Record, the Housing Assistance Plan and the Sixth Year Community Development Application.

Vice-Mayor Morris moved to schedule a public hearing relative to the 6th Year Community Development Block Grant Application for February 21, 1980. This motion was seconded by Councilwoman Price and carried unanimously.

PROCLAMATION - FIRE EDUCATION AWARENESS WEEK - FEBRUARY 11-17, 1980

Mayor Trantham proclaimed the week of February 11 - 17, 1980 as Fire Education Awareness Week.

Councilman Cole moved that the meeting be adjourned. This motion was seconded by Councilman Wilkes and carried unanimously.

Adjournment.

CITY OF ASHEVILLE

DEPARTMENT OF ADMINISTRATION

MEMORANDUM TO: Ken Michalove, City Manager
 FROM: Bob Wurst, Budget Director *Bd*
 DATE: June 12, 1980
 SUBJECT: Effect of County Budget Proposals

1. Asheville/Buncombe Revitalization Fund

Funding of the Pack Square Project is approved as follows:

C/D - ARC Funding	\$162,500
County Participation	351,440
Sale of Fixed Assets - Library	114,120
Sale of Fixed Assets - Other	76,500
City Capital Reserves - Sinking Fund	<u>59,440</u>

Project Total	<u>\$764,000</u>
---------------	------------------

The County funding level of \$351,440 meets their commitment to fund such projects based on a percentage of the current tax rate. The budget for this project is subject to change on receipt of bids.

2. Library

The proposal to fund 100% of the Library operating cost is two years ahead of the previous commitment of reducing the City's share by 10%/year as follows:

1976/77	60%
1977/78	50%
1978/79	40%
1979/80	30%
1980/81	20%
1981/82	10%
1982/83	-0-

This decision will save the City approximately \$180,000 which was provided as a contingency in the General Revenue Sharing Trust Fund.

Thursday - June 12, 1980 - 4:00 p. m.

Regular Meeting

Present: Vice-Mayor Ralph D. Morris, Jr., Presiding; Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, H. C. Wilkes, and Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham (due to personal commitment)

INVOCATION

The invocation was given by Councilman F. Jack Cole.

RESOLUTION NO. 80-105 - RESOLUTION IN MEMORY OF C. FRED BROWN

1. Consideration was given to a resolution in memory of C. Fred Brown, a former member of the Asheville City Council who passed away on June 10, 1980.

Vice-Mayor Ralph D. Morris, Jr., read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, Resolution No. 80-105 was unanimously adopted.

Complete text of Resolution No. 80-105 will be found in Resolution Book No. 12 at page 123.

APPROVAL OF THE MINUTES

2. Approval of the minutes of the June 5, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the June 5, 1980 meeting were approved as submitted.

PUBLIC HEARING - CITY OF ASHEVILLE BUDGET FOR 1980-81

3. A public hearing was held relative to the City of Asheville Budget for 1980-81.

Vice-Mayor Morris opened the public hearing at 4:07 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager said the budget and budget message was presented to Council on May 29, 1980 at which time the major items contained in the budget message was discussed in detail. He said a copy of the 1980-81 budget as well as the budget letter is available for anyone wishing to obtain a copy.

The City Manager requested that the following correspondence be included in the minutes and made a part of the public hearing.:

Ken Michalove
June 12, 1980
Page Three

5. Sinking Fund Commission

The City's share of close-out costs for Fiscal 1979/80 of the Sinking Fund Commission is \$4,800. No funding is provided in the Fiscal 1979/80 budget, however, this amount can be appropriated from contingency.

6. City-County ID Bureau

The City had provided \$20,000 for Fiscal 1979/80 and \$23,500 for 1980/81 so no significant short fall will occur. The law establishing the Bureau calls for the City and County to review the ID Bureau's budget as any other City or County department and increase or decrease requests at their discretion.

7. Sale of Old Pack Library

The City had anticipated using the full proceeds of the sale of the old library building (\$114,120, see 1 above) toward the Pack Square project. While there was no formal agreement, a 1974 joint press release by the City and County called for 61.78% of the proceeds or \$70,503 to be paid to the County. It is planned to make up the difference in the Pack Square project by transferring an additional \$70,503 from capital reserves.

3. City-County Water Agreement

The City budget anticipates receiving \$400,000 from the County for Fiscal 1979/80 maintenance cost and \$800,000 for Fiscal 1980/81 for county maintenance as follows:

WATER OPERATING BUDGET

	<u>Fiscal 1979/80 Estimate</u>	<u>Fiscal 1980/81 Recommended</u>
Revenues	\$6,386,085	\$7,331,500
Less: Anticipated County Funding	<u>(400,000)</u>	<u>(800,000)</u>
	\$5,986,085	\$6,531,500
Appropriation	<u>\$6,111,535</u>	<u>\$7,331,500</u>
Deficit	<u>(\$ 125,450)</u>	<u>(\$ 800,000)</u>

The loss of a total of \$1,200,000 will significantly affect the City's current program of maintaining, replacing, and up-grading the Water System. The Water Operating budget, to include water rates, may be changed at any time during the year. A complete evaluation of the short and long range effects of this loss of revenue is needed and recommendations for changes in the Water budget will be necessary.

4. Board of Tax Supervision

The budget presented to Council anticipates the City funding the Board of Tax Supervision at 40% of its estimated cost of Fiscal 1980/81 as follows:

Total Board Budget	\$770,725
City's Share at 40%	\$308,290

The law establishing the Board calls for the City to provide 40% of the Board's costs unless the City and County otherwise agree. Prior to 1979/80, the City has been providing 35% of the funding under such an agreement. The Fiscal 1979/80 budget anticipated the City paying 1.5% of the funds collected by the Board or \$102,372. If the City pays 40% of the current year Board cost, a budget amendment for 1979/80 will be needed in the amount of \$184,628 to provide such funding.

Ken Michalove
June 4, 1980
Page Two

Attached is an invoice showing the costs incurred by the above-identified departments through May 30, 1980, and the City's share of each. The City will be invoiced for June costs early in July.

Would you please send me the City's check for the indicated amount, plus the County's share of the Pack Library sale.

The estimated charges to the City for fiscal year 1980/81 are shown below.

Board of Tax Supervision	\$308,889.00
Identification Bureau	\$ 22,548.00

June 4, 1980

To: Ken Michalove

From: W. F. Taylor

Subject: County Budget - FY 1979/80 and FY 1980/81

At their regularly scheduled meeting on Tuesday, June 3, 1980, the Commissioners made the following decisions and asked that I inform you regarding them:

1. The County will appropriate an additional \$210,500.00 into the Revitalization Fund, making a total of \$351,400.00. This is understood to be the County's share of the revitalization in the Pack Square area. Any future projects must be approved on a case by case basis.
2. The County will assume responsibility for 100% funding of the Library beginning in fiscal year 1980/81.
3. Since the City-County Water Agreement (which existed until June 30, 1979) is no longer in effect, they do not plan to make a contribution to the Water System or to the Water System Improvement Fund. This is true for both fiscal year 1979/80 and fiscal year 1980/81.
4. In accordance with North Carolina law, the City will be billed for forty (40%) per cent of the costs incurred by the Board of Tax Supervision in both FY 79/80 and FY 80/81.
5. In accordance with North Carolina law, the County will invoice the City for forty (40%) per cent of the costs incurred by the Sinking Fund Commission in FY 1979/80. There will be no costs in FY 80/81.
6. In accordance with the joint agreement reached many years ago, the County will invoice the City for fifty (50%) per cent of the costs incurred by the Identification Bureau in both FY 79/80 and FY 80/81.
7. In accordance with the agreement reached prior to the construction of the Library, the County expects the City to remit 61.78% of the net proceeds from the sale of old Pack Library.

-continued-

Ralph Bishop spoke to Council opposing a salary increase for Police Department employees, again referring to lottery peddlers operating in the City of Asheville.

Vice-Mayor Morris closed the public hearing at 4:15 p. m.

The City Manager read the ordinance.

Councilman Cole moved for the adoption of Ordinance No. 1170. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1170 passed on first reading.

PUBLIC HEARING - CLOSING AN UNNAMED CITY STREET IN WEST ASHEVILLE

RESOLUTION NO. 80-106 - RESOLUTION TO CLOSE A PORTION OF AN UNNAMED CITY STREET (Said street extending north from Hazel Mill Road to the right of way of N. C. State Highway Connector road leading to I-26 and I-40)

4. A public hearing was held relative to closing an unnamed city street in West Asheville.

Vice-Mayor Morris opened the public hearing at 4:17 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Ronald D. Brondyke, Attorney for the Petitioner, Wachovia Bank and Trust Company, N. A., Executor under the Will of G. E. Crouch, deceased, requested that the street extending north from Hazel Mill Road to the right of way of N. C. State Highway Connector road leading to I-26 and I-40, be permanently closed. He said this street has never been opened and the estate of G. E. Crouch owns all the property on both sides of the street with the street dead ending into the I-26 Connector right of way. He said the resolution to close the street will be subject to a right of way for an existing water and sewer line in favor of the City of Asheville. Said right of way being twenty (20) feet in width and lying on the extreme northern twenty (20) feet of the thirty (30) foot street.

Vice-Mayor Morris closed the public hearing at 4:19 p. m.

The Corporation Counsel read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Brownlee, Resolution No. 80-106 was unanimously adopted.

Complete text of Resolution No. 80-106 will be found in Resolution Book No. 12 at page 124.

RESOLUTION NO. 80-108 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A PROJECT COMPLETION AGREEMENT FOR THE EAST RIVERSIDE REDEVELOPMENT PROJECT, N. C. R-48

7. Consideration was given to a resolution authorizing the Mayor to execute a project completion agreement for the East Riverside Redevelopment Project, N. C. R-48.

The City Manager read the resolution.

Larry Holt, Deputy Director of the Asheville Housing Authority, explained the highlights of the Project Completion Agreement stating that the agreement is for the financial settlement of the East Riverside Redevelopment Project, N. C. R-48.

Upon motion of Councilman Wilkes, seconded by Councilman Boland, Resolution No. 80-108 was unanimously adopted.

Complete text of Resolution No. 80-108 will be found in Resolution Book No. 12 at page 127.

APPROVAL OF THE CONSENT ACENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-109 - Resolution authorizing the Mayor to execute a right of way agreement with Gary Cooper Coffey of Asheville, North Carolina, concerning a sewer line.

HIGHLIGHTS: This encroachment agreement with Gary Cooper Coffey is for the purpose of constructing a six-inch sewer line to be constructed on American Way and Rash Road.

Resolution Book No. 12 Page 128.

- B. Resolution No. 80-110 - Resolution authorizing the Mayor to execute a right of way agreement with Beacon Manufacturing Company of Asheville, North Carolina concerning a water line.

HIGHLIGHTS: This encroachment agreement with Beacon Manufacturing Company is for the purpose of constructing a water line off Swannanoa River Road.

Resolution Book No. 12 Page 129.

PUBLIC HEARING - REVIEW AND ENDORSEMENT OF A TRANSITION PLAN FOR THE ELDERLY AND HANDICAPPED

RESOLUTION NO. 80-107 - RESOLUTION ENDORSING THE CITY OF ASHEVILLE'S TRANSITION PLAN FOR THE ELDERLY AND HANDICAPPED

5. A public hearing was held relative to the review and endorsement of a transition plan for the elderly and handicapped.

Vice-Mayor Morris opened the public hearing at 4:25 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Carl Owenby, of the Planning Department, said the Department of Transportation and the Urban Mass Transportation Administration has evaluated the accessibility of mass transit and has requested that all urban and non-urban areas receiving financial assistance develop a plan for accessibility. He said their guidelines require that all buses be equipped with wheel chair lifts for elderly and handicapped. He said the Planning Division is in the process of preparing a grant for ten new city buses which will be equipped with wheel chair lifts and it is anticipated that the buses will be in operation by the summer of 1982.

Vice-Mayor Morris closed the public hearing at 4:36 p. m.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, Resolution No. 80-107 was unanimously adopted.

Complete text of Resolution No. 80-107 will be found in Resolution Book No. 12 at page 126.

BUDGET AMENDMENT - WATER AND SEWER CAPITAL CONSTRUCTION FUND - AMERICAN WAY/RASH RD.

6. The City Manager presented a budget amendment amending the Water and Sewer Capital Construction Fund Budget.

The City Manager said this budget amendment, in the amount of \$37,720, is to fund the American Way/Rash Road Sewer Line, a project badly needed in this area. This project was originally slated to be funded last fall at the time of the Capital Construction Fund Ordinance; however, there was a right of way acquisition problem which has recently been obtained.

Councilman Brownlee moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. 80-112
RESOLUTION APPOINTING A MEMBER TO THE ASHEVILLE AREA CIVIC CENTER COMMISSION
(Mrs. Barbara Keleher)

9. Consideration was given to a resolution appointing a member to the Asheville Area Civic Center Commission.

The City Manager read the resolution reappointing Mrs. Barbara Keleher as a member of the Asheville Area Civic Center Commission.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 80-112 was unanimously adopted.

Complete text of Resolution No. 80-112 will be found in Resolution Book No. 12 at page 131.

RESOLUTION NO. 80-113 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE AREA CIVIC CENTER COMMISSION (Mr. Marvin Chambers)

10. Consideration was given to a resolution appointing a member to the Asheville Area Civic Center Commission.

The City Manager read the resolution reappointing Mr. Marvin Chambers as a member of the Asheville Area Civic Center Commission.

Upon motion of Councilman Wilkes, seconded by Councilman Boland, Resolution No. 80-113 was unanimously adopted.

Complete text of Resolution No. 80-113 will be found in Resolution Book No. 12 at page 132.

CLAIMS - WILLIAM P. TREUSCH - PEGGY HOLLAND RAMSEY - MARY ANN NOBLETT - CARL McINTOSH - BILLY E. FRANKS

11. The City Manager presented claims received from William P. Treusch, Peggy Holland Ramsey, Mary Ann Noblett, Carl McIntosh, and Billy E. Franks.

Vice-Mayor Morris referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION- FLAG DAY THROUGH INDEPENDENCE DAY - PERIOD OF HONOR AMERICA

12. Vice-Mayor Morris proclaimed the twenty-one days, Flag Day through Independence Day, as a period of Honor America.

RESOLUTION NO. 80-114 - RESOLUTION AUTHORIZING THE SUBMISSION OF AN APPLICATION TO THE BUNCOMBE COUNTY EMPLOYMENT AND TRAINING OFFICE FOR COMPREHENSIVE EMPLOYMENT TRAINING ACT FUNDS FOR FISCAL YEAR 1980-81

12. Consideration was given to a resolution authorizing the submission of an application to the Buncombe County Employment and Training Office for Comprehensive Employment Training Act Funds for Fiscal Year 1980-81.

- C. Resolution No. 80-110 - Resolution authorizing the Mayor to execute a contract for general consultant engineering services with Burmeister, Wright, and Associates, P. A.

HIGHLIGHTS: The proposed contract will be for general consultation and project engineering services. Payment will be for the work actually performed with no retainer involved.

Resolution Book No. 12 page 130

- D. Scheduling of a public hearing relative to the rezoning of property located on Clayton Street for July 10, 1980.

HIGHLIGHTS: The Planning and Zoning Commission at a meeting held June 4, 1980 considered the request of Attorney George Saenger, for Lowell Pearlman (Purchaser), and John Joyner (Owner), that Ward 2, Sheet 16, Lot 167, be rezoned from R-4 High Density Residential District to CG Commercial General District. After discussing the issues of this request, the Commission voted to recommend to City Council that Ward 2, Sheet 16, Lot 167, and Lot 168 be rezoned from R-4 High Density Residential District to CG Commercial General District. Commission recommends including Lot 168 to keep uniformity to the zoning boundary lines.

- E. Scheduling of a public hearing relative to rezoning property at the corner of Emma Road and Bingham Road for July 10, 1980.

HIGHLIGHTS: The Planning and Zoning Commission at a meeting held June 4, 1980, considered the request of Mr. and Mrs. Eugene Silver that their property located at the corner of Emma Road and Bingham Road be rezoned from LI - Light Industrial District to R-5 Residential District. After discussing the issues of this request, the Commission voted to recommend to City Council that Ward 12, Sheet 6, Lot 25, be rezoned from LI - Light Industrial District to R-5 Residential District.

- F. Approval of bids received May 23, 1980 for two (2) subcompact 4-Cylinder, 2-door sedans to be used in Water Production and Quality Control Division.

HIGHLIGHTS: Three (3) bids were received. Recommendation of acceptance of the fully responsive low bid submitted by Rudy Pelle Datsum, Inc., in the amount of \$9,663.40. Funding: Water and Sewer Services, Water Production and Quality Control Division - Capital Outlay Equipment - Account Code 30-50-750.0074.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

Thursday - June 19, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding;
Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, H. C. Wilkes, and Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Ralph D. Morris, Jr. (out-of-town)

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 12, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the June 12, 1980 meeting were approved as submitted.

PUBLIC HEARING - GROUP DEVELOPMENT - "445 BILTMORE CENTER"

2. A public hearing was held relative to the site plan of "445 Biltmore Center."

Mayor Trantham opened the public hearing at 4:09 p. m.

The City Manager presented the notice to the public setting the time and date of the public hearing.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at its meeting on June 4, 1980 reviewed the site plan of "445 Biltmore Center" and recommended approval of the plan subject to the following requirements:

1. Erosion Control Ordinance;
2. Final approval from N. C. Department of Transportation on encroachment agreements;
3. Modify the entrances to parking deck from Biltmore Avenue to reflect one-way in for auto traffic entering the parking deck;
4. Clearance on pedestrian walkway should be no less than 30' above Biltmore Avenue;
5. Evidence of recordation of joint driveway agreements between the developers and General Medical of Asheville; and
6. Compliance with Department of Water and Sewer Service's request for 8" ductile iron sewer pipe.

Mr. James W. Cogdell, Developer of the Project, explained that the proposed project would be an office complex with 20,000 square feet on each floor. He said a hotel complex would be on the top floor to be rented to out of town families or visitors of patients in the hospitals.

The City Manager read the resolution.

John Miall, Training Coordinator of the Employee Services Department, explained that the application to be submitted will seek funding in support of training activities for a Personnel Services Officer Trainee, a Fire Cadet Trainee, a Police Cadet Trainee, and a Computer Programmer I Trainee.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-114 was unanimously adopted.

Complete text of Resolution No. 80-114 will be found in Resolution Book No. 12 at page 133.

CITY COUNCIL MEETING CANCELLED FOR JULY 3, 1980

14. Councilwoman Price moved that the regularly scheduled meeting of the Asheville City Council for July 3, 1980 be cancelled. This motion was seconded by Councilman Cole and carried unanimously.

RALPH BISHOP - COMMENTS RELATIVE TO THE ASHEVILLE POLICE DEPARTMENT

15. Ralph Bishop again made comments relative to the Asheville Police Department being corrupt.

ADJOURNMENT

Upon motion of Councilwoman Price, seconded by Councilman Boland, the meeting adjourned at 5:15 p. m.

 MAYOR  CITY CLERK

Larry Holt, Deputy Executive Director of the Housing Authority, said Disposal Parcel 119 is located at the corner of Livingston Street and Victoria Road. He said Dr. Israel and Dr. McDonough propose to build a two story office/complex on this parcel. He said the office/complex will contain a total of 5,850 square feet at an estimated cost of \$360,000.

Councilman Wilkes opposed the sale of Disposal Parcel 119 for commercial use, stating that he would like to see the property revert back to single family residential use. He said there seems to be a monopoly on medical profession facilities in this area.

After discussion relative to the uses in the East Riverside Renewal area, Councilman Boland moved to approve the sale of Disposal Parcel 119 in the East Riverside Renewal Project to APS Developers in the amount of \$100,000. This motion was seconded by Councilwoman Price, which motion carried on a voice vote of 5-1, with Councilman Wilkes voting "no."

RESOLUTION NO. 80-115 - RESOLUTION DECLARING CERTAIN HOLIDAYS AS FREE PARKING DAYS FOR DOWNTOWN ASHEVILLE

5. Consideration was given to a resolution declaring certain holidays as free parking days for downtown Asheville.

The City Manager read the resolution explaining that the resolution will expand the free parking days for downtown Asheville to include: New Years Day, Washington's Holiday, Easter Monday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving (the day after), and Christmas (December 24, 25, and 26.)

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 80-115 was unanimously adopted.

Complete text of Resolution No. 80-115 will be found in Resolution Book No. 12 at page 134.

APPROVAL OF THE CONSENT AGENDA

6. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-116 - Resolution authorizing the Mayor to execute a right of way agreement with the necessary people in order to construct a sanitary sewer line on Rash Road.

HIGHLIGHTS: These encroachments are needed for the construction of a sanitary sewer line on Rash Road.

Resolution Book 12 Page 135

Mr. Cogdell answered general questions from members of Council relative to the proposed project.

After discussion, Mayor Trantham closed the public hearing at 4:27 p. m.

Councilwoman Price moved to approve the site plan of the "445 Biltmore Center" subject to the requirements stipulated by the Planning Division. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1170 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1980-81

3. Consideration was given to the second reading of Ordinance No. 1170, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the Fiscal Year 1980-81.

The City Manager said the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

Mr. Bob Buchholz, Chairman of Quality Forward, requested that Council fund an additional \$4,000 to their budget for fiscal year 1980-81. He said the additional funds would be used to staff one additional full-time employee, "Katie Clean-Up" of the Project Pride Program. He said this employee has been working on a volunteer basis and the program is such a success that it is their intent to hire the volunteer on a full-time basis. He introduced "Katie Clean-Up" to members of Council.

Mrs. Jean Webb, Executive Coordinator, explained the purpose of Project Pride.

Councilman Cole suggested that Quality Forward approach the school board for the additional funds as Project Pride seems to be more of an educational issue.

After discussion, Mayor Trantham advised Mr. Buchholz that Council would take their request under consideration.

Ralph Bishop again opposed an increase in salary for employees of the Asheville Police Department stating that the Asheville Police Department allows the lottery peddlers to have a wide-open operation. He also opposed any increase in salary.

On a roll call vote of 6-0, Ordinance No. 1170 passed on second reading.

SALE OF DISPOSAL PARCEL 119 - EAST RIVERSIDE RENEWAL PROJECT

3. Consideration was given to the approval of the sale of Disposal Parcel 119 in the East Riverside Renewal Project.

The City Manager presented a letter of recommendation from the Housing Authority stating that they have tentatively accepted the following bid for Disposal Parcel 119 in the East Riverside Renewal Project:

<u>Parcel</u>	<u>Reuse</u>	<u>Price</u>	<u>Bid</u>	<u>Redeveloper</u>
119	Commercial	\$100,000	\$100,000	APS Developers

Resolution No. 80-119

- E. Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Buchanan Concrete Contracting Company for the project known as South Pack Square Plaza.

HIGHLIGHTS: Bids were opened on the South Pack Square Plaza Project on June 11, 1980. Two (2) bids were received. Recommendation of acceptance of low bidder, Buchanan Concrete Construction Company in the amount of \$103,385.
Resolution Book 12 Page 138

- F. Approval of bids received June 16, 1980 for five (5) mobile radios installed for the Asheville Police Department.

HIGHLIGHTS: Only one (1) bid was received. Recommendation of acceptance of bid submitted by Motorola Communications and Electronics, Inc. in the amount of \$7,000.00. Funding: Revenue Sharing Trust Fund, Police Department Capital Outlay Equipment, Account Code 50-35-460.0074.

- G. Approval of bids received June 16, 1980 for Portable Burglary Robbery Stake Out Alarm for the Asheville Police Department.

HIGHLIGHTS: Only one (1) bid was received. Recommendation of acceptance of bid submitted by Sentry Watch, Inc. in the amount of \$3,500.00. Funding: LEAA Grant

- H. Approval of bids received June 16, 1980 for Chemicals for Treatment of Water from July 1, 1980 through June 30, 1981.

HIGHLIGHTS: Ten (10) bids were received. Chemicals to be delivered on an as needed basis. Bids submitted on estimated quantities. Recommendation of acceptance of low bidders on a per item basis:

<u>Item</u>	<u>Bidder (Low)</u>
Liquid Chlorine 200,000 lbs.	Moreland-McKesson Chemical Co. 11.50 cwt \$23,000
Caustic Soda 400,000 lbs.	Moreland-McKesson Chemical Co. 9.78 cwt \$39,120
Hydrofluorosilic Acid 280,000 lbs.	Ticar Chemical Company 77.60 per ton \$10,864.00
Dry Zinc Polyphosphate 108,800 lbs.	Shannon Chemical Company 52.87 cwt \$55,513.50
Liquid Cationic Polyelectrolyte 36,000 lbs.	Calgon Chemical Company .2871 per pd. \$10,335.60

Upon motion of Councilwoman Price, seconded by Councilman Boland, the consent agenda was unanimously approved.

Resolution No. 80-117

- B. Resolution authorizing the Mayor of the City of Asheville to enter into an agreement with the James H. Drew Amusement Company for the provision of amusement rides at Westgate Shopping Center in conjunction with the Asheville-Buncombe County Youth Council.

HIGHLIGHTS: The James H. Drew Amusement Company wishes to provide amusement rides in the corporate limits of the City of Asheville from June 24-29, 1980 and the Asheville Buncombe County Youth Council has served as the sponsor of the company in 1979 and wishes to continue in such capacity. The Westgate Shopping Center has consented to donate space for these amusement rides and allow all sponsorship proceeds to be awarded the Asheville-Buncombe County Youth Council. This resolution authorizes the Mayor to enter into an agreement with the James H. Drew Amusement Company for the provision of amusement rides at the Westgate Shopping Center in conjunction with the Asheville-Buncombe County Youth Council.

Resolution Book 12 Page 136

- C. Scheduling of a public hearing relative to the filing of an application with the Department of Transportation, United States of America, for a Capital Improvement Grant under the Urban Mass Transportation Act of 1964, as amended, for July 31, 1980.

HIGHLIGHTS: This public hearing will be held to receive public comments on the filing of a grant to allow for the purchasing of ten (10) air conditioned, lift equipped, diesel engine, transit buses for replacement purposes and three hundred (300) bus signs.

Resolution No. 80-118

- D. Resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

HIGHLIGHTS: The City of Asheville Planning Department will be applying for an annual UMTA Section 8 Technical Studies Grant for 1980-81 to fund the preparation of planning studies related to transit operations. The project includes the preparation of technical studies and reports designed to improve the operation of the Asheville Transit System. The total amount of the grant is \$26,875, with the City of Asheville providing \$2,688 of in-kind services.

Resolution Book 12 Page 137

PETITION - MAPLE STREET OR ARDMORE STREET - REQUEST TO OPEN

The City Manager presented a petition received from residents on Forest Street off Hendersonville Road at Forest Manor Motel, requesting that the street known as Maple Street or Ardmore Street, running between Hendersonville Road and Caribou Road be opened and placed on the City's maintenance list.

The City Manager said he would refer the petition to the Director of Public Works for investigation and report the findings back to Council.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilwoman Price, the meeting adjourned at 5:50 p. m.

MAYOR

CITY CLERK

ANNEXATION-PROPOSED -- DISCUSSION BY LIMESTONE PLANNING COUNCIL

Mr. Larry Carter, Chairman of the Limestone Planning Council, spoke in opposition to the proposed annexation of the Limestone Community into the City Limits of Asheville. He said the Limestone Planning Council has been working for over a year on a plan for the Limestone Community, which has been approved by the Buncombe County Commissioners. He said if annexed into the City of Asheville the plan prepared by the Council will be in vain.

Mr. Carter read excerpts from a statement presented to the Buncombe County Commissioners, dated May 26, 1980, relative to the proposed annexation.

Mr. Carter also presented a petition containing approximately 2,000 signatures protesting annexation into the City of Asheville without recourse to referendum among the people affected.

Jim Adams, Vice-Chairman of the Limestone Planning Council, also spoke in opposition to the proposed annexation. He said annexation should be done by referendum.

Marian Heifner of the Skyland area also opposed annexation by the City of Asheville.

Mayor Trantham advised the group that planning studies are now being prepared by the Planning Department relative to future annexations and these studies would be completed by August 1, 1980. He said Council would then review the studies and decide which areas they wish to consider for annexation. He said Council would keep the citizens in the areas affected advised and hold public hearings relative to the annexations.

Councilwoman Price asked that the Limestone Council also study, before August 1, 1980, the county contributions, tax-shared revenues, and compare the amount of city tax someone would pay if annexed into the city and deduct the amount that would be saved in fire insurance, garbage pick-up service, street lights, and water.

RESOLUTION NO. 80-120 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH BURMEISTER, WRIGHT AND ASSOCIATES, P. A., TO CONDUCT AN ENGINEERING STUDY REGARDING THE DEVELOPMENT OF BEE TREE LAKE AS A POTABLE WATER SOURCE

Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Burmeister, Wright and Associates, P. A., to conduct an engineering study regarding the development of Bee Tree Lake as a potable water source.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-120 was unanimously adopted.

Complete text of Resolution No. 80-120 will be found in Resolution Book No. 12 at page 139.

Verl Emrick, Planning Director, in reviewing the background of the amendments, said the Planning and Zoning Commission at its meeting on September 5, 1979 considered the request of Mrs. Mildred Graham by Attorney John Powell that "Family Care Homes" be allowed in any and all residential zoning districts of the City of Asheville. The Commission voted to recommend that "Family Care Homes" as well as "Group Homes for the Developmentally Disabled Adults" be allowed as Conditional Uses in all residential zoning districts and in the Office Institutional District. A public hearing was held on the matter on October 18, 1979, and again on November 15, 1979, at which time opposition was received relative to the amendment to include "Group Homes for the Developmentally Disabled Adults." No opposition was received relative to the inclusion of "Family Care Homes" as Conditional Uses. It was decided, by Council, that the two issues should be separated for Council action and a public hearing was scheduled to consider the issue on "Family Care Homes." An ordinance has since been adopted including "Family Care Homes" as Conditional Uses. At the meeting of November 15, 1979 an ordinance was adopted providing for a limited moratorium on the issuance of building permits for group homes for developmentally disabled adults for a period not to exceed six (6) months. The time period for the ordinance expired on May 30, 1980. He said the proposed ordinance stipulates development standards to be used by the Board of Adjustment in evaluating the Conditional Use. He said the standards have been modified to include suggestions made by Council in previous public hearings relative to this subject. He explained that a Conditional Use must be approved by the Board of Adjustment and the procedure for obtaining approval of a Conditional Use.

Mrs. Kathryn B. Johnson of 29 Devonshire Place read the following statement:

"My name is Kathryn B. Johnson (Mrs. Thomas G.) and I live at 29 Devonshire Place. I have been elected to represent a group of approximately 200 concerned citizens in Kenilworth to make certain recommendations concerning the proposed amendment to Ordinance No. 322."

"Under Item C(2), we voted to request that the minimum lot size for the site of a group home shall be no less than two (2) acres."

"The reason for this recommendation is that a group home housing up to nine (9) adults and two (2) house parents is not a normal, average household for any part of the city. A residence large enough to accommodate up to eleven (11) adults, plus off-street parking, plus space for recreation, gardening, sunbathing, or just plain walking or sitting around could not be accommodated on so small a lot. (The average household in the Kenilworth area is two or three persons). The inadequate space on St. Dunstan's has resulted in an overflow of the group home residents into the homes and yards of the neighbors with very unhappy results. Western Carolina Center, for example, has spacious grounds and many individual cottages, and those residents have ample space for outdoor activities."

"Everyone in Asheville is in favor of proper care for the developmentally disabled, but we feel that sufficient space is mandatory for these people so that friction will not develop between the group home residents and the other residents in the community which would result in a buildup of hatred and rejection which would completely defeat a major objective of the group homes. Even one mentally retarded child can cause problems on a street, so a group of up to nine (9) can have damaging results in a small area. You cannot legislate love and kindness and cooperation."

Thursday - June 26, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, H. C. Wilkes and Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Mayor Trantham introduced Rev. Les Scofield, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 19, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the June 19, 1980 meeting were approved as submitted.

RESOLUTION NO. 80-121 - RESOLUTION OF APPRECIATION AND COMMENDATION TO JAMES H. PARRIS, JR.

2. Consideration was given to a resolution of appreciation and commendation to James H. Parris, Jr., Director of Motor Transport, who is retiring from the City of Asheville after 34 years of service.

The City Manager read the resolution.

Upon motion of Vice-Mayor Morris, seconded by Councilman Cole, Resolution No. 80-121 was unanimously adopted.

Complete text of Resolution No. 80-121 will be found in Resolution Book No. 12 at page 140.

CAPTAIN C. R. BEAVER - GRADUATION FROM F.B.I. ACADEMY

3. The City Manager recognized and commended Captain C. R. Beaver of the Asheville Police Department for graduating from the F.B.I. Academy on June 13, 1980.

PUBLIC HEARING - AMENDING ZONING ORDINANCE TO INCLUDE "GROUP HOMES FOR DEVELOPMENTALLY DISABLED ADULTS" AS CONDITIONAL USES

4. A public hearing was held relative to amending the Zoning Ordinance to include "Group Homes for Developmentally Disabled Adults" as a Conditional Use in all residential zoning districts and in the OI Office Institutional District.

Mayor Trantham opened the public hearing at 4:20 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

**PUBLIC HEARING - MORATORIUM ON ISSUANCE OF ZONING PERMITS FOR MULTI-FAMILY FACILITIES
IN THE BEAVERDAM VALLEY**

**ORDINANCE NO. 1171 - AN ORDINANCE IMPOSING A LIMITED MORATORIUM ON DEVELOPMENT IN THE
BEAVERDAM VALLEY AREA**

5. A public hearing was held relative to the adoption of an ordinance imposing a moratorium on the issuance of zoning permits for multi-family facilities in the Beaverdam Valley.

Mayor Trantham opened the public hearing at 5:23 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, in reviewing the background of the moratorium, said on November 8, 1979 a public hearing was held relative to rezoning property in the Beaverdam Valley. The Planning and Zoning Commission recommended that the area be rezoned as petitioned, but limit the change to the jurisdiction of the City of Asheville in the Beaverdam Valley. The petition to rezone requested that the property be rezoned to R-1 Single Family Residential District until such time as the Beaverdam Planning Council could come up with their own Land Use Plan. At the November 29, 1979 meeting a motion was made to table action on the ordinance until the January 17, 1980 meeting giving the City Staff an opportunity to obtain additional information on the water and sewer conditions in the Beaverdam Valley. At the same meeting a motion was also made scheduling a public hearing, for January 17, 1980, concerning the adoption of an ordinance imposing a moratorium on the issuance of zoning permits in the Beaverdam Valley. On January 31, 1980 an ordinance was adopted imposing the limited moratorium on development in the Beaverdam Valley area as an alternative to the request of the Beaverdam Planning Council to rezone their property to R-1 Single Family Residential District until the Planning Council has an opportunity to come up with their own Land Use Plan. The moratorium was to be effective for 120 days. The period of time given in the ordinance for the moratorium expired on June 13, 1980.

Mr. Emrick said Council recently met with Mr. George Hyler, of the Beaverdam Planning Council to receive an update on the Land Use Plan being prepared by the Planning Council. Mr. Hyler, at that time, requested that the moratorium be extended for an additional sixty (60) days.

Mayor Trantham closed the public hearing at 5:27 p. m.

Verl Emrick read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1171. This motion was seconded by Councilman Wilkes.

On a roll call vote of 7-0, Ordinance No. 1171 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1171. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1171 passed on second reading.

"Item C(4) concerning adequate buffering. We voted to request adequate buffering on three (3) sides of adjoining lots instead of two (2).

"Item C(5), we voted to request that structures which house group homes shall be equally distributed throughout the north, south, east, and west parts of the city, and that there shall be a minimum of three (3) miles between each group home."

"The reason for this recommendation is that no part of the city shall be saturated with group homes. The proposed ordinance would allow a group home every 2,500 feet which means there could be two (2) or three (3) in a distance of one mile. There are to be 25 of these group homes built throughout the State of North Carolina. There are 100 counties in the State. I personally see no reason why we should have more than one in Asheville."

"Part of the group home concept is that the group home residents are to participate in the activities of the community. The unhappy and unfortunate experiences at St. Dunstan's, with which you are all familiar, have shown that this is not possible. Originally the group home sponsors were to explain the group home concept and activities and to seek the cooperation of the community in which they hoped to build a group home. This was done at St. Dunstan's. It was not done on Chiles Avenue. The residents of Kenilworth have opposed a group home for 22 Chiles Avenue for more than a year due to the small lot size. So, for the welfare of the residents of the group home and the citizens of Asheville, we strongly urge you to adopt our recommendations."

Peter Winslow of 288 Kenilworth Road reiterated comments made by Mrs. Johnson. He said the Kenilworth residents feel their community is having to take more than their share of these type homes. He said the Kenilworth area presently has a housing project, a group home, a proposed group home and a proposed half-way house. He said Council should be aware of what is happening in Kenilworth.

Walter Alexander, Route 2, Asheville, said he felt 3/4 acre is not enough land for group homes. He said this would not give any room for recreational activities for the people in the homes.

During discussion, Vice-Mayor Morris said Council, by state law, can not prohibit the use of group homes in the City of Asheville. However, development standards can be established by Council but the standards must be reasonable.

Councilman Boland said he felt the amendment should be written in order to regulate the number of such homes allowed in one neighborhood.

Herman Medler said the state law should be investigated relative to what would be reasonable in establishing standards for group homes.

After discussion, Councilwoman Price moved to continue the public hearing until July 10, 1980, without further advertisement. This motion was seconded by Councilman Boland and carried unanimously.

Councilwoman Price moved that the Mayor, on behalf of the City Council, be authorized to call HUD in Greensboro to suggest that an Environmental Impact Statement be prepared relative to the Chiles Avenue Group Home Project. This motion was seconded by Councilman Cole and carried unanimously.

The City Manager read the resolution.

Upon motion of Vice-Mayor Morris, seconded by Councilman Boland, Resolution No. 80-122 was unanimously adopted.

Complete text of Resolution No. 80-122 will be found in Resolution Book No. 12 at page 141.

RESOLUTION NO. 80-123 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH THE SKYLAND VOLUNTEER FIRE DEPARTMENT, INC. FOR FIRE PROTECTION SERVICES IN THE AIRPORT ANNEXATION AREA

8. Consideration was given to a resolution authorizing the Mayor to sign an agreement with the Skyland Volunteer Fire Department, Inc. for fire protection services in the Airport Annexation Area.

The City Manager read the resolution.

Upon motion of Vice-Mayor Morris, seconded by Councilman Brownlee, Resolution No. 80-123 was unanimously adopted.

Complete text of Resolution No. 80-123 will be found in Resolution Book No. 12 at page 142.

RESOLUTION NO. 80-124 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR A SEWER LINE REPLACEMENT ON HIGHWAY N. C. 81

9. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a sewer line replacement on Highway N. C. 81.

The City Manager read the resolution.

Upon motion of Vice-Mayor Morris, seconded by Councilwoman Price, Resolution No. 80-124 was unanimously adopted.

Complete text of Resolution No. 80-124 will be found in Resolution Book No. 12 at page 143.

RESOLUTION NO. 80-125 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR AN 8-INCH WATER LINE ON HIGHWAY 19-23

10. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for an 8-inch water line on Highway 19-23.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 80-125 was unanimously adopted.

Complete text of Resolution No. 80-125 will be found in Resolution Book No. 12 at page 144.

Councilman Cole moved to suspend the rules and proceed to the third reading of Ordinance No. 1171. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1171 passed on third and final reading.

Complete text of Ordinance No. 1171 will be found in Ordinance Book No. 9 at page 124.

ORDINANCE NO. 1170 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1980-81

6. Consideration was given to the third reading of Ordinance No. 1170, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the Fiscal Year 1980-81.

Mayor Trantham said the ordinance was previously read on first and second readings and will not be re-read in its entirety unless there is a specific request to do so.

Ralph Bishop again spoke in opposition to a salary increase for members of the Asheville Police Department. He also spoke in opposition to a salary increase for the members of Council and the Vice-Mayor.

George Gragg, Executive Director of the Asheville-Buncombe Community Relations Council, read a prepared statement to members of Council requesting an increase in the City's funding for the Community Relations Council. It was requested that the City increase their funding by \$11,000. It was noted that the agency has received no funding increase in three years and the Buncombe County Board of Commissioners has indicated that it will amend its budget later to match whatever amount the city agrees to pay the agency.

Vice-Mayor Morris commented that the agency was set up on a 50-50 funding level several years ago but it was distressing to him that the city taxpayer is paying about three and a half times more than the county resident is paying. He said he did not think the city receives three and a half times more services from the agency than the county resident does.

Council agreed to study the request and possibly amend the budget at a later date.

On a roll call vote of 7-0, Ordinance No. 1170 passed on third and final reading.

Complete text of Ordinance No. 1170 will be found in Ordinance Book No. 9 at page 122.

RESOLUTION NO. 80-122 - RESOLUTION AUTHORIZING THE TRANSFER OF THE RESPONSIBILITY FOR ADMINISTRATIVE SUPPORT OF THE PACK MEMORIAL LIBRARY FROM THE CITY OF ASHEVILLE TO BUNCOMBE COUNTY

7. Consideration was given to a resolution authorizing the transfer of the responsibility for administrative support of the Pack Memorial Library from the City of Asheville to Buncombe County.

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, Resolution No. 80-126 was unanimously adopted.

Complete text of Resolution No. 80-126 will be found in Resolution Book No. 12 at page 145.

REPORT - PETITION RELATIVE TO OPENING OF MAPLE STREET OR ARDMORE STREET

14. The City Manager, in reporting on a petition received by Council several weeks ago, said the Public Works Department had investigated the petition and found that all the persons signing the petition are indeed residents of Forest Street, or own property which fronts along Forest Street. Ardmore Street, or Maple Street as it is referred to on plats is open and maintained by the City, from Hendersonville Road to a point approximately 800 feet east of Hendersonville Road. Near a small stream from that point east, the road is only a recorded R/W and has not been opened for some time, at least since it was annexed into the City. In order for a street to be constructed along the R/W and taken over by the City for maintenance, it would have to be built at least 16 feet wide, paved, and the necessary drainage installed. The cost of the construction would have to be borne by the persons petitioning the City for constructing the street. The City Manager said the only other alternative would be for the Council to look into changing the city's policy relative to opening streets.

Mayor Trantham said it is his understanding that the residents, in the past have been using Ardmore or Maple Street, however someone in the area has been grading and preventing the use of the street. He said perhaps someone is developing the area into a subdivision and encroaching on the property.

After discussion, Council instructed the City Attorney to investigate the possibility of someone encroaching upon the right-of-way and report back to Council his findings.

Councilman Boland requested that the City Manager prepare a brief statement relative to this petition and submit the statement to members of Council.

CETA FUNDING - INQUIRY OF COUNCILWOMAN PRICE

15. Upon inquiry of Councilwoman Price relative to CETA funding being dropped by Buncombe County, the City Manager said Buncombe County has been the primary sponsor for CETA funding, however the State or the City could take over the primary sponsorship. He said if the State takes over the primary sponsorship the City could apply to the State for CETA funding.

MERRITT STREET OFF CLINGMAN AVENUE - INQUIRY OF COUNCILMAN WILKES

16. Councilman Wilkes requested that the City staff investigate the right-of-way at 5 Merritt Street off Clingman Avenue.

RALPH BISHOP - ANNEXATION - LOTTERY PEDDLERS

Ralph Bishop again spoke to Council opposing annexation and complained about the lottery peddlers operating in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilwoman Price, the meeting adjourned at 6:20 p. m.

Rey M. Trantham
MAYOR

William J. Holcomb
CITY CLERK

PUBLIC HEARING SCHEDULED - REZONING PROPERTY LOCATED AT CORNER OF N. LOUISIANA AVENUE AND HAZEL MILL ROAD

11. Consideration was given to scheduling a public hearing relative to the rezoning of property located at the corner of N. Louisiana Avenue and Hazel Mill Road.

The City Manager said the Planning and Zoning Commission at a meeting held June 4, 1980 considered the petition of Mrs. Mabel Woody that Ward 6, Sheet 17, Lot 71, be rezoned from R-3 Residential District to CH Commercial Highway District. After discussing the issues of the request, the Commission voted to recommend denial of the petition to City Council. On June 19, 1980 a letter was received by the City Clerk's Office appealing the decision of the Planning and Zoning Commission and requesting that a public hearing be scheduled to review the rezoning request.

Councilman Boland moved to schedule a public hearing on the matter for July 24, 1980. This motion was seconded by Councilwoman Price and carried unanimously.

APPROVAL OF SALE OF DISPOSAL PARCELS 204, 205 AND 206 - EAST RIVERSIDE RENEWAL PROJECT

12. Consideration was given to the approval of the sale of Disposal Parcels 204, 205 and 206 in the East Riverside Renewal Project.

The City Manager read a letter from the Housing Authority stating that the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project:

<u>PARCEL</u>	<u>REUSE</u>	<u>PRICE</u>	<u>BID</u>	<u>REDEVELOPER</u>
204	Residential	2,800)		
205	Residential	2,800)	- 9,000	Home Builders Assoc. of WNC
206	Residential	3,400)		

Mr. C. E. Vess, Jr., Coordinator of Field Services for the Housing Authority, said the Home Builders Association of WNC will be purchasing the lots and the Carpenter Class at A-B Technical College will be constructing three (3) single family dwellings on the lots.

Councilwoman Price moved for the approval of the sale of Disposal Parcels 204, 205, and 206 in the East Riverside Renewal Project to the Home Builders Association of WNC in the amount of \$9,000.00. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. 80-126 - RESOLUTION AUTHORIZING THE SUBMISSION OF AN APPLICATION TO THE STATE DEPARTMENT OF ADMINISTRATION FOR THE UNITED STATES CIVIL SERVICE COMMISSION FOR GRANT FUNDS AVAILABLE UNDER THE INTERGOVERNMENTAL PERSONNEL ACT OF 1970

13. Consideration was given to a resolution authorizing the submission of an application to the State Department of Administration for the United States Civil Service Commission for grant funds available under the Intergovernmental Personnel Act of 1970.

The City Manager read the resolution.

Mr. Emrick reviewed the floodway boundary maps prepared by the TVA. He said the proposed ordinance sets minimum standards which will be accepted by FIA. He said the Planning and Zoning Commission, during several meetings, reviewed the maps and the regulations and recommend their adoption. He said the regulations will not affect present buildings. He said the flood maps have been accepted by the FIA and can only be changed by technical data being submitted to FIA to adjust the boundaries or by replacing the bridge and culverts in the Biltmore area, which causes a majority of the flooding, thereby reducing the flood fringe. He said the floodway map zone will be transferred to the zoning maps for enforcement of the regulations by the Inspection Division.

Mr. Emrick said Council could ask the State to place signs along the floodway area designating the precise area.

Joe Pless, owner of Dreamland Drive-In Theatre, said after reading the regulations proposed in the ordinance it is his opinion that he could not build on his property. He said he has requested his attorney to check into the legality of the requirements and requested that the issue be postponed for three (3) weeks, giving his attorney an opportunity to investigate the issue. He said he felt the mandatory requirement is only a "scare-tactic" by the federal government.

Kenneth Pankow, a profession engineer, spoke relative to this issue and read the following letter:

Asheville City Council
Asheville City Hall
Asheville, North Carolina 28801

Dear Council Members:

I am a professional engineer and specialize in engineering for the development of industrial and commercial sites. On many occasions I have provided engineering services for the development of flood plain lands. From my experience it seems clear that laws controlling flood plain development are necessary and in the general public interest.

For people who own property in the flood plains these laws can be very costly because some of the land is condemned so that it can never be developed to its best and highest use. Obviously maps and studies that are used for condemnation, especially when there is no compensation, must be very accurate and fair to all property owners. In my practice as a land surveyor I am governed by strict laws regarding accuracy when I locate property lines. If I err by a few inches I can be held liable for damages to the property owner. The condemning of property for the purpose of a floodway mandates an equal degree of accuracy and care when determining lines of property use.

Unfortunately the maps which have been presented to the City of Asheville for the purpose of enactment of flood plain laws do not have the necessary accuracy and are not suitable for the purpose intended. I have found several places on the flood maps for this area that have errors measured in hundreds of feet. After nearly one year of review by local government officials and professionals in private practice all who are knowledgeable agree that the maps contain many errors and could have been done much more accurately. In my opinion the maps and studies are so poorly done that they raise questions as to the competency of the parties responsible for their preparation.

Thursday - July 10, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, and Harold F. Brownlee, Corporation Counsel William C. Moore, Associate City Manager/City Clerk William F. Wolcott, Jr., Acting City Clerk Carol Hensley.

Absent: Councilman H. C. Wilkes (vacation) and City Manager K. M. Michalove (vacation)

INVOCATION

The invocation was given by Vice-Mayor Ralph D. Morris, Jr.

APPROVAL OF THE MINUTES

Note: Since Mayor Trantham was called out of the meeting for a short period, Vice-Mayor Morris presided over the meeting.

1. Approval of the minutes of the June 26, 1980 meeting.

Upon motion of Councilman Boland, seconded by Councilwoman Price, the minutes of the June 26, 1980 meeting were approved as submitted.

PUBLIC HEARING - FLOOD PLAIN REGULATIONS

ORDINANCE NO. 1172 - AN ORDINANCE ESTABLISHING FLOOD PLAIN REGULATIONS FOR THE CITY OF ASHEVILLE, NORTH CAROLINA

2. A public hearing was held relative to an ordinance establishing flood plain regulations for the City of Asheville.

Vice-Mayor Morris opened the public hearing at 4:02 p. m.

The Associate City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, in reviewing the background for the adoption of the regulations for the flood plain area, said the National Flood Insurance Program is a mandatory program and must be implemented according to federal guidelines if the City or private property owners are to receive federally subsidized flood insurance or secure federally insured loans for projects in the flood hazard areas. He said the City must approve the regulations by July 16, 1980 or the City and private property owners will be prohibited from receiving loans, grants, or disaster assistance funds in connection with a flood. He said the owners in the flood plain area will also be prohibited from receiving FHA or VA mortgage loans until the regulations are adopted. He said the Federal Insurance Administration (FIA), the federal agency administering the program, sets the requirements and criteria for the regulations. He said the FIA contracted with the Tennessee Valley Authority (TVA) to prepare a rate study, profiles and floodway boundary maps for Asheville, which are now complete.

Councilwoman Price moved for the adoption of Ordinance No. 1172. This motion was seconded by Vice-Mayor Morris.

Tom Butler asked to go on record as requesting the Council to table the motion or for an unfavorable vote on the motion.

On a roll call vote of 5-1, Ordinance No. 1172 passed on first reading, with Councilman Brownlee voting "no."

PUBLIC HEARING - REZONING PROPERTY ON CLAYTON STREET - LOWELL PEARLMAN - JOHN JOYNER

ORDINANCE NO. 1173 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. A public hearing was held relative to rezoning property located on Clayton Street.

Mayor Trantham opened the public hearing at 5:10 p. m.

The Associate City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at a meeting held June 4, 1980 considered the request of Attorney George Saenger, for Lowell Pearlman (Purchaser), and John Joyner (Owner), that Ward 2, Sheet 16, Lot 167, be rezoned from R-4 High Density Residential District to CG Commercial General District. After discussing the issues of this request, the Commission voted to recommend to City Council that Ward 2, Sheet 16, Lot 167, and Lot 168, be rezoned from R-4 High Density Residential District to CG Commercial General District. He said the Commission recommends including Lot 168 to keep uniformity to the zoning boundary lines.

Mr. George Saenger, Attorney for Lowell Pearlman and Mr. Pearlman, explained to Council the need for the rezoning.

Mayor Trantham closed the public hearing at 5:15 p. m.

Mr. Emrick read the ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Councilman Cole moved for the adoption of Ordinance No. 1173. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1173 passed on first reading.

PUBLIC HEARING - REZONING PROPERTY AT THE CORNER OF EMMA ROAD AND BINGHAM ROAD

ORDINANCE NO. 1174 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. A public hearing was held relative to rezoning property at the corner of Emma Road and Bingham Road.

Mayor Trantham opened the public hearing at 5:15 p. m.

While checking with parties responsible for preparing the maps and studies, it has come to my attention that they were likely done in a manner that is illegal under the General Statutes of North Carolina. General Statute No. 89 clearly states that engineering work of this nature should be done only by a professional engineer who is duly registered and licensed by the State of North Carolina. I have been given the answer that "government is exempt"; however, a close examination of General Statute No. 89C-25 will show that government is not exempt in this case.

It seems that these maps and studies must be redone in a suitably accurate, legal, and competent manner before any flood plain ordinance will be enforceable in the City of Asheville.

Respectfully submitted,

/s/ Kenneth O. Pankow

Kenneth O. Pankow, P. E.

Mr. Pankow said he was able to get the maps changed before, after a costly and timely process. He requested that the City obtain more accurate maps before adopting the regulations. He said he had received no cooperation from TVA or the Planning Department in his working with the floodway maps.

Clay Chandley, President of Johnson-Chandley in Biltmore, also spoke relative to the flood plain regulations. He opposed the regulations stating that the regulations would reduce the property values in the area because of construction requirements. He also requested that action on the ordinance be postponed until his attorney could investigate the legality of the regulations.

Mr. Tom Butler, also requested that action be postponed until a later date until further engineering and legal studies can be made. He also commented on the small culverts in the Biltmore area, causing the flooding, stating that the City or the State should be responsible for increasing the size of the existing culverts.

Mr. James Anderson of Waldensian Bakeries, also requested that action be postponed on the issue. He said in his opinion the regulations would condemn the land in the floodway areas and force the businesses to move out of the City.

Note: Mayor Trantham arrived at the meeting at 4:50 p. m.

Walter Alexander said the culverts under US 25-A are stopped up causing flooding in the area.

Vice-Mayor Morris closed the public hearing at 5:00 p. m.

Vice-Mayor Morris commented that, due to the deadline of July 16, 1980 being imposed upon the City of Asheville, he did not feel the City could postpone action on the ordinance, however, Council could amend the ordinance or the boundary at a later date if they could legally do so under the provisions of the guidelines.

CITY OF ASHEVILLE

PLANNING & ZONING COMMISSION

704/255-5434

MEMORANDUM

TO: Ken Michalove, City Manager

FROM: Verl Emrick, Jr., Planning Director
Bill Moore, City Attorney

SUBJECT: Group Home Standards

DATE: July 7, 1980

Following Council's action on June 26th, Bill and I met with Councilman Boland to discuss the standards being proposed and other problems City Council may encounter in relation to the group homes.

Given that discussion, Bill and I can report the following:

First, Council may impose certain standards on placement of group homes within the City of Asheville. However, those standards cannot be so far-reaching as to exclude the placement of a group home in a neighborhood. By this we mean that the standards may not violate the letter or the spirit of the statutes (G.S. 168-9) which provides for neighborhood locations. This opinion is agreed with by the North Carolina Attorney General's Office in letters sent in March and November, 1979, copies of which are attached.

Secondly, in reviewing the standards Council is considering and comparing them with the suggestions made by the residents of Kenilworth, we find that there are areas in which some revisions can be made and still comply with G.S. 168-9. Therefore, we recommend that Council consider the following standards.

1. That each facility be allowed as a Conditional Use in all residential zones.
2. That the Board of Adjustments consider the following in determining the location of the facility:
 - (a) That the facility shall have the appropriate state operating license, and

P.O. Box 7148 • Asheville, North Carolina 28807

The Associate City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at a meeting held June 4, 1980, considered the request of Mr. and Mrs. Eugene Silver that their property located at the corner of Emma Road and Bingham Road be rezoned from LI- Light Industrial District to R-5 Residential District. After discussing the issues of the request, the Commission voted to recommend to City Council that Ward 12, Sheet 6, Lot 25 be rezoned from LI- Light Industrial District to R-5 Residential District.

Mrs. Eugene Silver, of 345 Emma Road, explained the need for the rezoning of her property. She showed members of Council a map where their trailer and a beauty shop would be located. She said the property as presently zoned would allow the beauty shop but would not allow them to place their mobile home on the property.

Mayor Trantham closed the public hearing at 5:23 p. m.

Verl Emrick, Planning Director, read the ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Councilwoman Price moved for the adoption of Ordinance No. 1174. This motion was seconded by Vice-Mayor Morris.

Councilman Boland said in his opinion the zoning of property is for the highest and best use of the property and property should not be rezoned for an individual purpose. He said he did not feel the best use of this land is for residential use.

On a roll call vote of 5-1, Ordinance No. 1174 passed on first reading with Councilman Boland voting "no."

PUBLIC HEARING - INCLUDING "GROUP HOMES FOR DEVELOPMENTALLY DISABLED ADULTS" AS
CONDITIONAL USE IN ZONING ORDINANCE

ORDINANCE NO. 1175 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE
PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. Continuation of a public hearing relative to amending the Zoning Ordinance to include "Group Homes for Developmentally Disabled Adults" as a Conditional Use in all residential zoning districts and in the OI-Office Institutional District.

Mayor Trantham said this public hearing was continued from the week of June 26, 1980.

Verl Emrick, Planning Director, said at the June 26, 1980 meeting, Council instructed that he evaluate a proposal made by the Kenilworth Association relative to "group homes."

In response to Council's instructions, Mr. Emrick read the following memorandum:

Memo to:
Ken Michalove

-3-

July 7, 1980

Finally, while we can see some serious problems in the practical or actual application of the state statutes, in our opinion the City's only alternative is to write the standards which provide reasonable protection under the existing statutes.

Should you have any questions, please advise.

Verl R. Emrick, Jr.
Planning Director

William C. Moore
City Attorney

He said in a second meeting with Mr. Moore and Councilman Boland a discussion was held relative to revising the review process to include "Group Homes for Developmentally Disabled Adults" as a group development instead of a Conditional Use. He said if the review is included in the group development process, Planning and Zoning and City Council would review each case for a group home individually.

Corporation Counsel Moore, referring to the general statutes, said the City is prohibited from imposing greater restrictions on "group homes" than apply to similar dwellings in the same zones. He said, in his opinion, the recommendations made by Mr. Emrick and himself would be reasonable restrictions. He said any greater restrictions may not be upheld by the courts.

Councilman Boland suggested that Council discuss with the state legislators the restrictiveness imposed on the City in this matter.

Mr. Emrick said he is in the process, along with the City Attorney, of preparing a proposed amendment for the legislature to consider in allowing more flexibility in setting standards for group homes.

Mayor Trantham reported that, as instructed by Council at the meeting of June 26, 1980, he wrote the following letters:

Memo to:
Ken Michalove

-2-

July 7, 1980

- (b) That the minimum size for the site shall be not less than three-fourths acre or 32,670 square feet. However, the Board of Adjustments may increase the required lot sizes if it finds that such an increase is warranted to maintain the character of the neighborhood where the facility is to be located.

NOTE: In recommending this specific lot size, two considerations have to be weighed. These are: (1) Will this provision meet the legal test of a reasonable application of the City's police power or does the actual application of the provision exclude the facility? If the actual application of the proposal does in fact exclude the facility then the provision of G.S. 168-9 are violated and this particular section of the ordinance would be invalid.

(2) If the Board of Adjustment is not given the authority to allow some reasonable variance to the strict letter of the ordinance, then there is a possible problem in discrimination when compared to the treatment of other uses in the specific districts. Again, the application of the provision of the ordinance must be equal in all instances.

(Given these factors, in our opinion, the recommendation of a minimum lot size of two acres effectively excludes a group home in most of the residential districts in the city and, therefore, the ordinance could not comply with the state statutes and would be invalid.)

- (c) Adequate off-street parking shall be provided.
- (d) Adequate buffering - minimum requirement shall be as outlined in Sec. 30-3-14 (A)(2).
- (e) Minimum spacing between any detached structures which house group home facilities for developmentally disabled adults should not be less than 2,500 feet.

NOTE: Here again the considerations which relate to the lot size requirements would hold true for the spacing requirements. Therefore, the suggestion of a spacing of three miles as well as requiring no more than one facility per neighborhood would not meet the requirements of the law.

- (f) No external signage shall be allowed.

Mrs. Betsy H. Stafford
June 30, 1980
Page Two

Finally, as I have stated, Council feels that these issues must be addressed and solved prior to any commitments made by HUD in financing the project.

As you proceed with your investigation, I offer any assistance that the City staff may provide in reaching an equitable solution to a very real problem.

Sincerely,

Roy M. Trantham
Mayor

Re: Section 202 Loan Reservation -
Group Home for Developmentally Disabled,
Asheville, North Carolina

Dear Ms. Stafford:

At your suggestion this morning in our phone conversation, this letter is to formally request that your office and staff investigate fully the environmental impact that locating the group home on Chiles Avenue by Housing Development Services, Inc., a subsidiary of the Buncombe County Association of Retarded Citizens, will have on the surrounding neighborhoods.

The City Council has ask that I make this request on their behalf since DHUD is directly involved in this project by providing funding with a Section 202 Loan Reservation.

In Council's opinion, there are several items DHUD should investigate given the fact that public funds will be used in the project. These items are:

1. Is there sufficient land area at the site to adequately provide a healthy environment for the tenants?
2. Will locating the facility on Chiles Avenue which is less than three blocks from a Group Home on St. Dunstan's Circle violate the principles of not causing an impaction or overloading a neighborhood with similar facilities? The principle referred to has been applied many times in Asheville in regard to placement of subsidized housing.
3. What will be the impact of the project on the total character of the neighborhood?
4. What will be the impact on traffic and general accessibility to the neighborhood?

Ms. Betsy Stafford

-2-

July 9, 1980

Finally, the City would request that no final decision be made by HUD until December, 1980, in order to give us time to complete our part of this project.

Your assistance is greatly appreciated and should you have any questions, please advise.

Sincerely,

Roy M. Trantham
Mayor

Mr. Herman Medler said he had already talked to Senator Swain relative to the "restrictiveness" imposed on the City and Senator Swain told him he would bring the matter back up when they go back into session.

Kathryn Johnson, 29 Devonshire, thanked Council for writing the letters to HUD. She requested that Council, at least, impose a restriction of a minimum lot size of one (1) acre on group homes and that the minimum spacing between the homes be one and one-half (1-1/2) miles.

Walter Alexander, Route 2, Asheville, requested that Council postpone action on the ordinance until Council could discuss the issue with the state legislature.

Larry Thompson of the Blue Ridge Community Mental Health, explained the process of selecting residents for group homes.

Nancy Boyette Miller of Kenilworth spoke against the construction of the proposed group home on Chiles Avenue.

Walter Alexander, also spoke against the construction of the proposed group home on Chiles Avenue and said the residents of Kenilworth need more cooperation from the Blue Ridge Community Mental Health in obtaining information relative to the proposed home.

John Jordan of 52 Montview Drive also spoke in opposition to the proposed group home on Chiles Avenue.

After discussion, Mayor Trantham closed the public hearing at 6:28 p. m.

RE: Request for Extension of 202 Loan Commitment -
Group Home for Developmentally Disabled Adults -
Chiles Avenue, Asheville, North Carolina

Dear Ms. Stafford:

As per our phone conversation of June 30, 1980,
I am on behalf of the City of Asheville requesting that
your office issue no firm commitments on the pending
application for the above captioned project.

The City, while not wanting to deny the right of
adequate housing to any of its citizens, feels that for
the particular location of the Chiles Avenue facility
the City is risking an impaction of this type of housing
of this particular neighborhood. With this being the
case, the City Council wishes to discuss the problem in
detail with the local developer to attempt to accomplish
the following items:

- (1) Location of a more suitable lot which would
provide more space, open air, recreational
areas and visitation areas, and
- (2) Assist the developers in negotiating and
relocating the facility through whatever
means are available to him and the city to
see a successful conclusion to the project.

ORDINANCE NO. 1177 - AN ORDINANCE ESTABLISHING THE SIXTH YEAR COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT AS A CAPITAL PROJECT FOR THE CITY OF ASHEVILLE

7. Consideration was given to an ordinance establishing the Sixth Year Community Development Block Grant Entitlement as a Capital Project for the City of Asheville.

Verl Emrick, Planning Director, read the ordinance.

The City of Asheville has been notified that the Department of Housing and Urban Development has approved Community Development Block Grant funds in the amount of \$1,771,000 for the Sixth Year entitlement. This ordinance establishes and appropriates projects for the 1980-81 Community Development Block Grant Entitlement.

Councilman Cole moved for the adoption of Ordinance No. 1177. This motion was seconded by Councilwoman Price.

On a roll call vote of 5-0, Ordinance No. 1177 passed on first reading.

Councilman Cole moved to suspend the rules and proceed to the second reading of Ordinance No. 1177. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1177 passed on second reading.

Councilman Cole moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1177. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1177 passed on third and final reading.

Complete text of Ordinance No. 1177 will be found in Ordinance Book No. 9 at page 153.

BUDGET AMENDMENT - CITY OF ASHEVILLE COMMUNITY DEVELOPMENT FUND BUDGET

8. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budget.

The Associate City Manager presented a budget amendment in the amount of \$70,689 to provide funds for street and sidewalk improvements, water and sewer improvements, and resurfacing on Eagle Street.

Councilman Cole moved to approve the budget amendment as presented by the Associate City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

RESOLUTION NO. 80-127 - RESOLUTION AUTHORIZING APPLICATION FOR APPALACHIAN REGIONAL COMMISSION FUNDS IN SUPPORT OF DOWNTOWN ACCESS AND WATER, SEWER AND DRAINAGE IMPROVEMENTS

9. Consideration was given to a resolution authorizing application for Appalachian Regional Commission funds in support of downtown access and water, sewer and drainage improvements.

The Associate City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-127 was unanimously adopted.

Complete text of Resolution No. 80-127 will be found in Resolution Book No. 12 at page 146.

Verl Emrick, Planning Director, read the ordinance.

Councilwoman Price moved for the adoption of the ordinance substituting one (1) acre, instead of three-fourths (3/4) acre, for the minimum lot size of a group home. This motion was seconded by Vice-Mayor Morris.

Corporation Counsel Moore, again reminded Council that, in his opinion, the restriction of a minimum lot size of one (1) acre may not be upheld in the courts.

On a roll call vote of 6-0, Ordinance No. 1175 passed on first reading.

Council requested that before the second reading of Ordinance No. 1175, Mr. Emrick prepare alternatives that can be considered by Council relative to the ordinance.

Councilman Boland moved to schedule a public hearing for July 31, 1980 to consider an ordinance imposing a moratorium on the issuance of building permits for group homes for a period of six (6) months. This motion was seconded by Councilman Cole and carried unanimously.

Councilman Boland said during the moratorium period Council would have an opportunity to investigate the issue with the Attorney General and HUD as to the distribution of group home in the City of Asheville.

Vice-Mayor Morris was excused from the meeting at 6:40 p. m.

ORDINANCE NO. 1176 - AN ORDINANCE AMENDING THE OPERATING AND CAPITAL BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1979-80

6. Consideration was given to an ordinance amending the operating and capital budget for the City of Asheville for fiscal year 1979-80.

The Associate City Manager read the ordinance explaining that this ordinance will summarize and ratify all budget amendments approved through June 26, 1980.

Councilwoman Price moved for the adoption of Ordinance No. 1176. This motion was seconded by Councilman Boland.

On a roll call vote of 5-0, Ordinance No. 1176 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1176. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1176 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1176. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1176 passed on third and final reading.

Complete text of Ordinance No. 1176 will be found in Ordinance Book No.

9 at page 152.

PETITION - CHANGING NAME OF STREET - PARKWAY PLACE TO SOURWOOD LANE -EAST

The Associate City Manager presented a petition received from residents of Parkway Place requesting that the street name be changed to Sourwood Lane-East.

The Associate City Manager said he would have the petition investigated and report back to Council.

SEWER PROBLEMS - REED CREEK SEWER - J. V. CORBIN

David E. Matney, III, Attorney for J. V. Corbin, said the Reed Creek sewer line, in the vicinity of UNC-A is running at full capacity. He said the Water and Sewer Department will not permit new construction in this area because of the sewer problems. He said his client, Mr. J. V. Corbin, wants to construct 40 to 50 units in the area. He said the Planning and Zoning Commission gave Mr. Corbin preliminary subdivision approval, at which time it was stated that water and sewer facilities were available in the area. He said when Mr. Corbin applied for his water and sewer connections, he was told the sewer facilities in the area would not permit the construction.

Mr. Matney said the Metropolitan Sewerage District proposes to upgrade the line, in the future, to a 27" line, at a cost of approximately \$350,000 to \$400,000. He said it would cost a minimum of \$150,000 for the City to upgrade the line for the proposed developments.

Mr. Matney requested that Council formally request the Metropolitan Sewerage District to put the upgrading of the sewer line as a higher priority on their 208 Study.

Mr. Bill DeBruhl, Director of Water and Sewer, said he knew of four or five people who want to develop in this vicinity but the existing sewer line will not carry the load. He said he had talked with the Metropolitan Sewerage District but to no avail. He suggested that all the developers get together and put up the local matching grant money in order for the City to obtain a grant to upgrade the line or for the developers to request the Metropolitan Sewerage District to put up the local matching grant funds.

The Associate City Manager said he would investigate the problem and report back to Council within two weeks.

SHIPMENT OF NUCLEAR FUEL THROUGH ASHEVILLE - DISCUSSION BY RUBIN FALK

Mr. Rubin Falk, President of Carolinians for Safe Energy, expressed concern relative to the nuclear fuel shipments that have been occurring through Asheville. He requested that Council schedule a public hearing to hear expert testimony relative to the shipment of nuclear fuel.

Chuck Sams, of 45 Morris Street also expressed concern about the shipments of nuclear fuel and said other cities have adopted ordinances regulating these shipments. He said it is his understanding that in the fall the Federal Department of Transportation will have legislature set regulations, which may restrict the City from passing such an ordinance.

APPROVAL OF CONSENT AGENDA

10. The Associate City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-128 - Resolution authorizing the Mayor to execute right-of-way agreements with the North Carolina Department of Transportation for a 2-inch water line on Jim Branch Road.

HIGHLIGHTS: This encroachment agreement with the North Carolina Department of Transportation is for a 2-inch water line on Jim Branch Road and is for domestic use and is being built to the City of Asheville specifications.

Resolution Book No. 12 Page 148.

- B. Scheduling of a public hearing relative to amending the Zoning Ordinance, by including an Article 12 to be known as "The Montford Historic District" for July 31, 1980.

HIGHLIGHTS: The Montford Historic District is being established as a "Local Historic District" under the existing state statutes. The district will be constructed as Article 12 in the Zoning Ordinance and will provide for architectural review and controls within the district which are designed to encourage restoration and preservation of the Montford area.

- C. Scheduling of a public hearing relative to rezoning property located on Beaverdam Road for July 31, 1980.

HIGHLIGHTS: The Planning and Zoning Commission, at its meeting on July 2, 1980 reviewed a request of Mrs. Betty Moore, Agent for Mrs. Genevieve Fowler that Ward 9, Sheet 6, Lot 28-1/4, and Mr. and Mrs. Clee Bishop that Ward 9, Sheet 6, Lot 28, be rezoned from R-3 Residential District to Commercial Highway. After discussion, the Commission voted to recommend to City Council that Lot 28 be rezoned to Commercial Highway with the exception of a 25' strip on Piedmont Avenue which would remain R-3 Residential District. The Commission further recommended that the 25' strip be used as the required buffer and planted according to the provisions of Sec. 30-3-14 (A) (2) of the Zoning Ordinance. The Commission voted to deny the rezoning of Lot 28-1/4.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

Thursday - July 17, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, H. C. Wilkes and Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter R. Boland (vacation)

INVOCATION

The invocation was given by Councilman H. C. Wilkes.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the July 10, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the July 10, 1980 meeting were approved as submitted.

RECOGNITION OF LARRY FISHER, DIRECTOR OF FINANCE, CHARLES KILLIAN, AND JIM HUNTER OF PATTON, HUNTER & COMPANY - ATTAINMENT OF CERTIFICATE OF CONFORMANCE IN FINANCIAL REPORTING

2. The City Manager recognized Larry Fisher, Director of Finance, Charles Killian, and Jim Hunter of Patton, Hunter & Company for their efforts in the City of Asheville receiving a Certificate of Conformance in Financial Reporting and in Larry Fisher receiving an Award of Financial Reporting Achievement. He said the Certificate of Conformance is the highest form of recognition in governmental accounting and financial reporting and its attainment represents a significant accomplishment by the City of Asheville and the Director of Finance. He said only six (6) governmental units in North Carolina received the award.

ORDINANCE NO. 1172 - AN ORDINANCE ESTABLISHING FLOOD PLAIN REGULATIONS FOR THE CITY OF ASHEVILLE

3. Consideration was given to the second reading of Ordinance No. 1172, an ordinance establishing flood plain regulations for the City of Asheville.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Planning Director, read the following letter:

After discussion, Councilman Boland suggested a work session between the City, the County, Civil Defense, and representatives of the Nuclear Regulatory Commission to address the issue of nuclear fuel shipments being made through Asheville.

J. V. CORBIN - SEWER PROBLEMS PROHIBITING DEVELOPMENT

Mr. J. V. Corbin expressed concern about the sewer problems in Reed Creek prohibiting him from building his development.

ANNOUNCEMENT OF NORTH CAROLINA LEAGUE OF MUNICIPALITIES CONVENTION - OCTOBER 19-21, 1980

The Associate City Manager advised Council members that they have been invited to attend the North Carolina League of Municipalities Convention in Raleigh, North Carolina on October 19-21, 1980.

ADJOURNMENT

The meeting adjourned at 7:20 p. m.

Ray M. Harrison Mayor William F. Holcomb City Clerk

Mr. Emrick said the Council has several alternatives relative to the adoption of the flood plain regulations. He said Council could adopt a temporary moratorium on all development located in the flood hazard area; delay the second and third readings of the ordinance until a later date; or pass the ordinance, as presented, on the second reading.

Mr. Emrick said until the City submits the required flood plain management measures to the Federal Insurance Administration for approval, the City will be suspended from receiving federal funds for the flood plain area which would include the suspension of Disaster Relief Funds if they were needed. In addition, no flood insurance policies can be written or renewed.

Mr. Emrick said he attended a meeting Wednesday night, at the invitation of Mr. Joe Pless, to discuss the ramifications of the ordinance with the affected property owners.

Upon inquiry of several Council members, Mr. Emrick identified specific businesses on the Flood Plain Maps.

Mr. Emrick identified the floodway and the flood fringe on the maps. He said if the regulations are adopted, as presented, those in the flood fringe can build new structures with certain restrictions, but those in the floodway could not build a new structure. He said if the existing buildings in the floodway are damaged, the buildings could be replaced, but not expanded, if it was determined by the Building Inspector that less than 50% of the building was damaged. Mr. Emrick reviewed the uses that would be permitted in the floodway zone.

Bill Moore, Corporation Counsel, read the following letter:

July 17, 1980

Mr. Verl R. Emrick, Jr.
Planning Director
City of Asheville
P. O. Box 7148
Asheville, N. C. 28807

RE: Flood Plain Ordinance.

Dear Verl:

You have requested an opinion from me as to whether the allegations contained in Mr. Kenneth O. Pankow's letter, dated July 10, 1980, are correct. Please find enclosed a copy of North Carolina General Statutes 89C-25 (6) which states that:

"This Chapter shall not be construed to prevent or affect:

- (6) Practice my members of the armed forces or employees of government of the United States while engaged in the practice of engineering or land surveying solely for said government on government-owned works and projects; or"

FEDERAL EMERGENCY MANAGEMENT AGENCY

Washington, D.C. 20472

193

14 JUL 1980

Honorable Roy M. Trantham
City of Asheville
P. O. Box 7148
Asheville, North Carolina 28807

Dear Mayor Trantham:

This is in response to your June 26, 1980 letter requesting that an extension of the Emergency Program for Asheville be granted until July 24, 1980.

As you are aware, the City of Asheville is scheduled to be converted to the Regular Program on July 16, 1980. This means that the Flood Insurance Rate Map (FIRM) becomes effective on July 16 thereby making increased limits of insurance coverage available for sale. Unfortunately, there are no provisions for granting extensions to the Emergency Program. Therefore, in order to avoid suspension, your community must submit the required flood plain management measures to the Regional Office prior to the deadline. However, there is another alternative of adopting a temporary moratorium on all development located in the flood hazard areas on your FIRM. Should you choose this option, we suggest you call the Regional Office for assistance.

Please note that should Asheville be suspended, it can be reinstated within several working days of the Regional Offices' approval of your adopted measures. In addition, no flood insurance policies can be written or renewed. However, existing policies remain in force until their expiration date.

If you need further assistance, please call the Regional Office, Insurance and Mitigation Division, Atlanta, Georgia at (404)881-2391.

Sincerely yours,

Gloria M. Jimenez
Federal Insurance Administrator

By Richard W. Krimm
Assistant Administrator
Office of Natural Hazards
Reduction & Evaluation

Keith Curtis, of the Tennessee Valley Authority, said they have been working with the Department of Housing and Urban Development since Congress created the Federal Insurance Program approximately ten (10) years ago. He said the Tennessee Valley Authority has been working on flood control for the last 25 to 30 years. He said the Tennessee Valley Authority works with all governmental agencies in the Tennessee Valley. He said most the cities, the size of Asheville, have already adopted flood plain regulations. He said the Tennessee Valley Authority prepared flood way maps for all the cities. He said in the near future, maps will also be prepared for the counties. He reiterated comments made by Mr. Emrick relative to the City being suspended from receiving federal funds for the flood plain areas if the regulations are not approved by the Federal Insurance Administration.

Mr. Emrick reviewed the floodway maps for individual property owners in the area, showing their particular location on the map as to whether they were in the flood way or the flood fringe area.

In response to Councilman Cole, Mr. Emrick said banks will not loan money to property owners in the flood plain area for construction unless they have flood insurance.

Robert S. Swain, Attorney for the property owners in the area, said the ordinance as proposed places too many restrictions on the property owners and is unfair to those who own property in the area. He said if the regulations are adopted the property owners will have no control over their property. He said the ordinance also may prohibit other industries from coming to Asheville. He said the state adopted flood control regulations but he thought they were more liberal than the ones proposed by the City. He said he would like an opportunity to compare the two.

Mr. Swain presented the following resolution:

NORTH CAROLINA

BUNCOMBE COUNTY

R E S O L U T I O N

WHEREAS, on July 10, 1980, the City Council of Asheville did pass, on first reading, a certain Ordinance entitled "AN ORDINANCE ESTABLISHING FLOOD PLAIN REGULATIONS FOR THE CITY OF ASHEVILLE, NORTH CAROLINA"; and

WHEREAS, on July 16, 1980, the undersigned persons, being taxpayers of Asheville and holding interests in certain business properties located within the areas affected by the said Ordinance, did meet together and form an association and did appoint a spokesman and chairman and did adopt the name of said association, same being ASHEVILLE RIVERSIDE ENTERPRISE ASSOCIATION, hereinafter referred to as AREA; and

Based on the above statutes and the information furnished me
by Mr. William Besser that the government agency known as HUD
did the contracting for this work, clearly shows that this is
a survey for the Federal government and comes under the exemp-
tion provision of the General Statutes.

195

This matter has been discussed with Mr. Dan Oakley of
the Attorney General's Office and he advised that based on
North Carolina General Statutes 143-215.56 (copy attached),
the City has authority to carry out this project under this
statutes, without question, as completed. Also, that the
intent of N.C.G.S. 89C-25 (6) has not been violated.

If Mr. Pankow feels that the Federal government has
violated the General Statutes in practicing surveying in
this State without a license, he should file an action against
the Government under the Statutes.

Finally, Brad Leor of the Federal Government Office in
the Atlanta HUD Office says Federal Laws supersede the State
Statutes and that he will forward us a copy of the Regulations.

If you have any additional questions or need further
clarification, please contact me.

Very truly yours,

William C. Moore
Corporate Counsel

said meeting and explain the impact said Ordinance may have upon the various¹⁹⁷
lands and businesses affected thereby, and the undersigned, being of the
opinion that enactment at this time of said Ordinance would severely reduce
the potential use of their lands and business properties and would impede
the progress of the City of Asheville in the development of new industrial
sites and that the tax base of the City of Asheville would be severely
reduced;

The undersigned members of the AREA do hereby petition the City
Council of Asheville as follows:

1.

That second and third readings of said aforementioned flood plain
Ordinance be postponed indefinitely and that no further action be taken
thereon; or, in the alternative:

2.

That the City of Asheville do enact an Ordinance placing a 90-day
moratorium on the issuance of building permits for expansion of construction
within the flood plain areas of Asheville as shown on the flood plain maps
presented to this association and to preclude material changes in the use of
said lands without permission of the appropriate body of the City of Asheville.

Respectfully submitted to the Mayor and Members of the Council of
the City of Asheville, this the 17th day of July, 1980.

Asheville, North Carolina, ratifying its resolution of November 8, 1979; approving the Articles of Incorporation, By-Laws and Directors of Victoria of Asheville, Inc.; approving the issuance of two million two hundred fifty thousand dollars (\$2,250,000) First Mortgage Revenue Bonds (Victoria Health Care Center) Series 1980 by Victoria of Asheville, Inc.; approving the form of said bonds; approving the form and content of the indenture of mortgage and Deed of Trust; approving the form and content of the Medical Facility Lease Agreement.

The City Manager read the resolution.

Ken Gummels of Brookwood-Victoria Investments, explained the background and status of the above referred to project. He said the action of this resolution pertains to the carrying out of the intent of the previously adopted resolutions.

The City Manager said this was a new venture of the City and all the documents have been reviewed by Steve Goldstein, Attorney, and he is satisfied with all the documents.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, Resolution No. 80-129 was unanimously adopted.

Complete text of Resolution No. 80-129 will be found in Resolution Book No. 12 at page 149.

ORDINANCE NO. 1173 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (rezoning property located on Clayton Street)

5. Consideration was given the second reading of Ordinance No. 1173, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property located on Clayton Street.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1173 passed on second reading.

ORDINANCE NO. 1174 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (rezoning property at the corner of Emma Road and Bingham Road)

6. Consideration was given the second reading of Ordinance No. 1174, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property at the corner of Emma Road and Bingham Road.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1174 passed on second reading.

Mr. Swain said if action is deferred, by delay or a moratorium, the property owners would have an opportunity to investigate the accuracy of the maps, the legality of the regulations and perhaps get the State to assist in repairing the bridges and culverts in the area which causes flooding.

Jack Westall, Attorney representing Gennett Lumber Company and one other property owner in the affected area, said this issue is another area where the federal government is taking control and regulating people's property. He said the proposed ordinance could be interpreted in several different ways. He said if the regulations are adopted most of the property would be non-conforming and useless. He said the property owners can regulate their own property as far as flood control is concerned. He also requested that Council delay the readings of the ordinance giving all involved an opportunity to study the issue.

Tom Butler, property owner in the area, spoke in opposition to the proposed ordinance.

Ralph Bishop, said he was opposed to the ordinance because of too much federal control.

Kenneth Pankow said in his opinion the flood way maps are inaccurate. He said other flood control ordinances adopted by other cities are more liberal than the one proposed by the City.

Mr. Bill Britt, of Britt and Tilson, Mr. Dave Featherstone of Sayles-Bleacheries, and Mr. R. A. Owens, spoke in opposition to the proposed ordinance.

Mr. Jerry Sternberg, spoke in opposition to the ordinance. He said more input should be put into the ordinance. He said the only ones who had input in the ordinance was the Planning Division, HUD and TVA.

Mr. Tom Donoho, property owner in the area, said in his opinion, no field survey was made in preparing the floodway maps.

Mayor Trantham called for a recess of Council at 6:00 p. m.

Council reconvened at 6:10 p. m.

After a brief discussion, Councilman Wilkes moved to table the second reading of Ordinance No. 1172 for thirty (30) days, giving all involved an opportunity to further study the issue and come up with an ordinance acceptable by the property owners and the Federal Insurance Administration. This motion was seconded by Councilman Brownlee and carried unanimously.

Councilman Wilkes requested that Mr. Swain appoint a committee of four or five property owners in the flood plain area to work with the Planning Department and Council on the proposed ordinance.

RESOLUTION NO. 80-129 - RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ASHEVILLE, NORTH CAROLINA, REAFFIRMING ITS RESOLUTION OF NOVEMBER 8, 1979; APPROVING THE ARTICLES OF INCORPORATION, BY-LAWS AND DIRECTORS OF VICTORIA OF ASHEVILLE, INC; APPROVING THE ISSUANCE OF TWO MILLION TWO HUNDRED FIFTY THOUSAND DOLLARS (\$2,250,000) FIRST MORTGAGE REVENUE BONDS (VICTORIA HEALTH CARE CENTER) SERIES 1980 BY VICTORIA OF ASHEVILLE, INC.; APPROVING THE FORM OF SAID BONDS; APPROVING THE FORM AND CONTENT OF THE INDENTURE OF MORTGAGE AND DEED OF TRUST; APPROVING THE FORM AND CONTENT OF THE MEDICAL FACILITY LEASE AGREEMENT

4. Consideration was given to a resolution of the City Council of the City of

(2) That the minimum size for the site shall not be less than one (1) acre. However, the Planning and Zoning Commission may increase the required lot size if it finds that such an increase is warranted to maintain the character of the neighborhood where the facility is to be located.

(3) Adequate Off-street Parking.

(4) Adequate Buffering - Minimum requirement shall be as follows:

Two (2) rows of evergreen shrubs planted on the side of the greenbelt facing the residentially zoned lots. These rows shall be no more than three (3) feet apart and the shrubs shall be planted in a staggered pattern no more than six (6) feet apart. These shrubs shall be of a size and species that will grow to a height of five (5) feet or more after one (1) full growing season and will eventually grow to a height no less than twelve (12) feet.

(5) Minimum spacing between any detached structure which houses group home facilities for developmentally disabled adults should not be less than 2,500 feet.

(6) No external signage shall be allowed.

VERJR/nr

After discussion, it was decided by Council to continue with the readings of the ordinance as previously presented rather than include the conditions under the "Group Development" section of the Zoning ordinance.

After discussion, Councilwoman Price moved to amend Ordinance No. 1175, by amending Section 1 (C) (5) to read as follows: "(5) Minimum spacing between any detached structure which houses group home facilities for developmentally disabled adults should not be less than 2,500 feet." This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1175, as amended passed on second reading.

ORDINANCE NO. 1175 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (including "Group Homes for Developmentally Disabled Adults" as a Conditional Use in all residential zoning districts and in the OI- Office Institutional District)

7. Consideration was given to the second reading of Ordinance No. 1175, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended including "Group Homes for Developmentally Disabled Adults" as a Conditional Use in all residential zoning districts and in the OI- Office Institutional District).

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Planning Director, read the following memorandum:

MEMORANDUM

TO: Ken Michalove, City Manager
 FROM: Verl R. Emrick, Jr., Planning Director
 SUBJECT: Group Home Ordinance Proposals
 DATE: July 16, 1980

Last week City Council indicated that as an alternative to addressing the group homes as conditional uses that they be reviewed as a Group Development. If Council wishes to consider this further, the following word changes would accomplish the desired change:

A. That Group Homes for Developmentally Disabled Adults be allowed as a permitted use in all residential zoning districts and in the Office-Institutional District. Provided, however, that prior to the issuance of a building permit each facility shall have met the requirements of a Group Development Review.

Section 30-6-1(E), Exemptions shall not apply when a project is submitted under the provisions of this Ordinance.

B. No change in wording.

C. That the following development standards be included in Article 6. Group Developments, in order to assist the Planning and Zoning Commission in evaluating the impact of any proposed facility within the jurisdiction of this ordinance.

Standards for Group Homes for Developmentally Disabled Adults:

- (1) Facility shall have the appropriate state operating license.

Resolution No. 80-130

- A. Resolution authorizing the Mayor to execute an agreement with the Carolina Power and Light Company for the supply of electricity to the pumping station on Sweeten Creek Road (U.S. 25-A)

HIGHLIGHTS: The Carolina Power and Light Company has submitted an agreement to supply electricity needed for the operation of the water pumping station located on Sweeten Creek Road.

Resolution Book No. 12 Page 151

Resolution No. 80-131

- B. Resolution authorizing the Mayor to enter into an agreement with Talbert, Cox and Associates, Incorporated for the evaluation and design of repairs or replacement of the Chestnut Street Bridge.

HIGHLIGHTS: Due to structural deterioration it has become necessary to close the Chestnut Street Bridge to protect the safety and well being of the traveling public. Talbert, Cox and Associates, Incorporated has submitted an agreement to perform the necessary inspection and evaluation of repair vs. replacement in accordance with the North Carolina bridge inspection format, as approved under the Federal Highway off system bridge program. The proposal is in the amount of \$3,900.00.

Resolution Book No. 12 Page 152

Resolution No. 80-132

- C. Resolution authorizing the expenditure of funds to contract with Six Associates, Inc. for engineering services for the South Pack Plaza Project.

HIGHLIGHTS: During the construction of South Pack Plaza, tunnel and vaults have been uncovered which will complicate structural support for the plaza. Six Associates, Inc. have substantial experience in architectural structural design and are familiar with structures adjacent to the site. This resolution will authorize the Planning Department to contract with Six Associates, Inc. for engineering structural services on a per diem basis and the funds shall be expended from the Planning Department's Urban Development Action Grant administrative funds.

Resolution Book No. 12 Page 153

Resolution No. 80-133

- D. Resolution authorizing the acceptance of a grant from the North Carolina Department of Archives and History for facad improvements to certain historic buildings in the Downtown Historic District.

HIGHLIGHTS: This grant in the amount of \$25,622 will be used for facad improvements to certain historic buildings. This grant will be a 50/50 match with the individual property owners providing the local match.

Resolution No. 80-134

- E. Resolution considering solicitation for architectural services for rehabilitation of Historic Property.

HIGHLIGHTS: This will authorize Requests for Proposals for the architectural services associated with the restoration of the exterior of the YMI Building on Eagle Street.

Resolution Book No. 12 Page 155

SALE OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT

8. Consideration was given to a motion approving the sale of Disposal Parcels in the East Riverside Renewal Project.

The City Manager said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project:

<u>PARCEL</u>	<u>REUSE</u>	<u>PRICE</u>	<u>BID</u>	<u>REDEVELOPER</u>
64	Residential	2,000	2,376	L S & M Building Co.
65	Residential	1,900	2,076	L S & M Building Co.
120	Residential	2,496	2,496	Mr. & Mrs. Lacy Pickens
121	Residential	2,423	2,475	Johnny Norris
142	Residential	2,000	5,000	Mr. & Mrs. Cletus Sloan
170	Residential	2,300	2,300	Mr. & Mrs. Lawrence McClain
182	Commercial	35,000	35,000	Neblett & Neblett
193	Residential	1,300	1,300	Hayward Powers

Larry Holt of the Asheville Housing Authority said six of the lots will be used for single family dwellings, one for acreage, and the commercial lot will house Computer Sharing Inc.

Councilwoman Price moved to approve the sale of the disposal parcels in the East Riverside Renewal Project as presented by the Housing Authority. This motion was seconded by Councilman Wilkes and carried unanimously.

BUDGET AMENDMENT - PARKS AND RECREATION DEPARTMENT GRANTS PROGRAMS FUND

9. Consideration was given to a budget amendment amending the City of Asheville Parks and Recreation Department Grants Programs Fund.

The City Manager said this budget amendment in the amount of \$3,554, is to provide for the continuation of the Hillcrest Parenting Program enrichment project which is intended to improve the parenting skills of the parents involved in the Hillcrest Enrichment Program in order to reduce the juvenile crime rate in the Hillcrest area.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

10. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff any single item scheduled for approval on the consent agenda may be considered separately:

206

MEMORANDUM TO: Ken Michalove
City Manager

FROM: T. Clark Brown *TCB*
Director of Public Works

DATE: July 15, 1980

SUBJECT: Drainage problems — Mayflower Drive
Mr. and Mrs. Lochard F. Gracey, Jr. (Lot 40, Sheet 13, Ward 2)

Ken, Mr. Gracey and Mr. Roger Grant, a local realtor, visited my office yesterday morning.

They were concerned about a piece of property that Mr. Gracey purchased on Mayflower Drive on Sunset Mountain.

This piece of property is and has been receiving drainage from Mayflower Drive and that property on Sunset Mountain upgrade of the property for many years.

I advised them that under our drainage policy (Resolution 77-49) that it was the responsibility of the property owner to accomodate this drainage for his development and to carry it through his property on alignment with the existing drainageway.

The cost of the drainage improvements on private property is totally the responsibility of the property owner. However, those improvements required by the property owner for his development that is on our system right-of-way can be done on a participation basis where the property owner is responsible for the cost of materials and the city furnishes the equipment and labor.

The size of the culvert under Mayflower Drive at this location is approximately 18" diameter.

The cost of 18" diameter corrugated metal pipe culvert (plain) is \$6.30 per linear foot.

I estimate the cost of constructing a catch basin on Mayflower Drive and carrying the water through Mr. Gracey's property, assuming a culvert length of 200 l. f. to be \$3,800.00 - \$4,500.00.

If you have any questions regarding this, please let me know.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Morris, the consent agenda was unanimously approved.

PRELIMINARY CENSUS INFORMATION

The City Manager reported that the preliminary Census Reports have been received and the report indicates that the population for the City of Asheville has decreased by approximately 7.9%. He said the reports indicate the population in 1970 to be 57,820 and the 1980 to be 53,275. He said this decrease brings the City of Asheville close to the borderline of being under 50,000 which would affect federal funds the City receives. He said this is just another reason why annexation should be considered.

CLAIMS - JANICE MITCHELL HARRELL - WILLIAM M. LUNSFORD - DOROTHY M. SEXTON - CALVIN L. BYRD

The City Manager presented claims received from Janice Mitchell Harrell, William M. Lunsford, Dorothy M. Sexton, and Calvin L. Byrd.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

DRAINAGE PROBLEMS - SUNSET MOUNTAIN - MR. L. F. GRACEY, JR.

The City Manager read the following letter and report from Clark Brown, Director of Public Works:

The Honorable Kenneth M. Michalove
Asheville City Manager
City Hall
Asheville, North Carolina 28301

Dear Ken:

I represent Mr. Lochard F. Gracey, Jr., and his wife, Marjorie A. Gracey, who own some property on Sunset Mountain, identified on the Tax Maps as Lot 40, Sheet 13, of Ward 2. Mr. and Mrs. Gracey purchased this property in 1974 for the purpose of constructing a house on it.

Excavation has started for the construction of a house which will have approximately 2800 square feet and which is estimated to cost in excess of \$100,000.00. However, the contractors have discovered that there is a culvert under Mayflower Road which at the present time is dumping water onto the Graces' property. It is my understanding that the culvert is located within the right of way owned by the City of Asheville.

As long as this problem exists, the Graces will not be able to complete construction of the house. Therefore, on their behalf, I am respectfully asking that appropriate action be taken immediately to correct this problem so that they would not be deterred in constructing their home. If I may be of assistance to you in any way, please do not hesitate to let me know.

Very truly yours,

Floyd D. Brock
Floyd D. Brock

FDB:elf

There have been no buildings or structures, other than access drives or possibly drainage structures constructed on the R/W. There are some trees of substantial size which have grown up on the R/W, so it appears not to have been used by automobiles in the last several years or at least since it was annexed into the city. It did appear that someone had been walking along the R/W however, since there were some signs of a trail.

Since the property owners who signed the petition have not been denied usage of the R/W for access, do you still feel that we should contact the property owners or proceed with the petition? The next step would be to determine the cost to each property owner and have them sign the agreement to have the street opened, and agreeing to pay their share of the cost.

The cost of \$50.00 per foot was the total cost per foot and was a reach-and-grab estimate. I have asked Engineering to prepare a more realistic estimate.

After discussion, Council instructed the City Manager to write the residents on Forest Street, whose property is adjacent to Maple/Ardmore Street and ask them if they still want the street opened and if they want to pay for the paving of the street.

LPW/bew

REPORT RELATIVE TO 230 MONTFORD AVENUE

The City Manager said he had met with Bob Orr and Bruce Roberts relative to the progress made on the rehabilitation of 230 Montford Avenue. He said the Building Inspector reports that significant progress has been made and the dwelling would not require demolition since the safety work has been completed. He said the ordinance allowing the rehabilitation of 230 Montford Avenue required Mr. Orr and Mr. Roberts to secure a bond in the amount of \$4,000 to assure that the safety requirements were met. He said Mr. Orr and Mr. Roberts are now requesting the City to relieve them of the \$4,000 bond in order for them to use the money on rehabilitating the dwelling.

Corporation Counsel Moore advised Council that an ordinance would have to be adopted amending the ordinance requiring the bond in order for the bond to be relieved.

PROCLAMATION - MONTH OF JULY AS "AID TO MENTALLY RETARDED MONTH"

Mayor Frantham proclaimed the month of July as "Aid to Mentally Retarded Month."

ANNOUNCEMENT OF PUBLIC HEARING - WIDENING OF McDOWELL STREET

The City Manager advised that the N. C. Department of Transportation will be holding a public hearing on July 31, 1980 at 7:30 p. m. in the Commission Room of the Buncombe County Courthouse relative to the widening of McDowell Street (U. S. 25) from a point south of Myrtle Avenue to Southside Avenue in Asheville.

The City Manager said the present policy relative to storm drainage will not permit the city to correct the situation for the Graceys.

After discussion, Council requested that the City Staff investigate the present policy to see what affect it would have if Council changed the policy.

REPORT RELATIVE TO HAZEL MILL ROAD BRIDGE

The City Manager reported that the Hazel Mill Road Bridge has been repaired after being damaged this morning by an automobile accident. He said the Mayor will be making another request of Mr. Tom Bradshaw of the N. C. Department of Transportation to repair or replace the bridge.

REPORT RELATIVE TO PETITION TO OPEN ARDMORE/MAPLE STREET

The City Manager presented the following report relative to the petition from the residents of Ardmore/Maple Street to open the street:

MEMORANDUM TO: Ken Michalove
City Manager

FROM: Larry P. Ward *Lpw*
Director of Planning, Research and
Development/Department of Public Works

DATE: July 8, 1980

Ken, Burl Lance has developed the Apartment Complex off Caribou Road, which abuts the unopened R/W of Maple Street or Ardmore. Mr. Lance used a portion of this R/W for the northern Entrance to his Apartment Complex. Mr. Frady came to us about three or four months ago and complained that Mr. Lance had used the R/W. I called Mr. Lance, and he referred me to Billy Ashley, who had done the engineering for the project.

Billy informed me that he had checked with Mr. Frady and others in the area, prior to laying out the roads and they said they had no problem with part of the R/W being used for the entrance to the Development. Billy said that later after the road was constructed, that Mr. Frady approached them and complained about the access road. At this point, Mike Evans and I rode out and looked to see where fill dirt had been deposited on Ardmore Street, but found none on the opened portion. I later discovered that the portion Mr. Frady was concerned about was that portion which was unopened. At this time, I rode out to the site again and found that about 100 feet of the northern Entrance to the Development was located on what appeared to be the unopened R/W for Ardmore Street. This section was paved and curbed approximately 150 feet. Further down the unopened portion of Ardmore, some fill had been placed on the R/W. I also noticed that there had been a curb cut off of the Entrance road to the Apartments, so that access to the unopened portion of Ardmore was available.

Clark, Buzz and Bill Moore met concerning the use of the R/W and determined that since Mr. Lance's Development joined the southern boundary of the R/W, that he had rights to use the R/W so long as it did not prohibit the property owner who's property adjoined the R/W from using it. There is an old fence along some portions of the R/W, and if the fence is located on the R/W line, it does not appear that access to other property owners along the R/W has been cut off.

Thursday - July 24, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, P. Jack Cole, H. C. Wilkes, and Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Harold F. Brownlee.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the July 17, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the July 17, 1980 meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT N. LOUISIANA AVENUE AND HAZEL MILL ROAD

ORDINANCE NO. 1178 AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. A public hearing was held relative to rezoning property at the corner of N. Louisiana Avenue and Hazel Mill Road.

Mayor Trantham opened the public hearing at 4:15 p. m.

Note: The City Manager was out of the meeting temporarily.

The Assistant City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its meeting on June 4, 1980, considered the petition of Mrs. Mabel Woody that Ward 6, Sheet 17, Lot 71, be rezoned from R-3 Residential District to CH Commercial Highway District. After discussing the issues of the request the Commission voted to recommend denial of the petition to City Council. However, the City Clerk received a letter, dated June 19, 1980, appealing the decision of the Planning and Zoning Commission and requested that a public hearing be held by the City Council to review this rezoning request. He said the Planning and Zoning Commission felt the rezoning should be denied because of severe traffic problems already existing in the area. It was the Planning and Zoning Commission's feeling that the property has the potential for being commercial after street improvements are made. He said sufficient written protest has been received to warrant a 3/4 affirmative vote (6 votes) of Council to adopt the ordinance for rezoning.

Councilwoman Price said the Transportation Committee has asked the State to widen Louisiana Avenue but action probably will not be taken for at least ten (10) years.

REPORT FROM CORPORATION COUNSEL - SHIPMENT OF NUCLEAR FUEL

Corporation Counsel William C. Moore read N.C.G.S. 160A-183 relative to regulation of explosive, corrosive, inflammable, or radioactive substances. He said by this statute the City could pass an ordinance to restrict, regulate or prohibit the sale, possession, storage, use or conveyance of any explosive, corrosive, inflammable, or radioactive substances, or any weapons or instrumentalities of mass death and destruction within the city. He said the City could adopt such an ordinance but the federal government may come in and supercede the ordinance.

Mayor Trantham advised that a telegram was sent to President Carter, the Chairman of the Nuclear Regulatory Commission, Governor Hunt and Sarah Morrow of the Department of Human Resources from Curtis Ratcliff, Jerry VeHaun and himself requesting that notification of all high-level radiation shipments through Buncombe County and Asheville, N. C. be made to R. Curtis Ratcliff, Chairman Buncombe County Board of Commissioners, Roy M. Trantham, Mayor, City of Asheville, and M. Jerry VeHaun, Civil Preparedness Coordinator Buncombe County, N. C. at least 24 hours prior to such shipments effective immediately. He said he has not received a reply to the telegram but when a reply is received he will report the information to Council.

After discussion, Corporation Counsel Moore said he would contact the appropriate official in Washington to see what federal laws there are in connection with the radioactive substances.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilwoman Price, the meeting adjourned at 7:25 p. m.

MAYOR

CITY CLERK

ORDINANCE NO. 1173 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property located on Clayton Street)

3. Consideration was given to the third reading of Ordinance No. 1173, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property located on Clayton Street.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1173 passed on third and final reading.

Complete text of Ordinance No. 1173 will be found in Ordinance Book No. 9 at page 148.

ORDINANCE NO. 1174 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (rezoning property at the corner of Emma Road and Bingham Road)

4. Consideration was given to the third and final reading of Ordinance No. 1174, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property at the corner of Emma Road and Bingham Road.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 6-1, Ordinance No. 1174 passed on third and final reading, with Councilman Boland voting "no."

Complete text of Ordinance No. 1174 will be found in Ordinance Book No. 9 at page 149.

ORDINANCE NO. 1175 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended including "Group Homes for Developmentally Disabled Adults" as a Conditional Use in all residential zoning districts and in the OI- Office Institutional District.

5. Consideration was given to the third and final reading of Ordinance No. 1175, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended including "Group Homes for Developmentally Disabled Adults" as a Conditional Use in all residential zoning districts and in the OI- Office Institutional District.

At the request of Councilman Wilkes, Mr. Emrick, Planning Director, read the ordinance in its final form with amendments previously made by Council.

Rev. William R. Fisher, of the Asheville First Church of the Nazarene, spoke in opposition to the rezoning due to the existing traffic problems. He said they would like to keep the area residential.

Mr. Talmadge Penland, Attorney for Mrs. Mabel Woody, spoke in support of the rezoning. He questioned whether existing traffic problems is a valid reason for denying a rezoning request. He said increased residential property in the area is highly unlikely. He said the property is on the fringe of heavily commercial property. He said the property in question contains approximately 3.3 acres and is prime for commercial development. He said his client has no specific intended use of the property at present but rezoning the property to Commercial Highway would increase the market value of the property.

Mr. George Davis, 379 Louisiana Avenue spoke in opposition to the rezoning of the property. He said he had heard that the owner plans to put a mobile home display on the lot. He said the road has existing traffic problems and more commercial property would add to the problems. He said the road is presently in need of repair. He said once the road is widened the residents of the area would not object to rezoning property in the area to Commercial.

Martha Price of 380 Hazel Mill Road spoke in opposition to the rezoning stating that the rezoning would cause property values to decrease. She said construction on the property would also cause water problems for the residents adjoining the property in question.

Mr. Talmadge Penland said the rumor of the property being used for a mobile home lot is erroneous.

Mr. William E. Page, 350 Hazel Mill Road also opposed the rezoning due to existing traffic problems.

Mayor Trantham closed the public hearing at 4:35 p. m.

Verl Emrick, Planning Director, read the ordinance rezoning the property as petitioned.

Councilman Cole moved for the adoption of Ordinance No. 1178. This motion was seconded by Councilman Boland.

Vice-Mayor Morris said in his opinion in the future the property in question should be zoned Commercial Highway, however until the traffic problems are alleviated the property should remain zoned for residential use.

Councilman Wilkes said he did not think Council should rezone property just to increase the market value of the property.

On a roll call vote of 6-1, Ordinance No. 1178 failed, with Councilman Cole voting "aye" and Mayor Trantham, Vice-Mayor Morris, Councilwoman Price, and Councilmen Boland, Wilkes and Brownlee voting "no."

Department of Transportation not reimbursed by the Federal Highway Administration. It is necessary for the City to enter into a contract with the Department of Transportation to provide for the installation and maintenance of the devices at the above mentioned highway-railway crossings.

Resolution Book No. 12 Page 156

- B. Resolution No. 80-136 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Huntley Construction Company for the project known as American Way/Rash Road six-inch sewer line.

HIGHLIGHTS: On Wednesday, July 9, 1980 bids were opened on the American Way/Rash Road Six-Inch Sewer Line Project. Huntley Construction Company is the apparent low bidder for this contract and this resolution will authorize the signing of the contract, in the amount of \$20,318.00.

Resolution Book No. 12 Page 157

- C. Resolution No. 80-137 - Resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish 135 Brooklyn Road, 22 Normandy Road, and 18 Weaver Hill for August 21, 1980.

HIGHLIGHTS: The above referred to dwellings have been found to be unfit for human habitation, unsafe and dangerous to life. According to N.C.G.S. 160A-364 a public hearing is required for the adoption of an ordinance directing the Housing Officer to demolish the dwellings.

Resolution Book No. 12 Page 158

- D. Scheduling of a public hearing relative to the adoption of an ordinance amending Ordinance No. 1159, AN ORDINANCE TO REHABILITATE OR DEMOLISH THE DWELLING HOUSE KNOWN AS 230 MONTFORD AVENUE" for August 14, 1980.

HIGHLIGHTS: Ordinance No. 1159 required that Mr. Bob Orr and Mr. Bruce Roberts secure a performance bond in the amount of \$4,000. Substantial progress has been made on the rehabilitation of the house and the owners wish to be relieved of the \$4,000 performance bond. In order to be relieved of the bond an ordinance must be adopted to amend Ordinance No. 1159.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously approved.

EXECUTIVE SESSION FOR COUNCIL

Vice-Mayor Morris moved that Council go into executive sessions for the purpose of discussing the acquisition of real property. This motion was seconded by Councilman Cole and carried unanimously. Council went into executive session at 5:10 p. m.

After discussion, Councilwoman Price moved to amend Ordinance No. 1175 by amending Section 1 (C)(2) to read as follows: "(2) The minimum lot size for the site shall be no less than one (1) acre." This motion was seconded by Councilman Boland and carried unanimously.

Upon inquiry of Larry Thompson, Director of Blue Ridge Mental Health, Councilwoman Price explained that the Board of Adjustment, which will have the authority to approve a "Group Home for the Developmentally Disabled Adults" will have the authority to increase or decrease the minimum lot size of any particular facility. She said each facility will be considered individually by the Board of Adjustment.

On a roll call vote of 7-0, Ordinance No. 1175, as amended passed on third and final reading.

Complete text of Ordinance No. 1175 will be found in Ordinance Book No. 9 at page 150.

BUDGET AMENDMENT - COMMUNITY DEVELOPMENT FUND BUDGET - PINE STREET IMPROVEMENTS

6. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budget.

Verl Emrick, Planning Director, presented the budget amendment explaining that the amendment will provide funds for water and sewer improvements on Pine Street in the East End/Valley Street area.

Councilwoman Price moved to approve the budget amendment as presented by the Planning Director. This motion was seconded by Councilman Wilkes and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

7. The Associate City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-135 - Resolution authorizing the Mayor to execute an agreement with the North Carolina Department of Transportation for a railroad crossing signal and gates at the Southern Railroad Crossing at Glendale Avenue, further identified as crossing number 720-480B, and at the Southern Railway Crossing at Bear Creek Road, further identified as Crossing Number 720-397A.

HIGHLIGHTS: The Department of Transportation proposes to contract with the Federal Highway Administration to obtain Federal-Aid funds for the improvements in protective devices at the above mentioned highway-railway crossings. The City of Asheville will reimburse the Department of Transportation for any and all expenses incurred in the planning, design and installation of the protective devices incurred by the

Councilman Boland moved that the City Council approve the contents of the above statement read by the City Manager. This motion was seconded by Councilman Brownlee and carried unanimously.

Councilwoman Price moved that a public hearing be scheduled for August 14, 1980 to consider an ordinance requiring any development within a 3-mile radius of the City Limits meet the subdivision or group development standards of the City of Asheville Zoning Ordinance and must petition for annexation to the City prior to being granted a tap permit to the City of Asheville water system. This motion was seconded by Councilman Cole and carried unanimously.

REQUEST BY COUNCILMAN WILKES - RE: COMPLAINT BY REV. O. T. TOMS RELATIVE TO CABLEVISION

Councilman Wilkes requested that the City Manager investigate a complaint of Rev. O. T. Toms relative to cablevision.

CLAIMS - JOHNNY L. AUSTIN - DONNA C. JACKSON - KATHLEEN GARREN - GERALDINE AUSTIN - MARY LOW HAMMONDS - HAZEL YOUNG - GARY L. CHAPMAN

The City Manager presented claims from the above mentioned individuals.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 80-138 - RESOLUTION AUTHORIZING DIRECTOR OF FINANCE TO SELL SURPLUS PROPERTY

Consideration was given to a resolution authorizing the Director of Finance to sell surplus property.

The City Manager read the resolution explaining that the surplus property will be sold at a public auction at the Asheville Civic Center on August 9, 1980.

Upon motion of Vice-Mayor Morris, seconded by Councilwoman Price, Resolution No. 80-138 was unanimously adopted.

Complete text of Resolution No. 80-138 will be found in Resolution Book No. 12 at page 159.

DISCUSSION RELATIVE TO STATEMENT BY COUNCIL RE: PROPOSED DOWNTOWN MALL

Wayne Caldwell, said in his opinion the statement read by the City Manager and approved by the Council endorsed the Strouse Greenberg Downtown Complex. He said he was disturbed that Council did not give the public an opportunity to comment on the statement before Council approved the statement. He said he was concerned about the speed and haste in which the motion for approval was made.

Mayor Trantham said the action taken by Council was not an endorsement of the downtown complex but the intent of Council was to put all the mall proposals into an open market and whoever gets the anchor stores will get the mall.

David Matney, attorney representing Save Downtown Asheville, said there was no question of the Council's legal right to approve the statement but the Council was unfair in approving it before allowing the public to speak. He spoke in opposition to the downtown proposal by Strouse Greenberg.

Council reconvened into regular session at 5:30 p. m.

DISCUSSION RELATIVE TO PROPOSED MALLS FOR ASHEVILLE AND BUNCOMBE COUNTY

The City Manager read the following statement:

Three shopping centers have been proposed and/or are in the development stages: Biltmore Estate, I-26/Brevard Road; I-240 - Brevard Road, and Downtown. Based on these proposals, the City Council instructs the City Manager to:

1. Prepare a statement that the City approves the concept of the Downtown Shopping Complex provided:
 - a) Favorable relocation plan is implemented for existing businesses and residences.
 - b) That the area meets the criteria of the N. C. General Statutes for redevelopment of blighted areas.
 - c) That there is no financial liability whatsoever to the City other than the normal costs of City service delivery to any business or residence.
 - d) That the City approve the non-profit corporation.
 - e) That concrete approval from anchor stores is obtained.
 - f) That a federal grant application must be approved by the City Council.
 - g) That rents/lease payments must be adequate to cover debt service.
 - h) That City Council approve final plans and specifications as to architectural design.
 - i) That the developer/non-profit corporation comply with all ordinances of the City and laws of the State of North Carolina.
2. Contact the developer of the Westland Mall and determine if the developer is still interested in rezoning; if so, prepare a legal opinion regarding whether or not the City Council may on its own motion rezone this property.
3. That a request be made of HUD to do an Economic Impact Study of the Biltmore Estate/I-26/Brevard Road proposal and a traffic and transportation study be made of this site by the Transportation Advisory Committee.
4. That the City Council schedule a public hearing for August 14, 1980, to consider an ordinance requiring any development within a 3-mile radius of the City limits meet the subdivision or group development standards of the City of Asheville Zoning Ordinance and must petition for annexation to the City prior to being granted a tap permit to the City of Asheville water system.

Monday - July 31, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilmen Walter R. Boland, H. C. Wilkes and Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Acting City Clerk, Carol Hensley.

Absent: Councilwoman Norma T. Price and Councilman F. Jack Cole
Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman Walter R. Boland.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the July 24, 1980 meeting.

Upon motion of Councilman Boland, seconded by Councilman Brownlee, the minutes of the July 24, 1980 meeting were approved as submitted.

PROCLAMATION - "BELE CHERE FESTIVAL 1980"

2. Mayor Trantham proclaimed August 14, 15, and 16, 1980 as "Bele Chere Festival 1980."

RESOLUTION NO. 80-139 - RESOLUTION AUTHORIZING CERTAIN OFFICIAL ACTION
RELATIVE TO THE BELE CHERE FESTIVAL

3. Consideration was given to a resolution authorizing certain official action relative to the Bele Chere Festival to be held August 14, 15, and 16, 1980.

Verl Emrick, Planning Director, read the resolution stating that in order to facilitate the success of the "Bele Chere Festival 1980" certain actions, contained in the resolution, must be taken by Council such as the authorization to close certain streets, waiving of the requirements of Section 25-5, Selling on Streets and Sidewalks, and Section 25-6, Use of Streets and Sidewalks for Demonstrations, and the waiving of parking fees on certain parking lots.

Upon motion of Vice-Mayor Morris, seconded by Councilman Boland, Resolution No. 80-139 was unanimously adopted.

Complete text of Resolution No. 80-139 will be found in Resolution Book No. 12 at page 161.

Mr. Tom Dabney, Chairman of the Bele Chere Festival Committee, thanked Council for their support in the program and presented each member of Council with a T-shirt for the Bele Chere Festival.

Ms. Austin of 320 Town Mountain Road spoke in opposition to the proposed Strouse Greenberg Downtown Complex.

Jan Schochet, 111 Lakeshore Drive, read excerpts of an editorial, copies of which were presented to Council, in essence opposing a downtown mall.

Ralph Burns, 35 Cullowhee Street said he owns a business in the Lexington Park area and felt it was a dangerous illusion that a mall can save downtown. He said the progress being made in Lexington Park and other areas should be allowed to continue with the city's support rather than being torn down to make room for an outside project.

Lou Millian, of T. S. Morrison Company on Lexington Avenue, also opposed a downtown mall complex. He said if another suburban mall is built, downtown Asheville will not perish. He said the downtown area will grow and prosper without a downtown mall.

Kathryn Long of Griffing Blvd. also spoke in opposition to a downtown mall complex.

Sarah Long, a downtown business merchant, spoke in opposition to a downtown mall complex.

Alfred Ramirez, operator of Lexington Courtyard Studio, opposed a downtown mall and said Council should have waited until staff studies are completed concerning the feasibility of the downtown project before taking any action.

Gerald Brown of 17 Carolina Lane also spoke in opposition to a downtown mall complex.

RALPH BISHOP - LOTTERY SALES - DOWNTOWN MALL PROPOSAL

Ralph Bishop again spoke to Council relative to the lottery sales in Asheville, the corrupt Asheville Police Department, and opposed the proposed downtown mall complex.

Rev. Pete DeSiax, Chaplain of the Asheville Police Department, in rebuttal to comments made by Ralph Bishop, spoke in support of the Asheville Police Department.

Vice-Mayor Morris thanked Rev. DeSiax for making his comments.

DOWNTOWN MALL PROPOSAL

Larry Hutton, of the Central Asheville Association, said his group had offered its wholehearted support for the downtown proposal. He said the staff report has been delayed because the inspections of the property have not been completed. He said it is important that the inspections be completed as soon as possible. He said the downtown mall proposal is a great opportunity for the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, the meeting adjourned at 6:30 p. m.

MAYOR

CITY CLERK

Mr. Emrick said the ordinance imposes a requirement for a Certificate of Appropriateness before certain architectural changes can be made in the exterior of the structures in the area. He said the Certificate would be issued by the Historic Resources Commission upon application to the Commission. He said a Certificate would be required for new construction, exterior changes, walls, fences, lights, fixtures, steps, pavements, or any substantial change in landscaping or colors of the particular structure. He said the ordinance will not require a certificate for ordinary maintenance or interior changes. He said the ordinance does require a 180 day waiting period prior to the issuance of a demolition permit in order to give the Historic Resources Commission or other interested organizations time to find a buyer for a structure slated for demolition.

Upon inquiry of Vice-Mayor Morris, Mr. Emrick said the Historic Montford Committee endorses the ordinance to maintain the integrity of the area.

Upon inquiry of Councilman Boland, Mr. Bob Orr, Past-Chairman of the Historic Resources Commission, said he did not think there would be an increase in residents dislocated because of increased property values in the area.

Vice-Mayor Morris and Councilman Wilkes expressed concern about being assured that every property owner in the area was aware of the restrictions the ordinance would place on them.

After discussion, Mayor Trantham closed the public hearing at 4:45 p. m.

Verl Emrick, Planning Director, read the ordinance.

Councilman Boland moved for the adoption of Ordinance No. 1179. This motion was seconded by Vice-Mayor Morris.

Vice-Mayor Morris commented that he was still concerned about every property owner being notified stating that they probably needed to be sent a certified registered letter explaining the ordinance to them. He said if Council adopts the ordinance and later determines that it is causing problems Council could then rescind the ordinance.

On a roll call vote of 3-2, Ordinance No. 1179 failed on first reading, with Councilman Boland, Vice-Mayor Morris and Mayor Trantham voting "aye" and Councilman Wilkes and Councilman Brownlee voting "no."

Councilman Boland recommended that a committee comprised of Councilman Wilkes, Councilman Brownlee and citizens interested in the district, along with himself, be formed to discuss the proposed ordinance in an effort to come up with a suitable ordinance. He said, at the request of Councilman Wilkes, that perhaps the size of the district could be reduced.

PUBLIC HEARING - REZONING PROPERTY ON BEAVERDAM ROAD

ORDINANCE NO. 1180 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

6. A public hearing was held relative to rezoning property located on Beavardam Road from R-3 Residential District to Commercial Highway.

PUBLIC HEARING - URBAN MASS TRANSPORTATION ACT GRANT - CAPITAL IMPROVEMENT

RESOLUTION NO. 80-140--RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A CAPITAL IMPROVEMENT GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

4. A public hearing was held relative to the filing of an application with the Department of Transportation, United States of America, for a Capital Improvement Grant under the Urban Mass Transportation Act of 1964, as amended.

Mayor Trantham opened the public hearing at 4:20 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Carl Owenby of the Planning Staff, said this application will apply for a grant for the purchase of ten (10) air conditioned, lift equipped, diesel engine, transit buses for replacement purposes and three hundred (300) bus signs. He said the total grant will be \$1,248,500, with the city and state providing a ten percent (10%) match.

Mayor Trantham closed the public hearing at 4:25 p. m.

Verl Emrick, Planning Director, read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Wilkes, Resolution No. 80-140 was unanimously adopted.

Complete text of Resolution No. 80-140 will be found in Resolution Book No. 12 at page 163.

PUBLIC HEARING - AMENDING ZONING ORDINANCE BY INCLUDING ARTICLE 12 - "THE MONTFORD HISTORIC DISTRICT"

ORDINANCE NO. 1179 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. A public hearing was held relative to amending the Zoning Ordinance, by including an Article 12 to be known as "The Montford Historic District."

Mayor Trantham opened the public hearing at 4:28 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said for the past several months the Asheville-Buncombe Historic Resources Commission has been working to establish a local historic district in the Montford area. He said in order to do this Council must pass an ordinance which will impose certain criteria, which will be overlaid by the city's zoning jurisdiction by including an Article 12 in the Zoning Ordinance to be "The Montford Historic District." He said the Planning and Zoning Commission considered the amendment to the Zoning Ordinance on several occasions and did at its July meeting recommend to Council that the amendment be approved.

Councilman Boland said the moratorium period would give Council an opportunity to contact the legislative delegation in an attempt to have the statutes amended relative to the restrictiveness imposed on the City concerning group homes for the developmentally disabled adults. He said this would also give Council an opportunity to contact the Attorney General relative to the City of Asheville being an "institutionally impacted" area as well as Sarah Morrow, with HUD relative to the distribution of such homes.

The City Manager commented that a written statement by the Mayor, was recently presented at a public hearing held by the State Mental Health Board which requested that they look into the proposed group home for the Kenilworth area. He said the statement also requested that they look into the existing St. Dunstan's Group Home.

Mayor Trantham closed the public hearing at 5:05 p. m.

Verl Emrick, Planning Director, read the ordinance.

Councilman Wilkes moved for the adoption of Ordinance No. 1181. This motion was seconded by Councilman Boland.

On a roll call vote of 5-0, Ordinance No. 1181 passed on first reading.

BUDGET AMENDMENT - WATER AND SEWER SERVICES DEPARTMENT OPERATING BUDGET

8. Consideration was given to a budget amendment amending the Water and Sewer Services Department Operating Fund Budget for Fiscal Year 1980-81.

The City Manager presented a budget amendment which would reflect budgetarily the organizational structure of the Water and Sewer Services Department and to provide the necessary funding for a part-time position in the Customer Service Division necessitated by conversion to a monthly billing cycle. He said this amendment would condense 19 accounts into 6 accounts.

Councilman Wilkes moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Brownlee and carried unanimously.

BUDGET AMENDMENT - CITY OF ASHEVILLE COMMUNITY DEVELOPMENT FUND BUDGET

9. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budget.

The City Manager presented the budget amendment in the amount of \$210,155 which would reprogram unused funds in the Incentive Housing Program. The funds would be put into the Contingency Fund to be reallocated by Council.

Councilman Boland moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Brownlee and carried unanimously.

Mayor Trantham opened the public hearing at 4:50 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its meeting on July 2, 1980, reviewed a request of Mrs. Betty Moore, Agent for Mrs. Genevieve Fowler that Ward 9, Sheet 6, Lot 28-1/4, and Mr. and Mrs. Clee Bishop that Ward 9, Sheet 6, Lot 28 be rezoned from R-3 Residential District to Commercial Highway. After discussion, the Commission voted to recommend to City Council that Lot 28 be rezoned to Commercial Highway with the exception of a 25' strip on Piedmont Avenue which would remain R-3 Residential District. The Commission further recommended that the 25' strip be used as the required buffer and planted according to the provisions of Section 30-3-14 (A) (2) of the Zoning Ordinance. The Commission also voted to recommend that the rezoning of Lot 28-1/4 to Commercial Highway be denied.

Mr. Emrick said the owners of the property plan to use the land for an office and small shop in an existing structure. He said no opposition to the rezoning had been received. He said the stipulations outlined by the Planning and Zoning Commission were accepted by the petitioners.

Mayor Trantham closed the public hearing at 4:58 p. m.

Verl Emrick, Planning Director, read the ordinance.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1180. This motion was seconded by Councilman Boland.

On a roll call vote of 5-0, Ordinance No. 1180 passed on first reading.

PUBLIC HEARING - IMPOSING MORATORIUM ON ISSUANCE OF BUILDING PERMITS FOR GROUP HOMES FOR DEVELOPMENTALLY DISABLED ADULTS

ORDINANCE NO. 1181 - AN ORDINANCE IMPOSING A MORATORIUM ON DEVELOPMENT OF GROUP HOMES FOR DEVELOPMENTALLY DISABLED ADULTS WITHIN THE JURISDICTION OF THE CITY OF ASHEVILLE

7. A public hearing was held relative to the adoption of an ordinance imposing a moratorium on the issuance of building permits for Group Homes for the Developmentally Disabled Adults within the limits of the City of Asheville.

Mayor Trantham opened the public hearing at 5:00 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said this ordinance was prepared at the direction of Council. He said the moratorium period would give Council an opportunity to more closely examine the standards set for the homes.

CLAIMS - JAMES M. GARNER - DEWEY C. RHODEN - BUNCOMBE COUNTY ENTERPRISES -
DEWEY KASEY

The City Manager presented claims received from James M. Garner, Dewey C. Rhoden, Buncombe County Enterprises, and Dewey Kasey.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMPLAINTS RELATIVE TO OBTAINING CITY RECORDS

Ralph Bishop voiced complaints to Council relative to his difficulty in obtaining a copy of a contract between the City of Asheville and the Blue Ridge Community Mental Health and a copy of a contract between the City of Asheville and the Department of Commerce relative to the Inspections Division inspecting thermostats in government buildings.

ADJOURNMENT

Upon motion of Vice-Mayor Morris, seconded by Councilman Wilkes, the meeting adjourned at 5:25 p. m.

MAYOR

CITY CLERK

BUDGET AMENDMENT - PARKS AND RECREATION DEPARTMENT BUDGET FOR 1980-81

10. Consideration was given to a budget amendment amending the Parks and Recreation Department Budget for 1980-81.

The City Manager presented the budget amendment, in the amount of \$1,370.00 which is to allow the completion of the enrichment program at Hillcrest Community Center by transferring the balance of uncommitted 1979-80 funds to the 1980-81 fiscal year budget.

Councilman Wilkes moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Boland and carried unanimously.

APPROVAL OF CONSENT AGENDA

11. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-141 - Resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

HIGHLIGHTS: The Urban Mass Transportation Administration recently established new guidelines for the participation of Minority Business Enterprise in federally assisted projects. The purpose of this resolution is to update Resolution No. 80-118, adopted June 19, 1980, by incorporating the new Minority Business Enterprise language required by UMTA.

Resolution Book No. 12 Page 165 .

- B. Resolution No. 80-142 - Resolution authorizing the Mayor to enter into an agreement with the Buncombe County Commissioners for a federal grant under the Comprehensive Employment and Training Act of 1973, for Fiscal Year 1980-81.

HIGHLIGHTS: The Advisory Council of the Buncombe County Employment and Training Office has approved the City of Asheville's application for funding in the amount of \$116,126.00. This resolution will authorize a contractual agreement with the Buncombe County Board of Commissioners for the implementation of the CETA program.

Resolution Book No. 12 Page 166 .

Upon motion of Councilman Brownlee, seconded by Councilman Wilkes, the consent agenda was unanimously approved.

the City of Asheville in accordance with the provisions of the law governing petitioned annexation, we anticipate that our petition for annexation will occur within twenty-four months after our construction start. The conditions for our petitioning to annex into the City are that the City in the interim give us and our agents, architects, engineers and contractors the same degree of cooperation, technical advice and service in the development of a water and sewer system as would be provided for a property owner located in the City limits.

It is our understanding that the Act of petitioning for annexation will not affect any other property outside of the area of the proposed mall and that the City of Asheville can not use the petition for annexation of this property which is detached from the main boundary of the City for purposes of establishing a one mile perimeter in which extra territorial jurisdiction for zoning might be exercised.

This is to further advise you that it is our intent to comply with all relevant North Carolina building codes in the construction of the regional mall. Further, we will take into consideration the group development provisions of the City of Asheville's Zoning Ordinance, as they relate to parking areas, street improvements, and the like. While we will not be subject to such ordinances during the construction of the regional mall, we do agree to keep the City's planning and zoning office, and such other City offices as might be appropriate, advised of the plans, specifications and schedules of construction. Comments and suggestions from the City will be welcomed and carefully considered.

We look forward to working with you and the County Board of Commissioners toward a development which will be a great asset to metropolitan Asheville.

Very truly yours,

 WILLIAM S. BIEL-Vice President
 THE EDUARDO J. DEBARTOLO CORP.

 GEORGE H. V. CECIL

Thursday - August 14, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilmen Walter R. Boland, Harold F. Brownlee, F. Jack Cole, and Councilwoman Norma T. Price, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman H. C. Wilkes

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the July 31, 1980 meeting.

Upon motion of Councilman Boland, seconded by Councilwoman Price, the minutes of the July 31, 1980 meeting were approved as submitted.

PRESENTATION OF REQUEST BY EDWARD J. DeBARTOLO CORPORATION AND MR. GEORGE H. V. CECIL - ANNEXATION INTO THE CITY OF ASHEVILLE FOR PROPOSED REGIONAL MALL

2. Philip C. Carson, Attorney for Mr. George H. V. Cecil and the Edward J. DeBartolo Corporation read the following letters:

The Honorable Roy M. Trantham, Mayor.
Members of Asheville City Council
Asheville City Hall
Asheville, North Carolina

Dear Mayor Trantham and Members of Council:

The undersigned, The Edward J. DeBartolo Corporation and Mr. George H.V. Cecil, will be the developers and owners of a regional mall located at the Southwestern quadrant of the intersection of Interstate 26 and N.C. 191. The proposed regional mall will occupy between 100 and 125 acres of land which presently lie outside the City of Asheville.

This is to advise you that subject only to the conditions set forth below, the owners of the proposed mall (or their respective assigns) will promptly upon its completion, and not later than the day of the Grand Opening of the mall, petition the City Council of Asheville that the mall property and its improvements be annexed forthwith into

Councilwoman Price, in light of the request presented by Mr. Carson on behalf of his clients, moved that the city staff be instructed to make a study of how much water would be needed for the proposed project and what type of services would be needed in order that Council can act on this matter, by official resolution, when the studies are complete. This motion was seconded by Councilman Boland and carried unanimously.

PUBLIC HEARING - AMENDING ORDINANCE NO. 1159, "AN ORDINANCE TO REHABILITATE OR DEMOLISH THE DWELLING HOUSE KNOWN AS 230 MONTFORD AVENUE"

ORDINANCE NO. 1182 - AN ORDINANCE AMENDING ORDINANCE NO. 1159, "AN ORDINANCE TO REHABILITATE OR DEMOLISH THE DWELLING HOUSE KNOWN AS 230 MONTFORD AVENUE"

3. A public hearing was held relative to amending Ordinance No. 1159, "An ordinance to rehabilitate or demolish the dwelling house known as 230 Montford Avenue."

Mayor Trantham opened the public hearing at 4:20 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and affidavit of publication.

The City Manager read the ordinance stating that Ordinance No. 1159 required that Mr. Bob Orr and Mr. and Mrs. Bruce Roberts, owners of 230 Montford Avenue, secure a performance bond in the amount of \$4,000. He said substantial progress has been made on the rehabilitation of the dwelling and the owners wish to be relieved of the \$4,000 performance bond. He said this ordinance will amend the ordinance and relieve the owners of the performance bond requirement.

Mayor Trantham closed the public hearing at 4:23 p. m.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1182. This motion was seconded by Councilwoman Price.

On a roll call vote of 6-0, Ordinance No. 1182 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed with the second reading of Ordinance No. 1182. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1182 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed with the third and final reading of Ordinance No. 1182. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1182 passed on third and final reading.

Complete text of Ordinance No. 1182 will be found in Ordinance Book No. 9 at page 161.

AREA CODE 704

The Honorable Roy M. Trantham, Mayor
Members of Asheville City Council
Asheville City Hall
Asheville, North Carolina

Dear Mayor Trantham and Members of Council:

We represent The Edward J. DeBartolo Corporation and Mr. George H. V. Cecil and have this day handed you their letter directed to you by which they commit themselves or their assigns to petition for annexation of a proposed regional mall to be located at the Southwestern quadrant of the intersection of Interstate 26 and N.C. 191.

This letter is to clarify two points. First, our clients realize that the City does not own the sewage system and the reference to the City's providing service in the development of a sewage system is not intended to imply that the City would undertake any obligation of running lines or otherwise providing the sewage system.

Secondly, our clients agree to review or have their architects and engineers review any City building codes and group development provisions of the City of Asheville's Zoning Ordinance as they are now in effect that the City wishes to submit to our clients and to promptly advise you of any relevant provisions of such codes or ordinances with which they have reason to believe that they will not comply.

Very truly yours,

PHILIP G. CARSON

PGC/nms

cc: The Edward J. DeBartolo Corp.
Mr. George H. V. Cecil

TO WHOM IT MAY CONCERN:

Let it be known, that We object to item #4 because....
Such punitive measures will jeopardize existing industries and enterprises and place an added burden upon both business and jobs, already suffering from the symptoms of a flagging economy; AND, will make the area undesirable for future industry and enterprise, which is badly needed to off-set the effects of inflation and recession on both business and jobs.

Sincerely

Ray Stepp
Ray Stepp-President
WNC/Central Labor Council
Asheville, N.C.

Bob Wurst, Budget Officer, presented a report to Council resulting from an informal telephone poll of ten (10) of North Carolina's larger cities to compare their policies concerning supplying water to unincorporated areas. He said nine (9) of the ten (10) cities indicated that they have double water rates outside the city limits and the tenth has triple rates outside the city limits. He said Asheville is not allowed to charge higher rates outside the city because of the Sullivan Act, which is exclusive to Buncombe County. He said most of the cities surveyed said that double water rates outside the city is enough incentive for growth inside the city, but two cities said they had used satellite annexation in the past. He said one of the cities surveyed requires annexation before supplying water to new developments and three (3) have unwritten policies to encourage annexation. He said one city does not provide any water to unincorporated areas.

Floyd Brock, County Attorney for the Buncombe County Board of Commissioners, read the following statement:

STATEMENT BY FLOYD BROCK TO ASHEVILLE CITY COUNCIL

AUGUST 14, 1980

I am here today to request, on behalf of the Buncombe County Board of Commissioners, that you do not proceed with the ~~enactment~~ *adoption* of the resolution being considered.

You have stated that you have proposed this resolution in an attempt to insure continued economic growth of the city; to prop up an eroding tax base, and to provide additional revenues. Though we understand *are* in sympathy with your motivations, we clearly disagree with the method you have chosen.

PUBLIC HEARING - ADOPTION OF AN ORDINANCE SPECIFYING THAT ANY PROPOSED DEVELOPMENT PROJECT, WHICH IS TO BE LOCATED WITHIN A 3-MILE RADIUS OF THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE AND WOULD NORMALLY REQUIRE A GROUP DEVELOPMENT APPROVAL OR APPROVAL OF A RESIDENTIAL SUBDIVISION, IF SAID DEVELOPMENT WERE LOCATED WITHIN THE CITY'S JURISDICTION, THE DEVELOPERS OF SAID PROJECT MUST SUBMIT A PETITION FOR ANNEXATION TO THE CITY COUNCIL. SAID ANNEXATION PETITION MUST BE APPROVED BY ASHEVILLE CITY COUNCIL PRIOR TO ISSUANCE OF A TAP PERMIT TO THE CITY OF ASHEVILLE WATER SYSTEM

4. A public hearing was held relative to the adoption of an ordinance specifying that any proposed development project, which is to be located within a 3-mile radius of the Corporate Limits of the City of Asheville and would normally require a group development approval or approval of a residential subdivision, if said development were located within the City's jurisdiction, the developers of said project must submit a petition for annexation to the City Council. Said annexation petition must be approved by Asheville City Council prior to issuance of a tap permit to the City of Asheville Water System.

Mayor Trantham opened the public hearing at 4:25 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Trantham said since the scheduling of this public hearing Council has decided not to take action on the matter at this meeting but to table action indefinitely and request that a more thorough study be made.

The City Manager said when the public hearing was scheduled Council made a general statement as to what they would be considering. He said since that time a precise resolution has been prepared defining exactly what action Council will be considering.

Verl Emrick, Planning Director, read a resolution considering an amendment to Section VII, procedures for water extensions outside the corporate limits of the City of Asheville's Water and Sewer Extension Policy adopted in 1978. This resolution explained in detail what action is involved in the amendment.

Mary Robertson, Executive Secretary for the Asheville Central Labor Union read the following letter:

August 14, 1980

To: Mayor Trantham and Members of Asheville City Council

Re: Item #4, Agenda for August 14, 1980 Meeting of Asheville City Council. Public hearing relative to the adoption of an ordinance specifying that any proposed development project, which is to be located within a 3 mile radius of the Corporate Limits of the City of Asheville and would normally require a group development approval or approval of a residential subdivision, if said development were located within the City's jurisdiction, the developers of said project must submit a petition for annexation to the City Council. Said annexation petition must be approved by Asheville City Council prior to issuance of a tap permit to the City of Asheville Water System.

It was stated by city officials that the city has no obligation to provide water to areas beyond the city limits when, years ago, the city undertook both the moral and legal obligation to do just that. It is our opinion that, once the city has undertaken the obligation to provide water to areas beyond its boundaries, it cannot rightfully place such self-serving restrictions on its use. If the city feels that it has no obligation to water users outside the city limits, then it should rightfully relinquish this obligation to an authority which would be responsible to all water users.

The county has, in the past, and will continue to seek a partnership with the city. The resolution which is being prepared for amendment today is, in fact, a joint policy adopted by both the City of Asheville and the County of Buncombe in August, 1978. Any changes to this policy should also be considered by both bodies. We still contend that the best route to the solution of these problems is through partnership. If the goal is to change development policies and trends, and turn around a deteriorating city tax base, then we should work together toward this goal. If the goal is to provide adequate water to support a growing economy, then we should work together toward this goal. Through partnership, much can be accomplished. Confrontation will only bring about economic decay for us both.

We thank you for your time to address this serious matter and again, we would ask that you not proceed further with this policy as written.

The Board of Commissioners is clearly aware of the city's need for increased economic development in and around the city. I can assure you that they are aware of your increased budgetary demands and your continuing need for additional revenue. To this end, the Board offered in excess of 1.6 million dollars in tax relief to city residents which, at Monday's meeting, this Council refused.

Today, in an effort to improve ^{The City's economic condition} your situation, you are proposing a policy which in our opinion will only result in an acceleration of the declining economic spiral which the city is caught in and will drag the county down with you. The policy you propose will make it impossible for either the city or the county to provide adequate services or to carry out a policy of orderly growth and development in a major portion of Buncombe County. The City, by adopting this policy, would be ^{Subjecting} ~~opposing~~ itself to ^{Possible} legal action. And, finally, you as City Council members, would be further eroding any chance of partnership which exists between the city and the county.

As you can see on this map, the three-mile area would extend from almost to the Henderson County line to the south and to the center of the Town of Weaverville on the north; from beyond Candler on the west, and almost to Swannanoa on the east. The majority of the developable portion of Buncombe County is affected.

The laws governing annexation of non-contiguous areas (G.S. 160-A-58.1 B3) state "the area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits". It is our opinion that the city would be unable to provide adequate service to a scattered number of new developments throughout the county. Further, that by taking the tax base from these areas, you would greatly affect other service arrangements to such as volunteer fire districts, franchise haulers, and water and sewer districts.

The adoption of this policy would set back an economic development effort currently being carried out by the county and the Chamber of Commerce for years to come. For the same reasons that new industrial prospects have refused to locate in the city, they will now refuse to locate within this proposed three-mile area. As a result, new growth will be forced to the outer fringes of the county and to other counties, thus defeating your own purposes and eroding the tax base on the only land you have left.

On a roll call vote of 6-0, Ordinance No. 1180 passed on third and final reading.

Complete text of Ordinance No. 1180 will be found in Ordinance Book No. 9 at page 158.

ORDINANCE NO. 1181 - AN ORDINANCE IMPOSING A MORATORIUM ON THE ISSUANCE OF BUILDING PERMITS FOR GROUP HOMES FOR THE DEVELOPMENTALLY DISABLED ADULTS WITHIN THE LIMITS OF THE CITY OF ASHEVILLE

6. Consideration was given to the second reading of Ordinance No. 1181, an ordinance imposing a moratorium on the issuance of building permits for Group Homes for the Developmentally Disabled Adults within the limits of the City of Asheville.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1181 passed on second reading.

BUDGET AMENDMENT - CAPITAL PROJECTS FUND BUDGET - PACK SQUARE REVITALIZATION PROJECT

7. Consideration was given to a budget amendment amending the Capital Projects Fund Budget for the Pack Square Revitalization Project.

The City Manager presented the budget amendment, stating that this budget amendment, in the amount of \$192,000, is to refund the county's portion of the sale of Pack Library in the amount of \$70,503 and to provide additional funding for the Pack Square project in the amount of \$192,000, of which \$88,000 is the county's share and \$104,000 is the city's share.

Councilman Boland moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

BUDGET AMENDMENT - COMMUNITY DEVELOPMENT FUND BUDGET - WEST ASHEVILLE STREET AND DRAINAGE PROJECT

8. Consideration was given to a budget amendment amending the Community Development Fund Budget.

The City Manager presented the budget amendment, stating that this budget amendment, in the amount of \$32,154, is to close out the completed Burton Street Area Public Works Project and transfer funds to the uncompleted West Asheville Street and Drainage Project.

Vice-Mayor Morris moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

Mrs. Elrod of Michigan Avenue interrupted the discussion and brought up the subject of Council rezoning property off Michigan Avenue and State Street, in 1977, from Residential to Light Industrial. She said the property was rezoned but the developers were not allowed to use Michigan Avenue and State Street as an access to the property. She said the developers are using Michigan Avenue and State Street as an access which is causing many problems, such as dust, in the neighborhood. She said this action is in violation of the ordinance rezoning the property.

The City Manager advised that this issue is being investigated by the city staff and legal matters involving the matter are also being investigated. He said when investigation is complete he would notify Mrs. Elrod of the findings.

Edmund Burke, Jr., a resident of the Crowfields Condominium complex, said he was shocked at the city using water resources as a weapon to increase the city's tax base. He said if Council adopted such a policy, industry in the county would come to a halt.

Phil Elam, of the Chamber of Commerce Economic Development Council, said the Chamber is sympathetic to the city's economic restrictions and the chamber has tried in the past to get industries into the city, however as all over the country, industries want outside the city limits.

Jim Adams, a county resident, said he felt the Buncombe County Commissioners are trying to compromise with the City on the water system issue. He said it seems to him that the City is not willing to compromise. He urged Council to seek a peaceful, equitable solution between the city and county on the water system issue.

Ralph Bishop said it would be unconstitutional for the City to charge water users in the county more than they charge city users.

Mayor Trantham closed the public hearing at 5:03 p. m.

Councilman Boland moved to table action on this issue indefinitely. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1180 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (rezoning property located on Beaverdam Road)

5. Consideration was given to the second reading of Ordinance No. 1180, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property located on Beaverdam Road from R-3 Residential District to Commercial Highway.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1180 passed on second reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1180. This motion was seconded by Councilman Boland and carried unanimously.

Upon motion of Vice-Mayor Morris, seconded by Councilman Brownlee, Resolution No. 80-144 was unanimously adopted.

Complete text of Resolution No. 80-144 will be found in Resolution Book No. 12 at page 168.

RESOLUTION NO. 80-145 - RESOLUTION AUTHORIZING CERTAIN OFFICIAL ACTION RELATIVE TO THE BELE CHERE FESTIVAL

13. Consideration was given to a resolution authorizing certain official action relative to the Bele Chere Festival.

Verl Emrick, Planning Director, read the resolution explaining that at the July 31, 1980 meeting Council adopted a resolution authorizing the closing of certain streets in connection with the Bele Chere Festival to be held on August 14, 15, and 16, 1980. He said this resolution will authorize the closing of certain other streets for the Bele Chere Parade and a bicycle race during the Festival.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, Resolution No. 80-145 was unanimously adopted.

Complete text of Resolution No. 80-145 will be found in Resolution Book No. 12 at page 169.

APPROVAL OF THE CONSENT AGENDA

14. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-146 - Resolution authorizing the City Manager to enter into a contract with WNC Parking Lot Services, Inc.

HIGHLIGHTS: This resolution will authorize an extension of twelve (12) months for the contract presently with WNC Parking Lot Services, Inc. for the purpose of keeping the Parking Garage clean. The contract period shall begin September 1, 1980.

Resolution Book No. 12 Page 170

- B. Resolution No. 80-147 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville an application and subsequent documents for federal assistance for ADAP Project 6-37-0005-06, Grooving Runway 16-34 and purchase of snow removal vehicles.

HIGHLIGHTS: The Asheville Regional Airport Authority is applying for funds for the grooving of runway 16-34 and purchasing of snow removal vehicles. FAA requires that sponsors, being the City of Asheville and the County of Buncombe, sign Sponsor Assurances contained in the application for federal assistance.

Resolution Book No. 12 Page 171

BUDGET AMENDMENT - FEDERAL GRANTS PROGRAM BUDGET - PARKS AND RECREATION DEPARTMENT

9. Consideration was given to a budget amendment amending the Federal Grants Program budget for 1980-81.

The City Manager presented the budget amendment, stating that this budget amendment in the amount of \$2,605.00 is to provide a series of new recreation programs aimed at deterring juvenile crime in the Reid Memorial, Stephens-Lee, and Hillcrest Community Center areas.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Boland and carried unanimously.

BUDGET AMENDMENT - COMMUNITY DEVELOPMENT FUND BUDGET - INCENTIVE HOUSING PROGRAM

10. Consideration was given to a budget amendment amending the Community Development Fund Budget.

The City Manager presented the budget amendment, stating that this amendment in the amount of \$35,000 is designed as a "record keeping tool;" funds collected from developers (East Riverside Urban Renewal) for property sales are held in escrow until houses built on the lots are sold to a resident. The full purchase price of the property is returned to the developer and the savings passed to the resident purchaser of the house. The establishment of this program was made necessary upon the close-out of the Urban Renewal Project R-48.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 80-143 - RESOLUTION DIRECTING THE CITY CLERK TO INVESTIGATE A PETITION RECEIVED UNDER G.S. 160A-31 (Regent Park Area) (Annexation)

11. Consideration was given to a resolution directing the City Clerk to investigate a petition received under G. S. 160A-31 relative to an area in the Regent Park area off Patton Avenue, being annexed in the City of Asheville.

The City Manager read the resolution.

Upon motion of Councilman Boland, seconded by Councilwoman Price, Resolution No. 80-143 was unanimously adopted.

Complete text of Resolution No. 80-143 will be found in Resolution Book No. 12 at page 167.

RESOLUTION NO. 80-144 - RESOLUTION AUTHORIZING ATTORNEY HAROLD K. BENNETT TO FILE FOR A DECLARATORY JUDGEMENT ON THE SULLIVAN ACT

12. Consideration was given to a resolution authorizing Attorney Harold K. Bennett to file for a declaratory judgement on the Sullivan Act.

The City Manager read the resolution.

REQUEST FOR STUDY - REZONING OF EMMA AIR PARK PROPERTY

Councilman Boland moved that the Planning Staff and the Planning and Zoning study the feasibility of rezoning the Emma Air Park Property for industrial development. This motion was seconded by Councilwoman Price and carried unanimously.

Councilman Boland said it is his understanding that a prospective developer is interested in this property which plans a project that would provide a tax base of 10 to 20 million dollars to the City of Asheville and would provide up to 600 high skill jobs.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING BUDGET FOR 1980-81 - CIVIC CENTER ROOF

The City Manager presented a budget amendment amending the City of Asheville Annual Operating Budget for 1980-81 to budget money in the Revenue Sharing Fund for waterproofing the rear wall of the Civic Center auditorium.

After discussion, Councilman Boland moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

Councilman Boland suggested that the City Manager explore the possibility of setting up a reserve fund to cover the future cost of replacing equipment at the Civic Center.

CLAIMS - NORA DILL - DAVID R. PAGE - HERMAN KESSLER - JOSEPHUS CARTER

The City Manager presented claims received from Nora Dill, David R. Page, Herman Kessler and Josephus Carter.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - AUGUST 14, 1980 - NATIONWIDE PRAYER DAY

Mayor Trantham proclaimed August 14, 1980 as "Nationwide Prayer Day."

PROCLAMATION - 1981 AS INTERNATIONAL YEAR OF DISABLED PERSONS

Mayor Trantham announced a joint proclamation with the County of Buncombe proclaiming 1981 as International Year of Disabled Persons.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY PEDDLERS, COUNCILMEN, SULLIVAN ACT

Ralph Bishop commented relative to some Council members not wanting to listen to citizens. He also commented on lottery sales in the City of Asheville. He said he was opposed to the City spending funds to hire Attorney Harold Bennett to file for a declaratory judgement on the Sullivan Act.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilman Boland, the meeting adjourned at 5:25 p. m.

Ray M. Trantham
MAYOR

Meriam J. Holcomb
CITY CLERK

- C. Resolution No. 80-148 - Resolution consenting to the assignment of lease-purchase agreement by Friends Enterprises to Allen Center, Inc.

HIGHLIGHTS: Friends Enterprises entered into a lease-purchase agreement with the City of Asheville on February 3, 1977, governing Disposal Parcel 1 in the Civic Redevelopment Area. Friends Enterprises wishes to assign said agreement to Allen Center, Inc. which uses said property for a parking lot. This resolution will consent to the assignment.

Resolution Book No. 12 Page 172

- D. Resolution No. 80-149 - Resolution appointing member to the Planning and Zoning Commission for the City of Asheville.

HIGHLIGHTS: This resolution will appoint Mr. William O. Moore to serve on the Planning and Zoning Commission for a term expiring, August 14, 1981.

Resolution Book No. 12 Page 173

- E. Resolution No. 80-150 - Resolution appointing members to the Asheville Revitalization Commission.

HIGHLIGHTS: This resolution will appoint Nilous M. Avery, Richard D. Frankel, Michael E. Greene, and Maurice H. Winger, Jr. to serve on the Asheville Revitalization Commission for a term of five (5) years.

Resolution Book No. 12 Page 174

- F. Resolution No. 80-151 - Resolution appointing members to the Asheville Tree Commission for the City of Asheville.

HIGHLIGHTS: This resolution will reappoint Mr. Joseph R. Kowal and Mr. Thomas F. Dabney as members of the Asheville Tree Commission. It will also appoint Mr. Del W. Thorsen as a member of the Asheville Tree Commission, all to be appointed for a term of three (3) years.

Resolution Book No. 12 Page 175

- G. Resolution No. 80-152 - Resolution appointing members to the Asheville Area Civic Center Commission.

HIGHLIGHTS: This resolution will appoint Mr. Bruce Barnes as a member of the Asheville Area Civic Center Commission for a term of three (3) years. This resolution also appoints Mr. B. Paul Goodman as an ex-officio member of the Commission.

Resolution Book No. 12 Page 176

Upon motion of Councilwoman Price, seconded by Councilman Boland, the consent agenda was unanimously approved.

ORDINANCE NO. 1181 - AN ORDINANCE IMPOSING A MORATORIUM ON THE ISSUANCE OF BUILDING PERMITS FOR GROUP HOMES FOR THE DEVELOPMENTALLY DISABLED ADULTS WITHIN THE LIMITS OF THE CITY OF ASHEVILLE

3. Consideration was given to the second reading of Ordinance No. 1181, an ordinance imposing a moratorium on the issuance of building permits for Group Homes for the Developmentally Disabled Adults within the limits of the City of Asheville.

Mayor Trantham said this ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1181 passed on third and final reading.

Complete text of Ordinance No. 1181 will be found in Ordinance Book No. 9 at page 158.

ORDINANCE NO. 1172 - AN ORDINANCE ESTABLISHING FLOOD PLAIN REGULATIONS FOR THE CITY OF ASHEVILLE

4. Consideration was given to the second reading of Ordinance No. 1172, an ordinance establishing flood plain regulations for the City of Asheville.

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Planning Director, said a public hearing and first reading of the ordinance was held on July 10, 1980 and on July 17, 1980 the second reading of the ordinance was postponed until August 21, 1980. He said since that time a meeting was held with Ms. Carol Doyle with the Federal Insurance Administration in Atlanta. He said members of Council, members of the County Commissioners, and several property owners in the floodway area attended the meeting. He said as a result of that meeting several amendments are being proposed to the ordinance.

Mr. Emrick offered the following amendments:

Article 8 - Section B, #5

Outside storage of materials or inventories for allowable uses within the Flood Fringe District and not otherwise prohibited by the ordinance shall be allowed.

Article 10 - Section B: Floodproofing Buildings

New construction or substantial improvements of any commercial, industrial or other nonresidential structure shall either have the lower floor, including basement, elevated above the level of the base flood elevation, or together with the attendant utility and sanitary facilities, be flood-proofed so that below the base flood level the structure is water tight with walls substantially impermeable to the passage of water and with structural components having the capability of resisting hydrostatic and hydrodynamic loads and effects of buoyancy. A registered professional engineer or architect shall certify that the standards of this subsection are satisfied. Such certification shall be provided to the City as set forth in Article 4, Section C.

Thursday - August 21, 1980

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, Harold F. Brownlee, F. Jack Cole and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 14, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the August 14, 1980 meeting were approved as submitted.

PUBLIC HEARING - DEMOLITION OF 135 BROOKLYN ROAD, 22 NORMANDY ROAD, AND 18 WEAVER HILL

ORDINANCE NO. 1183 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 135 BROOKLYN ROAD, 22 NORMANDY ROAD, AND 18 WEAVER HILL

2. A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to demolish 135 Brooklyn Road, 22 Normandy Road, and 18 Weaver Hill.

Mayor Trantham opened the public hearing at 4:04 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

J. E. Johnson, Director of Inspections Division, said each of the dwelling houses have been found to be unfit for human habitation, unsafe and dangerous to life. He said due process of law has been followed relative to the demolition procedure for the dwellings. He presented photographs of each dwelling in its present condition. He said no work has been done on 135 Brooklyn Road or 18 Weaver Hill, however some plastic has been put over the windows at 22 Normandy Road. He said before the second reading of the ordinance he would make another inspection of the dwellings to determine if any work has begun on the dwellings.

Mayor Trantham closed the public hearing at 4:07 p. m.

The Corporation Counsel read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1183. This motion was seconded by Councilman Wilkes.

On a roll call vote of 7-0, Ordinance No. 1183 passed on first reading.

INUNDATION: A covering of the ground surface with water.

MUDSLIDE: (i.e. mudflow) Describes a condition where there is a river, flow or inundation of liquid mud down a hillside usually as a result of a dual condition of loss of brush cover, and the subsequent accumulation of water on or under the ground preceded by a period of unusually heavy or sustained rain. A mudslide (i.e. mudflow) may occur as a distinct phenomenon while a landslide is in progress, and will be recognized as such by the Director only if the mudflow and not the landslide, is the proximate cause of damage that occurs.

After a brief discussion, Vice-Mayor Morris moved to amend Ordinance No. 1172 by including all the amendments offered by the Planning Director. This motion was seconded by Councilwoman Price and carried unanimously.

Mr. Emrick said a meeting is scheduled for Monday, August 25, 1980 in order for the attorneys involved to review the ordinance and suggest any changes they would like to make.

Councilman Boland requested that Mr. Emrick look into ordinances passed by other cities in North Carolina as it relates to expanding buildings in the floodway area as a point of comparison.

Councilman Wilkes suggested that the Council committee appointed to review the floodway ordinance as well as the committee of property owners in the area review the final draft of the floodway ordinance before its final adoption.

Mr. Emrick informed Councilman Wilkes that the committee would review the final ordinance next Tuesday.

Joe Pless, owner of the Dreamland Drive-In Theatres and property owner in the area, said the committee of property owners agreed on the amendments made to the ordinance. He said he did not think Council should push the adoption of the ordinance without first coming up with a reasonable ordinance.

On a roll call vote of 6-1, Ordinance No. 1172 passed on second reading, with Councilman Brownlee voting "no."

Councilman Brownlee stated that he opposed the ordinance because it is too restrictive. He said the owners in the affected area should have time to study the proposed ordinance. He said if the ordinance is adopted in its present form, it will cause problems to the taxpayers in that area.

ANNEXATION - COMMENTS BY MRS. JEAN SALES RELATIVE TO RICEVILLE COMMUNITY

Mrs. Jean Sales said there has been a rumor for sometime in the Riceville community that "Riceville is next on the list for annexation into the City of Asheville." She said a meeting was held on Monday, August 18, 1980, as a result of the rumor. She said Mr. Chuck Tessier of the Buncombe County Planning Department, presented a Community Planning Program to a group of citizens in the Riceville community who are concerned about annexation. She said Mr. Tessier mentioned the City's recent proposal concerning annexation of developments and industry within three (3) miles of the City Limits. She asked Council to comment on any plans for annexation of the Riceville Community, particularly the one mile area adjacent to the Asheville City Limits and to also comment on the proposed annexation of developments within three (3) miles of the City Limits.

Article 11ARTICLE 11NONCONFORMING USES

A structure or the use of a structure or premises which are lawful before the effective date of this ordinance or any amendment thereto, but which is not in conformity with the provisions herein may be continued as a nonconforming use.

Changes in ownership of any property under the jurisdiction of this Ordinance not resulting in a change of use shall not effect the continued operation of the nonconforming use. All nonconforming uses shall be subject to the following conditions:

1. Any substantial improvement of a nonconforming structure shall be made in compliance with the provisions of this ordinance;
2. If the nonconforming use is discontinued for six (6) consecutive months, any future use of the building and/or premises shall conform to this ordinance; however, this section shall not be applicable to seasonable disuse;
3. If any nonconforming use or structure is destroyed by any means, including floods, said use or structure may be replaced provided said structure or use is not expanded beyond the original square footage below the level of the regulatory flood level prior to being destroyed and provided that the other provisions of the ordinance are complied with;
4. Any use which has been permitted as a Conditional Use and is in full compliance with this act and attached conditions shall be considered a conforming use.

Mr. Emrick said a meeting was also held with the Buncombe County Engineer, along with the Corporation Counsel, to compare the city's proposed ordinance and the one proposed by the county. He said efforts were made to make the ordinance similar. As a result of this meeting Mr. Emrick offered an amendment to the definitional section of the ordinance:

"INSERT IN APPROPRIATE ALPHABETICAL ORDER IN ARTICLE #2:

FLOOD, FLOODING: (a) A general and temporary condition of partial or complete inundation of normally dry land areas from: (1) the overflow of inland or tidal waters; (2) the unusual and rapid accumulation of runoff of surface waters from any source; (3) Mudslides (i.e. mudflows) which are proximately caused or precipitated by accumulations of water on or under the ground. (b) The collapse or subsidence of land along the shore of a lake or other body of water as a result of erosion or undermining caused by waves or currents of water exceeding anticipated cyclical levels or suddenly caused by an unusually high water level in a natural body of water, accompanied by a severe storm, or by an unanticipated force of nature, such as flash flood or an abnormal tidal surge, or by some similarly unusual and unforeseeable event which results in flooding as defined in (a) (1) of this section.

FLOOD PLAIN: Any normally dry land area that is susceptible to being inundated by flooding.

BUDGET AMENDMENT - ANNUAL OPERATING BUDGET FISCAL YEAR 1980-81 - ASHEVILLE-BUNCOMBE
COMMUNITY RELATIONS COUNCIL

7. Consideration was given to a budget amendment amending the City of Asheville Annual Operating Budget for fiscal year 1980-81.

The City Manager presented the budget amendment, in the amount of \$9,658, to fund the Asheville-Buncombe Community Relations Council at the level it requested for 1980-81, \$43,515. The current budget is \$33,857.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

BUDGET AMENDMENT - ANNUAL OPERATING BUDGET FISCAL YEAR 1980-81 - QUALITY FORWARD

8. Consideration was given to a budget amendment amending the City of Asheville Annual Operating Budget for fiscal year 1980-81.

The City Manager presented the budget amendment, in the amount of \$4,000 to provide money for Quality Forward's educational program for the public schools (the Katy Clean-Up program).

Councilman Boland moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 80-153 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE SALES
CONTRACT FOR PURCHASE OF PROPERTY AT CORNER OF EAGLE AND SPRUCE STREET

9. Consideration was given to a resolution authorizing the City Manager to execute sales contract for purchase of property at corner of Eagle and Spruce Street.

The City Manager read the resolution explaining that the City of Asheville has developed plans for a combined motor pool and parking facility, to be located in the area of Eagle Street and Spruce Street and a part of the needed land has been appraised at \$4,050 and is available to the City at this price. This resolution will authorize the City Manager to execute a sales contract for the purchase of the property described as Ward 1, Sheet 1, Lot 261, owned by M. E. McKissick.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, Resolution No. 80-153 was unanimously adopted.

Complete text of Resolution No. 80-153 will be found in Resolution Book No. 12 at page 177.

RESOLUTION NO. 80-154 - RESOLUTION AUTHORIZING A PERMANENT, NON-METERED ON-STREET
PARKING PROGRAM AND STUDY OF A DOWNTOWN PARKING DISTRICT

10. Consideration was given to a resolution authorizing a permanent, non-metered on-street parking program and study of a downtown parking district.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, Resolution No. 80-154 was unanimously adopted.

Complete text of Resolution No. 80-154 will be found in Resolution Book No. 12 at page 178.

Vice-Mayor Morris told Mrs. Sales that the Riceville community has never been considered for annexation into the City of Asheville. He said he did not think the Riceville area would meet the population density requirements for annexation. He said annexation of the Riceville area has never been discussed.

Vice-Mayor Morris also told Mrs. Sales that the proposal for annexation of developments within the three (3) miles of the City Limits has been tabled indefinitely.

Mr. Emrick, Planning Director, said in May or June Council identified 13 areas to be studied for annexation. He said the study did not include anything northeast of the Blue Ridge Parkway. He said in his opinion there would be severe problems in annexing the Riceville area due to the requirements of furnishing water and sewer to the area.

At the request of Mayor Trantham, Mr. Emrick said the purpose of the one-mile zoning jurisdiction is to have orderly growth on the edge of the corporate limits of the City of Asheville and to control incompatible uses. He said the one-mile area was originally intended to be a stepping stone to annexation.

Councilman Boland said in his opinion Council has always considered that anything urban should be municipal when they were considering annexation.

Mayor Trantham said he resented the County Commissioners sending a member of their staff into the community spreading false rumors. He also commented on the news media being one-sided in presenting editorials relative to the City and County negotiations. He said it would be difficult for the City and County to work together with the news media continuing to present one-sided editorials. He said the news media should leave the City and County alone and let them work together on all the problems.

BUDGET AMENDMENT - ASHEVILLE REVITALIZATION FUND BUDGET FOR FISCAL YEAR 1980-81

5. Consideration was given to a budget amendment amending the Annual Operating Budget and the Asheville Revitalization Fund Budget for Fiscal Year 1980-81.

The City Manager presented the budget amendment stating that these budget amendments, in the amount of \$10,382 and \$1,380 respectively are to budget for revenues received to date for Bele Chere and to budget for anticipated expenditures. All Bele Chere revenues and expenditures for Fiscal Year 80-81 will appear in the General Fund rather than the Asheville Revitalization Fund.

Vice-Mayor Morris moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

BUDGET AMENDMENT - ANNUAL OPERATING BUDGET 1980-81 - COOL GREEN ASHEVILLE PROMOTION

6. Consideration was given to a budget amendment amending the Annual Operating Budget for Fiscal Year 1980-81.

The City Manager presented the budget amendment, in the amount of \$5,000, which will budget funds for the City's contribution for the 1980 Cool Green Asheville promotion.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

- D. Resolution No. 80-157 - Resolution of intent to change the name of a portion of Mayflower Road and Blue Briar Road and scheduling a public hearing for September 11, 1980.

HIGHLIGHTS: Citizens of Blue Briar Road have requested that approximately 100 feet of Mayflower Road, between Blue Briar Road and Town Mountain Road, be changed from Mayflower Road to Blue Briar Road. In order to officially change the name of this portion of Mayflower Road to Blue Briar Road, it is necessary to schedule a public hearing on the matter. The public hearing will be scheduled for September 11, 1980.

Resolution Book No. 12 Page 181.

- E. Resolution No. 80-158 - Resolution establishing rules and procedures for the Asheville City Council.

HIGHLIGHTS: Since Council took office in December 1979 they have been reviewing and establishing rules and procedures for conducting business of the City Council. These rules and procedures have been reviewed and studied by members of Council on several occasions. The rules and procedures are now in final form and Council wishes to officially establish the rules and procedures.

Resolution Book No. 12 Page 183.

- F. Approval of bids received August 11, 1980 for one Greensmower for the Municipal Golf Course.

HIGHLIGHTS: Two bids were received. Recommendation of acceptance of low bid submitted by E. J. Smith & Sons of Charlotte, N. C. in the amount of \$6,924.95. Funding: Revenue Sharing Account Code 50-45-504.0074 - Sufficient funds are available for expenditure.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously adopted.

ANNOUNCEMENT OF COMMUNITY DEVELOPMENT PUBLIC HEARINGS

The City Manager said the following Community Development public hearings have been set:

<u>DATE/TIME</u>	<u>LOCATION</u>
Tuesday, August 26, 1980 - 7:30 P.M.	Kenilworth Presbyterian Church
Tuesday, Sept. 2, 1980 - 7:30 P. M.	Shiloh Community Center
Tuesday, Sept. 9, 1980 - 7:30 P. M.	Burton Street Community Center
Tuesday, Sept. 16, 1980 - 7:30 P. M.	Montford Community Center
Tuesday, Sept. 23, 1980 - 7:30 P. M.	Stephen's Lee Community Center

APPROVAL OF CONSENT AGENDA

11. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Scheduling of a public hearing relative to the adoption of an ordinance extending a moratorium on zoning permits for multi-family facilities in the Beaverdam Valley area for September 11, 1980.

HIGHLIGHTS: On January 31, 1980 an ordinance was adopted imposing a limited moratorium on development in the Beaverdam Valley area as an alternative to a request of the Beaverdam Planning Council to rezone their property to R-1 Single Family Residential District until the Planning Council has an opportunity to come up with their own Land Use Plan. The moratorium was to be effective for 120 days. On June 26, 1980 Council adopted an ordinance extending the moratorium for 60 days. Council will now consider extending the moratorium a second time.

- B. Resolution No. 80-155 - Resolution authorizing the execution of a contract with Carolina Power and Light Company for lighting within the Akzona Project Area.

HIGHLIGHTS: The Council by Resolution No. 77-155 authorized certain improvements relative to the Pack Square Rehabilitation Project and the Carolina Power and Light Company has requested that the lighting contract for the Akzona Complex be executed.

Resolution Book No. 12 Page 179.

- C. Resolution NO. 80-156 - Resolution authorizing the filing of an application with the Department of Transportation, United States of America for a grant under the Urban Mass Transportation Act of 1964, as amended.

HIGHLIGHTS: On July 31, 1980 Council adopted Resolution No. 80-141 authorizing the filing of an application with the Department of Transportation for a technical study grant for 1980-81 under the Urban Mass Transportation Act of 1964. The federal government is now requiring that all grant applications specify that the City will set forth and execute affirmative minority business policies in connection with the projects procurement needs. This resolution will specify the requirement of the federal government.

Resolution Book No. 12 Page 180.

MS. AUSTIN - SAVE DOWNTOWN ASHEVILLE - DOWNTOWN MALL PROPOSAL

Ms. Austin said in working the the Bele Chere Festival she talked to many people relative to the proposed downtown mall. She said 90% of the people were against a downtown mall. She also thanked those individuals for making the Bele Chere Festival a reality.

REPAIRS - HAZEL MILL BRIDGE

The City Manager announced that he has authorized the repairs to Hazel Mill Bridge in the amount of \$15,000. He said if further repairs are needed he would suggest closing the bridge until arrangements could be made for repairs or replacement.

WAYNE CALDWELL - SAVE DOWNTOWN ASHEVILLE - COMMENTS RE: INSPECTION OF BUILDINGS DOWNTOWN

Wayne Caldwell, of Save Downtown Asheville, questioned why Butler Associates Engineers was hired to assist in the inspection of downtown buildings in the downtown mall study process. He particularly questioned the hiring of Butler Associates outside a public meeting.

The City Manager explained that the hiring of Butler Engineers would speed up the process of the inspections downtown as well as providing for accurate inspections.

RALPH BISHOP - LOTTERY SALES - OBTAINING CITY RECORDS

Mr. Ralph Bishop again spoke to Council about the lottery sales in Asheville and his problems in obtaining city records.

ADJOURNMENT

Upon motion of Vice-Mayor Morris, seconded by Councilwoman Price, the meeting adjourned at 5:45 p. m.

Raymond Morris
MAYOR

William J. Price
CITY CLERK

RESOLUTION NO. 80-159 - RESOLUTION OF APPRECIATION TO THE PROMOTERS AND PARTICIPANTS IN BELE CHERE 1980

Consideration was given to a resolution of appreciation to the promoters and participants in Bele Chere 1980.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-159 was unanimously adopted.

Complete text of Resolution No. 80-159 will be found in Resolution Book No. 12 at page 184.

CLAIMS - JACK PRUITT - WM. P. TREUSCH - SOUTHERN BELL - WHITNEY SMITH - MICHAEL BARRETT

The City Manager presented claims received from Jack Pruitt, Wm. P. Treusch, Southern Bell, Whitney Smith, and Michael Barrett.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - AUGUST 26, 1980 - WOMEN'S EQUALITY DAY

Mayor Trantham proclaimed August 26, 1980 as Women's Equality Day.

PRESENTATION BY JOHN JEROSE, THOMS CABLEVISION

Mr. John Jerose, General Manager of Thoms Cablevision, Inc., said due to the recent publicity relative to the grounding of cablevision lines, he felt it was necessary to tell members of Council about the situation since he felt the incident was blown out of proportion by the news media. He said a defective ground was found at Crowfields which was repaired. He said the defective ground prompted many to call his office for inspection of their lines to determine if they were grounded. He said his company must abide by the National Safety Requirements which requires grounding. He said as a result of the inquiries his company will inspect every installation in the City and the County and leave a copy of the inspection with the subscriber stating that the service is properly grounded. He said new subscribers will also receive a copy of an inspection report.

Mr. Jerose said he had received complaints relative to service outages and people saying that his company does not answer the telephone. He said unfortunately there will be service outages for various reasons and when this happens everyone seems to call the cablevision office. He said it is impossible to answer all the calls and explain the problems. He said they plan an educational program for cable subscribers in an attempt to make them understand more about the technological aspects of cable television and the reasons why cable service can be interrupted. He said this would be done by informational mailers to be sent out with the bills.

Mr. Jerose also presented Council members with a construction progress report explaining the proposed plans for expanding the service. He told Council what new channels they anticipate carrying as well as those they will discontinue.

BUDGET AMENDMENT - COMMUNITY DEVELOPMENT FUND BUDGET

4. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budget.

The Assistant City Manager presented the budget amendment stating that the budget amendment in the amount of \$14,969 is to reprogram Community Development income from rents, concessions, sale of fixed assets, reports and Grant Program income into the East End/Valley Street Project.

Councilman Wilkes moved to approve the budget amendment as presented by the Assistant City Manager. This motion was seconded by Councilman Brownlee and carried unanimously.

SALE OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT

5. Consideration was given to a motion relative to the sale of disposal parcels in the East Riverside Renewal Project.

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project:

<u>PARCEL</u>	<u>REUSE</u>	<u>PRICE</u>	<u>BID</u>	<u>REDEVELOPER</u>
38	Residential	2,200	2,351	W. D. Metcalf Building Co.
46	Residential	2,500	3,300	Mr. & Mrs. William Carson
135	Residential	1,500	1,751	W. D. Metcalf Building Co.
139	Residential	1,900	2,251	W. D. Metcalf Building Co.
140	Residential	1,900	2,251	W. D. Metcalf Building Co.
141	Residential	1,600	1,651	W. D. Metcalf Building Co.

Mr. Holt said the developers would build six (6) single family dwellings on the lots within a price range of \$38,000 to \$40,000.

Vice-Mayor Morris moved to approve the sale of the disposal parcels as presented by Mr. Holt. This motion was seconded by Councilman Wilkes and carried unanimously.

BUDGET AMENDMENT - ANNUAL OPERATING BUDGET FOR FISCAL YEAR 1980-81 - DOWNTOWN MALL STUDY

6. Consideration was given to a budget amendment amending the Annual Operating Budget for Fiscal Year 1980-81.

The Assistant City Manager presented the budget amendment stating that this budget amendment in the amount of \$13,071, is to budget in Fiscal Year 1980-81 Downtown Mall Study funds in the amount of \$11,321 which were left over from fiscal year 1979-80, and to budget for an additional contribution of \$1,750 received this fiscal year. A total of \$13,100 has been contributed to date. Only \$29 was spent in the last fiscal year.

Vice-Mayor Morris moved to approve the budget amendment as presented by the Assistant City Manager. This motion was seconded by Councilman Boland and carried unanimously.

Regular Meeting - August 28, 1980-4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, Harold F. Brownlee, F. Jack Cole and H. C. Wilkes, Corporation Counsel William C. Moore, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: City Manager K. M. Michalove

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 21, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the August 21, 1980 meeting were approved as submitted.

ORDINANCE NO. 1183 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 135 BROOKLYN ROAD, 22 NORMANDY ROAD, AND 18 WEAVER HILL

2. Consideration was given to the second reading of Ordinance No. 1183, an ordinance directing the Housing Officer to demolish those dwelling houses known as 135 Brooklyn Road, 22 Normandy Road, and 18 Weaver Hill.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

J. E. Johnson, Director of Inspections, reported that he inspected the referred to dwellings on August 28, 1980 and no work has been done on the dwellings to bring them up to housing code standards.

On a roll call vote of 7-0, Ordinance No. 1183 passed on second reading.

ORDINANCE NO. 1172 - AN ORDINANCE ESTABLISHING FLOOD PLAIN REGULATIONS FOR THE CITY OF ASHEVILLE

3. Mayor Trantham announced that as agreed by Council on August 21, 1980, the third reading of the proposed flood plain ordinance will not be considered at this meeting. He said additional information is needed before Council will consider the third reading.

Councilman Wilkes commented that the ordinance proposed by the City of Asheville is less stringent than the ordinance proposed for adoption by the County of Buncombe.

Vice-Mayor Morris moved to table the third reading of Ordinance No. 1172 until September 4, 1980. This motion was seconded by Councilman Wilkes and carried unanimously.

- B. Resolution No. 80-161 - Resolution authorizing the Mayor to sign contracts with Computer System Services, Inc.

HIGHLIGHTS: This contract will provide for long term arrangements for preventive and actual repair of various electronic data processing equipment owned by the City of Asheville.

Resolution Book No. 12 Page 187

- C. Resolution No. 80-162 - Resolution appointing members to the Zoning Board of Adjustments.

HIGHLIGHTS: Mr. John Acee, Mr. William T. Duckworth, Mr. Harold Talbert, and Mr. Tom McCurry will be reappointed members of the Zoning Board of Adjustments. Dr. Nathaniel Felder will also be appointed a member of the Board.

Resolution Book No. 12 Page 188

- D. Resolution No. 80-163 - Resolution appointing members to the Asheville-Buncombe Historic Resources Commission.

HIGHLIGHTS: Verne Rhoades, Miegan S. Gordon, and Wayne Caldwell will be appointed members of the Asheville-Buncombe Historic Resources Commission.

Resolution Book No. 12 Page 189

- E. Resolution No. 80-164 - Resolution appointing members to the Asheville-Buncombe County Youth Council.

HIGHLIGHTS: Mrs. Jan Orr will be reappointed a member of the Council. Mr. Richard Fain and Dr. Eric Iovacchini will be appointed members of the Council. Ms. Helen Parks will also be appointed a member of the Council.

Resolution Book No. 12 Page 190

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously adopted.

CLAIMS - ARBA MAE PLEMMONS

The Assistant City Manager presented a claim received from Arba Mae Plemmons.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

BUDGET AMENDMENT - ANNUAL OPERATING BUDGET FOR FISCAL YEAR 1980-81 -SALARY AND WAGES

7. Consideration was given to a budget amendment amending the Annual Operating Budget for Fiscal Year 1980-81.

The Assistant City Manager presented the budget amendment stating that this budget amendment is to allocate money to individual divisions for the 8% salary and wage schedule adjustment approved by City Council. A total of \$904,556 is being allocated to cover salary and wage increases as well as the increase in FICA tax.

Councilwoman Price moved to approve the budget amendment as presented by the Assistant City Manager. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1184 - AN ORDINANCE AMENDING SECTION 28-82.2 OF ARTICLE IV (SPEED REGULATIONS) OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

8. Consideration was given to an ordinance amending Section 28-82.2 of Article IV (Speed Regulations) of Chapter 28 of the Code of Ordinances of the City of Asheville.

The Assistant City Manager read the ordinance explaining that this amendment will eliminate that portion of Section 28-82.2 relative to the speed regulations at Biltmore Elementary School due to the fact that Biltmore Elementary School will no longer be used as a school facility.

Vice-Mayor Morris asked the Assistant City Manager to check into the possibility of deleting the speed regulations at Haw Creek Elementary School since that school is no longer being used as a school facility at the U. S. 70 location.

Councilman Boland moved for the adoption of Ordinance No. 1184. This motion was seconded by Councilwoman Price.

On a roll call vote of 7-0, Ordinance No. 1184 passed on first reading.

APPROVAL OF CONSENT AGENDA

9. The Assistant City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No.80-160 - Resolution fixing date of public hearing on question of annexation pursuant to G. S. 160A-31, as amended, for September 18, 1980.

HIGHLIGHTS: A petition has been received requesting annexation of an area in the Regent Park area off Patton Avenue. The City Clerk has investigated said petition and certified its sufficiency. G. S. 160A-31 provides for a public hearing on the annexation.

Resolution Book No. 12 page 185

Thursday - September 4, 1980 - 4:00 P. M.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, Harold F. Brownlee, F. Jack Cole and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Vice-Mayor Ralph D. Morris, Jr.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 28, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the August 28, 1980 meeting were approved as submitted.

ORDINANCE NO. 1183 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 135 BROOKLYN ROAD, 22 NORMANDY ROAD AND 18 WEAVER HILL

2. Consideration was given to the third reading of Ordinance No. 1183, an ordinance directing the Housing Officer to demolish 135 Brooklyn Road, 22 Normandy Road, and 18 Weaver Hill.

Mayor Trantham said the ordinance was previously read on first and second readings and will not be re-read in its entirety unless there was a specific request to do so.

The City Manager advised that he had received a request from Wesley Talman, attorney for the property owner of 22 Normandy Road, that the third reading of this ordinance be postponed for one week. He said Mr. Talman was in court and could not attend the meeting today.

After discussion relative to the request, Vice-Mayor Morris moved to postpone the third reading of Ordinance No. 1183 until September 11, 1980. This motion was seconded by Councilman Boland, which motion carried on a voice vote of 6-1 with Councilwoman Price voting "no."

ORDINANCE NO. 1184 - AN ORDINANCE AMENDING SECTION 28-82.2 OF ARTICLE IV (SPEED REGULATIONS) OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

3. Consideration was given to the second reading of Ordinance No. 1184, an ordinance amending Section 28-82.2 of Article IV (Speed Regulations) of Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

JACK WOODY - 105 STARNES COVE ROAD - COMMENTS RELATIVE TO HIS WATER BILL

Mr. Jack Woody of 105 Starnes Cove Road complained to Council relative to his high water bill which he said the Water Department will not make an adjustment.

Mayor Trantham informed Mr. Woody that the Assistant City Manager would check into his complaint.

ANNOUNCEMENT OF COMPLETION OF 8,000' RUNWAY EXTENSION AT ASHEVILLE REGIONAL AIRPORT

The Assistant City Manager announced that the Asheville Regional Airport now has a new 8,000' runway which is completely paid for.

Councilman Cole commented that he was glad that Council had taken the initiative to go ahead with the new runway.

RALPH BISHOP - LOTTERY SALES - OBTAINING CITY RECORDS

Ralph Bishop again spoke to Council relative to the lottery sales in Asheville and his problems in obtaining city records.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilman Wilkes, the meeting adjourned at 4:40 p. m.

Ray M. Trantham Frederic Z. Holcomb
MAYOR CITY CLERK

Article 10 - Section B-Floodproofing Buildings (Add the following)

"New construction or substantial improvements of any commercial, industrial, or other nonresidential structures, together with the attendant utilities, shall be floodproofed in one of the following ways:

- (a) Elevation of the lower floor, including basement above the level of the base or regulatory flood elevation at the specific site;
- (b) Be floodproofed so that below the base flood level the structure is water tight with walls substantially impermeable to the passage of water, with structural components having the capacity of resisting hydrostatic and hydrodynamic loads and the effects of buoyancy;
- (c) An alternative method of floodproofing structures shall be to construct nonresidential buildings in such a manner that water shall be allowed to pass into or through the structure with no substantial risk that the building will thereby be endangered or be susceptible to collapse or substantial damage. (The owners of such structure shall be advised that improvements made under this provision shall receive a specified rating for insurance purposes and that no subsidized insurance will be available for goods, inventories, materials or equipment contained in the building below the base flood elevation.) However, before this method of floodproofing is utilized the proposed use or construction shall be approved by the Board of Adjustment as set forth in Article 4 of this Ordinance.
- (d) An acceptable combination of methods (a) - (c).

In all instances, however, a registered professional engineer or architect shall certify that the standards of this subsection are satisfied. Such certification shall be provided to the City as set forth in Article 4. Section C., as contained herein."

Article 11 - Nonconforming Uses (Add the following)

"A structure(s) or the use(s) of a structure or premises which are lawful before the effective date of this Ordinance or any amendment thereto, but which is not in conformity with the provisions herein may be continued as a nonconforming use, or for the purposes of this Ordinance may be changed to another nonconforming use (changes in use shall be made in conformance with Subsection 5 of this Article.

Changes in ownership of any property under the jurisdiction of this Ordinance shall not effect the continued operation of the nonconforming use. All nonconforming uses shall be subject to the following conditions:

- 1. Any substantial improvement of a nonconforming structure shall be made in compliance with the provisions of this Ordinance.
- 2. If the nonconforming use is discontinued for six (6) consecutive months, any future use of the building and/or premises shall conform to this Ordinance; however, this section shall not be applicable to reasonable disuse;

Vice-Mayor Morris moved to amend Ordinance No. 1184 by deleting the portion of Section 1 which reads "Haw Creek Elementary School. U. S. 70 between White Pine Drive and a point 300 feet east of Old Haw Creek Road; and U. S. 74 between White Pine Drive and a point 300 feet southeast of Haw Creek Lane." This motion was seconded by Councilwoman Price and carried unanimously.

Vice-Mayor Morris said the Haw Creek Elementary School was no longer operating at U. S. 70 and therefore the speed regulations in that area was not needed.

On a roll call vote of 7-0, Ordinance No. 1184, as amended passed on second reading.

ORDINANCE NO. 1172 - AN ORDINANCE ESTABLISHING FLOOD PLAIN REGULATIONS FOR THE CITY OF ASHEVILLE

4. Consideration was given to the third reading of Ordinance No. 1172, an ordinance establishing flood plain regulations for the City of Asheville.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Planning Director, said amendments were made to the ordinance at the second reading, however, since that time meetings were held with the property owners in the flood area along with their attorneys at which time additional amendments were suggested.

Mr. Emrick reviewed the following suggested amendments:

Article 4- Section G- Variances (add the following)

"This Ordinance is intended to provide for variances to be issued to owners of property in the Flood Hazard Area when an exceptional hardship could exist when a strict interpretation of the provisions of this Ordinance are applied. However, if it is determined that a variance is justified, then the variance allowed should be the minimum deviation to relieve the hardship. The conditions which are to be considered as criteria for the variance are otherwise described in the following provisions of this section."

Article 4 - Section J - Exemptions (add the following)

"Reconstruction or remodeling of interior portions of existing buildings which will have no effect on the level of the regulatory flood shall be exempt from the provisions of this Ordinance."

Article 7 - Section D - New Construction (add the following)

"New construction or substantial improvements allowed by Ordinance No. 322 of the City of Asheville may be permitted provided that approval of said use or construction is approved by the Board of Adjustment as set forth in Article 4 contained herein and provided an acceptable certification by a registered professional engineer is provided proving that the anticipated encroachment(s) shall not result in any increase of the regulatory flood during occurrence of the base flood discharge.

"However, uses proposed shall be classified as a NONCONFORMING USE under this Ordinance and subject to the provisions of Article 11 as specified herein."

Upon inquiry of Douglas Hensley of the D. O. Creasman Company, Mr. Johnson of the Inspections Division said no new employees would be needed to enforce the ordinance at the present time.

Hollis Sprinkle of Three Mountaineers Company said Council should investigate the possibility of correcting the culverts and bridges in the area which causes part of the flood problems.

Councilman Boland said a letter has been composed to James Point with the Tennessee Valley Authority relative to solving some of the problems with the bridges and culverts in the floodway area.

On a roll call vote of 6-1, Ordinance No. 1172 as amended passed on third and final reading.

Complete text of Ordinance No. 1172 will be found in Ordinance Book No. 9 at page 126.

ORDINANCE NO. 1185 - AN ORDINANCE AMENDING SECTION 15 OF THE REVENUE ORDINANCE (ORDINANCE NO. 1027) OF THE CITY OF ASHEVILLE DELETING A PORTION OF THE CLASSIFICATION FOR JUNK DEALERS

5. Consideration was given to an ordinance amending Section 15 of the Revenue Ordinance (Ordinance No. 1027) of the City of Asheville deleting a portion of the classification for junk dealers.

The City Manager read the ordinance explaining that the present revenue ordinance requires that junk dealers furnish justified bond in the amount of \$1,000. He said such bond requirement in current economic circumstances has little enforcement impact and in the opinion of City Council this requirement is unnecessarily burdensome on local business citizens. This ordinance will delete the requirement of the bond by junk dealers.

Councilwoman Price moved for the adoption of Ordinance No. 1185. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1185 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1185. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1185 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1185. This motion was seconded by Councilman Boland and carried unanimously.

Complete text of Ordinance No. 1185 will be found in Ordinance Book No. 9 at page 164.

3. If any nonconforming use or structure or substantial improvement is destroyed by any means, including floods, said use or structure may be replaced provided the replacement of said structure and/or substantial improvements thereto will not result in an increase in the level of the original regulatory flood level. In all instances, a registered professional engineer or architect shall provide the Director with an acceptable certification demonstrating that said replacement would not result in an increase in the original regulatory flood levels.
4. Any use which has been permitted as a Conditional Use and is in full compliance with this act and attached conditions shall be considered a conforming use.
5. Any change of a nonconforming use as specified herein shall be approved by the Board of Adjustments under the provisions of Article 4 of this Ordinance. PROPOSED CHANGES IN A NONCONFORMING USE TO A RESIDENTIAL USE SHALL BE EXPRESSLY PROHIBITED."

After discussion of the proposed amendments, Vice-Mayor Morris moved to amend Ordinance No. 1172 by including the amendments reviewed by Mr. Emrick. This motion was seconded by Councilman Wilkes and carried unanimously.

Mrs. Tom Butler requested that Council delay action on the ordinance for thirty (30) days in order that the ordinance can be studied further.

Jack Westall, attorney for a number of property owners in the area, expressed appreciation to the members of Council and the City staff for their cooperation in meeting with the property owners in the floodway area to discuss the proposed ordinance. He said his clients still oppose the ordinance but the amendments made to the ordinance would decrease the restrictions on the property owners. He said they would continue to study the ordinance and would propose additional amendments at a later date in order to minimize the restrictions.

Mr. Chan Warner of the WNC Pallet Company in Candler, N. C. spoke in opposition to the ordinance.

Ralph Bishop also spoke in opposition to the ordinance stating that it placed too many restrictions on the property owners in the floodway area.

Jerry Sternberg, property owner in the area, also expressed appreciation for the cooperation of Council and the city staff in meeting with the property owners. He said he still opposed the ordinance which will restrict the use of the property in the area as well as decreasing property values.

John Chiles, Manager of Hajoca Company, said the ordinance will decrease his property value because he will be unable to use at least one acre of their land that is presently being used for storage and they will be unable to build on that land.

Joe Pless, owner of the Dreamland Drive-In said the ordinance will decrease his property value tremendously because he can not build anything else on his property and those interested in purchasing his property will not do so because they could not build on the property. He said he still opposed the adoption of the ordinance.

APPROVAL OF THE CONSENT AGENDA

9. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Approval of bids received August 27, 1980 for tennis court fencing and ballfield fencing at Montford Recreation Complex and West Asheville Park.

HIGHLIGHTS: Two (2) bids were received. Recommendation of acceptance of the fully responsive lowest bid submitted by Asheville Fence Company in the amount of \$17,523.00. Funding: Sufficient funds are available for expenditure. Montford Recreation Complex, Code 16-526.0073; West Asheville Park, Code 65-45-664-3-820.0073.

- B. Approval of bids received August 27, 1980 to construct asphalt tennis courts at Montford Recreation Complex, West Asheville Park Deaverview Park.

HIGHLIGHTS: Three (3) bids were received. Recommendation of acceptance of lowest bid, submitted by WNC Paving Company, Waynesville, N. C. in the amount of \$44,994.00. Funding: Sufficient funds are available for expenditures. Montford Recreation Complex - 16-526.0073 West Asheville Park - 65-45-664-3-829.0073 Deaverview Park - 65-45-690-3.0073

- C. Resolution No. 80-167 - Resolution authorizing the Mayor to execute an agreement with Bill Ashe- Mike Cox, AIA for architectural services for rehabilitation of Young Men's Institute Building.

HIGHLIGHTS: Resolution No. 80-134 authorized the solicitation for architectural services for rehabilitation of this historic property. This resolution will authorize Bill Ashe- Mike Cox, AIA to perform the services.

Resolution Book No. 12 Page 191

Upon motion of Councilman Wilkes, seconded by Councilman Cole, the consent agenda was unanimously approved.

COUNCILMAN BROWNLEE - DEAVERVIEW BALLFIELDS

Councilman Brownlee noted that the ballfields at Deaverview need repairs.

BUDGET AMENDMENT - CITY OF ASHEVILLE GENERAL CAPITAL PROJECTS BUDGET - SAFETY TO LIFE

6. Consideration was given to a budget amendment amending the City of Asheville General Capital Projects budget.

The City Manager presented the budget amendment in the amount of \$9,700 to provide funds for work done by architect John Cort under a contract to recommend minimum requirements for the Safety to Life Project. He said funding will come from the city's sinking fund "windfall."

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

RESOLUTION NO. 80-165 - RESOLUTION ESTABLISHING A RE-READ FEE IN THE WATER AND SEWER SERVICES DEPARTMENT OF THE CITY OF ASHEVILLE

7. Consideration was given to a resolution establishing a re-read fee in the Water and Sewer Services Department of the City of Asheville.

The City Manager read the resolution explaining that the re-reading of water meters for customers of the City's water system has been provided as a courtesy to the customers of the system. Many such re-reads have proven to be costly, time-consuming and unnecessary. This resolution will allow one free re-read annually. Customers requesting additional re-reads will be charged a fee of \$5.00. If the re-read reveals that the original reading was in error or that the meter is not recording the flow accurately the fee will be waived.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 80-165 was unanimously adopted.

Complete text of Resolution No. 80-165 will be found in Resolution Book No. 12 at page 189.

RESOLUTION NO. 80-166 - RESOLUTION REVISING WATER CONNECTION SERVICE CHARGES

8. Consideration was given to a resolution revising water connection service charges.

The City Manager read the resolution explaining that an increase in this service is necessary to adequately cover the expenses of initiating, changing and re-establishing services requested by ~~customers~~. The increased service charge is included in the fiscal 1980-81 budget.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-166 was unanimously adopted.

Complete text of Resolution No. 80-166 will be found in Resolution Book No. 12 at page 190.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilwoman Price, the meeting adjourned at 6:00 p. m.

Raymond L. Hansen
MAYOR

Kenneth F. Holsinger
CITY CLERK

CLAIMS - HELEN B. AVERETT - JENNIFER D. SELF

The City Manager presented claims received from Helen B. Averett and Jennifer D. Self.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

LEGAL ASSISTANCE PROVIDED TO CITY EMPLOYEE RE: CURTIS R. BLACKWELL VS. CITY OF ASHEVILLE

The City Manager told members of Council that an employee of the Parks and Recreation Department is being sued by the parents of Christopher N. Blackwell. He said Robert Alexander spanked/patted the child at one of the recreational parks. He recommended that the City of Asheville defend the city employee pursuant to Resolution No. 79-253, adopted November 29, 1979.

RESOLUTION NO. 80-168 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH DANIEL CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS PACK SQUARE RENOVATION

Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Daniel Construction Company for the project known as Pack Square Renovation.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 80-168 was unanimously adopted.

Complete text of Resolution No. 80-168 will be found in Resolution Book No. 12 at page 192.

ANNOUNCEMENT RELATIVE TO N. C. LEAGUE OF MUNICIPALITIES CONVENTION IN RALEIGH, N. C. OCTOBER 19-21, 1980

William F. Wolcott, Jr., Associate City Manager, informed Council members that housing reservations as well as advance registration for each of the Council members were made to the League of Municipalities. He asked that if they determined they could not attend the convention, cancellations must be made before October 9, 1980.

COUNCILMAN BROWNLEE - MRS. E. C. MESSER - RE: PENSION PAYMENT

Councilman Brownlee said it had been reported to him that Mrs. E. C. Messer, a retired policeman's widow died on August 17, 1980. He said the estate received a check the first of August and they returned the check to the City of Asheville. He requested that the City Manager investigate this to see if the estate was entitled to the check or at least a portion of the check.

RALPH BISHOP - COMMENTS RELATIVE TO BLUE RIDGE MENTAL HEALTH AGREEMENT - LOTTERY SALES

Ralph Bishop commented to Council opposing the agreement with the City of Asheville and the Blue Ridge Mental Health. He also commented on the lottery sales in Asheville.

PUBLIC HEARING - CHANGING THE NAME OF A PORTION OF MAYFLOWER ROAD TO BLUE BRIAR ROAD

RESOLUTION NO. 80-169 - RESOLUTION CHANGING THE NAME OF A PORTION OF MAYFLOWER ROAD TO BLUE BRIAR ROAD

3. A public hearing was held relative to changing the name of a portion of Mayflower Road to Blue Briar Road.

Mayor Trantham opened the public hearing at 4:17 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager read a letter from Mr. C. Foster Aldridge requesting that a portion of Mayflower Road be changed to Blue Briar Road. He said the residents on Blue Briar Road have had difficulty in informing ambulances, police department and fire department as to the location of their residences.

There being no objections, Mayor Trantham closed the public hearing at 4:18 p. m.

The City Manager read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Cole, Resolution No. 80-169 was unanimously adopted.

Complete text of Resolution No. 80-169 will be found in Resolution Book No. 12 at page 193.

ORDINANCE NO. 1183 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 135 BROOKLYN ROAD, 22 NORMANDY ROAD AND 18 WEAVER HILL

4. Consideration was given to the third reading of Ordinance No. 1183, an ordinance directing the Housing Officer to demolish 135 Brooklyn Road, 22 Normandy Road and 18 Weaver Hill.

Mayor Trantham said the ordinance was previously read on first and second readings and will not be re-read in its entirety unless there was a specific request to do so.

Wesley Talman, attorney for the property owner of 22 Normandy Road presented a letter from Mr. Richard P. Fleming, Civil Engineer, relative to the feasibility of restoring 22 Normandy Road opposed to the complete demolition. The letter indicated that the house could be restored to its formal state with proper planning and careful selection of a contractor.

Mr. Talman requested that Council allow his client sixty (60) days to begin the process of restoring the house.

Upon inquiry of Councilman Cole, Mr. Talman said the owners have sufficient money to restore the house but the question, at the present, is whether it is feasible to restore the house.

Thursday - September 11, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilwoman Norma T. Price, Councilmen Walter R. Boland, Harold F. Brownlee, F. Jack Cole and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Ralph D. Morris, Jr.

INVOCATION

The invocation was given by Rev. Ricky Spain.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 4, 1980 meeting.

Upon motion of Councilman Boland, seconded by Councilwoman Price, the minutes of the September 4, 1980 meeting were approved as submitted.

PUBLIC HEARING - EXTENDING MORATORIUM ON ZONING PERMITS FOR MULTI-FAMILY FACILITIES IN THE BEAVERDAM VALLEY AREA

2. A public hearing was held relative to the adoption of an ordinance extending a moratorium on zoning permits for multi-family facilities in the Beaverdam Valley area.

Mayor Trantham opened the public hearing at 4:13 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said on January 31, 1980 an ordinance was adopted imposing a limited moratorium on development in the Beaverdam Valley area as an alternative to a request of the Beaverdam Planning Council to rezone their property to R-1 Single Family Residential District until the Planning Council has an opportunity to come up with their own Land Use Plan. The moratorium was to be effective for 120 days. On June 26, 1980 Council adopted an ordinance extending the moratorium for 60 days. He said in essence a moratorium exists without an ordinance due to the lack of availability of water for multi-family facilities. He asked that Council table the ordinance indefinitely. In addition, he suggested that a subcommittee of Council members meet with the Beaverdam Planning Council to formulate their efforts of presenting their own Land Use Plan. He said the Planning Council would like to determine if Council will maintain their one-mile extra territorial zoning jurisdiction in the area after their plan is approved by the proper authorities.

There being no further discussion, Mayor Trantham closed the public hearing at 4:15 p. m.

Councilwoman Price moved to table consideration of an ordinance extending a moratorium on zoning permits for multi-family facilities in the Beaverdam Valley area indefinitely. This motion was seconded by Councilman Wilkes and carried unanimously.

The City Manager read the resolution explaining that this resolution will provide for formal action on a project which is essentially completed, which was approved by the members of Council and entered into on August 20, 1980. He described the contents of the agreement in detail.

Upon motion of Councilman Cole, seconded by Councilman Boland, Resolution No. 80-171 was unanimously adopted.

Complete text of Resolution No. 80-171 will be found in Resolution Book No. 12 at page 196.

Ralph Bishop opposed the adoption of Resolution No. 80-171.

RESOLUTION NO. 80-172 - RESOLUTION AUTHORIZING, ADOPTING, APPROVING, ACCEPTING, AND RATIFYING THE EXECUTION OF A GRANT AGREEMENT FOR PROJECT NO. 6-37-0005-06 BETWEEN THE UNITED STATES OF AMERICA ACTION THROUGH THE FAA AND THE CITY OF ASHEVILLE AND THE COUNTY OF BUNCOMBE

8. Consideration was given to a resolution authorizing, adopting, approving, accepting, and ratifying the execution of a grant agreement for Project No. 6-37-0005-06 between the United States of America acting through the FAA and the City of Asheville and the County of Buncombe.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 80-172 was unanimously adopted.

Complete text of Resolution No. 80-172 will be found in Resolution Book No. 12 at page 197.

COUNCILMAN BOLAND - COMMENTS RELATIVE TO GARBAGE COLLECTION

Upon inquiry of Councilman Boland, the City Manager said he had not received responses from other cities relative to their garbage collection systems. He said he would follow up on this project.

COUNCILMAN COLE - COMMENTS RELATIVE TO "TOWN MEETING" HELD ON SEPTEMBER 9, 1980

Councilman Cole commended Mr. John Butte as commentator for the Town Meeting held on September 9, 1980.

PROCLAMATION - CONSTITUTION WEEK - SEPTEMBER 17 - 23, 1980

Mayor Trantham proclaimed the week of September 17-23, 1980 as Constitution Week.

CLAIMS - LEONARD E. HARE - LARRY B. DeWEESE - ROBERT HICKERSON

The City Manager presented claims received from Leonard E. Hare, Larry B. DeWeese, and Robert Hickerson.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

On a roll call vote of 6-0, Ordinance No. 1183 passed on third and final reading.

Complete text of Ordinance No. 1183 will be found in Ordinance Book No. 9 at page 160.

Councilwoman Price moved that the Director of Inspections take no action relative to the demolition of 22 Normandy Road, until after November 25, 1980, at which time the Director of Inspections will report to Council any improvements made toward the restoration of 22 Normandy Road before taking any action pursuant to Ordinance No. 1183. This motion was seconded by Councilman Cole and carried unanimously.

Councilwoman Price instructed that Mr. Talman be notified before the matter is brought back to Council.

ORDINANCE NO. 1184 - AN ORDINANCE AMENDING SECTION 28-82.2 OF ARTICLE IV (SPEED REGULATIONS) OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

5. Consideration was given to the third and final reading of Ordinance No. 1184, an ordinance amending Section 28-82.2 of Article IV (Speed Regulations) of Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor Trantham said the ordinance was previously read on first and second readings and will not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1184 passed on third and final reading.

Complete text of Ordinance No. 1184 will be found in Ordinance Book No. 9 at page 163.

RESOLUTION NO. 80-170 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY AGREEMENT WITH RODNEY LAWLER, OWNER OF ASHEVILLE TERRACE, CONCERNING AN EASEMENT FOR THE MAINTENANCE AND REPAIR OF A WATER LINE

6. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way agreement with Rodney Lawler, owner of Asheville Terrace, concerning an easement for the maintenance and repair of a water line.

The City Manager read the resolution.

Upon motion of Councilman Wilkes, seconded by Councilman Brownlee, Resolution No. 80-170 was unanimously adopted.

Complete text of Resolution No. 80-170 will be found in Resolution Book No. 12 at page 195.

RESOLUTION NO. 80-171 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH BUTLER ASSOCIATES, P. A.

7. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Butler Associates, P. A.

Thursday - September 18, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, Harold F. Brownlee, F. Jack Cole and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Brownlee introduced Rev. William H. Pheagin, Jr., Pastor of Trinity United Methodist Church, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 11, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the September 11, 1980 meeting were approved as submitted.

PUBLIC HEARING - ANNEXATION OF AREA IN THE REGENT PARK

ORDINANCE NO. 1186 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA

2. A public hearing was held relative to annexing an area in the Regent Park area off Patton Avenue.

Mayor Trantham opened the public hearing at 4:15 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said a petition has been received requesting annexation of an area in the Regent Park area off Patton Avenue which was not previously annexed. He said the City Clerk has investigated the petition and certified its sufficiency. He said after the adoption of this ordinance the entire Regent Park area will be in the City limits. He requested that the ordinance be read on three readings at today's meeting in order to have the effective date of the ordinance for the 30th day of September, 1980.

Mayor Trantham closed the public hearing at 4:18 p. m.

Councilman Cole moved for the adoption of Ordinance No. 1186. This motion was seconded by Councilwoman Price.

On a roll call vote of 7-0, Ordinance No. 1186 passed on first reading.

PUBLIC HEARING SCHEDULED - AMENDMENT TO CIVIL SERVICE RULE NO. 4

The City Manager presented a recommendation from the Asheville Civil Service Board relative to amending Rule #4 of the Civil Service Rules and Regulations dealing with the age requirements for applicants for Fire Fighters.

Councilwoman Price moved to schedule a public hearing relative to amending Rule #4 of the Civil Service Rules and Regulations for September 25, 1980. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. 80-173 - RESOLUTION AUTHORIZING THE CLOSING OF A PORTION OF CHARLOTTE STREET FROM 9 A.M. TO 5 P.M. ON SATURDAY, SEPTEMBER 13, 1980

Consideration was given to a resolution authorizing the closing of a portion of Charlotte Street from 9 a. m. to 5 p. m. on Saturday, September 13, 1980 at the request of the women of St. Mary's Episcopal Church who are planning to hold their 20th annual Sidewalk Sale on Saturday, September 13, 1980.

The City Manager read the resolution.

Upon motion of Councilman Boland, seconded by Councilwoman Price, Resolution No. 80-173 was unanimously adopted.

Complete text of Resolution No. 80-173 will be found in Resolution Book No. 12 at page 198.

MRS. ROY ROGERS - COMPLAINT RELATIVE TO WATER BILLS

Mrs. Roy Rogers complained to Council about her water bill being too high. She also told Council of a friend of hers water bill being too high.

Mayor Trantham informed Mrs. Rogers that the City Manager would investigate her complaints relative to the water bills.

ED FOWLER - COMMENTS RELATIVE TO ANNEXATION

Mr. Ed Fowler of Skyland asked Council if a feasibility study had been made as to the economic effect on industrial growth if annexation occurred.

Mayor Trantham told Mr. Fowler that this would be looked into during the public hearings relative to annexation.

RALPH BISHOP - COMMENTS RELATIVE TO TOWN MEETING ON WATER PROPOSALS - LOTTERY SALES

Ralph Bishop made comments relative to the town meeting held on September 9, 1980 relative to water proposals and lottery sales in Asheville.

ADJOURNMENT

There being no further business the Council meeting adjourned at 5:15 p. m.

MAYOR

CITY CLERK

SALE OF DISPOSAL PARCELS - EAST RIVERSIDE PROJECT

4. Consideration was given to a motion relative to the sale of disposal parcels in the East Riverside Project.

The City Manager said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Project:

<u>Parcel</u>	<u>Reuse</u>	<u>Price</u>	<u>Bid</u>	<u>Redeveloper</u>
134	Residential	3,600	3,726	L S & M Building Co., Inc.
167-168	Residential	2,900	3,026	L S & M Building Co., Inc.
202	Residential	1,800	1,826	L S & M Building Co., Inc.
203	Residential	1,800	1,826	L S & M Building Co., Inc.
207	Residential	3,500	3,526	L S & M Building Co., Inc.
210	Residential	3,000	3,076	L S & M Building Co., Inc.

Mr. Larry Holt, Deputy Executive Director of the Asheville Housing Authority explained that six (6) single family residences will be built on the lots in the price range of \$40,000 to \$42,000. He reviewed the location of each parcel to be sold.

Vice-Mayor Morris moved to approve the sale of the disposal parcels as tentatively accepted by the Housing Authority. This motion was seconded by Councilwoman Price and carried unanimously.

Councilman Boland suggested that the Housing Authority look into a method of building livable but cheap houses in the Valley Street area.

Mr. Holt told Councilman Boland that a lot of different concepts are being discussed for housing in the Valley Street area.

RESOLUTION NO. _____ RESOLUTION DELETING THE NORTH ASHEVILLE PARK PROJECT AT THE SWAIN PROPERTY SITE FROM FURTHER CONSIDERATION BY THE CITY COUNCIL

5. Consideration was given to a resolution deleting the North Asheville Park Project at the Swain property site from further consideration by the City Council.

The City Manager, in summarizing the North Asheville Park Project, said at last Thursday's pre-Council meeting an informal vote was taken by members of Council present, Vice-Mayor Morris being absent, as to whether the City was going ahead with the park on the Swain property and if not, the federal grant money should be returned. He said the informal vote was 3-3 on returning the federal grant money. He said a vote was cast for Vice-Mayor Morris, because he had previously voted against the park, having stated his reasons for doing so. He said this made the vote 4-3 for returning the federal grant money. He said a request was then made to place on today's agenda, based on the informal vote, a resolution that would delete the Swain property from further consideration and to return the federal funds. He said since that time the Mayor has looked into the particular park, which at the time the informal vote was taken he felt the vote was based on the original concept of a ballpark, Babe Ruth field, with lights as it was originally intended which he could not vote for, however, he could vote for a little league field with basketball courts, off-street parking and no lights. This would change the vote 4-3 for not returning the federal grant money.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1186. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1186 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1186. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1186 passed on third and final reading.

Complete text of Ordinance No. 1186 will be found in Ordinance Book No. 9 at page 166.

ORDINANCE NO. 1187 - AN ORDINANCE RESTRICTING USE OF THE CIVIC CENTER PARKING GARAGE TO PATRONS OF SAID FACILITY

3. Consideration was given to an ordinance restricting use of the Civic Center Parking Garage to patrons of said facility.

The City Manager read the ordinance explaining that a new section would be added to the Code of Ordinances of the City of Asheville providing that the presence of anyone in the Civic Center Parking Garage not authorized to be there under the terms of this ordinance shall constitute a misdemeanor. He said the purpose of the ordinance is to stop an increasing amount of unauthorized traffic in the Civic Center.

Councilman Boland moved for the adoption of Ordinance No. 1187. This motion was seconded by Councilwoman Price.

On a roll call vote of 7-0, Ordinance No. 1187 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1187. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1187 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1187. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1187 passed on third and final reading.

Complete text of Ordinance No. 1187 will be found in Ordinance Book No. 9 at page 168.

- A. Approval of bids received September 15, 1980 for 10,000 board feet bridge decking timbers.

HIGHLIGHTS: Three (3) bids were received. Recommendation of acceptance of low bid submitted by Southern Wood Piedmont Company in the amount of \$5,490.00. Sufficient funds are available for above expenditure. Account Code 10-15-427.0038. Materials to be used in the repair of Hazel Mill Bridge.

- B. Resolution No. 80-174 - Resolution appointing a member to the Asheville-Buncombe Insurance Advisory Committee.

HIGHLIGHTS: Mr. Robert E. Lineback will be appointed a member of the Asheville-Buncombe Insurance Advisory Committee.

Resolution Book No. 12 Page 199

- C. Resolution NO. 80-175 - Resolution appointing member to the Recreation Board for Asheville.

HIGHLIGHTS: Mrs. Cliff (Amy) Hyatt will be appointed a member of the Recreation Board for Asheville.

Resolution Book No. 12 Page 200

Upon motion of Councilman Wilkes, seconded by Councilman Cole, the consent agenda was unanimously approved.

EXAMINATION OF COURT CASES RELATIVE TO ZONING

Councilman Wilkes moved that the Planning and Zoning Commission examine court cases relative to zoning changes. This motion was seconded by Councilman Boland and carried unanimously.

REQUEST BY COUNCILMAN BOLAND - PROCLAMATION IN OCTOBER RELATIVE TO ASHEVILLE SYMPHONY WEEK

Councilman Boland requested that a proclamation be prepared in October relative to Asheville Symphony Week.

RESOLUTION NO. 80-176 - RESOLUTION DIRECTING THE ASHEVILLE HOUSING AUTHORITY, ACTING IN ITS CAPACITY AS A REDEVELOPMENT COMMISSION, TO PROCEED TO DETERMINE THE APPLICABILITY OF ARTICLE 22, CHAPTER 160A-500-526 FOR THE PROPOSED STROUSE-GREENBERG PROJECT

Consideration was given to a resolution directing the Asheville Housing Authority acting in its capacity as a redevelopment commission to proceed to determine the applicability of Article 22, Chapter 160A-500-526 for the proposed Strouse-Greenberg Project.

The City Manager said, however, the decision is not as simple as deciding whether to build a park or not. He said the matter is zoning. He said there are several zoning issues related to the construction of the park, one of which was taken to court and the city lost. He said the City's original position was that the park was a public facility and the City could go ahead and build the park on that basis, however that did not hold up in court. He said the City has several options; 1) rezone the single parcel including the property the school board donated to R-3 Residential, which at this point is the only residential district that will permit a park. However, the rezoning would require six (6) affirmative votes of Council because of the legal process required in notifying adjoining property owners, of which 20% of the property owners would object to the rezoning, requiring six (6) affirmative votes; 2) amend the entire zoning ordinance to permit parks in any residential zone. However, the City Attorney has advised that this process could present legal problems; 3) rezone the property to R-2 Residential District and sell it for the construction of condominiums; 4) donate or sell the property to the school board for future school development; or 5) table action on the resolution proposed for sixty (60) days and ask the City staff and appropriate Council members to contact the YMCA to see if the YMCA property in North Asheville is now available either on a lease or trade basis.

Frank Leppert, member of the Parks and Recreation Advisory Board, said they have tried negotiations with the YMCA to no avail.

Mr. Bill Phiffer, Chairman of the Parks and Recreation Advisory Board, spoke in favor of a North Asheville Park on the Swain property. He suggested amending the entire zoning ordinance to include parks in all residential zones. He appealed to Council not to give up the \$78,000 in federal grant funds for the North Asheville Park.

Mrs. Nancy Cory, member of the Parks and Recreation Advisory Board, said parks built next to schools have proven to be very beneficial.

Mr. Robert Boyd, President of the North Asheville Optimist's Club, spoke in favor of the North Asheville Park being constructed on the Swain property. He said this property is an ideal location for the park. He said a park is very badly needed for the 600 children who play ball in North Asheville.

Mr. Gary Dodd, 2 Baird Lane, also spoke in favor of the North Asheville Park being constructed on the Swain property.

Harold Bennett, attorney representing property owners in North Asheville opposed to the park, spoke in opposition to a park being built on the Swain property. He said the court has decreed that neighborhood parks cannot be constructed in a R-1 Residential District.

Councilman Wilkes moved to postpone action on the resolution for sixty (60) days in order that Council can look at other options for a North Asheville Park. This motion was seconded by Councilwoman Price and carried unanimously.

Councilwoman Price was excused from the meeting at 5:09 p. m.

APPROVAL OF THE CONSENT AGENDA

6. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

PROCLAMATION - NATIONAL EXECUTIVE HOUSEKEEPER'S WEEK - SEPTEMBER 14 - 20, 1980

Mayor Trantham proclaimed the week of September 14 - 20, 1980 as National Executive Housekeeper's Week.

CLAIMS - GLEN DAVIS - JAMES D. WILLIAMSON - SCOLMIA S. RICE - WALTER BEALE FLETCHER - MARY ROBINSON - MARY HARDY

The City Manager presented claims received from Glen Davis, James D. Williamson, Scolmia S. Rice, Walter Beale Fletcher, Mary Robinson, and Mary Hardy.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

QUALITY FORWARD SCULPTURE COMMITTEE - DISCUSSION

The City Manager said the Quality Forward Sculpture Committee is trying to raise funds to put a sculpture on Pack Square when it is completed. He said the Committee wanted to know if the City Council would mind if a sculpture was put on the Square and if they would serve as a grantee for a federal/state or foundation grant for the sculpture.

Councilman Cole commented that the late Representative Mary Nesbitt worked hard on having a sculpture of Thomas Wolfe placed on the Court Plaza.

It was the consensus of Council that they would not object to a sculpture being placed on Pack Square provided that it is suitable for the location and at no cost to the City. It was also the consensus of Council that the sculpture be approved by the City Council.

LETTER FROM BILL FRUE, CHAIRMAN OF THE PLANNING AND ZONING COMMISSION - RE: BUTLER ASSOCIATES REPORT OF 9/10/80

The City Manager read the following letter:

September 17, 1980

Mr. K. M. Michalove
City Manager
City of Asheville
P. O. Box 7148
Asheville, N. C. 28807

Re: Bulter Associates Report of 9/10/80

Dear Ken:

I have reviewed the Butler report which you kindly handed me this week and it would appear that although Butler Associates believes that 50 percent of the structures fall within the blighted category, that this is based upon random samplings of 50 structures.

Verl Emrick, Planning Director, read the resolution explaining that this is the next step in complying with the N.C. General Statutes relative to the Strouse-Greenberg Project.

Wayne Caldwell asked questions of Mr. Emrick relative to the proposed resolution.

Ralph Bishop asked Council how much money this proposal would cost the city taxpayers.

Upon motion of Vice-Mayor Morris, seconded by Councilman Boland, Resolution No. 80-176 was unanimously adopted.

Wayne Caldwell, Chairman of the Save Downtown Asheville Committee, said he did not get an opportunity to ask Council before the vote on the resolution, to table action on the resolution until their attorney had an opportunity to review the resolution.

Complete text of Resolution No. 80-176 will be found in Resolution Book No. 12 at page 201.
RALPH BISHOP - COMMENTS RELATIVE TO SULLIVAN ACT

Mr. Ralph Bishop made comments to Council relative to the enactment of the Sullivan Act. He opposed using city taxpayer's money to hire Attorney Harold Bennett to get the Sullivan Act declared invalid.

EDWARD BURKE, JR. - COMMENTS RELATIVE TO WATER RATES

Mr. Edward Burke, Jr., said he was representing a group of Buncombe County citizens who are opposed to actions taken by the City Council. He said he noticed a chart in the Asheville Citizen paper which listed cities charging double and triple water rates. He said he could not find in the chart or the article a reference to what basis those rates were charged. He challenged the City Council and the news media to present to the citizens of Buncombe County, by area that they have named as charging double rates; 1) who originally paid for the distribution lines; 2) what are those rates in comparable population areas to the rates charged in Asheville; and 3) what does the city want the county to do to try to get together with them to solve a problem that is very vital to everyone in the county?

RESOLUTION NO. 80-177 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO SIGN A MEMORANDUM OF UNDERSTANDING WITH E. TED LINN

Consideration was given to a resolution authorizing the Mayor of the City of Asheville to sign a memorandum of understanding with E. Ted Linn.

The City Manager read the resolution explaining that it is in the best interests of the City of Asheville to purchase the E. Ted Linn property on Valley Street for expansion of City operations.

Upon motion of Councilman Cole, seconded by Councilman Boland, Resolution No. 80-177 was unanimously adopted.

Complete text of Resolution No. 80-177 will be found in Resolution Book No. 12 at page 202.

Thursday - September 25, 1980 - 4:00 p. m.

Regular Meeting

Present: Vice-Mayor Ralph D. Morris, Jr., Presiding; Councilmen Walter R. Boland, Harold F. Brownlee, F. Jack Cole and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Acting City Clerk Carol Hensley.

Absent: Mayor Roy M. Trantham (attending meeting in Raleigh; Councilwoman Norma T. Price (vacation); Associate City Manager/City Clerk William F. Wolcott, Jr. (vacation)

INVOCATION

Councilman Walter R. Boland gave the invocation.

RESOLUTION NO. 80-178 - RESOLUTION IN MEMORY OF EARL W. ELLER

Vice-Mayor Morris read a resolution in memory of Earl W. Eller, former member of the Council and Mayor of the City of Asheville from February, 1943 until May, 1969, who passed away on September 24, 1980.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, Resolution No. 80-178 was unanimously adopted.

Complete text of Resolution No. 80-178 will be found in Resolution Book No. 12 at page 203.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 18, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilman Boland, the minutes of the September 18, 1980 meeting were approved as submitted.

RESOLUTION NO. 80-179 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE CHANGE ORDERS 9, 10, AND 11 WITH CHAMPION CONTRACTING COMPANY INC. FOR THE PROJECT KNOWN AS SITE PREPARATION FOR 1,500' RUNWAY AND TAXIWAY EXTENSION

2. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville Change Orders 9, 10, and 11 with Champion Contracting Company, Inc. for the project known as site preparation for 1,500' Runway and Taxiway Extension.

The City Manager read the resolution and explained that these change orders will make final adjustments in various elements of the contract to those actually required to complete the project.

Upon motion of Councilman Wilkes, seconded by Councilman Cole, Resolution No. 80-179 was unanimously adopted.

Complete text of Resolution No. 80-179 will be found in Resolution Book No. 12 at page 204.

I do not want to ask members of the Planning and Zoning Commission to make a judgment based on random samplings and I would request that all the structures be examined. I understand this would require inspection of only 42 other buildings and the report could be prepared without too much additional work on the part of Butler Associates.

Very truly yours,

/s/ W. C. Frue

William C. Frue
Chairman

WCF/nr

cc/Members, Asheville
Planning and Zoning Commission

The City Manager said based on this request he would proceed to implement Part C of the Butler Associates agreement approved by Council on September 11, 1980.

PUBLIC HEARING RESCHEDULED - CIVIL SERVICE RULE #4 AMENDMENT

Councilman Cole moved to reschedule the public hearing relative to amending Rule #4 of the Civil Service Rules and Regulations for October 2, 1980. This motion was seconded by Councilman Wilkes and carried unanimously.

PUBLIC HEARING SCHEDULED - AMENDMENT TO SIXTH YEAR COMMUNITY DEVELOPMENT APPLICATION

Councilman Boland moved to schedule a public hearing to receive public comments for an amendment to the Sixth Year Community Development Application for October 9, 1980. This motion was seconded by Councilman Cole and carried unanimously.

REINSTATEMENT OF FLOOD INSURANCE - SEPTEMBER 22, 1980

The City Manager advised Council that he had been informed that the City of Asheville will be reinstated in the Flood Insurance Program effective September 22, 1980.

CINNAMON RIDGE APARTMENT COMPLEX - DISCUSSION

The City Manager said the proposed Cinnamon Ridge Apartment Complex would be reviewed by the Planning and Zoning Commission before being considered by the City Council.

ADJOURNMENT

There being no further business, the meeting adjourned at 5:50 p. m.

MAYOR

CITY CLERK

Buncombe County Youth Council, through the Director of Parks and Recreation, will apply for a mini-grant in the amount of \$500, to the North Carolina Youth Advisory Council to implement a project with the Buncombe County Special Olympics.

Resolution Book No. 12 Page 206.

- C. Resolution No. 80-182 - Resolution appointing members to the Recreation Board for Asheville.

HIGHLIGHTS: Mr. Frank T. Leppert and Mr. Richard Fain will be reappointed as members of the Recreation Board for Asheville.

Resolution Book No. 12 Page 207.

- D. Approval of bids received September 10, 1980 to install Ballfield Lighting System at Montford Recreation Complex.

HIGHLIGHTS: Three (3) bids were received. Recommendation of acceptance of low bid submitted by M. B. Haynes Electrical Corporation in the amount of \$26,845.00. Sufficient funds are available under Riverside Park Development - Account Code 16-526.0073.

- E. Approval of bids received September 15, 1980 for Bulk Sodium Chloride (Rock Salt) for Snow and Ice Control.

HIGHLIGHTS: Three (3) bids were received. Recommendation of acceptance of low bid submitted by International Salt Company in the amount of \$42,300.00. This expenditure is covered by funding from the General Fund - Street Division Appropriation.

Upon motion of Councilman Cole, seconded by Councilman Boland, the consent agenda was unanimously approved.

CLAIMS - W. D. KRISHER

The City Manager presented a claim received from W. D. Krisher.

Vice-Mayor Morris referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 80-183 - RESOLUTION WAIVING SECTIONS 25-5 AND 25-6 OF THE CODE OF ORDINANCES FOR THE CITY-COUNTY PLAZA ON OCTOBER 11, 1980 FROM 3 TO 7 P.M.

Consideration was given to a resolution waiving Sections 25-5 and 25-6 of the Code of Ordinances for the City-County Plaza on October 11, 1980 from 3 to 7 p. m.

The City Manager read a letter from the Buncombe County Democratic Executive Committee, Activities Chairman, Nancy Duvall, requesting that these sections of the Code be waived during their "ole" time rally, "bazaar," "bake sale," "bingo," and "flea market" in the City-County Plaza, Saturday, October 11, 1980 at 3 p. m. through 7 p. m. for the benefit of the party's fund raising campaign.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING BUDGET - LIBRARY CONSTRUCTION

3. Consideration was given to a budget amendment amending the City of Asheville Annual Operating Budget for 1980-81.

The City Manager presented the budget amendment in the amount of \$16,055, which will appropriate money for the continuous on-site supervision provided during the construction of the library.

Councilman Boland moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING BUDGET - AIRPORT RUNWAY EXTENSION PROJECT

4. Consideration was given to a budget amendment amending the City of Asheville Annual Operating Budget for 1980-81.

The City Manager presented the budget amendment in the amount of \$185,040, which will appropriate money from the federal and state governments and the City of Asheville to pay for the change orders to close out the Runway Extension Project.

Councilman Cole moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

APPROVAL OF CONSENT AGENDA

5. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-180 - Resolution of intent to close a public street and calling a public hearing on the question for October 30, 1980.

HIGHLIGHTS: A petition has been filed by Selby P. Wright requesting that a portion of East Riverview Drive, also known as Thompson Street, be closed permanently.

Resolution Book No. 12 Page 205

- B. Resolution No. 80-181 - Resolution authorizing the Director of Parks and Recreation to seek grant funding from the North Carolina Youth Advisory Council for the Buncombe County Special Olympics Project of the Asheville-Buncombe County Youth Council.

HIGHLIGHTS: The Buncombe County Special Olympics is hosting the 1980 North Carolina Special Olympics Fall Games and donations and other special funds must accommodate expenditures for lodging and food for the participants. Funds for mini-grants are available from the North Carolina Youth Advisory Council through the local Youth Council's affiliation with the State Youth Council. The Asheville-

Thursday - October 2, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, F. Jack Cole and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter R. Boland

INVOCATION

Councilman F. Jack Cole gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 25, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, the minutes of the September 25, 1980 meeting were approved as submitted.

PUBLIC HEARING - AMENDMENT TO CIVIL SERVICE RULES AND REGULATIONS - RULE NO. 4

2. A public hearing was held relative to amending the Civil Service Rules and Regulations- Rule No. 4.

Mayor Trantham opened the public hearing at 4:04 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Sam Graves, Director of Employee Services, explained the proposed amendment stating that this would change the age requirement for applicants for Firefighter from age 21 to age 18. He said the amendment would also require that applicants for the Fire and Police Department present a report on the status of his/her health and physical fitness, certified by a medical doctor, at the time that application is made for the position. He said the amendment would not affect existing employees but would affect entrance level employees. He said a survey was made of other cities in North Carolina and most other cities have the age limit for Firefighters at 18 and Police at 21.

There being no further discussion, Mayor Trantham closed the public hearing at 4:09 p. m.

Councilwoman Price moved to approve the proposed amendment to Civil Service Rule No. 4 as explained by Mr. Graves. This motion was seconded by Councilman Cole and carried unanimously.

Upon motion of Councilman Boland, seconded by Councilman Wilkes, Resolution No. 80-183 was unanimously adopted.

Complete text of Resolution No. 80-183 will be found in Resolution Book No. 12 at page 208.

PROCLAMATION - FIRE PREVENTION WEEK - OCTOBER 5 - 11, 1980

Vice-Mayor Morris proclaimed the week of October 5 - 11, 1980 as Fire Prevention Week.

COUNCILMAN WILKES - MINORITY BUSINESS IN EAST RIVERSIDE URBAN RENEWAL PROJECT - MR. JAMES GREEN

Councilman Wilkes said Mr. James Green has made a proposal to construct a minority business on Depot Street in the East Riverside Urban Renewal area. He said Mr. Green has made a partial payment on the land adjacent to the tennis courts in the area. He said there has not been a minority business constructed in the project area.

After a brief discussion, Councilman Boland moved to instruct the City Manager to prepare a resolution, for Council's consideration, endorsing Mr. Green's minority business on Depot Street in the East Riverside Urban Renewal Project. This motion was seconded by Councilman Wilkes and carried unanimously.

RALPH BISHOP - LOTTERY LAWS - CITY RECORDS

Mr. Ralph Bishop made comments to Council relative to the lottery laws in North Carolina and his difficulty in obtaining city records.

NED FOWLER - DISCUSSION RELATIVE TO PROPOSED ANNEXATIONS

Mr. Ned Fowler said he made a request to Council several weeks ago, that a feasibility study be made on the economic impact of industrial growth in areas adjacent to the areas proposed to be annexed into the City of Asheville. He asked Council if that study had been started. He said he felt the study would reveal a great impact on the industrial growth. He said the industrial growth would rapidly decrease if the areas are annexed.

After discussion relative to Mr. Fowler's request, Vice-Mayor Morris said Council could ask the Planning Department to review the possibility of conducting such a feasibility study in preparing their plans for proposed annexations.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Brownlee, the meeting adjourned at 4:50 p. m.

Raym. L. Lantieri
MAYOR

William F. Holcomb
CITY CLERK

- B. Resolution No. 80-186 - Resolution authorizing the Mayor to execute right-of-way agreements with the North Carolina Department of Transportation for the purpose of widening and improving Edgewood Road.

HIGHLIGHTS: This encroachment agreement with the North Carolina Department of Transportation is for the purpose of widening and improvement of Edgewood Road.

Resolution Book No. 12 Page 211

- C. Resolution No. 80-187 - Resolution authorizing the Mayor to execute a release from a lease between the City of Asheville and Evelyn Giezentanner et al relative to the North Carolina Department of Transportation's acquisition of right-of-way for the improvement of Valley Street.

HIGHLIGHTS: The City of Asheville operates a service station on Valley Street on property leased from Evelyn Giezentanner et al, who have entered into a right-of-way agreement with the North Carolina Department of Transportation for a right-of-way over certain portions of the property relative to the Valley Street Improvement Project. The above resolution will authorize the execution of a release by the City of Asheville, of the lease to so much of the property as is described in the right-of-way agreement.

Resolution Book No. 12 Page 212

Resolution Book No. 12 Page 213

- E. Approval of bids received September 19, 1980 for 100 traffic model fire hydrants.

HIGHLIGHTS: Six (6) bids were received. Recommendation of acceptance of low bid submitted by Pump and Lighting Company of Charlotte, North Carolina in the amount of \$33,844.35. Sufficient funds are available in the Water and Sewer Operation Appropriations - Account Code 30-140 Inventory.

Upon motion of Councilman Cole, seconded by Councilwoman Price the consent agenda was unanimously approved.

BUDGET AMENDMENT - GRANT PROGRAMS CETA BUDGET FOR FISCAL YEAR 1980-81

3. Consideration was given to a budget amendment amending the Grant Programs CETA budget for fiscal year 1980-81.

The City Manager presented the budget amendment stating that the amendment in the amount of \$116,086 is to appropriate CETA funds received from Buncombe County Employment and Training Office for the CETA Skills Development Program '81 in accordance with a contractual agreement between the City of Asheville and Buncombe County approved by the City Council's Resolution No. 80-142.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 80-184 - RESOLUTION SUPPORTING MINORITY BUSINESS DEVELOPMENT IN THE EAST RIVERSIDE URBAN RENEWAL AREA - MR. JAMES GREEN PROPOSED DEVELOPMENT

4. Consideration was given to a resolution supporting minority business development in the East Riverside Urban Renewal Area.

The City Manager read the resolution explaining that as instructed by Council on September 25, 1980 a resolution was prepared to endorse an effort on the part of Mr. James Green to develop the first minority business venture in the newly developed East Riverside Area.

Upon motion of Councilman Wilkes, seconded by Vice-Mayor Morris, Resolution No. 80-184 was unanimously adopted.

Complete text of Resolution No. 80-184 will be found in Resolution Book No. 12 at page 209.

APPROVAL OF CONSENT AGENDA

5. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-185 - Resolution authorizing the Mayor to execute a right-of-way agreement with East Asheville Youth, Inc. of Asheville, North Carolina concerning a parcel of land on which to construct a pump station.

HIGHLIGHTS: This encroachment agreement with East Asheville Youth, Inc. is for the purpose of constructing a pump station on their property in the Haw Creek area.

Resolution No. 12 Page 210

Thursday - October 9, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, F. Jack Cole and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter R. Boland

INVOCATION

Councilwoman Norma T. Price gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 2, 1980 meeting.

Upon motion of Councilman Wilkes, seconded by Councilman Brownlee, the minutes of the October 2, 1980 meeting were approved as submitted.

PUBLIC HEARING - AMENDMENT TO SIXTH YEAR COMMUNITY DEVELOPMENT APPLICATIONRESOLUTION NO. 80-189 - RESOLUTION AMENDING THE CITY OF ASHEVILLE'S SIXTH YEAR ENTITLEMENT FOR COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

2. A public hearing was held relative to amending the Sixth Year Community Development Application.

Mayor Trantham opened the public hearing at 4:20 p. m.

The City Manager presented the notice to the public stating the time and date set for the public hearing.

Logan Delany, Director of Community Development, said the HUD area office informed the Mayor on June 13, 1980 that \$2,471,801.43 in surplus funds remain after financial settlement of Urban Renewal N. C. R-48 which was available to the City of Asheville in carrying out the City's Community Development Block Grant Program. He said this would require an amendment to increase the Sixth Year Community Development Block Grant allocation. Mr. Delany explained the allocations for the amendment.

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, commented relative to the proposed amendment to the Sixth Year Community Development Block Grant Program.

After discussion, Mayor Trantham closed the public hearing at 4:35 p. m.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 80-189 was unanimously adopted.

Complete text of Resolution No. 80-189 will be found in Resolution Book No. 12 at page 214.

CLAIMS - JOHN PSYCHOS - ANN W. WILSON - HOWARD H. DAVIS - HOWARD COLLINS -
PATRICIA SOUTHERLAND - JAMES CHANEY

The City Manager presented claims received from John Psychos, Ann W. Wilson, Howard H. Davis, Howard Collins, Patricia Southerland, and James Chaney.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - FARM-CITY WEEK - OCTOBER 6 - 11, 1980

Mayor Trantham proclaimed the week of October 6 - 11, 1980 as Farm City Week.

PUBLIC HEARING SCHEDULED - GROUP DEVELOPMENT REVIEW - CAROLINA POWER AND LIGHT
COMPANY - FIELD FACILITIES BUILDING

The City Manager presented a letter from the Planning and Zoning Commission recommending approval of the site plan of the proposed Field Facilities Building of Carolina Power and Light Company to be located at the corner of Haywood and Carter Streets.

Vice-Mayor Morris moved to schedule a public hearing relative to the site plan for the proposed Field Facilities Building of Carolina Power and Light Company for October 9, 1980. This motion was seconded by Councilman Wilkes and carried unanimously.

RALPH BISHOP - COMMENTS RELATIVE TO CHIEF OF POLICE FRED HENSLEY

Ralph Bishop made comments to Council relative to the Chief of Police Fred Hensley.

ADJOURNMENT

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, the meeting adjourned at 4:25 p. m.

MAYOR

CITY CLERK

The City Manager read the ordinance explaining that the school zone for Haw Creek Elementary School will be Trinity Chapel Road between New Haw Creek Road and Old Haw Creek Road.

Councilwoman Price moved for the adoption of Ordinance No. 1188. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1188 passed on first reading.

Councilman Wilkes moved to suspend the rules and proceed to the second reading of Ordinance No. 1188. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1188 passed on second reading.

Councilman Wilkes moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1188. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1188 passed on third and final reading.

Complete text of Ordinance No. 1188 will be found in Ordinance Book No. 9 at page 170.

BUDGET AMENDMENT - CITY OF ASHEVILLE COMMUNITY DEVELOPMENT FUND BUDGET - WEST ASHEVILLE STREET AND DRAINAGE PROJECT

6. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budget.

The City Manager presented the budget amendment stating that the budget amendment, in the amount of \$20,000, is to provide additional funds for the completion of the West Asheville Street and Drainage Project. This would include installation of catch basin and the continuation of paving improvements on the lower end of Burton Street to Patton Avenue.

Logan Delany, Director of Community Development, said the McDonalds Company will be sharing the cost of the paving improvements on the lower end of Burton Street in the amount of \$10,000.

Councilwoman Price moved to approve the budget amendment presented by the City Manager. This motion was seconded by Vice-Mayor Morris and carried unanimously.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING BUDGET - LEXINGTON AVENUE

7. Consideration was given to a budget amendment amending the City of Asheville Annual Operating Budget for fiscal year 1980-81 and the General Capital Projects Budget.

The City Manager presented the budget amendment in the amount of \$20,000, which will appropriate funds for improvements to Lexington Avenue which will include widening of N. Lexington from Patton to College, widening of S. Lexington from Patton to the end of the new parking area (formerly the Man Store), sidewalk will be built on the east side of N. Lexington from College to Patton and on the west side of N. Lexington some repair work will be done. The City's share of the demolition of the Man Store will be paid for by this appropriation.

PUBLIC HEARING - GROUP DEVELOPMENT - PROPOSED FIELD FACILITIES BUILDING - CAROLINA POWER AND LIGHT COMPANY

3. A public hearing was held relative to a group development of the proposed Field Facilities Building of Carolina Power and Light Company.

Mayor Trantham opened the public hearing at 4:40 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

Verl Emrick, Planning Director, said the Planning and Zoning Commission reviewed the proposed site plan and recommended to the Council that the site plan of the proposed Field Facilities Building of Carolina Power and Light Company to be located at the corner of Haywood and Carter Streets be approved subject to the requirements of the Erosion Control Ordinance.

Tom Dabney of the Carolina Power and Light Company spoke in support of the proposed facilities and presented a model of the proposed building.

After discussion, Mayor Trantham closed the public hearing at 4:45 p. m.

Councilman Cole moved to approve the site plan of the proposed Field Facilities Building of Carolina Power and Light Company subject to the requirements of the Erosion Control Ordinance. This motion was seconded by Councilman Wilkes and carried unanimously.

ORDINANCE NO. _____ - AN ORDINANCE AMENDING SECTION 28-82.2 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO ADD EMMANUEL LUTHERAN SCHOOL TO THE LIST OF PAROCHIAL AND DAY SCHOOLS FOR WHICH THE SPEED LIMIT HAS BEEN SET AT TWENTY-FIVE MILES PER HOUR

4. Consideration was given to an ordinance amending Section 28-82.3 of the Code of Ordinances of the City of Asheville to add Emmanuel Lutheran School to the list of parochial and day schools for which the speed limit has been set at twenty-five miles per hour.

The City Manager read the ordinance.

Councilwoman Price questioned the locations for the speed limit set for Emmanuel Lutheran School.

After discussion, Councilwoman Price moved to continue the ordinance until October 16, 1980 in order that more information could be obtained relative to the locations. This motion was seconded by Councilman Cole and carried unanimously.

ORDINANCE NO. 1188 - AN ORDINANCE AMENDING SECTION 28-82.2 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO CHANGE THE LOCATION OF THE SCHOOL ZONE FOR HAW CREEK ELEMENTARY SCHOOL

5. Consideration was given to an ordinance amending Section 28-82.2 of the Code of Ordinances of the City of Asheville to change the location of the school zone for Haw Creek Elementary School.

BUDGET AMENDMENT - CITY OF ASHEVILLE GRANTS PROGRAM BUDGET - CETA FUNDS

11. Consideration was given to a budget amendment amending the City of Asheville Grants Program Budget for fiscal year 1980-81.

The City Manager presented the budget amendment in the amount of \$3,683, which will appropriate additional grant money from the Buncombe County Employment and Training Office. The money is in addition to the CETA Skills Development Program '81 grant which was budgeted by City Council on October 2, 1980. The money will be used for skilled worker's training.

Councilman Wilkes moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

12. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-192 - Resolution authorizing the execution of a memorandum of understanding between the City of Asheville and the North Carolina Department of Transportation for performance of snow and ice control on certain state system streets.

HIGHLIGHTS: The City and State are in agreement that snow and ice control can be performed in a more efficient and economical manner and provide a higher level of snow and ice control to the citizens of Asheville, by the City performing snow and ice control on certain State System streets. This resolution will authorize the City Manager to execute a memorandum of understanding between the City of Asheville and the North Carolina Department of Transportation as to which State System Streets the City will assume responsibility for snow and ice control and the methods by which the North Carolina Department of Transportation will reimburse the City for materials used in performing snow and ice control on the specified streets.

Resolution Book No. 12 Page 217

- B. Resolution No. 80-193 - Resolution authorizing the Mayor to sign an amendment to the existing agreement with the Buncombe County Commissioners for a federal grant under the Comprehensive Employment and Training Act of 1973 for Fiscal Year 1980-81

Councilman Cole moved for the approval of the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

RESOLUTION NO. 80-190 - RESOLUTION RELATIVE TO THE SALE OF PROPERTY ON CHOCTAW STREET

8. Consideration was given to a resolution relative to the sale of property on Choctaw Street to Rev. Wesley Grant.

The City Manager read the resolution explaining that this would begin the process necessary for the sale of the property to Rev. Wesley Grant.

After discussion, Councilwoman Prive moved for the adoption of the resolution adding "subject to the restrictions included in the deed" to the last paragraph. This motion was seconded by Councilman Wilkes and carried unanimously.

Complete text of Resolution No. 80-190 will be found in Resolution Book No. 12 at page 215.

RESOLUTION NO. 80-191 - RESOLUTION AUTHORIZING THE PURCHASE OF THE E. TED LINN PROPERTY ON VALLEY STREET

9. Consideration was given to a resolution authorizing the purchase of the E. Ted Linn property on Valley Street.

The City Manager read the resolution explaining that on September 18, 1980 Council adopted Resolution No. 80-177 authorizing the Mayor to execute a memorandum of understanding relative to the purchase of the E. Ted Linn property on Valley Street. He said this resolution will authorize the Mayor to execute the necessary documents relative to the purchase of this property.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, Resolution No. 80-191 was unanimously adopted.

Complete text of Resolution No. 80-191 will be found in Resolution Book No. 12 at page 216.

BUDGET AMENDMENT - CITY OF ASHEVILLE GRANTS PROGRAM BUDGET - CETA FUNDS

10. Consideration was given to a budget amendment amending the City of Asheville Grants Program Budget for fiscal year 1980-81.

The City Manager presented the budget amendment in the amount of \$27,850 which will appropriate additional funds made available through the Buncombe County Employment and Training Office for the CETA Skill Craft Training Program for fiscal year 1980-81. Two additional fire cadets will be trained with this money bringing to five the number of cadets which will be trained in fiscal year 1980-81.

Councilman Wilkes moved the approval of the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

**RESOLUTION NO. 80-196 - RESOLUTION NOMINATING AND ENDORSING MAYOR ROY M. TRANHAM
FOR THE OFFICE OF THIRD VICE PRESIDENT OF THE NORTH CAROLINA LEAGUE OF MUNICIPALITIES**

13. Consideration was given to a resolution nominating and endorsing Mayor Roy M. Tranham for the office of Third Vice President of the North Carolina League of Municipalities.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, Resolution No. 80-196 was unanimously adopted.

Complete text of Resolution No 80-196 will be found in Resolution Book No. 12 at page 224.

COUNCILMAN WILKES - COMMENTS RELATIVE TO COUNCILMAN BOLAND

Councilman Wilkes requested that Council send Councilman Boland a "Get Well" card. He said Councilman Boland has been sick for the past two weeks.

RESOLUTION NO. 80-197 - RESOLUTION CONSIDERING THE REZONING OF THE PROPERTY KNOWN AS THE MANOR

14. Consideration was given to a resolution considering the rezoning of the property known as the Manor.

The City Manager read the resolution stating that the resolution would direct the Planning and Zoning Commission to convene to discuss and forward a recommendation to City Council relative to rezoning Lot 98, Sheet 15, Ward 2, from OI Office Institutional to R-2 Low Density Residential District and Lot 100, Sheet 15, Ward 2 from OI Office Institutional District to R-3 Medium Density Residential District and that due notice be given to property owners and the surrounding neighborhood prior to the discussions relative to this resolution.

Mr. R. L. Bailey, one of the principal owners of the Manor, spoke in opposition to the resolution.

Mr. Dick Gilbert, of Stone Soup, a tenant in the Manor, spoke in opposition to the resolution. He said Council should approach the resolution with caution. He requested that Council take no action on the resolution until the owners of the Manor could meet with the surrounding property owners to discuss the current plans for the Manor.

Mr. Mac Day, of the Grove Park Citizens Association, spoke in support of the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Morris, Resolution No. 80-197 was unanimously adopted.

Complete text of Resolution No. 80-197 will be found in Resolution Book No. 12 at page 225.

- B. **HIGHLIGHTS:** Additional monies are presently available to the City through the Buncombe County Office of Employment and Training for the purpose of employing two (2) additional fire cadets, and to further reinstate to the City of Asheville's requested budget, monies that were previously requested budget, monies that were previously requested but not granted. It is necessary in order to receive these additional funds to amend the original contract.

Resolution Book No. 12 Page 218 .

- C. Resolution No. 80-194 - Resolution of intent to close portions of South French Broad Avenue, Livingston Street and Bartlett Street and calling a public hearing on the question for November 6, 1980.

HIGHLIGHTS: The Housing Authority has filed a petition requesting that portions of said streets be permanently closed to public use. The Housing Authority has completed street and site improvements in the area of the portions of said streets, being in the East Riverside Redevelopment Project N. C. R-48, which requires the closing of portions of said streets. Pursuant to N.C.G.S. 160A-299 a public hearing is required by the Council before the streets can be permanently closed.

Resolution Book No. 12 Page 219 - 222

- D. Scheduling of a public hearing relative to the site plan of the proposed Biltmore Professional Center Office Building to be located at Reed and Yorkshire Streets for October 23, 1980.

HIGHLIGHTS: The Planning and Zoning Commission has recommended to the City Council of the City of Asheville that the site plan of the proposed Biltmore Professional Center Office Building to be located at Reed and Yorkshire Street be approved.

- E. Resolution No. 80-195 - Resolution supporting the North Carolina League of Municipalities Legislative Program.

HIGHLIGHTS: The City of Asheville is in support of the legislative program of the North Carolina League of Municipalities to the 1981 General Assembly.

Resolution Book No. 12 Page 223

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously adopted.

CLAIMS - J. D. SUMMEY - A. J. GLENN, SR.

The City Manager presented claims received from J. D. Summey and A. J. Glenn, Sr.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - ALPHA DELTA KAPPA WEEK - OCTOBER 12 - 18, 1980.

Mayor Trantham proclaimed the week of October 12 - 18, 1980 as "Alpha Delta Kappa Week."

PROCLAMATION - FALL ARTS FESTIVAL - OCTOBER 9, 1980 - OCTOBER 19, 1980

Leslie Anderson, Chairman of the Cultural Division of Quality Forward, extended an invitation to members of Council to attend the Fall Arts Festival activities beginning on October 9, 1980 and continuing through the weekend of October 18, 1980.

Councilwoman Price moved that the Asheville City Council supports the concept of the Fall Arts Festival. This motion was seconded by Councilman Wilkes and carried unanimously.

PUBLIC HEARING SCHEDULED - AMENDMENT TO ORDINANCE NO. 1172 - ASHEVILLE FLOODPLAIN ORDINANCE

The City Manager read a letter from Mr. Verl Emrick, Director of Planning and Clark Brown, Director of Public Works which requested an amendment to the Asheville Floodplain Ordinance relative to the Floodway Maps.

Councilwoman Price moved to schedule a public hearing for an amendment to Ordinance No. 1172 for October 30, 1980. This motion was seconded by Councilman Cole and carried unanimously.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES AND CITY RECORDS

Mr. Ralph Bishop made comments relative to the lottery sales in the City and his difficulty in obtaining city records.

ADJOURNMENT

There being no further business, Mayor Trantham adjourned the meeting at 6:00 p. m.

MAYOR

CITY CLERK

On a roll call vote of 7-0, Ordinance No. 1189 passed on second reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the third reading of Ordinance No. 1189. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1189 passed on third and final reading.

Complete text of Ordinance No. 1189 will be found in Ordinance Book No. 9 at page 170.

ORDINANCE NO. 1190 - ORDINANCE AMENDING SECTION 236 OF THE 1945 CODE OF ORDINANCES RELATING TO REPORTS REQUIRED FROM OUTSIDE ORGANIZATIONS RECEIVING FUNDS FROM THE CITY OF ASHEVILLE

3. Consideration was given to an ordinance amending Section 236 of the 1945 Code of Ordinances relating to reports required from outside organizations receiving funds from the City of Asheville.

The City Manager read the ordinance explaining that this would require organizations receiving funds from the City of Asheville to prepare and provide to the City periodic financial reports showing all receipts and disbursements of the organization. They shall also agree to have its financial records audited annually and such organizations shall provide the City with a copy of their annual audited financial report as soon as such report is available.

Councilman Cole suggested that the ordinance include a "certified annual audited financial report."

Vice-Mayor Morris requested a list of the outside organizations that receive funds from the City of Asheville.

Councilman Wilkes moved for the adoption of Ordinance No. 1190 adding the word "certified" to audited financial report. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1190 passed on first reading.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING BUDGET - PURCHASE ORDERS OUTSTANDING

4. Consideration was given to a budget amendment amending the City of Asheville Annual Operating Budget for Fiscal Year 1980-81.

The City Manager presented the budget amendment stating that the amendment will appropriate \$309,565 to pay for purchase orders which were outstanding as of June 30, 1980, and which have been re-encumbered in fiscal year 1980-81. The items to be purchased were budgeted in fiscal year 1979-80 but the items had not been received as of June 30, 1980. Therefore, the expenditures for the items will be recorded against the current fiscal year's budget. The funds to pay for the items are in fund balances which remained on June 30, 1980.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Boland and carried unanimously.

Thursday - October 16, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr. Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, F. Jack Cole, Walter R. Boland and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Mayor Roy M. Trantham gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 9, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the October 9, 1980 meeting were approved as submitted.

ORDINANCE NO. 1189 - AN ORDINANCE AMENDING SECTION 28-82.3 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO ADD EMMANUEL LUTHERAN SCHOOL TO THE LIST OF PAROCHIAL AND DAY SCHOOLS FOR WHICH THE SPEED LIMIT HAS BEEN SET AT TWENTY-FIVE MILES PER HOUR

2. Consideration was given to an ordinance amending Section 28-82.2 of the Code of Ordinances of the City of Asheville to add Emmanuel Lutheran School to the list of parochial and day schools for which the speed limit has been set at twenty-five miles per hour.

The City Manager said this ordinance was considered at the October 9, 1980 meeting but was tabled until October 16, 1980.

Paul Dutcher, Traffic Engineer, said several years ago the State decided to upgrade the school zone protection. He said their policy at that time was to provide for regulated speed limits on state system streets that abutted a school. He said there is a school crossing at Druid Drive and at Johnston Boulevard. He said citations were issued in this area that were contested in court and disposed of. He said since that time the State has revised their policy to include any city or state system street that is near a school. He said he had checked with the Emmanuel Lutheran School relative to the hours needed for the enforcement of the school zone speed limit.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1189. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1189 passed on first reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1189. This motion was seconded by Councilman Wilkes and carried unanimously.

The City Manager gave the following report:

City of Asheville
Statement on Ballard Property
Hendersonville Road

The statement that the taxes on property owned by Mr. Ballard on Hendersonville Road have increased \$14,000 because of annexation based on records from the Buncombe County Tax Department appears to be incorrect. Mr. Ballard's taxes have increased since 1973 but the vast majority of those increases are caused by the following facts:

1. Mr. Ballard did not own or pay taxes on property leased by Taylor Rental (Ward 7, Sheet 52, Lot 353) in 1973. In 1979 he paid \$1,336.68 on this property.
2. The tax values of his other locations have increased dramatically due to the construction of new buildings, renovation of old buildings and increases in inventory.
3. Of the total taxes paid in 1979 of \$13,432.73, \$6,193.98 or almost half, were County taxes which paid for some services for which no benefit was received.
4. The total tax value of Mr. Ballard's property increased ~~from~~ approximately \$380,000 in 1974 to \$742,000 in 1979.

Overall Mr. Ballard's taxes increased \$1,215.65 in 1974 because of the annexation effective that year. He paid only \$6,551.67 more in taxes in 1979 on all his property because it was within the City, and in order to get a proper perspective you must look at what he got for these taxes. Fire insurance savings on his Appliance & Cabinet business alone amounts to \$3,785/year. Similar savings would apply to each of the other locations. In addition, he received the benefit of free street lights, free garbage pickup at each location of six containers/week, and an increased level of other City services for each location. If a complete evaluation of the direct savings at all locations were done, it would very probably show a direct savings to Mr. Ballard and the tenants at his locations because they are in the City.

SIGN PERMIT - 770 PATTON AVENUE - MOSS AUTO SALES

5. Consideration was given to a motion relative to a free standing sign permit at 770 Patton Avenue.

J. E. Johnson, Director of Inspections, said Allan Moss, of Moss Auto Sales, applied for a permit to erect a free standing sign at 770 Patton Avenue. He said pursuant to Ordinance No. 322, Council must approve a sign which will be situated closer than 600' from the expressway. He said the sign meets all the code requirements.

After a brief discussion, Vice-Mayor Morris moved to approve the sign permit for Allan Moss of Moss Auto Sales at 770 Patton Avenue. This motion was seconded by Councilman Wilkes and carried unanimously.

RESOLUTION NO. 80-198 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH LOGAN CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS ASHEVILLE CIVIC CENTER EXTERIOR WALL TUCK POINTING

6. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Logan Construction Company for the project known as Asheville Civic Center Exterior Wall Tuck Pointing.

The City Manager read the resolution stating that five (5) bids were received on October 10, 1980 for the Asheville Civic Center Exterior Wall Tuck Pointing. It was recommended that the low bid submitted by Logan Construction Company, in the amount of \$6,880.00, be accepted.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 80-198 was unanimously adopted.

Complete text of Resolution No. 80-198 will be found in Resolution Book No. 12 at page 226.

COUNCILMAN WILKES - INTRODUCED HIS WIFE AND CHILDREN

Councilman Wilkes introduced his wife and two children who were in attendance.

COUNCILMAN WILKES - TRANSFER TRUCKS PARKED ON CHOCTAW STREET

Councilman Wilkes reported that transfer (trailer) trucks have been parked on Choctaw Street for the past thirty (30) days.

The City Manager said he would investigate the matter.

REPORT - BALLARD PROPERTY ON HENDERSONVILLE ROAD - ANNEXATION VS. TAXES

Mayor Trantham said he had received a number of telephone calls and inquiries relative to a sign Mr. Ballard at Ballard's Appliance Company placed on this property. He said as a result of the inquiries he had asked the City Manager to give Council a report relative to the statements contained in the sign on Mr. Ballard's property that stated "Taxes Up \$11,000 a Year, ~~Policing~~ Reduced! No Trash Pick-Up! A Taxpayer Rip Off!"

RESOLUTION NO. 80-199- RESOLUTION APPOINTING MEMBER TO THE CITY OF ASHEVILLE
BOARD OF ALCOHOLIC CONTROL - REAPPOINTMENT OF J. W. BYERS

Consideration was given to a resolution re-appointing Mr. J. W. Byers a member of the City of Asheville Board of Alcoholic Control.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, Resolution No. 80-199 was unanimously adopted.

Complete text of Resolution No. 80-199 will be found in Resolution Book No. 12 at page 227.

RESOLUTION NO. 80-200 - RESOLUTION APPOINTING MEMBER TO THE METROPOLITAN SEWERAGE
DISTRICT BOARD - MR. FRANK SMITH

Consideration was given to a resolution appointing Mr. Frank Smith a member of the Metropolitan Sewerage District Board.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 80-200 was unanimously adopted.

Complete text of Resolution No. 80-200 will be found in Resolution Book No. 12 at page 228.

PROCLAMATION - OCTOBER 24, 1980 - UNITED NATIONS DAY

Mayor Trantham proclaimed October 24, 1980 as United Nations Day.

ADJOURNMENT

Upon motion of Councilman Brownlee, seconded by Councilman Wilkes, the meeting adjourned at 4:45 p. m.

ORDINANCE NO. 1190 - AN ORDINANCE AMENDING SECTION 236 OF THE 1945 CODE OF ORDINANCES RELATING TO REPORTS REQUIRED FROM OUTSIDE ORGANIZATIONS RECEIVING FUNDS FROM THE CITY OF ASHEVILLE

4. Consideration was given to the second reading of Ordinance No. 1190, an ordinance amending Section 236 of the 1945 Code of Ordinances relating to reports required from outside organizations receiving funds from the City of Asheville.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1190 passed on second reading.

Councilman Wilkes moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1190. This motion was seconded by Vice-Mayor Morris and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1190 passed on third and final reading.

Complete text of Ordinance No. 1190 will be found in Ordinance Book No. 9 at page 173.

RESOLUTION NO. 80-201 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE CHANGE ORDERS NUMBERS 1 AND 2 WITH WARREN BROTHERS CONTRACTING COMPANY AND CHANGE ORDER NUMBER 2 WITH WALKER AND WHITESIDE, INC. FOR THE PROJECT KNOWN AS RUNWAY AND TAXIWAY EXTENSION AT THE ASHEVILLE AIRPORT

5. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville Change Orders Numbers 1 and 2 with Warren Brothers Contracting Company and Change Order No. 2 with Walker and Whiteside, Inc. for the project known as Runway and Taxiway Extension at the Asheville Airport.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-201 was unanimously adopted.

Complete text of Resolution No. 80-201 will be found in Resolution Book No. 12 at page 228.

RESOLUTION NO. 80-202 - RESOLUTION AUTHORIZING THE CITY CLERK TO ADVERTISE THE SALE OF CITY OF ASHEVILLE PROPERTY, KNOWN AS THE NORTHWESTERN BANK PARKING GARAGE

6. Consideration was given to a resolution authorizing the City Clerk to advertise the sale of City of Asheville property, known as the Northwestern Bank Parking Garage.

Thursday - October 23, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, F. Jack Cole, Walter R. Boland and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Vice-Mayor Ralph D. Morris, Jr.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 16, 1980 meeting.

Upon motion of Councilman Boland, seconded by Councilwoman Price, the minutes of the October 16, 1980 meeting were approved as submitted.

PROCLAMATION - "SHARE-A-SONG WEEK" - OCTOBER 27 - 31, 1980

2. Mayor Trantham proclaimed the week of October 27 - 31, 1980 as "Share-A-Song Week."

A group of ladies from Sweet Adelines, Inc., a barbershop group, sang for members of Council in celebration of "Share-A-Song Week."

PUBLIC HEARING - BILTMORE PROFESSIONAL CENTER -GROUP DEVELOPMENT

3. A public hearing was held relative to the site plan of the proposed Biltmore Professional Center.

Mayor Trantham opened the public hearing at 4:30 p. m.

Verl Emrick, Planning Director, said the Planning and Zoning Commission reviewed the site plan of the proposed Biltmore Professional Center to be located at the corner of Reed and Yorkshire Street and recommended approval of the plan subject to the Erosion Control Ordinance and prior to the construction of additional buildings, the developer complete the installation of the 6" water line to provide adequate fire protection.

John Wood, of Wood and Cort, Architects, for Drs. Chambers, Claibourne and Jones, Developers, answered questions from members of Council.

After discussion, Mayor Trantham closed the public hearing at 4:35 p. m.

Councilwoman Price moved to approve the site plan of the proposed Biltmore Professional Center subject to the recommendations of the Planning and Zoning Commission. This motion was seconded by Councilman Cole and carried unanimously.

Thursday - October 30, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, F. Jack Cole, Walter R. Boland and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman H. C. Wilkes.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 23, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilman Wilkes the minutes of the October 23, 1980 meeting were approved as submitted.

PROCLAMATION - WORLD PREMIER DAY - FILM OF PRIVATE EYES - NOVEMBER 6, 1980

2. Mayor Trantham proclaimed November 6, 1980 as World Premier Day on the showing of the film "Private Eyes" at the Terrace Theatre.

Mr. Walter Thomas and Mr. William Cecil made comments relative to the motion picture "PRIVATE EYES" being filmed at the Biltmore House on the Biltmore Estate. Mr. Thomas said when the showing of the film is complete a print of the Private Eyes film will be presented to the City of Asheville.

PUBLIC HEARING - CLOSING OF A PORTION OF EAST RIVERVIEW DRIVE -THOMPSON STREET

3. A public hearing was held relative to the closing of a portion of East Riverview Drive, also known as Thompson Street.

Mayor Trantham opened the public hearing at 4:23 p. m.

The City Manager presented the notice to the public stating the time and date for the public hearing and the affidavit of publication.

William F. Wolcott, Jr., Associate City Manager, said the Water Department and the Public Works Department has reservations about the closing of the street. He suggested that the public hearing be continued without further advertisement until some alternatives could be worked out with the property owner. He said it was his understanding that the property owner wanted to close the street for security of his business. He said he felt some alternatives could be worked out whereby the street would not have to be closed.

Steve Kropelnicki, Attorney for the petitioner, said his client agrees that an alternative could be worked out and would not object to the public hearing being continued.

Councilman Cole moved to continue the public hearing without further advertisement. This motion was seconded by Councilman Boland and carried unanimously.

The City Manager read the resolution and said an offer to purchase the fee simple title to the property has been received from the Northwestern Bank for a total purchase price of \$50,000 cash plus the assumption of a deed of trust from the City of Asheville to Joe H. Pearson, Trustee, duly recorded in said Register's Office on May 18, 1964 and subject to all leases and conditions of record. He said the offer was accompanied by a check in the amount of \$5,000 payable to the City of Asheville. He said pursuant to North Carolina General Statutes 160A-269 the offer must be advertised.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 80-202 was unanimously adopted.

Complete text of Resolution No. 80-202 will be found in Resolution Book No. 12 at page 229.

PETITION - STREET NAME CHANGE - STREET OFF TUNNEL ROAD - KENILWORTH KNOLL

The City Manager received a petition from residents requesting that the street that meets Tunnel Road opposite Kenilworth Road, parallels Lums and Connie's Fashions Building, turns right at Asheville Circuit Courts and ends at the New Asheville Terrace Apartments, be named "Kenilworth Knoll."

The City Manager said the request would be investigated.

CLAIMS - LILLIE MAE SIMKINS

The City Manager presented a claim received from Lillie Mae Simkins.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - ASHEVILLE SYMPHONY WEEK - OCTOBER 25 - 31, 1980

Mayor Trantham proclaimed the week of October 25 - 31, 1980 as Asheville Symphony Week.

PROCLAMATION - PHYSICAL FITNESS DAY - OCTOBER 25, 1980

Mayor Trantham proclaimed Saturday, October 25, 1980 as Physical Fitness Day.

PROCLAMATION - OCTOBER 31, 1980 - UNICEF DAY

Mayor Trantham proclaimed October 31, 1980 as Unicef Day.

RALPH BISHOP - COMMENTS RELATIVE TO POLICE DEPARTMENT

Ralph Bishop made comments relative to a questionnaire put out by the Asheville Police Department.

ADJOURNMENT

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, the meeting adjourned at 4:50 p. m.

Mayor Trantham
MAYOR

William J. Hecox
CITY CLERK

Mr. Larry Holt, Deputy Executive Director of the Housing Authority, reviewed the location of the lots to be sold. He said the redevelopers propose to construct single family dwellings on the lots.

Councilman Wilkes moved to approve the sale of the disposal parcels as tentatively accepted by the Housing Authority. This motion was seconded by Councilman Cole and carried unanimously.

BUDGET AMENDMENT - WATER MAJOR CAPITAL IMPROVEMENTS FUNDS BUDGET - FRENCH BROAD RIVER 24-INCH WATER LINE PROJECT

6. Consideration was given to a budget amendment amending the Water Major Capital Improvements Fund Budget.

The City Manager presented the budget amendment in the amount of \$68,750 to properly record a North Carolina Department of Human Resources State Clean Water Bond grant for the French Broad River 24-inch water line project.

Councilwoman Price moved for the approval of the budget amendment as presented by the City Manager. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. 80-203 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO SIGN A LEASE AGREEMENT FOR USE OF THE ASHEVILLE CIVIC CENTER FOR THE 1981 SOUTHERN REGIONAL RECREATION AND PARKS CONFERENCE

7. Consideration was given to a resolution authorizing the Director of Parks and Recreation to sign a lease agreement for use of the Asheville Civic Center for the 1981 Southern Regional Recreation and Parks Conference.

The City Manager read the resolution explaining that the City of Asheville will be hosting the 1981 Southern Regional Conference of the National Recreation and Park Association April 5 - 7, 1981. The annual conference is expected to bring 800 delegates, from ten southern states into Asheville. Arrangements have been made through the Asheville Area Chamber of Commerce to have the area hotels to provide a room rebate arrangement to pay the \$3,000 base rental charge for the Civic Center for the headquarters for the conference. This resolution will authorize the Director of Parks and Recreation to sign the lease agreement for the Civic Center.

Upon motion of Councilman Boland, seconded by Councilman Cole, Resolution No. 80-203 was unanimously adopted.

Complete text of Resolution No. 80-203 will be found in Resolution Book No. 12 at page 230.

RESOLUTION NO. 80-204 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO ENTER INTO AN AGREEMENT WITH THE BUNCOMBE COUNTY COUNCIL ON AGING FOR TRANSPORTATION SERVICES FOR THE ELDERLY

8. Consideration was given to a resolution authorizing the Director of Parks and Recreation to enter into an agreement with the Buncombe County Council on Aging for transportation services for the elderly.

PUBLIC HEARING - AMENDMENT TO ORDINANCE NO. 1172 - FLOODPLAIN ORDINANCE

ORDINANCE NO. 1191 - AN ORDINANCE AMENDING ORDINANCE NO. 1172, KNOWN AS "AN ORDINANCE ESTABLISHING FLOODPLAIN REGULATIONS FOR THE CITY OF ASHEVILLE, NORTH CAROLINA"

4. A public hearing was held relative to amending Ordinance No. 1172, known as "AN ORDINANCE ESTABLISHING FLOODPLAIN REGULATIONS FOR THE CITY OF ASHEVILLE."

Mayor Trantham opened the public hearing at 4:27 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning said after several discussions with the city staff relative to the length of time required to transfer the flood datum to the zoning maps he recommended that the ordinance be amended to make the official boundaries of the Flood Hazard Area of the City of Asheville and its zoning jurisdiction those delineated on Flood Boundary and Floodway Maps as provided by the Federal Insurance Administration and the boundaries of the Flood Hazard District shall be determined by scientific and engineering studies prepared by the Federal Insurance Administration.

Mayor Trantham closed the public hearing at 4:28 p. m.

Verl Emrick, Planning Director, read the ordinance.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1191. This motion was seconded by Councilman Cole.

On a roll call vote of 7-0, Ordinance No. 1191 passed on first reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1191. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1191 passed on second reading.

Upon inquiry of Councilman Boland, the City Manager said he was still working with TVA relative to the culverts and storm drains in the Floodway area. He said TVA said they could help with consultant services on repairing the culverts but could not help with the funding.

APPROVAL OF SALE OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT

5. The City Manager said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project:

<u>Parcel</u>	<u>Reuse</u>	<u>Price</u>	<u>Bid</u>	<u>Redeveloper</u>
104	Residential	\$2,000	\$2,010	Mr. & Mrs. Leonard Jones
173	Residential	\$1,900	\$2,000	Mr. & Mrs. Roosevelt Broadwater

Councilwoman Price moved to schedule a public hearing on an ordinance creating the Montford Historic District for December 4, 1980. This motion was seconded by Councilman Cole and carried unanimously.

MR. REX BALLARD - COMMENTS RELATIVE TO ANNEXATION VS. TAXES

Mr. Rex Ballard appeared before Council in rebuttal to a report made by the City Manager on October 16, 1980 relative to a sign Mr. Ballard placed on his property on Hendersonville Road containing statements in opposition to annexation. He said his main purpose for the sign was to voice his feelings that citizens of particular areas should have the right to vote on whether to be annexed into the City. He said Council should not be allowed to pick areas for annexation.

This issue was discussed in detail between Mr. Ballard and members of Council.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES

Ralph Bishop made comments relative to lottery sales in Asheville.

ADJOURNMENT

There being no further business, Mayor Trantham adjourned the meeting at 5:30 p. m.

Ray M. Tanner
MAYOR

MAYOR

William F. Mallett
CITY CLERK

CITY CLERK

The City Manager read the resolution explaining that the City is currently providing transportation services to elderly residents to William C. Reid Memorial Recreation Center and the Senior Opportunity Center for purposes of a hot meal and recreation programs daily. The Buncombe County Council on Aging has provided direct assistance through the Older Americans Act to provide assistance through transportation programs. The Buncombe County Council on Aging will reimburse the Parks and Recreation Department \$.55 per mile for furnishing the transportation services.

Upon motion of Councilman Wilkes, seconded by Councilman Brownlee, Resolution No. 80-204 was unanimously adopted.

Complete text of Resolution No. 80-204 will be found in Resolution Book No. 12 at page 231.

RESOLUTION NO. 80-205 - RESOLUTION PROCLAIMING THE MONTH OF NOVEMBER AS CRIME AGAINST THE ELDERLY PREVENTION MONTH

9. Consideration was given to a resolution proclaiming the month of November as Crime Against the Elderly Prevention Month.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-205 was unanimously adopted.

Complete text of Resolution No. 80-205 will be found in Resolution Book No. 12 at page 232.

CLAIMS - ROBERT YODER - ERNEST WATKINS - S. E. JENKINS

The City Manager presented claims received from Robert Yoder, Ernest Watkins, and S. E. Jenkins.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - WATER CONSERVATION WEEK - OCTOBER 26 - NOVEMBER 1

Mayor Trantham proclaimed the week of October 26 - November 1 as Water Conservation Week.

PROCLAMATION - NOVEMBER AS EPILEPSY MONTH IN ASHEVILLE

Mayor Trantham proclaimed the month of November as "Epilepsy Month in Asheville."

PUBLIC HEARING SCHEDULED - CREATION OF THE MONTFORD HISTORIC DISTRICT

The City Manager read a letter, addressed to Mayor Trantham, from the Historic Montford, Inc. and Montford Community Club requesting that Council adopt a proposed ordinance creating the Montford Historic District.

3. Consideration was given to the third and final reading of Ordinance No. 1191, an ordinance amending Ordinance No. 1172, known as "An Ordinance Establishing Floodplain Regulations for the City of Asheville, North Carolina."

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Upon inquiry of Councilman Boland relative to possible sources of funds to alter the floodplain maps, City Manager Michalove said that the City is always looking for new federal grants and at this time, none are available.

On a roll call vote of 7-0, Ordinance No. 1191 was passed on its third and final reading.

Complete text of Ordinance No. 1191 will be found in Ordinance Book No. 9 at page 174.

ORDINANCE NO. 1192 - AN ORDINANCE TO RESCIND AND REPLACE SECTION 25-4 OF THE CODE OF ORDINANCES RELATING TO LOITERING ON PUBLIC STREETS AND SIDEWALKS OR IN PARKS AND OTHER PUBLIC AREAS

4. Consideration was given to an ordinance to rescind and replace Section 25-4 of the Asheville Code of Ordinances relating to loitering on public streets and sidewalks or in parks and other public areas.

The City Manager read the ordinance.

City Manager Michalove said that this ordinance would give police officers more flexibility in making arrests for prostitution and public drunkenness. He said that offenses like these have been difficult to prosecute in the past.

Mike Smith, Director of Administration, said that the punishment for loitering would be the same as that for general misdemeanor.

Councilman Boland felt that the ordinance was too vague in the definition of loitering. He also expressed concern about the rights to assembly or freedom of speech for people in Pritchard Park. Councilman Boland requested that staff research the constitutionality aspect of this ordinance further.

Councilman Brownlee felt that the arresting officer would use good judgement.

Councilman Cole felt that this ordinance would force the people who need help to go to shelters. He said that he felt this was the best law, at this time, to help solve this local problem.

Ralph Bishop spoke in opposition to this ordinance.

Councilman Wilkes felt that the ordinance leaves too much discretion to the arresting officers. He also said that the vagueness of the definition for loitering might be used detrimentally.

Thursday, November 6, 1980 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, F. Jack Cole, Walter R. Boland and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Harold F. Brownlee.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 30, 1980 meeting.

Upon motion of Councilman Boland, seconded by Councilman Cole, the minutes of the October 30, 1980 meeting were approved as submitted.

PUBLIC HEARING - CLOSING OF PORTIONS OF SOUTH FRENCH BROAD AVENUE, LIVINGSTON STREET AND BARTLETT STREET

RESOLUTION NO. 80-206 - RESOLUTION TO CLOSE PORTIONS OF SOUTH FRENCH BROAD AVENUE, LIVINGSTON STREET AND BARTLETT STREET AND CALLING A PUBLIC HEARING ON THE QUESTION

2. A public hearing was held relative to closing portions of South French Broad Avenue, Livingston Street and Bartlett Street.

Mayor Trantham opened the public hearing at 4:12 p.m.

The City Manager presented the notice to the public stating the time and date for the public hearing and the affidavit of publication.

Mr. Larry Holt, Deputy Executive Director of the Housing Authority, said that the Housing Authority is closing portions of formal ~~rights-of-way~~ not now needed. He said that the closing of these streets would not, in any way, affect the traffic pattern for the streets.

Mayor Trantham closed the public hearing at 4:15 p.m.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-206 was unanimously adopted.

Complete text of Resolution No. 80-206 will be found in Resolution Book No. 12 at page 233.

ORDINANCE NO. 1191 - AN ORDINANCE AMENDING ORDINANCE NO. 1172, KNOWN AS "AN ORDINANCE ESTABLISHING FLOODPLAIN REGULATIONS FOR THE CITY OF ASHEVILLE," NORTH CAROLINA

On a roll call vote of 7-0, Ordinance No. 1193 passed on its third and final reading.

Complete text of Ordinance No. 1193 will be found in Ordinance Book No. 9 at page 176.

RESOLUTION NO. 80-208 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A LEASE AGREEMENT WITH BUNCOMBE COUNTY FOR LOT 249, WARD 1, SHEET 1 OF THE TAX MAPS OF BUNCOMBE COUNTY

7. Consideration was given to a resolution authorizing the Mayor to enter into a lease agreement with Buncombe County for Lot 249, Ward 1, Sheet 1 of the Tax Maps of Buncombe County.

The City Manager read the resolution stating that the County of Buncombe is the owner of this parcel of land and that this property is needed by the City of Asheville for the purpose of providing parking. He said that the County has agreed to lease the property to the City for the sum of \$225.00 per month.

Upon inquiry of Councilwoman Price, City Manager Michalove stated that the lease is for 30 years,

Upon motion of Councilman Cole, seconded by Councilman Boland, Resolution No. 80-208 was unanimously adopted.

City Manager Michalove stated that in the future, Council would receive copies of the lease in full to review.

Complete text of Resolution No. 80-208 will be found in Resolution Book No. 12 at page 239.

BUDGET AMENDMENT - 1980-81 ANNUAL OPERATING BUDGET OF THE CITY OF ASHEVILLE

8. Consideration was given to a budget amendment amending the 1980-81 Annual Operating Budget of the City of Asheville.

The City Manager presented the budget amendment in the amount of \$22,432.54. The purpose of this budget amendment is to allocate funds for unemployment compensation for Fiscal Year 1979-80. He said that the City pays for unemployment compensation each year based on the amount actually paid to claimants in the preceding fiscal year. He said that after this adjustment, \$174,386 would remain in the General Fund contingency budget and \$94,998 would remain in the Water and Sewer Fund contingency budget.

Councilman Cole moved for the approval of the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

RESOLUTION NO. 80-209 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH JOHN J. SHORT, SR., FOR THE OPERATION OF A SNACK SHOP IN THE CITY BUILDING

Consideration was given to a resolution authorizing the City Manager to enter into an agreement with John J. Short, Sr., for the operation of a snack shop in the City Building.

Councilman Brownlee moved for the adoption of Ordinance No. 1192. This motion was seconded by Vice-Mayor Morris.

On a roll call vote of 6-1, Ordinance No. 1192 passed on its first reading, with Councilman Boland voting no.

It was the consensus of Council to discuss this issue further at next week's work session.

RESOLUTION NO. 80-207 - RESOLUTION TO CLOSE AN UNNAMED ALLEY DESCRIBED HEREIN

5. Consideration was given to a resolution to close an unnamed alley described herein, located off Biltmore Avenue.

The City Manager read the resolution.

City Manager Michalove said that a public hearing was held relative to the closing on March 6, 1980 and it was the consensus of Council that Mr. Watson, with St. Joseph's Hospital, the Corporation Counsel and the Director of Water and Sewer Services work out a suitable agreement relative to the sewer line running over the alley proposed to be closed before the resolution to close is adopted. An agreement has been worked out relative to the sewer line between the City of Asheville and St. Joseph's Hospital.

Upon motion of Councilman Boland, seconded by Councilwoman Price, Resolution No. 80-207 was unanimously adopted.

Complete text of Resolution No. 80-207 will be found in Resolution Book No. 12 at page 237.

ORDINANCE NO. 1193 - AN ORDINANCE AMENDING THE OPERATING AND CAPITAL BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1980-81

6. Consideration was given to an ordinance amending the Operating and Capital Budget for the City of Asheville for Fiscal Year 1980-81.

The City Manager read the ordinance stating that this ordinance would summarize and ratify all budget amendments approved through September 30, 1980.

Councilwoman Price moved for the adoption of Ordinance No. 1193. This motion was seconded by Councilman Wilkes.

On a roll call vote of 7-0, Ordinance No. 1193 passed on its first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1193. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1193 passed on its second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1193. This motion was seconded by Councilman Wilkes and carried unanimously.

CLAIMS - CARRIE B. BOLICK - ANNIE BEST

The City Manager presented claims received from Carrie B. Bolick and Annie Best.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - LOCK YOUR CAR WEEK - NOVEMBER 8 - 15, 1980

Mayor Trantham proclaimed the week of November 8-15, 1980 as "Lock Your Car Week."

PROCLAMATION - YOUTH APPRECIATION WEEK - SECOND WEEK IN NOVEMBER, 1980

Mayor Trantham proclaimed the second week in November, 1980, as "Youth Appreciation Week."

VICTOR HERMAN - AUTHOR

City Manager Michalove said that Mr. Victor Herman, an American citizen who spent more than half his life trapped in the Soviet Union, is going to speak at the University of North Carolina at Asheville on Friday, November 7, 1980, at Lipinsky Auditorium; Asheville School, Monday, November 10, 1980; Warren Wilson College, Monday, November 10, 1980; and Mars Hill College, Tuesday, November 11, 1980. He invited the public to attend.

RALPH BISHOP

Ralph Bishop voiced his concerns about the Police Department.

ADJOURNMENT

There being no further business, Mayor Trantham adjourned the meeting at 5:30 p.m.

Wayne Trantham
MAYOR

William F. Hance
CITY CLERK

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-209 was unanimously adopted.

Complete text of Resolution No. 80-209 will be found in Resolution Book No. 12 at page 240.

RESOLUTION NO. 80-210 - RESOLUTION OF AGREEMENT AUTHORIZING THE TEMPORARY CLOSING OF A PORTION OF EAST RIVERVIEW DRIVE SHOWN ON PLAT BOOK 10, PAGE 47, BUNCOMBE COUNTY REGISTRY

Consideration was given to a resolution of agreement authorizing the temporary closing of a portion of East Riverview Drive shown on Plat Book 10, Page 47, Buncombe County Registry (also known as Thompson Street).

The City Manager stated that this public hearing is continued from the October 30, 1980 meeting in order that some alternative could be worked out whereby the street would not have to be closed.

Mayor Trantham continued the public hearing at 5:05 p.m.

Corporation Counsel Moore read the resolution.

After discussion whether the words "closed permanently" should be included in the resolution, it was decided that item 1 in the resolution read as follows:

- "1. That the portion of East Riverview Drive, also known as Thompson Street, lying . . . be and hereby is closed, except as hereinafter set forth, to public use, pursuant to the provisions of the N.C.G.S. 160A-299;"

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, Resolution No. 80-210 was unanimously adopted with the amendment added.

Complete text of Resolution No. 80-210 will be found in Resolution Book No. 12 at page 241.

ANNOUNCEMENT OF COUNCIL MEETINGS - NOVEMBER 27, 1980, DECEMBER 25, 1980 AND JANUARY 1, 1981

Councilman Wilkes moved that due to the holiday schedule there will be no City Council meetings on November 27, 1980, December 25, 1980 and January 1, 1981. This motion was seconded by Councilwoman Price and carried unanimously.

PUBLIC HEARING SET - CONSIDERATION OF REZONING THE MANOR

City Manager Michalove stated that a letter was received from the Planning and Zoning Commission stating that the Commission voted four to three to recommend to City Council that the property remain as it is now zoned - Office-Institutional District.

Councilwoman Price moved to schedule a public hearing on this matter for December 4, 1980. This motion was seconded by Councilman Cole and carried unanimously.

At the request of Councilman Wilkes, Mr. Smith read the proposed revised ordinance.

Councilman Brownlee moved to amend Ordinance No. 1192 as read by Mr. Smith. This motion was seconded by Vice-Mayor Morris and carried unanimously.

Councilman Boland said he felt the revision eliminates all the reservations he had raised about freedom of association and speech.

Upon inquiry of Councilman Boland, the Corporation Counsel said the ordinance was reviewed by the District Attorney and he said he felt it was prosecutable.

Ralph Bishop spoke in opposition to the ordinance stating that he did not feel the Asheville Police Department could enforce the ordinance.

Edward C. Hay, President of the American Civil Liberties Union said he also felt the revision would eliminate some of his concerns. He said he felt there would still be problems with enforcement and he urged Council to monitor the situation closely so people will not be taken advantage of by people who want the situation downtown cleaned up.

On a roll call vote of 7-0, Ordinance No. 1192, as amended, passed on second reading.

ORDINANCE NO. 1194 - AN ORDINANCE REPEALING CHAPTER 4A ("AMBULANCES") OF THE ASHEVILLE CODE OF ORDINANCES

4. Consideration was given to an ordinance repealing Chapter 4A ("Ambulances") of the Asheville Code of Ordinances.

The Assistant City Manager read the ordinance explaining that Chapter 4A of the Code, which sets forth a number of requirements regarding the operation of ambulances, was enacted in 1965 before the State of North Carolina began regulating ambulances. He said regulations enacted by the state have since made this ordinance unnecessary since the N. C. Department of Human Resources regulates ambulances. He said the proposed ordinance would repeal Chapter 4A.

Councilman Boland moved for the adoption of Ordinance No. 1194. This motion was seconded by Councilwoman Price.

On a roll call vote of 7-0, Ordinance No. 1194 passed on first reading.

RESOLUTION NO. 80-212 - RESOLUTION ACCEPTING THE HIGH BID AND AUTHORIZING THE SALE OF THE CITY OF ASHEVILLE PROPERTY, KNOWN AS THE NORTHWESTERN BANK PARKING GARAGE

5. Consideration was given to a resolution accepting the high bid and authorizing the sale of the City of Asheville property, known as the Northwestern Bank Parking Garage.

Thursday - November 13, 1980 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, F. Jack Cole, Walter R. Boland and H. C. Wilkes, Corporation Counsel William C. Moore, Associate City Manager/City Clerk William F. Wolcott, Jr., Acting City Clerk Carol Hensley.

Absent: City Manager K. M. Michalove (due to illness)

INVOCATION

The invocation was given by Councilman Walter R. Boland.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 6, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Brownlee, the minutes of the November 6, 1980 meeting were approved as submitted.

RESOLUTION NO. 80-211 - RESOLUTION OF APPRECIATION AND COMMENDATION TO JOSEPH E. JARVIS

2. Consideration was given to a resolution of appreciation and commendation to Joseph E. Jarvis, Asst. Chief of Police, who is retiring from the City of Asheville on November 14, 1980.

The Assistant City Manager read the resolution.

Upon motion of Councilman Brownlee, seconded by Vice-Mayor Morris, Resolution No. 80-211 was unanimously adopted.

Complete text of Resolution No. 80-211 will be found in Resolution Book No. 12 at page 242

ORDINANCE NO. 1192 - AN ORDINANCE TO RESCIND AND REPLACE SECTION 25-4 OF THE CITY CODE OF ORDINANCE RELATING TO LOITERING ON STREETS AND SIDEWALKS

3. Consideration was given to the second reading of Ordinance No. 1192, an ordinance to rescind and replace Section 25-4 of the City Code of Ordinances relating to loitering on streets and sidewalks.

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Mike Smith, Director of Administration, said during the first reading of the ordinance several members of Council expressed concerns relative to the vagueness of the definition of loitering. He said the ordinance has been rewritten for Council's consideration deleting the language about loitering, concentrating on obstruction of pedestrian and vehicular traffic.

B. Resolution No. 80-214 - Resolution authorizing the disposition of Municipal Records as scheduled.

HIGHLIGHTS: This resolution would authorize the disposition of municipal records in compliance with N.C.G.S. 121-5 and the stipulations set forth in the Municipal Records Manual. The North Carolina Department of Cultural Resources issued an approval for the disposition of these records in the Asheville Police Department.

Resolution Book No. 12 Page 245

C. Scheduling of a public hearing relative to the site plan of the proposed Cinnamon Ridge Apartment Complex to be located on Old Haw Creek Road for December 18, 1980.

HIGHLIGHTS: The Planning and Zoning Commission has recommended to the City Council that the site plan of the proposed Cinnamon Ridge Apartment Complex to be located on Old Haw Creek Road be approved, subject to certain conditions.

D. Scheduling of a public hearing relative to the rezoning of property located at 171 Hillside Street for December 11, 1980.

HIGHLIGHTS: The Planning and Zoning Commission considered the request of Mr. Ben W. West that Lot 14-14, Ward 2, Sheet 5 (located at 171 Hillside Street) be rezoned from R-3 Residential District to CH Commercial Highway District be approved.

E. Scheduling of a public hearing relative to the rezoning of Emma Air Park for January 8, 1981.

HIGHLIGHTS: On August 14, 1980, the City Council requested that the Planning and Zoning Commission study the feasibility of rezoning the Emma Air Park property for industrial development. After discussing the issues of this request, the Planning and Zoning Commission voted to recommend to City Council that Ward 12, Sheet 7, Lots 13, 17, 103, 117, and 118 be rezoned from R-5 Residential District to LI Light Industrial District.

F. Rescheduling of a public hearing relative to the Montford Historic District on December 4, 1980 from 4:00 p. m. to 3:00 p. m. in the Thomas Wolfe Auditorium in the Asheville Civic Center.

G. Rescheduling of a public hearing relative to the rezoning of the Manor property on December 4, 1980 from 4:00 p. m. to 3:00 p. m. in the Thomas Wolfe Auditorium at the Asheville Civic Center.

H. Authorizing the Planning Department to hold a public hearing on November 24, 1980 at 3:00 p. m. in the Thomas Wolfe Auditorium at the Asheville Civic Center relative to an application to the Department of Housing and Urban Development for an Urban Development Action Grant. (Downtown -Lexington Avenue)

The Assistant City Manager read the resolution explaining that the Northwestern Bank submitted the last and highest bid in the sum of \$50,000. He said the time limit for filing an upset bid has now expired.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, Resolution No. 80-212 was unanimously adopted.

Complete text of Resolution No. 80-212 will be found in Resolution Book No. 12 at page 243.

BUDGET AMENDMENT - CITY OF ASHEVILLE FEDERAL CAPITAL PROJECTS FUND

6. Consideration was given to a budget amendment amending the City of Asheville Federal Capital Projects Fund.

The Assistant City Manager presented the budget amendment amending the Federal Capital Projects Fund Budget for the UMTA Capital Grant Project amendment.

Mr. Emrick, Planning Director, said this appropriation in the amount of \$11,050 is to program UMTA Capital Grant Project funds *into* the appropriate account for the Asheville Transit Authority.

Councilman Wilkes moved to approve the budget amendment as presented by the Assistant City Manager. This motion was seconded by Councilman Brownlee and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

7. The Assistant City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 80-213 - Resolution authorizing the Director of Parks and Recreation to enter into an agreement with the Asheville Area Chamber of Commerce for participation in the 1981 Western North Carolina Golf Club.

HIGHLIGHTS: The Western North Carolina Association is a non-profit organization under the sponsorship of the Asheville Area Chamber of Commerce, the purpose of which is the promotion of golf in the Western North Carolina area. The Western North Carolina Golf Association each year offers for sale a Golf Club Card which allows the purchaser to play one round of weekend golf or two rounds of weekday golf at each participating course. The proceeds from the sale of the cards are channeled directly into advertising and promoting golf courses in WNC area through golf magazines and Mountain Golf Brochure. The Asheville Municipal Golf Course is operated by the City and would benefit from the promotion of play through the 1981 Golf Club Card.

The City Council will set a date for a meeting with retirees and survivors of the Policemen's Pension Plan as soon as we make our final decision about the special hardship fund.

Very truly yours,

The Asheville City Council

11h
Enclosure

Mr. Poore read the following statement:

"This letter was received November 8, 1980 by the retired Policemen and their survivors. This letter definitely proves that a majority of the City Council considers \$200.00 per month to be sufficient money for a Policemen or his widow to live on. We dare not use the language that we would like to use in expressing our feelings. We will just say that your financial offer of assistance to be most disgraceful."

"We consider this a down right insult." - He quoted several Bible scriptures.

"We note that the letter is signed, The Asheville City Council. This implies the approval of the letter by all the City Council. We cannot believe that Councilman Brownlee approves of this approach to the Pension Problem, for he well knows that he and his wife could not have a decent living if he only had his pension income, and further, we doubt if the Mayor approves of such."

Mr. Poore then read the following letter:

November 12, 1980

Mr. Robert D. Poore
23 Belmont Avenue
Asheville, North Carolina 28806

Dear Mr. Poore:

A few days ago, you received a letter from the Asheville City Council indicating that the Council was going to consider assisting retirees and survivors of City pension plans whose total monthly income from all sources is less than \$200.

The way the letter was signed and the letterhead used left the impression that Councilman Harold Brownlee took part in the decision regarding this plan.

In order to set the record straight, Councilman Brownlee has always been supportive of additional benefits to retirees and survivors. However, in voting on this, because he is a recipient of benefits, he did not vote because of a moral conflict of interest.

Very truly yours,
/s/ Roy

Roy M. Trantham
Mayor

RMT/msm

I. Scheduling of a public hearing by the Asheville City Council for December 4, 1980 at 4:00 p. m. in the Thomas Wolfe Auditorium at the Asheville Civic Center relative to the consideration of a resolution by the Asheville City Council authorizing the Mayor of the City of Asheville to submit application(s) to the Department of Housing and Urban Development for Urban Development Action Grant (UDAG) - (Downtown - Lexington Avenue)

Upon motion of Councilman Cole, seconded by Councilman Wilkes, the consent agenda was unanimously approved.

CLAIMS - LOIS CASSIDY

The Assistant City Manager presented a claim received from Lois Cassidy.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

REPORT - OFFER TO PURCHASE PROPERTY IN KNOLLWOOD SUBDIVISION

The Assistant City Manager reported that an offer has been received from Arlis Queen to purchase Ward 6, Sheet 32, Lot 53 in the Knollwood Subdivision owned by the City of Asheville. He said he received a recommendation from the Engineering Department that an appraisal value be sought before the property is advertised for sale.

After discussion, Councilwoman Price authorized the City Manager to proceed with seeking appraisal values on Ward 6, Sheet 32, Lot 53. This motion was seconded by Councilman Boland and carried unanimously.

DISCUSSION RELATIVE TO THE RETIRED POLICEMEN AND THEIR SURVIVORS OF THE 1939 POLICEMEN'S PENSION AND DISABILITY FUND

Mr. Robert D. Poore, a retired Detective ~~Sergeant~~ of the Asheville Police Department, acting as a spokesman for the retired members and survivors of the 1939 Policemen's Pension and Disability Fund read the following letters which he said was a response to a meeting with the City Staff and the retirees in January 1980:

November 5, 1980

Dear

In January of 1980, a request was made that the City Council consider three proposals to adjust the pensions of retirees and survivors of the 1939 Policemen's Pension and Disability Fund. After reviewing all three of these proposals, the Council has decided to proceed with consideration of assisting retirees and survivors of City pension plans whose total monthly income from all sources is less than \$200.

Please return the enclosed form on or before November 19, 1980 to let us know if you are interested in receiving benefits from such a plan. If you indicate an interest in this, we will then follow up with a request for some additional detail information.

Mayor Trantham reiterated statements made in the letter sent to Mr. Poore relative to Councilman Brownlee's involvement with the Pension discussions. He said he felt the approach to bring the retirees and their survivors up to \$200 would at least be a start to help the retirees and their survivors.

Mr. Poore said the main objection was to report income of over \$200. He said they should not have to report all their income.

Upon inquiry of Councilman Cole, Mr. Poore agreed that the retirees and their survivors were receiving what they were promised under the Pension Act. However, this brought arguments from the retirees and Councilman Brownlee due to inflation and the cost of living increases.

A discussion was held to determine what action would be necessary for the Policemen to have Social Security benefits. Mayor Trantham concluded the discussion by stating that this matter would be investigated.

John Best, a retired Police Captain, questioned Councilman Brownlee's position of not voting on the policemen's pension problem when in fact he voted on the total city budget which included a raise for Councilmembers. He requested that the Corporation Counsel seek an Attorney General's opinion on Councilman Brownlee's voting rights.

Vice-Mayor Morris said Council was trying to begin some procedure for helping the retirees and their survivors, but Council needed the cooperation of the retirees in furnishing the information needed.

Councilman Brownlee read the following statement:

"I am a member of the Policemen's Pension and Disability Fund of the City of Asheville."

"In January of 1980, a request was made to the Asheville City Council in a meeting, with reference to looking into a request for some financial help in the matter of a raise for the retired policemen and survivors, which some of them draw very small pensions."

"After this meeting in a Pre-Council meeting of the Asheville City Council, Mayor Roy M. Trantham, appointed a committee to investigate this matter. The three Councilmembers assigned to this was Mr. Walter R. Boland, Rev. H. C. Wilkes, and Mrs. Norma T. Price."

"These three Council members met with several of the Administrative personnel of the City, on several occasions and the three Council members reported to the City Council on a couple of occasions as to their findings, I did not meet with this group in any of their meetings."

"I have requested on a number of occasions to all of the Asheville City Council for some help for this group. I have repeated many times that this group of retired policemen and survivors needed some help and that I felt that it was the responsibility of the City of Asheville to give some help to this group of citizens and city taxpayers. I have not been successful in this to date. I have known all of this group for many years,, and consider all of them my friends. I have worked with them over the years."

Mr. Poore continued his statement:

"A few weeks before the death of former Chief A. R. Sluder, a large group of the retired Policemen met at his home to discuss the pension. We decided on a plan, and pledged to take the matter to the PUBLIC if necessary. Your letter definitely proves that we have no other recourse. Therefore we shall follow through with our pledge."

"We have collected considerable data in regards to Dept. Heads, salaries, fringe benefits, etc. We find the City pays 15.28% into two Pension Funds for all City Employees, except Policemen and Firemen. The City pays 10.11% into the State Pension Fund for the Firemen, and if the City had not violated the Pension Law and had not STOLEN from the Policemen for 42 years the City would be paying only 5% for the Policemen."

"We have repeatedly been told that the City could not pay our pension if it were not for the money that the City receives from the Federal Government Revenue Sharing. Please do not attempt to deceive us, nor the PUBLIC, anymore. We know this money could have been allocated toward paying the \$724,817.00 Hospital Fund, the \$890,850.00 State Pension Fund or the \$497,210.00 Social Security Fund if the City had chosen to do so."

"Mr. Mayor, we suggest that you dissolve the Committee of three that was named to work on the Pension. Most of us feel that one member endeavored to help, but with the City Manager and his Administrative Assistant opposing, there is no hope of accomplishing anything worthwhile."

"We have been fortunate in having friends to donate money for all necessary advertising space in local papers. We shall be frank in naming those who opposed and those for us. We have no way to know, what we will accomplish, but we know this, the PUBLIC shall at last be told the TRUTH. Furthermore, we pledge to continue to fight for a better Pension."

"Lady and Gentlemen of this present Council, we can not hold you responsible for the shameful condition that this plan is in now. But we will hold you responsible if you do not do something now, better than has been offered to upgrade retirees benefits. We want you to understand that we would not take anything from any city employee who retires under better benefits or any employee who is active now, who has had his salary upgraded."

"We stand ready to accept a more humane and reasonable offer if the offer is made forthwith."

Respectfully yours,

Retired members and survivors
of the Policemen Retirement and
Disability Act of 1938

The Corporation Counsel informed Mr. Poore that Councilman Brownlee did not vote on the pension matter because he is a recipient of the benefits and it would have be a conflict of interest.

Thursday - November 20, 1980 - 4:00 P.M.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, F. Jack Cole, Walter R. Boland, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 13, 1980 meeting.

Upon motion of Councilman Wilkes, seconded by Councilman Brownlee, the minutes of the November 13, 1980 meeting were approved as submitted.

ORDINANCE NO. 1192 - AN ORDINANCE TO RESCIND AND REPLACE SECTION 25-4 OF THE CITY CODE OF ORDINANCES RELATING TO LOITERING ON STREETS AND SIDEWALKS

2. Consideration was given to the third and final reading of Ordinance No. 1192, an ordinance to rescind and replace Section 25-4 of the City Code of Ordinances relating to loitering on streets and sidewalks.

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1192 passed on third and final reading.

Complete text of Ordinance No. 1192 will be found in Ordinance Book No. 9 at page 175.

ORDINANCE NO. 1194 - AN ORDINANCE REPEALING CHAPTER 4A ("AMBULANCES") OF THE ASHEVILLE CODE OF ORDINANCES

3. Consideration was given to the second reading of Ordinance No. 1194, an ordinance repealing Chapter 4A ("Ambulances") of the Asheville Code of Ordinances.

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

At the request of Councilman Wilkes, the City Manager explained that Chapter 4A of the Code, which sets forth a number of requirements regarding the operation of ambulances, was enacted in 1965 before the State of North Carolina began regulating ambulances. He said regulations enacted by the State have since made this ordinance unnecessary since the N. C. Department of Human Resources regulates ambulances. He said the proposed ordinance would repeal Chapter 4A.

On a roll call vote of 7-0, Ordinance No. 1194 passed on second reading.

Vice Mayor Morris moved to suspend the rules and proceed to the third reading of Ordinance No. 1194. This motion was seconded by Councilwoman Price

"On August 22, 1980, a letter was mailed to all of the retired policemen and survivors, asking questions with reference to their total monthly income and the letter was signed by a typewriter with the names of the three Council members assigned to this committee. I did not approve of this letter in any way and I told all of the Council members how I felt regarding this matter on several occasions."

"On November 5, 1980, another letter was mailed to all retired policemen and survivors with reference to what could not be done. This letter was also signed with a typewriter from the Asheville City Council, which I am a certified member of the City Council and I did not approve of this letter and the way it was signed. I became very angry when I received this letter and made a number of telephone calls and also received a great number of telephone calls with reference to this matter."

"I have tried very hard to help my friends, the retired policemen and survivors in this matter, and will keep trying as long as I am on the Asheville City Council."

As you might know, I am a retired Policeman, therefore, I could not vote in this matter as it would be a conflict of interest for me to do so. I received this advice from the Corporation Counsel and several of my attorney friends."

It was the consensus of Council that bringing up those pensioners that receive under \$200 to \$200 would at least be a start in helping the retired policemen and their survivors.

It was also the consensus of Council that a meeting be held next week to discuss this issue and decide how much money would be needed to help the retirees and their survivors.

RALPH BISHOP - ENFORCEMENT OF CITY LAWS

Ralph Bishop made comments relative to the lack of enforcement of city laws.

ADJOURNMENT

Upon motion of Councilwoman Price, seconded by Councilman Cole, the meeting adjourned at 6:00 p. m.

MAYOR

CITY CLERK

C. Approval of bids received November 17, 1980 for 500 Meter Box Covers - Rims and Lids.

HIGHLIGHTS: Two (2) bids were received. Recommendation of acceptance of low bidder, Southeastern Distributors, Franklin, N. C. in the amount of \$10,475. Funding for this contract is sufficient in the Water and Sewer Operation Appropriations - Inventory Account Code 30-140.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the consent agenda was approved unanimously.

REPORT REQUESTED - 22 NORMANDY ROAD DEMOLITION - COUNCILWOMAN PRICE

Councilwoman Price moved that a report be given to the City Council on December 11, 1980 by the Director of Inspections relative to an ordinance to demolish the dwelling at 22 Normandy Road and that the owners of this property be notified of this request. This motion was seconded by Councilman Boland and carried unanimously.

REQUEST TO RESCHEDULE PUBLIC HEARING RELATIVE TO THE REZONING OF EMMA AIR PARK

The City Manager said the petitioners had requested that the public hearing relative to rezoning Emma Air Park be rescheduled from January 8, 1981, 4:00 P.M. to December 11, 1980 at 4:00 P.M. (Ward 12, Sheet 7, Lots 13, 17, 103, 117, and 118 be rezoned from R-5 Residential District to LI Light Industrial District.)

Councilman Boland moved to reschedule the public hearing on rezoning of Emma Air Park to December 11, 1980 at 4:00 P.M. This motion was seconded by Councilwoman Price and carried unanimously.

PROCLAMATION - FAMILY WEEK - NOVEMBER 23-29, 1980

Mayor Trantham proclaimed the week of November 23-29, 1980 as Family Week.

PROCLAMATION - PARENTS WITHOUT PARTNERS WEEK - NOVEMBER 23-29, 1980

Mayor Trantham proclaimed the week of November 23-29, 1980 as Parents without Partners Week.

PROCLAMATION - BIBLE WEEK - NOVEMBER 23-29, 1980

Mayor Trantham proclaimed the week of November 23-29, 1980 as Bible Week.

CLAIMS - BARBARA TAUBER - MRS. JAMES FERGUSON

The City Manager presented claims received from Barbara Tauber and Mrs. James Ferguson.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - CORRUPTION

Ralph Bishop made comments relative to corruption in the Police Department.

ADJOURNMENT

Council adjourned at 4:30 P.M.

Raym. Trantham
MAYOR

William J. Holcomb
CITY CLERK

and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1194 passed on third and final reading.

Complete text of Ordinance No. 1194 will be found in Ordinance Book No. 9 at page 177.

BUDGET AMENDMENT - CITY OF ASHEVILLE COMMUNITY DEVELOPMENT FUND BUDGET

4. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budget.

The City Manager presented the budget amendment in the amount of \$12,000 amending the Community Development Fund Budget to provide additional funds to cover contract bid price for the Eagle Street Improvement/UDAG project.

Councilman Boland moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

5. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 80-215 - Resolution authorizing the Mayor of the City of Asheville to enter into an agreement with the North Carolina Department of Transportation for the purpose of performing inventory, inspection, and analysis of public bridges on the Municipal Street System.

HIGHLIGHTS: The City of Asheville has requested the Department of Transportation to perform certain work under the Federal-Aid Highway Bridge Replacement and Rehabilitation Program, said work to consist of the inventory, inspection and analysis of all public bridges on the Municipal Street System in the City of Asheville, except the Chestnut Street Viaduct, for which the City has already retained a consulting firm to perform the necessary inventory and inspection reports in accordance with the National Bridge Inspection Standards. The City of Asheville proposes to enter into an agreement with the North Carolina Department of Transportation for said work. Under the agreement the Federal Highway Administration shall reimburse the Department of Transportation for eighty (80) percent of the cost of the work subject to compliance with all applicable federal policy and procedural rules and regulations.

Resolution Book No. 12, Page 247.

B. Resolution No. 80-216 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Hobson Construction Company, Inc. for the project known as Eagle Street Improvements.

HIGHLIGHTS: On Wednesday, November 5, 1980 bids were opened on the Eagle Street Improvements Project. Hobson Construction Company, Inc. is the apparent low bidder for this contract in the amount of \$79,325.50. This project will be funded under 65-50-899-5.

Resolution Book No. 12, Page 248.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Montford Historic District is being established as a "Local Historic District" under the existing state statutes. He said the district will be constructed as Article 12 of the Zoning Ordinance and will provide for architectural review and controls within the district which are designed to encourage restoration and preservation of the Montford area. He said the Montford area contains a sizable district which is registered in the National Register for Historical areas. He said the area contains several zoning districts, predominantly residential. He said the creation of the Historical District will not change the zoning districts. He said current uses of the property not allowed in the Historical District will be allowed to continue under the grandfather clause.

Upon inquiry of Council, Mr. Emrick said construction could take place on vacant lots in the area, however, approval would be required from the Historical Resources Commission by the issuance of a Certificate of Appropriateness. He said the approval would require an architectural review of the proposed construction.

Mr. Emrick said over 400 copies of the proposed ordinance were distributed in the area in the last two weeks to homeowners on a door-to-door basis.

Mr. Richard Thornton, of the Planning Staff, said he had contacted several cities in North Carolina who have already created historical districts to determine the impact the historical districts have on the community. Those cities included Charlotte, Raleigh, Wilmington, Chapel Hill and Tarboro. He said he received very positive comments toward the creation of historical districts. He said the major effect was the increase in the tax base. He said an architectural review board will be established to regulate the ordinance. He said a suggestion had been received that regulations be general instead of technical. He said the creation of the historical district would provide a mechanism for maintaining the integrity of the area.

Michael Southern of the Western Division of the Department of Archives and History spoke in support of the ordinance. He said the Montford area is one of the unique areas in North Carolina. He said his office has been involved with the area since 1966 and a large portion of the area is now on the National Register for Historic Places.

Helen Gray, a property owner in the area, requested that the first block on Montford Avenue be excluded from the ordinance. She said this block consists of commercial uses and has the potential for a large motel/hotel convention center which would not be allowed under the proposed ordinance since the ordinance prohibits the construction of buildings over three (3) stories.

Mr. Emrick noted that the first block referred to by Mrs. Gray is the entry point to the Montford area. He said some type of architectural integrity should be maintained. He said provisions are made in the proposed ordinance for an appeal process through the Board of Adjustments. He said this Board has the authority to grant a variance from the ordinance such as the three (3) story height limitation.

Thursday - December 4, 1980 - 3:00 p. m.
Thomas Wolfe Auditorium - Asheville Civic Center

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, F. Jack Cole, Walter R. Boland, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 20, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the December 4, 1980 meeting were approved as submitted.

RESOLUTION NO. 80-217 - RESOLUTION OF INTENT TO EXECUTE A CITY-COUNTY WATER AGREEMENT

2. Consideration was given to a resolution of intent to execute a City-County Water Agreement.

The City Manager read the resolution. The Board of County Commissioners and the City Council substantially agreed to the terms of an agreement for water and other service responsibilities. This resolution expresses the City Council's intent to proceed with the agreement subject to the approval of the final legal document by the bond attorneys, the County Commissioners, the City Council and a review by the Local Government Commission.

Upon motion of Vice-Mayor Morris, seconded by Councilman Wilkes, Resolution No. 80-217 was unanimously adopted.

Complete text of Resolution No. 80-217 will be found in Resolution Book No. 12 at page 249.

PUBLIC HEARING - AMENDING ZONING ORDINANCE TO INCLUDE "THE MONTFORD HISTORIC DISTRICT"

ORDINANCE NO. 1195 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED

3. A public hearing was held relative to amending the Zoning Ordinance, by including an Article 12 to be known as "The Montford Historic District."

Mayor Trantham opened the public hearing at 3:15 p. m.

Mayor Trantham said the ground rules for conducting the public hearing will be that a main spokesman both for the opponents and proponents shall be allotted a time limit of ten (10) minutes each. All others who wish to address the Council will be allotted a time limit of three (3) minutes each. Those wishing to speak against the issue will be called on first then those wishing to speak for the issue will be called on. He asked that the speakers not repeat what someone else ~~had~~ already said.

Mayor Trantham said the ground rules for conducting the public hearing will be that a main spokesman both for the opponents and proponents shall be allotted a time limit of ten (10) minutes each. All others who wish to address the Council will be allotted a time limit of three (3) minutes each. Those wishing to speak against the issue will be called on first then those wishing to speak for the issue will be called on. He asked that the speakers not repeat what someone else had already said.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, in giving the background of the rezoning of the Manor property said on November 9, 1977 the Asheville Planning and Zoning Commission considered a request to rezone the property from R-2 and R-3 Residential District to OI- Office Institutional District. Following a discussion of the issues of the request the Commission voted to deny the rezoning petition. Reason for denial was "The rezoning is not in keeping with the neighborhood nor the zoning plan of 1975." On March 1, 1978, this decision was reaffirmed by the Planning and Zoning Commission. The rezoning was taken to Court and on November 16, 1978 a consent judgement overturned the residential zoning classification - therefore the property was zoned OI - Office Institutional District. City Council Resolution No. 80-197 adopted on October 9, 1980 directed the Planning and Zoning Commission to convene to discuss and make a recommendation relative to rezoning Lot 98, Sheet 15, Ward 2 from OI - Office Institutional District to R-2 Low Density Residential District and Lot 100, Sheet 15, Ward 2, from OI Office Institutional to R-3 Medium Density Residential District. At the November 5, 1980 Planning and Zoning Commission meeting, after hearing comments from the public and considerable discussion, the Commission voted four to three to recommend to City Council that the property remain as it is now zoned - Office Institutional District. In addition, the Commission voted that the staff be instructed to proceed with exploration and make recommendations back to the Commission as to proper procedures for creating areas as special historic districts for zoning and with recommendations as to uses.

Mr. Emrick said Council has several alternatives in the Manor rezoning. He said Council could rezone the property to R-2 and R-3 Residential Districts or leave the property zoned OI - Office Institutional. He said whatever decision Council made relative to the zoning they could also pursue the establishment of a "Historic Overlay Zone." He said perhaps when this special district is established the Manor property could be included. He said the procedure for establishing the special use district would be the same as any zoning amendment. He said another zoning district, "Historic Overlay Zone," could be created for properties designated by the National Historic Register, which would specify certain allowable uses for these historic structures that would not normally be allowed in a residential area. He said this would allow the Council to approve projects on a case-by-case basis.

Mr. Emrick said since the Planning and Zoning Commission meeting several petitions have been filed by surrounding residents in support of the R-2 and R-3 Residential District zoning. He said the petitions contain approximately 175-200 names.

Mr. Emrick said at the request of the City Manager, the Traffic Engineer Paul Dutcher, conducted a traffic flow analysis in the area which revealed an increase in traffic during peak hours which also showed hazardous conditions for the current uses in the area. He said the roads would need widening and new signalization installed for additional businesses.

Bob Orr of the Asheville-Buncombe County Historical Resources Commission, encouraged the enactment of the proposed ordinance without amendments. He said the ordinance has been supported by the Asheville-Buncombe County Historic Resources Commission, the Montford Community Club, Historic Montford Association, and the Preservation Society of Asheville and Buncombe County. He said the architectural control in the district should be administered in a reasonable manner.

The following individuals spoke in support of the proposed ordinance:

Mary Joe Bresney	- member of the Historic Preservation Society
Donna Hogan	- Cumberland Avenue
Bruce Roberts	- Montford Avenue
Bill Anderson	-
Frank Cox	- member of Asheville-Buncombe County Historic Resources Commission
Don Osborne	-
Lois Dayton	- member of Historic Preservation Society Historic Montford Association.

Mr. Emrick noted that this ordinance is not a tool to force a property owner to do anything. He said it does not force a property owner to rehabilitate his/her house or to sell their house when in fact they desire demolition.

J. E. Johnson, Director of Inspections, noted that the proposed ordinance does not change the local housing or building code regulations. He said the codes will be enforced as they have in the past.

Mayor Trantham closed the public hearing at 4:15 p. m.

Mr. Emrick read the proposed ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1195. This motion was seconded by Councilman Boland.

Councilman Wilkes said he had reservations about the adoption of the ordinance. He said he did not feel controls should be placed on people and their property.

Vice-Mayor Morris said he felt the restriction relative to the three (3) story height limitation should receive further consideration.

On a roll call vote of 6-1, Ordinance No. 1195 passed on first reading with Councilman Brownlee voting "no."

Several members of Council expressed concerns that the ordinance needs further discussion by Council.

PUBLIC HEARING - REZONING THE MANOR PROPERTY

ORDINANCE NO. 1196 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED
(Ward 2, Sheet 15, Lot 98 - from OI to R-2) (Ward 2, Sheet 15, Lot 100, from OI to R-3)

4. A public hearing was held relative to the rezoning of the Manor property.

Mayor Trantham opened the public hearing at 4:43 p. m.

The following individuals spoke in support of the rezoning of the Manor property to R-2 and R-3 Residential Districts:

David Page
 Jack Westall, representing Mrs. Stewart Talbert
 Dr. Wayne Montgomery
 resident of 53 Macon Avenue
 Rick Johnson
 Alice Powell
 Arlene Schandler

R. L. Bailey, owner of the Manor Inn, Bill Parker, and Kenneth Stanridge spoke in opposition to the rezoning of the property to residential.

It was the feeling of Council that the residents of the area were not opposed to the creation of a Historical Overlay Zone for the Manor property.

Mayer Trantham closed the public hearing at 6:15 p. m.

It was noted that there is a need to protect the investments both of the surrounding residents as well as the owner of the Manor Inn.

Upon inquiry of Council, Mr. Emrick said he would try to have a report made to the Planning and Zoning Commission relative to the creation of a Historical Overlay Zone at the January, 1981 meeting.

Upon inquiry of Councilman Cole, Corporation Counsel said he did not feel it would be a conflict of interest for him to vote on the issue just because he owns property at 73 Evelyn Place which is in the surrounding neighborhood.

Mr. Emrick read the proposed ordinance rezoning the property to R-2 and R-3 Residential District.

Councilwoman Price moved for the adoption of Ordinance No. 1196. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1196 passed on first reading.

It was the consensus of Council that the Planning Staff proceed with the exploration and recommendations relative to the creation of a Historic Overlay Zone for the Manor property.

PUBLIC HEARING - APPLICATION TO DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR URBAN DEVELOPMENT ACTION GRANT (UDAG) (Downtown-Lexington Avenue)

RESOLUTION NO. 80-218 - RESOLUTION AUTHORIZING THE PREPARATION OF APPLICATIONS FOR THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT THROUGH THE URBAN DEVELOPMENT ACTION GRANT PROGRAM

5. A public hearing was held relative to the consideration of a resolution by the Asheville City Council authorizing the Mayor of the City of Asheville to submit applications to the Department of Housing and Urban Development for Urban Development Action Grant (UDAG) (Downtown - Lexington Avenue Proposals)

Attorney John Powell, representing Mr. R. L. Bailey, the owner of the Manor, spoke in opposition to the proposed ordinance to rezone the property R-2 and R-3 Residential Districts. He gave a brief history of the Manor. He said the Office Institutional District was developed to serve as a buffer zone between the contiguous Commercial General zone and the residential zone. He said the Manor is a commercial entity. He asked that Council support the recommendation of the Planning and Zoning Commission to leave the property OI - Office Institutional District and to study the creation of the Historic Overlay Zone.

Mr. Powell said the Manor Inn can not continue to exist with a residential zoning classification and is certainly worthy of preservation.

Councilwoman Price expressed concerns that the Manor Inn is for sale and if the property is sold and its zone is Office Institutional, a new owner could allow businesses which would not be conducive to the predominately residential surrounding area. She said this could occur in the time period that Council is considering establishing a Historic Overlay Zone.

Bill Thomas, founder and owner of the Manor Inn Dinner Theatre, spoke in opposition to rezoning the property residential. He said the Planning Department also received correspondence, since the Planning and Zoning Commission meeting, in favor of retaining the Office Institutional District. He said he understood that if Council rezones the property to residential the current businesses in the Manor would be permitted to stay under the "grandfather clause," however he would feel more comfortable with an Office Institutional Zoning District. He urged Council to support the recommendation of the Planning and Zoning Commission.

The following individuals now spoke in opposition to rezoning the Manor property to a residential classification:

Dr. Emanuel Robinson
Bud Taylor, Sumner and Foster Realty Company
Marie Willoby - Manor Inn resident

Mr. Mack Day, President of the Grove Park Sunset Citizens Association, spoke in favor of rezoning the property to R-2 and R-3 Residential. He read a prepared statement to this affect. He said the residents would like to preserve the integrity of the residential area. He said they did not object to the current businesses now in the Manor but were afraid of new and different businesses which are allowable in the Office Institutional District. He said the residents need a sense of security in a residential classification. He said he felt the Office Institutional zoning is a start for creeping encroachment on a residential area.

Dr. Alan Kreuger, 21 Oak Lane, of the Grove Park Sunset Citizens Association, also spoke in favor of rezoning the property to residential. He said the residents were not informed of the consent judgement to zone the property Office Institutional for two (2) years. He said property owners purchased property anticipating residential zoning. He said traffic has increased due to the business operations in the Manor. He said the present businesses in the Manor are not the real issue but Council should take a close look at the intent of the owner. He urged Council to rezone the property to the R-2 and R-3 Residential District.

Mr. Emrick said the UDAG application process is a long and complicated one and the Planning Staff is not prepared to make any recommendations. He said Council would hold another public hearing to consider an application to the Department of Housing and Urban Development.

The City Manager read the resolution.

The City Manager read a statement expressing that he did not want to appear to be negative about anything that appears to be progress. He said he realized that some major type developments have vast influence outside project areas. He said in times of high inflation, with an 18-1/2% prime interest rate, the City Government must move into high cost projects very cautiously. He said he has the responsibility, as City Manager, to closely examine projects that would not hold the City harmless from projects that may not be completed on a timely basis and that don't have a benefit for both the developer and the City or are entered into at the expense of providing service to all areas of the City.

He reminded Council that the City is using approximately \$2 million in savings to balance the City Budget this year. He said the City is using approximately \$800,000 of Revenue Sharing funds for the police pension and over \$1 million for basic equipment. He said that a one-cent (1c) tax increase raises approximately \$70,000 in revenues. He reminded Council of one recent project the City was not suppose to have cost involvement but the developer came to the City and County for a \$55,000 appropriation, on a \$2 million dollar project, for basic water, sewer and road systems. He also reminded them of a \$5 million dollar project whereby the City and County agreed to an approximate \$600,000 appropriation in public improvements, however, due to inflation that appropriation had to be increased by over \$200,000 because the City did not fully detail all the responsibilities of all involved parties.

He said since the deadline date for submitting applications to the Department of Housing and Urban Development for UDAG funding is fast approaching, it will be necessary for Council, in the near future, to make a decision relative to the proposals. He said he felt it is necessary for the City to obtain outside help to conduct a study of "hidden costs" to the City in the present proposals which are under consideration for grant funding. He requested a motion from Council to permit him to proceed with contacting one or more of the top eight (8) nationally recognized accounting firms to evaluate the financial responsibilities of the City and developer as it pertains to these downtown projects. He said the purpose would not be to evaluate whether or not these ideas are good or bad but whether they are financially sound for the City. He said while obvious tax base increases can be shown, all the actual and potential costs to the City are not known. He said at this point the City does not know where the developers expect the City to pick up costs such as additional road improvements, right-of-way costs, police protection, etc., which would be involved with the completion of the projects.

He said after he contacts the accounting firms he would come back to Council to request an appropriation and approval to enter into an agreement with the selected firm.

After a discussion by Council members, which included concerns that such a study should cover mechanisms available to hold the City harmless, the need for performance bonds in case of overruns, and the inclusion of an inflation clause, Councilwoman Price moved to authorize the City Manager to proceed with contacting one or more of the top eight (8) nationally recognized accounting firms to evaluate the financial responsibilities of the City and proposed developers as it pertains to these projects to determine whether they are financially sound for the City. This motion was seconded by Councilman Boland and carried unanimously.

Mayor Trantham opened the public hearing at 6:33 p. m.

Mayor Trantham said the ground rules for conducting the public hearing will be that a main spokesman for each proposal will be allotted a time limit of ten (10) minutes each. All others who wish to address the Council will be allotted a time limit of three (3) minutes each. He asked that the speakers not repeat what someone else had already said.

Mayor Trantham said no action would be taken at this public hearing relative to supporting one proposal over another.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said this public hearing is for the purpose of reviewing projects received at the November 24, 1980 meeting held by the Community Development and Planning Departments for the preparation of an Urban Development Action Grant application. He said developers submitting proposals for UDAG funds were John Lantzius; Bill Taylor for the Sunworks Company; Strouse-Greenberg Company, presented by Joe Lowrance; Vanguard, Inc., presented by W. Harrison Merrill.

Mr. Emrick said the only action Council would be asked to consider at this meeting would be a resolution authorizing the preparation of applications for the Department of Housing and Urban Development through the Urban Development Action Grant Program. He said this would authorize the Planning Department to contact the various developers who have presented proposals to obtain additional information sufficient to prepare an application to the Department of Housing and Urban Development for the UDAG funding. He said the resolution would not support or approve any of the proposals. He said his staff would be contacting the developers for financial and working details which he would bring back before the Council for consideration.

Mr. Emrick said the Sunworks Company presented a proposal for the rehabilitation of the Artmore building at a cost of approximately \$270,000, with a request for UDAG funding of approximately \$30,000 for a total project cost of \$300,000. This would represent a 1:9 UDAG ratio. He said this project is worthy of consideration if it is combined with a larger project. He said he did not feel it would be a viable project if considered alone. He said Jack Bryant presented a proposal to rehabilitate the Woodfin Apartment at a cost of approximately \$400,000 in private funding, approximately \$300,000 in UDAG funding, for a total project cost of \$700,000, for a 1:1.3 UDAG ratio; rehabilitation of 11 North Market Street for which no cost was submitted; the continued rehabilitation of the Hayes and Hopson Building at a cost of approximately \$100,000 in private funding, approximately \$100,000 in UDAG funding, for a total project cost of \$200,000, for a 1:1 UDAG ratio. He said Vanguard Management Company presented a proposal for building rehabilitation and streetscaping at a cost of approximately \$1,200,000 in private funding, approximately \$255,000 in UDAG funding, for a total project cost of \$1,455,000, for a 1:5 UDAG ratio. He said this project should also be considered along with another project. He said Strouse-Greenberg Company presented a proposal for the development of an Urban Service Center at a cost of approximately \$70-\$90 million in private funding, approximately \$15 - \$20 million in UDAG funding for a total project cost of \$100 - \$140 million, for a 1:6.5 UDAG ratio. He said John Lantzius presented a proposal for building rehabilitation, streetscape and off-street parking at a cost of approximately \$2.9 million in private funding, approximately \$1.8 million in UDAG funding, for a total project cost of \$4.7 million, for a 1:1.6 UDAG ratio.

The project had been announced in mid-1974; by late 1975 the property had been acquired and demolished. Ground was broken for the parking garage in August of 1976. All this was going on with a contract with the developer. The original timetable had the completion targeted for late 1976. The contract was renewed for a fourth time in September of 1976; finally, Council in October 1978 pled with the developer to renew the contract one last time, but the developer was sorry, they just couldn't do the project.

Spartanburg now has a site for development—and a parking garage they really don't need. The Council is still exploring ways to get someone to develop the site—six and a half years after this grand announcement.

I really don't think I have to belabor a conclusion from all this. Given the resurgence of our area downtown, with its assurance of increasing tax revenue, this City cannot afford even the remotest chance that it might find itself in a position similar to Spartanburg's in the future. I urge you in your deliberations about the relative merits of Strouse, Greenberg vs. Lantzius et al. to keep this sad situation in mind. Even with contracts, developers can say "I'm sorry"; and I know that there are folks in town who want these properties torn down whether or not there is a developer with a contract and good intentions. We cannot afford to risk the economic future of our City in this manner.

Thank you for your attention.

Sincerely,

Wayne Caldwell

11-21-78	CITY MUST LOOK FOR OTHER WAYS TO DEVELOP LAND

Jack Bryant of Brevard, one of the proposed developers said he felt the smaller projects should be considered separately. He said he had undertaken several projects in the City including 53 N. Market Street, rehabilitation of the Hayes and Hopson Building, and One Oak Plaza, which did not have any cost to the City. He said his proposal for projects requesting UDAG funding included the rehabilitation of the Woodfin Apartments, 11 North Market Street and the continuation of the rehabilitation of the Hayes and Hopson Building.

Joe Lowrance representing the Strouse-Greenberg Company, said his company believes in Asheville and would like to help keep Asheville the capital of Western North Carolina. He said he felt the proposal of the Strouse-Greenberg Company would be positive for the City. He said he was glad Council adopted the motion to authorize the City Manager to contact an accounting firm to conduct a study of hidden costs. He said he felt this administrative action would help the proposed developers as well as the City.

Bud Taylor, with Summer and Foster Realty, said he represented Mr. John Lantzus in his proposal for Phase II of the Lexington Mall. He said Mr. Lantzus's proposal would be in the best interest of the City.

Upon inquiry of Councilwoman Price, Mr. Taylor said the proposal includes a request to the City to float Revenue Bonds for Street Improvements, Off-Street Parking and Landscaping. He said the project has been delayed because of problems arranging funding due to the threat of a mall, the Strouse-Greenberg proposal.

Wayne Caldwell, with Save Downtown Asheville, read the following letter:

Save DOWNTOWN Asheville, Inc.

25 BROADWAY ASHEVILLE, N.C. 28801 252-0321

1 December 1980

Dear Mayor Trantham:

I made a trip to Spartanburg today, and I would like to share with you what I learned there. Enclosed is a list of headlines from the Spartanburg Herald from 1974-1978, which should be self-explanatory.

If you don't know the situation there, I think you should. An announcement was made by a Charlotte developer in 1974 to build a complex to be called Spartan Square on a 4.5 acre tract in downtown Spartanburg. It was to have included a civic center for sports and the arts, a 200-room hotel, an office building, a skating rink, a small retail mall, and a parking garage. From the press clippings, the City was excited, and HUD money was available, and the salvation of the central core was assured. With almost no legal trouble (one suit over the price offered for a building) and no citizen protest, the City went through the motions, as you can see. The only serious hitch was that one building fell down during the demolition process, killing five men. The problem was not with the City; it was with the developer.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-219 was unanimously adopted.

Complete text of Resolution No. 80-219 will be found in Resolution Book No. 12 at page 251.

BUDGET AMENDMENT - WATER AND SEWER SERVICES OPERATING BUDGET

7. Consideration was given to a budget amendment amending the Water and Sewer Services Operating Budget for Fiscal Year 1980-81.

The City Manager presented the budget amendment in the amount of \$2,500.00 to provide funding for materials necessary for updating and mapping the water system.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the budget amendment was approved as presented by the City Manager.

CLAIMS - JOYCE COUTLAKIS - EDWARD HILL

The City Manager presented claims received from Joyce Coutlakis and Edward Hill.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilman Boland, the meeting adjourned at 8:00 p. m.

*** (During the public hearing on the Manor rezoning a lady interrupted the hearing to express her frustrations that the public hearing relative to the UDAG applications did not begin at 4:00 p. m. as advertised in the newspaper. She said she was going to write a letter to Robert Embry, Undersecretary of HUD to express her frustrations.)

MAYOR

CITY CLERK

Chris McGrain, of Norwood Park, noted that the City has started spending city funds from the start of these projects by authorizing the City Manager to contact an accounting firm. She said she felt some of the projects are worthy of consideration because they are consistent with rehabilitation. She said she did not think the Strouse-Greenberg proposal should be included in the application for UDAG funding.

Ralph Bishop spoke in opposition to all the ~~proposals~~ stating that they would in some way cost the taxpayers of the City.

Walter Gladding of Sareva Place, and a member of the "Committee of 36" spoke in support of the Strouse-Greenberg proposal stating that this project would provide permanency to downtown.

Kathryn Long of 22 Griffing Boulevard shared articles from "Preservation News," which revealed what happened in other cities who had considered UDAG funding for such large proposals as the Strouse-Greenberg project.

Lois Day of Pearson Drive also shared articles from "Preservation News" in opposing the Strouse-Greenberg proposal.

Bob Anthony of 34 Crestwood Lane spoke in favor of the Strouse-Greenberg proposal stating that the City of Asheville needs this type of revitalization.

Lou Millen, owner of T. S. Morrison Hardware on Lexington Avenue, spoke in support of the John Lantzlius proposal.

Bob Carr of 47 Greenleaf Circle also supported the John Lantzlius proposal, ~~but opposed the Strouse-Greenberg project.~~

Mayor Trantham closed the public hearing at 7:45 p. m.

Mr. Emrick said applications for UDAG funding are received by the Department of Housing and Urban Development once each quarter. He said in order to meet the first quarter deadline of January 31, 1981 applications would have to be submitted by December 30, 1980. He said the next deadline would be February 28, 1981 for the April 30, 1981 application deadline. He said he would give Council a status report on the development of the applications next week.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-218 was unanimously adopted.

Complete text of Resolution No. 80-218 will be found in Resolution Book No. 12 at page 250.

*** (See note at end of minutes)

RESOLUTION NO. 80-219 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH SIX ASSOCIATES, INCORPORATED

6. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Six Associates, Incorporated.

The City Manager read the resolution stating that this agreement will provide for services required to advise the City Manager and City Staff regarding modifications to the City Barn that will be caused by the widening of Valley Street by the North Carolina Department of Transportation and, if necessary, to prepare plans and specifications implementing such modifications.

After discussion, Mayor Trantham closed the public hearing at 4:20 p. m.

Mr. Emrick read the proposed ordinance rezoning the property as petitioned.

Councilwoman Price moved to adopt Ordinance No. 1197. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1197 passed on first reading.

PUBLIC HEARING - REZONING OF EMMA AIR PARK PROPERTY

ORDINANCE NO. 1198 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. A public hearing was held relative to rezoning the Emma Air Park property.

Mayor Trantham opened the public hearing at 4:23 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said on August 14, 1980, the City Council requested that the Planning and Zoning Commission study the feasibility of rezoning the Emma Air Park property for industrial development. After discussing the issues of this request, the Planning and Zoning Commission voted to recommend to City Council that Ward 12, Sheet 7, Lots 13, 17, 103, 117, and 118 be rezoned from R-5 Residential District to LI Light Industrial District. He said the property is presently being used for private planes, however, industrial development is planned for the property. He said no specific industry has been indicated as of yet.

Councilwoman Price noted that the Light Industrial District would not permit an industry which would produce hazardous materials. She also noted that if the development contained over 25,000 square feet, Council would have to approve the group development plan.

Vice-Mayor Morris noted that the property is zoned only because of the City's extra territorial zoning jurisdiction. He said the property is outside the City and if the City had not chosen to use their authority in the extra territorial zoning jurisdiction the property would not be zoned and any use would be allowed on the property.

Mr. Emrick said that the Water and Sewer Director indicated that water and sewer is available in the area but the developer would have to extend the water lines to the proposed site. He said if the proposed use required additional lines the water policy dictates that the developer would install the additional lines.

Thursday - December 11, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, F. Jack Cole, Walter R. Boland and H. C. Wilkes, Acting Corporation Counsel Victor W. Buchanan, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Corporation Counsel William C. Moore

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the December 4, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, the minutes of the December 4, 1980 meeting were approved as submitted.

PUBLIC HEARING - REZONING OF PROPERTY AT 171 HILLSIDE STREET

ORDINANCE NO. 1197 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. A public hearing was held relative to the rezoning of property located at 171 Hillside Street.

Mayor Trantham opened the public hearing at 4:13 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission considered the request of Mr. Ben W. West that Ward 2, Sheet 5, Lot 14-1/4, (located at 171 Hillside Street) be rezoned from R-3 Residential District to CH Commercial Highway District and recommended the approval of the rezoning. He said the owner proposes to convert the existing structure into an office complex. He said the lot is only 40' wide. He said due to the lot size, if for some reason the structure is demolished reconstruction on the lot would not be permitted. He said the property is adjacent to the Asheville Cleaners and Dyers Building on Merrimon Avenue. He said there are three (3) parking spaces currently available on the property, however, for parking purposes the owner could negotiate with Asheville Cleaners and Dyers in order to meet parking requirements.

Mr. Emrick said several individuals appeared at the Planning and Zoning Commission, including a representative from the Brooks-Howell Home, opposing the rezoning stating that the proposed commercial use would increase traffic and noise in the area, as well as encroach upon residential property. He said the Planning and Zoning Commission, after reviewing the request, felt that the rezoning would have no adverse effect on the community.

Verl Emrick, Planning Director, said questions were raised at the December 4, 1980 meeting relative to the height limitations proposed in the ordinance. He then read the following letter:

December 10, 1980

The Honorable Roy M. Trantham, Mayor
City of Asheville
P. O. Box 7148
Asheville, North Carolina 28807

Dear Mayor Trantham:

The members of the Asheville-Buncombe Historic Resources Commission have asked me to inform you of the following:

"If City Council members wish to delete that portion of the Montford Local District Ordinance referring to height limitations, the Historical Resources Commission does not object."

Attached is a portion of the proposed Montford Local Historic District Ordinance as it would read with Section 30-12-5 (2) deleted.

Thank you for your continued cooperation and good will toward the Historic Resources Commission.

Sincerely,

/s/ Richard Thornton

Richard Thornton

RT:pcd

cc: Ken Michalove, City Manager
Verl Emrick, Planning Director
Historic Resources Commission
Members

Vice-Mayor Morris moved to amend Ordinance No. 1195 by deleting Section 30-12-5(2) relative to height limitations. This motion was seconded by Councilman Brownlee and carried unanimously.

On a roll call vote of 6-1, Ordinance No. 1195, as amended, passed on second reading.

ORDINANCE NO. 1196 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Ward 2, Sheet 15, Lot 98 from OI to R-2) (Ward 2, Sheet 15, Lot 100, from OI to R-3)

5. Consideration was given to the second reading of Ordinance No. 1196, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning Ward 2, Sheet 15, Lot 98 from OI to R-2 and Ward 2, Sheet 15, Lot 100 from OI to R-3, property known as the Manor property.

Mr. Emrick said valid written protests ~~have~~ been received from the surrounding property owners which would require a 3/4 affirmative vote (6 votes) of Council to approve the rezoning. He said the existing city limits is within 200 to 300 feet of the property proposed for development and he felt the North Carolina General Statutes could be complied with for annexation into the City if Council desired to annex the property in the future.

Councilman Boland said he felt the area in question is potentially industrial.

Phil Elam, Manager of the Economic Development Department of the Asheville Area Chamber of Commerce said the Chamber has been showing this property to interested industrial developers for more than ten (10) years. He said the residential zone has been a detriment in promoting this site to industrial developers. He said the property is buffered on three (3) sides with 20 to 30 feet pine trees. He said water and sewer, natural gas, and rail are available to the site. He said accessibility to the site is also good. He said the Emma Air Park property consists of approximately 40 acres however acreage adjacent to the property is available for development. He said uses in the Light Industrial District would not affect the homes in the area.

Wayne Kinser, President of Kinco Company, a small manufacturing plant adjacent to the Emma Air Park property, spoke in support of the rezoning. He said he has plans to expand his business which would employ an additional 100 people. He said his plant manufacturers energy conservation materials. He said it was his understanding that at least one of the property owners had withdrawn their protest of the rezoning.

There being no one present to speak in opposition, the Mayor closed the public hearing at 4:40 p. m.

Verl Emrick, Planning Director, read the ordinance rezoning the property to LI - Light Industrial.

Councilman Wilkes moved for the adoption of Ordinance 1198. This motion was seconded by Councilman Brownlee.

On a roll call vote of 7-0, Ordinance No. 1198 passed on first reading.

ORDINANCE NO. 1195 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Establishing Article 12 of the Zoning Ordinance, the Montford Historic District)

4. Consideration of the second reading of Ordinance No. 1195, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, establishing Article 12 of the Zoning Ordinance, the Montford Historic District.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there is a specific request to do so.

Dr. Kreuger said some of the reasons that the residents feel it is imperative for Council to continue to support the R-2 and R-3 Residential zoning include the fact that: 1) the current owners of the Manor purchased the property when it was zoned R-2 and R-3 Residential District and knew that full well and purchased the property as residential; 2) On a least two different occasions the owners went before the normal zoning process to try to get the property rezoned to Office Institutional. On these occasions the Planning and Zoning Commission agreed with the property owners in the area who entered into this process, that it would not be in the best interest to rezone the property Office Institutional District; 3) The properties were then rezoned Office Institutional by a consent judgement. He said he did not understand how the consent judgement was issued. He said the consent judgement ignored the process that went on before. In addition, none of the people who were actively involved in the process were informed as to the change of the zoning to Office Institutional for two (2) years; 4) Businesses have developed within the Manor which has increased the congestion in the neighborhood. He said this was evidenced by the City's traffic pattern survey. He said with more businesses in the Manor the congestion would increase more, which is already dangerous; 5) Documented attempts by the current owners, in spite of previous promises to the contrary and that the property was zoned residential at the time, to obtain a liquor permit. He said they feel that the actions that the owners of the Manor have taken speak louder than what they are now proposing. Previous attempts to open up a night club through Gold Productions Inc. really represents the true intent of the owner. He said the almost over two hundred (200) property owners adjacent to the Manor feel strongly that they need Council's continuing support in order to protect the integrity of the property in the neighborhood. He said it would be in the best interest to seek a Historical Overlay Zone for the properties in question and thereby exercise rational control of the development of the property. He said this would assure that the rights of the property owner as well as the rights of the citizens in the immediate area would be protected and considered at the same time. He said they feel the owners of Manor wish to continue with the Office Institutional District in order to increase the businesses in the Manor and to obtain liquor licenses of which would enhance the saleability of the property and all of which would be developed before the Historical Overlay Zone could be established. He asked that Council continue to support the R-2 and R-3 Residential zoning for the property.

At the request of Council, Vic Buchanan, Acting Corporation Counsel, said the consent judgement was signed by the Superior Court Judge as a result of a law suit filed several years ago. He said the consent judgement related to several amendments to Ordinance No. 322, the Zoning Ordinance, for a complicated procedure as to various constitutional deficiencies which the City has tried to correct. He said at that time the consent judgement was entered into by the City of Asheville with Del Rio Inc. He said Del Rio Inc. was the party that instituted the law suit. He said under the consent judgement, which was signed in November, 1978, Del Rio Inc. was to appear before Council and permit them to make a vote, to have proper advertisement and to have a public hearing for everyone to come in and be heard and to have a one time vote on the protest which was filed by Del Rio Inc. He said he has repeatedly reminded Mr. Elmore and Mr. Powell, Attorneys for Del Rio Inc. of that fact. He said this action has not been taken by Del Rio Inc. He said this could have been done by the end of 1978, at any time in 1979 or 1980. He said it is the position of the City of Asheville that Del Rio Inc. has repeatedly failed and refused to come in and do what the City understood would be done under the consent judgement. He said the one vote determination of the zoning would be whether it would be residential or some other zoning determination.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Attorney Bruce Elmore said he was representing R. L. Bailey, owner of the Manor Inn. He said he was substituting for Attorney John Powell. He said in order to relieve some of the concerns of the residents in the area his client is willing to enter into an agreement with the City in order to guarantee that:

- 1) No business activity will be conducted on the Manor properties after 12 p. m. on any day;
- 2) that no disco business will be conducted on the properties;
- 3) that no gas station business will be conducted on the property and
- 4) that the owner will install night lights in the parking lots and initiate, at his own expense, a security patrol of the grounds and parking areas during night time hours.

He said those are some of the things that his client would be willing to guarantee, by any legal binding contract with the City, if Council favorably allowed the Office Institutional District to remain.

Mr. Elmore said it was his understanding that there is a question relative to a time limit on filing a protest petition. He said a previous protest petition had been filed prior to the proposed ordinance and his client felt another protest petition would not be necessary.

Mr. Elmore said Charlotte Street, on which the Manor borders, has always been used for commercial businesses. He said the Manor has always been a hotel. He said he could not understand the fears and worries of the surrounding property owners. He said the property has been zoned Office Institutional for two (2) years. He said he felt the rezoning to residential might be discriminatory and might not withstand the constitutional test. He urged Council not to rezone the property residential without the owner's consent.

Upon inquiry of Councilman Wilkes, Attorney Elmore said one of the disadvantages to the property being zoned residential would be that the Stone Soup currently in the Manor Inn, could not obtain a beer and wine license if they desired to open the business for dinner and serve wine. He said the restaurant is a first class eating place and most first class eating places serve wine. He also said if the owner wanted to place a gift shop in the Manor Inn that businesses would also be prohibited under the residential zone.

Councilwoman Price expressed concerns that the property is still up for sale and any legal contract entered into by the current owner might not be upheld by a new owner.

After discussion, it was agreed that Attorney Elmore would prepare a document, stating the above facts, that would be legally binding, before the third reading of the ordinance. It was agreed that Attorney Elmore and the Corporation Counsel would work together on preparing the document.

Dr. Alan Kreuger, 21 Oak Lane, said he was representing the Grove Park Sunset Citizens Association and some of the property owners in the area. He said they are concerned about the time period in which the Council will be considering establishing a Historical Overlay Zone for the property. He said the owners need some protection, by a residential zoning, during this time period.

Councilman Boland suggested that Mr. Bailey meet with the City Staff in order for him to be fully aware of the details of the Historical Overlay Zone.

Mr. Bailey said if the Manor is zoned residential it would not be viable or operational and if it was not operational the building would greatly deteriorate.

Councilman Wilkes said with the permission of the Mayor he had to leave at 5:30 but he did want to cast his vote in favor of the residential zone for the Manor property until such time as he had an opportunity to review all the information presented by the owner of the Manor and the property owners in the area.

Skip Redmon, 280 Edgewood Road, spoke in opposition to the rezoning of the Manor property to residential. He said the owners rights will be violated if it is zoned residential. He said the owners have the right to operate a business within the limits of the law. He said his brother was a partner in Gold Productions, Inc. who applied for a liquor license in 1977. He said Mr. Bailey did not apply for the license.

Joe Reynolds, spoke in opposition to the rezoning of the Manor property to residential. He said he felt the Manor was operated on the same basis as the Grove Park Inn but on a smaller scale. He urged Council not to hinder Mr. Bailey in operating the Manor.

Mayor Trantham said the Corporation Counsel would work with Mr. Elmore in preparing a document for Council's consideration prior to the third reading of the ordinance.

On a roll call vote of 7-0, Ordinance No. 1196 passed on second reading.

REPORT FROM DIRECTOR OF INSPECTIONS RELATIVE TO 22 NORMANDY ROAD

6. It was noted that on September 11, 1980 Council adopted Ordinance No. 1183 directing the Housing Officer to demolish 22 Normandy Road. However, a motion was made that the Director of Inspections take no action relative to the demolition of 22 Normandy Road, until after November 25, 1980, at which time the Director of Inspections would report to Council any improvements made toward the restoration of 22 Normandy Road before taking any action pursuant to Ordinance No. 1183. At the November 20, 1980 Council meeting a motion was made to have the report given to Council at the December 11, 1980 meeting.

J. E. Johnson, Director of Inspections, said he made an inspection of 22 Normandy Road this afternoon, December 11, 1980, and found that no progress had been made toward the restoration of 22 Normandy Road. He said he had written a letter to Mr. Talman, attorney for the owner of 22 Normandy Road, informing him that the matter would be discussed during the December 11, 1980 Council meeting.

Councilwoman Price moved to direct the Director of Inspections to proceed with the enforcement of Ordinance No. 1183 relative to the demolition of 22 Normandy Road. This motion was seconded by Councilman Cole and carried unanimously.

Upon inquiry of Councilman Cole, Mr. Buchanan said he had notified the attorneys for Del Rio Inc. on a number of occasions of the conditions of the consent judgement. He presented several letters to Council showing that he had notified the attorneys. He said the consent judgement was directed to implement an easy, quick, inexpensive method of resolving a difficult law suit. The consent judgement was entered into without waiving other rights of the City such as rezoning. He said the consent judgement provided for a notification procedure using the express terminology of the North Carolina General Statutes in certain types of advertisements. However, the consent judgement has not been complied with.

Russ Martin, of Woodland Road, said he also represented the Grove Park Sunset Citizens Association. He said they could not determine the concerns of the property owner of the Manor since the current businesses in the Manor have already been established and will be "grandfathered." He said variances can be granted. He said the community is concerned what will happen at the Manor in the period of time that Council is considering establishing the Historical Overlay Zone, which Council had indicated would take two months. He said Attorney John Powell had indicated at the December 4, 1980 meeting that no assurances from the property owner could be made in the next two months. He said in the past a business at the Manor applied for a liquor license and his Association sent an attorney to Raleigh to oppose the issuance of the license. He said according to the tax records the Manor is listed as being owned by R. L. Bailey, Maple Cove Inc., and Del Rio Inc. He said any legal document which the City might obtain from R. L. Bailey might not be binding on the other owners. He also noted that the entrance to the Manor is on Cherokee Road and not on Charlotte Street as indicated by Mr. Elmore. He said the property was intended for residential purposes. He said the businesses in the area are neighborhood businesses and not commercial uses as indicated by Mr. Elmore. He said the Office Institutional zone would be dangerous to the City as well as the surrounding residents.

R. L. Bailey, owner of the Manor Inn, said in order to clarify some of the concerns he would like to state that when the consent judgement was entered into it was his understanding that the property would remain zoned Office Institutional until such time as Del Rio Inc. brought the matter back before Council. He said to his knowledge there was no time frame indicated in the consent judgement. He said Del Rio Inc. has never applied for a beer, wine, or liquor license. He said he leased the property in 1977 to Gold Productions, Inc. and they applied for a license to open a private lounge. He said the property has been zoned Office Institutional for over two years and he could have applied during that time. He said he has no plans for applying for a liquor license in the next two months. He said as far as the legality of the document referred to by his attorney, outlining his guarantees to the City, that all three owners of the Manor would sign the agreement. He said the Stone Soup was the one who instigated the traffic analysis in order to control the traffic situation. He said he has plans to put night lights in the parking lot and have security patrol.

Mr. Bailey said he needs the flexibility at the Manor the same as other hotels and motels in the area. When questioned by Councilwoman Price about his feelings toward the establishment of the Historical Overlay Zone, Mr. Bailey said he did not fully understand the details of the special zone.

- C. Resolution No. 80-221 - Resolution authorizing the Mayor to accept a twenty foot water line easement for the installation and maintenance of a twenty-four inch water line along Craven Street (formerly Spring Street) and Hazel Mill (formerly Craven Street) from the Board of Education of Buncombe County, North Carolina, where this easement encroaches on the Board of Education property.

HIGHLIGHTS: This easement agreement with the Board of Education is for a water line to be constructed across the French Broad River. This is needed for the installation and maintenance of a twenty-four inch water line to increase our capacity to deliver water to West Asheville.

Resolution Book No. 12 - page 255

- D. Resolution No. 80-222 - Resolution authorizing the Mayor to execute a right-of-way agreement with J. W. Stewart of Asheville, North Carolina, concerning an easement for the construction of a water line on Smith Bridge.

HIGHLIGHTS: This encroachment agreement with Mr. J. W. Stewart of Asheville, N. C. is for the construction of a 24-inch main under Smith Bridge.

Resolution Book No. 12 page 256

- E. Resolution No. 80-223 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line on Sardis Road.

HIGHLIGHTS: This encroachment agreement with the North Carolina Department of Transportation is for a water line to be constructed on Sardis Road. This is for domestic use and is being built to the City's specifications.

Resolution Book No. 12 Page 257

- F. Resolution No. 80-224 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with Carolina Power and Light Company for the installation of a power line to a radio transmitter at North Fork Reservoir.

HIGHLIGHTS: This encroachment agreement for the Carolina Power and Light Company is for the purpose of installing a power line to a radio transmitter at North Fork Reservoir.

Resolution Book No. 12 Page 258

STATUS REPORT ON BALSAM AVENUE CUL-DE-SAC

7. The City Manager said in the 1979 rezoning of property adjacent to Balsam Avenue it was proposed by the petitioner that land would be made available for a cul-de-sac. He said a deed of easement and abandonment of right-of-way was delivered to the City Attorney's office today, December 11, 1980 for the purpose of making the land available. He said the document would be reviewed and the matter brought back before Council for consideration. He said the City has been waiting on the document for a long time.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager noted that the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Scheduling of a public hearing relative to rezoning property at the corner of Hazel Mill Road and Hansel Street for Mr. Dickie Plemmons for January 8, 1981.

HIGHLIGHTS: The Planning and Zoning Commission at a meeting held December 3, 1980 considered the petition of Mr. Dickie Plemmons that Ward 6, Sheet 16, Lot 321 be rezoned from R-3 Medium Density Residential District to CH Commercial Highway District. After discussing the issues of this request, the Commission voted to accept the Staff Report and recommend to City Council that the property be rezoned as petitioned.

- B. Resolution No. 80-220 - Resolution approving revised agreement between the North Carolina Department of Transportation and City of Asheville in connection with disbursement and accounting of planning funds of Section 112 of the Federal-Aid Highway Act of 1973.

HIGHLIGHTS: Due to some minor procedural revisions adopted by the State, it has become necessary to re-execute the 1976 agreement between the North Carolina Department of Transportation and City of Asheville in connection with disbursement and accounting of planning funds of Section 112 of the Federal-Aid Highway Act of 1973. These funds are used to carry out the City's street and highway planning program for the urban area.

Resolution Book No. 12 - page 253-254

RESOLUTION NO. 80-228 - RESOLUTION AUTHORIZING SALE OF 1977 GARBAGE TRUCK

Consideration was given to a resolution authorizing the sale of a 1977 garbage truck to the Town of Morehead City for \$15,000. The truck is a surplus 1977 Ford 8000 Front End Loader Garbage Truck.

The City Manager read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Cole, Resolution No. 80-228 was unanimously adopted.

Complete text of Resolution No. 80-228 will be found in Resolution Book No. 12 at page 262.

RALPH BISHOP - COMMENTS RELATIVE TO REDRESS OF COUNCIL

Mr. Ralph Bishop spoke to Council relative to his right to seek redress from the Council.

ADJOURNMENT

Upon motion of Councilwoman Price, seconded by Councilman Cole, the meeting adjourned at 6:00 p. m.

Raymond J. Starnes
MAYOR

William J. Stalsett
CITY CLERK

- G. Resolution No. 80-225 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for sidewalk improvements on Eagle Street.

HIGHLIGHTS: This encroachment agreement with the North Carolina Department of Transportation is for improving sidewalks on Eagle Street. This is for the new contract on Eagle Street Improvements.

Resolution Book No. 12 Page 259

- H. Resolution No. 80-226 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line on Meadow Road.

HIGHLIGHTS: This encroachment agreement with the North Carolina Department of Transportation is for an 8' water line to be constructed on Meadow Road. This is for domestic use and is being built to the City's specifications.

Resolution Book No. 12 Page 260

- I. Resolution No. 80-227 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a 12" water line to be constructed on Beaverdam Road. This is for domestic use and is being built to City's specifications.

HIGHLIGHTS: This encroachment agreement with the North Carolina Department of Transportation is for a 12" water line to be constructed on Beaverdam Road. This is for domestic use and is being built to City's specifications.

Resolution Book No. 12 Page 261

Upon motion of Councilwoman Price, seconded by Councilman Boland, the consent agenda was unanimously approved.

CLAIMS - UNITED PARCEL SERVICE - MRS. W. C. WALSH - IVERY WHITE - MOULTRIE LOVE

The City Manager presented claims received from United Parcel Service, Mrs. W. C. Walsh, Ivery White, and Moultrie Love.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

- 4) The nonstandard lighting fixtures be maintained by the developer (utility and maintenance costs);
- 5) Requirements of Erosion Control Ordinance; and
- 6) Provision of 11 additional parking spaces.

Further, the Commission recommended approval subject to the staff's recommendation for improving the intersection of Old Haw Creek and Middlebrook Roads be implemented immediately and prior to construction of the group development and that the private right-of-way be resolved along the lines satisfactory to both parties. He said these issues are very important to the developers as well as the community.

Mr. Emrick said the Public Works Director investigated the needs for improvement to the intersections, which would be the principal access to the proposed project, and estimated the total cost of the improvements to be \$20,500.

He said a traffic study, requested by the Planning and Zoning Commission, revealed that Waters Road, being the principal access road to the project, had a count of 1800 - 2000 per day and Cisco Road had a count of 3,400 cars per day.

Mr. Emrick said most of the conditions outlined by the Planning and Zoning Commission had been met or are in the process of being complied with.

Upon inquiry of Mayor Trantham, Mr. Emrick said the project construction cost would be 3-5 million.

Councilwoman Price noted that the street improvements have been needed for a long time.

Douglas Beach, Project Director for the developer, explained the details of the project. He said it would be 2-1/2 story buildings with 8 to 10 units per building, specific units being for handicapped, moderately income units with no rent subsidies. He said they anticipated a construction time period of 18 months.

The City Manager noted that no budget appropriation had been made for the road improvements. He said this should be worked out with the developer prior to the approval of the project.

(Note: At this time Council proceeded with other items on the agenda in order to give Mr. Beach an opportunity to contact the developer to determine if the developer would pay for the cost of the road improvements.)

Later during the meeting Mr. Beach requested that Council continue the public hearing until the road improvement costs could be worked out with the City and the developer.

Councilman Cole moved to continue the public hearing until January 8, 1981 without further advertisement. This motion was seconded by Councilman Wilkes and carried unanimously.

Thursday - December 18, 1980 - 4:00 p. m.
Asheville Civic Center - Banquet Room

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, F. Jack Cole, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Acting City Clerk Carol Hensley.

Absent: Councilman Walter R. Boland (sick)
Associate City Manager/City Clerk William F. Wolcott, Jr. (sick)

INVOCATION

The invocation was given by Vice-Mayor Ralph D. Morris, Jr.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the December 11, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the December 11, 1980 meeting were approved as submitted.

PUBLIC HEARING - GROUP DEVELOPMENT - CINNAMON RIDGE APARTMENT COMPLEX - HAW CREEK ROAD

2. A public hearing was held relative to the site plan of the proposed Cinnamon Ridge Apartment Complex to be located on Old Haw Creek Road.

Mayor Trantham opened the public hearing at 4:16 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Trantham said the ground rules for conducting the public hearing will be that a main spokesman both for the opponents and proponents will be allotted a time limit of ten (10) minutes each. All others who wish to address the Council will be allotted a time limit of three (3) minutes each. Those wishing to speak against the issue will be called on first then those wishing to speak for the issue will be called on. He asked that the speakers not repeat what someone else has already said.

Verl Emrick, Planning Director, said the Planning and Zoning Commission reviewed the site plan of the proposed Cinnamon Ridge Apartment Complex on November 5, 1980. He said after review and discussion of the plan the Commission recommended approval of the project to City Council, subject to the following conditions:

- 1) Engineering plan showing Cinnamon Ridge water line connection to City's water line (16") are provided to the Water Department;
- 2) Approval of water connection by Department of Human Resources;
- 3) If main street is dedicated to the City, that the ~~crushed~~ stone base be 10 inches; the curb, curb and gutter, sidewalk, storm drain structure and any other concrete structure be 4000 PSI concrete;

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Mr. Emrick reminded Council that the "20% rule" still applied on this rezoning, requiring six (6) affirmative votes, due to the protest petitioned filed by adjacent property owners.

On a roll call vote of 6-0, Ordinance No. 1198 passed on second reading.

ORDINANCE NO. 1195 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Establishing Article 12 of the Zoning Ordinance, the Montford Historic District.)

5. Consideration was given to the third and final reading of Ordinance No. 1195, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, establishing Article 12 of the Zoning Ordinance, the Montford Historic District.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

Councilman Wilkes, in clarifying a negative vote, said he still had several concerns about the ordinance. He said he was concerned about the transition period, economic displacement of residents in the area, the large area involved and the economic hardship that the ordinance would place on some of the residents.

Mayor Trantham commented that the Montford area is a Historical area and in his opinion this ordinance would not require any property owner to do anything beyond the normal code requirements. He said the ordinance would not require displacement of any resident. He said the ordinance is intended to establish guidelines to keep the area in the historical state.

Councilman Brownlee said he agreed with the concerns expressed by Councilman Wilkes. He said he is in favor of keeping the area historical and keeping the older homes, however, he felt the area covers too much territory. He said he felt the ordinance would place a hardship on some of the lower income residents in the area.

Councilwoman Price and Councilman Cole strongly supported the adoption of the ordinance, stating that the ordinance would stabilize the area.

Vice-Mayor Morris noted that an extra effort was put forth by the Planning Department staff to notify all the property owners in the affected area and that at no time during the discussions of the ordinance had anyone objected to the adoption of the ordinance. He said in his opinion the ordinance will not cause any displacement of residents.

Bruce Roberts of 315 Pearson Drive and President-Elect of the Montford Community Club and Historic Montford Inc., supported the adoption of the ordinance stating that it would improve the properties as well as the property values. He said the ordinance will not require the property owners to do anything and will not cause displacements. He said the purpose of the ordinance is to keep the architectural style of the historical area.

Tom Duvall, an area resident, questioned whether or not a decision had been made on the "land-locking" or denying a right-of-access of three property owners if the project is constructed. He said he had a petition with about 700 signatures opposing the project which would be presented to Council on January 8, 1981.

Upon inquiry of Ted Scroggs, of the Dutch Boy, Vice-Mayor Morris stated that the Cinnamon Ridge Apartment Complex would not cost the taxpayers of the City anything.

Mr. Emrick also told Mr. Scroggs that the project is not a federally subsidized project.

Mr. Beach informed Council that he had contacted the property owners referred to by Mr. Duvall and said he would present, at the January 8, 1981 meeting, a letter signed by the affected property owners, agreeing to the proposals relative to the right-of-access problems.

Dr. Reginald Teague, Route 6, Weaverville, North Carolina, principal of Haw Creek School read a letter to members of Council dated in 1974 from Verl Emrick, Planning Director to former Mayor Richard Wood. The letter referred to road improvements needed in the Haw Creek area due to anticipated developments. He said the developments have since been completed but nothing has been done about the road improvements. He said he is responsible for the school buses in the area and the roads are too narrow to allow passing of school buses. He said he would like to see some specific recommendations and proposals from Council take place relative to the road improvements.

At the request of Mayor Trantham, Dr. Teague said he would mail the Mayor a copy of the letter he referred to.

Mrs. M. C. Walsh of 168 Old Haw Creek Road said she owns property adjacent to Middlebrook Road and she would not be willing to donate any of her property for the widening of Middlebrook Road.

Upon inquiry of several property owners in Haw Creek, Mayor Trantham said everyone who wished to speak relative to the proposed Cinnamon Ridge Apartment Complex would be given that opportunity at the January 8, 1981 public hearing.

ORDINANCE NO. 1197 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property located at 171 Hillside Street)

3. Consideration was given to the second reading of Ordinance No. 1197, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning property located at 171 Hillside Street.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1197 passed on second reading.

ORDINANCE NO. 1198 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning the Emma Air Park Property)

4. Consideration was given to the second reading of Ordinance No. 1198, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning the Emma Air Park property.

Pursuant to your request made at our meeting on December 12, 1980, I have conferred with my client, the owner of the Manor Inn properties, with regard to what he would agree to do by way of compromise on an interim basis pending the development of a historic zone, to which zone the Manor Inn properties may later be reclassified.

Pending the development of a historic zone and in consideration of the City Council not at this time rezoning the Manor Inn properties from their present Office Institutional designation to R-2 and R-3 zones, my client promises as follows:

1. That he will not conduct any business enterprise on the Manor Inn properties past 12:00 o'clock p. m. on any night except for the rental of rooms and standard hotel operations.
2. That he will not attempt to open any discotheque.
3. That he will not attempt to open any filling station on the Manor Inn properties.
4. That he will install at his own expense night lights on the adjoining parking lot, and also at his own expense, institute a security patrol during the night-time hours.
5. That he will assist and cooperate with any efforts made to widen Cherokee Road as it passes the Manor Inn properties.
6. That he will assist and cooperate in any efforts made to set back power poles from close proximity with the traveled portions of the roadways adjoining the Manor Inn properties.
7. That he will assist and cooperate in any efforts made to secure a traffic signal at the corner of Charlotte Street and Edwin Place.
8. That he will either not sell the Manor Inn properties pending the development of a historic zone, or if he does contract for the sale of said properties, that he will require that the above covenants and agreements be made a part of any sales contract, and that any proposed purchaser would be bound by them.

Verl, I hope that these efforts by Mr. Bailey to compromise in this difficult situation will be given the consideration which they deserve by yourself and City Council, and that City Council will see fit to forego any present change in the Manor Inn properties' Office Institutional classification pending the development of the historic zone, as discussed. As you know, we will be more than willing to dedicate whatever efforts and energies that may be necessary to assist in the development of the historic zone so as to protect the interests of the local residents and also to assure the Manor Inn's continued economic viability.

Please contact me as soon as you have had a chance to discuss this offer with City Council, and in all events, please let me know Council's attitude toward this offer well in advance of the proposed third reading of the amendment in question, which is presently set for December 18, 1980.

With kindest personal regards, I remain.

Very truly yours,

ELMORE & POWELL, P. A.

/s/ John

John A. Powell

/smb

Upon inquiry of Councilman Brownlee, Mr. Emrick said his office staff hand delivered, on a door-to-door basis, over 400 copies of the proposed ordinance to the affected property owners. He said the ordinance is intended to maintain the integrity of the area. He said he felt the ordinance would be a reinvestment incentive.

Donna Hogan of 89 Cumberland Avenue spoke in support of the ordinance stating that it is designed to guide property owners to keep the architectural style of the area. She said it is also an effort to discourage demolition of the historical structures.

On a roll call vote of 4-2, Ordinance No. 1195 passed on third and final reading with Councilman Wilkes and Councilman Brownlee voting "no."

Complete text of Ordinance No. 1195 will be found in Ordinance Book No. 9 at page 178.

ORDINANCE NO. 1196 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Ward 2, Sheet 15, Lot 98 from OI to R-2) (Ward 2, Sheet 15, Lot 100, from OI to R-3) - Manor Property

6. Consideration was given to the third and final reading of Ordinance No. 1196, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended. (Ward 2, Sheet 15, Lot 98 from OI to R-2) (Ward 2, Sheet 15, Lot 100, from OI to R-3) - Manor property.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read unless there was a specific request to do so.

Verl Emrick, Planning Director, said during the second reading of the ordinance Council asked that two issues be investigated before the third reading of the ordinance. He said Council asked whether or not the Council and the property owners, Del Rio, Inc., could come to some agreement with a legal document that would impose "self-imposed" conditions upon the property owner in return for which the Council would not consider the third reading of the ordinance, or not rezone the property to R-2 and R-3 Residential District. He said he met with Mr. Powell and Mr. Bailey on two occasions during the past week. He said he received the following letter from Mr. Powell:

December 15, 1980

Mr. Verl R. Emrick, Jr.
Planning Director
City of Asheville
Planning and Zoning Commission
Post Office Box 7148
Asheville, North Carolina 28807

Re: Manor Inn Properties

Dear Verl:

Mr. Emrick said an overlay zone can be created, such as the Montford Historic District, which would not be connected to the Zoning Ordinance. He said Council has general zoning authority, under N.C.G.S. 160A-382, to divide all the land in the City into whatever zone they deem necessary to accomplish certain public good. He said based on those two sets of statutes, Council has ample opportunity to address Historical Zoning situations in one of two ways. He said either situation could apply in the Manor rezoning issue. He said at this point, it would be his recommendation, due to the relatively small number of structures that would be affected by an overlay zone, to use the overlay zone. He said a majority of the structures are found in residential areas and if they were in Commercial areas there would be no advantages to the overlay zone. He said Council could create an entirely new use district for historical zones and could establish the allowable uses in the new zone. He said Council could set up Conditional Uses under the new district and word the language whereby Council would have the authority to approve or disapprove a use in the new district. He said the new district could be entitled "Historical Zone" and properties would be rezoned through the normal rezoning process. He said specific conditions could be established for each allowable use. He said if Council chose to go with the overlay zone for the existing zoning districts, specific threshold criteria could be set for a particular piece of property to meet before Council would consider the imposition of the overlay zone for that property. He said for an example it would have to be on the National Register of Historical Places. He said Council could also establish certain uses in an overlay zone. He said most of the structures that would be involved in an overlay zone are large structures. He said Council could set what criteria was needed in order to allow the adaptive uses of a certain piece of property to keep the structure operational as well as protecting the integrity of the residential property surrounding the structure. He said his staff is in the process of preparing an ordinance for Council's consideration establishing such an overlay zone.

Vice-Mayor Morris said since the property owner has shown willingness to cooperate he would hope the Planning Staff would make every effort to proceed immediately to get the Historical Overlay Zone brought before Council so as not to inconvenience the property owner no longer than necessary.

Mr. Emrick indicated that his staff has already prepared a preliminary draft for an ordinance creating a Historical Overlay Zone.

Upon inquiry of Mayor Trantham, Mr. Emrick said in his opinion the property in question would need to be zoned residential before applying an overlay zone, taking into consideration the small number of structures to be involved.

Upon inquiry of Councilman Wilkes, Mr. Emrick said an overlay zone would have to be established by the same procedure as an ordinary zoning amendment.

Mr. Emrick said he also received the following letters during the past week:

October 31, 1980

Planning and Zoning
City of Asheville
Asheville, N. C.

Dear Sir:

He said after he and the Corporation Counsel reviewed Mr. Powell's letter, the following memorandum was given to the City Manager:

MEMORANDUM

TO: Ken Michalove, City Manager

FROM: Verl R. Emrick, Jr., Planning Director
and
William Moore, City Attorney

SUBJECT: The Manor Rezoning

DATE: December 18, 1980

Verl and I have been asked to answer a question as to whether or not the City can enter into an agreement whereby the City Council would under certain conditions specified by the owner of The Manor Inn not change the existing zoning which is OI Office-Institutional for The Manor Inn.

It is our opinion that based on the case of Allred vs. Raleigh, 277 N. C. 530. 178 S. E. 2d 432 (1971), which states in part that a municipal corporation may not bargain away its legislative authority to zone property under the statutes of the State of North Carolina that any attempted agreement between the City Council and Del Rio, Inc. would amount to contract zoning and would, therefore, be a violation of the North Carolina law.

Therefore, we would recommend that City Council not consider any action of this nature.

Finally, this opinion is also supported by Blade vs. City of Raleigh, 280 N. C. 531, 549, 187 S. E. 2d, 35, 45 (1972).

Respectfully,

/s/ Verl R. Emrick, Jr.
Verl R. Emrick, Jr.

/s/ William C. Moore
William Moore

VREJR/WM/nr
Enclosure

Upon inquiry of Mayor Trantham relative to establishing a Historical Overlay Zone for this area, Mr. Emrick said under the North Carolina law there are certain provisions dealing with historic districts and properties, in N.C.G.S. 160A-395. He said several of the provisions provide for certain types of districts that can be established by Council. He said Council has the authority to create separate zones or overlay zones and make them a part of the Zoning Ordinance to protect historic properties.

December 18, 1980

Mr. William F. Wolcott, Jr.
City Clerk
The City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Sirs:

Del Rio, Inc. hereby continues its prior request for a protest vote pursuant to the provisions of Section 30-11-3 of the Asheville City Zoning Ordinance with regard to the proposed amendment for the rezoning of the Manor Inn Properties.

Sincerely,

DEL RIO, INC.

/s/ R. L. Bailey

R. L. Bailey
President and Sole Shareholder

Mr. Emrick said he and the Corporation Counsel are still of the opinion that, while it is true that the last time Council addressed this subject in 1978, there was a protest petition but no specific action was ever taken on that protest, that issue was resolved by the Court's consent judgement. He said this is an entirely separate ordinance and an entity by itself and both the State Statutes and the Zoning Ordinance indicate that in order for a protest to be valid that "160A-386 - no protest against any change in or amendment to a zoning ordinance or zoning map shall be valid or effective for the purposes of 365, which is the 20% rule, unless it is in the form of a written petition actually bearing signatures of the requisite number of property owners, stating that the assignees do protest the change or amendment and unless it should have been received by the City Clerk in sufficient time to allow the City at least two normal days, working days, excluding Sundays and legal holidays, before the date established for a public hearing on the proposed change or amendment to determine the sufficiency and accuracy of the petition. The City Council may, by ordinance, require that all protest petitions be on a form prescribed by City Council.

Mr. Emrick said in essence the statute says that prior to the public hearing, which was held on December 4, 1980, the City would have had to receive that protest two working days prior to, or December 2, 1980. He said no such petition was received by the City Clerk. He said Mr. Vic Buchanan, with Patla, Straus, Robinson and Moore, responded to a letter, issued by Mr. Powell, that the protest was in fact invalid for the purpose of this particular ordinance. He said the public hearing was closed and the first reading was held on December 4, 1980. He said this is the third and final reading of the ordinance and even though Council accepts comments, this is not "the public hearing."

In the past years R. L. Bailey, as owner of the Manor Inn, has allowed us to use the facilities of the Manor free of charge. It is our further understanding that Mr. Bailey has freely offered these same privileges to many of the local civic and fraternal organizations.

We now understand that there is a pending rezoning request which, if allowed, would severely restrict and limit the actual and potential use of the property. It is our feeling that this rezoning request is arbitrary and is the product of a special interest group.

It is important to note the fact that Grove Park Inn is zoned exactly the same as the Manor Inn. Although the Manor Inn has not been in a position to invest heavily in restoration and renovation, there is a year-round program of restoration and renovation at the Manor.

To rezone the Manor Inn and its related properties would pose a very real threat to the continuing operation of the Historic Manor Inn and to its ability to become a vigorous participant in the continued growth of Asheville.

Sincerely,

/s/ Board of Directors
Asheville Jaycees

October 31, 1980

Planning and Zoning
City of Asheville
Asheville, N.C.

Dear Sir:

We are in total support of the Jaycees' position on the proposed rezoning of "The Manor". We do not feel that rezoning is in the best interests of the manor, the community or the city of Asheville, and urge the Planning and Zoning Board and City Council Members to take a realistic and cautious approach to this serious proposal.

Yours truly,

/s/ Linda Manley, President

The Jaycettes of Asheville

Mr. Emrick said he also received a copy of the following letter:

Councilman Wilkes told Mr. Bailey it is his understanding that in order for the property to become an overlay zone it would have to revert to residential temporarily.

At the request of Vice-Mayor Morris, Mr. Emrick again explained the difference in a Historical Zone and a Historical Overlay Zone.

Mayor Trantham said the overlay zone would give Council control over what went into a residential section.

Upon inquiry of Councilman Brownlee, Mr. Bailey said he had lights installed in his parking area and he let the church across the street use his parking lot during services.

Referring to a question asked Mayor Trantham by Mr. Bailey as to whether this meeting was a public hearing on the proposed ordinance, as it is open to the public for comment, the City Manager noted that in order to clarify the statement, he would like for the record to state that the public hearing on the proposed ordinance was held on December 4, 1980 and the public hearing was closed on that date. He said Council, at this meeting, is considering the third and final reading of the proposed ordinance and this is not "the public hearing" even though it is open for public comment.

The Corporation Counsel agreed with the City Manager that this is not "the public hearing."

Peter Gatling of 241 Old Toll Road, spoke in favor of the rezoning to R-2 and R-3 Residential zoning.

John Powell, attorney for R. L. Bailey, said in his opinion there was a major difference in a Historical Zone and an Overlay Zone and that is that with the Overlay Zone, every time Mr. Bailey, the owner of the Manor, wants to make any change whatsoever in the use of the property, the Board of Adjustment or the City Council will have to hear heated debate over any change regardless of what it is and it's going to be before Council each and every time. He said with a Historic Zone, the professional planners along with members of the Council and interested citizens would have the opportunity to draft a list of allowable uses which would give everyone a fair presentation as to what could or should be allowable on that property and not require that each and every time there is a proposed change it would be in front of Council. He said the Overlay Zone would cause delays on business transactions. He said he felt it would be more fair to the owner of the Manor and the residents in the area to go with a Historical zone.

Ralph Bishop spoke in opposition to the rezoning of the Manor stating that this would deprive the owner of his constitutional right.

Dr. Alan Kreuger, 21 Oak Lane, said he represented over 175 petitioners in favor of the residential zoning and the Grove Park Sunset Citizens Association. He spoke in support of the rezoning of the property of the Manor to R-2 and R-3 Residential. He said he felt the Historical Zone would be fair to the Manor as well as the residents in the area.

Russ Martin, from the Grove Park area, spoke in support of the rezoning of the Manor to R-2 and R-3 Residential District.

Mr. Emrick read the following letter received from Mr. Powell:

December 16, 1980

Mr. Verl Emrick, Jr.
Planning Director
The City of Asheville
Planning and Zoning
Post Office Box 7148
Asheville, North Carolina

Re: The Manor Inn Properties

Dear Verl:

The question has arisen as to the ownership of the above-referenced properties. By this letter, I wish to inform you that Del Rio, Inc., a North Carolina corporation, is the record title holder to the property, and my client, Mr. R. L. Bailey, owns 100% of the capital stock of Del Rio, Inc.

If you have any further questions, please do not hesitate to contact me.

With kindest personal regards, I remain

Very truly yours,

ELMORE & POWELL, P.A.

/s/ John

John A. Powell
/smb

Mr. R. L. Bailey, owner of the Manor Inn property said he was receptive to any new zoning that would permit the same use as any other hotel in the respective area. He said to restrict one person's property, when they have to compete with other hotels and other businesses, and deny them the right to operate, is unfair and not right.

Upon inquiry of Mr. Bailey as to whether this is a public hearing, open to the public, Mayor Trantham responded that Council is considering the third and final reading of the proposed ordinance.

Councilwoman Price responded that this is not "the public hearing."

Mr. Bailey said he would favor a Historical Zoning rather than an Overlay Zone.

Vice-Mayor Morris moved to approve the sign permit for the Wright-Dobbins-Farnam Insurance Company at 42 Orchard Street. This motion was seconded by Councilman Cole and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

9. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-229 - Resolution authorizing the Mayor to accept a Deed of Easement and Abandonment of Right-of-Way for the Balsam Avenue cul-de-sac.

HIGHLIGHTS: In the 1979 rezoning of property adjacent to Balsam Avenue it was proposed by the petitioner, Mr. R. L. Coleman, that land would be made available for a cul-de-sac on Balsam Avenue. This will authorize the Mayor to accept the land needed for the cul-de-sac.

Resolution Book No. 12 - page 263

- B. Resolution No. 80-230 - Resolution authorizing the Mayor to enter into a contract with the North Carolina Department of Transportation in support of Project 81-P-01.

HIGHLIGHTS: The Planning Department of the City of Asheville has requested the North Carolina Department of Transportation to provide Fifty Percent (50%) of the non-Federal cost of implementing specific items of the 1980-81 Asheville Urban Area Unified Work Program, UMTA Grant Number NC-09-0062 at a total cost of Twenty-Six Thousand Eight Hundred and Seventy-Five Dollars (\$26,875) of which the non-Federal cost amount to Five Thousand Three Hundred and Seventy-Five Dollars (\$5,375). This is an annual grant received from the N. C. DOT for a technical studies grant.

Resolution Book No. 12 - page 264

- C. Resolution No. 80-231 - Resolution authorizing the Country Club of Asheville to encroach upon the right-of-way of Edgelawn Road, Fairway Road and Dover Road.

HIGHLIGHTS: The Country Club of Asheville has requested permission to encroach upon the fifty foot (50') right-of-way of Edgelawn Road, Fairway Road, and Dover Road, for the purpose of placing wooden deterrent posts to prevent vehicles from entering the Golf Course and causing damage to the fairways and property of the Country Club of Asheville, Inc. This request has been investigated by the Director of Public Works and, in his opinion, would not hinder the safe flow of traffic or pedestrian movement along the above-mentioned streets.

Resolution Book No. 12 - page 265-266

Mac Day, President of the Grove Park Sunset Citizens Association, said the residents have experienced frustrations by fighting this issue in various forms in the past five (5) years and would like the issue brought to a close. He said when the Historic Overlay zone as opposed to the new district zoning comes up and is proposed the Association will support the Historic Overlay Concept if it is properly and tightly drafted. He said real control is needed over the activity going on in the Manor. He said the Association would like to give input to the Historical Overlay Zone. He said the Overlay Zone would be a reasonable alternative. He said he felt the Manor Inn is unique and is not like a true commercial hotel. He said the Manor is not a commercial hotel, it is a residential entity within an area wholly residential in character.

Wayne Montgomery of 55 Sunset Parkway spoke in support of the R-2 and R-3 Zoning with a Historical Overlay Zone.

On a roll call vote of 5-1, Ordinance No. 1196 passed on third and final reading, with Councilman Brownlee voting "no."

Complete text of Ordinance No. 1196 will be found in Ordinance Book No. 9 at page 195.

Councilwoman Price was excused from the meeting at 6:05 p. m.

COUNCIL RECESS

Mayor Trantham called for a recess of Council for ten (10) minutes.

Council reconvened at 6:15 p. m.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING BUDGET - FISCAL YEAR 1980-81 EVALUATION OF THE CHESTNUT STREET VIADUCT

7. Consideration was given to a budget amendment amending the City of Asheville Annual Operating Budget for Fiscal Year 1980-81.

The City Manager presented the budget amendment in the amount of \$3,900 to appropriate funds to the Street Division budget to pay for evaluation of the Chestnut Street viaduct by Talbert, Cox and Associates, Inc., consulting engineers.

Councilman Wilkes moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Vice-Mayor Morris and carried unanimously.

SIGN PERMIT - WRIGHT-DOBBINS-FARNAM INSURANCE COMPANY - 42 ORCHARD STREET

8. Consideration was given to a sign permit for Wright-Dobbins-Farnam Insurance Company for a wall sign at 42 Orchard Street.

J. E. Johnson, Director of Inspections, said the Wright-Dobbins-Farnam Insurance Company has requested the approval of a sign permit to install a wall sign on an existing building at 42 Orchard Street. He said the sign will be within 600' of a limited access highway which requires the approval of Council. He said the sign would be 5' x 6" and would advertise the Wright-Dobbins-Farnam Insurance Company.

It indicates that the Strouse-Greenberg Company will submit to the City a list of items which they expect the City to be responsible for if the project takes place.

It indicates there will be discussions between the City and Strouse-Greenberg before these things are finalized and put into a basic agreement.

It also requires that there be addressed such mechanisms as performance bonds, escalation clauses to protect the City and hold it harmless from liability for completion of the project in the event inflationary pressures or other causes beyond the control of the parties should take place.

It indicates how Strouse-Greenberg will work to obtain the commitments that they need.

It works toward a mid-81 application submission time, sometime around April 1.

It gives the option to both the City and Strouse-Greenberg at any point and time during this agreement period to decide to step out of the project.

It indicates that the City will work with Strouse-Greenberg on the UDAG application.

It indicates that the City will seek consultant advice as far as financial impact to the City, both in terms of loss of dollars and increase in dollars either from tax sources or other sources.

It indicates that the City will appoint a liaison person prior to December 31, 1980.

It indicates that the City will investigate the arrangements necessary for a non-profit corporation to deal with the financing of the proposed parking garage and other appropriate public improvements.

It indicates that the City will seek out a variety of federal grants and it will work towards a schedule of April 1, 1981.

The City Manager said this document has been reviewed by the City Attorneys and if agreed to in this form, it is a legal document that could be entered into. He said it would hold the City in a good legal position, if Council decides to go ahead with the agreement. He said even if the Council proceeds with the Memorandum of Understanding, it does not prohibit the other projects proposed for development with UDAG funding from continuing the development of their applications.

RESOLUTION NO. 80-232 - RESOLUTION OF INTENT TO CLOSE A PORTION OF ASHELAND AVENUE AND CALLING A PUBLIC HEARING ON THE QUESTION

Consideration was given to a resolution of intent to close a portion of Asheland Avenue and calling a public hearing on the question for January 22, 1981.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Vice-Mayor Morris, Resolution No. 80-232 was unanimously adopted.

Complete text of Resolution No. 80-232 will be found in Resolution Book No. 12 at page 267.

Upon motion of Councilman Brownlee, seconded by Councilman Wilkes, the consent agenda was unanimously approved.

STROUSE-GREENBERG COMPANY PROJECT - DOWNTOWN COMMERCIAL COMPLEX - SPECIAL MEETING SCHEDULED FOR DECEMBER 22, 1980

The City Manager said Council has reviewed a matter dealing with a Memorandum of Understanding. He said it was the consensus of Council to consider scheduling a special Council meeting on Monday, December 22, 1980 at 3:00 p. m. He said the following would be the agenda for that special meeting:

- 1) Consideration of a resolution to enter into an agreement, . . . a Memorandum of Understanding, between the City of Asheville and the Strouse-Greenberg and Company with respect to the development of the proposed Asheville Downtown Commercial Complex.
- 2) Consideration of a resolution authorizing the Housing Authority to proceed with studies to complete a redevelopment plan as required by State law - prepare plans, appraisals and relocation estimates and other materials necessary to acquire the proposed site and to develop relocation plans for businesses in the area and other matters associated with that contractual agreement.
- 3) Consideration of a budget amendment that if Council considers the other two resolutions, to appropriate the funds to carry out the work in the two resolutions.
- 4) A motion that would authorize the City Manager to be the City's liaison between the City and Strouse-Greenberg Company regarding the negotiations that are detailed in the Memorandum of Understanding.

Councilman Cole moved to schedule a special Council meeting for Monday, December 22, 1980 at 3:00 p. m. at the Asheville Civic Center for the express purpose outlined above by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

The City Manager said because the Memorandum of Understanding is still in draft form it would not be made available to the public at this time. He highlighted the Memorandum of Understanding. He said it addresses what is being considered by square footage, facilities, location and parking.

It describes that the City intends to contract with the Housing Authority for a redevelopment and relocation plan.

It indicates the responsibilities of the City and Strouse-Greenberg and Company, generally being the preparation of the UDAG Grant application, the contracting for consultants dealing with Environmental Impact, Historic Preservation, as well as other kinds of consultant services.

It indicates the limits of the City's obligation in terms of dollars and Strouse-Greenberg as far as cost associated with consultant services.

It involves the City in the selection of consultants and consultation with Strouse-Greenberg for consultant services.

Monday - December 22, 1980 - 3:00 p. m.
Asheville Civic Center - Banquet Room

Special Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, F. Jack Cole and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter R. Boland (sick)

INVOCATION

The invocation was given by Councilman Harold F. Brownlee.

PURPOSE OF SPECIAL MEETING

Mayor Trantham said the purpose of this special Council meeting is to consider entering into an agreement with Strouse-Greenberg and Company and determine the feasibility of Asheville Downtown Commercial Complex project. To establish specific responsibility on the part of the City and Strouse-Greenberg as it pertains to preparing a UDAG grant application. To take other steps necessary to fulfill the Council's conditions for approval of the projects concept as stated by Council July 24, 1980. Whether or not the City will consider entering into Memorandums of Understanding with other developers for UDAG grants will be a decision that must come before the entire Council. This particular agreement is being considered as well as reviewed by the City Attorneys. Also this does not prohibit developers who have submitted requests for UDAG funding from proceeding with the development of their applications.

RESOLUTION NO. 80-233 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN A MEMORANDUM OF UNDERSTANDING WITH STROUSE-GREENBERG COMPANY

1. Consideration was given to a resolution authorizing the City Manager to sign a Memorandum of Understanding with Strouse-Greenberg Company.

The City Manager said the City Council issued, at the July 24, 1980 meeting a statement indicating the Council approval of the concept of the downtown shopping center provided the following conditions are met:

1. That a favorable relocation plan is implemented for existing businesses and residences.
2. That the area meets the criteria of the N. C. General Statutes for redevelopment of blighted areas.
3. That there is no financial liability whatsoever to the City other than the normal costs of City service delivery to any business or residence.
4. That the City approve the non-profit corporation.
5. That concrete approval from anchor stores is obtained.
6. That a federal grant application must be approved by the City Council.

BUDGET AMENDMENT - CITY OF ASHEVILLE 1980-81 ANNUAL OPERATING BUDGET -
FURNACE AT THE VALLEY STREET FACILITY

The City Manager presented a budget amendment in the amount of \$2,000 to appropriate money for the emergency replacement of the furnace at the Street Division's Valley Street facility.

Councilman Cole moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

CLAIMS - W. W. CARTER - GRACE HIGGINBOTHAM - DONNIE MEADE - TED LAWSON

The City Manager presented claims received from W. W. Carter, Grace Higginbotham, Donnie Meade, and Ted Lawson.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

At 6:50 p. m., Councilman Brownlee moved that the meeting be adjourned. This motion was seconded by Councilman Wilkes and carried unanimously.

MAYOR

CITY CLERK

DRAFT

- (b) In connection with the preparation and submission of said application Strouse, Greenberg agrees to retain independent consultants, with prior city consultation, to carry out such studies as may be recommended, including without limitation, an environmental impact statement (EIS) sufficient to meet all applicable federal requirements. Included in the EIS will be a special historic impact study, sufficient to respond to the federal "106" review procedures and requirements and to satisfy any requirements of the North Carolina Department of Archives and History, the state preservation officer and the applicable review agencies, boards and commissions associated therewith.
- (c) Strouse, Greenberg agrees to pay all of the costs associated with the above-stated obligations including the cost of independent consultants; provided, that Strouse, Greenberg shall not be obligated to pay hereunder fees for independent consultants in excess of one hundred thousand dollars (\$100,000) incurred after the date of this memorandum.
- (d) It is understood that the City will reimburse Strouse, Greenberg the lesser of 50% of the actual consulting fees or fifty thousand dollars (\$50,000) for any independent consultant expenses as specified in sub-paragraphs (a) and (b) above incurred after the date of this memorandum in the event that the City determines, after giving due consideration to the reasonable feasibility requirements of Strouse-Greenberg, not to go ahead with the project as a result of these feasibility studies and discussions.
- (e) Subject to prior written approval of the City, Strouse, Greenberg agrees to select such independent consultants

7. That rents/lease payments must be adequate to cover debt service.
8. That City Council approve final plans and specifications as to architectural design.
9. That the developer/non-profit corporation comply with all ordinances of the City and laws of the State of North Carolina.

The City Manager said this information was communicated to Joe Lowrance of the Strouse-Greenberg Company on July 24, 1980. He said since that time information has been gathered to try to comply with the Council's requests. He said today's special agenda items are intricately related to these nine requests of the Council. He said it seemed to him what Council is not here to consider today are the specifics of the project - a relocation plan - how many square feet there will be - what kind of services the City is going to provide - whether or not it is a good idea. He said that is a part of the whole idea of the agreement, or the Memorandum of Understanding. He said the City does not have enough information at this point in time to decide these things. He said the intent of the Memorandum of Understanding is to squarely set upon the shoulders of the City and Strouse-Greenberg Company the responsibilities gathering this information so that a decision can be made.

The City Manager then read the Memorandum of Understanding which is as follows:

The following memorandum of understanding expresses the commitments of the City of Asheville (hereinafter referred to as "the City") and Strouse, Greenberg and Company (hereinafter referred to as "Strouse, Greenberg") with respect to the development of the proposed Asheville Downtown Commercial Complex.

Strouse, Greenberg has proposed a downtown development program consisting of approximately 700,000 square feet of commercial space (including 4 department stores), a 300 room hotel and future office building. This plan is dependent upon assistance from the City of Asheville in the acquisition of the proposed site - located between Haywood, Broadway, College and Rankin Streets - and in the construction of a 3500 car parking garage.

At this time the City wishes to develop the feasibility of the project in more detail before proceeding to submit formal applications for federal funds. The City has already authorized the retention of a consultant to do a fiscal impact study of the proposed development. The City has further indicated that it will provide funds to the Asheville Housing Authority (AHA) to allow it to undertake the necessary studies to (1) complete a redevelopment plan as required by state law, (2) prepare plans, appraisals, relocation estimates and other materials necessary to acquire the proposed site and (3) develop relocation plans for businesses in the area. The following represents an agreement on the mutual responsibilities of Strouse, Greenberg and the City with respect to the development of further information about the project.

A. Responsibilities of Strouse, Greenberg

1. (a) Strouse, Greenberg shall prepare an Urban Development Action Grant (UDAG) application sufficient to meet the approval standards for funding of the U. S. Department of Housing and Urban Development (HUD).

DRAFT

on a schedule that would allow the City to determine whether or not to proceed with this project by April 1, 1981, after giving due consideration to the reasonable feasibility requirements of Strouse-Greenberg.

B. Responsibilities of the City

1. The City agrees to assist Strouse, Greenberg in the identification of consultant work to be done to complete an EIS, an historic impact analysis and a UDAG application. The City will make available existing data and will assign City staff or the staff of other public agencies to assist in this work. Pursuant to section A.1. (d) above, the City agrees to reimburse Strouse, Greenberg for the lesser of 50% of the actual independent consultant expenses, up to a limit of fifty thousand dollars (\$50,000) incurred after the date of this agreement, in carrying out the above-listed studies in the event that the City determines, after giving due consideration to the reasonable feasibility requirements of Strouse-Greenberg, not to go ahead with the project as a result of these feasibility studies and discussions.
2. The City agrees to have AHA undertake its work, referred to above, on the same time schedule as the consultant studies funded by Strouse, Greenberg.
3. The City agrees to have its fiscal impact consultant undertake its work on the same time schedule. Such work shall include a request to the Internal Revenue Service for a letter ruling on tax-exempt financing status of any proposed non-profit public corporation connected with the project.
4. The City agrees to appoint a person to act as formal liaison between the City and Strouse, Greenberg for the purposes of

DRAFT

and to develop a scope of services mutually acceptable to the City and Strouse, Greenberg. Strouse, Greenberg further agrees to have such independent consultants start work by January 31, 1981, and to perform work on a time schedule to be mutually determined by Strouse, Greenberg and the City. The consultants' work will be undertaken in a phased manner so as to minimize the cost thereof.

2. Strouse, Greenberg agrees to provide the City with a detailed listing of the responsibilities of Strouse, Greenberg and the responsibilities of the City regarding the full construction, financing and management aspects of the project. This listing will be provided by December 31, 1980, and will serve as the basis for a series of discussions between the City and Strouse, Greenberg to prepare a basic lease agreement between the City, the proposed non-profit corporation and Strouse, Greenberg. This list must address mechanisms such as a performance bond to protect the City and hold it harmless from liability for completion of the project in the event of inflationary pressures or other causes beyond the control of the parties.
3. Strouse, Greenberg agrees to work diligently to obtain commitments from department stores and a hotel management corporation suitable for inclusion and documentation in a UDAG application to be submitted in mid-1981.
4. Strouse, Greenberg agrees to participate with the City, other public agencies and commissions, and consultants retained by the City to further develop the financial implications of the project. Strouse, Greenberg further agrees to assist the City in other financial planning, including but not limited to efforts to obtain grants from federal and state sources.
5. Strouse, Greenberg agrees to undertake the above stated efforts

DRAFT

costs and expenses theretofore expended or firmly committed and not cancellable.

So long as Strouse, Greenberg adheres to the mutually agreed upon schedule, the City agrees not to negotiate with any other developer through April 1, 1981, for this proposed site except Strouse, Greenberg during this feasibility phase. The City also agrees that if the results of the study indicate a feasible project with which the City intends to proceed, the City will select Strouse, Greenberg as the developer of that project, so long as satisfactory agreements can be reached. Further, that the City will extend the reasonably full support of all pertinent city agencies and their staffs as well as cooperative efforts to coordinate with county, state and federal governments to achieve a timely and financially sound conclusion to the project's development, construction and operation. Notwithstanding anything to the contrary contained herein, no obligation of the City shall be in contravention of any applicable law or statute. Should any provision hereof so be in violation the remaining provisions hereof shall be severable.

Finally, Strouse, Greenberg understands that a substantial likelihood of litigation commenced by those opposing the project exists. The City shall not be responsible for any delay engendered by litigation and any prohibition of the City from joining in the project by a court of competent jurisdiction shall not be deemed as a determination by the City not to proceed with the project.

This agreement shall be effective on the date of the enabling resolution and shall remain in effect until April 2, 1981.

DRAFT

working out detailed agreements related to the project. The City agrees to appoint such a person before December 31, 1980, and to begin such discussions in early January, 1981.

5. The City agrees to investigate the necessary arrangements required to establish a non-profit corporation capable of issuing tax-exempt bonds for the purposes of financing the proposed parking garage and any other appropriate public improvements.
6. The City agrees to use its best efforts to identify federal or state grants to assist in the financing of the project from sources such as the HUD UDAG program, the Economic Development Agency (EDA) and others. In the event that the City determines it cannot obtain sufficient federal or state funds, the City will determine the maximum amount of such funds available for the project and will so advise Strouse, Greenberg so that Strouse, Greenberg can proceed with an alternate downtown development program. The City will also make every effort to identify grant sources for off-site costs for improvements to roads, utilities, etc. and prepare appropriate time schedule for such improvements.
7. The City will take all steps on a schedule designed to allow City Council to determine whether or not to proceed with the project by April 1, 1981.

In the event some contingency arises which in the opinion of either party, frustrates the possibility of the project and makes further expenditures of time and funds unwise, then either party may terminate its obligation to incur further expense under this memorandum of agreement by seven days written notice to the other party (by personal receipt or certified mail). Such termination shall not, however, affect the obligations of the parties as to

12/22/80

- (4) That the City approve the non-profit corporation.

"The agreement calls for the City to examine the non-profit corporation to have an IRS review of such a non-profit corporation and such a corporation would require the City to establish it in much the same way that the City established the health-care facility board about two years ago for another project."

- (5) That concrete approval from anchor stores is obtained.

"In the Memorandum of Understanding, item 3 on page 3, Strouse-Greenberg agrees to work diligently to obtain commitments from department stores and hotel/management corporations suitable for inclusion and documentation in an UDAG application to be submitted by mid-1981. That sounds rather simple on the surface but those of you that have had responsibility for preparing a UDAG application - you just can't come in and say we're going to get a hotel to put up a facility - you have to name the firm and supply very detailed information about the firm and its proposal and HUD will review that in a great detail to determine whether or not that particular hotel could do the work."

- (6) That a federal grant application must be approved by the City Council.

"We should be able to determine, in fact the agreement calls for this, that by April 1, 1981, we will know whether or not to pursue the federal grant. The federal grant application is required to be approved by the City Council in open meeting so when we get to that point all the information that we have pertinent to that UDAG application will be available for the Council and presented to the Council."

- (7) That rents/lease payments must be adequate to cover debt service.

"From the preliminary information that I have seen, this appears to be adequate, but again there is not sufficient detail, and I'm not a skilled enough person in finance to know all the ramifications of this kind of financing and this is why I had asked the Council to agree to hiring a consultant firm familiar with this kind of work and we are proceeding with that."

- (8) That City Council approve final plans and specifications as to architectural design.

"This is a requirement in the Council's Zoning Ordinance, that group development plans be submitted to the Council and this would proceed much the same way."

- (9) That the developer/non-profit corporation comply with all ordinances of the City and laws of the State of North Carolina.

"There is no problem in complying with those conditions."

The City Manager said the other items on the agenda also comply with the requests of this Memorandum of Understanding. He said a motion would be considered appointing the City Manager as the liaison between the City and Strouse-Greenberg. He said he would consider that to be a team effort involving himself, a representative of the finance consulting firm, an attorney and several of the City's staff members to deal on a day-to-day basis with the representatives of Strouse-Greenberg.

CITY OF ASHEVILLE

BY: _____

Referring back to the July 24, 1980 letter to Joe Lowrance of Strouse-Greenberg, the City Manager made the following comments relative to each condition as it related to the Memorandum of Understanding:

- (1) That a favorable relocation plan is implemented for existing businesses and residences.

"That is a very complicated and expensive requirement. If the Council approves the Memorandum of Understanding with Strouse-Greenberg there is also a resolution on today's agenda requesting the Housing Authority to proceed with these type plans. We have an estimate from the Housing Authority that this will cost \$112,000, the majority of that cost going to legal services and appraisal fees in that each parcel will have to be appraised twice, by independent appraisers, so that the other thing that runs this cost up is the compact time that we are dealing with in that these studies, the detail plan has to be completed by April 1, 1981. So that, is part of Council's consideration today." He said it has to be in this detail to be approved by HUD and in order to give the Council some idea of possibilities of relocation and the cost therein.

- (2) That the area meets the criteria of the N. C. General Statutes for redevelopment of blighted areas.

"This has been done. The Mayor has received a letter from Jesse Ray, Chairman of the Housing Authority, suggesting a resolution be considered by Council and that the Planning and Zoning Commission did certify the study area meets the blighted standards described in General Statutes 160A-503.10."

- (3) That there is no financial liability whatsoever to the City other than the normal costs of City service delivery to any business or residence.

"We can not determine those kinds of things unless we enter into this type of agreement and that again is one of the purposes of this agreement. To find out where water lines are going to go, who is going to pay for them, who is going to be responsible for maintenance of certain areas within the project area. This is the kind of detail we will be getting into in the list that will be shared amongst the representatives of Strouse-Greenberg and the City and that's the purpose of the Memorandum."

Norman Mello said he is the owner and manager of the Cori-Lee Manufacturing Company and employees about 25 people. He asked if he had to be relocated will the City pay the difference in his rent, if it increases. He asked if they would also pay for the moving and the loss of business during the moving period.

The City Manager responded that the agreement with the Housing Authority would address such issues.

Wayne Caldwell, representing Save Downtown Asheville, said no one has had the opportunity to review the Memorandum of Understanding. He requested that their attorneys be given an opportunity to study the Memorandum of Understanding and that Council not actually pass on this Memorandum of Understanding today but at the next meeting. He said a lot of money is being considered in the project and a lot of care taken on the project and he felt his request would not necessarily delay the project any more than it already has been.

Larry Hutton representing the Central Asheville Association said his Association is wholeheartedly in favor of the proposed downtown mall. He said economically the City is now looking at \$66,000 in tax revenues and in the future at 1/2 to 3/4 million in income tax wise to the City and County or ten times the current revenues. He said the Central Asheville Association membership has shown a deterioration and there is no indication that it will not continue under the present situation. He said the proposed mall will be providing approximately 2,000 jobs.

Michael Southern of 188 Tacoma Circle, representing the Western Office of the N. C. Division of Archives and History, said the Central Business District is listed on the National Register of Historical Places. He said this fact should be considered in reviewing the proposed project. He said the requirements set forth in Section 106 of the National Historic Act should be adhered to in considering the proposed project.

Upon inquiry of Councilman Cole, Mr. Southern said there is no structure located in the proposed Strouse-Greenberg area that is designated a historic structure. He said two buildings in the area are key buildings for being on the National Register but the area is within the National Register District. He said he could not name a specific property or property owner in the proposed Strouse-Greenberg area that has taken advantage of the grants available from the Department of Archives and History.

John White, minister of Mt. Zion Baptist Church, 47 Eagle Street, said his congregation would like to go on record as being in favor of the Strouse-Greenberg project.

Jack Woodcock, Jr. property owner in the area, spoke in favor of the Strouse-Greenberg project. He said he felt this project would put Asheville ahead for many years. He referred to such projects in Pittsville, Mass., and New Haven, Conn.

Leon Rocamora, 411 Midland Drive, co-owner of Asheville Showcase and Fixture Company, 57 Broadway, spoke in favor of the Strouse-Greenberg project. He said in polling the area, and he said he had a signed listing of those he was able to contact, the following businesses endorsed the Strouse-Greenberg project or a downtown shopping complex - Hutchison-Biggs; R-Jam Surplus, Minico, Inc.; Oriental Rug; Fred Hudgins; Doll House Cafe; Business Machines, Inc.; Morehead Company; James M. Gudger; Howard Collins; Sam Young; Ladd's Seafood and Dick Mosely. He said all these businesses are in the area proposed for development.

He said the last item being a budget amendment in the amount of \$225,000 to be used for \$112,000 for the Housing Authority, \$15,000 in legal fees, and he would estimate \$5,000 of the \$15,000 to be for bond attorney examination of the feasibility of this financing, \$50,000 in the event the City does have to pay its proportionate share, according to the Memorandum of Understanding, with Strouse-Greenberg. He said he did not at this time have an estimate from the finance consultant, which is not due until January 5, 1981. He estimated that cost to be \$50,000.

Upon inquiry of Councilwoman Price, the City Manager said the consultant financial firm would also be looking at other proposals submitted in some detail.

The City Manager said the funding for the \$225,000 will come from Community Development funds, private or governmental non-ad valorem tax funds. He said he was awaiting a final answer from HUD but there doesn't appear to be a problem in financing a considerable amount of this cost out of the Community Development fund.

He said this is a very complicated project and everyone in attendance at the meeting today has an interest in this project. He said certainly everyone including the City wants to proceed with caution, but proceed. He said this seems to be a logical way to take the next step that would cover all parties involved. He said the document has been reviewed by the City Attorney and he is in agreement that we are in good legal standing where we can proceed.

Mayor Trantham commented that he felt every precaution has been taken to protect the taxpayers in the unforeseen cost involved in the project.

Mayor Trantham said the ground rules for conducting the public hearing will be that a main spokesman for the opponents and proponents will be allotted a time limit of ten (10) minutes each. All others who wish to address the Council will be allotted a time limit of three (3) minutes each. Those wishing to speak against the issue will be called on first then those wishing to speak for the issue will be called on. He asked that the speakers not repeat what someone else has already said.

Councilman Wilkes said in understanding the project the Council has tried to look at every aspect. He said one of his main interest has been and will continue to be is the relocation, if need be, of the existing proprietors and owners of businesses in the proposed area. He said he has been assured by Council members, by all persons involved that the part of relocation would be duly considered, and that everyone would be given the attention and if they have to move they would move them to a good location.

Joe Lowrance, representing Strouse-Greenberg and Company, said his company has worked very long and hard with the City Manager to develop this Memorandum of Understanding. He said they are completely in agreement with the Memorandum of Understanding and are prepared to move forward on the project along these lines. He said he felt this would represent a great giant step in realizing their dream for Asheville.

T. D. Robinson, of the Reems Creek Valley Township, said he feels the Strouse-Greenberg Company is not capable of fulfilling the requirements to revitalize and restore downtown Asheville. He said Asheville is unique and whatever is done should be unique. He said existing structures and businesses should not be destroyed for one's personal gain. He requested Council not to conclude the Memorandum of Understanding.

Councilwoman Price said she feared the proposed outlying malls will continue to deteriorate the downtown Asheville. She said part of the \$225,000 being appropriated would be used to consider other proposed projects for downtown if the Strouse-Greenberg project is not accepted. She said she felt Council should proceed with the Memorandum of Understanding.

Mayor Trantham said the purpose of the action to be taken, by Council today, is to get more information relative to the Strouse-Greenberg project.

Mayor Trantham asked if any member of Council wished to make a motion relative to the request to delay action on the Memorandum of Understanding until January 8, 1981.

There was no motion made to delay action until January 8, 1981.

The City Manager presented a letter from Dr. John Holt M.D. addressed to Mayor Trantham supporting the Strouse-Greenberg project.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, Resolution No. 80-233 was unanimously adopted.

Complete text of Resolution No. 80-233 will be found in Resolution Book No. 12 at page 268.

The City Manager noted that if anyone wanted a copy of the Memroandum of Understanding they could obtain it from the City Clerk after 11:00 a. m. on Tuesday, December 23, 1980.

RESOLUTION NO. 80-234 - RESOLUTION REQUESTING THE ASHEVILLE HOUSING AUTHORITY TO PROCEED WITH THE REDEVELOPMENT PLAN FOR THE NORTH LEXINGTON AVENUE STUDY AREA

2. Consideration was given to a resolution requesting the Asheville Housing Authority to proceed with the redevelopment plan for the North Lexington Avenue Study area.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 80-234 was unanimously adopted.

Complete text of Resolution No. 80-234 will be found in Resolution Book No. 12 at page 269.

APPOINTMENT OF CITY MANAGER - LIAISON BETWEEN CITY OF ASHEVILLE AND STROUSE-GREENBERG

3. Consideration was given to a motion appointing the City Manager to act as formal liaison between the City of Asheville and the Strouse-Greenberg Company for purposes of conducting the final phases of the project feasibilities.

The City Manager said this action is called for in the Memorandum of Understanding.

Andrea Austin, spoke in opposition to the Strouse-Greenberg project. She said Council should not push out the existing new improvements.

Gerald Brown of 136 W. Chestnut Street, spoke in opposition to the Strouse-Greenberg project. He requested that Council postpone action on the Memorandum of Understanding and put the issue to a public referendum.

Lou Millan, 1010 Oteen Church Road, and owner of T. S. Morrison Hardware Company at 39 N. Lexington Avenue, opposed the Strouse-Greenberg project and stated that he was concerned about the expenditures of the taxpayers funds for such a project. He said the federal funds involved in the funding is also local taxpayer's money.

Margaret Muller of 63 Cumberland Avenue said she was disturbed that the Strouse-Greenberg project would cause the demolition of many historical buildings. She said it would rip the heart from Asheville. She said Council should have more citizen participation, and schedule meetings when more people can attend. She said Council should ask the people how they want to spend the \$225,000 proposed for the project.

Charles R. Mosely, Minister of Nazareth First Baptist Church, said he represented the Interdominational Ministry Alliance of Asheville which comprises all the churches of the minority race in the City. He said after reviewing the project his association would like to go on record as being in favor of the Strouse-Greenberg project.

Barbara Keleher of 18 Maywood Road, spoke in favor of the Strouse-Greenberg project. She said a mall will be built in the western area and she feared that would kill downtown. She said the Strouse-Greenberg project would increase the tax base in downtown.

Jan Schochet, 111 Lakeshore Drive, said she owned the Dancer's Place and Heritage Music Company, in the downtown area. She said she resented the timing of this meeting right before Christmas. She opposed the Strouse-Greenberg project. She said as many businesses as they are in downtown, downtown is not blighted. She said the existing businesses in the proposed area are being prosperous. She said she felt \$225,000 is a lot of money to spend, just to decide whether or not to proceed with the project.

Matthew Bacoate, Jr., 129 Roberts Street, spoke in favor of the Strouse-Greenberg project. He said he was in favor of revitalizing the total City of Asheville.

Councilman Cole made comments relative to the need to conduct the study relative to the Strouse-Greenberg project. He said Strouse-Greenberg Company will need to be concerned about the interest rates because they are going to have to sell bonds in order to finance the project. He said but first of all they need a working agreement with the City of Asheville.

Councilman Wilkes said he felt this project is not a small endeavor. He said the action to be taken here today will allow Council to determine what decision to make on the Strouse-Greenberg project.

Thursday, January 8, 1981 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, Walter R. Boland, F. Jack Cole and H. C. Wilkes; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Ralph D. Morris, Jr. (sick)

INVOCATION

The invocation was given by Councilman H. C. Wilkes

APPROVAL OF THE MINUTES OF THE DECEMBER 18, 1980 MEETING AND THE SPECIAL MEETING OF DECEMBER 22, 1980

1. Approval of the minutes of the December 18, 1980 meeting and the special meeting of December 22, 1980.

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, the minutes of the December 18, 1980 meeting and the special meeting of December 22, 1980 were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY AT THE CORNER OF HAZEL MILL ROAD AND HANSEL STREET

ORDINANCE NO. 1199 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (rezoning property at the corner of Hazel Mill Road and Hansel Street)

2. A public hearing was held relative to rezoning property at the corner of Hazel Mill Road and Hansel Street.

Mayor Trantham opened the public hearing at 4:13 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Enrick, Planning Director, said that the Planning and Zoning Commission, at its meeting held on December 3, 1980, considered the petition of Dickie Plemmons that Ward 6, Sheet 16, Lot 321 be rezoned from R-3 Medium Density Residential District to CH Commercial Highway District. After discussing the issues of this request, the Commission voted to recommend to City Council that the property be rezoned as petitioned.

Mr. Dickie Plemmons, lessee of property, explained that his reason for requesting the rezoning is to demolish the old wooden sign, presently located on the property and permitted by the grandfather clause, and to install a nicer sign. He explained that the owner of this property, Ms. Edna P. Riddle, has given him permission to request this rezoning.

Mayor Trantham closed the public hearing at 4:18 p.m.

Councilman Cole moved to appoint the City Manager to act as formal liaison between the City of Asheville and the Strouse-Greenberg Company for purposes of conducting the final phases of the project feasibilities. This motion was seconded by Vice-Mayor Morris and carried unanimously.

BUDGET AMENDMENT - ASHEVILLE DOWNTOWN COMMERCIAL COMPLEX

4. The City Manager presented a budget amendment in the amount of \$225,000 amending the Asheville-Buncombe Revitalization Fund to establish initial funding for the Asheville Downtown Commercial Complex. Funding to be provided by use of Community Development, private or governmental non-ad valorem tax funds.

Councilman Cole moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

ADJOURNMENT

At 5:10 p. m. Councilwoman Price moved that the meeting be adjourned. This motion was seconded by Councilwoman Price and carried unanimously.

MAYOR

CITY CLERK

Mr. Clark Brown, Director of Public Works, said that he felt the amount of \$20,500 would cover the road improvements.

Upon inquiry of Councilwoman Price, Mr. Brown said that other properties would be involved in the right-of-way acquisition other than the Cinnamon Ridge Development's property.

Upon inquiry of Councilman Boland's question as to the increase of traffic flow, Mr. Brown stated that the road improvements would minimize this problem.

Mayor Trantham then stated the ground rules for conducting the public hearing. He said that a main spokesman both for the opponents and proponents will be allotted a time limit of ten (10) minutes each. All others who wish to address the Council will be allotted a time limit of three (3) minutes each. Those wishing to speak against the issue will be called on first then those wishing to speak for the issue will be called on. He asked that the speakers not repeat what someone else has already said.

Mr. Tom Duvall of 55 Waters Road said he was not opposed to progress, but requested Council to give consideration to the following issues:

- 1) Should the Haw Creek area have to absorb more rental housing or apartment complexes than other areas of the City?
- 2) Consider the fact that the majority of the residents of this area are over 50 years of age and some older than that.
- 3) Consider the traffic congestion and the fact that the increase in traffic volume will make the area become more littered.
- 4) Consider the number of children that will be added to an already overburdened school district.
- 5) Consider the fact that the streets are already in poor condition.
- 6) Consider that the houses in this area are built very close to each other.

Mr. Duvall said that if Council thought it in the best interest of the City to pass the ordinance, then some substantial improvements should be made to the roads before construction of the apartment complex was permitted.

Dr. Reginald Teague, Principal of Haw Creek School, referred again to the letter written to Dick Wood from Verl L. L. in 1974 and the road improvements which were recommended prior to developments taking place in the area. Of the several improvements which need to be done, he said only one had been completed. He also brought up the width of the school buses and the fact that they could not pass safely on the narrow roads.

Councilman Wilkes inquired about the approximate rental of the apartments.

Mr. E. E. Blalock, Vice President and General Manager of the Mark Companies of America, Inc., replied that a survey had been paid for by his company concerning

Mr. Emrick read the ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Councilman Cole moved for the adoption of Ordinance No. 1199. This motion was seconded by Councilwoman Price.

On a roll call vote of 6-0, Ordinance No. 1199 passed on its first reading.

CONTINUATION OF A PUBLIC HEARING - GROUP DEVELOPMENT - CINNAMON RIDGE APARTMENT COMPLEX - HAW CREEK ROAD

3. A public hearing was continued relative to the site plan of the proposed Cinnamon Ridge Apartment Complex to be located on Old Haw Creek Road.

Mr. Emrick said that he had met with the developer regarding road improvement costs. He then read the following letter:

"January 8, 1981

Mr. Kenneth Michalove
City Manager
City of Asheville
Box 7148
Asheville, N.C. 28807

Re: Cinnamon Ridge Apartments

Dear Mr. Michalove:

In reference to the Cinnamon Ridge Apartment Complex, this letter is to confirm our understanding with the City of Asheville regarding the street improvements at the intersection of Old Haw Creek and Middlebrook Roads. The conditions of this agreement are as follows:

1. The City of Asheville will provide the required off-site street improvements necessary for approval of the Cinnamon Ridge Apartment Project by the City.
2. The design and construction of the street improvements will be the responsibility of the City of Asheville.
3. Cinnamon Ridge, Ltd. will pay the City of Asheville the sum of \$20,500 as their total share of the costs involved in providing street improvements to the proposed Cinnamon Ridge Site.

If we may be of further assistance, please advise me at (703) 989-6881.

Sincerely,

THE MARK COMPANIES OF AMERICA, INC.

s/David W. Reeves
Vice President

cc: Cinnamon Ridge, Ltd.
Joseph Griggs Associates, Inc.
DWR/pal"

294
City Council instructed the City Manager to include the study of mobile home park developments within the City as an element of their future work program.

ANNOUNCEMENT - COUNCILMAN BOLAND

Councilman Boland made the announcement that he had just received word of the death of Ex-City Councilman Ruben J. Dailey.

City Council expressed their condolences to his family.

ORDINANCE NO. 1197 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (rezoning property located at 171 Hillside Street)

4. Consideration was given to the third and final reading of Ordinance No. 1197, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, rezoning property located at 171 Hillside Street.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1197 passed on its third and final reading.

Complete text of Ordinance No. 1197 can be found in Ordinance Book No. 9 at page 188.

ORDINANCE NO. 1198 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (rezoning the Emma Air Park Property)

5. Consideration was given to the third and final reading of Ordinance No. 1198, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, rezoning the Emma Air Park Property).

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1198 passed on its third and final reading.

Complete text of Ordinance No. 1198 can be found in Ordinance Book No. 9 at page 189.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING BUDGET - FISCAL YEAR 1980-81

6. Consideration was given to a budget amendment amending the City of Asheville Annual Operating Budget for Fiscal Year 1980-81.

The City Manager presented the budget amendment in the amount of \$7,233 to appropriate money for the purchase of a pick-up truck for the Municipal Golf Course. He said the truck was originally budgeted for Fiscal Year 1979-80, but purchase was delayed until this fiscal year. He said these funds will come from Revenue Sharing Fund - Non-departmental contingencies.

the rental market in this area and the study revealed that there was a need for rental apartments in this area. He said the rental rates would be based on the prevailing market requirements and at this time he would estimate a 3-bedroom, 2-bath apartment to rent between \$350 to \$375 per month. He said this development is not government subsidized.

Councilwoman Price asked how the present homeowners will be buffered from the apartment complex.

Mr. Emrick said there is some natural buffering on New Haw Creek Road, but that the Council could require the entire perimeter be planted.

City Manager Michalove advised Council that Council could grant a conditional approval to the site plan with the condition being that the developer pay for the needed improvements to the intersection. He said he would also need a separate motion from Council authorizing him to have the staff start on the right-of-way acquisition and this work. He explained that it would not be feasible for the road improvements to be made prior to the construction of the apartment complex because the heavy trucks would break up the asphalt, which is very expensive. He advised that putting down a rock base might be the best solution for the time being.

Mr. Blalock stated that he would be pleased to post with the City a letter of credit guaranteeing the payment of the road improvements.

In response to Dr. Teague's statement concerning a need for more recreation facilities in the area, the City Manager said part of the water agreement calls for the City and County Parks and Recreation Boards to get together and begin consolidating their efforts along these lines and they do recognize the need in this area.

Mayor Trantham closed the public hearing at 5:05 p.m.

Councilwoman Price moved for the approval of the site plan of the proposed Cinnamon Ridge Apartment Complex subject to the conditions provided for by the Planning and Zoning Commission, that money for road improvements be secured with a letter of credit from the developer, and that the developer add the maximum number of trees between the project and Mr. Cathey's with a minimum height of 12 feet after the first growing season. This motion was seconded by Councilman Wilkes and carried unanimously.

Councilwoman Price then moved that Council instruct the City Manager to have the Street Department proceed immediately with the road improvements at the intersection of Middlebrook and Old Haw Creek Roads. This motion was seconded by Councilman Wilkes and carried unanimously.

Mayor Trantham suggested that the Council take a closer look at the demand of mobile homes in the future because young people cannot afford apartments and the rising housing costs.

Councilman Cole suggested that a specific study be made of the development of mobile home parks within the City.

Mr. Emrick stated that he knew of no major move in the direction of mobile home park developments in the City.

Mr. J. E. Johnson, Chief Building Inspector, said that he would meet with Council in their work session next week and brief them on mobile home parks.

motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-1 - Resolution authorizing Grove Park Inn to encroach upon the right-of-way of Kimberly Avenue.

HIGHLIGHTS: The Grove Park Inn has requested permission to encroach upon the right-of-way of Kimberly Avenue, for the purpose of placing deterrent posts to prevent vehicles from entering the Golf Course and causing damage to fairways and property of the Grove Park Inn. This request has been investigated by the Director of Public Works and, in his opinion, would not hinder the safe flow of traffic or pedestrian movement along the above mentioned street.

Resolution Book No. 12 - page 270.

- B. Resolution No. 81-2 - Resolution authorizing the Mayor to execute a deed accepting a five foot strip of land adjoining a fifteen foot alley (East Hawthorne Drive) off Marlborough drive for the paving and maintenance of said East Hawthorne Drive with a minimum twenty foot right-of-way.

HIGHLIGHTS: The City of Asheville has been petitioned by the property owners of East Hawthorne Drive to pave, maintain and sign said street and have agreed to pay all costs incurred. The owners have agreed to deed the additional five foot strip of land adjacent to the alley required to execute said project.

Resolution Book No. 12 - page 271.

- C. Approval of bids received December 1, 1980 for one passenger vehicle and two light trucks.

HIGHLIGHTS: Four (4) bids were received. Recommendation of acceptance of low bidder, Apple Tree Chevrolet in the amount of \$7,166.10 for one light truck - 4 wheel drive w/pick-up bed for Water Production. Recommendation of acceptance of low bidder, Dorato Motors, Inc. in the amount of \$7,232.65 for Light Truck w/dump bed for Parks and Recreation Department. Recommendation of acceptance of low bidder, Apple Tree Chevrolet in the amount of \$5,590.13 for Passenger Vehicle - sub compact for Water and Sewer. Sufficient funds are available for these purchases.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously approved.

Councilman Cole moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

BUDGET AMENDMENT - GRANT PROGRAM - FISCAL YEAR 1980-81

7. Consideration was given to a budget amendment amending the Grant Programs budget for Fiscal Year 1980-81.

The City Manager presented the budget amendment in the amount of \$1,656 to appropriate money to be received from an Intergovernmental Personnel Act Grant awarded by the State of North Carolina Department of Administration for Fiscal Year 1980-81. He said the grant application was approved by City Council Resolution No. 80-126. He said the money will be used to develop an affirmative action and equal employment opportunity training program for the City's supervisors and administrators.

Councilman Cole moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1200 - AN ORDINANCE AMENDING THE WATER AND SEWER CAPITAL CONSTRUCTION FUND CAPITAL PROJECTS ORDINANCE IN EFFECT AS OF JULY 1, 1980

8. Consideration was given to an ordinance amending the Water and Sewer Capital Construction Fund Capital Projects Ordinance in effect as of July 1, 1980.

The City Manager read the ordinance stating that this was just to finish up some projects that needed to be done and for the change in costs.

Councilwoman Price moved for the adoption of Ordinance No. 1200. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1200 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1200. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1200 passed on its second reading.

Councilwoman Price then moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1200. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1200 passed on its third and final reading.

Complete text of Ordinance No. 1200 will be found in Ordinance Book No. 9 at page 191.

APPROVAL OF THE CONSENT AGENDA

9. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one

Thursday, January 15, 1981 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, Walter R. Boland, F. Jack Cole and H. C. Wilkes; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Ralph D. Morris, Jr. (sick)

INVOCATION

The invocation was given by Councilman Walter R. Boland.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 8, 1981, meeting.

Upon motion of Councilman Cole, seconded by Councilman Boland, the minutes of the January 8, 1981, meeting were approved as submitted.

RESOLUTION NO. 81-3 - RESOLUTION IN MEMORY OF RUBEN J. DAILEY

2. Consideration was given to a resolution in memory of Ruben J. Dailey.

Councilman Wilkes read the resolution expressing the Council's deep sorrow over the passing of this former member of City Council.

Upon motion of Councilman Wilkes, seconded by Councilman Boland, Resolution No. 81-3 was unanimously adopted.

Complete text of Resolution No. 81-3 will be found in Resolution Book No. 12 at page 272.

ORDINANCE NO. 1201 - AN ORDINANCE AUTHORIZING THE CREATION OF A SUPPLEMENTAL ANNUITY FUND FOR CERTAIN FORMER CITY EMPLOYEES AND SURVIVING SPOUSES WHO ARE RECEIVING PENSION BENEFITS FROM THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND OR THE NORTH CAROLINA LOCAL GOVERNMENTAL EMPLOYEES RETIREMENT SYSTEM

3. Consideration was given to an ordinance authorizing the creation of a supplemental annuity fund for certain former city employees and surviving spouses who are receiving pension benefits from the Asheville Policemen's and Disability Fund or the North Carolina Local Governmental Employees Retirement System.

The City Manager read the resolution. He explained that this is a fringe benefit to increase pension benefits to retirees or survivors of retirees qualified under a City of Asheville Pension Plan, however, considered to be in a hardship situation whereby their combined income from the City retirement, Social Security, State Pension and for Federal Pension is at least \$200.00 monthly.

Councilmen Cole, Wilkes and Boland all felt that this ordinance is a step forward in the right direction in solving this problem.

COUNCILMAN BOLAND - JOINT PLANNING VENTURE WITH THE COUNTY OF BUNCOMBE

Councilman Boland commented on a cooperative planning venture with the County on development of certain areas of joint jurisdiction. He suggested that this be a subject for future work sessions.

COUNCILMAN BROWNLEE - RETIRED POLICE PENSION REPORT

Upon inquiry of Councilman Brownlee, City Manager Michalove advised that at Tuesday's work session, Council would discuss the options regarding the hardship cases of the retirees in the police and fire pension plans.

NORTH CAROLINA DEPARTMENT OF TRANSPORTATION PLAQUE IN APPRECIATION TO THE CITY OF ASHEVILLE

City Manager Michalove stated that the City of Asheville received a plaque from the North Carolina Department of Transportation thanking the City for their participation in their recent meeting and also the grand opening of the Open Cut.

ANNOUNCEMENT BY CITY MANAGER - SELECTION OF FIRM TO ANALYZE DOWNTOWN DEVELOPMENT PROJECT AREA

The City Manager said that during an Executive Session prior to today's meeting, he had reviewed the various proposals he had received to provide a financial analysis of the Downtown Development Project area. He said after his review, Council concurred with his selection of Price and Waterhouse to do the analysis. He said he would contact Price and Waterhouse to work out the specifics of the agreement.

PETITION

The City Manager said that he had received a petition to rename a section of Tulula Street to Old Asheland Avenue.

City Manager Michalove said that he would have staff review this and obtain their recommendations.

CLAIMS - JACK BABB, FRANCIS ROLAND, RANDY C. ALMENDINGER, GRADY BEACHBOARD, C. W. ROTHROCK, J. N. CLEMMONS, VICTOR SLOAN, JOHN EVANS AND H. J. CANTER

The City Manager presented claims received from Jack Babb, Francis Roland, Randy C. Almendinger, Grady Beachboard, C. W. Rothrock, J. N. Clemmons, Victor Sloan, John Evans and H. J. Canter.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

At 6:00 p.m., Councilman Cole moved that the meeting be adjourned. This motion was seconded by Councilwoman Price and carried unanimously.

MAYOR

CITY CLERK

decided to go with. He said regardless of what is done in the Lexington Avenue area, there is a certain level of this kind of examination that has to take place. He said hopefully the project would be self-supportive and the revenues from lease would pay for the City's on- and off-site costs related to that project. He felt that the City was proceeding in a practical way.

Mr. Wayne Caldwell spoke against spending any tax monies, whether they came from HUD, Community Development, ad valorem, etc.

Upon motion of Councilman Boland, seconded by Councilwoman Price, Resolution No. 81-4 was unanimously adopted.

Complete text of Resolution 81-4 will be found in Resolution Book No. 12 at page 273.

CITY COUNCIL LEGISLATIVE PROGRAM FOR THE 1981 GENERAL ASSEMBLY

6. A discussion was held relative to the City Council Legislative Program for the 1981 General Assembly.

Mike Smith, Director of Administration, briefly reviewed the City Council Legislative Program to be submitted to the 1981 General Assembly. He said the Legislative Program includes the following areas: A. State Office Building; B. Local Legislation, (1) Organization of City Departments and Divisions, (2) Requirements for leasing City property, (3) Firemen's Pension and Disability Fund, (4) Jurisdiction of policy, city ordinances and city license schedules at the Asheville Regional Airport, (5) Civil Service Law, (6) Board of Tax Supervision, (7) Lease of property by the City in UDAG Projects, (8) Lease of land by the Asheville City Council and the Asheville Housing Authority, (9) Repeal of the Boxing and Wrestling Commission, (10) Statement of City Council's position regarding changes or modification in statewide law on annexation, (11) Local modification of general statutes exempting the City of Asheville permit provisions relating to prize fighting, (12) Effective dates of ordinances, (13) Local modification to general statute prohibiting dual membership in two state pension plans, and (14) Closing of public parks and recreation facilities; C. Statewide Legislative Goals, (1) North Carolina League of Municipalities Legislative Program, (2) Emergency medical services funding, (3) ABC Revenues, (4) State mandated program funding, and (5) Regulation of dealers of second-hand goods.

Mayor Trantham noted that no action would be taken by Council today on the Legislative Program. He said the briefing was given in order to have publicity relative to the Program, proposed to be submitted to the 1981 General Assembly.

BUDGET AMENDMENT - WATER AND SEWER SERVICES - BUDGET FOR 1980-81

7. Consideration was given to a budget amendment amending the Water and Sewer Services budget for Fiscal Year 1980-81.

The City Manager presented the budget amendment in the amount of \$17,400 to provide funds for equipment needed in ~~conversion~~ to a new water billing system.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

Councilman Brownlee stated that he intended to vote in favor of this ordinance even though deep down in his heart he did not agree with it. He further stated that he felt that the retired policemen's and widow's pension and disability fund had turned into a political issue and he resented it.

On a roll call vote of 6-0, Ordinance No. 1201 passed on its first reading.

ORDINANCE NO. 1199 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (rezoning property at the corner of Hazel Mill Road and Hansel Street)

4. Consideration was given to the second reading of Ordinance No. 1199, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (rezoning property at the corner of Hazel Mill Road and Hansel Street).

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1199 passed on its second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1199.

On a roll call vote of 6-0, Ordinance No. 1199 passed on its third and final reading.

Complete text of Ordinance No. 1199 will be found in Ordinance Book No. 9 at page 190.

RESOLUTION NO. 81-4 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO SIGN AN AGREEMENT WITH THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE FOR THE PREPARATION OF A REDEVELOPMENT PLAN

5. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to sign an agreement with the Housing Authority of the City of Asheville for the preparation of a redevelopment plan.

The City Manager read the resolution. He said that the funds, in the amount of \$112,000 earmarked by Resolution No. 80-234, for this plan include a detailed relocation of businesses and development at exists now. He said it would cover detailed appraisals so that the City will have an idea of what the property values are at the present time.

Mr. Herman Medler requested more background information and facts be available to the public concerning money matters.

Mr. Ralph Bishop spoke in opposition of the money being spent.

Upon inquiry of Councilman Wilkes, City Manager Michalove explained the source of the money. He said for the Strouse-Greenberg project, the bulk of the funds are Community Development or they are through sources other than ad valorem tax. He said that if the project is developed, they would go in the direction of an Urban Development Action Grant and the costs are recoverable as part of that grant. He felt that much of this work would have to be done no matter which proposal Council

- B. Resolution No. 81-6 - Resolution authorizing the Mayor to enter into a License Agreement with the Tennessee Earthquake Information Center.

HIGHLIGHTS: The City of Asheville owns and operates a transmission tower and radio facilities located on Patton Mountain. The Tennessee Earthquake Information Center of Memphis State University desires to locate a receiving antenna and relocated equipment on said Tower. This resolution would authorize the Mayor to enter into an agreement with the Tennessee Earthquake Information Center for a two year period beginning January 1, 1981. In addition, the Tennessee Earthquake Information Center agrees to pay the City, as a license fee, the sum of \$25.00 per month during the license period.

Resolution Book No. 12 Page 275.

- C. Resolution No. 81-7 - Resolution authorizing the Mayor to enter into a two (2) year agreement with the owners of "Mountain Meadows Ranch" at Peach Knob.

HIGHLIGHTS: The City of Asheville presently owns and operates a radio transmission system located at Peach Knob. It is the desire of the City of Asheville and the present owners of the Peach Knob site located at "Mountain Meadow Ranch" to continue the City's lease. This resolution would authorize the Mayor to enter into an agreement with the owners of "Mountain Meadows Ranch" for a two year period beginning December 1, 1980. In addition, the City of Asheville agrees to pay the owners of "Mountain Meadows Ranch," as rental for said premises, a sum of \$100.00 per annum.

Resolution Book No. 12 Page 276.

- D. Resolution No. 81-8 - Resolution appointing members to the Board of Directors of the Asheville-Buncombe Community Relations Council.

HIGHLIGHTS: This resolution would reappoint Libby Henry Ramsey and James M. Pressley to serve on the Asheville Buncombe Community Relations Council for a term of office of three years, terms expiring December 31, 1983.

Resolution Book No. 12 Page 277.

- E. Resolution No. 81-9 - Resolution appointing members to the Asheville Transit Authority.

HIGHLIGHTS: This resolution would appoint Murray A. Miller and Warren L. Bock as members of the Asheville Transit Authority to serve for a term of five years, term expiring December 31, 1985.

Resolution Book No. 12 Page 278.

**BUDGET AMENDMENT - CITY OF ASHEVILLE 1980-81 - ANNUAL OPERATING BUDGET
CREATION OF DEPARTMENT OF ECONOMIC DEVELOPMENT**

8. Consideration of a budget amendment amending the City of Asheville 1980-81 Annual Operating Budget.

The City Manager presented the budget amendment in the amount of \$40,000, of Sinking Fund windfall money, to establish funds for new Department of Economic Development.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

**BUDGET AMENDMENT - CITY OF ASHEVILLE 1980-81 ANNUAL OPERATING BUDGET - PURCHASE
OF POLICE CARS**

9. Consideration was given to a budget amendment amending the City of Asheville 1980-81 Annual Operating Budget.

The City Manager presented the budget amendment, in the amount of \$20,162, to increase the appropriation for the purchase of 10 new police cars. The accepted bid on the cars came in at \$85,162, \$20,162 more than the \$65,000 budgeted for the cars.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

APPROVAL OF CONSENT AGENDA

10. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-5 - Resolution authorizing Director of Finance to sell surplus property.

HIGHLIGHTS: The City has acquired title to land on Valley Street known as the E. Ted Linn property. The existing structure has no beneficial use to the City and must be removed in order to make the site usable for its intended purpose. There is certain equipment with some commercial value in the building. This resolution will authorize the Director of Finance to demolish the structure and to sell the equipment of commercial value located in the structure pursuant to Article V, Section 32 (d) of the City Charter.

COMMENTS RELATIVE TO PROPOSED DeBARTOLO MALL ON BILTMORE ESTATE

Upon inquiry of Councilman Cole, the City Manager said the property in which the DeBartolo Corporation proposes to construct a mall is more than one mile outside the City. He said the proposed mall will affect the City's transportation and water system. He said it is his understanding that the DeBartolo Corporation is interested in being annexed into the City Limits.

CLAIMS - SHERRY PARKER - LOTTIE JEAN FLETCHER - FREDDIE MITCHELL - MS. HERMINE CAMMAROTO - CHARLES PICKELSIMER - MS. JANET PAPONETTI - JACKIE LITTLE - OZELLA JONES

The City Manager presented claims received from Sherry Parker, Lottie Jean Fletcher, Freddie Mitchell, Ms. Hermine Cammarato, Charles Pickelsimer, Ms. Janet Paponetti, Jackie Little, Ozella Jones.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

INVITATION TO WORKSHOP ON TOXIC SUBSTANCES AND HAZARDOUS WASTES

The City Manager presented a letter from Susan M. Smith, Director of Resource Management of Western Carolina University, inviting Council members and staff to attend a workshop on Management of Toxic Substances and Hazardous Wastes at the Biltmore School from 2-5 p. m. on Thursday, January 22, 1981. He said this invitation was a prelude to the Governor's Task Force Town Meeting at the Biltmore School at 7 p. m. on Thursday, January 22, 1981. He said since this is a Council meeting day, City staff members will be attending the meeting.

Councilman Boland requested that the city staff members attending the workshop take notes relative to the meeting and pass them on to Council members.

RALPH BISHOP - COMMENTS RELATIVE TO CHIEF HENSLEY

Ralph Bishop made comments relative to Jim Moore, a police officer, questioning him about a recent armed robbery at Petterson's Grill on Pack Square, when he did not know anything about it. He said if any city employee needed to take advantage of the Mental Health Services offered to them as a fringe benefit it would be Chief Hensley and Jim Moore.

ADJOURNMENT

Mayor Trantham declared the meeting adjourned at 5:50 p. m.

MAYOR

CITY CLERK

F. Resolution No. 81-10 - Resolution appointing member to the Metropolitan Sewerage District Board.

HIGHLIGHTS: This resolution would reappoint Frank Smith to serve on the Metropolitan Sewerage District Board for a term of office of three years, term expiring January 19, 1984.

Resolution Book No. 12 Page 279

G. Resolution No. 81-11 - Resolution appointing members to the Board of Trustees of the Firemen's Relief Fund.

HIGHLIGHTS: This resolution would reappoint Webb E. Ellis to serve on the local Board of Trustees of the Firemen's Relief Fund for a term of two years, term expiring January 1, 1983.

Resolution Book No. 12 Page 280

H. Scheduling of a public hearing relative to the site plan of the proposed Deerwood Condominiums, to be located on Hendersonville Road south of the Blue Ridge Parkway for February 5, 1981.

HIGHLIGHTS: The Planning and Zoning Commission, at a meeting held on January 7, 1981, reviewed the site plan of the proposed Deerwood Condominiums to be located on Hendersonville Road south of the Blue Ridge Parkway. After review and discussion, the Commission voted to recommend approval of the site plan subject to the following conditions:

1. Streets, a. The developer has indicated that the streets will remain in private ownership and will not be dedicated to the city or state. Given this assertion, a letter confirming this intent should be presented. Secondly, if the streets are to remain private then the design is acceptable (20' section, 6" compacted base and 1-1/2" of surface covering). However, should the developer intend to dedicate the streets to the city or state, staff recommends that the streets be constructed to city standards: Street Width-24' section, 10" compacted base, 2" surface covering,
- b. The turning radii on the streets circled on the plat should be increased to accommodate fire fighting equipment;
2. Water and Sanitary Sewer, a. Approval of water and sewer plans be obtained from the Department of Human Resources, b. Encroachment agreements and easements with Southern Railway be provided for the 6" water line shown at the northeast corner of the project site, and c. That the developer comply with the recommendations of the Water Department as shown on the attached letter;
3. Compliance with the Erosion Control Ordinance.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously approved.

Councilman Boland moved for the adoption of Resolution No. 80-12 contingent upon a Deed of Easement being accepted by the City for the maintenance of a water meter on the right-of-way to be closed. This motion was seconded by Councilwoman Price and carried unanimously.

Complete text of Resolution No. 80-12 will be found in Resolution Book No. 12 at page 281.

ORDINANCE NO. 1201 - AN ORDINANCE AUTHORIZING THE CREATION OF A SUPPLEMENTAL ANNUITY FUND FOR CERTAIN FORMER CITY EMPLOYEES AND SURVIVING SPOUSES WHO ARE RECEIVING PENSION BENEFITS FROM THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND OR THE NORTH CAROLINA LOCAL GOVERNMENTAL EMPLOYEES RETIREMENT SYSTEM

4. Consideration was given to the second reading of Ordinance No. 1201, an ordinance authorizing a minimum pension to individuals that are retirees or survivors of retirees under a qualified City of Asheville Pension Plan.

At the request of Councilman Brownlee, the City Manager re-read Ordinance No. 1201.

Garland Wible, speaking on behalf of the retired policemen, said they did not oppose the proposed ordinance but felt it would discredit the City Council more than it will help them when all the facts are known. He spoke relative to the City violating the pension law for 38 years and now having to play "catch up." He spoke about the 1979 amendment to the plan where a policemen could retire at the age of 55 after 30 years of service. He said that amendment added 8.11 percent to the payroll. He said he could not understand why Council could support such an amendment and deny the retirees and survivors an increase which would only amount to approximately \$60,000.

John Best, a retired police officer, asked what it would cost the city to bring the pensions up to \$200.00 a month. He also asked what would happen to the retired officers who belong to the Law Enforcement Benefit and Retirement Fund if the Police Department employees go under the State Pension Plan. He said he would guess that it would cost the City less than \$500 per year to increase pensions to \$200.00 per month.

The City Manager said the reason the exact cost of implementing the \$200.00 per month pension is unknown is that a survey was sent out to a number of people to determine how many people were under the \$200.00 amount. He said it was only sent to retired police officers and survivors and about a dozen responses have been received indicating that they were in that category. He said the proposed ordinance extends benefits to all retired city employees. He said all the people affected by the ordinance have not been surveyed. He said the City Council asked the General Assembly delegates from Buncombe County, on January 6, 1981, to pass special state legislation that would apply only to the retired police officers and the current police officers that belong to the Law Enforcement plan to belong to two plans. He said if the legislation passes and there is a positive referendum by the police officers that belong to that plan, the officers could belong to both plans and would not lose any benefits.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, Walter R. Boland, F. Jack Cole and H. C. Wilkes; Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Ralph D. Morris, Jr. (sick)

BRIEF CEREMONY - RELEASE OF HOSTAGES IN IRAN

Mayor Trantham turned the meeting over to Councilman H. C. Wilkes who introduced Mrs. Allie Swinton, soloist, who led the audience in singing "America the Beautiful." Rev. Robert Wiltshire gave a synopsis of the imprisonment of the hostages. Rabbi Paul Kaplan gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 15, 1981 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the January 15, 1981 meeting were approved as submitted.

RECOGNITION OF FIRE CADETS - GEORGE GIBSON - ELWIN CLINEDINST - RONALD EDDINGS - GARY BRIGGS

2. Mayor Trantham recognized George Gibson, Elwin Clinedinst, Ronald Eddings, and Gary Briggs for completing Basic Fire Training in the Fire Cadet Program at the Asheville Fire Department.

PUBLIC HEARING - CLOSING OF A PORTION OF ASHLAND AVENUE

RESOLUTION NC. 80-12 - RESOLUTION TO CLOSE A PORTION OF ASHLAND AVENUE

3. A public hearing was held relative to the closing of a portion of Ashland Avenue.

Mayor Trantham opened the public hearing at 4:18 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

The City Manager said Traynham Houston and wife, Doris E. Houston, William L. Warlick, and wife, Lauretta K. Warlick have petitioned the City to close a portion of Ashland Avenue. He said the portion petitioned to be closed is not a part of the street but a right-of-way that is no longer needed since the realignment of Ashland Avenue due to the completion of the Urban Renewal Program in the area.

There being no further comments, Mayor Trantham closed the public hearing at 4:21 p. m.

The City Manager read the resolution. He said the approval of the resolution should include a motion that the resolution be adopted contingent upon a Deed of Easement being accepted by the City for the maintenance of a water meter on the right-of-way to be closed. He said the Deed of Easement should be accepted by the City at next week's Council meeting.

The City Manager read from Attorney Cogburn's letter dated January 25, 1980 to the Council outlining the retired officers requests and from the "Hutchison report" which was based on Attorney Cogburn's letter. He said the actuarial study done by Hutchison showed that requests (A) and (B) would result in an additional annual cost to the City of \$51,110 per year and request (C) based on a five percent (5%) ad hoc increase to all retirees and survivors, this would be an additional annual cost of \$12,840; for a total cost of \$63,000 - \$64,000. He said if this increase were continued at five percent (5%) per year over a ten year period the City would have to assume an additional annual cost of \$128,400. He said if the increase was on a ten percent (10%) basis, those figures would double. He said those figures would be cut in half if Mr. Wible's suggestions are used. He said the City would still be looking at about \$64,000 for (C) plus \$51,110 for (A) and (B), which would still leave the City in the over \$100,000 cost per year bracket.

At the request of Mr. Wible the City Manager read from "Hutchison's report" dated March 3, 1980 relative to an 8.11 percent increase to the payroll due to the amendment to the plan.

Upon inquiry of Councilman Boland, the City Manager said comparisons are being made between the "1939 plan" and the "LEO" plan. He said he would ask State representatives to come to the Asheville Police Department to go over the differences in the present plan and the State Pension Plan.

At the request of John Best, the City Manager said he would send copies of the proposed legislative package submitted to the General Assembly delegates from Buncombe County to John Best.

Mayor Trantham said he felt the retired police officers and survivors should receive one-half of the percentage of salary increases given to city employees. He said the City has made a detailed study of this request. He said they reviewed a great deal of detail from the retirement actuary and done surveys and examined the money available both now and in the future. He said he personally would like to have given these retirees and survivors and all others what has been requested. However, the reality is that the City simply can not afford it. Therefore, the choice was to do something for those individuals that were in hardship circumstances and continue to work to provide an opportunity for all to become members of the State plan where cost of living and dealing with inflation problems of "fixed" retirement incomes are dealt with in the plan. He said Council got the impression from the retirees that giving attention to the hardship cases was the most important. He said there has been a lot of discussion about how the City can afford \$224,000 for study of the downtown area and new positions and not take care of its retired people. He said again, the reality of this is that most of these funds are special funds with limited use rules and if the City didn't move ahead with these expenses, they would be faced with cutting city services due to decreased tax base. He said the City can not afford to stand still in progress.

Mayor Trantham said there had been several comments made relative to the City Manager's salary. He said, for the record, he would like everyone to know that the City Manager is paid as all other city employees - except he has not taken a 5% performance increase since in office as other employees have received; his benefits are the same as all other employees - nothing special; his current salary is \$35,724 effective July 1, 1980; and by comparison, the City Manager in Asheville is paid lower than others in like cities. He gave comparisons of other cities. He said he thought the City Manager of Asheville comes cheap. He said Council has made a lot of progress and will continue to do so.

Mayor Trantham noted that if the police officers go under the State pension plan, they will receive a cost of living increase each year which will be better than receiving a one time increase from the City. He said that is why Council has been working toward the police officers going under the State pension.

Councilman Boland said the City Council has a moral obligation to other retirees and survivors.

Councilman Wilkes said he felt the proposed ordinance was a step forward in the right direction. He said Council could then push for other measures that would help upgrade the retirees' income. He said everything can not be accomplished at one time.

Mr. Wible said the other city employees have a much better pension plan and have had for many years than the policemen and firemen. He said the general employees are under two pension plans. He said under the old city retirement plan general employees who retired with 15 years of service received one-half the amount they received from Social Security and one-fourth the amount they received from Social Security after 12 years of service. He said he could not understand why the Police and Fire Department employees are not under Social Security as well as a pension plan. He said the general employees receive more after retirement.

The City Manager took exception to Mr. Wible's remarks and said he would prepare a report comparing the pension plans. He said there is a discrepancy in opinions rendered and the facts.

Upon inquiry of Councilman Boland, Mr. Wible said he was not really familiar with the State Pension Plan. However, it is his understanding that the disability benefits under the State Pension plan is not as good as the City's pension plan and the survivor's benefits are not as good as the city's plan. He said if the benefits were as good under the State Pension Plan he would support going under the plan.

The City Manager said Council has the option of granting a one-time adjustment in benefits for retirees and survivors before they go under the State Pension Plan. He asked Mr. Wible if it was his understanding that it would cost \$60,000 to implement the three requests of the retired police officers being; (A) all retirees and survivors being brought up to \$200; (b) those retirees over \$200 up to \$500 be given a 10 percent (10%) increase; (C) those retirees and survivors be given a cost of living increase; when current employees are given an increase that the retirees and survivors be given one-half of the percentage amount given to current employees.

In replying to the City Manager's question, Mr. Wible said in January, 1980 the retired officers agreed to request (A) that immediately the monthly retirement benefit of each retired person or survivor of a retired policeman be increased to \$200 per month; (B) that each retired policeman receiving less than \$500 per month be given an immediate 10 percent (10%) increase; (C) that when the active police are given a percentage increase the retirees and the survivors be given one-half of the percentage increase. He said on February 14, 1980, when Attorney Max Cogburn represented the officers at Council, due to some misunderstanding, Mr. Cogburn requested a 10 percent (10%) increase for all retirees and survivors and that each time the active police receive a percentage increase that the retirees and survivors received the same percentage. He said according to the "Hutchison report" it would cost about approximately \$64,000 to implement the three requests.

RESOLUTION NO. 81-14 - RESOLUTION CONSENTING TO THE ASSIGNMENT OF LEASE AGREEMENT OF RECREATION PARK BY JOHNSON AMUSEMENT RIDES, INC. TO CEBREN P. FISHER

7. Consideration was given to a resolution consenting to the assignment of lease agreement of Recreation Park by Johnson Amusement Rides, Inc. to Cebren P. Fisher.

The City Manager read the resolution.

Ray Kisiah, Director of Parks and Recreation, said the present agreement with Johnson Amusement Rides, Inc. expires on November 1, 1984. He said Cebren P. Fisher has agreed to purchase the rides at the Recreation Park and the Asheville Parks and Recreation Advisory Board feels it would be in the best interest to consent to the assignment. He said the terms of the agreement would remain the same.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 81-14 was unanimously adopted.

Complete text of Resolution No. 81-14 will be found in Resolution Book No. 12 at page 283.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Approval of bids received December 15, 1980 for ten (10) police patrol vehicles.

HIGHLIGHTS: Two (2) bids were received. Chief of Police Hensley, Superintendent of Motor Transport Pruett and Purchasing Agent Grable recommend award of this bid to the low bidder, Apple Tree Chevrolet, Inc. in the amount of \$85,161.50. Sufficient funds are available for this purchase in the Revenue Sharing Activity.

- B. Resolution No. 81-15 - Resolution authorizing the name "Kenilworth Knoll" to be assigned to an "Unnamed" Street.

HIGHLIGHTS: The City of Asheville has been petitioned by all of the property owners along an unnamed private street to allow the street to be named. This resolution would authorize the private street which intersects Tunnel Road opposite Kenilworth Road, and parallels Lum's Restaurant building and Connie's Fashions building, and serves Asheville Circuit Courts and Asheville Terrace Apartments be established as "Kenilworth Knoll."

On a roll call vote of 6-0, Ordinance No. 1201 passed on second reading.

After discussion, Councilman Wilkes moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1201. This motion was seconded by Councilman Cole and carried on a voice vote of 5-1, with Councilman Brownlee voting "no."

On a roll call vote of 5-1, Ordinance No. 1201 passed on third and final reading with Councilman Brownlee voting "no."

Complete text of Ordinance No. 1201 will be found in Ordinance Book No. 9 at page 192.

Councilman Brownlee said he was opposed to having two readings on the ordinance today. He said he was not too sure of the State Pension Plan.

BUDGET AMENDMENT - CITY OF ASHEVILLE GRANTS PROGRAM BUDGET - FISCAL YEAR 1980-81
GRANT FROM INTERGOVERNMENTAL PERSONNEL ACT

5. Consideration was given to a budget amendment amending the City of Asheville Grants Program Budget for Fiscal Year 1980-81.

The City Manager presented the budget amendment, in the amount of \$4,025, to budget for additional money to be received from the State of North Carolina's Intergovernmental Personnel Act grant. The initial appropriation of \$1,656 from the state was budgeted in a motion passed by Council on January 8, 1981. The total expected to be received from the state is now \$5,681.

Councilman Boland moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 81-13 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A LEASE AGREEMENT
WITH THE OPPORTUNITY CORPORATION OF MADISON-BUNCOMBE COUNTIES FOR THE USE OF
BURTON STREET, REID AND SHILOH RECREATION CENTERS

6. Consideration was given to a resolution authorizing the Mayor to sign a lease agreement with the Opportunity Corporation of Madison-Buncombe Counties for the use of Burton Street, Reid and Shiloh Recreation Centers.

The City Manager read the resolution.

Ray Kisiah, Director of Parks and Recreation, said this lease agreement would provide savings by cooperative efforts between the two agencies.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, Resolution No. 81-13 was unanimously adopted.

Complete text of Resolution No. 81-13 will be found in Resolution Book No. 12 at page 282.

RESOLUTION NO. 81-18 - RESOLUTION DIRECTING THE ASHEVILLE HOUSING AUTHORITY, ACTING IN ITS CAPACITY AS A REDEVELOPMENT COMMISSION, TO PROCEED TO DETERMINE THE APPLICABILITY OF ARTICLE 22, CHAPTER 160A-500-526 FOR THE AREA DESCRIBED HEREIN: (DEPOT STREET)

Consideration was given to a resolution directing the Asheville Housing Authority, acting in its capacity as a Redevelopment Commission, to proceed to determine the applicability of Article 22, Chapter 160A-500-526 for the area described herein (Depot Street).

The City Manager read the resolution. He said this resolution was discussed at the pre-Council meeting today and deals with action requesting the Asheville Housing Authority to proceed in analyzing the Depot Street area for a redevelopment area. He said it was his understanding that Council wanted to include as Phase II, the area up to Clingman Avenue, across Clingman Avenue, back to Depot Street and he would proceed with including this area into the phasing.

Upon motion of Councilman Wilkes, seconded by Councilman Boland, Resolution No. 81-18 was unanimously adopted.

Complete text of Resolution No. 81-18 will be found in Resolution Book No. 12 at page 287.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY

Mr. Ralph Bishop made comments relative to lottery sales in Asheville.

MAYOR

CITY CLERK

- C. Resolution No. 81-16 - Resolution authorizing the City Clerk to advertise the sale of City of Asheville property, known as Starmount Drive Property (Ward 6, Sheet 32, Lot 53).

HIGHLIGHTS: A bid has been received from Arlis Queen to purchase property owned by the City of Asheville, known as Starmount Drive Property, Ward 6, Sheet 32, Lot 53, in the amount of \$12,185. This resolution will declare the property surplus and authorize the City Clerk to advertise the sale of the property pursuant to North Carolina General Statute 160A-269.

Resolution Book No. 12 Page 285.

- D. Resolution No. 81-17 - Resolution authorizing the Mayor to enter into an agreement to provide parking for persons having business in the Employment Security Commission.

HIGHLIGHTS: C. Wayne Kinser and wife, Catherine W. Kinser, and Robert C. Kinser and wife, Cathryn B. Kinser, are the owners of a certain tract of land described in Deed Book 1008, at page 57 upon which is constructed the Employment Security Commission of North Carolina. The Kinsers wish to provide parking for persons having business in the Employment Security Commission and this resolution will authorize the Mayor to enter into an agreement with the Kinsers, providing 25 spaces of parking in the parking lot leased by the City, known as Parking Lot No. 29.

Resolution Book No. 12 Page 286

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

PROCLAMATION - JUNIOR ACHIEVEMENT WEEK - JANUARY 26 - 31, 1981

Mayor Trantham proclaimed the week of January 26 - 31, 1981 as Junior Achievement Week.

CLAIMS - NELL MITCHELL - MRS. C. A. NOBLETT

The City Manager presented claims received from Nell Mitchell and Mrs. C. A. Noblett.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING BUDGET FOR FISCAL YEAR
1980 - 81 - SUPPLEMENTAL ANNUITY FUND FOR RETIRED CITY EMPLOYEES

4. Consideration was given to a budget amendment amending the City of Asheville Annual Operating Budget for Fiscal Year 1980-81.

The City Manager presented the budget amendment in the amount of \$10,000 to appropriate funds for the Supplemental Annuity Fund for retired city employees.

Councilman Brownlee moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

CERTIFICATE OF APPOINTMENT - HOUSING AUTHORITY OF THE CITY OF ASHEVILLE -
PHILLIP F. CROUCH

5. Mayor Trantham announced the appointment of Phillip F. Crouch as a Commissioner of the Housing Authority of the City of Asheville.

RESOLUTION NO. 81-19 - RESOLUTION REQUESTING THE BUNCOMBE COUNTY DELEGATION TO
THE NORTH CAROLINA GENERAL ASSEMBLY TO SUPPORT AN AMENDMENT TO CHAPTER 802 OF
THE 1971 SESSION LAWS CONCERNING THE FINANCIAL SUPPORT OF THE BUNCOMBE COUNTY
BOARD OF TAX SUPERVISION

6. Consideration was given to a resolution requesting the Buncombe County delegation to the North Carolina General Assembly to support an amendment to Chapter 802 of the 1971 Session Laws concerning the financial support of the Buncombe County Board of Tax Supervision.

The City Manager read the resolution. He said this resolution will implement a section of the City/County Water Agreement. He said the City is requesting that the Buncombe County Board of County Commissioners pass a similar resolution in order that action can be taken by the General Assembly. He said this action conforms to the other ways cities are collecting taxes.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 81-19 was unanimously adopted.

Complete text of Resolution No. 81-19 will be found in Resolution Book No. 12 at page 288.

RESOLUTION NO. 81-20 - RESOLUTION REQUESTING THE INSTITUTE OF GOVERNMENT STUDY
ORGANIZATIONAL APPROACH TO ACHIEVE THE CONSOLIDATION OF BUNCOMBE COUNTY AND CITY
OF ASHEVILLE SERVICES

7. Consideration was given to a resolution requesting the Institute of Government Study Organizational approach to achieve the consolidation of Buncombe County and City of Asheville services.

The City Manager read the resolution and said this resolution would also implement a section of the City/County Water Agreement.

Thursday - January 29, 1981 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilwoman Norma T. Price, Councilmen Harold F. Brownlee, Walter R. Boland, F. Jack Cole, and H. C. Wilkes; Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Ralph D. Morris, Jr. (sick)

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 22, 1981 meeting.

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, the minutes of the January 22, 1981 meeting were approved as submitted.

BUDGET AMENDMENT - CITY OF ASHEVILLE COMMUNITY DEVELOPMENT FUND BUDGET
SENIOR CITIZENS SERVICE PROJECT - SENIOR OPPORTUNITY CENTER

2. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budget.

The City Manager presented the budget amendment in the amount of \$19,503 to transfer Fifth Year surplus funds for the Senior Citizens Services project to the Sixth Year Senior Citizens Services project to allow for an expanded program of services to Senior Opportunity Center participants, particularly those who reside in the Neighborhood Strategy Area.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Boland and carried unanimously.

BUDGET AMENDMENT - CITY OF ASHEVILLE COMMUNITY DEVELOPMENT FUND BUDGETS FOR THE
SECOND AND THIRD YEAR COMMUNITY DEVELOPMENT BLOCK GRANT

3. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budgets for the Second and Third Year Community Development Block Grant.

The City Manager presented the budget amendment in the amount of \$15,000 to develop the neighborhood park at Walton Street Park. A cost savings was effected through the use of force account labor in moving dirt from Walton Street Park to Kenilworth Park. A culvert is necessary at Kenilworth Park for property draining off the Kenilworth Park fill area. This transfer of funds will benefit both projects.

Councilman Wilkes moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

- B. Resolution No. 81-23 - Resolution authorizing the Mayor to accept a ten foot water line easement from Traynham Houston and wife, Doris E. Houston, William L. Warlick and wife Laurretta K. Warlick for an existing service line and meter on Asheland Avenue.

HIGHLIGHTS: The Asheville City Council, by Resolution No. 81-12 dated January 22, 1981, closed a portion of Asheland Avenue right-of-way at the request of Traynham Houston and wife, Doris E. Houston, William L. Warlick and wife Laurretta K. Warlick. Said resolution was adopted contingent upon the acceptance of a Deed of Easement from said petitioners for the maintenance of a water service line and meter on said right-of-way. This resolution will accept the Deed of Easement from the petitioners for the servicing of said line and meter.

Resolution Book No. 12 Page 292.

- C. Approval of bids received January 15, 1981 for two (2) water pumps with motors.

HIGHLIGHTS: Three (3) bids were received. Recommendation of acceptance of lowest responsive bidder, Supply Specialties, Inc. in the amount of \$5,952.00. Funding for this purchase is available in the Water and Sewer Improvement Fund - Haw Creek Pump Station, Code 31-50-857-0-380.0073.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

CLAIMS - RHONDA KILBY - C. BUDDY STYLES - ETHYLE H. CERTIK - DEREK HENNESSEE

The City Manager presented claims received from Rhonda Kilby, C. Buddy Styles, Ethyle H. Certik and Derek Hennessee.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - CHILDREN'S DENTAL HEALTH MONTH - FEBRUARY, 1981

Mayor Trantham proclaimed the month of February, 1981 as Children's Dental Health Month.

PROCLAMATION - CARL B. HYATT DAY - FRIDAY, JANUARY 30, 1981

Mayor Trantham proclaimed Friday, January 30, 1981 as Carl B. Hyatt Day.

Councilman Wilkes said during this Council's campaigning, it was promised that this Council would work toward the implementation of the Water Authority and the consolidation of City and County services. He said evidence of Council's commitment to achieve this goal is shown through the adoption of these resolutions.

Mayor Trantham agreed with Councilman Wilkes' comments and said he was proud of the fact that this Council could work together to achieve their goals.

Upon motion of Councilman Wilkes, seconded by Councilman Cole, Resolution No. 81-20 was unanimously adopted

Complete text of Resolution No. 81-20 will be found in Resolution Book No. 12 at page 289.

RESOLUTION NO. 81-21 - RESOLUTION AUTHORIZING THE CITY AND COUNTY RECREATION ADVISORY BOARDS TO PROPOSE A PLAN FOR MERGER OF THE TWO BOARDS

8. Consideration was given to a resolution authorizing the City and County Recreation Advisory Boards to propose a plan for merger of the two boards.

The City Manager read the resolution and said this action was also part of the Water Agreement.

Councilman Cole said he strongly supported the resolution to propose a plan for merging the two boards and would hope that immediate action would be taken to also merge the two departments.

Upon motion of Councilman Cole, seconded by Councilman Boland, Resolution No. 81-21 was unanimously adopted.

Complete text of Resolution No. 81-21 will be found in Resolution Book No. 12 at page 290.

APPROVAL OF THE CONSENT AGENDA

9. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-22 - Resolution authorizing the Director of Parks and Recreation to seek grant funding from the Arts Council of Western North Carolina.

HIGHLIGHTS: The Montford Community has demonstrated interest in expanding the program of performing arts at Montford Community Center to include a dinner theatre and youth theatre troupe. A grant request of \$1,850 has been prepared for submission to the Community Arts Council of Western North Carolina. This resolution will authorize application of the arts program grant.

Resolution Book No. 12 page 291.

Thursday - February 5, 1981 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilmen Harold F. Brownlee, Walter R. Boland, F. Jack Cole, and H. C. Wilkes; Corporation Counsel William C. Moore, Associate City Manager/City Clerk William F. Wolcott, Jr., Acting City Clerk Carol Hensley.

Absent: Vice-Mayor Ralph D. Morris, Jr. (sick)
Councilwoman Norma T. Price
City Manager K. M. Michalove (vacation)

INVOCATION

The invocation was given by Councilman H. C. Wilkes.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 29, 1981 meeting.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, the minutes of the January 29, 1981 meeting were approved as submitted.

PUBLIC HEARING - DEERWOOD CONDOMINIUMS - GROUP DEVELOPMENT

2. A public hearing was held relative to the site plan of the proposed Deerwood Condominiums.

Mayor Trantham opened the public hearing at 4:12 p. m.

The Assistant City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Asheville Planning and Zoning Commission at its meeting held on January 7, 1981 reviewed the site plan of the proposed Deerwood Condominiums to be located on Hendersonville Road south of the Blue Ridge Parkway. He said after review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions:

(1) Streets

- a. The developer had indicated that the streets will remain in private ownership and will not be dedicated to the city or state. Given this assertion, a letter confirming this intent should be presented.

Secondly, if the streets are to remain private then the design is acceptable (20' section 6" compacted base and 1-1/2" of surface covering). However, should the developer intend to dedicate the streets to the city or state, staff recommends that the streets be constructed to city standards.

Street Width	- 24' section
	- 10" compacted base
	- 2" surface covering

JOHN MORRIS - BOY SCOUT EARNING MERIT BADGE

John Morris, a boy scout earning a merit badge, was recognized by Councilman Boland. Councilman Cole told him the story of how Asheville was named.

RAPLH BISHOP - LOTTERY SALES - REDRESS OF COUNCIL

Ralph Bishop spoke to Council relative to the lottery sales in Asheville and his right to seek redress from the Council.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilman Wilkes, the meeting adjourned at 4:35 p. m.

Ray M. Harrison
MAYOR

William F. Halcott
CITY CLERK

BUDGET AMENDMENT - GENERAL CAPITAL PROJECTS FUND - MOTOR POOL FACILITY

4. Consideration was given to a budget amendment amending the General Capital Projects Fund budget.

The Assistant City Manager presented the budget amendment, in the amount of \$54,575, to fund a capital project for creation of a motor pool facility. He said the funding source is Sinking Fund windfall money.

Councilman Boland moved for the approval of the budget amendment as presented by the Assistant City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

BUDGET AMENDMENT - GENERAL CAPITAL PROJECTS FUND - MOTOR TRANSPORT FACILITY

5. Consideration was given to a budget amendment amending the General Capital Projects Fund budget.

The Assistant City Manager presented the budget amendment, in the amount of \$500,000 to appropriate money for the development and construction of a motor transport facility. The funds are to come from the Sinking Fund windfall money.

Councilman Cole moved for the approval of the budget amendment as presented by the Assistant City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

BUDGET AMENDMENT - WATER AND SEWER SERVICES OPERATING FUND BUDGET -FISCAL YEAR MAIL INSERTION EQUIPMENT

6. Consideration was given to a budget amendment amending the Water and Sewer Services Operating Fund for Fiscal Year 1980-81.

The Assistant City Manager presented the budget amendment in the amount of \$5,000 to appropriate additional funds due to lowest bid exceeding previously budgeted amount for mail-insertion equipment for use in the Customer Services Division.

Councilman Cole moved for the approval of the budget amendment as presented by the Assistant City Manager. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. _____ - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE-BUNCOMBE WATER AUTHORITY

7. Consideration was given to a resolution appointing members to the Asheville-Buncombe Water Authority.

Councilman Cole said he felt the Council should be in full attendance when this resolution was adopted. He said since Vice-Mayor Morris and Councilwoman Price are absent he would move to defer action on resolution. This motion was seconded by Councilman Wilkes and carried unanimously.

Councilman Wilkes said members being appointed to the Asheville Buncombe Water Authority should be invited to the meeting when they are actually appointed.

- b. The turning radii on the streets circled on the plat should be increased to accommodate fire fighting equipment.
2. Water and Sanitary Sewer
 - a. Approval of water and sewer plans be obtained from the Department of Human Resources.
 - b. Encroachment agreements and easements with Southern Railway be provided for the 6" water line shown at the northeast corner of the project site.
 - c. That the developer comply with the recommendations of the Water Department as shown on the attached letter.
 3. Compliance with the Erosion Control Ordinance.

Mr. Emrick said all the conditions have either been met or are in the process of being complied with. He said the project proposed 120 units in Phase I and office space in Phase II. He said all city department heads have reviewed the proposed plan and find no problems with the project. He said there was no opposition voiced at the Planning and Zoning Commission.

Mr. Gabe Staley, one of the developers of the project, answered general questions from members of Council. He said the selling cost of the condominiums would be in the \$75,000 to \$80,000 range. He said they plan to start construction by March 1, 1981 and completion of Phase I, 60 units, would be (10) months, and the same time period for Phase II, 60 units.

Mayor Trantham closed the public hearing at 4:22 p. m.

Councilman Boland moved to approve the site plan of the proposed Deerwood Condominiums subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Cole and carried unanimously.

ORDINANCE NO. 1202 - AN ORDINANCE REPEALING SECTION 27-4 (REGARDING INSURANCE FOR TAXICABS) OF THE ASHEVILLE CODE OF ORDINANCES

3. Consideration was given to an ordinance repealing Section 27-4 (regarding insurance for taxicabs) of the Asheville Code of Ordinances.

The Assistant City Manager read the ordinance stating that Section 27-4 of the Code of Ordinances, has been unchanged since 1942 and requires only \$5,000 insurance for taxicab operators. He said this contradicts the statewide law regarding financial responsibility of taxicab operators (Chapter 20-280 of the North Carolina General Statutes), which requires a minimum of \$25,000 insurance for bodily injury to one person, \$50,000 for bodily injury to two or more persons, and \$10,000 for property damage. Repeal of this section will eliminate this contradiction and make it clear that persons operating taxicabs in the City of Asheville must comply with all requirements of the state law.

Councilman Cole moved for the adoption of Ordinance No. 1202. This motion was seconded by Councilman Brownlee.

On a roll call vote of 5-0, Ordinance No. 1202 passed on first reading.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilman Wilkes,
the meeting adjourned at 4:45 p. m.

Wm. M. Harrison Harmon F. Volcott
MAYOR CITY CLERK

APPROVAL OF THE CONSENT AGENDA

8. The Assistant City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-24 - Resolution authorizing the Mayor to enter into a Supplemental Municipal Agreement with North Carolina Board of Transportation relative to Right-of-Way Projects 8.1901402 and 8.1901403 and Construction Projects 8.1901408, 8.1901410, 8.1901413, and 8.1901414.

HIGHLIGHTS: This agreement will provide for traffic operating controls on I-240.

Resolution Book No. 12 Page 296.

- B. Scheduling of a public hearing relative to the Seventh Year Community Development Application and Housing Assistance Plan for February 19, 1981.

HIGHLIGHTS: This public hearing will provide for public comments for the Seventh Year Community Development Application and Housing Assistance Plan.

- C. Approval of bids received February 2, 1981 for mail inserting equipment.

HIGHLIGHTS: Two (2) bids were received. Recommendation of acceptance of low bid for new equipment and award of contract to Bell and Howell, Inc. in the amount of \$18,275.00. Sufficient funds are available in the Water Customer Services Division.

Upon motion of Councilman Cole, seconded by Councilman Boland, the consent agenda was unanimously approved.

CLAIMS - MIKE RODIER - MRS. HARRY DuMONT - NORMA CREIGHTON

The Assistant City Manager presented claims received from Mike Rodier, Mrs. Harry DuMont, and Norma Creighton.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - OBTAINING CITY RECORDS - LOTTERY SALES

Mr. Ralph Bishop spoke to Council relative to lottery sales in Asheville and his difficulty in obtaining city records.

Councilman Wilkes moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Brownlee and carried unanimously.

BUDGET AMENDMENT - CITY OF ASHEVILLE COMMUNITY DEVELOPMENT FUND BUDGET

4. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budget.

The City Manager presented the budget amendment in the amount of \$1,571 to correct a bookkeeping error in a budget amendment adopted by Council on January 29, 1981. This amount was inadvertently transferred to the Sixth Year Senior Citizens Service Project from the Fifth Year funds.

Councilman Boland moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING BUDGET - 1980-81

5. Consideration was given to a budget amendment amending the City of Asheville Annual Operating Budget for fiscal year 1980-81.

The City Manager presented the budget amendment in the amount of \$306,318 to allocate money to individual divisions for performance pay increases, most of which were granted in January. This amount will cover salary and wage increases as well as the increase in FICA tax.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Boland and carried unanimously.

APPROVAL OF CONSENT AGENDA

6. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-25 - Resolution of intent to close a portion of Burton Street and calling a public hearing on the question for March 19, 1981.

HIGHLIGHTS: A petition has been received from Hugh H. Roberson, Paul B. Roberson, and Edwin R. Roberson to close a portion of Burton Street. City Council closed Burton Street Bridge by adoption of Resolution No. 77-98. It was the petitioners' intent at the time of the closing of Burton Street Bridge to have this portion of Burton Street closed. The City has in fact physically closed Burton Street as it traverses the property owned by the petitioners.

Thursday - February 16, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, Harold F. Brownlee, and H. C. Wilkes, City Manager K. M. Michalove, Associate City Manager/ City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 5, 1981 meeting.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, the minutes of the February 5, 1981 meeting were approved as submitted.

ORDINANCE NO. 1202 - AN ORDINANCE REPEALING SECTION 27-4 (REGARDING INSURANCE FOR TAXICABS) OF THE ASHEVILLE CODE OF ORDINANCES

2. Consideration was given to the second reading of Ordinance No. 1202, an ordinance repealing Section 27-4 (regarding insurance for taxicabs) of the Asheville Code of Ordinances.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1202 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1202. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1202 passed on third and final reading.

Complete text of Ordinance No. 1202 will be found in Ordinance Book No. 9 at page 194.

BUDGET AMENDMENT - GENERAL CAPITAL PROJECTS - ENTRANCE RAMP AT CITY HALL

3. Consideration was given to a budget amendment amending the General Capital Projects budget.

The City Manager presented the budget amendment in the amount of \$150,000 to appropriate Sinking Fund windfall money to a capital project for the structural renovation of the entrance ramp on the southside of the City Hall building. This renovation will repair corroded steel supporting beams as well as make other structural improvements to the ramp.

- F. Approval of bids for 60" corrugated steel pipe received February 4, 1981.

HIGHLIGHTS: Four (4) proposals were received. Recommendation of acceptance of low bid from Southern Tank and Culvert Company, Inc. in the amount of \$7,963.00. Funding is available in the Community Development Improvement Fund Kenilworth Park, Code 65-45-656-2.0073.

- G. Resolution No. 81-29 - Resolution authorizing the Director of Parks and Recreation to make application for an enrichment grant for Reid Memorial Recreation Center.

HIGHLIGHTS: A grant in the amount of \$4,871 in state funds is available to continue an enrichment program in the Reid Memorial area, and local match in the amount of \$2,163 will be provided by inkind staff services already in place at the center. This resolution will authorize the submission of an application for said grant to the North Carolina Department of Human Resources.

Resolution Book No. 12 Page 302.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

LETTERS OF SYMPATHY REQUESTED - FAMILIES OF MAYOR ROY PENLEY AND CLAUDE BROCK, FORMER MEMBER OF PLANNING AND ZONING COMMISSION

Councilwoman Price said the Mayor of Woodfin Roy Penley and Claude Brock, former member of Planning and Zoning Commission passed away this past week. She requested that the Mayor write a letter to the families expressing Council's sympathy.

ATTENDANCE AT INSTALLATION OF STUDENT COUNCIL AT RANDOLPH SCHOOL

Councilman Wilkes said on Tuesday, February 10, 1981, he was invited to attend, on behalf of the Asheville City Council, the installation of the Student Council at Randolph Elementary School. He said the members of the Student Council were presented with resolutions from the City Council and they were very pleased that the Asheville City Council would be a part of their installation of officers.

PROCLAMATION - "BLACK HISTORY MONTH" - FEBRUARY, 1981

Mayor Trantham proclaimed the month of February, 1981 as "Black History Month."

- B. Resolution No. 81-26 - Resolution authorizing the Director of Parks and Recreation to enter into a lease agreement with the Asheville Civic Center on behalf of the Asheville-Buncombe County Youth Council for the presentation of the WNC Talent Awards Show.

HIGHLIGHTS: The Asheville-Buncombe County Youth Council plans to present the second annual WNC Talent Awards Show which is scheduled for Thomas Wolfe Auditorium for this event upon a guarantee of \$600 which will be secured through admission charges of tickets. The Director of Parks and Recreation, through this resolution, will be authorized to enter into an agreement with the Civic Center for the WNC Talent Awards Show.

Resolution Book No. 12 Page 299.

- C. Resolution No. 81-27 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Tennoca Construction Company for the project known as Victoria Health Care Center - Water and Sewer Lines.

HIGHLIGHTS: On Tuesday, February 3, 1981 at 3:00 p. m., bids were opened on the Victoria Health Care Center - Water and Sewer Lines. Tennoca Construction Company is the apparent low bidder in the amount of \$23,268.46. This resolution will authorize the Mayor to enter into a contract with Tennoca Construction Company for said project.

Resolution Book No. 12 Page 300.

- D. Scheduling of a public hearing relative to rezoning property at 788 Fairview Road for March 12, 1981.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held February 4, 1981, considered the petition of Mr. Fletcher Carter that Ward 7, Sheet 26, Lot 380, be rezoned from R-3 Medium Density Residential District to CG Commercial General District. After discussing the issues of this request, the Commission voted to accept the Staff Report and recommend to City Council that the property be rezoned as petitioned.

- E. Resolution No. 81-28 - Resolution regarding auditing contract.

HIGHLIGHTS: This resolution will appoint Patton, Hunter and Company, CPAs, to perform independent audit services for audit(s) of the financial accounts and records of the City of Asheville for the fiscal year ending June 30, 1981.

Resolution Book No. 12 Page 301.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Morris, Resolution No. 81-32 was unanimously adopted.

Complete text of Resolution No. 81-32 will be found in Resolution Book No. 12 at page 305.

ANNOUNCEMENT RELATIVE TO SALE OF PROPERTY IN KNOLLWOOD ON STARMOUNT DRIVE - UPSET BID RECEIVED FROM WAYNE KINSER

The City Manager announced that the City Clerk's office did receive, on February 9, 1981, an upset bid in the amount of \$12,900 for the Starmount property in Knollwood from Wayne Kinser. This upset bid will be advertised pursuant to N.C.G.S. 160A-269 as stipulated in Resolution No. 81-16 adopted on January 22, 1981. This advertisement will be advertised in the Asheville Times on February 13, 1981 and the City Clerk's Office will receive upset bids for ten (10) days after that date. If another upset bid is received, the City Clerk's office will again readvertise. If no further upset bids are received, the City Clerk's office will prepare a resolution authorizing the sale of the property to the highest bidder for Council's consideration.

PROCLAMATION - FEBRUARY 13, 1981 - NATIONAL SALUTE TO HOSPITALIZED VETERANS

Mayor Trantham proclaimed Friday, February 13, 1981 as National Salute to Hospitalized Veterans.

CLAIMS - ASHEVILLE CONCRETE - PHILLIP RUFF - JACOB DEMETRIS

The City Manager presented claims received from Asheville Concrete, Phillip Ruff, and Jacob Demetris.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

LETTER FROM B. E. DUYCK - RELATIVE TO REQUEST FOR PENSION SUBSIDY

The City Manager presented a letter from B. E. Duyck requesting a pension subsidy in the amount of \$157.71 pursuant to Resolution No. 78-212 (Section 1-D).

The City Manager said he would have the staff to investigate the request and report back to Council on the matter.

ANNOUNCEMENT OF APPROVAL OF BUS GRANT APPLICATION

The City Manager announced that the City has received approval of a grant application from the Department of Transportation, Urban Mass Transportation Administration for the purchase of ten (10) new 30' transit coaches, spare components, bus-stop signs, project administration and contingency. The estimated total project cost is \$1,248,500 with the federal share being \$998,800, the state share being \$124,850, and local share being \$124,850. He said the application has been in process for seven (7) years and due to inflation and special interest requirements the price of a new bus has increased from \$38,000 to over \$100,000. He said the new buses will be equipped with handicap devices.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilman Wilkes the meeting adjourned at 4:50 p.m.

Wayne Trantham
MAYOR

Harmon S. Volante
CITY CLERK

RESOLUTION NO. 81-30 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE BUNCOMBE WATER AUTHORITY

Consideration was given to a resolution appointing members to the Asheville Buncombe Water Authority.

The City Manager read the resolution appointing Ralph D. Morris, Jr., Charles Mills, and Wilhelmenia Bratton to the Asheville Buncombe Water Authority.

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, Resolution No. 81-30 was unanimously adopted, with Vice-Mayor Morris abstaining.

Complete text of Resolution No. 81-30 will be found in Resolution Book No. 12 at page 303.

BUDGET AMENDMENT - CITY OF ASHEVILLE GENERAL CAPITAL PROJECTS FUND

Consideration was given to a budget amendment amending the City of Asheville General Capital Projects Fund.

The City Manager presented the budget amendment in the amount of \$215,525 to increase the State, Federal, and Local revenues of the runway overlay/lighting to bring the project into agreement with the state and federal grant agreements.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 81-31 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE AIRPORT EXPANSION PROJECT AREA

Consideration was given to a resolution authorizing condemnation of property in the Airport Expansion Project Area.

The City Manager read the resolution authorizing condemnation of Tract 3 Parcels 3 and 4 on Greenwood Road.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-31 was unanimously adopted.

Complete text of Resolution No. 81-31 will be found in Resolution Book No. 12 at page 304.

RESOLUTION NO. 81-32 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH PRICE, WATERHOUSE AND COMPANY

Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Price, Waterhouse and Company.

The City Manager read the resolution stating that this would authorize the City Manager to enter into an agreement with Price, Waterhouse and Company for the purpose of financial analysis of the Asheville Downtown Commercial Complex.

Mr. Holt presented members of Council with a funding breakdown which indicated the cost of the various aspects of the program. He then reviewed a color-coded map showing what has taken place in the East End/Valley Street area and what is proposed for the Fourth Year planning. He said 1982-83 is the completion date for the East End/Valley Street Improvement Project.

Upon inquiry of Mayor Trantham, Mr. Delany said relocation in the East End/Valley Street area is not as acute as it was in the East Riverside Area.

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, Resolution No. 81-33 was unanimously adopted.

Upon inquiry of Vice Mayor Morris, Mr. Holt said they operate on annual increments and can shut off the project at any point in case Community Development funding ceases. He said when a project is planned it includes everything, including all utilities, in order not to end up with an uncompleted project in case funding is ceased.

The City Manager read the resolution.

Complete text of Resolution 81-33 will be found in Resolution Book No. 12 at Page 306.

BIDS - ONE (1) FIRE APPARATUS - 1000 GPM PUMPER

3. Consideration was given to the approval of bids received January 19, 1981, for one fire apparatus-1,000 GPM Pumper.

The City Manager presented the bids received January 19, 1981, for one fire apparatus-1,000 GPM Pumper. He said two bids were submitted, however, one bid did not meet specifications. He said a recommendation was received to accept the lowest responsive bid submitted by American La France, Inc., in the amount of \$91,900 for a 1980 American La France 1250 gpm pumper. He said sufficient fund are available for the purchase from the General Revenue Sharing Fund.

Councilman Brownlee moved to approve the bids as submitted by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION 81-34 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY AGREEMENT WITH EUGENE ROBINSON AND WIFE BEULAH W. ROBINSON CONCERNING THE CONSTRUCTION OF SEWER LINE ON FOREST HILL DRIVE OFF HENDERSONVILLE ROAD

4. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way agreement with Eugene Robinson and wife Beulah W. Robinson of Buncombe County concerning the construction of a sewer line on Forest Hill Drive off Hendersonville Road.

The City Manager read the resolution.

Upon motion of Vice Mayor Morris, seconded by Councilman Cole, Resolution 81-34 was unanimously adopted.

Thursday - February 19, 1981 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, Harold F. Brownlee, and H. C. Wilkes, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent Councilman Walter R. Boland (sick)

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 12, 1981, meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the February 12, 1981, meeting were approved as submitted.

PUBLIC HEARING - SEVENTH YEAR COMMUNITY DEVELOPMENT APPLICATION AND HOUSING ASSISTANCE PLAN

RESOLUTION NO. 81-33 - RESOLUTION AUTHORIZING SUBMISSION OF AN APPLICATION TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT FUNDS - 1981-82

2. A public hearing was held to receive public comments relative to the Seventh Year Community Development Application and Housing Assistance Plan.

Mayor Trantham opened the public hearing at 4:04 P.M.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Logan Delany, Director of Community Development, in explaining the Seventh Year Community Development Application and Housing Assistance Plan said the application and plan has been reviewed and approved by the Community Development/Housing Authority Liaison Committee. He said the City of Asheville has been experiencing a gradual reduction in Community Development funding for several years. He said the funding for the Seventh Year Community Development Block Grant has been reduced by \$81,000, leaving the total funding for the Seventh Year at \$1,690,000. He said the primary element in the budget includes funding for the Fourth Year East End/Valley Street Neighborhood Improvement Project. He said this would take up approximately 75% of the Seventh Year funding, the remainder going for Administration, Citizen Participation, Planning, and Contingency. He said the City of Asheville recently had an on-site review of the City's spend rate and HUD expressed that they were pleased with the City's progress in the East End/Valley Street Neighborhood Project.

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, said the plans have been approved by the Neighborhood Planning Committee. He said the plans included in the project were developed by the neighborhood, during public hearings held in the community.

Mr. DeBruhl said the third and most critical phase would be implemented when the North Fork Reservoir becomes forty feet below spillway, and would require the use of water for commercial and industrial users be restricted to insure adequate water supply for human consumption.

Mr. DeBruhl said that any violation of these provisions would be a misdemeanor and would enable the Director of Water and Sewer Services to disconnect water service to any violators.

Vice Mayor Morris said before the second reading of the ordinance he would like to see language added to the ordinance that Phase III would be immediately implemented if there is a break in the 36" line at North Fork Reservoir.

Councilman Cole moved for the adoption of Ordinance No. 1203, this motion was seconded by Councilwoman Price.

On a roll call vote of 6-0, Ordinance No. 1203 passed on first reading.

RALPH BISHOP - COMMENTS RELATIVE TO SEEKING REDRESS FROM COUNCIL

Ralph Bishop spoke to Council relative to his right to seek redress in the Asheville City Council meetings.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilwoman Price the meeting adjourned at 4:50 P.M.

MAYOR

CITY CLERK

Complete text of Resolution No. 81-34 will be found in Resolution Book No. 12 at Page 308.

INVITATION TO HISTORIC RESOURCES COMMISSION MEETING

Councilman Cole said that he had received a call from Frank Coxe, a member of the Historic Resources Commission inviting councilmembers to attend their meeting on Wednesday, February 25, 1981, at 6:00 P.M. He said this meeting would include a tour of the Ravenscroft House. He said after the tour the meeting would continue at Trinity Church for dinner. He encouraged Council to attend this meeting.

CLAIMS - NANCY ALEXANDER - MARY PATTERSON - JEFROY DAVIDSON - MYRA BONNER
EDITH MIDDLETON

The City Manager presented claims received from Nancy Alexander, Mary Patterson, Jefroy Davidson, Myra Bonner, and Edith Middleton.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

ORDINANCE NO. 1203 - AN ORDINANCE TO REGULATE THE USE OF WATER DURING DROUGHT CONDITIONS

William DeBruhl, Director of Water and Sewer Services, said because of potential drought conditions the Asheville Water System has faced in the last few weeks, he and his staff has prepared for Council's consideration an ordinance consisting of a three-phase plan which would regulate the use of water during "abnormal drought conditions" in the area served by the North Fork Reservoir. He said at present the North Fork Reservoir is down 29 feet. He said one-inch of rain fall brings the reservoir up one foot. He said he felt it is essential for the protection of the health and safety of the citizens of Asheville that restrictive measures be imposed on the use of water from the City of Asheville water supply.

Mr. DeBruhl said the first phase of the plan would be implemented when the North Fork Reservoir becomes thirty feet below spillway, and would include water being pumped into the system from the Bee Tree Lake Reservoir; a high priority program of the repair of the existing and new leaks in the system, including working around the clock; strict supervision of the pumps and storage reservoirs; and requests for voluntary compliance with conservation measures by all public facilities. Mr. DeBruhl said the Bee Tree Reservoir is equipped to supply water in emergency situations, and that he is ready to go with connecting the two systems as soon as the ordinance is approved.

Mr. DeBruhl said the second phase of the plan would be implemented when the North Fork Reservoir becomes thirty-five feet below the spillway, and would make it illegal for any person or business to use water to wash vehicles; to operate a car wash business; to water or sprinkle any golf course, lawns, shrubs, gardens, yards, streets, sidewalks or to use water for any similar purposes; to fill swimming pools; to use water for fountains, decorative pools or ponds; to fill contractors water tanks from fire hydrants, and/or to draw water for fire flow tests; and to draw water from the system other than for domestic, commercial, industrial purposes and fire protection.

Councilman Cole suggested that the possibility of collecting the City sticker fee through the collection of property tax be investigated.

Councilman Cole said the ordinance could be amended on second or third reading.

Councilman Cole moved for the adoption of Ordinance No. 1204. This motion was seconded by Councilwoman Price.

On a roll call vote of 4-0, Ordinance No. 1204 passed on first reading.

Mayor Trantham said he had some reservations about the confusing elements in the wording in the ordinance and would reconsider his vote on the second reading.

ORDINANCE NO. 1203 - AN ORDINANCE TO REGULATE THE USE OF WATER DURING DROUGHT CONDITIONS

3. Consideration was given to the second reading of ordinance no. 1203, an ordinance to regulate the use of water during drought conditions.

Mayor Trantham said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Larry McDevitt, Attorney representing Quick-as-a-Wink Car Washes, said that he and his client realizes the need for such an ordinance, but felt that the provisions in the proposed ordinance would be unfair to one type of business instead of all water using businesses. He said he felt that it would be unfair to pick one particular business.

Mr. McDevitt cited figures showing that to put car washes out of business temporarily when the ordinance was activated would have no or very little impact on the water usage. He said industries could cut back on water and nobody would be out of a job. He said a cut back on industries would have a big impact on the water usage and everyone could share the burden. He said he could name business after business that could be categorized as using water for "unessential" purposes.

Mr. McDevitt presented the following letter suggesting ideas for proposed changes to the ordinance:

February 24, 1981

The Honorable Roy M. Trantham
Mayor, City of Asheville
2nd Floor, City Hall
Asheville, North Carolina 28801

Dear Mr. Trantham:

I represent the Quick as a Wink Car Washes. With reference to the proposed ordinance regulating the use of water during drought conditions, we would submit

Thursday - February 26, 1981 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilwoman Norma T. Price, Councilmen F. Jack Cole, and Harold F. Brownlee, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent Vice-Mayor Ralph D. Morris, Jr., Councilman Walter R. Boland, and Councilman H. C. Wilkes

INVOCATION

The invocation was given by Councilman Harold F. Brownlee

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 19, 1981, meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the February 19, 1981, meeting were approved as submitted.

ORDINANCE 1204 - ORDINANCE AMENDING SECTION 28-154 OF THE ASHEVILLE CODE OF ORDINANCES TO CLARIFY THE MOTOR VEHICLE REGISTRATION REQUIREMENT

2. Consideration was given to an ordinance amending Section 28-154 of the Asheville Code of Ordinances to clarify the Motor Vehicle Registration Requirement.

The City Manager read the ordinance.

Cloyd Hamby, Vice President of Blue Ridge Trucking Company, spoke in opposition to the proposed ordinance. He said it would cost in excess of \$1,000.00 to buy City stickers for all his tractors and trailers. He said his trucks are domiciled in the City of Asheville, however, the majority of the vehicles are not used in the City limits. He said he would be willing to buy stickers for the trucks that do travel inside the City limits, but did not feel that he should have to pay for those that did not. He cited several businesses, such as a bus company, Southern Bell, and Carolina Power and Light Company that have their trucks domiciled in the City and do not pay for City stickers.

Alan Hyder, of the Asheville Police Department, said the ordinance proposes to clarify the definition of a vehicle which is a "resident" of the City. He said equipment owned by the Blue Ridge Trucking Company would come under the ordinance.

Upon inquiry of Councilwoman Price, Mr. Hyder said the proposed ordinance is similar to Charlotte's ordinance. He said Charlotte collects the City sticker fees through the collection of property tax.

Councilwoman Price said she would favor the collection of the City sticker fee through collection of property taxes. She said this would be fair and every vehicle would have to pay the fee.

Councilman Brownlee moved to table Ordinance No. 1203 until March 5, 1981. This motion was seconded by Councilwoman Price and carried unanimously.

The City Manager read the following letter to be included in the minutes:

February 24, 1981

Mr. William DeBruhl, Director
Water and Sewer Services
City of Asheville
P. O. Box 7148
Asheville, N. C. 28807

Re: Emergency use of Bee Tree Reservoir
City of Asheville Buncombe County

Dear Mr. DeBruhl:

Reference is made to your letter of February 5, 1981 to me relative to the use of the Bee Tree Reservoir during periods of drought. Your letter states that if the current drought continues, the City is prepared to implement a plan of action regarding emergency water shortage situations which would include utilizing the Bee Tree Lake Water Supply as a supplemental supply during the drought period. Your letter further states that the Bee Tree Water Shed has remained closed to the public and has retained its A-1 classification; that some recreational activities have been permitted during the summer months, but will be closed whenever the Lake is used as a source of water supply; and that the Lake is full with the water quality in excellent condition. Your letter requests that the Bee Tree Lake Water Supply receive interim approval from this office for use as a supplemental supply during drought periods.

After careful consideration of all the factors involved we believe that it would not be in the best interest of this office nor in the best interest of the City of Asheville to grant interim approval for use of the Bee Tree Reservoir as a supplemental supply for the City of Asheville during periods of drought. However, we have no objection to the use of this reservoir by the City as an emergency source of water supply during drought situations under certain conditions. These conditions are as follows:

1. When the North Fork Reservoir is down 30 feet began pumping water from the Bee Tree Reservoir.
2. When the North Fork Reservoir is down 15 feet stop pumping water from the Bee Tree Reservoir.
3. Notify the Regional Office at Black Mountain when pumping from the Bee Tree Reservoir begins and ends.
4. Obtain samples of raw and finished water and analyze for bacteriological content on a daily basis.

the following proposed changes to "Phase II" of Section 1. of the Ordinance:

Proposed change No. 1. By amending subparagraph "1.a." to read as follows: "to wash any automobile or other motor vehicle, except that this Section shall not apply to any car wash business or facility;"

Proposed change No. 2. By deleting subparagraph "1.b." in its entirety;

Proposed change No. 3. By adding a new subparagraph 2. as follows: "Upon notice from the Director of Water and Sewer, all commercial, business, and industrial City water users shall immediately reduce City water consumption to a monthly level which is _____% less than its average monthly use for the preceding 12 months, then the monthly average shall be based on the number of months during which the user was supplied City water;"

Proposed change No. 4. By adding a new subparagraph 3. as follows: "After receipt of the Notice specified above any commercial business or industrial user failing to reduce water consumption to the specified level shall be in violation of the Ordinance, and shall be assessed a penalty of \$100.00 per cubic foot of water used in excess of the required reduced consumption level, said penalty to be paid to the City of Asheville within 30 days of its assessment as provided by N.C.G.S. 160A-175(c);"

Proposed change No. 5. By renumbering the present subparagraph No. "2." as subparagraph 4.

Phase II of the Ordinance as proposed would completely eradicate the car wash business not only for my client but others in similar businesses. While we are willing to join with other citizens in responding to an emergency, it would seem more equitable to spread the burden among all businesses rather than have the major burden fall on one enterprise with employees who have families to support and bills to pay. I would request the opportunity to speak on behalf of my client with respect to the Ordinance at the next Council meeting to discuss our position more thoroughly.

Your consideration and the consideration of the Council to this request would be most appreciated. If you have any questions please feel free to contact me.

Very truly yours,

Larry McDevitt

It was the consensus of Council to table ordinance no. 1203 until March 5, 1981, giving Council an opportunity to consider Mr. McDevitt's suggestion.

Mayor Trantham suggested that Mr. McDevitt meet with Mr. DeBruhl, Director of Water and Sewer Services to review the suggested amendments.

RESOLUTION NO. 81-35 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A CONTRACT WITH PRICE, WATERHOUSE AND COMPANY RELATIVE TO PROVIDING PROFESSIONAL SERVICES IN THE IMPLEMENTATION OF A NEW FISCAL MANAGEMENT SYSTEM

5. Consideration was given to a resolution authorizing the City Manager to enter into a contract with Price, Waterhouse and Company, relative to providing professional services in the implementation of the new fiscal management system.

The City Manager read the resolution.

Upon motion of Councilman Brownlee, seconded by Councilwoman Price, Resolution No. 81-35 was unanimously adopted.

Complete text of Resolution No. 81-35 will be found in Resolution Book No. 12 at page 309.

RESOLUTION NO. 81-36 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A CAPITAL IMPROVEMENT MASS TRANSIT GRANT CONTRACT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION

6. Consideration was given to a resolution authorizing the Mayor to execute a capital improvement mass transit grant contract with the North Carolina Department of Transportation.

The City Manager read the resolution explaining that the City of Asheville recently received an approval for a grant from the Urban Mass Transportation Authority to purchase 10 new buses, spare engine, spare transmission and 300 bus stop signs. This contract with the North Carolina Department of Transportation will provide the state share of \$124,850 for this project.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-36 was unanimously adopted.

Complete text of Resolution 81-36 will be found Resolution Book No. 12 at page 310.

RESOLUTION NO. 81-37 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO AN AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE PURPOSE OF INSTALLING TRAFFIC SIGNAL INTERCONNECT CABLE UNDER A STATE SYSTEM STREET

7. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into an agreement with the North Carolina Department of Transportation for the purpose of installing traffic signal interconnect cable under a state system street.

The City Manager read the resolution explaining that this resolution will request that the North Carolina Department of Transportation allow Carolina Power and Light to install underground duct under U. S. 25 (Broadway at College Street), for the replacement of a traffic signal interconnect cable.

5. Close the A-I watershed to all recreational activities and begin water shed patrolling as needed.
6. Report any unusual conditions or circumstances to the Regional Office in Black Mountain.

It is our understanding that since the Bee Tree Reservoir was closed as a source of water supply a camping area and swimming pool facilities have been constructed below the dam near the chlorination station and have been operational for several years. In order to reduce the potential for damage to the chlorination station and to minimize the need for watershed patrolling we recommend that these facilities be closed and remain closed during the time that the Bee Tree Reservoir is used as a source of water supply.

If there are any questions, or if we can be of further assistance please let us know.

Very truly yours,

Charles E. Rundgren, Head
Water Supply Branch
Environmental Health Section

The City Manager said the Bee Tree recreational facilities would not be open to the public until the present conditions change.

BUDGET AMENDMENT - CITY OF ASHEVILLE GENERAL PROJECT FUND

4. Consideration was given to a budget amendment amending the City of Asheville General Capital Project Fund.

The City Manager presented the budget amendment in the amount \$102,000 to provide funding for services to upgrade the City's Financial Management Information and Reporting System which will operate on the City's new central computer. The funding source will be Sinking Fund Windfall Capital Reserves.

The City Manager said this service would speed up by 12 to 18 months the transfer of information to the new central computer.

Bob Wurst, Director of Audit and Budget, said the City has been in the process of converting to one system for the past year. He said the present computer is worn out. He said the last item to be converted is the financial accounting system. He said this needs to be done quickly and the services of Price, Waterhouse and Company, would allow this to be done. He said he felt this would eventually save money through efficiency by financial reporting.

Upon inquiry of Councilman Cole, Mr. Wurst said the new computer has the potential for being used by the County of Buncombe.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

Thursday - March 5, 1981 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, Harold F. Brownlee, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter R. Boland

INVOCATION

The invocation was given by Councilman Harold F. Brownlee.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 26, 1981, meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the February 26, 1981, meeting were approved as submitted.

ORDINANCE 1203 - AN ORDINANCE TO REGULATE THE USE OF WATER DURING DROUGHT CONDITIONS

2. Consideration was given to the second reading of Ordinance No. 1203, an ordinance to regulate the use of water during drought conditions.

Mayor Trantham said the ordinance was previously read on first reading and would not be reread unless there was specific request to do so.

The City Manager said members of Council discussed amendments to the ordinance during the pre council meeting. He said it was the consensus of Council to amend the Ordinance prior to the third reading. He said it was agreed to amend the ordinance to have two phases instead of the proposed three phases. He said phase one would deal primarily with the internal operations and an appeal to public facilities to conserve water during this phase. He said phase two would restrict the use of water to commercial and residential users on a percentage basis. He said a 60 percent restriction would apply to everyone and would be based on their average daily water consumption at the last meter reading. He said penalties would be applied accordingly. He said the proposed ordinance would be redrafted before the third reading.

Albert Sneed, Attorney representing Quick as a Wink Car Washes, spoke in support of deleting the provisions in the proposed ordinance dealing with putting car washes out of business during water drought conditions.

After discussion among Council members, Councilman Wilkes moved to take Ordinance 1203 off the table and consider the second reading. This motion was seconded by Vice-Mayor Morris and carried unanimously.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution 81-37 was unanimously adopted.

Complete text of Resolution No. 81-37 will be found in Resolution Book No. 12 at page 311.

APPROVAL OF A SIGN PERMIT FOR AMERICAN LOG HOMES - 295 HAYWOOD STREET

8. J. E. Johnson, Director of Inspections, said American Log Homes has applied for a permit to erect a roof sign at 295 Haywood Street (Ward 5, Sheet 15, Lot 66). He said the property is zoned Commercial Regional and the sign will be 24" lettering. He said the sign has been approved by the Zoning Administrator and the Board of Adjustments. He said the sign will be situated closer than 600' from a limited access highway which requires the approval of Council pursuant to zoning Ordinance No. 322.

Councilman Brownlee moved to approve the sign permit for American Log Homes as presented by Mr. Johnson. This motion was seconded by Councilman Cole and carried unanimously.

CLAIMS - H. C. WILKES, - MR. AND MRS. JOHNNY MAY

The City Manager presented claims received from H. C. Wilkes and Mr. and Mrs. Johnny May.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

SALE OF PROPERTY IN KNOLLWOOD - STARMOUNT DRIVE

The City Manager said the City Clerk's Office did receive, on February 20, 1981, an upset bid in the amount of \$13,600 for the Starmount property in Knollwood from Arlis Queen. He said this upset bid would be advertised pursuant to North Carolina General Statutes 160A-269 as stipulated in Resolution No. 81-16, adopted on January 22, 1981. He said this advertisement will be advertised in the Asheville Times on February 27, 1981, and the City Clerk's Office would receive upset bids 10 days after that period. He said that if another upset bid is received the City Clerk's Office would again readvertise. He said that if no upset bids are received, the City Clerk's Office will prepare a resolution authorizing the sale of the property to the highest bidder for Council's consideration.

RALPH BISHOP - RIGHT TO SEEK REDRESS FROM COUNCIL

Ralph Bishop again addressed Council relative to his right to seek redress from the Asheville City Council.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilwoman Price the meeting adjourned at 5:05 P.M.

MAYOR

CITY CLERK

Durham, North Carolina, for an examination of the City's radio communication system and an organization/operation study of the City's Fire Department.

Upon motion from Councilman Wilkes, seconded by Vice-Mayor Morris, Resolution 81-38 was unanimously adopted.

Complete text of Resolution No. 81-38 will be found in Resolution Book No. 12 at page 312.

RESOLUTION 81-39 - RESOLUTION AUTHORIZING APPLICATION FOR STATE WATER BOND FUNDS

6. Consideration was given to a resolution authorizing application for state water bond funds.

The City Manager read the resolution explaining that the North Carolina Clean Water Bond Act of 1971 has authorized the making of grants to aid eligible units of government in financing the cost of construction of waste water treatment works, waste water collection systems, and water supply systems. The City of Asheville has need and intends to construct improvements in the existing water system, a project described as the FY 1981 Water System Improvements Project consisting of the following: 1) Sardis Road - construction of approximately 7,200 feet of 8" water line; 2) W. T. Weaver Boulevard - construction of a approximately 800 feet of 10" water line; 3) Old Haw Creek Road - construction of approximately 3,950 of 6" water line. This resolution will authorize the application of water bond funds for these projects.

Upon motion of Vice-Mayor Morris, seconded by Councilwoman Price, Resolution 81-39 was unanimously adopted.

Complete text of Resolution No. 81-39 will be found in Resolution Book No. 12 at page 313-314.

APPROVAL OF THE CONSENT AGENDA

7. The City Manager said the following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A) Resolution No. 81-40 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Paving Enterprises, Inc., for the project known as Balsam Avenue Cul-de-Sac.

HIGHLIGHTS: On Tuesday, February 19, 1981, bids were opened on the Balsam Avenue Cul-de-sac project. Paving Enterprises, Inc., is the apparent low bidder for this contract in the amount of \$5,774.00. This project is funded under 66-15-427-1-993.

Resolution No. 12 at page 315.

On a roll call vote of 6-0 Ordinance No. 1203 passed on second reading.

ORDINANCE 1204 - AN ORDINANCE AMENDING SECTION 28-154 OF THE ASHEVILLE CODE OF ORDINANCES TO CLARIFY THE MOTOR VEHICLE REGISTRATION REQUIREMENTS

3. Consideration was given to the second reading of Ordinance No. 1204, an ordinance amending Section 28-154 of the Asheville Code of Ordinances to clarify the motor vehicle registration requirement.

The City Manager said the Mayor held a meeting during the past week with the Board of Tax Supervision relative to the possibility of collecting city sticker fees through property tax collections. He said the Buncombe County officials were receptive to a special form to be sent out with the tax listings on which the property owner would list all motor vehicles, as well as dogs, owned by the property owner. He said the fees could be collected through property tax collections. He said he expected to have this procedure finalized in the very near future.

After discussion, Vice-Mayor Morris moved to table Ordinance No. 1204 indefinitely. This motion was seconded by Councilman Wilkes and carried unanimously.

BUDGET AMENDMENT - 1980-81 ANNUAL OPERATING BUDGET

4. Consideration was given to a budget amendment amending the 1980-81 Annual Operating Budget of the City of Asheville.

The City Manager presented the budget amendment in the amount of \$37,400 to appropriate money for two studies to be done by the Management Improvement Corporation of America, for an examination of the City's radio communications system and an organization/operations study of the City's Fire Department.

The City Manager said the terms of the agreement are similar to one previously entered into with the Management Improvement Corporation of America in that the City does not have to pay for the services unless the City is satisfied with the results of the study in a cost savings to the City.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Brownlee and carried unanimously.

RESOLUTION NO. 81-38 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT WITH THE MANAGEMENT IMPROVEMENT CORPORATION OF AMERICA OF DURHAM, NORTH CAROLINA, TO PERFORM CERTAIN MANAGEMENT ASSISTANCE SERVICES

5. Consideration was given to a resolution authorizing the City Manager to sign an agreement with the Management Improvement Corporation of America of Durham, North Carolina, to perform certain management assistance services.

The City Manager read the resolution explaining that this resolution will authorize the City Manager to enter into an agreement for management assistance services with the Management Improvement Corporation of America of

honorable mention to O'Brien and Gere for the design of the water treatment facilities at North Fork Reservoir. He said the award won in state competition and won honorable mention in the national awards. He said he felt it appropriate to present this award to the City of Asheville as it was a pleasure to serve the City in this project.

This award was then presented to William DeBruhl, Director of Water and Sewer Services, to be displayed in his office.

PROCLAMATION - CIRCUS WEEK - MARCH 9 - 15, 1981

Mayor Trantham proclaimed the week of March 9-15, 1981, as Circus Week.

PROCLAMATION - GIRL SCOUT WEEK - MARCH 8-14, 1981

Mayor Trantham proclaimed the week of March 8-14, 1981, as Girl Scout Week.

PROCLAMATION - WEEK OF MARCH 9, 1981 - CATHOLIC SCHOOL WEEK

Mayor Trantham proclaimed the week of March 9, 1981, as Catholic School Week.

CLAIMS E. J. GUTHRIE - BOBBY FOWLER - FLYNT KNIT INC. - GLORIA ASHE - T. CUNNINGHAM

The City Manager presented claims received from E. J. Guthrie, Bobby Fowler, Flynt Knit, Inc., Gloria Ashe and T. Cunningham.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PETITION - RE: SCHOOL CROSSINGS

The City Manager presented petitions from Asheville area residents requesting that steps be taken immediately to adequately mark all school crossings, install flashing lights, furnish distinctively uniform crossing guards at all crossings, to guarantee the safety of every school child who has to cross a public street, enroute in school. A letter dated March 3, 1981, accompanied the petition stating that this action is being taken as the direct result of a child being injured at a school crossing at Aycock School last Monday Morning. A child was also hit by a car at the Randolph School on Montford Avenue on Tuesday morning of last week.

Paul Dutcher, Traffic Engineer, said at the request of the City Manager, he had investigated the requests of the petition. He said all school crossings are marked at the beginning of the school year. He said the speed limit at the Aycock School is 20 mph, therefore, no flashers are in that location. However, flashers will be installed within the next three weeks.

Fred Hensley, Chief of Police, said the school crossing guards wear orange marked safety vests. He said the unfortunate event at the Aycock School was due to a driver failing to stop for the school crossing guard.

- B) Resolution No. 81-41 - Resolution authorizing the Mayor of the City of Asheville to execute an easement in favor of the North Carolina Department of Transportation.

HIGHLIGHTS: The North Carolina Department of Transportation has requested the City of Asheville to execute a right-of-way easement and drainage easement on property belonging to the City of Asheville on Louisiana Avenue, for the purpose of widening certain sections of said Avenue and to install permanent drainage on Louisiana Avenue in connection with State Highway Project 8.7384018. The North Carolina Department of Transportation has agreed to pay the City of Asheville \$5,250 for said easement.

Resolution Book 12 at page 316.

- C) Resolution No. 81-42 - Resolution authorizing the Mayor of the City of Asheville to execute an easement in favor of the Carolina Power and Light Company.

HIGHLIGHTS: The Carolina Power and Light Company has requested the City of Asheville to execute a right-of-way easement on property belonging to the City of Asheville in the vicinity of the Asheville Regional Airport for the purpose of updating an existing electrical power line.

Resolution Book No. 12 at page 317.

- D) Resolution No. 81-43 - Resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the North Carolina Department of Transportation.

HIGHLIGHTS: The North Carolina Department of Transportation has requested the City of Asheville to execute a permanent drainage easement and a construction easement on property belonging to the City of Asheville on Louisiana Avenue for the purposes of widening certain sections on Louisiana Avenue in connection with State Highway Project 8.7384018. The North Carolina Department of Transportation has agreed to pay the City of Asheville \$800 for said easement.

Resolution Book No. 12 at page 318.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

PRESENTATION OF AWARD - O'BRIEN AND GERE ENGINEERS - NORTH FORK WATERSHED

Charles Willis with O'Brien and Gere, Engineers, presented, on behalf of the American Consulting Engineers Council, an award issued as an

Thursday - March 12, 1981 - 4:00 p.m.

Regular Meeting

Present: Vice-Mayor Ralph D. Morris, Jr., Presiding; Councilwoman Norma T. Price, Councilmen F. Jack Cole, Harold F. Brownlee, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham (attending meeting in Washington)
Councilman Walter R. Boland

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 5, 1981, meeting.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, the minutes of the March 5, 1981, meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY AT 788 FAIRVIEW ROAD

ORDINANCE NO. 1205 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. A public hearing was held relative to rezoning property at 788 Fairview Road from R-3 Residential District to Commercial General District.

Vice-Mayor Morris opened the public hearing at 4:07 P.M.

The City Manager presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at its meeting held February 4, 1981, considered the petition of Mr. Fletcher Carter that Ward 7, Sheet 26, Lot 380, be rezoned from R-3 Medium Density Residential District to CG Commercial General District. After discussing the issues of this request, the Commission voted to recommend to City Council that the property be rezoned as petitioned.

Mr. Emrick said the purpose of the request was to put all of Mr. Carter's lots into one zoning, that being Commercial General District. He said opposition was received at the Planning and Zoning meeting from Attorney Bryson for Mrs. Sorrells, Mr. & Mrs. Wilson and Mr. & Mrs. Jay Sorrells, property owners in the area.

By the use of a map, Mr. Emrick reviewed the location of the property requested to be rezoned.

Upon inquiry of Councilwoman Price, Mr. Emrick said if Mr. Carter wishes to construct another building on the lot he would have to go through

After discussion, the City Manager said that he would advise the residents of what action Council would be taking on this petition.

RALPH BISHOP - SEEKING REDRESS OF COUNCIL - SEEKING CITY RECORDS

Ralph Bishop spoke to Council relative to his right to seek redress from Council and his right to seek City records.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilwoman Price the meeting adjourned at 5:00 P.M.

MAYOR

CITY CLERK

phases instead of three. He said phase one would deal primarily with the internal operations and an appeal to public facilities to conserve water during this phase. He said phase two would restrict the use of water to commercial and residential users on a percentage basis. He said a 60 percent restriction would apply to everyone and would be based on their average daily water consumption at the last meter reading.

The City Manager then read the ordinance incorporating the suggested amendments.

Councilwoman Price moved to amend Ordinance No. 1203 incorporating the amendments as read by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1203 passed on third reading.

Complete text of Ordinance No. 1203 will be found in Ordinance Book No. 9 at page 195.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING BUDGET FOR 1980-81

4. Consideration was given to a budget amendment amending the 1980-81 Annual Operating Budget of the City of Asheville.

The City Manager presented the budget amendment in the amount of \$16,833 to adjust the revenue appropriation and the operating budget for the McCormick Field/Memorial Stadium complex to reflect funding provided by Buncombe County through Asheville City Schools for improvements to Memorial Stadium. The original appropriation was established in July of 1978 in the amount of \$50,000.00, with a total of \$45,873.78 received to date and a final billing of \$4,126.22 still pending.

Councilman Wilkes moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Brownlee and carried unanimously.

ORDINANCE NO. 1206 - AN ORDINANCE AMENDING THE OPERATING AND CAPITAL BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1980-81

5. Consideration was given to an ordinance amending the Operating and Capital Budget for the City of Asheville for Fiscal Year 1980-81.

The City Manager read the ordinance explaining that this ordinance will summarize and ratify all budget amendments approved by City Council from October 1, 1980, through December 31, 1980.

Councilwoman Price moved for the adoption of Ordinance No. 1206. This motion was seconded by Councilman Wilkes.

On a roll call vote of 5-0, Ordinance No. 1206 passed on first reading.

the group development process which would require a review by the Planning and Zoning Commission and approval of Council.

Mr. Carter said the lot proposed to be rezoned is behind his business property and the railroad tracks and is unsuitable for anything but commercial property. He said his plans do not include putting a building on the lot.

Mrs. Sorrells of Fairview Avenue, spoke in opposition to the rezoning. She said the lot in question could have been used for residential property until Mr. Carter graded the lot leaving a steep bank on the property. She said there is no protection for the children in the area from the steep bank. She said their main objection to the rezoning is that they do not want any more industry or business property in the area. She said his present business, a laundrymat, generates a lot of traffic at the present.

Mr. Carter recommended that members of Council go look at the lot proposed to be rezoned. He said his intentions are to grade and landscape the lot. He said he would be willing to build a fence between the lot in question and the adjoining property owner. He said if the property is rezoned he could, in the future, add 10' to 15' to the rear of his present building.

It was the consensus of Council to go look at the property before taking action on the rezoning.

Mr. Terry Grissell, adjoining property owner, spoke in opposition to the rezoning.

A discussion was also held relative to requiring a 6' buffer of trees and/or a fence if a building was, in the future, constructed on the lot in question.

After discussion, Councilman Cole moved to continue the public hearing until March 19, 1981, without further advertisement. This motion was seconded by Councilman Wilkes and carried unanimously.

NOTE: Later in the meeting, a telephone call was received in the City Manager's Office from Mr. Carter requesting that the public hearing be continued until March 26, 1981.

Councilman Cole moved to continue the public hearing relative to rezoning property at 788 Fairview Road until March 26, 1981, without further advertisement. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1203 - AN ORDINANCE TO REGULATE THE USE OF WATER DURING DROUGHT CONDITIONS

3. Consideration was given to the third reading of Ordinance No. 1203, an ordinance to regulate the use of water during drought conditions.

The City Manager said at the March 5, 1981, meeting Council discussed amending the ordinance prior to the third reading to implement two

The City Manager read the resolution explaining that this resolution will reappoint Mr. Patrick Price and Dr. John P. Holt as members of the Asheville School Board to serve for a period of six years from and after the 1st day of April, 1981.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, Resolution 81-45 was unanimously adopted.

Complete text of Resolution 81-45 will be found in Resolution Book No. 12 at page 320.

NOTE: The City Manager said the following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A) Resolution 81-46 - Resolution establishing and designating departments of the City as required by the City Charter.

HIGHLIGHTS: Section 26 of the Asheville City Charter, as enacted by Section 1, Chapter 27 Session Laws of 1981 provides, "that the City Council, after hearing recommendations by the City Manager, shall by resolution establish and designate departments of the City. This resolution will establish the following departments of the City of Asheville: Office of the City Manager, Office of the Associate City Manager/ City Clerk, Department of Administration, Employee Services Department, Finance Department, Planning Department, Community Development Department, Water and Sewer Services Department, Public Works Department, Parks and Recreation Department, Civic Center Department, Fire Department, and Police Department.

Resolution Book No. 12 at page 321.

- B) Resolution No. 81-47 - Resolution authorizing the City Manager to enter into a memorandum of understanding between the City of Asheville and S. L. McHone, Jr.

HIGHLIGHTS: The City of Asheville is in the process of performing work necessary to close the City of Asheville Landfill. The performance of this work must be done in accordance with the property lease provisions and certain requirements of the State of North Carolina. S. L.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1206. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1206 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1206. This motion was seconded by Councilman Brownlee and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1206 passed on the third and final reading.

Complete text of Ordinance No. 1206 will be found in Ordinance Book 9 at page 197.

RESOLUTION NO. 81-44 - RESOLUTION ACCEPTING THE HIGH BID AND AUTHORIZING THE SALE OF CITY PROPERTY, KNOWN AS STARMOUNT DRIVE PROPERTY (WARD 6, SHEET 32, LOT 53)

6. Consideration was given to a resolution accepting the high bid and authorizing the sale of City property, known as Starmount Drive property (Ward 6, Sheet 32, Lot 53).

The City Manager read the resolution explaining that the City Clerk's Office, pursuant to Resolution No. 81-16, advertised the sale of City of Asheville property known as Starmount Drive property (Ward 6, Sheet 32, Lot 53). Arlis Queen submitted the high bid of \$13,600.00 on February 20, 1981, and no upset bids have been received since that date. This resolution will authorize the sale of the property to Arlis Queen in the amount of \$13,600.00.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 81-44 was unanimously adopted.

Complete text of Resolution 81-44 will be found in Resolution Book No. 12 at page 319.

APPROVAL OF THE CONSENT AGENDA

7. Consideration was given to a motion for the approval of the consent agenda.

Councilwoman Price moved to consider Item E on the consent agenda, Resolution appointing members to the Asheville School Board, separately. This motion was seconded by Councilman Cole and was carried unanimously.

RESOLUTION NO. 81-45 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE SCHOOL BOARD

Consideration was given to a resolution appointing members to the Asheville School Board.

HIGHLIGHTS: The Planning and Zoning Commission at its meeting held on March 4, 1981, reviewed the site plan of the proposed Sky Harbor Factory Outlet Mall to be located at State Street and Amboy Road. After discussion the Commission voted to approve the proposed plan subject to the following: 1) Widening of service road entrance to allow for fire trucks; 2) Erosion control ordinance; 3) Approval from the Department of Human Resources; 4) Easements for entrance; 5) Easements for water and sewer lines; 6) Adequate buffering and landscaping plan.

- F) Scheduling of a public hearing relative to rezoning property along Leicester Highway from R-3 Residential District to CS Commercial Service District for April 2, 1981.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at its meeting held on March 4, 1981, considered a request of Eliada Home to rezone property in the Leicester Highway area from R-3 Residential District to CS Commercial Service District. The City Council requested that the entire area along Leicester Highway from the City limit line to the end of the City's zoning jurisdiction be included in this review. After discussion the Planning and Zoning Commission moved to approve the rezoning of several lots along Leicester Highway.

- G) Scheduling of a public hearing relative to rezoning property east of Roberts Street, south of Patton Avenue, west of Park Avenue and north of Clingman Avenue from H-1 Heavy Industrial to R-4 Residential District for April 2, 1981.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at its March 4, 1981, reviewed the request of Mr. Howard Hanger and other property owners that certain lots on Sheets 3 and 4 of Ward 4, be rezoned from H-1 Heavy Industrial to R-4 High Density Residential District. After discussion the Planning and Zoning Commission moved to approve a portion of the lots requested to be rezoned by Mr. Howard Hanger and other property owners.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, the consent agenda was unanimously approved.

RESOLUTION 81-50 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH W & W CONTRACTING COMPANY, FOR THE PROJECT KNOWN AS HAW CREEK SEWER LINE

Consideration was given to a resolution authorizing the Mayor to

McHone, Jr., is highly qualified to oversee this work and is familiar with the City of Asheville Landfill property, the property lease provisions, and the requirements of the State of North Carolina Landfill sites. This resolution will authorize the City Manager to execute a memorandum of understanding between the City and S. L. McHone, Jr., for the performance of consulting services required to insure that the lease provisions and the requirements of the State of North Carolina applicable to Landfills are met.

Resolution Book No. 12 at page 322.

- C) Resolution No. 81-48 - Resolution of intent to close an alley adjoining Boyd Avenue and calling a public hearing on the question for April 16, 1981.

HIGHLIGHTS: A petition has been received from William Harrison, by and through William F. Wolcott, III, his Attorney of Record, requesting that an alley adjoining the west margin of Boyd Avenue be permanently closed to public use. The petitioners are the owners of the property adjoining said alley and the alley has never been physically opened nor maintained for public use as an alley or means of access to any land adjoining it. A public hearing relative to the closing of said alley will be held April 16, 1981.

Resolution Book No. 12 at page 323.

- D) Resolution No. 81-49 - Resolution authorizing John A. Powell to encroach upon the right-of-way of unnamed alley at 53 North Market Street.

HIGHLIGHTS John A. Powell has requested permission to encroach upon the right-of-way of an unnamed alley, located along the westernmost edge of property at 53 N. Market Street, for the purpose of placement of brick screen wall. The request for encroachment has been investigated by the Department of Public Works and in their opinion would not hinder the safe flow of traffic or pedestrian movement along the abovementioned alley. This resolution will authorize the encroachment upon said alley.

Resolution Book No. 12 at page 325.

- E) Scheduling of a public hearing relative to the site plan of the proposed Sky Harbor Factory Outlet Mall to be located at State Street and Amboy Road, plan prepared by Kenneth O. Pankow, Engineers, for C.C. Blount Associates, Developer, for April 2, 1981.

standing the Council would be making decisions in the next few weeks relative to the Strouse-Greenberg project in the Downtown area. He offered his organizations help in making their decisions.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilman Wilkes the meeting adjourned at 5:20 P.M.

Ray M. Hamilton
MAYOR

Harold J. Mellett
CITY CLERK

sign on behalf of the City of Asheville a contract with W & W Contracting Company, for the project known as Haw Creek Sewer Line.

The City Manager read the resolution explaining that on February 10, 1981, bids were opened on the Haw Creek Sewer Line Project. W. & W. Contracting Company submitted the low bid of \$123,022. This resolution will authorize the Mayor to award the bid to W & W Contracting Company.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, Resolution No. 81-50 was unanimously adopted.

Complete text of Resolution 81-50 will be found in Resolution Book No. 12 at page 326.

RESOLUTION NO. 81-51 - RESOLUTION ACCEPTING A DEED FROM THE OWNERS OF PROPERTY LOCATED ON NEW HAW CREEK ROAD AND AUTHORIZING THE CITY CLERK TO RECORD SAID DEED WITH THE REGISTER OF DEEDS FOR BUNCOMBE COUNTY

Consideration was given to a resolution accepting a Deed from the owners of property located on New Haw Creek Road and authorizing the City Clerk to record said deed with the Register of Deeds for Buncombe County.

The City Manager read the resolution explaining that Boyd W. and Jimmie C. Holcombe have executed an easement conveying to the City of Asheville a certain tract of land on New Haw Creek Road for the purpose of constructing and maintaining a sewer line. This resolution will accept the deed from Boyd W. and Jimmie C. Holcombe and direct the City Clerk to record said deed.

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, Resolution No. 81-51 was unanimously adopted.

Complete text of Resolution 81-51 will be found in Resolution Book No. 12 at page 327.

PROCLAMATION - AMERICAN ENERGY WEEK - MARCH 15 - 21, 1981

Vice-Mayor Morris proclaimed the week of March 15-21, 1981, as American Energy Week.

CLAIMS - EASTER J. BROWNING - MICHAEL D. FORKIN - MRS. FRANKIE CALHOUN - ELIMINA INMAN - DAWN LANTZIUS

The City Manager presented claims received from Easter J. Browning, Michael D. Forkin, Mrs. Frankie Calhoun, Elmina Inman and Dawn Lantzus.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

WAYNE CALDWELL - COMMENTS RELATIVE TO ASHEVILLE DOWNTOWN COMMERCIAL COMPLEX - STROUSE-GREENBERG

Wayne Caldwell, of Save Downtown Asheville, said it was his under-

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-53 was unanimously adopted.

Complete text of Resolution No. 81-53 will be found in Resolution Book No. 12 at page 329.

The City Manager read the resolution relative to the execution of an easement agreement.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-54 was unanimously adopted.

Complete text of Resolution No. 81-54 will be found in Resolution Book No. 12 at page 330.

ORDINANCE NO. 1207 - AN ORDINANCE AMENDING ARTICLE V (ASHEVILLE REVITALIZATION COMMISSION) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO INCLUDE EXPANDED DUTIES IN CONNECTION WITH THE DEPARTMENT OF ECONOMIC DEVELOPMENT

3. Consideration was given to an ordinance amending Article V (Asheville Revitalization Commission) of the Code of Ordinances of the City of Asheville to include expanded duties in connection with the Department of Economic Development.

The City Manager said that in the three and one-half years since the establishment of the Revitalization Commission it has become apparent that the role of the Commission should be expanded to incorporate the general and continuous revitalization and economic needs of the City. The proposed amendment to the Asheville Revitalization Commission Ordinance would retain the spirit and vitality of the membership of this Commission while blending its responsibilities with those of the new Department of Economic Development.

Upon inquiry of the City Manager, the Corporation Counsel said it would not be necessary to read the entire ordinance since members of Council were furnished copies of the ordinance and fully understood the contents therein. He said the news media had also been informed of the contents of the ordinance.

Councilman Wilkes moved for the adoption of Ordinance No. 1207. This motion was seconded by Councilman Brownlee.

On a roll call vote of 6-0, Ordinance No. 1207 passed on first reading.

Councilman Cole moved to suspend the rules and proceed to the second reading of Ordinance No. 1207. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1207 passed on second reading.

Councilman Cole moved to suspend the rules and proceed to the third reading of Ordinance No. 1207. This motion was seconded by Councilwoman Price and carried unanimously.

Thursday - March 19, 1981 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilwoman Norma T. Price, Councilmen F. Jack Cole, Harold F. Brownlee, H. C. Wilkes, and Walter R. Boland, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Ralph D. Morris, Jr.

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

Councilman Wilkes commended Mayor Trantham for contacting officials in Atlanta to offer the City of Asheville's help in their problem in the killings in Atlanta.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 12, 1981, meeting.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, the minutes of the March 12, 1981, meeting were approved as submitted.

PUBLIC HEARING - CLOSING OF BURTON STREET

RESOLUTION 81-53 - RESOLUTION TO CLOSE A PORTION OF BURTON STREET

RESOLUTION 81-54 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN EASEMENT AGREEMENT WITH GEDWIN ROBERSON, GAYNELL ROBERSON, PAUL B. ROBERSON, MARY H. ROBERSON, HUGH H. ROBERSON AND CECILIA R. ROBERSON FOR THE PURPOSE OF MAINTAINING AN EXISTING SEWER LINE THROUGH THEIR JOINTLY OWNED PROPERTY ALONG PATTON AVENUE

2. A public hearing was held relative to closing a portion of Burton Street.

Mayor Trantham opened the public hearing at 4:10 p.m.

The City Manager presented the notice to the public setting the date and time for the public hearing.

William C. Frue, Attorney for the petitioners, said City Council closed Burton Street Bridge, by adoption of Resolution No. 77-98. He said it was the petitioner's intent at the time of the closing of Burton Street Bridge to have this portion of Burton Street closed also. He said the City has in fact physically closed Burton Street as it traverses the property owned by the petitioners.

The City Manager read the resolution to close a portion of Burton Street.

5. Consideration was given to a resolution authorizing the establishment of Street Lighting Policy for the City of Asheville.

The City Manager read the resolution explaining that the City of Asheville has installed street lights in both residential and commercial areas upon the request of nearby residents or business people. Formerly little consideration was given to the cost involved for the continuing operations of the street lights as well as rational approaches to the spacing or clustering of the lights. It is now desirous that a specific policy be implemented which will provide assistance to the Traffic Engineering Division in assessing the need, the spacing and quantity of street lights the City of Asheville will provide and maintain. This resolution will establish a street lighting policy.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 81-56 was unanimously adopted.

Complete text of Resolution No. 81-56 will be found in Resolution Book No. 12 at page 332.

CITY COUNCIL MEETING - MARCH 26, 1981 - THOMAS WOLFE AUDITORIUM - ASHEVILLE CIVIC CENTER

6. Consideration was given to a motion scheduling the regular session of the City Council for Thursday, March 26, 1981, for 3:00 P.M. instead of 4:00 P.M., the location to be the Thomas Wolfe Auditorium at the Civic Center.

Councilman Wilkes moved to schedule the regular session of the City Council meeting for Thursday, March 26, 1981, for 3:00 P.M. instead of 4:00 P.M. the location to be the Thomas Wolfe Auditorium at the Civic Center. This motion was seconded by Councilman Boland and carried unanimously.

APPROVAL OF CONSENT AGENDA

7. Consideration was given to a motion approving the items on the consent agenda.

NOTE: The following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A) Scheduling of a hearing relative to an appeal of the decision of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund for W. B. Allison for April 16, 1981.

On a roll call vote of 6-0, Ordinance No. 1207 passed on third and final reading.

Complete text of Ordinance No. 1207 will be found in Ordinance Book No. 9 at page 198.

Councilman Boland said the City, in making future ventures of this type, might want to consider a joint City/County venture, since revitalization and economic development happenings in the County also affect the City of Asheville. He said he was also interested in the non-profit development corporation outlined in the ordinance.

Upon inquiry of Councilman Boland, the City Manager said in the next few weeks he would clarify the responsibilities of the Planning and Zoning Commission as it relates to the functions of the Asheville Revitalization Commission and the Department of Economic Development. He said there were no duplicate responsibilities but he would clearly define the responsibilities.

RESOLUTION NO. 81-55 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

4. Consideration was given to a resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

The City Manager read the resolution explaining that this application for a grant will be to obtain federal financial assistance to support transit operations. The grant, under Section 5 of the Urban Mass Transportation Act of 1964, as amended, will provide 50% funding for operating cost incurred by the Asheville Transit Authority. This is an annual grant and will be for the period July 1, 1980 to June 30, 1981. The project cost is estimated at \$825,222. The federal share will be \$412,611 and the local share will be \$412,611.

A discussion was held relative to federal funding for the operating cost of the Asheville Transit Authority in future years.

Mr. Carl Owenby of the Planning Department, said funding would be available through 1985 from the Federal Government.

A discussion was held relative to the long range plans for the transit operations.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, Resolution No. 81-55 was unanimously adopted.

Complete text of Resolution No. 81-55 will be found in Resolution Book No. 12 at page 331.

RESOLUTION NO. 81-56 - RESOLUTION AUTHORIZING THE ESTABLISHMENT OF STREET LIGHTING POLICY FOR THE CITY OF ASHEVILLE

\$6,400 and to accept the high bid of Jerry Payne, Inc., to purchase the personal property therein in the amount of \$25. Funding will be 66-02-695 - Motor Transport Facility Fund.

Upon motion of Councilman Cole, seconded by Councilman Boland, the consent agenda was unanimously approved.

RESOLUTION NO. 81-59 - RESOLUTION APPROVING APPLICATION FOR PRELIMINARY LOAN FOR LOW RENT PUBLIC HOUSING

8. Consideration was given to a resolution approving application for preliminary loan for low rent public housing.

The City Manager said Mr. David Jones, Executive Director of the Asheville Housing Authority met with the Asheville City Council during the pre-meeting on March 19, 1981, and explained that there were funds available for low rent housing in the City of Asheville.

The City Manager read the resolution explaining that this will authorize the Housing Authority to submit an application for 40 units of elderly conventional units.

Upon motion of Councilman Boland, seconded by Councilman Cole, Resolution No. 81-59 was unanimously adopted.

Complete text of Resolution No. 81-59 will be found in Resolution Book No. 12 at page 335.

RESOLUTION NO. 81-60 - RESOLUTION APPROVING APPLICATION FOR PRELIMINARY LOAN FOR LOW RENT PUBLIC HOUSING

9. Consideration was given to a resolution approving application for preliminary loan for low-rent public housing.

The City Manager read the resolution explaining that this would authorize the Housing Authority to submit an application for 40 units of family conventional units.

Upon motion of Councilman Boland, seconded by Councilman Cole, Resolution No. 81-60 was unanimously adopted.

Complete text of Resolution No. 81-60 will be found in Resolution Book No. 12 at page 336.

RESOLUTION NO. 81-61 - RESOLUTION AUTHORIZING THE EXECUTION OF A COOPERATION AGREEMENT

10. Consideration was given to resolution authorizing the execution of a cooperation agreement.

The City Manager read the resolution explaining that the cooperation agreement was necessary pursuant to the resolution previously adopted.

HIGHLIGHTS:

W. B. Allison retired from the Asheville Police Department under normal retirement in 1977. In December of 1978, Mr. Allison requested a change of status from normal retirement to disability retirement in the line of duty. After reviewing evidence presented by Mr. Allison, the Board of Trustees denied Mr. Allison's request. Mr. Allison is appealing the decision of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund to the Asheville City Council. This hearing, pursuant to N. C. General Statute, will be held on April 16, 1981, at the regular Council meeting.

- B) Resolution No. 81-57 - Resolution authorizing the Director of Finance to sell surplus property.

HIGHLIGHTS:

This resolution will authorize the Director of Finance to sell seven waste container boxes and one 1969 Front-end Tractor. This property has no beneficial use to the City and must be removed from the City landfill site so that work required to close the landfill may begin. The Asheville City Charter provides that no sale or other disposition of surplus personal property of the City of Asheville having a replacement cost in excess of \$100 shall be made by the Director of Finance unless direction be made by Council by resolution.

Resolution Book No. 12 at page 333.

- C) Resolution No. 81-58 - Resolution authorizing the Mayor of the City of Asheville to execute a Deed of Easement in favor of the North Carolina Department of Transportation.

HIGHLIGHTS:

The North Carolina Department of Transportation has requested the City of Asheville to execute a Deed of Easement for a right-of-way relative to State Project 8.2017501 (widening of Valley Street). The North Carolina Department of Transportation has agreed to pay the City of Asheville \$124,524 for this easement.

Resolution Boook No. 12 at page 334.

- D) Approval of bids received March 12, 1981, to demolish existing structures on property known as the E. Ted Linn property and/or the purchase of various personal property therein.

HIGHLIGHTS:

Five bids were received. Recommendation of acceptance of low bid submitted by Perry M. Alexander Construction Co. in the amount of

Thursday - March 26, 1981 - 3:00 p.m.
Asheville Civic Center
Thomas Wolfe Auditorium

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, Harold F. Brownlee, and Walter R. Boland, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman H. C. Wilkes

INVOCATION

The invocation was given by Councilman Walter R. Boland.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 19, 1981, meeting.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, the minutes of the March 19, 1981, meeting were approved as submitted.

CONTINUATION OF PUBLIC HEARING - REZONING PROPERTY AT 788 FAIRVIEW ROAD

ORDINANCE NO. 1205 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED (Property at 788 Fairview Road)

2. A public hearing relative to rezoning property at 788 Fairview Road was continued from the March 12, 1981, meeting.

Mayor Trantham said that this public hearing was opened at the March 12, 1981, meeting and continued until the March 26, 1981, meeting to give Council members an opportunity to visit the property in question.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held February 4, 1981, considered the petition of Mr. Fletcher Carter that Ward 7, Sheet 26, Lot 380, be rezoned from R-3 Medium Density Residential District to CG Commercial General District. After discussing the issues of this request, the Commission voted to accept the Staff report and recommend to City Council that the property be rezoned as petitioned. At the March 12, 1981, meeting, the City Council continued the public hearing until March 26, 1981, to give Council members an opportunity to visit the property in question.

Mr. Emrick said that opposition was received at the Planning and Zoning meeting as well as at the public hearing on March 19, 1981, meeting of the City Council. He said that he had been told that the adjoining property owner, Mr. Friszell had withdrawn his opposition. He said Mr. Carter proposes to use the property for parking purposes.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-61 was unanimously adopted.

Complete text of Resolution No. 81-61 will be found in Resolution Book No. 12 at page 337.

RESOLUTION NO. 81-62 - RESOLUTION AUTHORIZING THE EXECUTION OF A COOPERATION AGREEMENT

10. Consideration was given to resolution authorizing the execution of a cooperation agreement.

The City Manager read the resolution explaining that the cooperation agreement was necessary pursuant to the resolution previously adopted.

Upon motion of Councilman Wilkes, seconded by Councilman Brownlee, Resolution No. 81-62 was unanimously adopted.

Complete text of Resolution No. 81-62 will be found in Resolution Book No. 12 at page 338.

CLAIMS - MRS. F. M. OWENS - PHIL HAMBY - HOWARD LYDA

The City Manager presented claims received from Mrs. F. M. Owens, Phil Hamby and Howard Lyda.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendations.

AGREEMENT - PATTON - HUNTER, COMPANY - WATER DEPARTMENT CHARGES

The City Manager said the City of Asheville has received \$400,000 from the County of Buncombe for administrative services provided to the Water Department. He said the Water Authority would be reviewing the Water Department budget this year and he felt that it would be in the best interest of the City to have a survey made to determine if the charges are correct. He said he had requested Patton and Hunter to submit a proposal for the survey and he had received the proposal in the amount of \$4,000. He requested that Council authorize the City Manager to execute an agreement with Patton and Hunter, Company, to determine if the charges to the Water Department are correct.

Councilwoman Price moved that the City Manager be authorized to execute an agreement with Patton and Hunter, Company, to determine if the charges to the Water Department for administrative services are correct. This motion was seconded by Councilman Boland and carried unanimously.

ADJOURNMENT

Upon motion of Councilman Wilkes, seconded by Councilman Cole the meeting adjourned at 5:20 p.m.

MAYOR

CITY CLERK

annexation. He said before the public hearings Council must adopt a plan of annexation, which would be scheduled for consideration on April 9, 1981. He said the full plan and the services that would be provided would be discussed at the public hearing on April 30, 1981. He said after the public hearing, Council will consider the adoption of annexation ordinances and the ordinances will be considered on May 14, May 21, and May 28, 1981. He said the effective date of the annexation ordinances, if adopted, would be June 30, 1981.

RESOLUTION NO. 81-63 - RESOLUTION OF INTENT OF THE CITY OF ASHEVILLE TO CONSIDER THE ANNEXATION OF A PORTION OF AN AREA LYING IN BUNCOMBE COUNTY, NORTH CAROLINA, GENERALLY KNOWN AS THE CHUNNS COVE AREA

4. Consideration was given to a Resolution of Intent of the City of Asheville to consider the annexation of a portion of an area lying in Buncombe County, North Carolina, generally known as the Chunns Cove Area.

Verl Emrick, Director of Planning, by the use of an overhead projector described the Chunns Cove area being considered for annexation.

Mr. Emrick then read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Cole, Resolution No. 81-63 was unanimously adopted.

Complete text of Resolution No. 81-63 will be found in Resolution Book No. 12 at page 339-340.

NOTE: Later during the meeting the Corporation Counsel said that an error was found in the legal description in Resolution 81-63. Councilman Boland moved that Resolution 81-63 be amended by deleting the word "northwesterly" in line 9 in the legal description and inserting in lieu thereof the word "northeasterly." This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 81-64 - RESOLUTION OF INTENT OF THE CITY OF ASHEVILLE TO CONSIDER THE ANNEXATION OF A PORTION OF AN AREA LYING IN BUNCOMBE COUNTY, NORTH CAROLINA, GENERALLY KNOWN AS THE BINGHAM ROAD AREA

5. Consideration was given to a Resolution of Intent of the City of Asheville to consider the annexation of a portion of an area lying in Buncombe County, North Carolina, generally known as the Bingham Road Area.

Verl Emrick, Director of Planning, by the use of an overhead projector described the boundaries of the Bingham Road being area considered for annexation.

Mr. Emrick then read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-64 was unanimously.

Complete text of Resolution No. 81-64 will be found in Resolution Book No. 12 at page 341-343.

Upon inquiry of Councilwoman Price, Mr. Emrick said if the property is developed a buffer, between the commercial and the residential property could be required.

Mr. Carter spoke in support of the rezoning of his property at 788 Fairview Road. He said the adjoining property owner, Mr. Friszell, has no objection to the rezoning. He said they had discussed building a fence between the two properties and he would be willing to put a buffer between the two properties.

Mayor Trantham closed the public hearing at 3:25 p.m.

The City Manager read the ordinance rezoning the property as petitioned.

Councilwoman Price moved for the adoption of Ordinance 1205. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1205 passed on first reading.

PROCEDURES FOR CONSIDERING ITEMS RELATIVE TO ANNEXATION

3. Mayor Trantham noted that the consideration of the Resolutions of Intent scheduled on the agenda is not a public hearing process. He said the public hearing would be held on April 30, 1981. However, anyone wishing to speak relative to the adoption of the resolutions would be given an opportunity to speak. He asked that a spokesman for a group, limit their comments to five minutes and individual speaking for themselves, limit their comments to three minutes. He said those attending and wishing to speak on a particular area was asked to sign a form when they arrived at the meeting. He said that individuals signing the forms would be called on first then others wishing to speak would be given an opportunity.

Verl Emrick, Director of Planning, said for the past year the City has been considering annexing thirteen areas that are contiguous to the municipal boundary. He said these were studied in detail applying the general standards required by the North Carolina General Statutes. He said the final recommendations were presented to Council on March 17, 1981. He said the Planning Staff went through a process of community meetings to receive opinions from individuals that would be affected by the annexations. He said tape recordings of the community meetings were made available to Council on March 17, 1981.

Mr. Emrick reviewed the different ways a municipality can annex areas pursuant to the North Carolina General Statutes. He said all requirements of the North Carolina General Statutes must be met in annexing property into the City.

Mr. Emrick said at the presentation to Council on March 17, 1981, a specific timetable and process was also presented. He said the first process is to prepare a plan for annexation, which has been done and presented to Council. He said the second step is the adoption, by Council, of Resolutions of Intent to annex and the scheduling of public hearings relative to the

Verl Emrick, Director of Planning, by the use of an overhead projector described the boundaries of the Sweeten Creek Road area being considered for annexation.

Mr. Emrick then read the resolution.

Martha Weir of 1741 Hendersonville Road, said her family owns a farm in the area proposed for annexation. She said the farm is the first parcel of land on the right to be annexed. She said the land is very productive and annexation could change the status of the property. She requested that Council exempt farm land from annexation.

At the request of Mayor Trantham, Attorney Herbert Hyde, representing the City on legal matters dealing with annexation, said the annexation ordinances were prepared in detail and very precise, pursuant to the requirements outlined in the North Carolina General Statutes dealing with annexation by municipalities. He said several standards have to be met in annexing property. He said if Council granted any exclusions from the annexation area, it might make the whole area ineligible for annexation. He said Council should be very careful in considering any amendments or changes to the annexation plan or ordinance.

Upon inquiry of Mrs. Martha Weir, Mr. Hyde said the Racquet Club was excluded from the annexation area, due to the fact that including the Racquet Club would have reduced the population level area and the population test as required by the North Carolina General Statutes could not be met.

Stuart Lewis, President of the Executive Committee of Crowfields, said the residents in the Crowfield area were very opposed to the proposed annexation. He said Crowfields comprises about 150 unit owners, with property values in excess of \$10,000,000, which would be approximately ten percent (10%) of the proposed annexation area in the four areas under consideration for annexation. He said at the present there are no deficiencies in services, in Crowfields. He said the only thing Crowfield owners would receive from the annexation would be a tax bill of \$100,000 per year. He said there was a lack of orderly growth in the proposed annexation plan. He said it had been changed several times in the last year. He said Crowfields has retained legal counsel to represent their interest. He said they feel the annexation plan is not a sound one. He said they are concerned about the friction that has developed between the City and the County. He said the Council members should have attended the community meetings held by the Planning Department. He said Council should take a long range look at whether this is the way to go for orderly growth for the City of Asheville.

Lee Jackson, of Ballantree, said the basic response of all those attending the community meeting at T. C. Roberson High School, relative to annexation was overwhelmingly negative. He said the Ballantree residents were 100% opposed to the proposed annexation. He said the Ballantree residents are not lacking for service at the present time. He said if they wanted to be annexed there are provisions in the statutes for them to petition to be annexed.

Mr. Edmund Burke, Jr., of Crowfields, quoted statements from the newspaper made by Governor Hunt that citizens have a right to express their

RESOLUTION NO. 81-65 - RESOLUTION OF INTENT OF THE CITY OF ASHEVILLE TO CONSIDER THE ANNEXATION OF A PORTION OF AN AREA LYING IN BUNCOMBE COUNTY, NORTH CAROLINA, GENERALLY KNOWN AS THE PATTON AVENUE AREA

6. Consideration was given to a Resolution of Intent of the City of Asheville to consider the annexation of a portion of an area lying in Buncombe County, North Carolina, generally known as the Patton Avenue Area.

Verl Emrick, Director of Planning, by the use of an overhead projector described the boundaries of the Patton Avenue area being considered for annexation.

Mr. Wayne Cooper, of 139 Smokey Park Highway said he had a letter signed by sixty-four people in the Patton Avenue area that will be sent to the Congressman and Senators in Raleigh. He said a lot of questions need to be answered relative to the annexation. He said Square D, Wintex, Oldsmobile, AppleTree, and Switzer would not have located in that area if it had been in the City limits. He said annexation would force industry to move out and the City would loose in the end. He said he personally feels a metropolitan government would be better. He said the people in the area will receive nothing in return for their annexation. He asked why the City didn't annex Biltmore Forest. He said the City needs to give this matter very serious thought and he felt that the City should offer more in annexations. He said the people in the Patton Avenue area were very angry over the proposed annexation.

W. V. Henry of 98 Starnes Cove Road, asked why Asheville School was included in the annexation when there should be two people per acre according to the calculations in the North Carolina General Statutes.

Mr. Emrick informed Mr. Henry that Institutional property, such as the Asheville School is exempt from the calculations required by the North Carolina General Statutes.

Mr. Henry said the City's projects such as the Urban Renewal, Civic Center, and the Parking Garage did not go as planned and the Downtown Area has a lot of vacant buildings. He asked what kind of assurance the City could give to the residents of Buncombe County that their lives and property would not be administered in the same manner.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 81-65 was unanimously adopted.

Complete text of Resolution No. 81-65 will be found in Resolution Book No. 12 at page 343-344.

RESOLUTION NO. 81-66 - RESOLUTION OF INTENT OF THE CITY OF ASHEVILLE TO CONSIDER THE ANNEXATION OF A PORTION OF AN AREA LYING IN BUNCOMBE COUNTY, NORTH CAROLINA, GENERALLY KNOWN AS THE SWEETEN CREEK ROAD AREA

7. Consideration was given to a Resolution of Intent of the City of Asheville to consider the annexation of a portion of an area lying in Buncombe County, North Carolina, generally known as the Sweeten Creek Road Area.

cation to the city's tax collecting agent and upon the showing of proof of purchase of the first motor vehicle registration, a second registration may be purchased for fifty cents (\$0.50) if the motor vehicle so registered is sold or traded or if the original registration decal is lost or destroyed.

Mr. Smith said the City Manager met with officials from the County and the Board of Tax Supervision and an agreement was reached that a special form would be sent out with the Tax Listing forms, sent out in December, for residents of the City to register their motor vehicles and return the form to the City along with the registration fee prior to February 15th of each calendar year.

Mr. Smith then re-read the ordinance incorporating the amendments to the ordinance.

Councilwoman Price moved that Ordinance No. 1204 be amended as read by Mr. Smith. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1204 passed on second reading.

BUDGET AMENDMENT - CITY OF ASHEVILLE COMMUNITY DEVELOPMENT FUND BUDGET

10. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budget.

The City Manager presented the budget amendment in the amount of \$3,239 to provide payment for construction and inspection costs for the West Asheville Street and Drainage Project. He said funding would be provided from the Haywood Road Sewer Line Project.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Brownlee and carried unanimously.

SIGN PERMIT - AMERICAN LOG HOMES, INC. - 295 HAYWOOD STREET

11. Consideration was given to a sign permit for the American Log Homes, Inc., at 295 Haywood Street.

The City Manager said American Log Homes, Inc., has applied for a sign permit to erect wall lettering on their building at 295 Haywood Street. This property is zoned commercial regional. The sign meets all building and zoning requirements. The sign will be within 600 feet of a limited access highway requiring approval from Council pursuant to Zoning Ordinance No. 322. American Log Homes, Inc., received approval from Council on February 26, 1981, to erect a roof sign with 24" lettering.

After discussion, it was a consensus of Council that this item be postponed until the April 2, 1981, meeting.

RESOLUTION NO. 81-67 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN A REVISED MEMORANDUM OF UNDERSTANDING WITH STROUSE-GREENBERG COMPANY EXTENDING THE DATE OF THE CITY'S DECISION REGARDING THE PROJECT. UNTIL SEPTEMBER 1, 1981

opinions relative to annexation and the Council would consider their opinions. He said he hoped this Council would consider the opinions being given as stated by Governor Hunt.

Marion Hanover, of Skyland asked if their property is annexed, would Council provide the residents the same type services they are now receiving such as, garbage service, including carrying the cans to the street and back and personal Rescue and Ambulance Service. She said the proposed annexation is "aggression" or an "unprovoked attack." She said the people in the area have no rights to defend themselves.

Upon motion of Councilman Boland, seconded by Councilman Cole, Resolution No. 81-66 was unanimously adopted.

Complete text of Resolution No. 81-66 will be found in Resolution Book No. 12 at page 345-348.

ANNEXATION PLAN TO BE CONSIDERED - APRIL 9, 1981

8. Vice-Mayor Morris moved that the final plan for annexation be considered for adoption at the April 9, 1981, City Council meeting to be held at the Asheville Civic Center at 4:00 p.m. This motion was seconded by Councilman Brownlee and carried unanimously.

ORDINANCE NO 1204 - AN ORDINANCE AMENDING SECTION 28-154 OF THE CITY OF ASHEVILLE CODE OF ORDINANCES TO CLARIFY THE MOTOR VEHICLE REGISTRATION REQUIREMENT

9. Consideration was given to the second reading of Ordinance No. 1204, an ordinance amending Section 28-154 of the Asheville Code of Ordinances to clarify the motor vehicle registration requirement.

Mayor Trantham said this ordinance was previously read on its first reading on March 12, 1981, and would not be reread in its entirety unless there was a specific request to do so.

Mr. Mike Smith, Director of Administration, said during the discussion of this ordinance at the first reading, legislation and enforcement problems were encountered. He said Council asked the City staff to determine easier and more enforceable means of collecting the motor vehicle registration fees. He said an amendment has been prepared for Councils' consideration to include that any motor vehicle, private or for hire, including any taxi or truck, which is required to be listed for the purposes of personal property taxes within the City of Asheville and for which a North Carolina State license plate or tag is issued shall be registered with the tax collecting agent with the City of Asheville designated by the City Manager; provided, however, that motor vehicles weighing 300 pounds or less need not be registered. The period of registration shall include the twelve months following January 1st of each calendar year. The registration fee shall be due and payable on or before February 15th of each calendar year. The fee for such registration shall be five dollars (\$5.00) if the motor vehicle is registered within six months from the beginning of the period of registration or two dollars and fifty-cents (\$2.50) if the motor vehicle is registered in the second six months of the period of registration. Upon personal appli-

- A) Resolution No. 81-68 - Resolution authorizing the Mayor of the City of Asheville to enter into a lease agreement for the City for use of the Asheville Catholic Community School Athletic Field and Playground.

HIGHLIGHTS: The City of Asheville Parks and Recreation Department has for several years used the Asheville Catholic Community School athletic field during evening hours throughout the spring and summer in order to conduct a Little League program in the North Carolina area. In order to continue the Little League program in the North Asheville area and preserve the cooperative agreement for use of the Asheville Catholic Community School athletic field, a formal Lease is proposed. The City of Asheville desires to lease the Asheville Catholic Community School athletic field and playground for the period of April 1, 1981, through August 15, 1981, at a rent of One (\$1.00) Dollar.

Resolution Book No. 12 at page 350.

- B) Resolution No. 81-69 - Resolution authorizing the Director of Parks and Recreation to enter into a lease agreement with the Asheville Civic Center on behalf of the Asheville Buncombe County Youth Council for the presentation of the Battle of the Bands.

HIGHLIGHTS: The Asheville Buncombe County Youth Council plans to present the Annual Battle of the Bands, a band competition for area teenagers. The Battle of the Bands is scheduled for Saturday evening, May 16, 1981, at 8:00 p.m., and community business - sponsored cash awards will be distributed to winners of the competition. The Asheville Civic Center has reserved the exhibition hall for this event upon a guarantee of \$600 of which the youth council will secure through admission charges of tickets. This resolution will authorize the Director of Parks and Recreations to enter into a lease agreement on behalf of the Asheville Buncombe County Youth Council for the presentation of the 1981 Battle of the Bands at the Asheville Civic Center.

Resolution Book No. 12 at page 351.

- C) Resolution No. 81-70 - Resolution authorizing the Motor Transport Superintendent to dispose of property by private sale at a negotiated price.

HIGHLIGHTS: Article 12 of Chapter 160A of North Carolina General Statutes provides that a municipality

12. Consideration was given to a resolution authorizing the City Manager to sign a revised memorandum of understanding with Strouse-Greenberg Company extending the date of the city's decision regarding the project, until September 1, 1981.

The City Manager read the resolution explaining that on December 22, 1980, the City Council entered into a memorandum of understanding with Strouse-Greenberg Company. The agreement required that the City Council decide whether or not to proceed with the project by April 1, 1981. However, there are several factors which indicate that the City Council should extend the decision date from April 1, 1981, to September 1, 1981: 1) The draft report from Price, Waterhouse Company indicates that the project "offers the City a potentially significant economic stimulus in the presently deteriorating downtown area" but there are four areas of concern which require a timely resolution, those being: a) off-site costs; b) tax-exempt bond status; c) UDAG grant; and d) major anchor tenants. The two major concerns of the City in this list are the off-site costs and the UDAG grant. The majority of the off-site costs are road projects, the funding of which is directly related to the federal budget and the North Carolina General Assembly action related to the state budget in general and specific action it might take on the Department of Transportation Blue Ribbon Study recommendations. The current status of federal grant programs is uncertain and the decision regarding federal budget amendments and new federal programs will probably not stabilize until late summer. And, the decisions regarding the state budget may be postponed until the federal budget is decided.

Joe Lowrance, with Strouse-Greenberg, Company, said that his company is in agreement with the resolution as presented by the City Manager.

Wayne Caldwell, President of Save Downtown Asheville, requested that Council not approve or renew the memorandum of understanding with Strouse-Greenberg, Company. He said the present developers in the downtown area would like to continue with revitalizing the area. He said they hesitate to continue until they can be assured that the Strouse-Greenberg project will not be approved.

Upon motion of Councilman Boland, seconded by Councilwoman Price, Resolution No. 81-67 was unanimously adopted.

Complete text of Resolution No. 81-67 will be found in Resolution Book No. 12 at page 349.

APPROVAL OF THE CONSENT AGENDA

13. The City Manager said the following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

The City Manager read the resolution explaining that this action was necessary in order to comply with FAA regulations in regard to the light lane.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 81-72 was unanimously adopted.

Complete text of Resolution No. 81-72 will be found in Resolution Book No. 12 at page 354.

CLAIMS - WAYNE JUSTICE - TIMOTHY TAYLOR - HOWELL CLINKSCALE - ELMA BLAKE

The City Manager presented claims received from Wayne Justice, Timothy Taylor, Howell Clinkscale and Elma Blake.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilman Brownlee, the meeting adjourned at 5:30 P.M.

MAYOR

CITY CLERK

may dispose of personal property valued at less than \$5,000 for any one item or group of similar items through private negotiation and sale. The Motor Transport Division of the City of Asheville has approximately 150 used tires for which the City has no use. The value of this personal property is less than \$5,000 for the group of similar items. This resolution will authorize the Motor Transport Superintendent to dispose of the property described above by private sale at a negotiated price.

Resolution Book No. 12 at page 352.

- D) Resolution No. 81-71 - authorizing the City Manager to sign a contract for claims administration service for the Worker's Compensation Program for the City of Asheville.

HIGHLIGHTS: The City of Asheville is required to provide worker's compensation coverage for its employees pursuant to Chapter 97 of the North Carolina General Statutes. The City has been covered by January 31, 1980, by Aetna Casualty & Surety Insurance Company under the State of North Carolina's assigned risk, worker's compensation program. Based on the favorable experience of the City under the assigned risk program, the Asheville-Buncombe County Insurance Advisory Committee has recommended that the City provide worker's compensation coverage to its employees on a self-insured basis with a professional third party administrator. Through the assistance of the Asheville-Buncombe Insurance Advisory Committee, the City has received a responsive proposal for such third party administration from James H. Woodside and Company, Inc., of Greenville, South Carolina. That this resolution would authorize the City Manager to sign a contract for third party worker's compensation administrative services with James H. Woodside and Company, Inc., of Greenville, South Carolina.

Resolution Book No. 12 at page

Upon motion of Councilman Cole, seconded by Councilman Brownlee, the consent agenda was unanimously approved.

RESOLUTION NO. 81-72 - RESOLUTION AUTHORIZING THE ACQUISITION AND LEASE OF PROPERTY IN THE AIRPORT EXPANSION PROJECT AREA

Consideration was given to a resolution authorizing the acquisition and lease of property in the Airport Expansion Project Area.

Mayor Trantham opened the public hearing at 4:16 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at its meeting held on March 4, 1981, reviewed the site plan of the proposed Sky Harbor Factory Outlet Mall to be located at State Street and Amboy Road. After discussion the Commission voted to approve the proposed plan subject to the following: 1) Widening of service road entrance to allow for fire trucks; 2) Erosion control ordinance; 3) Approval from the Department of Human Resources; 4) Easements for entrance; 5) Easements for water and sewer lines; 6) Adequate buffering and landscaping plan. He said the property would be used for a melange of factory outlets. He said the proposed use is more desirable to the neighborhood than a manufacturing plant since it is close to residential property. He said the development would employ about 250 employees and have an estimated revenue to the City and County of approximately \$78,000 per year. He said the property has a natural buffer from the residential property on the Amboy Road and State Street property lines.

Mr. Emrick said several streets which had been recorded on a plat in 1946 will be permanently closed by the City of Asheville by the adoption of a resolution by the City Council which is scheduled on today's consent agenda.

By the use of a map, Mr. Emrick reviewed the location of the property in question. He said all the conditions outlined by the Planning and Zoning Commission have either been met or in the process of being complied with.

Mr. C. C. Blount, President of C. C. Blount Associates, gave a brief description of the proposed use of the property. He said the latest trend in merchandising is in factory outlets. He said 20 to 30 factory outlets will be under one roof, with the construction of a three level building. He said the building will be designed to take advantage of the topography of the land and will conform to the contour of the land. He said they plan to leave as much natural buffer as possible. He said an opening date is scheduled for April or May of 1982.

Upon inquiry of Mayor Trantham, Mr. Blount said he had received a letter of commitment from the Carolina Power and Light Company to obtain an easement from them in connection with the project.

Mrs. Elrod of Michigan Avenue, said the residents in the area do not oppose the development of the project but were concerned about a buffer zone on the west side of the property. She said the residents would like a 50' buffer on the west side and be assured that the entrance to the property could be used beyond the buffer zone.

Kenneth O. Pankow, Architect, said the buffer zone would be in accordance with the zoning ordinance and Mr. Blount plans to extend the buffer to protect the residents.

Mayor Trantham closed the public hearing at 4:49 p. m.

Thursday - April 2, 1981 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, Walter R. Boland, Harold F. Brownlee, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 26, 1981 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the March 26, 1981 meeting were approved as submitted.

PRESENTATION BY QUALITY FORWARD - APRIL - CLEAN SWEEP MONTH

2. Mrs. Jean Webb, Executive Director of Quality Forward, gave a brief presentation of what activities would be going on during the month of April, as April being "Clean Sweep Month." She said Quality Forward is hosting an appreciation breakfast for Sanitation and Code Enforcement personnel on Friday, April 3, 1981 at 7:00 a. m. She thanked members of Council for accepting the invitation to attend the breakfast.

Mrs. Webb said a campaign will be started by Mr. George Self for individuals to call in their problems with sanitation to Quality Forward or the Service and Information Desk. She said a special telephone will be installed in the Quality Forward office to receive the complaints. She said during the month of April the Code Enforcement officers will be very active enforcing the sanitation codes. She said the Department of Transportation has designated April 11-17 as Clean Up State Roads week. She said trash cans will be placed at various locations for this clean up and trash bags will be furnished. She said 31,000 car litter bags have been ordered and will be distributed during April by the Chamber of Commerce and the Quality Forward office. She said problems with dumpsters will try to be abated during this month. She said their office has also started a program to deal with the problems of uncovered trucks.

Mrs. Webb said "Cash for Trash Day" will be April 25, 1981.

PUBLIC HEARING - GROUP DEVELOPMENT - SKY HARBOR FACTORY OUTLET MALL - STATE AND AMBOY

3. A public hearing was held relative to the site plan of the proposed Sky Harbor Factory Outlet Mall to be located at State Street and Amboy Road, plan prepared by Kenneth O. Pankov, Engineers, for C. C. Blount Associates, Developers.

By the use of a map, Mr. Emrick reviewed the location of the property in question.

Mr. Emrick said 520 property owners were notified, by certified mail, that the property was being considered for rezoning. He said no substantial opposition was received. He said Leicester Highway is scheduled to be widened to four lanes and the topography of the land indicates that the main highway is being used for commercial use.

Mr. Emrick said a letter had been received from Mrs. Nesbitt, a property owner in the area indicating that she wished her lots, Lot 15, 42, and 46 of Hazel 13 be included in the rezoning. He said the letter was received after the Planning and Zoning Commission meeting and therefore was not considered during the meeting. However, Council could add Mrs. Nesbitt's lots in the rezoning if they so desired.

Mrs. Nesbitt spoke on behalf of her lots being included in the rezoning. She said the property is undesirable for residential use. She said her lots would be included if Council chose to include rezoning the entire area along Leicester Highway from the City Limit line to the end of the City's zoning jurisdiction. She said no opposition was received to rezoning the entire area.

The Executive Director of the Eliada Home, spoke in favor of rezoning the entire area to Commercial Service District. He said the property can not be utilized as residential property.

A discussion was held among Council members relative to rezoning the entire area along Leicester Highway to Commercial Service District. It was noted that the area is fastly approaching commercial and the rezoning would legalize the commercial encroachment.

Ms. Lucille Lane, adjoining property owner of Mrs. Nesbitt, requested that Council zone the entire area along Leicester Highway Commercial. She said she would also like to include her property into the rezoning.

Pauline Brookshire also a property owner along Leicester Highway requested that Council proceed with rezoning the entire area to Commercial.

Mr. Emrick informed Council that two ordinances were prepared for Council's consideration. He said an ordinance was prepared (Alternate #1) rezoning the entire area along Leicester Highway to Commercial Service District and an ordinance was prepared (Alternate #2) rezoning the portion recommended by the Planning and Commission.

After discussion, Mayor Trantham closed the public hearing at 5:30 p. m.

Councilman Boland moved that Council consider the adoption of (Alternate #1) rezoning the entire area along Leicester Highway to Commercial Service District. This motion was seconded by Councilman Cole and carried on a voice vote of 5-2, with Councilwoman Price voting "no," and Vice-Mayor Morris voting "no."

Mr. Emrick read the ordinance rezoning the entire area along Leicester Highway to Commercial Service District.

Councilman Wilkes moved for the adoption of Ordinance No. 1208. This motion was seconded by Councilman Brownlee.

After discussion, Councilwoman Price moved to approve the site plan for the Sky Harbor Factory Outlet Mall contingent upon the conditions outlined by the Planning and Zoning Commission and further that on the north and north eastern border, between the access road and State Street be left in a natural and wooded environment and that the western property line be planted in accordance with Item 2 of Section 30-3-14 of the Zoning Ordinance. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. 81-73 - RESOLUTION COMMENDING ASHEVILLE HIGH SCHOOL ON THEIR PARTICIPATION IN THE INTERNATIONAL EXCHANGE PROGRAM AND RECOGNIZING THE FOREIGN EXCHANGE STUDENTS FROM JAPAN, NORWAY, FINLAND AND GERMANY THAT ARE PARTICIPATING IN THE PROGRAM

4. Consideration was given to a resolution commending Asheville High School on their participation in the International Exchange Program and recognizing the foreign exchange students from Japan, Norway, Finland and Germany that are participating in the program.

The City Manager read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Brownlee, Resolution No. 81-73 was unanimously adopted.

Complete text of Resolution No. 81-73 will be found in Resolution Book No. 12 at page 355.

Mayor Trantham along with the principal of Asheville High School, presented the foreign exchange students with a letter of welcome and a copy of the resolution adopted.

PUBLIC HEARING - REZONING PROPERTY ALONG LEICESTER HIGHWAY - R-3 RESIDENTIAL DISTRICT TO CS COMMERCIAL SERVICE DISTRICT

ORDINANCE NO. 1208 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Leicester Highway)

5. A public hearing was held relative to rezoning property along Leicester Highway from R-3 Residential District to CS Commercial Service District.

Mayor Trantham opened the public hearing at 5:02 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

Verl Emrick, Planning Director, said the Asheville Planning and Zoning Commission at its meeting held on March 4, 1981, considered a request of Eliada Home to rezone property in the Leicester Highway area from R-3 Residential District to CS Commercial Service District. The City Council requested that the entire area along Leicester Highway from the City limit line to the end of the City's zoning jurisdiction be included in this review. After discussion, the Planning and Zoning Commission moved to approve the rezoning of several lots along Leicester Highway.

By the use of a map, Mr. Emrick reviewed the location of the property to be rezoned. He said the property has been zoned Heavy Industrial since 1975 and there has been no movement toward the industrial field. He said the present property owners in the area which to rehabilitate or expand the existing structures which are at present nonconforming.

Mr. Howard Hanger spoke in support of the rezoning of the property to R-4 High Density Residential District.

Mayor Trantham closed the public hearing at 5:50 p. m.

Mr. Emrick read the ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Councilwoman Price moved for the adoption of Ordinance No. 1209. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1209 passed on first reading.

ORDINANCE NO. 1205 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, (Property located at 788 Fairview Road)

8. Consideration was given to the second reading of Ordinance No. 1205, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property at 788 Fairview Road from R-3 Medium Density Residential District to CG Commercial General District.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1205 passed on second reading.

ORDINANCE NO. 1204 - AN ORDINANCE AMENDING SECTION 28-154 OF THE ASHEVILLE CODE OF ORDINANCES TO CLARIFY THE MOTOR VEHICLE REGISTRATION REQUIREMENT

9. Consideration was given to the third reading of Ordinance No. 1204, an ordinance amending Section 28-154 of the Asheville Code of Ordinances to clarify the motor vehicle registration requirement.

Mayor Trantham said the ordinance was previously read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1204 passed on third and final reading.

Complete text of Ordinance No. 1204 will be found in Ordinance Book No.

9 at page 199.

On a roll call vote of 6-1, Ordinance No. 1208 passed on first reading with Councilwoman Price voting "no."

RESOLUTION NO. 81-74 - RESOLUTION ADJUSTING RENTAL RATE STRUCTURE FOR THE ASHEVILLE CIVIC CENTER FACILITIES

6. Consideration was given to a resolution adjusting the rental rate structure for the Asheville Civic Center facilities.

The City Manager read the resolution.

Barry Ogrin, Director of the Civic Center, said there is a need to adjust the rental rate structure in view of the fact that current rates are lower than other rental rates presently being charged at similar size facilities. He said the Asheville Area Civic Center Commission, by Resolution 81-1 of the Commission, recommended to Council the adjustment of the rental rates.

Mr. Ogrin reviewed the detailed rate increases for the facility. He said it is the Asheville Area Civic Center Commission's goal to reach self-sufficiency by the mid 1980's. He said the building should stop subsidizing non-commercial activities in the complex.

Upon motion of Councilman Boland, seconded by Councilwoman Price, Resolution No. 81-74 was unanimously adopted.

Complete text of Resolution No. 81-74 will be found in Resolution Book No. 12 at page 356.

PUBLIC HEARING - REZONING PROPERTY EAST OF ROBERTS STREET, SOUTH OF PATTON AVENUE, WEST OF PARK AVENUE AND NORTH OF CLINGMAN AVENUE - HI HEAVY INDUSTRIAL TO R-4 RESIDENTIAL DISTRICT

ORDINANCE NO. 1209 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

7. A public hearing was held relative to rezoning property east of Roberts Street, south of Patton Avenue, west of Park Avenue and north of Clingman Avenue, known as "Chicken Hill" from H-I, Heavy Industrial to R-4 Residential District.

Mayor Trantham opened the public hearing at 5:45 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Asheville Planning and Zoning Commission at its March 4, 1981 meeting reviewed the request of Mr. Howard Hanger and other property owners that certain lots on Sheets 3 and 4 of Ward 4, be rezoned from H-I, Heavy Industrial District to R-4 High Density Residential District. After discussion, the Planning and Zoning Commission moved to approve a portion of the lots requested to be rezoned by Mr. Howard Hanger and other property owners.

Councilman Cole moved to approve the sign permit for American Log Homes, Inc. at 295 Haywood Street for wall lettering. This motion was seconded by Councilman Wilkes and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

13. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-76 - Resolution authorizing the Mayor to enter into an agreement with Southern Railway to widen the grade crossing on Twentieth Street.

HIGHLIGHTS: The City of Asheville wished to widen the grade crossing of Twentieth Street and Southern Railway to improve the convenience and safety of the crossing. The Southern Railway has provided an agreement to the City whereby the Southern Railway will widen the crossing and the City will pay Southern Railway for 50% of the cost associated with the widening. This resolution will authorize the Mayor to execute an agreement on behalf of the City for the purpose of widening Twentieth Street. The City's share will be 50%, or an amount not to exceed \$1,600.

Resolution Book No. 12 Page 358.

- B. Scheduling of a public hearing relative to closing all of Short Granada and Wellington Streets and portions of Cordova Street, Granada Street, Granada Circle, Parkway Drive, and Swannanoa Drive for May 7, 1981.

HIGHLIGHTS: A petition has been received from Builders Savings, Loan Company, Inc. to close several streets and roads identified on a plat known as "Sky Harbor" recorded in the Office of Register of Deeds for Buncombe County, North Carolina in November, 1946, in Plat Book 21 at page 43. The streets referred to have never been developed, used or maintained by the City of Asheville or by anyone. The petitioner is the owner of all property included within the boundaries of the area encompassing said streets except for several lots which the petitioner has an option to purchase. The petition states that the permanent closing of the streets would not be either detrimental to or contrary to the public interest or the property rights of any individual since no individual owning property in the vicinity of said

BUDGET AMENDMENT - CITY OF ASHEVILLE COMMUNITY DEVELOPMENT FUND BUDGET

10. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund budget.

The City Manager presented the budget amendment in the amount of \$2,471,801. He said on October 9, 1980, City Council passed Resolution No. 80-189 authorizing submission of the amendment to the Sixth Year Community Development Block Grant Application to include Urban Renewal surplus funds in the amount of \$2,471,801. This budget amendment will appropriate the surplus funds into specific capital projects.

Councilman Cole moved for the approval of the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

RESOLUTION NO. 81-75 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE CITY HALL PARKING EXPANSION PROJECT AREA

11. Consideration was given to a resolution authorizing condemnation of property in the City Hall Parking Expansion Project area.

The City Manager read the resolution explaining that the City of Asheville has executed a contract with the Housing Authority of the City of Asheville which requires the Housing Authority to provide acquisition and relocation services to the City. The Housing Authority has caused all properties in the City Hall parking expansion project to be appraised by a competent real estate appraiser and has established maximum acquisition values for these properties in accordance with the appraisals received. The Housing Authority has been unable to reach agreements to purchase parcels P-2 and P-3 on Eagle Street at the approved values of the parcels. This resolution will authorize the condemnation of Parcels P-2 and P-3 on Eagle Street in order that the City of Asheville can carry out its approved plan for development.

Upon motion of Councilman Cole, seconded by Vice-Mayor Morris, Resolution No. 81-75 was unanimously adopted.

Complete text of Resolution No. 81-75 will be found in Resolution Book No. 12 at page 357.

APPROVAL OF SIGN PERMIT - AMERICAN LOG HOMES, INC. - 295 HAYWOOD STREET

12. Consideration was given to a sign permit for the American Log Homes, Inc., at 295 Haywood Street.

J. E. Johnson, Director of Inspections, said American Log Homes, Inc., has applied for a sign permit to erect wall lettering on their building at 295 Haywood Street. This property is zoned commercial regional. The sign meets all building and zoning requirements. The sign will be within 600 feet of a limited access highway requiring approval from Council pursuant to Zoning Ordinance No. 322. American Log Homes, Inc., received approval from Council on February 26, 1981, to erect a roof sign with 24" lettering.

Thursday - April 9, 1981 - 4:00 p.m.
Asheville Civic Center
Banquet Room

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, Harold F. Brownlee, Walter R. Boland, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Vice-Mayor Ralph D. Morris, Jr.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 2, 1981, meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the April 2, 1981, meeting were approved as submitted.

ORDINANCE NO. 1208 - AN ORDINANCE AMENDING ORDINANCE 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED.
(PROPERTY ALONG LEICESTER HIGHWAY)

2. Consideration was given to the second reading of Ordinance No. 1208, "AN ORDINANCE AMENDING ORDINANCE 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended. (property along Leicester Highway)

Mayor Trantham said this ordinance was previously read on first reading and would not reread in its entirety unless there was a specific request to do so.

Verl Emrick, Director of Planning, requested that two amendments be made to Ordinance 1208. He said an error was made in the legal description of the ordinance in Section One (1) in sentence six. He suggested that the words "fork of Smithmill Creek" be deleted and in lieu thereof place the words "an unnamed tributary of McKinney Branch."

Vice-Mayor Morris moved to amend Ordinance 1208 by deleting the words "fork of Smithmill Creek" and place in lieu thereof the words "an unnamed tributary of McKinney Branch." This motion was seconded by Councilwoman Price and carried unanimously.

Mr. Emrick noted that the General Assembly recently adopted a special act amending the Asheville City Charter to provide that an ordinance be effective upon adoption rather than the effective date being fifteen days after adoption. He suggested that Ordinance 1208 be amended by amending Section 5 of Ordinance 1208 to read "That this ordinance shall be in full force and effect on the date of final passage."

streets would be the permanent closing of said streets be deprived of reasonable means of ingress or egress to his property. The closing of these streets is in connection with the development of the Sky Harbor Factory Outlet Mall to be located on State Street and Amboy Road.

(C) Approval of bids received March 26, 1981, for ductile iron pipe.

HIGHLIGHTS: Four bids were received. Recommendation of acceptance of the low bid submitted by Griffin Products Company in the amount of \$20,779.02. Funding for this bid is sufficient in the Water and Sewer Operations Appropriation - Inventory Account Code 30-140.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, the consent agenda was unanimously approved.

COMMENDATION FOR THE ASHEVILLE POLICE DEPARTMENT - COUNCILMAN BOLAND

Councilman Boland commended the Asheville Police Department due to the fact that violent crime rates have decreased by 36% over last year. He said he felt this was a very good record since violent crime rates in other cities is on the rise.

COUNCILMAN BROWNLEE - INQUIRY RELATIVE TO PENSION SUBSIDIES

Councilman Brownlee said he had received inquiries from retired police officers and their beneficiaries stating that they have not received their pension subsidies as promised by the Asheville City Council.

The City Manager said he would investigate the inquiries and report back to Council.

CLAIMS - JULIUS C. BUCHANAN - FIRST UNION NATIONAL BANK - WAYNE RICE - LOUISE BELL HUDGENS

The City Manager presented claims received from Julius C. Buchanan, First Union National Bank, Wayne Rice, and Louise Bell Hudgens.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - APRIL 6 - 10 - "UP WITH PEOPLE"

Mayor Trantham proclaimed the week of April 6 - 10, as "Up With People" Week. He said "Up With People" would be giving a performance in the Asheville Civic Center on April 9, 1981 at 8:00 p. m.

PROCLAMATION - APRIL 3 - 11 - "HEALTH FAIR WEEK"

Mayor Trantham proclaimed the week of April 3 - 11, 1981 as "Health Fair Week."

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilwoman Price, the meeting adjourned at 6:25 p. m.

Area I - Map 3

Existing City Limits
 Proposed Annexation Boundary
 Existing and Proposed Sewer Lines

Statement of Statutory Standards

The territory to be annexed meets the statutory standards of General Statute 160A-48, which defines the character of the area to be annexed, in that:

- (1) The area is contiguous as defined by General Statute 160A-53, as of the 3rd day of March, 1981, as shown on the map included herein marked Map I-1.
- (2) The aggregate external boundary line of the area to be annexed is approximately 20,300 feet, of which approximately 3,405 feet, or 16.7%, coincides with the Asheville City boundary, as shown on the map included herein marked Area I-Map 1. Therefore, at least one-eighth of said external boundary coincides with the Asheville City boundary.
- (3) No part of the area to be annexed is included within the boundary of another incorporated municipality (see Area I-Map 1).
- (4) The area to be annexed is developed for urban purposes as defined in General Statute 160A-48 (c) (1), in that the area contains a total population equal to 2.4 persons per acre demonstrated as follows: The number of dwelling units (254), multiplied by the number of persons per dwelling unit in the area according to the latest federal decennial census (2.60), equals the total estimated resident population (660), which divided by the total number of acres (269.5), equals 2.4 persons per acre.

Plan For Extension and Financing
of Municipal Service**Bingham Road Area**General Statement

All services will be made available to persons living within the annexed area on the same basis and in the same manner as presently provided to persons

Councilman Boland moved to amend Ordinance 1208 by amending Section 5 of Ordinance 1208 to read "That this ordinance shall be in full force and effect on the date of final passage." This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1208 passed on second reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the third reading of Ordinance No. 1208. This motion was seconded by Councilman Brownlee and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1208 passed on third and final reading.

Complete text of Ordinance No. 1208 will be found in Ordinance Book No. 9 at page 207.

RESOLUTION NO. 81-78 - RESOLUTION ADOPTING AND APPROVING THE PLAN FOR EXTENSION OF CITY SERVICES INTO THE AREA PROPOSED FOR ANNEXATION GENERALLY DESCRIBED AS THE BINGHAM ROAD AREA

3. Consideration was given to a resolution adopting the plan for extension of City services into the area proposed for annexation generally described as the Bingham Road area.

Verl Emrick read the resolution.

Verl Emrick then presented the annexation plan for the Bingham Road area which is as follows:

AREA I - BINGHAM ROAD

General Description

The Bingham Road area, which is proposed for annexation, lies generally east of Bingham Road and west of the French Broad River between the Hilton Golf Course and Richmond Hills. This section of ~~Emma~~ is composed primarily of industrial development, with textile and electrical component manufacturing being the major industries. The largest industries in this area are: Square D Company, Quorum Dyeing & Finishing Company, Vanderbilt Shirt Company and J. H. Manufacturing. Residential development in the area is composed of the 160 unit Bingham Heights Apartment Complex and single family homes located in the north and south sections of the proposed area. A map and boundary description is included in the following pages.

Statement of Accompanying Maps

The maps of Asheville and adjacent territory showing the following information are in the office of the Planning Department on the fifth floor of the City Hall Building, Asheville, North Carolina.

Special collections of loose leaves and tree and shrubbery trimmings placed at curbside will be made periodically, when placed for collection in accordance with the sanitation code of the city.

Commercial establishments will be provided the same level of service as those establishments in the city. Establishments with a volume of refuse which exceeds six (6) approved containers will be responsible for making arrangements with a private refuse collector for service. Funding for these services will be provided in the annual budget process.

Code Enforcement

Upon annexation the area will be subject to the city building, housing, electrical and plumbing codes. The area will also be subject to the city zoning, erosion control and subdivision regulations and all other requirements of the city codes and ordinances in effect in the city at the time of annexation. The enforcement of these codes, ordinances, and regulations will be at the same level as in the city. Funding for these services will be provided in the annual budget process.

Inspections

Residents and property owners may request that inspections of their homes or businesses be made and such requests will be scheduled according to the policies of the city. Deficiencies in structures as defined in the city code will be recorded and supplied to the property owner for corrections. Normal or non-requested inspections will be on a schedule consistent with current policies of the city. Funding for these services will be provided in the annual budget process.

Streets

Street improvements and maintenance will be provided to the approximately 2.89 miles of public streets added to the City's Street System on the same level as provided to all City streets. These activities include scraping and stoning of unpaved public streets, street cleaning, pothole repairs on public paved streets, snow and ice control, trimming on public rights-of-way, shoulder cut and fill maintenance on public rights-of-way, maintenance of sidewalks which are on public rights-of-way, and maintenance of street drainage structures which are on public rights-of-way. Needed street improvements will be recorded and prioritized and performed on the same level as existing City streets. All improvements will be scheduled according to priority and funds available for improvements. Funding for these services will be provided in the annual budget process.

Street Lighting Street Markers

The installation of needed street lighting and street markers will be made on a prioritized basis in accordance with the street lighting and street marking policies in effect in the City. Funds estimated for street lighting

residing in the city limits. The city council will designate funds to cover necessary expenses on or before the effective date of annexation through the city's budgetary process. The city, from time-to-time, makes changes to its budget and service delivery policy. Areas which are annexed are subject to these changes as they are adopted by city council and applied citywide. In addition, the amount of funds to be annually appropriated for services to this area, and all areas of the city, shall be made in conformance with the Local Government Budget and Fiscal Control Act, as amended.

Administrative Services

Services provided by the city's council, manager, and administrative departments will be made available to persons residing in the area proposed to be annexed on the effective date of annexation. Funds for these services are provided for by city council through the city's annual budget process.

Police Services

On and after the effective date of annexation, police services will be provided to the area on the same basis and in the same manner as provided within the rest of the City. Such services will be provided with an additional vehicle and five additional officers to patrol the Western zone. Also, four additional officers and one additional vehicle will be assigned to the City's Criminal Investigation Bureau, Juvenile Services, Crime Prevention/Community Relations and Patrol so as to provide the total scope of police services to all areas proposed for annexation. Costs for the additional services to this area will be approximately \$64,000. Funding for these services will be provided in the annual budget process.

Fire Protection

The Bingham Road area will be provided fire protection on and after the effective date of annexation on the same basis and manner as provided within the rest of the city. Such protection will be provided by pumper and ladder truck response from City Station #3, located at the corner of Oregon and Louisiana Avenue, backed up by response from City Station #6 on Haywood Road. An additional ladder company at station #3 will be manned at an estimated annual cost of \$200,000 and the city's fire prevention function will be upgraded at a total estimated annual cost of \$22,000. Funding for these services will be provided in the annual budget process.

Sanitation

The proposed annexation area will receive the same level of sanitation services as is provided to residents of the city. Residential refuse will be collected on a regular basis at curbside; this is currently a weekly service. Each resident will be allowed up to six (6) approved containers per pick up. Special "set out" service to curbside for elderly and handicapped individuals may be approved by the Public Works Department if requested by the resident. An additional garbage packer truck will be added to the City's fleet to provide collection service.

Water & Sewer: The required upgrading of water and sewer system improvements is anticipated to cost \$159,525. Capital costs and maintenance is expected to be funded from the Water and Sewer Operating Fund.

Basis of Revenue Estimates

Ad valorem tax estimates are based on 1980 real and personal listings in the annexation area assuming a 5% annual growth rate, a 95% collection rate and the current City tax rate of 97¢/\$100 valuation. Other revenues include estimates of Motor Vehicle Stickers, Privilege Licenses, Powell Bill, Beer and Wine Tax, Local Utility Tax, Local Option Sales Tax, Intangible Tax and State Utility Franchise Tax.

- ¹ includes $\frac{1}{2}$ the estimated cost of a patrol squad to serve both areas I and IV.
- ² includes $\frac{1}{2}$ of the estimated cost of upgrading a fire station to serve both areas I and IV.
- ³ includes street lighting, street signing, building inspections and transit service.

Legal Description of Area 1

BEGINNING at a point, said point being the intersection of the southern right-of-way margin of Thomas Drive and the existing City limit boundary of the City of Asheville as shown on Sheet 17, Ward 3, of the Tax Map as recorded in the Buncombe County Tax Supervisor's Office, said point also being the intersection of the southern right-of-way margin of Thomas Drive and the eastern right-of-way margin of Vinewood Circle (SR 1350); thence in an easterly direction following the existing Asheville City Limit boundary a distance of approximately 2,746.5 feet to the western bank of the French Broad River; thence in a southerly direction, following the western bank of said river, a distance of approximately 5,820 feet to the intersection of said river bank and the existing City Limit boundary, as shown on Sheet 6, Hazel Ward of the Tax Map as recorded in the Buncombe County Tax Supervisor's Office; thence in a southwesterly and northerly direction, following said City Limit boundary a distance of approximately 3,404.49 feet to a point; thence in a northerly direction following a straight line across Southern Railroad a distance of approximately 179 feet to a point, said point being the south-western corner of Lot 16, Sheet 6, Hazel Ward as recorded in the Buncombe County Tax Supervisor's Office as of July 7, 1980; thence in a northwesterly direction following the western margin of said Lot 16, a distance of approximately 296 feet to the northwest corner of said Lot 16; thence in a north-easterly direction following a straight line across Emma Road (SR 1329) a distance of approximately 65 feet to a point, said point being 10 feet west of the western right-of-way margin of Bingham Road (SR 1350) at the intersection of Bingham Road and Emma Road; thence in a northwesterly direction following a line 10 feet west of the western right-of-way margin of Bingham Road and running parallel with said right-of-way margin, a distance of approximately 4,507.16 feet to a point, said point being located in the southeastern property line of Lot 157, Sheet 26, Hazel Ward, as recorded in the Buncombe County

is based on the installation of street lights approximately every 250 feet. Funding for these services will be provided in the annual budget process.

Traffic Control

Traffic control equipment, signs, and markings and other related traffic control devices will be installed on those streets to be included in the city's system in accordance with existing city policies and procedures. Upon installation these devices will be maintained by the city. Such devices will be funded through the annual budget process.

Water and Sewer Services

An analysis of the existing water and sewer lines in Area I indicates a need for an additional 600 linear feet of water line and 3,300 linear feet of sewer line to adequately serve the area. Six inch water lines will be installed along portions of the following streets as shown on Area I-Map 2.

Boone Street
Private Road (Moss Mobile Home Park)

Eight inch sewer lines will be installed along portions of the following streets as shown on the accompanying Area I-Map 3.

Emma Road
Private Road (Moss Mobile Home Park)
Boone Street

The total costs for the improvements will be \$159,525 which will be funded from the Water and Sewer Operating Fund.

AREA I - BINGHAM ROAD

Total	<u>\$192,221</u>	<u>\$66,655</u>	<u>\$258,876</u>

Verl Earick read the resolution.

Verl Earick then presented the annexation plan for the Chunns Cove Area which is as follows:

AREA II - CHUNNS COVE

General Description

The Chunns Cove Road area, which is proposed for annexation, lies generally north of the Mountain Brook subdivision and south of a private road. The area is east of Chunns Cove Road and west of the topographical contour of 2,350 feet above sea level.

Development within this 24.3 acre area is entirely residential with the 128 unit Ridge Townhouse Apartment complex comprising most of the area. An additional six housing structures are located south of the apartment complex.

Statement of Accompanying Maps

The maps of Asheville and adjacent territory showing the following information are in the office of the Planning Department on the fifth floor of the City Hall Building, Asheville, North Carolina.

Area II - Map 1

- Existing Land Use

Area II - Map 2

- Existing City Limits
- Proposed Annexation Boundary
- Existing and Proposed Water Lines

Area II - Map 3

- Existing City Limits
- Proposed Annexation Boundary
- Existing and Proposed Sewer Lines

Statement of Statutory Standards

The territory to be annexed meets the statutory standards of General Statute 160A-48, which defines the character of the area to be annexed, in that:

Tax Supervisor's Office as of July 7, 1980; thence in a northeasterly direction in a straight line, crossing Bingham Road, a distance of approximately 50 feet to a point, said point being 10 feet north of the northern right-of-way margin of Pearson Bridge Road (SR 1348), and located in the western property line of Lot 6, Sheet 26, Hazel Ward, as recorded in the Buncombe County Tax Supervisor's Office as of July 7, 1980; thence in a northeasterly and easterly direction following a line 10 feet north of the northern right-of-way margin of Pearson Bridge Road (SR 1348) and running parallel with said right-of-way margin a distance of approximately 840.6 feet to a point, said point being 10 feet west of the western right-of-way margin of Vinewood Circle (SR 1350); thence in a northerly direction following a line 10 feet west of the western right-of-way margin of Vinewood Circle, a distance of approximately 1,190 feet to a point in the southern property line of Lot 22, Sheet 26, Hazel Ward, as recorded in the Buncombe County Tax Supervisor's Office as of July 7, 1980, said point also being ten feet west of the western right-of-way margin of Vinewood Circle; thence in a northeasterly direction crossing Vinewood Circle, a distance of approximately 40 feet to a point in the eastern right-of-way margin of Vinewood Circle, said point being also ten feet north of the northern right-of-way margin of Eastover Road (SR 1351); thence in a southeasterly direction following a line 10 feet north of the northern right-of-way margin of Eastover Road and running parallel with said right-of-way margin, and crossing Kenwood Street (SR 1352), a distance of approximately 645 feet to a point, said point being ten feet north of the northern right-of-way margin of Eastover Road and also being ten feet west of the western right-of-way margin of Vinewood Circle; thence in a northeasterly direction following a line 10 feet west of the western right-of-way margin of Vinewood Circle and running parallel with said right-of-way margin, a distance of approximately 593 feet to a point in the southern property line of Lot 27½, Sheet 2, Hazel Ward, as recorded in the Buncombe County Tax Supervisor's Office as of July 7, 1980; thence in an easterly direction crossing Vinewood Circle, a distance of approximately 110 feet to the point of BEGINNING.

Upon inquiry of Councilwoman Price, Attorney Herbert Hyde, representing the City relative to legal matters dealing with the proposed annexation, said the City could at a later date extend the extra territorial zoning jurisdiction one mile beyond the proposed annexation area after the annexation ordinance is adopted. He said the court system gives the municipalities time to make a decision relative to their extra territorial zoning jurisdiction powers.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-78 was unanimously adopted.

Complete text of Resolution No. 81-78 will be found in Resolution Book No. 12 at page 361.

Ralph Bishop spoke in opposition to the proposed annexation.

RESOLUTION NO. 81-79 - RESOLUTION ADOPTING AND APPROVING THE PLAN FOR EXTENSION OF CITY SERVICES INTO THE AREA PROPOSED FOR ANNEXATION GENERALLY DESCRIBED AS THE CHUNNS COVE AREA

4. Consideration was given to a resolution adopting and approving the plan for extension of City services into the area proposed for annexation generally described as the Chunns Cove area.

of the city. Patrol will be provided with existing manpower and equipment and additional operating costs will be provided through the city's budget process. An additional four officers and one vehicle assigned to special police functions, such as, juvenile, crime prevention and criminal investigation will also serve this area. Funding for these services will be provided in the annual budget process.

Fire Protection

The Chunn's Cove area will be provided fire protection on and after the effective date of annexation on the same basis and manner as provided within the rest of the city. Such protection will be provided by pumper and ladder truck response from city station #1, located downtown, backed up by response from city station #8, located on Tunnel Road. In addition, an extra fire inspector and vehicle will be assigned to the Department. Funding for these services will be provided in the annual budget process.

Sanitation

The proposed annexation area will receive the same level of sanitation services as is provided to residents of the city. Residential refuse will be collected on a regular basis at curbside; this is currently a weekly service. Each resident will be allowed up to six (6) approved containers per pick up. Special "set out" service to curbside for elderly and handicapped individuals may be approved by the Public Works Department if requested by the resident. An additional garbage packer truck will be added to the City's fleet to provide collection service.

Special collections of loose leaves and tree and shrubbery trimmings placed at curbside will be made periodically, when placed for collection in accordance with the sanitation code of the city.

Commercial establishments will be provided the same level of service as those establishments in the city. Establishments with a volume of refuse which exceeds six (6) approved containers will be responsible for making arrangements with a private refuse collector for service. Funding for these services will be provided in the annual budget process.

Code Enforcement

Upon annexation the area will be subject to the city building, housing, electrical and plumbing codes. The area will also be subject to the city zoning, erosion control and subdivision regulations and all other requirements of the city codes and ordinances in effect in the city at the time of annexation. The enforcement of these codes, ordinances, and regulations will be at the same level as in the city. Funding for these services will be provided in the annual budget process.

Inspections

Residents and property owners may request that inspections of their homes or businesses be made and such requests will be scheduled according to the

- (1) The area is contiguous as defined by General Statute 160A-53, as of the 3rd day of March, 1981, as shown on the map included herein marked Area II-Map 1.
- (2) The aggregate external boundary line of the area to be annexed is approximately 20,724 feet, of which approximately 7,500 feet, or 36.1%, coincides with the Asheville City boundary, as shown on the map included herein marked Area II-Map 1. Therefore, at least one-eighth of said external boundary coincides with the Asheville City boundary.
- (3) No part of the area to be annexed is included within the boundary of another incorporated municipality (see Area II-Map 1).
- (4) The area to be annexed is developed for urban purposes as defined in General Statute 160A-48 (c) (1), in that the area contains a total population equal to 13.2 persons per acre; utilizing the existing housing count of 135 units and the latest federal decennial census count of 2.39 persons per dwelling unit, when multiplied equal 322 persons. The total persons divided by the number of acres (24.3) equals 13.2 persons per acre.

Plan For Extension and Financing of Municipal Service

Chunns Cove

General Statement

All services will be made available to persons living within the annexed area on the same basis and in the same manner as presently provided to persons residing in the city limits. The city council will designate funds to cover necessary expenses on or before the effective date of annexation through the city's budgetary process. The city, from time-to-time, makes changes to its budget and service delivery policy. Areas which are annexed are subject to these changes as they are adopted by city council and applied citywide. In addition, the amount of funds to be annually appropriated for services to this area, and all areas of the city, shall be made in conformance with the Local Government Budget and Fiscal Control Act, as amended.

Administrative Services

Services provided by the city's council, manager, and administrative departments will be made available to persons residing in the area proposed to be annexed on the effective date of annexation. Funds for these services are provided for by city council through the city's annual budget process.

Police Services

On and after the effective date of annexation, police services will be provided to the area on the same basis and manner as provided within the rest

AREA II - CHUNNS COVE
FINANCIAL SUMMARY

Annual Estimated Revenues:

Ad Valorem Tax	\$18,000
Other Taxes and Associated Revenues	<u>21,000</u>
Total	<u>\$39,000</u>

Water & Sewer: Costs for maintenance of public water and sewer lines are estimated at \$125,924 and shall be financed through the Water and Sewer Operating Fund.

Basis of Revenue Estimates

Ad valorem tax estimates are based on 1980 real and personal listings in the annexation area assuming a 5% annual growth rate, a 95% collection rate and the current City tax rate, of 97¢/\$100 valuation. Other revenues include estimates of Motor Vehicle Stickers, Privilege Licenses, Powell Bill, Beer and Wine Tax, Local Utility Tax, Local Option Sales Tax, Intangible Tax and State Utility Franchise Tax.

¹ includes partial cost of special services squad for juvenile, detective and crime prevention function.

² includes partial cost of one fire inspector and vehicle.

³ includes street lighting, street signing, building inspections and transit service.

policies of the city. Deficiencies in structures as defined in the city code will be recorded and supplied to the property owner for corrections. Normal or non-requested inspections will be on a schedule consistent with current policies of the city. Funding for these services will be provided in the annual budget process.

Streets

Street improvements and maintenance will be provided to the approximately .21 miles of public streets added to the City's Street System on the same level as provided to all City streets. These activities include scraping and stoning of unpaved public streets, street cleaning, pothole repairs on public paved streets, snow and ice control, trimming on public rights-of-way, shoulder cut and fill maintenance on public rights-of-way, maintenance of sidewalks which are on public rights-of-way, and maintenance of street drainage structures which are on public rights-of-way. Needed street improvements will be recorded and prioritized and performed on the same level as existing City streets. All improvements will be scheduled according to priority and funds available for improvements. Funding for these services will be provided in the annual budget process.

Street Lighting Street Markers

The installation of needed street lighting and street markers will be made on a prioritized basis in accordance with the street lighting and street marking policies in effect in the City. Funds estimated for street lighting is based on the installation of street lights approximately every 250 feet. Funding for these services will be provided in the annual budget process.

Traffic Control

Traffic control equipment, signs, and markings and other related traffic control devices will be installed on those streets to be included in the city's system in accordance with existing city policies and procedures. Upon installation these devices will be maintained by the city. Such devices will be funded through the annual budget process.

Water and Sewer Services

An analysis of existing water and sewer lines in Area II indicates a need for an additional 520 linear feet of water line and 1,020 linear feet of sewer line to adequately serve the area. A six inch water line will be installed along a private road and eight inch sewer lines will also be installed along the same private road and Chunns Cove Road. Maps showing the locations of the proposed water and sewer lines are included herein and identified as: Area II-Map 2 and Area II-Map 3.

The total cost for the improvements will be \$125,924 which will be funded from the Water and Sewer Operating Fund.

Verl Emrick read the resolution.

Verl Emrick presented the annexation plan for the Sweeten Creek Road area which is as follows:

AREA III - SWEETEN CREEK ROAD

General Description

The Sweeten Creek Road area, which is proposed for annexation, could be described as an elongated configuration of 1,068 acres. The area generally lies east of the southern city limits and Hendersonville Road and west of Sweeten Creek Road, although some property west of Hendersonville Road and east of Sweeten Creek Road is included. The southern most boundary is Dingle Creek, which runs south of Mills Gap Road. A map and boundary description is included in the following pages.

Development within this area varies from residential single family concentration in the Rock Hill Road area, to industrial development along Gerber Road in the south and an industrial park to the north. Commercial development is located along Sweeten Creek Road in the north section and along Hendersonville Road in the southern section of the proposed area.

Major industries located in the proposed area are: Gerber Products Company, Ball Corporation and N C I, Incorporated. There are three large shopping centers in the proposed area: Skyland Plaza, Turtle Creek Shopping Center, and Arden Plaza. The Turtle Creek Apartment complex, Crowfield Condominiums, and the Ballantree Subdivision comprise the major concentrations of residential development.

Statement of Accompanying Maps

The maps of Asheville and adjacent territory showing the following information are in the office of the Planning Department on the fifth floor of the City Hall Building, Asheville, North Carolina.

Area III - Map 1

- Existing City Limits
- Proposed Annexation Boundary
- Existing Land Use

Area III - Map 2

- Existing City Limits
- Proposed Annexation Boundary
- Existing and Proposed Water Lines

Area III - Map 3

- Existing City Limits
- Proposed Annexation Boundary
- Existing and Proposed Sewer Lines

Legal Description of Area II

BEGINNING at a point, said point being 10 feet west of the intersection of the western right-of-way margin of Chunns Cove Road (SR 2042) and the existing City Limit boundary of the City of Asheville as shown on Sheet 26, Ward 8 of the Tax Map as recorded in the Buncombe County Tax Supervisor's office, said point also lying on the existing Asheville City Limit line; thence in a northerly direction following a line 10 feet west of the western right-of-way margin of Chunns Cove Road and running parallel to said right-of-way margin, a distance of approximately 1,514 feet to a point; thence crossing Chunns Cove Road in a northeasterly direction following a straight line a distance of approximately 60 feet to a point 10 feet north of the northern right-of-way margin of a private road; thence in a westerly and southwesterly direction following a line 10 feet north of the northern right-of-way margin of said private road, a distance of approximately 2,800 feet to the intersection of said private road right-of-way with the contour line identifying an elevation of 2,350 feet as depicted on a topographic Map No. 36-32 of Buncombe County, compiled by Fairchild Aerial Survey, Inc., and updated by Piedmont Aerial Survey, Inc.; thence in a southerly direction following said contour line a distance of approximately 8,850 feet to the existing City Limit boundary; thence in a westerly direction following said City Limit line, a distance of approximately 7,500 feet to the point of BEGINNING.

Councilwoman Price noted that the residents on the private streets could dedicate the streets to the City, but the City did not have any obligation to accept the streets. This notation was agreed to by Attorney Herbert Hyde.

Mr. Ralph Bishop asked what would happen if the City did not carry through with their plans as presented.

Mr. Emrick informed Mr. Bishop that if the plans are not carried out as specified by the City, the residents of the area could take the City into the court system to seek relief and the City would have to carry through with the plans.

Upon motion of Councilman Boland, seconded by Councilman Wilkes, Resolution No. 81-79 was unanimously adopted.

Complete text of Resolution No. 81-79 will be found in Resolution Book No. 12 at page 362.

RESOLUTION NO. 81-80 - RESOLUTION ADOPTING AND APPROVING THE PLAN FOR EXTENSION OF CITY SERVICES INTO THE AREA PROPOSED FOR ANNEXATION GENERALLY DESCRIBED AS THE SWEETEN CREEK ROAD AREA

5. Consideration was given to a resolution adopting and approving the plan for extension of City services into the area proposed for annexation generally described as the Sweeten Creek Road area.

Plan For Extension and Financing of Municipal Service

Sweeten Creek Road

General Statement

All services will be made available to persons living within the annexed area on the same basis and in the same manner as presently provided to persons residing in the city limits. The city council will designate funds to cover necessary expenses on or before the effective date of annexation through the city's budgetary process. The city, from time-to-time, makes changes to its budget and service delivery policy. Areas which are annexed are subject to these changes as they are adopted by city council and applied citywide. In addition, the amount of funds to be annually appropriated for services to this area, and all areas of the city, shall be made in conformance with the Local Government Budget and Fiscal Control Act, as amended.

Administrative Services

Services provided by the city's council, manager, and administrative departments will be made available to persons residing in the area proposed to be annexed on the effective date of annexation. Funds for these services are provided for by city council through the city's annual budget process.

Police Services

On and after the effective date of annexation, police services will be provided to the area on the same basis and in the same manner as provided within the rest of the City. Such services will be provided with an additional vehicle and five additional officers to patrol the Southern zone. Also, four additional officers and one additional vehicle will be assigned to the City's Criminal Investigation Bureau, Juvenile Services, Crime Prevention/Community Relations and Patrol so as to provide the total scope of police services to all areas proposed for annexation. Costs for the additional services to this area will be approximately \$109,000. Funds for these services will be provided through the City's annual budget process.

Fire Protection

The Sweeten Creek Road area will be provided fire protection on the effective date of annexation. Such protection shall be provided by first response from city station #5, located on Hendersonville Road with back-up from station #9, on Fairview Road or station #8, on Tunnel Road, depending upon the situation. An additional pumper will be provided and manned at station #5. This will require capital outlay of approximately \$136,000 and additional operating costs of \$182,000. The city's fire prevention function will be upgraded at an additional cost of \$22,000. Funding for these services will be provided through the city's annual operating budget.

Statement of Statutory Standards

The territory to be annexed meets the statutory standards of General Statute 160A-48, which defines the character of the area to be annexed, in that:

- (1) The area is contiguous as defined by General Statute 160A-53 as of the 3rd day of March, 1981, the date upon which this annexation proceeding was begun, and as shown on the map included herein marked Area III-Map 1.
- (2) The aggregate external boundary line of the area to be annexed is approximately 66,000 feet, of which 13,500 feet, or 20.4%, coincides with the Asheville City boundary, as shown on the map included herein marked Area III-Map 1. Therefore, at least one-eighth of said external boundary coincides with the Asheville City boundary.
- (3) No part of the area to be annexed is included within the boundary of another incorporated municipality (see Area III-Map 1).
- (4) The area to be annexed is developed for urban purposes as defined in General Statute 160A-48 (c) (1), in that the area contains a total population equal to 2.19 persons per acre. This was computed in the following manner: The number of housing units included in Census Tract 21 in the area to be annexed (418) was multiplied times the dwelling unit factor for that Census Tract (2.55). This equaled a resident population of 1,066. The other portion of Area III, proposed for annexation is included within the Limestone Township which contains 540 dwelling units. Multiplied times the factor for this township of 2.37, the resident population of 1,279 was computed. The two population totals were added together producing a total resident population for Area III (2,345). This figure divided by the land area (1,068 acres) equals 2.19 persons per acre. The dwelling unit factors are according to the latest federal decennial census.

The area also qualifies as urban under General Statute 160A-48 (c) (3), in that 526 of the total 631 lots and tracts in the area are used for residential, commercial, industrial, institutional, or government purposes or 83.3%; and is subdivided into lots and tracts such that 68.6% of the total acreage, not counting the acreage used at the time of annexation for commercial, industrial, governmental or institutional purposes, consists of lots and tracts five acres or less in size. The total acres of land in this area not used for commercial, industrial, governmental or institutional purposes is 600.4 acres of which 412.2 acres is divided into lots and tracts of five acres or less.

drainage structures which are on public rights-of-way. Needed street improvements will be recorded and prioritized and performed on the same level as existing City streets. All improvements will be scheduled according to priority and funds available for improvements. Funding for these services will be provided in the annual budget process.

Street Lighting Street Markers

The installation of needed street lighting and street markers will be made on a prioritized basis in accordance with the street lighting and street marking policies in effect in the City. Funds estimated for street lighting is based on the installation of street lights approximately every 250 feet. Funding for these services will be provided in the annual budget process.

Traffic Control

Traffic control equipment, signs, and markings and other related traffic control devices will be installed on those streets to be included in the city's system in accordance with existing city policies and procedures. Upon installation these devices will be maintained by the city. Such devices will be funded through the annual budget process.

Water and Sewer Services

An analysis of the existing water and sewer lines in Area III indicates a need for an additional 6,300 linear feet of water line and 5,400 linear feet of sewer line to adequately serve the area. Six inch water lines will be installed along portions of the following streets as shown on Area III-Map 2.

- West Chapel Road
- Edgewood Road
- Bellevue Road
- Busbee View Road
- Stockwood Extension
- Peachtree Road
- Several Private Roads

Eight inch sewer lines will be installed along portions of the following streets as shown on Area III-Map 3.

- Sweeten Creek Road
- Busbee View Road
- Peachtree Road
- Several Private Roads

The total costs for the improvements will be \$419,551 which will be funded from the Water and Sewer Operating Fund.

Sanitation

The proposed annexation area will receive the same level of Sanitation services as is provided to residents of the city. Residential refuse will be collected on a regular basis at curbside; this is currently a weekly service. Each resident will be allowed up to six (6) approved containers per pick up. Special "set out" service to curbside for elderly and handicapped individuals may be approved by the Public Works Department if requested by the resident. An additional garbage packer truck will be added to the City's fleet to provide collection service.

Special collections of loose leaves and tree and shrubbery trimmings placed at curbside will be made periodically, when placed for collection in accordance with the sanitation code of the city.

Commercial establishments will be provided the same level of service as those establishments in the city. Establishments with a volume of refuse which exceeds six (6) approved containers will be responsible for making arrangements with a private refuse collector for service. Funding for these services will be provided in the annual budget process.

Code Enforcement

Upon annexation the area will be subject to the city building, housing, electrical and plumbing codes. The area will also be subject to the city zoning, erosion control and subdivision regulations and all other requirements of the city codes and ordinances in effect in the city at the time of annexation. The enforcement of these codes, ordinances, and regulations will be at the same level as in the city. Funding for these services will be provided in the annual budget process.

Inspections

Residents and property owners may request that inspections of their homes or businesses be made and such requests will be scheduled according to the policies of the city. Deficiencies in structures as defined in the city code will be recorded and supplied to the property owner for corrections. Normal or non-requested inspections will be on a schedule consistent with current policies of the city. Funding for these services will be provided in the annual budget process.

Streets

Street improvements and maintenance will be provided to the approximately 11.60 miles of public streets added to the City's Street System on the same level as provided to all City streets. These activities include scraping and stoning of unpaved public streets, street cleaning, pothole repairs on public paved streets, snow and ice control, trimming on public rights-of-way, shoulder cut and fill maintenance on public rights-of-way, maintenance of sidewalks which are on public rights-of-way, and maintenance of street

Legal Description of Area III

BEGINNING at the intersection of Sweeten Creek and the northern right-of-way margin of Southern Railroad, said point being also the intersection of Sweeten Creek and the existing City Limit boundary of the City of Asheville; thence in a southeasterly direction following Sweeten Creek, a distance of approximately 500 feet to the point at which an unnamed tributary joins Sweeten Creek from the east; thence following said unnamed tributary in a southeasterly direction, crossing West Chapel Road, a distance of approximately 2,740 feet to a point, said point being 10 feet south of the southern right-of-way margin of West Chapel Road (SR 3075); thence in a northwesterly direction following a line 10 feet south of the southern right-of-way margin of West Chapel Road and running parallel with said right-of-way margin a distance of approximately 2,685 feet to a point 10 feet east of the eastern right-of-way margin of Rock Hill Road (SR 3081), said point also being 10 feet east of the intersection of West Chapel Road and Rock Hill Road; thence in a southerly direction following a line 10 feet east of the eastern right-of-way margin and running parallel with said right-of-way margin, a distance of approximately 1,475 feet to a point 10 feet east of the intersection of Graham Lane (a private road) and Rock Hill Road; then in a southerly direction following a line 10 feet east of the east right-of-way margin of Graham Lane and running parallel with said right-of-way margin a distance of approximately 894 feet to a point 10 feet north of the northwest corner of Lot 330, Sheet 23, Biltmore Ward; thence in a southerly direction following a straight line a distance of 10 feet to the northwest corner of said Lot 330; thence in an easterly direction following the northern property line of said Lot 330, a distance of approximately 237 feet to the northeast corner of said Lot 330, Sheet 23, Biltmore Ward; thence in a southerly direction following the eastern property lines of Lots 330, 188, 189, and 189½, Sheet 23, Biltmore Ward, a distance of approximately 857 feet to the southeastern corner of Lot 189½, Sheet 23, Biltmore Ward; thence in a southerly direction crossing a private road, a distance of approximately 30 feet to a point in the northern property line of Lot 14, Sheet 32, Biltmore Ward; thence in a westerly direction following the northern property line of Lot 14, Sheet 32, Biltmore Ward, a distance of approximately 150 feet to the eastern margin of a private road; thence following a line 10 feet east of the eastern margin of said private road and running parallel with said right-of-way margin, a distance of approximately 1,100 feet to the northern right-of-way margin of a private road; thence in a southerly direction crossing said private road, a distance of approximately 25 feet to the northwest corner of Lot 99, Sheet 32, Biltmore Ward; thence in an easterly direction following the northern property lines of Lots 99, 100, 101, 102, 103 and 22½, Sheet 32, Biltmore Ward, a distance of approximately 775 feet to the northeastern corner of Lot 22½, thence in a southerly direction, following the eastern property line of Lots 22½, 22½, and 35, Sheet 32, Biltmore Ward, a distance of approximately 772 feet to the intersection of said line with an unnamed tributary of Sweeten Creek; thence in a westerly direction following said unnamed tributary, a distance of approximately 1,920 feet to a point, said point being 10 feet east of the eastern right-of-way margin of Sweeten Creek Road (U. S. 25A); thence in a southerly direction following a line 10 feet east of the eastern right-of-way margin of Sweeten Creek Road and running parallel with said right-of-way margin, a distance of approximately 1,360 feet to the intersection of said

AREA III - SWEETEN CREEK ROAD
FINANCIAL SUMMARY

Annual Estimated Revenues:

Ad Valorem Tax	\$642,000
Other Taxes and Associated Revenues	<u>267,000</u>
Total	<u>\$909,000</u>

First year cost of service:

<u>General</u>	<u>Operating</u>	<u>Capital</u>	<u>Total</u>

Total	<u>\$486,226</u>	<u>\$245,976</u>	<u>\$732,202</u>

Water & Sewer: The required upgrading of water and sewer system improvements is anticipated to cost \$419,551. Capital costs and maintenance is expected to be funded from the Water and Sewer Operating Fund.

Basis of Revenue Estimates

Ad valorem tax estimates are based on the 1980 real and personal listings in the annexation area assuming a 5% annual growth rate, a 95% collection rate and the current City tax rate of 97¢/\$100 valuation. Other revenues include estimates of Motor Vehicle Stickers, Privilege Licenses, Powell Bill, Beer and Wine Tax, Local Utility Tax, Local Option Sales Tax, Intangible Tax and State Utility Franchise Tax.

¹ includes street lighting, street signing, building inspections and transit service.

of Lot 9, Sheet 87, Limestone Ward, a distance of approximately 449.92 feet to the northwest corner of Lot 9, Sheet 87, Limestone Ward; thence in a westerly direction following the southern property line of Lot 6, Sheet 87, Limestone Ward, a distance of approximately 410 feet to the southwest corner of Lot 6, Sheet 87, Limestone Ward; thence in a northerly direction following the western property line of Lot 6, Sheet 87, Limestone Ward, a distance of approximately 571 feet to the northwest corner of Lot 6, Sheet 87, Limestone Ward; thence in a westerly direction following the southern property line of Lot 5, Sheet 87, Limestone Ward, a distance of approximately 315.29 feet to the southwest corner of Lot 5, Sheet 87, Limestone Ward; thence in a northerly direction following the western property line of Lot 5, Sheet 87, Limestone Ward, a distance of approximately 61 feet to the intersection of said property line with Dingle Creek; thence following Dingle Creek in a northwesterly direction, a distance of approximately 670 feet to the intersection of said Dingle Creek with the eastern right-of-way margin of Overlook Road (SR 3503); thence continuing in a northwesterly direction crossing Overlook Road and following Dingle Creek, a distance of approximately 1,280 feet to the intersection of Dingle Creek with the western property line of Lot 33, Sheet 82, Limestone Ward; thence in a northerly direction following the western property line of Lots 33, 32, 34, 38, and 15, Sheet 82, Limestone Ward, a distance of approximately 1,540 feet to the northwestern corner of Lot 15, Sheet 82, Limestone Ward; thence continuing in a northerly direction following the western property line of Lot 96, Sheet 69, Limestone Ward, a distance of approximately 530 feet to a point 10 feet north of the intersection of said property line with the northern right-of-way margin of a private road; thence in a northeasterly direction following a line 10 feet north of the northern right-of-way margin, of Racquet Club Road and running parallel with said right-of-way margin, a distance of approximately 240 feet to a point 10 feet north of the intersection with the northern right-of-way margin of Racquet Club Road, a private road; thence in an easterly direction following a line 10 feet north of the northern right-of-way margin, a distance of approximately 1,380 feet to a point, said point being 10 feet west of the western right-of-way margin of U. S. Highway 25; thence following a line 10 feet west of the western right-of-way margin of U. S. Highway 25 and running parallel with said right-of-way margin, a distance of approximately 2,015 feet to the existing Biltmore Forest Town Limits; thence in a northerly direction following the existing Biltmore Forest Town Limits, a distance of approximately 1,710 feet to the intersection of said Biltmore Forest Town Limits with the existing City Limit Boundary of the City of Asheville; thence in an easterly and northerly direction of following the existing City Limit Boundary of the City of Asheville a distance of approximately 13,500 feet to the point of BEGINNING.

Upon inquiry of Councilman Cole, Mr. Emrick said the response time for fire protection would be three to four minutes from the longest distance into the Sweeten Creek Road area.

Mr. Emrick said the Asheville Transit Authority is studying the extension of bus service into the Sweeten Creek Road area.

Mr. Jerry Crowe, Attorney, said he would like to receive a copy of the annexation plan for study. He said he was aware that the statutes required that the City Clerk's Office have the annexation plan available at least fourteen (14) days before the public hearing. However, it would probably take him longer than fourteen days to study the plan.

line with Sweeten Creek; thence in a southwesterly direction in a straight line crossing Sweeten Creek Road, a distance of approximately 234 feet to a point 10 feet south of the southern right-of-way margin of a private road, said point also being approximately 315 feet north of the southeastern corner of Lot 24, Sheet 32, Biltmore Ward; thence in a northeasterly direction following a line 10 feet south of the southern right-of-way margin of said private road and running parallel with said right-of-way margin, a distance of approximately 2,380 feet to a point, said point being 10 feet south of the southern right-of-way margin of Roundtop Road (SR 3109), said point also being 10 feet south of the intersection of Roundtop Road and said private road; thence in an easterly direction following a line 10 feet south of the southern right-of-way margin of Roundtop Road and running parallel with said right-of-way margin, a distance of approximately 1,100 feet to the eastern right-of-way margin of Southern Railroad; thence in a southerly direction following the eastern right-of-way margin of Southern Railroad, a distance of approximately 6,640 feet to the intersection of said right-of-way margin and the northern property line of Lot 110, Sheet 69, Limestone Ward, as recorded in the Buncombe County Tax Supervisor's Office; thence following the northern property line of Lot 110, Sheet 69, Limestone Ward and crossing Sweeten Creek Road, a distance of approximately 265 feet to a point in the western property line of Lot 166, Sheet 59, Limestone Ward; thence in a northerly direction following the western property line of Lot 166, Sheet 59, Limestone Ward, a distance of approximately 65 feet to the northwest corner of Lot 166, Sheet 59, Limestone Ward; thence in an easterly direction following the northern property line of Lot 166, 102, 103, 104, 105, 106, 107, 108, and 72, Sheet 59, Limestone Ward, a distance of approximately 1,730.88 feet to the southwestern corner of Lot 73, Sheet 59, Limestone Ward; thence in a northerly direction following the western property line of Lots 73 and 74, Sheet 59, Limestone Ward, a distance of approximately 324.6 feet to the northwestern corner of Lot 75, Sheet 59, Limestone Ward; thence in an easterly direction following the northern property line of Lots 75, 76, 80, 82, 83, 84, 154, 155, 156, a distance of approximately 1,869 feet to the northeast corner of Lot 156, Sheet 59, Limestone Ward; thence in a southerly direction following the eastern property line of Lots 156, 157, 158, 159, 160, 161, 162, Sheet 59, Limestone Ward, crossing Ballantree Drive and continuing along the eastern property line of Lots 163, 164, 135, 134, 133, a distance of approximately 2,099.86 feet to the southeast corner of Lot 133, Sheet 59, Limestone Ward; thence in a westerly direction following the southern property line of Lots 133, 132, 131, 130, 129, 128, 127, 126, 33, 10, 9, 8, 7, 6, and 5, Sheet 59, Limestone Ward, a distance of approximately 2,378.24 feet to a point lying in the southern property line of Lot 5, Sheet 59, Limestone Ward, said point being 10 feet east of the eastern right-of-way margin of Sweeten Creek Road; thence in a southerly direction following a line 10 feet east of the eastern right-of-way margin of Sweeten Creek Road and running parallel to said right-of-way margin, a distance of approximately 5,160 feet to the intersection with Dingle Creek; thence in a westerly direction following Dingle Creek and crossing U. S. Highway 25A, Southern Railway, and U. S. Highway 25, a distance of approximately 1,290 feet to its intersection with the southern property line of Lot 9, Sheet 87, Limestone Ward; thence in a westerly direction following the southern property line of Lot 9, Sheet 87, Limestone Ward, a distance of approximately 380 feet to the southwest corner of Lot 9, Sheet 87, Limestone Ward; thence in a northwesterly direction following the western property line

Statement of Statutory Standards

The territory to be annexed meets the statutory standards of General Statute 160A-48, which defines the character of the area to be annexed, in that:

- (1) The area is contiguous as defined by General Statute 160A-53 as of the 3rd day of March, 1981, and as shown on the map included herein marked Area IV-Map 1.
- (2) The aggregate external boundary line of the area to be annexed is approximately 21,580 feet, of which approximately 5,030 feet, or 23.3%, coincides with the Asheville City boundary, as shown on the map included herein marked Area IV-Map 1. Therefore, at least one-eighth of said external boundary coincides with the Asheville City boundary.
- (3) No part of the area to be annexed is included within the boundary of another incorporation municipality (see Area IV-Map 1).
- (4) The area to be annexed is developed for urban purposes as defined in General Statute 160A-48 (c) (3), in that 85 of the total 131 lots and tracts in the area are used for residential, commercial, industrial, institutional, or governmental purposes or 64.8%; and is subdivided into lots and tracts such that 79.6% of the total acreage, not counting the acreage used at the time of annexation for commercial, industrial, governmental, or institutional purposes, consists of lots and tracts five acres or less in size. Acres of land in this area not used for commercial, industrial, governmental or institutional purposes is 130.3 acres of which 103.8 acres is divided into lots and tracts of five acres or less.

Plan For Extension and Financing
of Municipal Service

Patton Avenue West

General Statement

All services will be made available to persons living within the annexed area on the same basis and in the same manner as presently provided to persons residing in the city limits. The city council will designate funds to cover

Mr. Crowe asked questions relative to the annexation of the Sweeten Creek Road area relative to the garbage service, fire protection, police protection, street maintenance, and bus service proposed for the area.

Upon inquiry of Mr. Crowe, Mr. Emrick said taxes for the services would begin on June 30, 1981.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-80 was unanimously adopted.

Complete text of Resolution No. 81-80 will be found in Resolution Book No. 12 at page 363.

RESOLUTION NO. 81-81 - RESOLUTION ADOPTING AND APPROVING THE PLAN FOR EXTENSION OF CITY SERVICES INTO THE AREA PROPOSED FOR ANNEXATION GENERALLY DESCRIBED AS THE PATTON AVENUE AREA

6. Consideration was given to a resolution adopting and approving the plan for extension of City services into the area proposed for annexation generally described as the Patton Avenue area.

Verl Emrick read the resolution.

Verl Emrick then presented the annexation plan for the Patton Avenue area which is as follows:

AREA IV - PATTON AVENUE

General Description

The Patton Avenue West area, which is proposed for annexation lies generally between Old Haywood Road and Sand Hill Road to the west and east, and I-40 and the Asheville city limits to the south and north.

The area primarily contains commercial development along U. S. 19-23. The larger commercial development includes: Ingles-West Plaza Shopping Center, Skyland Oldsmobile, Inc., Apple Tree Chevrolet, Holiday Inn West and Moore's Building Supplies. A large portion of the proposed area is developed for institutional purposes and occupied by Asheville School, Inc. Residential development is generally located along Sand Hill Road and the area adjacent to the existing city limits. A map and boundary description is included on the following pages.

Statement of Accompanying Maps

The maps of Asheville and adjacent territory showing the following information are in the office of the Planning Department on the fifth floor of the City Hall Building, Asheville, North Carolina.

- Area IV - Map 1
 - Existing City Limits
 - Proposed Annexation Boundary
 - Existing Land Use

Special collections of loose leaves and tree and shrubbery trimmings placed at curbside will be made periodically, when placed for collection in accordance with the sanitation code of the city.

Commercial establishments will be provided the same level of service as those establishments in the city. Establishments with a volume of refuse which exceeds six (6) approved containers will be responsible for making arrangements with a private refuse collector for service. Funding for these services will be provided in the annual budget process.

Code Enforcement

Upon annexation the area will be subject to the city building, housing, electrical and plumbing codes. The area will also be subject to the city zoning, erosion control and subdivision regulations and all other requirements of the city codes and ordinances in effect in the city at the time of annexation. The enforcement of these codes, ordinances, and regulations will be at the same level as in the city. Funding for these services will be provided in the annual budget process.

Inspections

Residents and property owners may request that inspections of their homes or businesses be made and such requests will be scheduled according to the policies of the city. Deficiencies in structures as defined in the city code will be recorded and supplied to the property owner for corrections. Normal or non-requested inspections will be on a schedule consistent with current policies of the city. Funding for these services will be provided in the annual budget process.

Streets

Street improvements and maintenance will be provided to the approximately 2.73 miles of public streets added to the City's Street System on the same level as provided to all City streets. These activities include scraping and stoning of unpaved public streets, street cleaning, pothole repairs on public paved streets, snow and ice control, trimming on public rights-of-way, shoulder cut and fill maintenance on public rights-of-way, maintenance of sidewalks which are on public rights-of-way, and maintenance of street drainage structures which are on public rights-of-way. Needed street improvements will be recorded and prioritized and performed on the same level as existing City streets. All improvements will be scheduled according to priority and funds available for improvements. Funding for these services will be provided in the annual budget process.

Street Lighting Street Markers

The installation of needed street lighting and street markers will be made on a prioritized basis in accordance with the street lighting and street marking policies in effect in the City. Funds estimated for street lighting

necessary expenses on or before the effective date of annexation through the city's budgetary process. The city, from time-to-time, makes changes to its budget and service delivery policy. Areas which are annexed are subject to these changes as they are adopted by city council and applied citywide. In addition, the amount of funds to be annually appropriated for services to this area, and all areas of the city, shall be made in conformance with the Local Government Budget and Fiscal Control Act, as amended.

Administrative Services

Services provided by the city's council, manager, and administrative departments will be made available to persons residing in the area proposed to be annexed on the effective date of annexation. Funds for these services are provided for by city council through the city's annual budget process.

Police Services

On and after the effective date of annexation, police services will be provided to the area on the same basis and in the same manner as provided within the rest of the City. Such services will be provided with an additional vehicle and five additional officers to patrol the Western zone. Also, four additional officers and one additional vehicle will be assigned to the City's Criminal Investigation Bureau, Juvenile Services, Crime Prevention/Community Relations and Patrol so as to provide the total scope of police services to all areas proposed for annexation. Costs for the additional services to this area will be approximately \$64,000. Funding for these services will be provided in the City's annual budget process.

Fire Protection

The Patton Avenue West area will be provided fire protection on and after the effective date of annexation on the same basis and manner as provided within the rest of the city. Such protection will be provided by pumper and ladder truck response from city station #6, on Haywood Road, backed up by response from city station #3, at the corner of Oregon and Louisiana Avenue. An additional ladder company at station #3 will be manned at an estimated annual cost of \$200,000 and the city's fire prevention function will be upgraded at a total estimated annual cost of \$22,000. Funding for these services will be provided in the annual budget process.

Sanitation

The proposed annexation area will receive the same level of Sanitation services as is provided to residents of the city. Residential refuse will be collected on a regular basis at curbside; this is currently a weekly service. Each resident will be allowed up to six (6) approved containers per pick up. Special "set out" service to curbside for elderly and handicapped individuals may be approved by the Public Works Department if requested by the resident. An additional garbage packer truck will be added to the City's fleet to provide collection service.

First year cost of service:

<u>General</u>	<u>Operating</u>	<u>Capital</u>	<u>Total</u>
Streets	\$ 11,770	\$21,400	\$ 33,170
Sanitation	4,105	24,200	28,305
Police	57,295	6,625	63,920
Fire Protection ²	95,319	11,006	106,325
Other ³	4,811	770	5,581
Total	<u>\$173,300</u>	<u>\$64,001</u>	<u>\$237,301</u>

Water & Sewer: The required upgrading of water and sewer system improvements is anticipated to cost \$832,523. Capital costs and maintenance is expected to be funded from the Water and Sewer Operating Fund.

Basis of Revenue Estimates

Ad valorem tax estimates are based on the 1980 real and personal listings in the annexation area assuming a 5% annual growth rate, a 95% collection rate and the current City tax rate of 97¢/\$100 valuation. Other revenues include estimates of Motor Vehicle Stickers, Privilege Licenses, Powell Bill, Beer and Wine Tax, Local Utility Tax, Local Option Sales Tax, Intangible Tax and State Utility Franchise Tax.

- ¹ includes $\frac{1}{2}$ the estimated cost of a patrol squad to serve both areas I and IV.
- ² includes $\frac{1}{2}$ of the estimated cost of upgrading a fire station to serve both areas I and IV.
- ³ includes street lighting, street signing, building inspections and transit service.

Legal Description of Area IV

BEGINNING at a point, said point being the intersection of the southern right-of-way margin of U. S. 19-23 and the existing City Limit boundary of the City of Asheville; thence in a southeasterly direction following said City Limit boundary a distance of approximately 3,960 feet to a point, said point being 10 feet east of the eastern right-of-way margin of Sand Hill Road (SR 3412); thence in a southwesterly direction following a line 10 feet east of the eastern right-of-way margin of Sand Hill Road and running parallel with said right-of-way margin and crossing Interstate 40, a distance of approximately 4,380 feet to a point 10 feet south of the southern right-of-way margin of I-40; thence in a westerly direction following a line 10 feet south of the southern right-of-way margin of I-40 and running parallel with said right-of-way margin, a distance of approximately 4,540 feet to the intersection of said

is based on the installation of street lights approximately 250 feet. Funding for these services will be provided in the annual budget process.

Traffic Control

Traffic control equipment, signs, and markings and other related traffic control devices will be installed on those streets to be included in the city's system in accordance with existing city policies and procedures. Upon installation these devices will be maintained by the city. Such devices will be funded through the annual budget process.

Water and Sewer Services

An analysis of the existing water and sewer lines in Area IV indicates a need for an additional 4,050 linear feet of water line and 6,700 linear feet of sewer line to adequately serve the area. Six inch water lines will be installed along portions of the following streets as shown on Area IV-Map 2.

Starnes Cove Road
Hillside Terrace
Emory Road
A Private Road
Cranesway Drive

Eight inch sewer lines will be installed along portions of the following streets as shown on Area IV-Map 2.

Asheville School Road
Hillside Terrace
Emory Road
Patton Avenue (U. S. 19-23)
Sandhill Road

The total costs for the improvements will be \$832,523 which will be funded from the Water and Sewer Operating Fund.

AREA IV - PATTON AVENUE FINANCIAL SUMMARY

Annual Estimated Revenues:

Ad Valorem Tax	\$132,000
Other Taxes and Associated Revenues	37,000
Total	<u>\$169,000</u>

Upon inquiry of Ralph Bishop, Mr. Emrick said if the residents of the annexed areas did not pay the city tax due, the same process that is now in effect for existing city residents would take effect.

Upon motion of Councilman Wilkes, seconded by Vice-Mayor Morris, Resolution No. 81-81 was unanimously adopted.

Complete text of Resolution No. 81-81 will be found in Resolution Book No. 12 at page 364.

ORDINANCE NO. 1209 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (PROPERTY KNOWN AS "CHICKEN HILL")

7. Consideration was given to the second reading of Ordinance No. 1209, An Ordinance amending Ordinance 322, Known as "An Ordinance providing for the zoning of the City of Asheville," as amended (Property known as "Chicken Hill").

Mayor Trantham said this ordinance was previously read on its first reading and would not be reread in its entirety unless there was a specific request to do so.

At the request of Mr. Emrick, Councilwoman Price moved to amend Ordinance No. 1209 by amending Section 5 of Ordinance No. 1209 by inserting the following: "That this ordinance shall be in full force and effect on the date of final passage. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1209 passed on second reading.

ORDINANCE NO. 1205 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (PROPERTY LOCATED AT 788 FAIRVIEW ROAD)

8. Consideration was given to the third reading of Ordinance No. 1205, An Ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended (Property located at 788 Fairview Road).

Mayor Trantham said this ordinance was previously read on its first and second reading and would not be reread in its entirety unless there was a specific request to do so.

At the request of Mr. Verl Emrick, Councilwoman Price moved to amend Ordinance No. 1205 by deleting Section 5 and inserting the following: "That this ordinance shall be in full force and effect on the date of final passage." This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1205 was passed on third reading and final reading.

line with the southern right-of-way margin of Southern Railroad; thence in a northwesterly direction crossing Southern Railroad and U. S. 19-23, a distance of approximately 690 feet to a point 10 feet north of the northern right-of-way margin of U. S. 19-23 said point also being 10 feet northwest of the southwest corner of Lot 67, Sheet 23, Lower Hominy Ward; thence in an easterly direction following a line 10 feet north of the northern right-of-way margin of U. S. 19-23 and running parallel with said right-of-way margin, a distance of approximately 730 feet to a point, said point being 10 feet west of the western right-of-way margin of Old Haywood Road (SR 1404); thence in a northerly direction following a line 10 feet west of the western right-of-way margin of Old Haywood Road and running parallel with said right-of-way margin, a distance of approximately 2,130 feet to a point, said point being 10 feet north of the northern right-of-way margin of Starnes Cove Road (SR 1255); thence in an easterly direction following a straight line across Old Haywood Road, a distance of approximately 70 feet to a point, said point being 10 feet north of the northern right-of-way margin of Old Starnes Cove Road; thence in an easterly direction following a line 10 feet north of the northern right-of-way margin of Old Starnes Cove Road and running parallel with said right-of-way margin, a distance of approximately 830 feet to a point at which said line merges with a private road; thence in a southeasterly direction following a line 10 feet north of the northern right-of-way margin of said private road and running parallel with said right-of-way margin, a distance of approximately 980 feet to a point 10 feet west of the western right-of-way margin of U. S. 19-23; thence in a northwesterly direction following a line 10 feet west of the western right-of-way margin of U. S. 19-23 and running parallel with said right-of-way margin a distance of approximately 440 feet to a point at which said line intersects the western right-of-way margin of Southern Railroad; thence in a northerly direction following the western right-of-way margin of Southern Railroad a distance of approximately 1,760 feet to the Asheville City Limits; thence following the Asheville City Limits in an easterly direction a distance of approximately 1,070 feet to the point of BEGINNING.

Councilman Brownlee said he was concerned about Montgomery Road, located approximately 6/10 of a mile from Patton Avenue, due to the fact that there are seven homes on this road with a 2" water line. He said he realized that water and sewer services would not be required by the City for at least one year after the effective date of the annexation ordinances. He said he was concerned that the residents would not receive fire protection, particularly with a 2" water line.

Verl Emrick informed Councilman Brownlee that he would contact Chief Ball relative to detailed plans of providing service to the Montgomery Road residents.

Mr. Emrick said fire hydrants would be placed in the area according to the present City policy of placing a fire hydrant where the fire hose will reach at least 500' in each direction.

Councilman Brownlee said that he thought the City would lose money on this annexation area for the next 25 years due to the fact that the Asheville School property is non-taxable.

Mark Carlson, Corbin-Carlson, Developer. After discussion, the Commission voted to recommend approval of the site plan subject to the following: 1) Erosion Control Ordinance; 2) Approval by Department of Human Resources; and 3) Show buffering, grading plan and parking for handicapped on the plan.

- D. Resolution No. 81-84 - Resolution authorizing the Mayor to execute a quitclaim deed to Parker Fabric Company, Inc.

HIGHLIGHTS: Parker Fabric Company, Inc., has requested the City of Asheville to execute a quitclaim deed for property known as Lot 69 of a plat of Horney Hayes Subdivision recorded in the Buncombe County Registry of Deeds in Plat Book 5, page 112. The City of Asheville has no interest in this property. The property was deeded to the City of Asheville by the Buncombe County Board of Tax Supervision, however, that deed was changed to another owner several years ago.

Resolution Book No. 12 at page 367.

Upon motion of Councilman Cole, seconded by Councilman Boland, the consent agenda was unanimously approved.

CLAIMS - DORMA RAINEY - ROBBIE MAE THOMAS - MAUDE THOMAS

10. The City Manager presented claims received from Dorma Rainey, Robbie Mae Thomas, and Maude Thomas.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - "CLEAN UP LITTER WEEK" - APRIL 13-18, 1981

Mayor Trantham proclaimed the week of April 13-18, 1981 as "Clean up Litter Week."

RALPH BISHOP - COMMENTS RELATIVE TO FORMER POLICE CHIEF J. C. HALL'S PENSION

Ralph Bishop requested Councilman Brownlee to investigate the pension that former Police Chief J. C. Hall now receives. He said he felt former Police Chief J. C. Hall should be reexamined by the Pension Board.

ADJOURNMENT.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, the meeting adjourned at 6:30 p.m.

Wayne Trantham
Mayor

William B. Hines
City Clerk

Complete text of Ordinance No. 1205 will be found in Ordinance Book No. 9 at page 200.

APPROVAL OF THE CONSENT AGENDA

9. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-82 - Resolution authorizing the City Manager to enter into a contract with Six Associates, Inc., for staffing services to the City of Asheville and the Asheville Revitalization and Economic Commission.

HIGHLIGHTS: This agreement will provide for Six Associates, Inc., to provide staff services to the City and the Asheville Revitalization and Economic Development Commission in connection with the expansion of the Commission pursuant to Ordinance No. 1207, adopted March 19, 1981.

Resolution Book No. 12 at page 365.

- B. Resolution No. 81-83 - Resolution renaming Tolula Lane to Old Asheland Avenue.

HIGHLIGHTS: On February 1, 1979, the Asheville City Council named a new street (#3), created by the realignment of streets by the Urban Renewal Project, Tolula Lane and on July 12, 1979, Council, by motion, renamed a portion of Tolula Lane to Old Asheland Avenue. A petition has been received from the two residents on Tolula Lane requesting that the street be renamed to Old Asheland Avenue in order to alleviate confusion created by the name of the street.

Resolution Book No. 12 at page 366.

- C. Scheduling of a public hearing relative to a site plan of a proposed apartment complex to be constructed on Overbrook Drive for May 7, 1981.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at its meeting held on April 1, 1981, considered the site plan of a proposed apartment complex to be constructed on Overbrook Drive. The plan was prepared by Spaceplan, Inc., architects, for
